# Joint Strategic Needs Assessment [Burden]

Burden001

All causes -ALL-age All-cause mortality NATIONAL INDICATOR 120

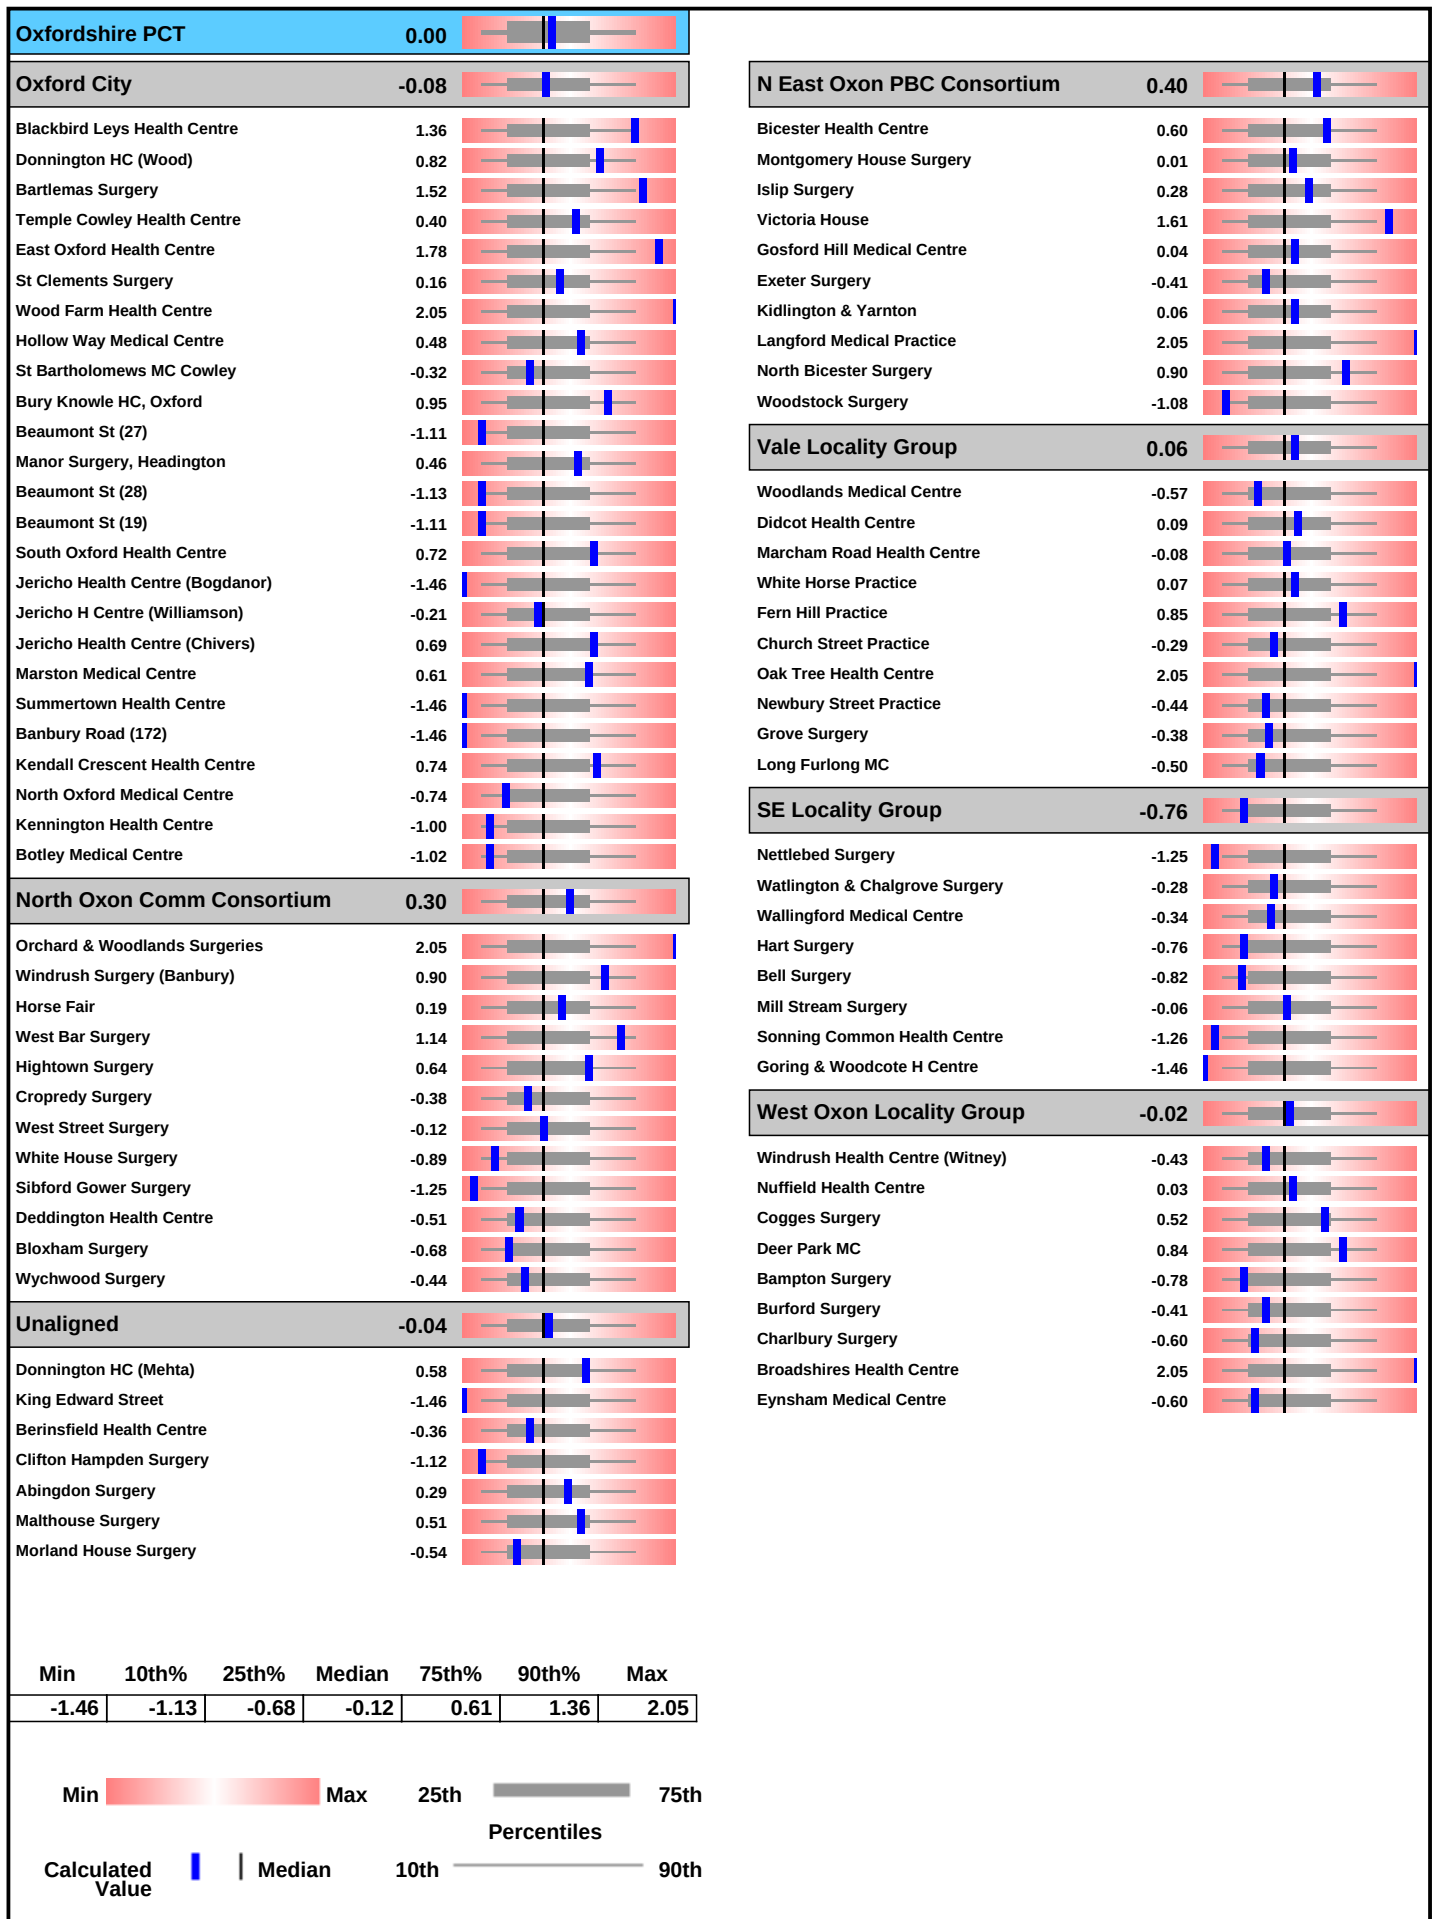

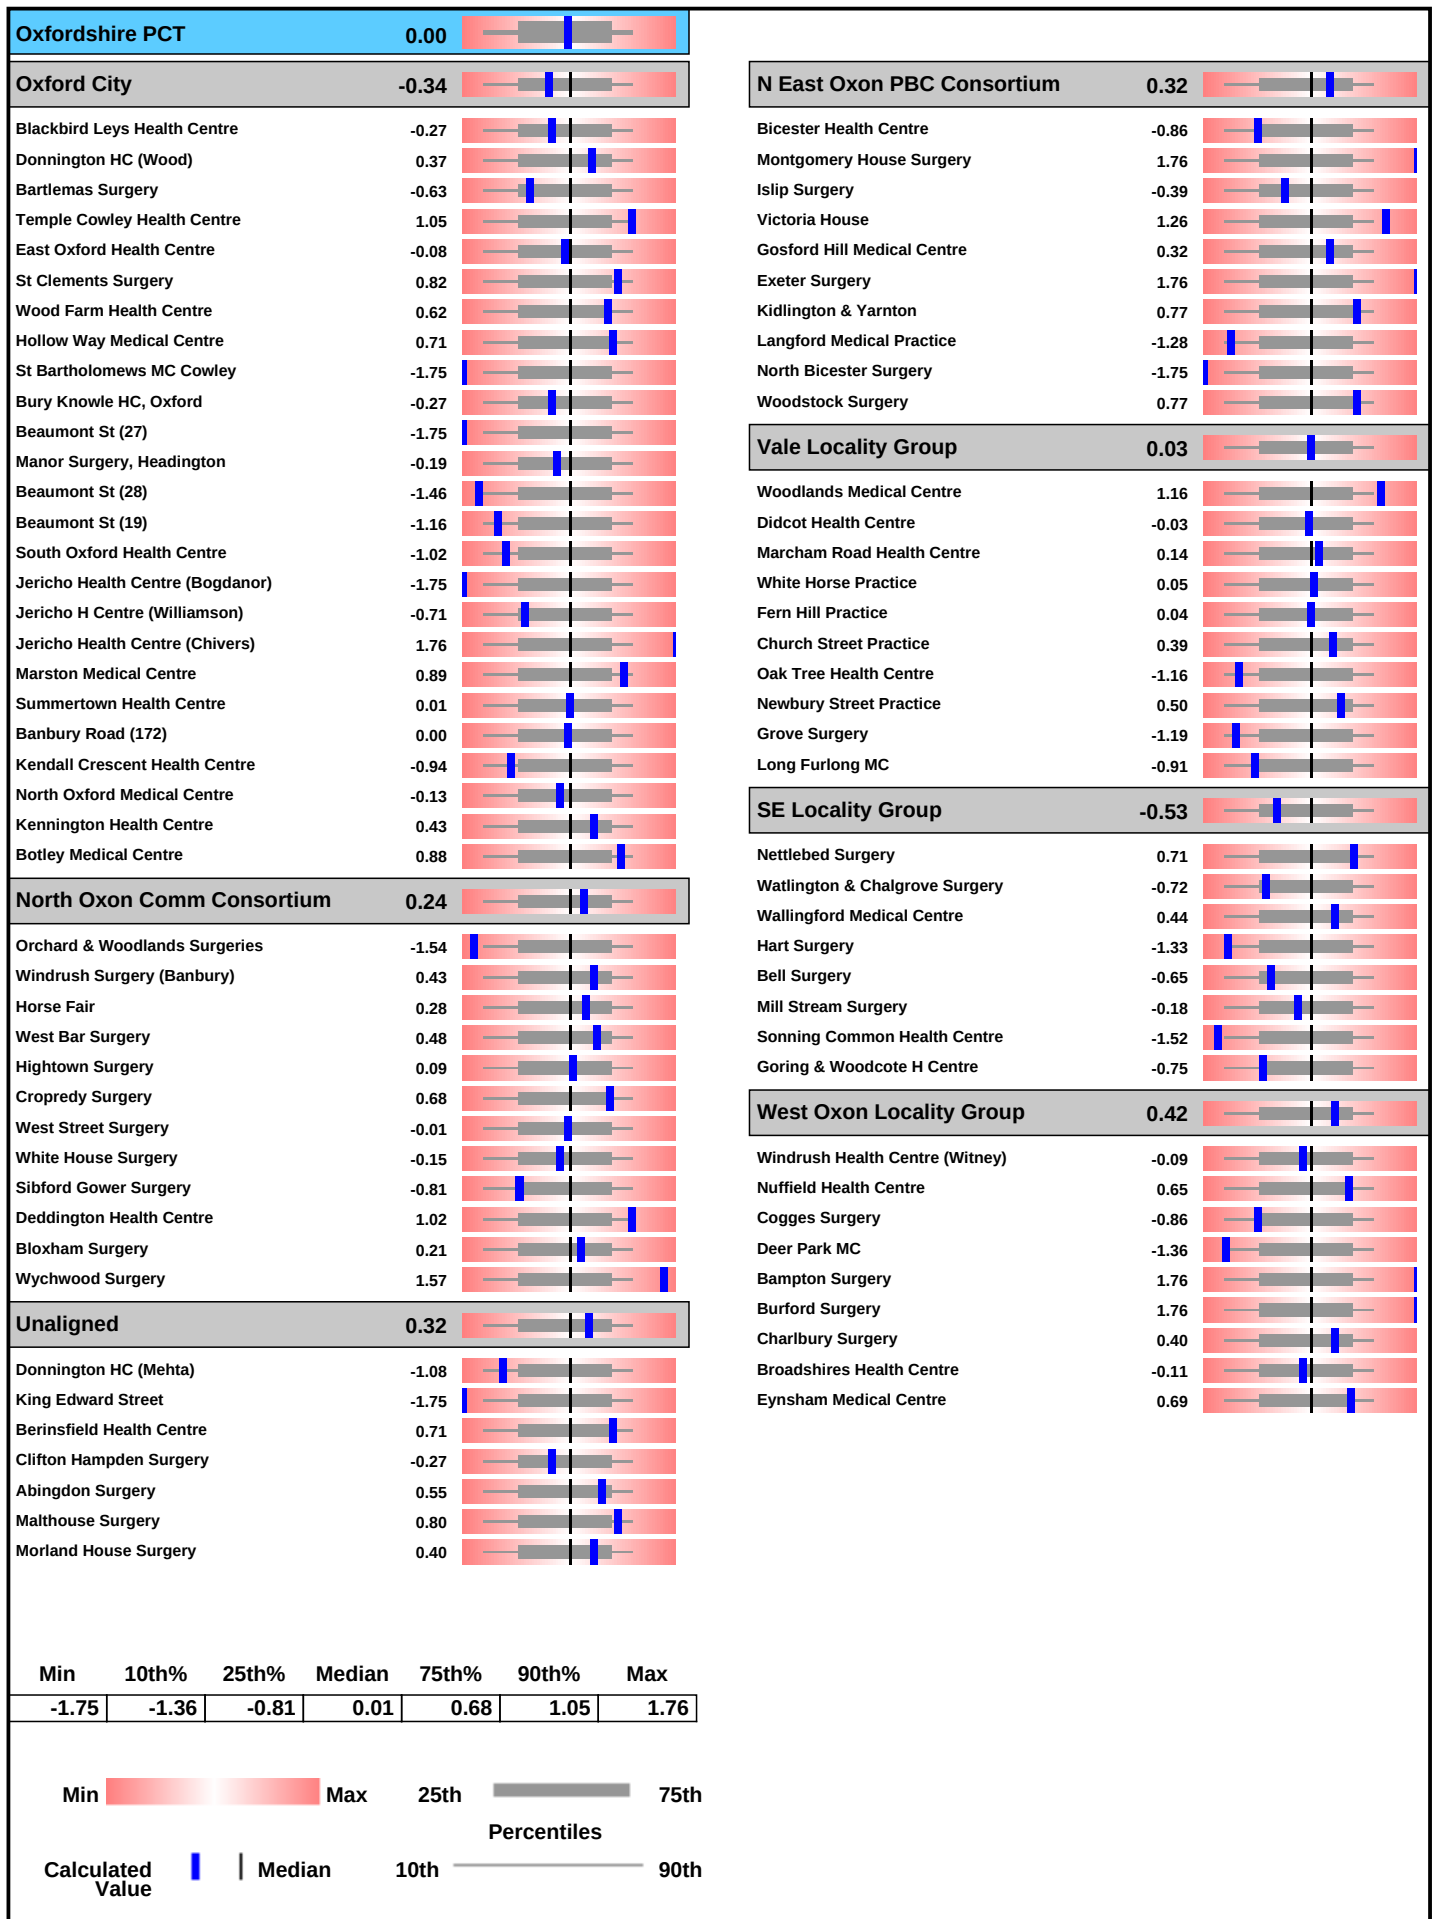

# Joint Strategic Needs Assessment [Burden]

Burden004.01

