

OXFORDSHIRE PARTNERSHIP – 25 FEBRUARY 2009

PROGRESS THROUGH PARTNERSHIP UPDATE

Joint Projects:

Performance Project

This is a joint project with the other Local Strategic Partnerships in Oxfordshire. Each Local Strategic Partnership has been asked to nominate two 'Performance Champions' who will be given training on performance management. Each 'Performance Champion' will need to commit to a one day training course. Linda Watson and Robin Buxton have kindly agreed to be our "champions".

Communications Project

This is a joint project with the other Local Strategic Partnerships in Oxfordshire, it will explore ways that Local Strategic Partnerships individually and collectively across Oxfordshire can improve their communications.

Individual project:

Equality standard and partnerships

The project aims to mainstream an awareness of equality legislation & policy within strategic partnerships. This will be achieved through two tasks: a) an analysis of SCS targets to identify equality issues b) a presentation to the partnerships integrating practical research into a discussion on policy.
