

OXFORDSHIRE PARTNERSHIP - 25 FEBRUARY 2009

Better Governance and Accountability Oxfordshire Partnership Governance Review

Proposals for the structure of partnerships.

1 Purpose of the review

In February 2008 the Public Service Board (PSB) commissioned a review of the governance arrangements of the partnerships responsible for the delivery of the targets in the *Oxfordshire 2030* Delivery Plan. The objective is to ensure that partnerships are fit for purpose and in particular to:

- rationalise partnerships to avoid unnecessary and unproductive meetings,
- clarify member roles and officer support arrangements,
- clarify the relationships and accountability between partnerships.

2 Consultation

Mary Harpley (Chief Executive, Cherwell District Council) and David Neudegg (Chief Executive, West Oxfordshire District Council) are leading the review, supported by Paul James (Oxfordshire County Council), Val Johnson (Oxford City Council) and other district council officers.

The group undertook an audit of existing partnerships and their governance between March and July 2008 and reported initial findings to the Public Service Board in September 2008. The Board instructed the group to consult further with partnerships and to make recommendations to the Public Service Board on 18 February 2009.

3 Purpose of this report

This report proposes changes to the structure of thematic partnerships supporting the Oxfordshire Partnership and Public Services Board. (**See Annex 1**)

Further consultation work on the principles of governance, decision making and membership (including the role of elected members) is ongoing and will be brought to the next meeting of the Public Service Board.

4 Recommendations

The Public Service Board is asked to:

- 1. Agree the proposed structure.**
- 2. Receive a further report in April 2009 setting out principles of governance, decision making and membership (including the role of elected members).**
- 3. Receive a further report in June 2009 clarifying the partnership governance and reporting structure for**
 - Homelessness,**
 - Supporting People.**