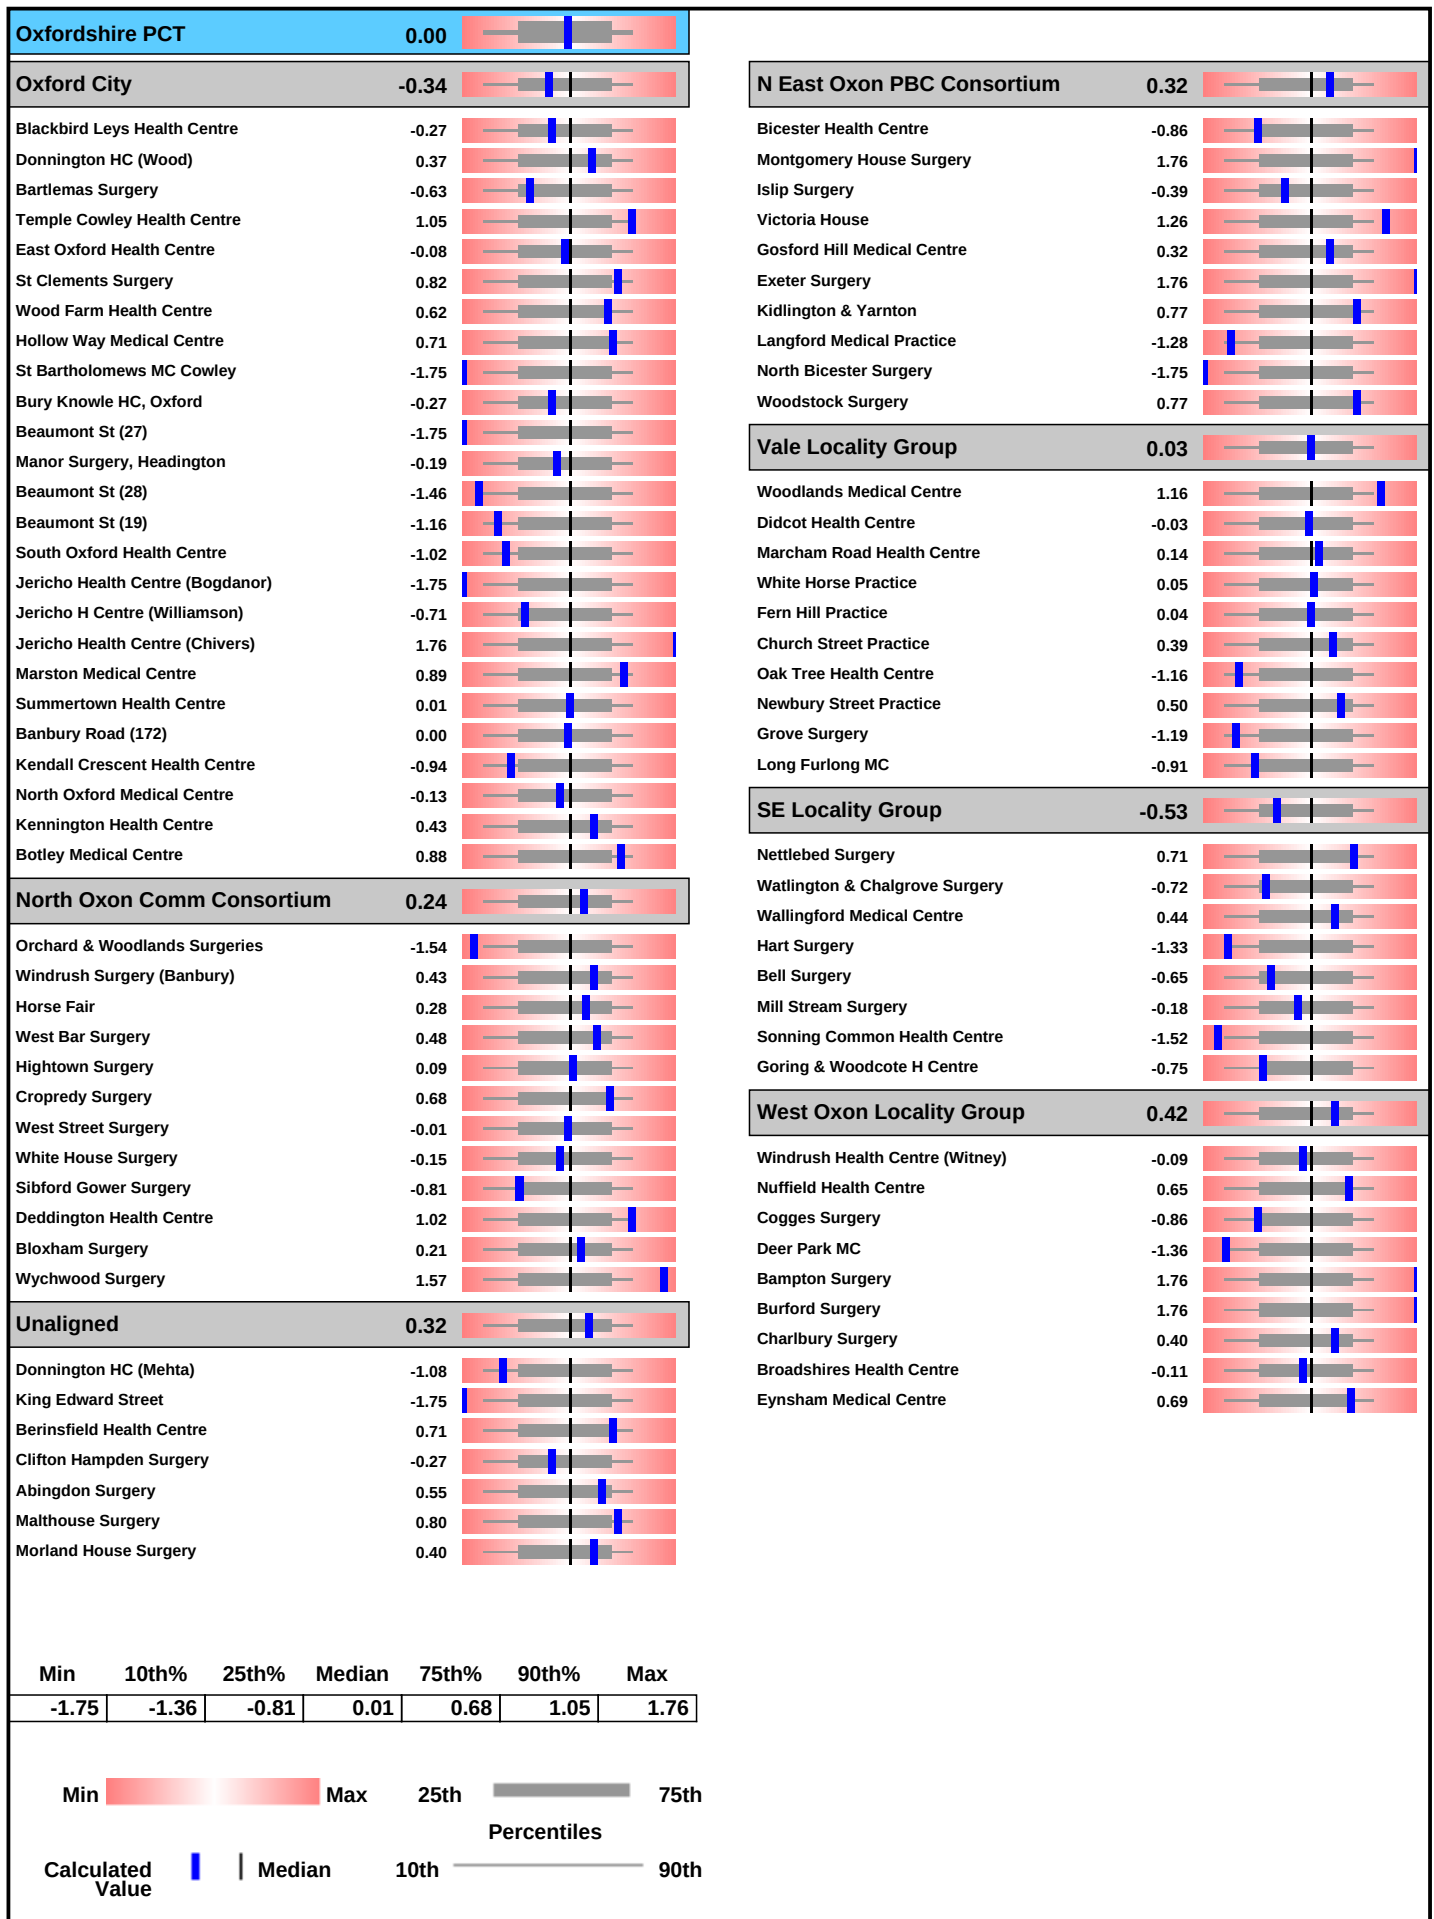

All causes - Top 12 causes for admission: 18X Maternity and Reproductive Health

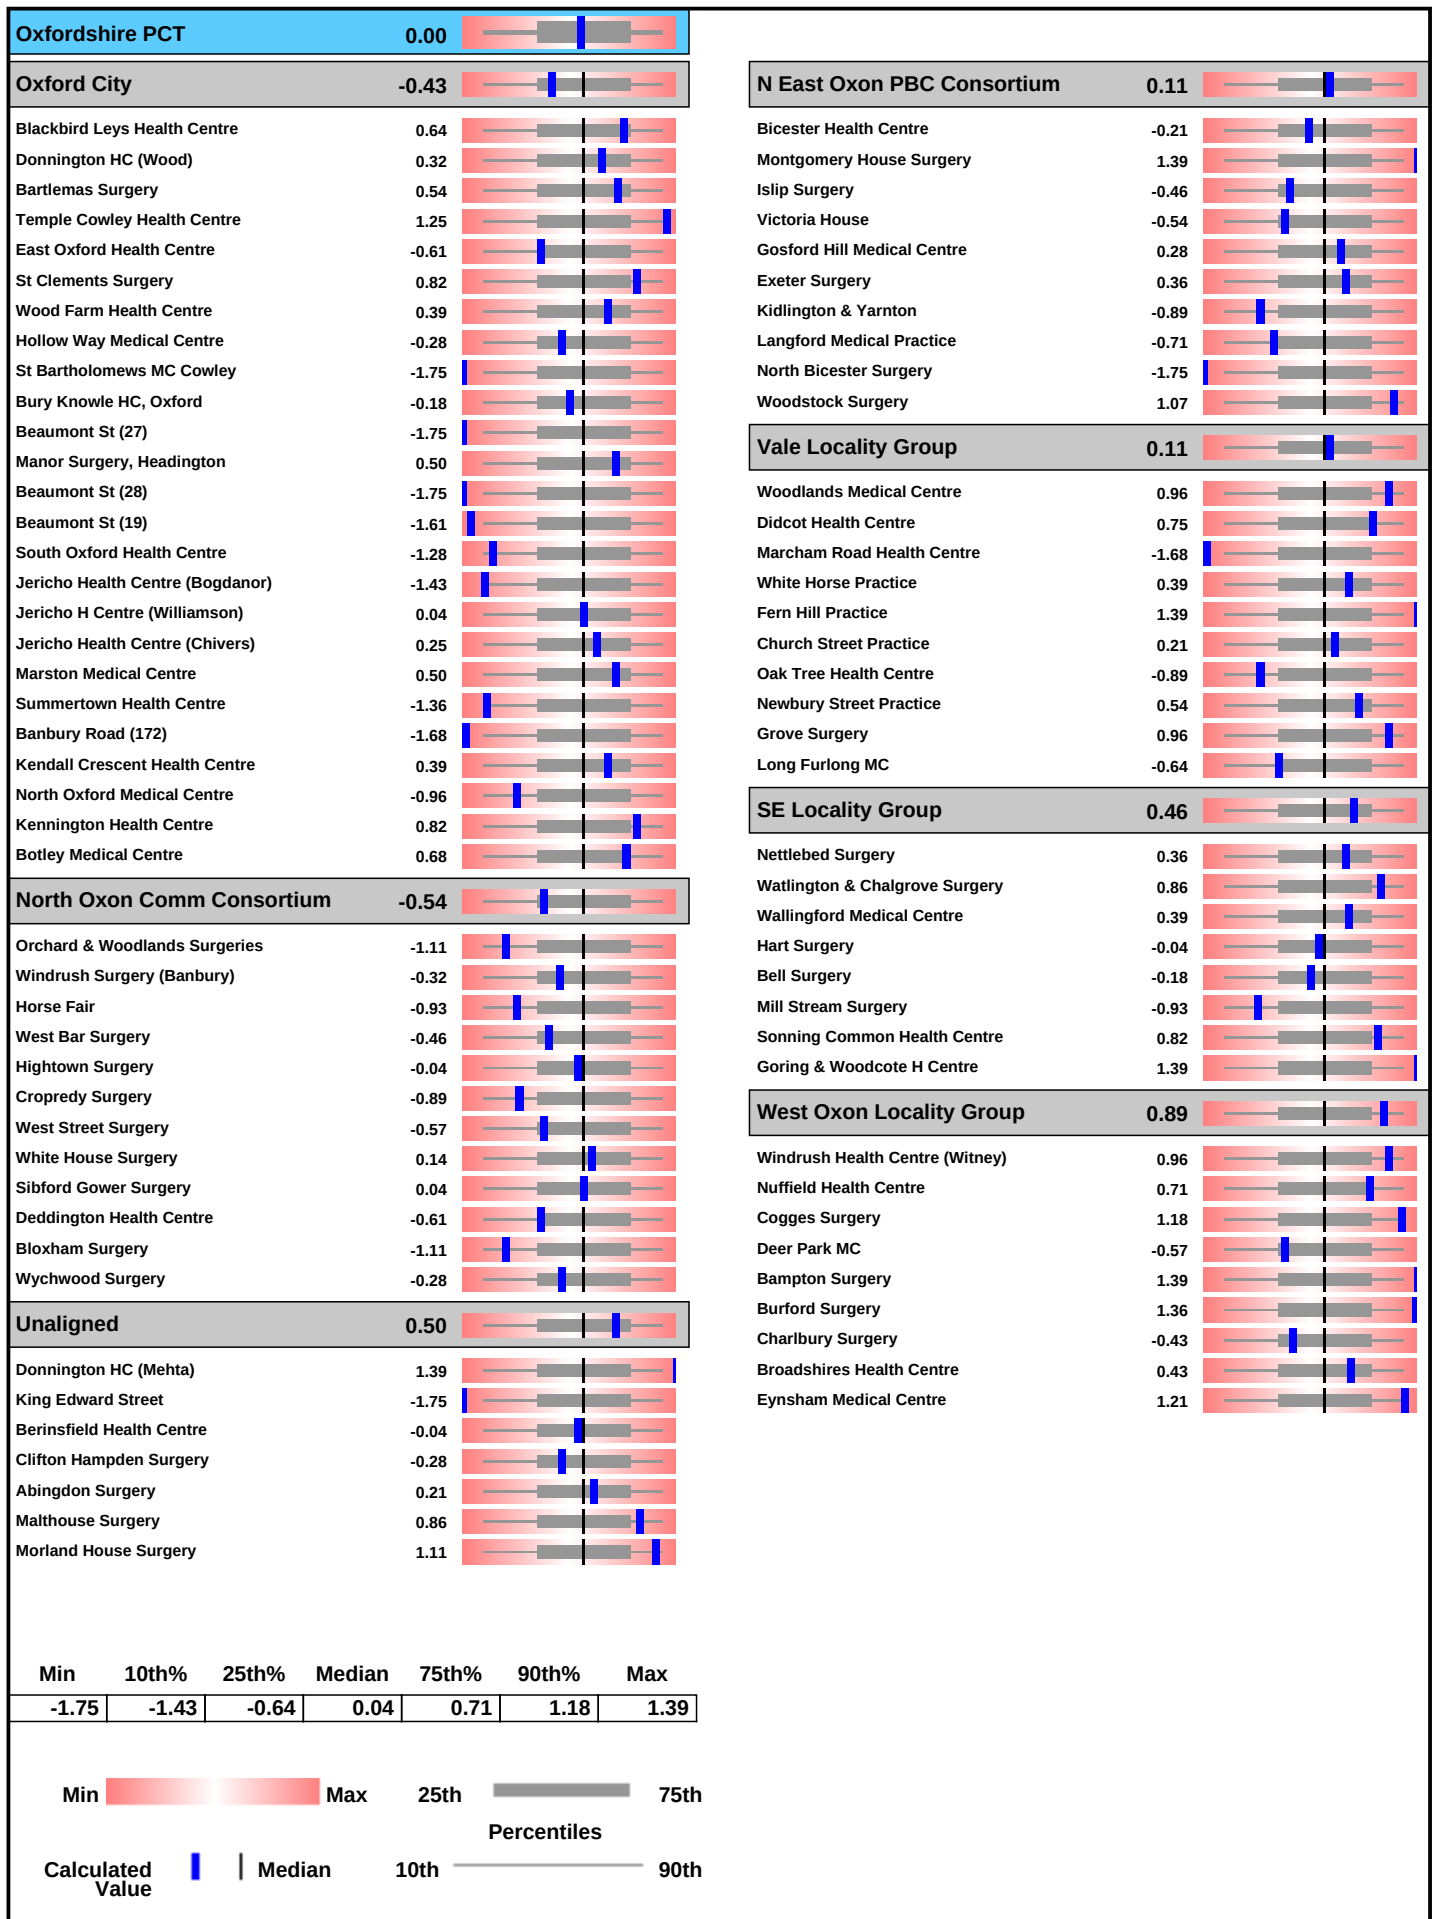

## All causes - Top 12 causes for admission: 02X Cancers and Tumours

## All causes - Top 12 causes