ANNEX 1

Proposals for the structure of partnerships

1 Proposed partnership structure

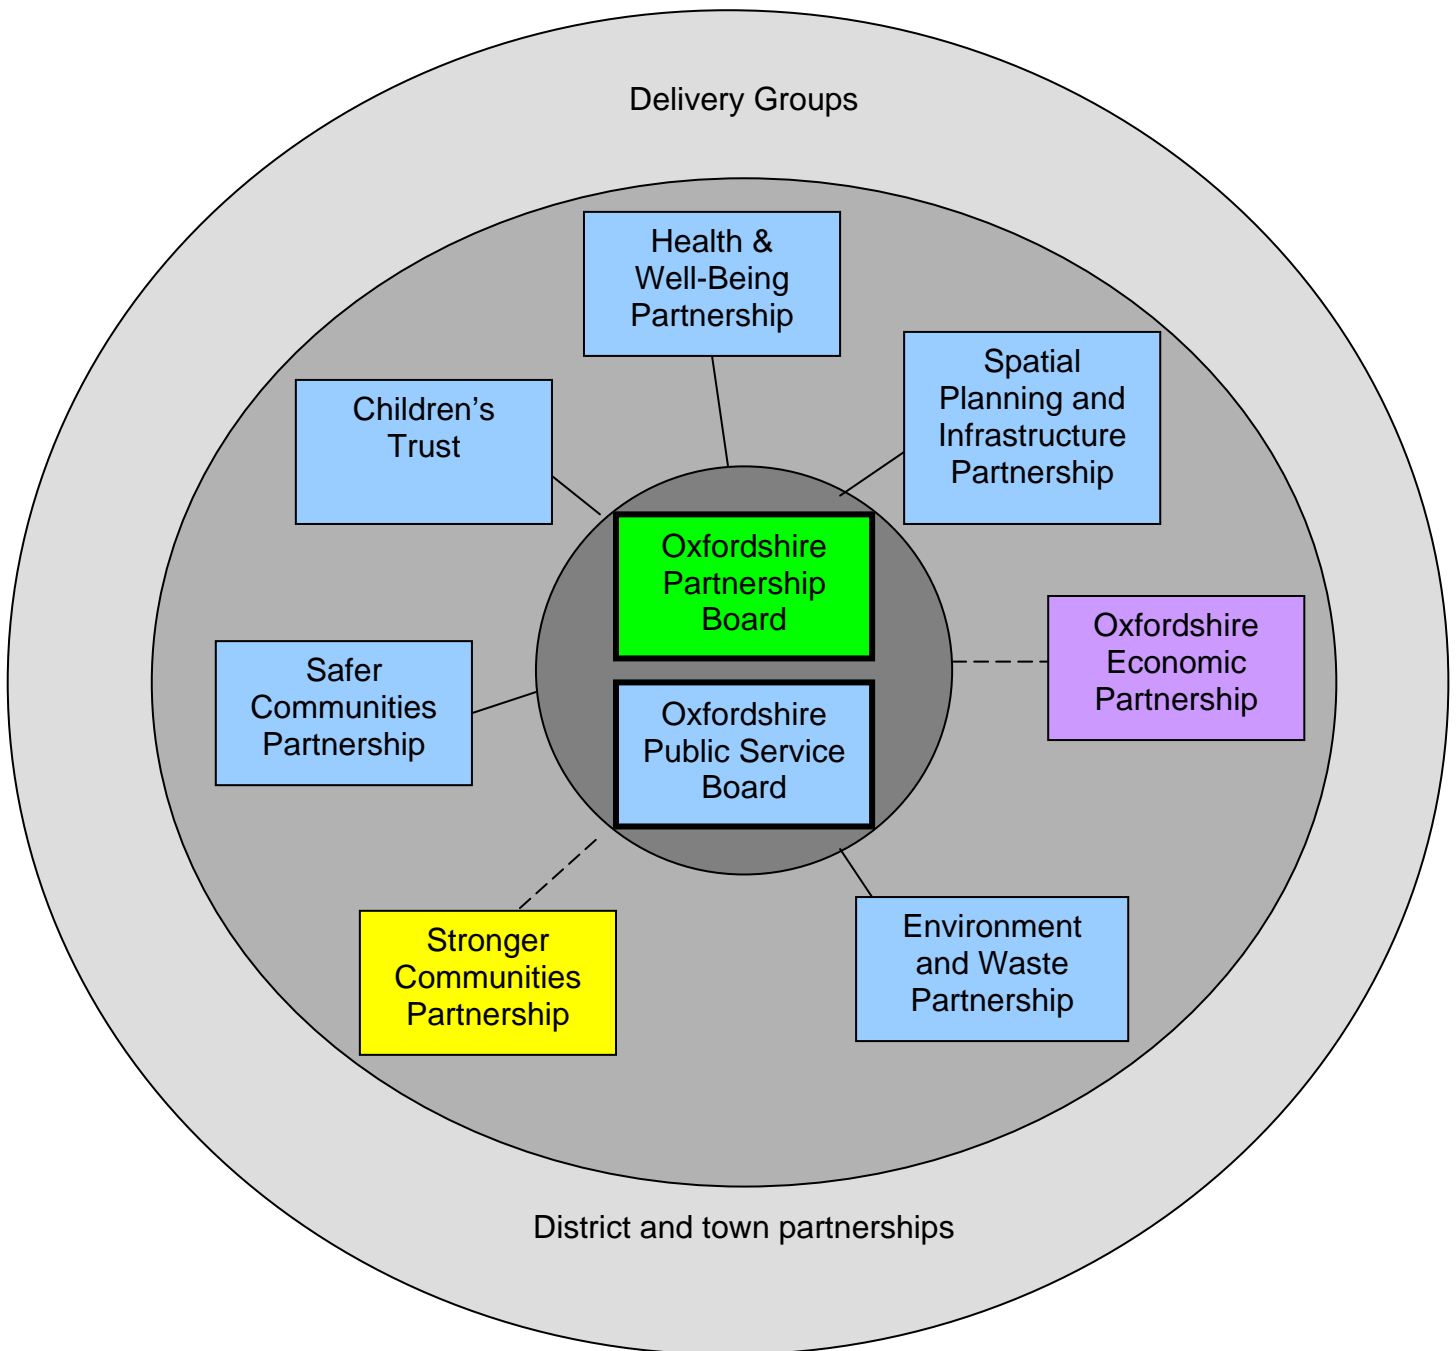

It is proposed that the framework of the Oxfordshire Partnership shall include:

1. **The Oxfordshire Partnership Board** – driving the vision for the county;
2. **The Public Service Board** – driving delivery and performance overall;
3. **Thematic Partnerships** – responsible for the following areas of focus and reporting to the Public Service Board on partnership targets :
 - **Spatial Planning and Infrastructure Partnership** – a new partnership that develops the role of the Central Oxfordshire Member Steering Group as a strategic county-wide partnership including housing development, access/transport and commissioning economic strategy and assessments.
 - **Environment and Waste Partnership** – a new strategic partnership with oversight of delivery groups for waste, clean and green, climate change, flooding and biodiversity. The existing waste & environment partnerships would be merged to reflect overlapping interests. However, this partnership is likely to maintain separate delivery / officer support groups to manage particular priorities and targets – the decision will be up to the partnership.
 - **Children’s Trust.**
 - **Health and Well Being Partnership.**
 - **Safer Communities Partnership.**
 - **Oxfordshire Economic Partnership.**
 - **Stronger Communities Partnership** – developing the existing role of the Oxfordshire Voluntary Sector Development Partnership as an independent strategic partnership for the voluntary, community and faith sectors.

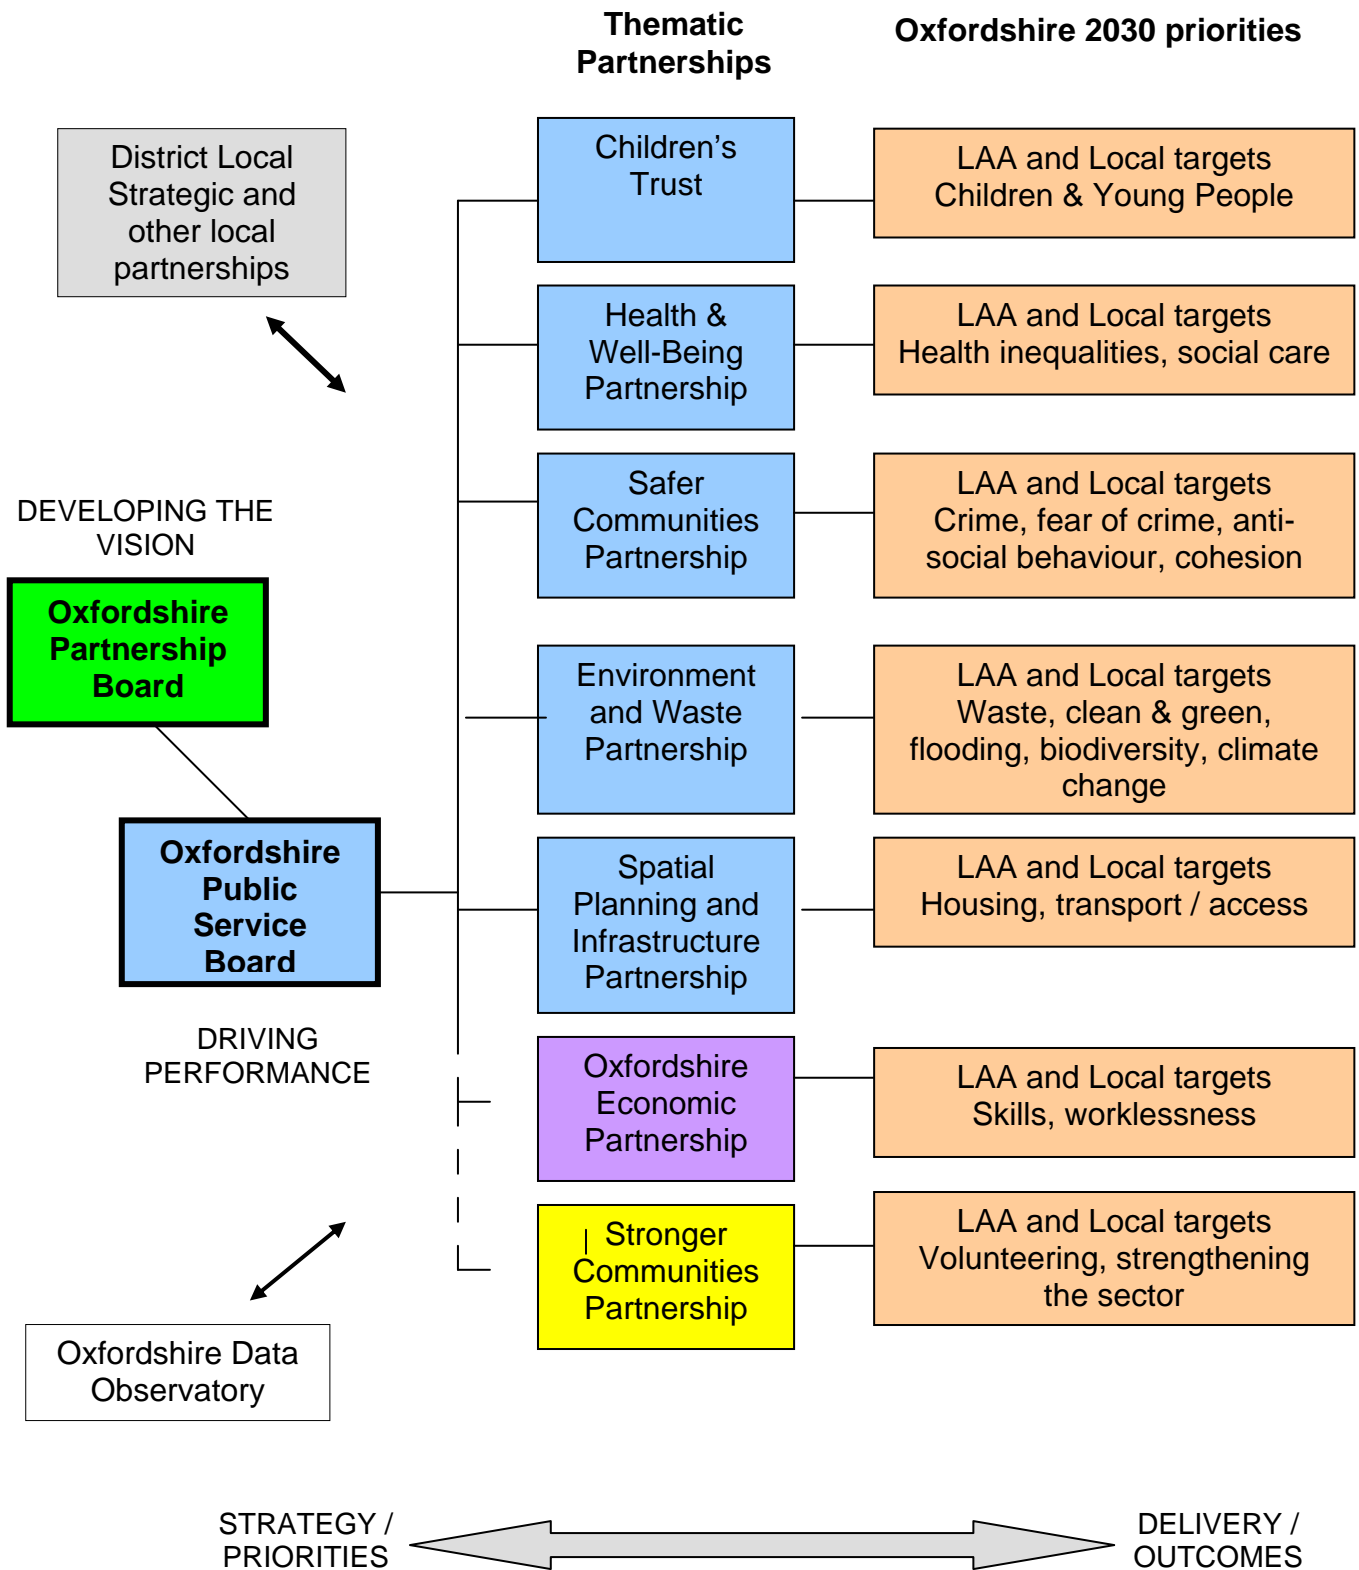

Thematic partnerships may also perform other roles including satisfying statutory requirements (e.g. Children’s Trust) and management of contractual arrangements (e.g. waste) between organisations. Partnerships will not be responsible to the Public Service Board for these functions which will be overseen by the relevant accountable bodies.