for admission: 02X Cancers and Tumours

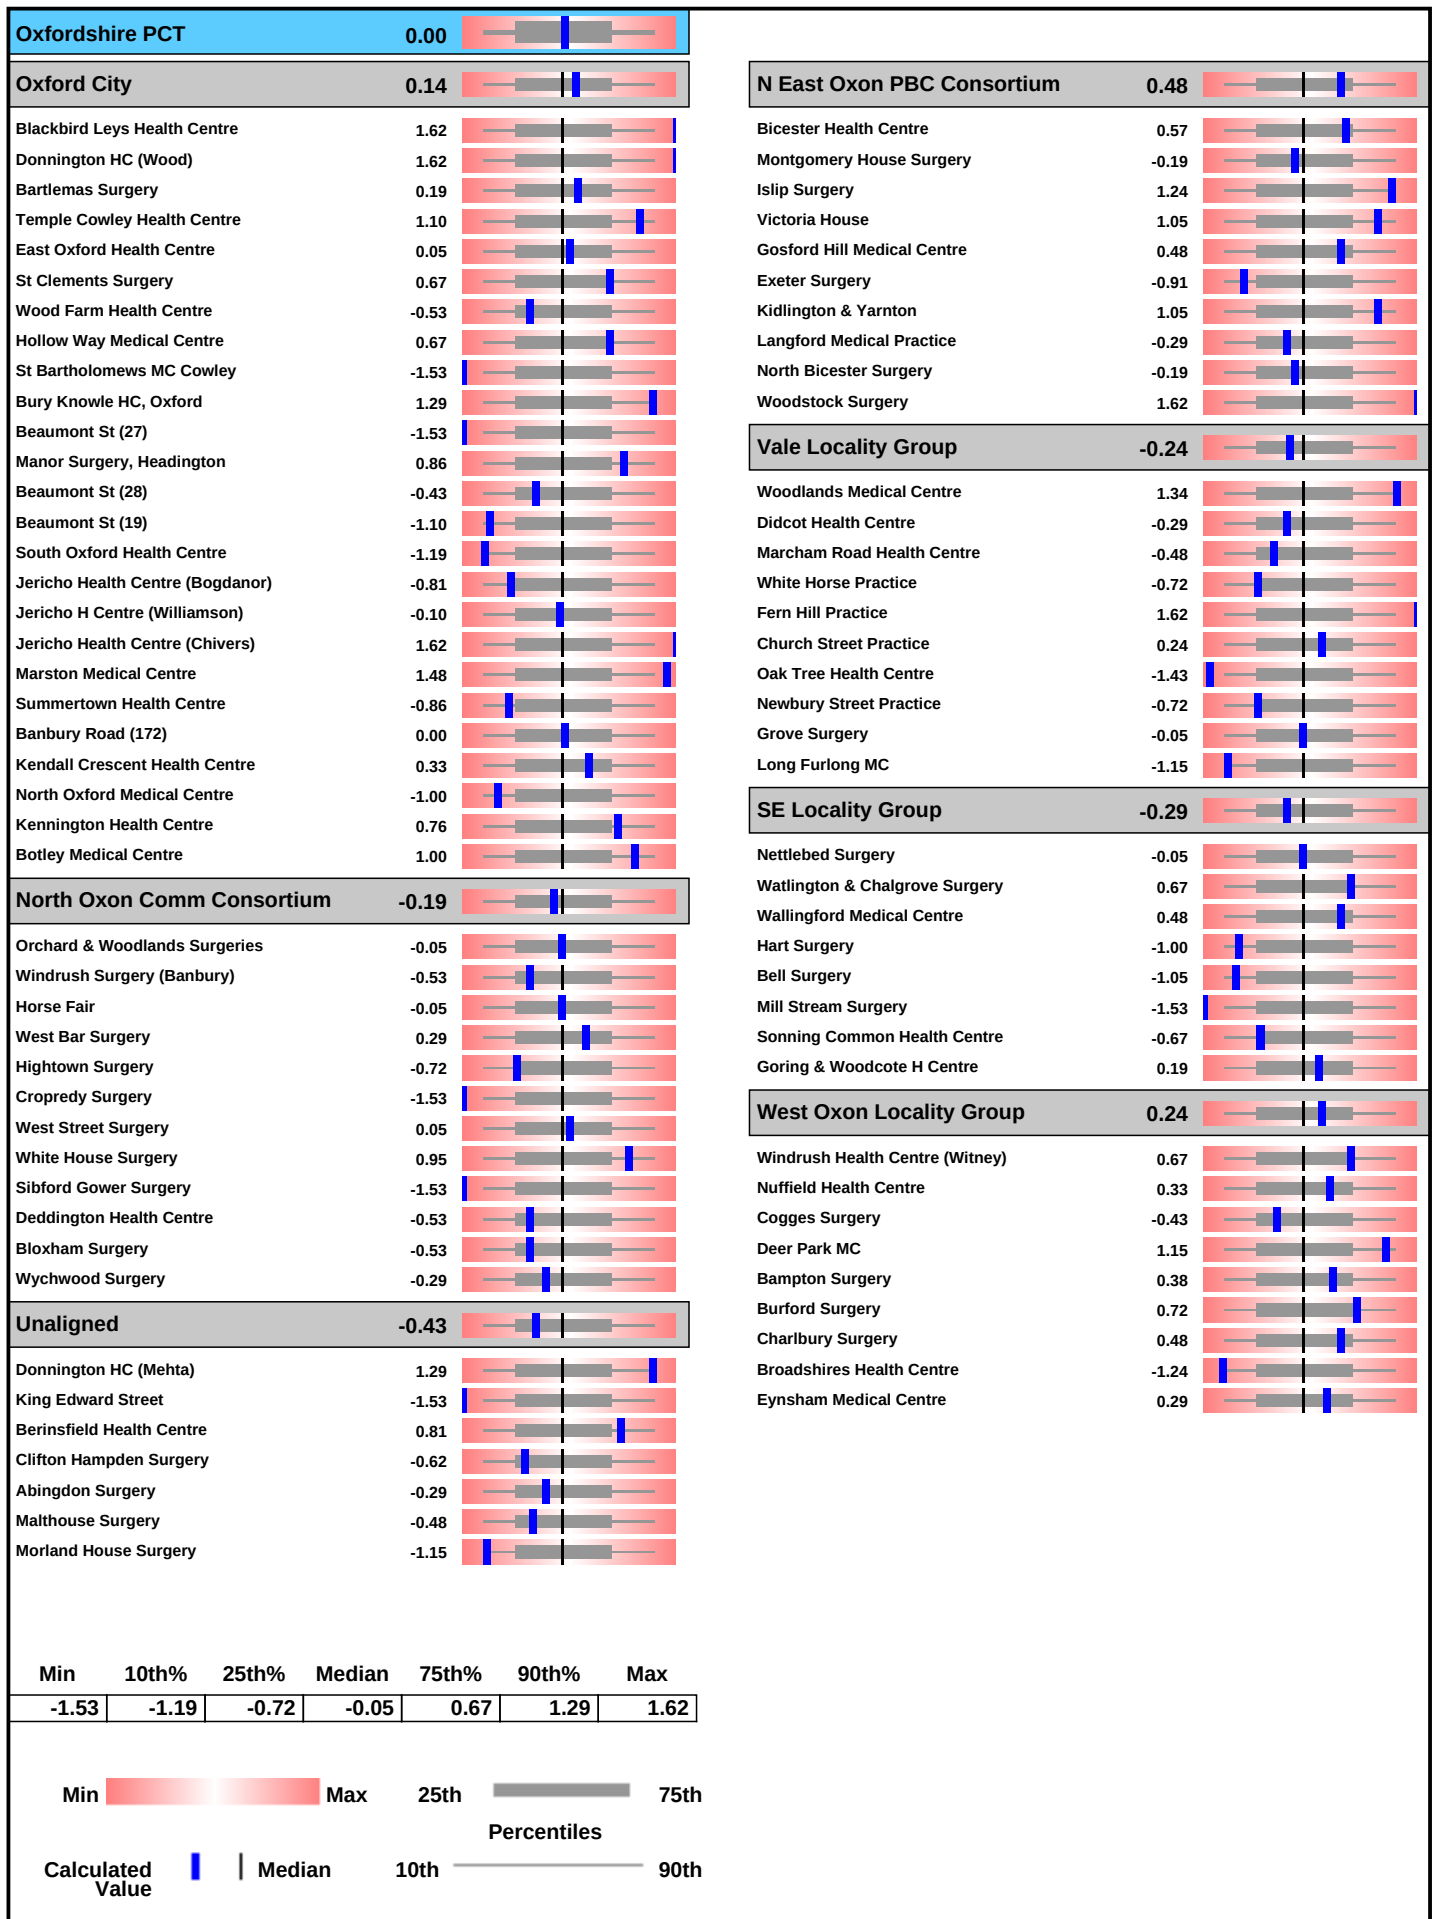

## All causes - Top 12 causes for admission: 15X Problems of the Musculo skeletal system

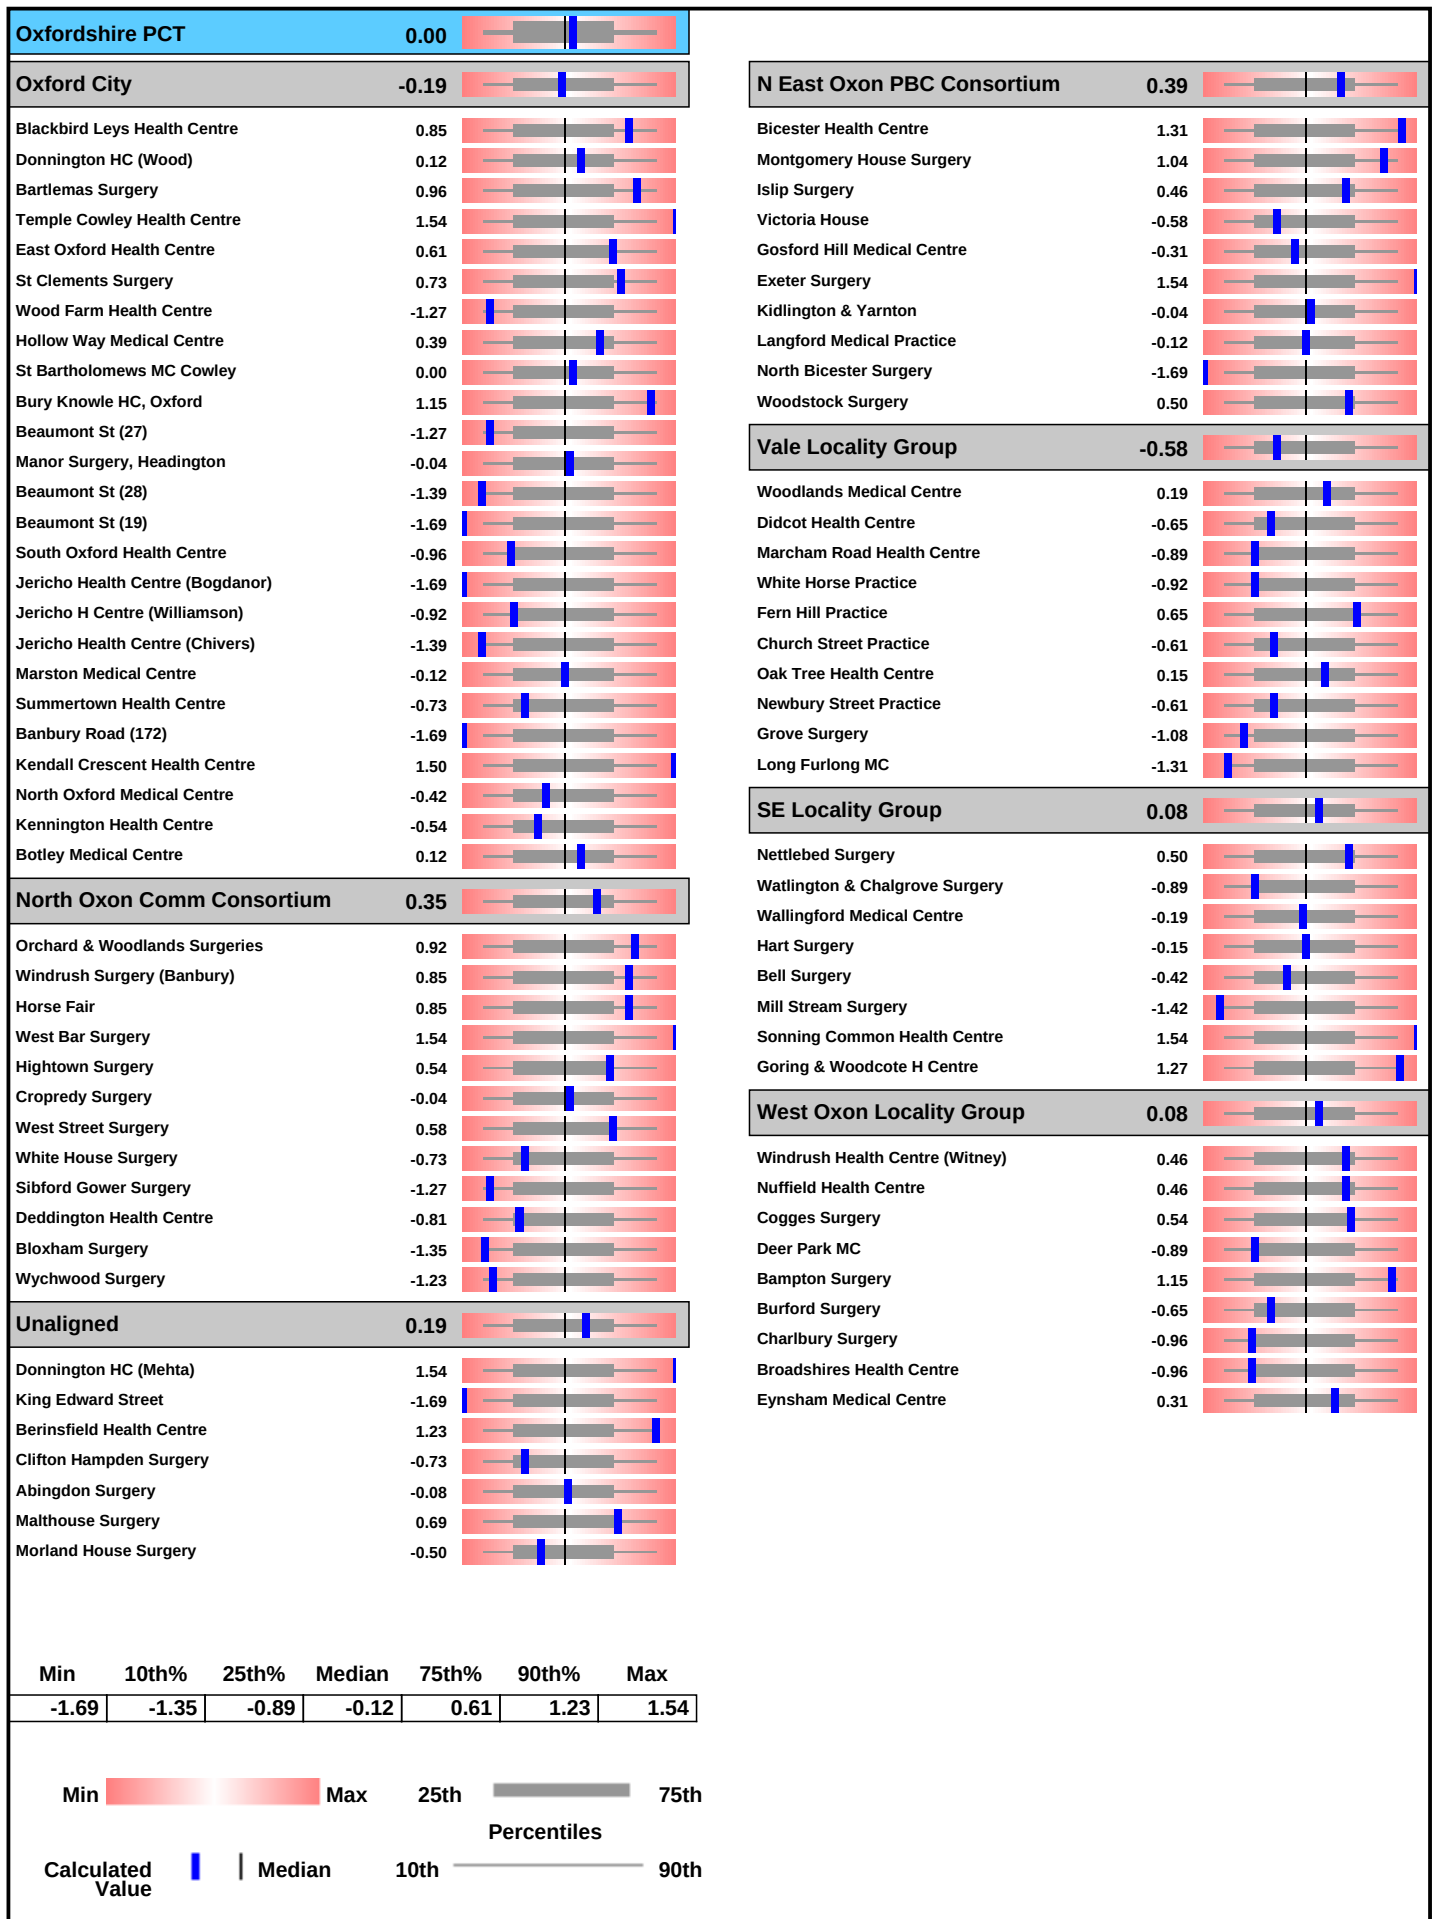

# Joint Strategic Needs Assessment [Burden]

Burden004.05