4. Thematic partnerships shall have **delivery groups** in place to undertake the work required to meet the targets for which they are responsible.
5. **Further work is required by June 2009 to:**
 - Clarify the partnership governance arrangements for homelessness and supporting people.
 - Ensure that Delivery Groups are in place for all targets
 - Develop effective links between thematic partnerships and district local strategic partnerships.

4 Recommendations – structure and role

Partnership	Recommendations
<p style="text-align: center;">Oxfordshire Partnership Board</p>	<ul style="list-style-type: none"> • The Oxfordshire Partnership Board shall continue as a broad and inclusive forum that: <ul style="list-style-type: none"> ○ maintains an overall vision for the county, ○ oversees and provides strategic challenge on delivery, ○ communicates progress to the public and ○ promotes a wider understanding of the big issues and challenges facing the county. • The Board shall review its membership and chairmanship annually and adopt a clear process for membership selection.
<p style="text-align: center;">Oxfordshire Public Service Board</p>	<ul style="list-style-type: none"> • The Public Service Board drives delivery of targets and is responsible for agreeing how Area Based Grant and LAA Reward Grant are spent to meet targets in the Oxfordshire 2030 Delivery Plan (LAA and local targets) • Thematic partnerships shall be accountable to the PSB for the delivery of targets for which they are responsible in the Oxfordshire 2030 Delivery Plan (LAA and local targets). • Chairmen of thematic partnerships shall participate in the PSB on a regular basis to report on targets and to advise on issues and achievements.

Thematic partnership	Recommendations
<p style="text-align: center;">Spatial Planning and Infrastructure Partnership</p>	<ul style="list-style-type: none"> • It is proposed that a new district/county local government led partnership is established for strategic spatial and infrastructure planning and the commissioning of economic strategy and assessments. • It is proposed that this partnership shall be a development of the existing Central Oxfordshire Steering Group, including elected members and representatives of key agencies and organisations. • The partnership shall be accountable to the Public Service Board for the targets for which it is responsible in the Oxfordshire 2030 Delivery Plan (LAA and local targets). • It will be up to the Spatial Planning and Infrastructure Partnership to determine, but there may well be a need for a number of Delivery Groups reporting to this partnership, including: <ul style="list-style-type: none"> ○ <u>Housing Delivery Group</u>, including responsibility for LAA 154 (increase net additional homes), LAA 155 (number of affordable homes), LAA 156 (reduce the number of households in temporary accommodation). ○ <u>Transport / Access to Services Delivery Group</u> including responsibility for LAA 175 (increase access to services by public transport etc), LAA 198 (increase % school pupils travelling by walking, cycling by public transport).
	<p><u>Housing Partnership.</u></p> <ul style="list-style-type: none"> • The Strategic Planning and Infrastructure Partnership may well decide that the Housing Partnership should become one of its Delivery Groups . Housing development is clearly integral to strategic infrastructure planning. However, further work is needed with Supporting People (see below) to ensure that homelessness and housing for vulnerable groups is effectively managed through the strategic partnership framework. .
	<p><u>Supporting People</u></p> <ul style="list-style-type: none"> • Supporting people commission services for particularly vulnerable groups and it is proposed that its role is that of a commissioning and delivery group rather than that of a thematic partnership. • It is proposed that decisions are made about governance by June 2009 (see Housing Partnership, above, and also Health and Well Being Partnership, below).

Thematic partnership	Recommendations
<p>Health & Well-Being Partnership</p>	<ul style="list-style-type: none"> • The partnership shall: <ul style="list-style-type: none"> ○ further develop links with district / local partnerships to strengthen consultation and engagement on local needs. ○ be accountable to the Public Service Board for the targets for which it is responsible in the Oxfordshire 2030 Delivery Plan (LAA and local targets). ○ further develop its ownership of actions which reduce inequalities and break the cycle of deprivation.
<p>Children’s Trust</p>	<ul style="list-style-type: none"> • The Trust has recently undertaken a review of governance. This proposes the following changes: Delivery Groups for performance management, joint commissioning and participation & involvement. Three local partnerships to be established (North, Central, South of the county). • The partnership shall: <ul style="list-style-type: none"> ○ be accountable to the Public Service Board for the targets for which it is responsible in the Oxfordshire 2030 Delivery Plan (LAA and local targets). ○ further develop links with district / local partnerships to strengthen consultation and engagement on local needs.
<p>Safer Communities Partnership</p>	<ul style="list-style-type: none"> • The partnership shall: <ul style="list-style-type: none"> ○ ensure that there are consistent links between Police Neighbourhood Action Groups, District Crime and Disorder Reduction Partnerships and itself ○ be accountable to the Pubic Service Board for the targets for which it is responsible in the Oxfordshire 2030 Delivery Plan (LAA and local targets). ○ further develop links with district / local partnerships to strengthen consultation and engagement on local needs.