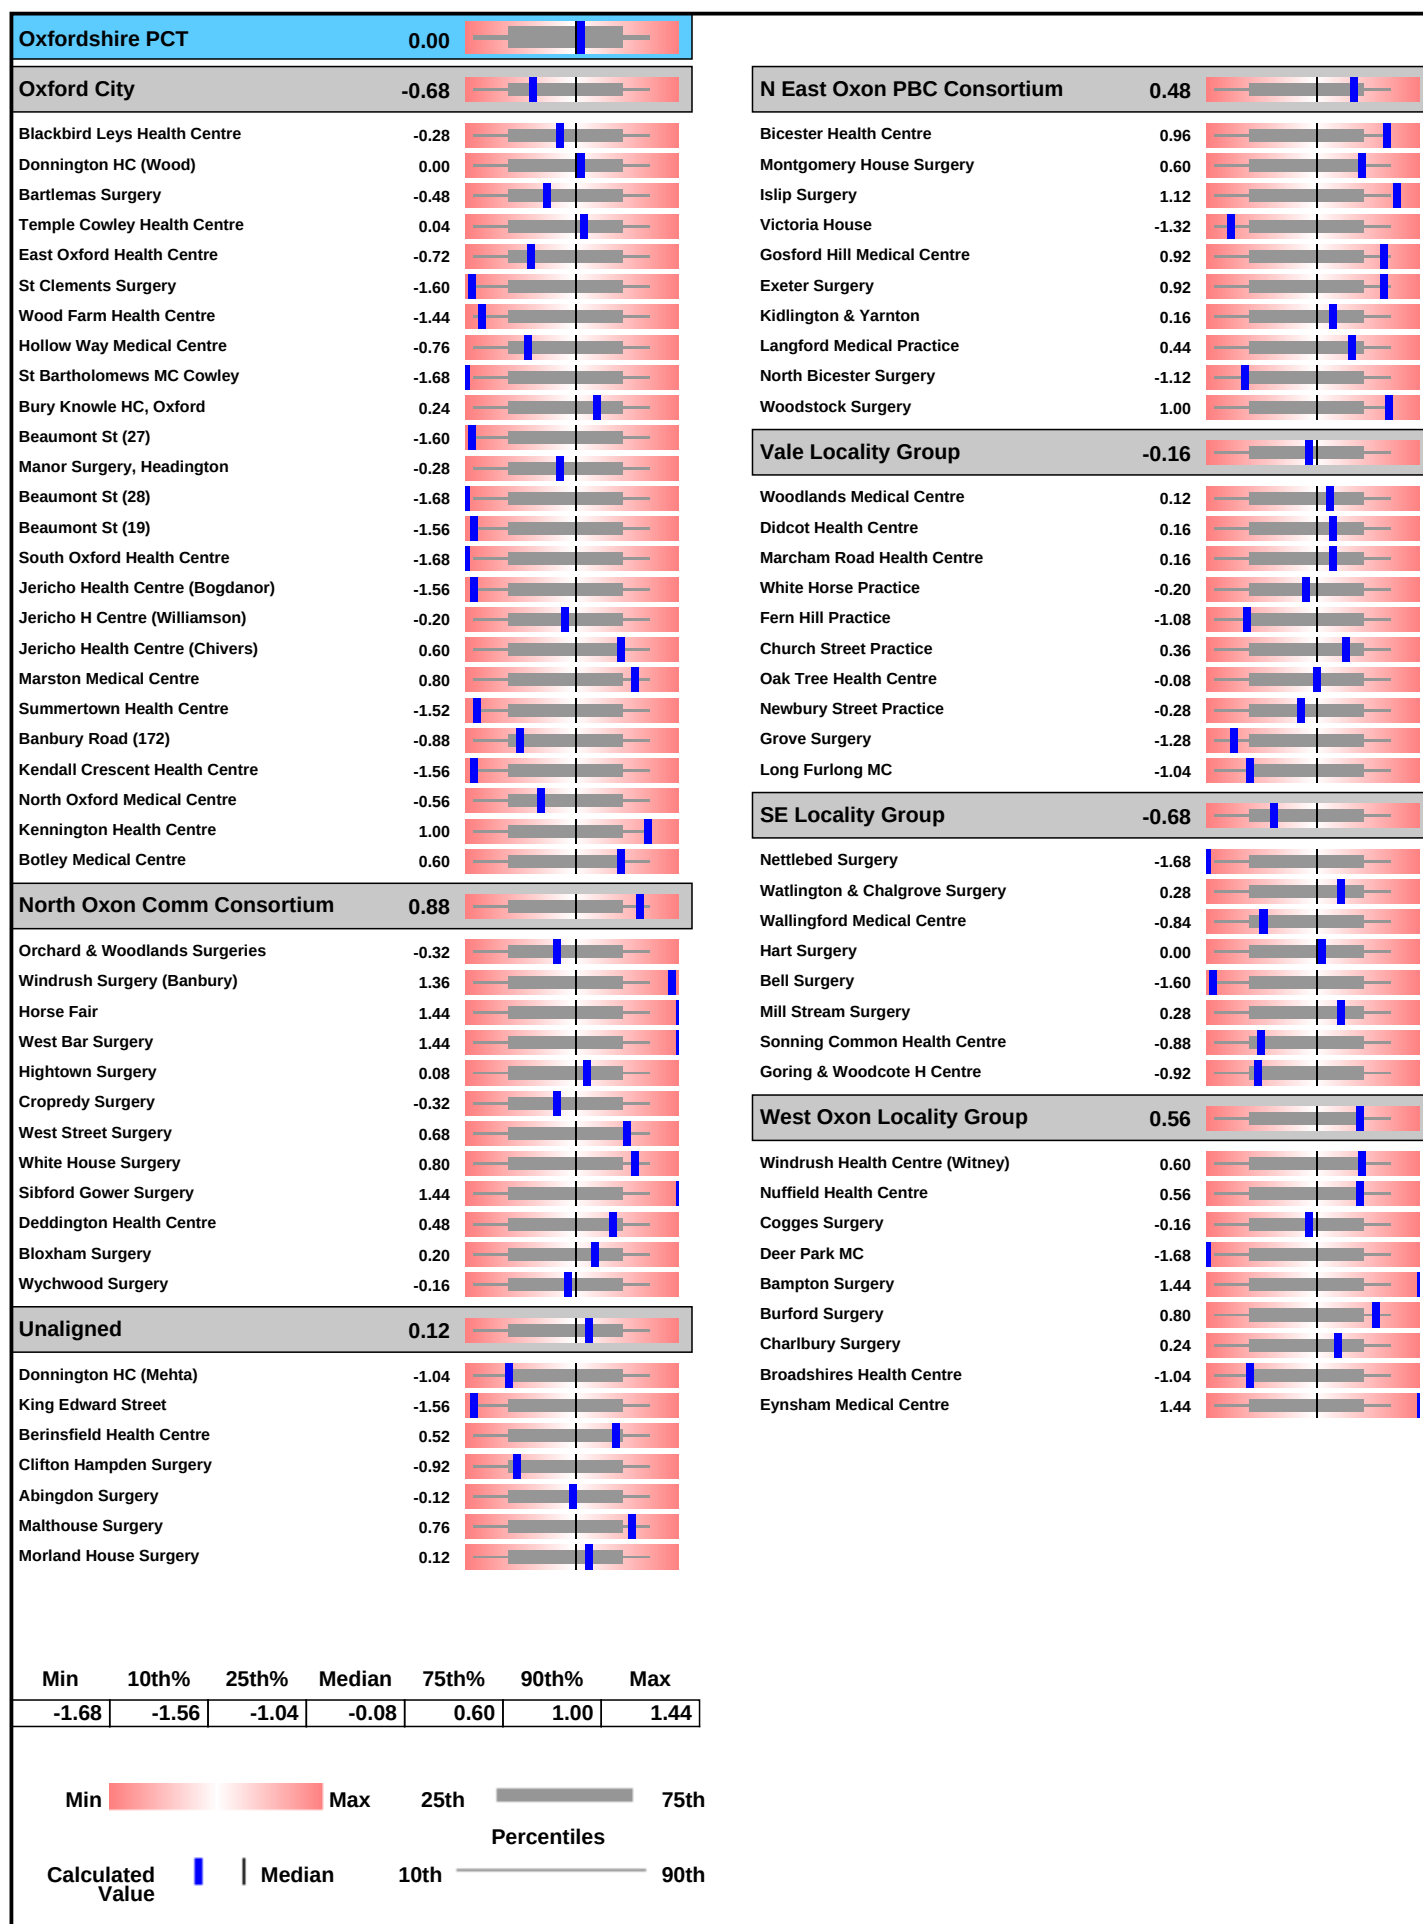

All causes - Top 12 causes for admission: 16X Problems due to Trauma and Injuries