Thematic Partnership	Recommendations
<p style="text-align: center;">Environment and Waste Partnership</p>	<ul style="list-style-type: none"> • It is proposed that a new thematic partnership is established bringing together waste, the environment, climate change and flooding. • The partnership shall be accountable to the PSB for the targets for which it is responsible in the Oxfordshire 2030 Delivery Plan (LAA and local targets). • It is proposed that this partnership shall have an executive board which includes elected members and a number of Delivery Groups (to be decided by the Partnership itself), which are likely to include: <ul style="list-style-type: none"> ○ <u>Waste Partnership</u> becomes - Waste / Clean & Green Delivery Group, responsible for LAA 191 (reduced household waste), LAA192 (Increase the amount of waste recycled), LAA 195 (reduce levels of litter etc), LAA 196 (improved street and environmental cleanliness –reduce fly tipping). ○ <u>Environment Partnership</u> becomes: <ul style="list-style-type: none"> ▪ Climate Change Delivery Group: responsible for LAA 185 (reduced CO2 omissions), LAA 198 (Adaptation to Climate change) ▪ Biodiversity Delivery group, responsible for (NA 197 (Biodiversity on local; wildlife sites) ○ <u>Flood Action Group</u> becomes - Action on Flooding Delivery Group, responsible for developing and implementing the Flood Action Plan.

Thematic Partnership	Recommendations
<p>Oxfordshire Economic Partnership (including the Learning & Skills Partnership)</p>	<ul style="list-style-type: none"> • It is recognised that the partnership is private sector–led. It includes representatives of the public sector to strengthen those links but it is independent of it. • It is proposed that the partnership develops a close working relationship with the Strategic Planning and Infrastructure Partnership (see above). • It also supports the Oxfordshire Learning & Skills Partnership. • The partnership shall report to the Public Service Board on progress with Oxfordshire 2030 targets for which they are the lead partnership: NI 163 and 164 (increase % of population qualified to skills level 2 / 3 respectively); LAA 152 (reduce the numbers of work age people on out of work benefits).
<p>Oxford Inspires</p>	<ul style="list-style-type: none"> • Cultural issues are best represented on the Oxfordshire Partnership Board and Oxford Inspires shall develop its links with the Economic Partnership and the Stronger Communities Partnership to deliver on cultural/economic/tourism targets in the Oxfordshire 2030 Delivery Plan.

Thematic Partnership	Recommendations
<p>Stronger Communities Partnership</p>	<ul style="list-style-type: none"> • It is proposed that the Oxfordshire Voluntary Sector Development Partnership further develops its role as an independent strategic partnership for the wider voluntary, community and faith sectors. The partnership shall: <ul style="list-style-type: none"> ○ provide a forum for consultation, engagement with, and challenge by, communities. ○ be led by the community sector as at present but include elected members to strengthen links with local government. ○ be answerable to those communities rather than to the public sector, however, the partnership shall report to the Public Service Board on progress with Oxfordshire 2030 targets for which they are the lead partnership: NI 6 (increase volunteering) NI 7 (creating an environment for a voluntary, community and faith sector by supporting the VCS Delivery Plan and objectives).

District Local Strategic Partnerships	Recommendations
<p>District Local Strategic Partnerships</p>	<ul style="list-style-type: none"> • It is expected that District LSPs shall play a crucial role in the delivery of targets and priorities in Oxfordshire 2030 and in developing local place-shaping. Therefore the role of District Local Strategic Partnerships is crucial to driving strategic issues at the local level. <ul style="list-style-type: none"> ○ It is proposed that further work is undertaken by District Local Strategic Partnerships and Thematic Partnerships to strengthen the links between them.