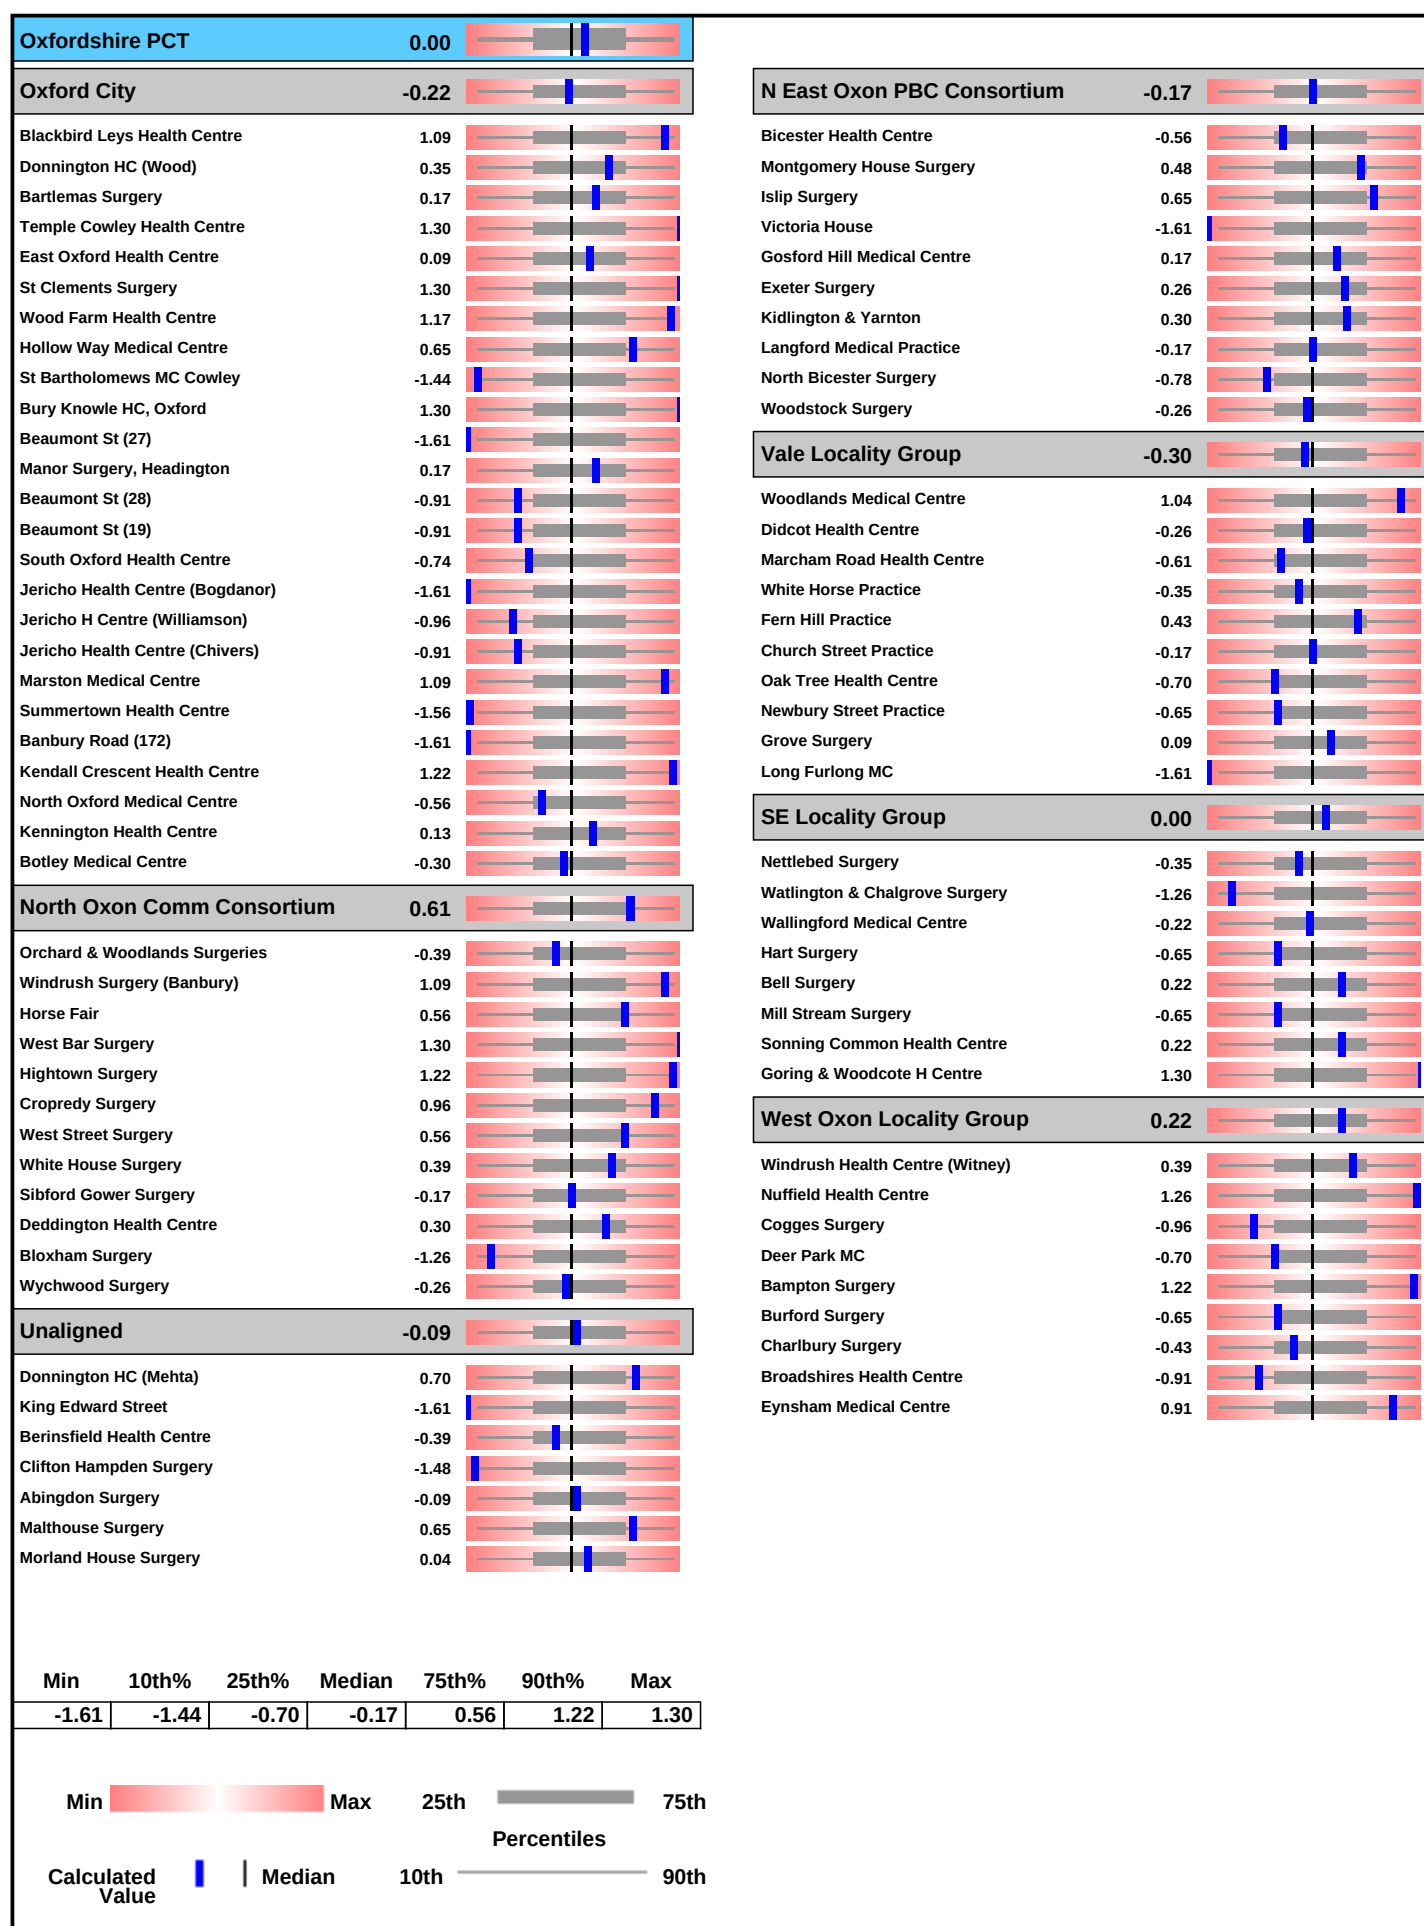

## All causes - Top 12 causes for admission: 07A Chronic Pain

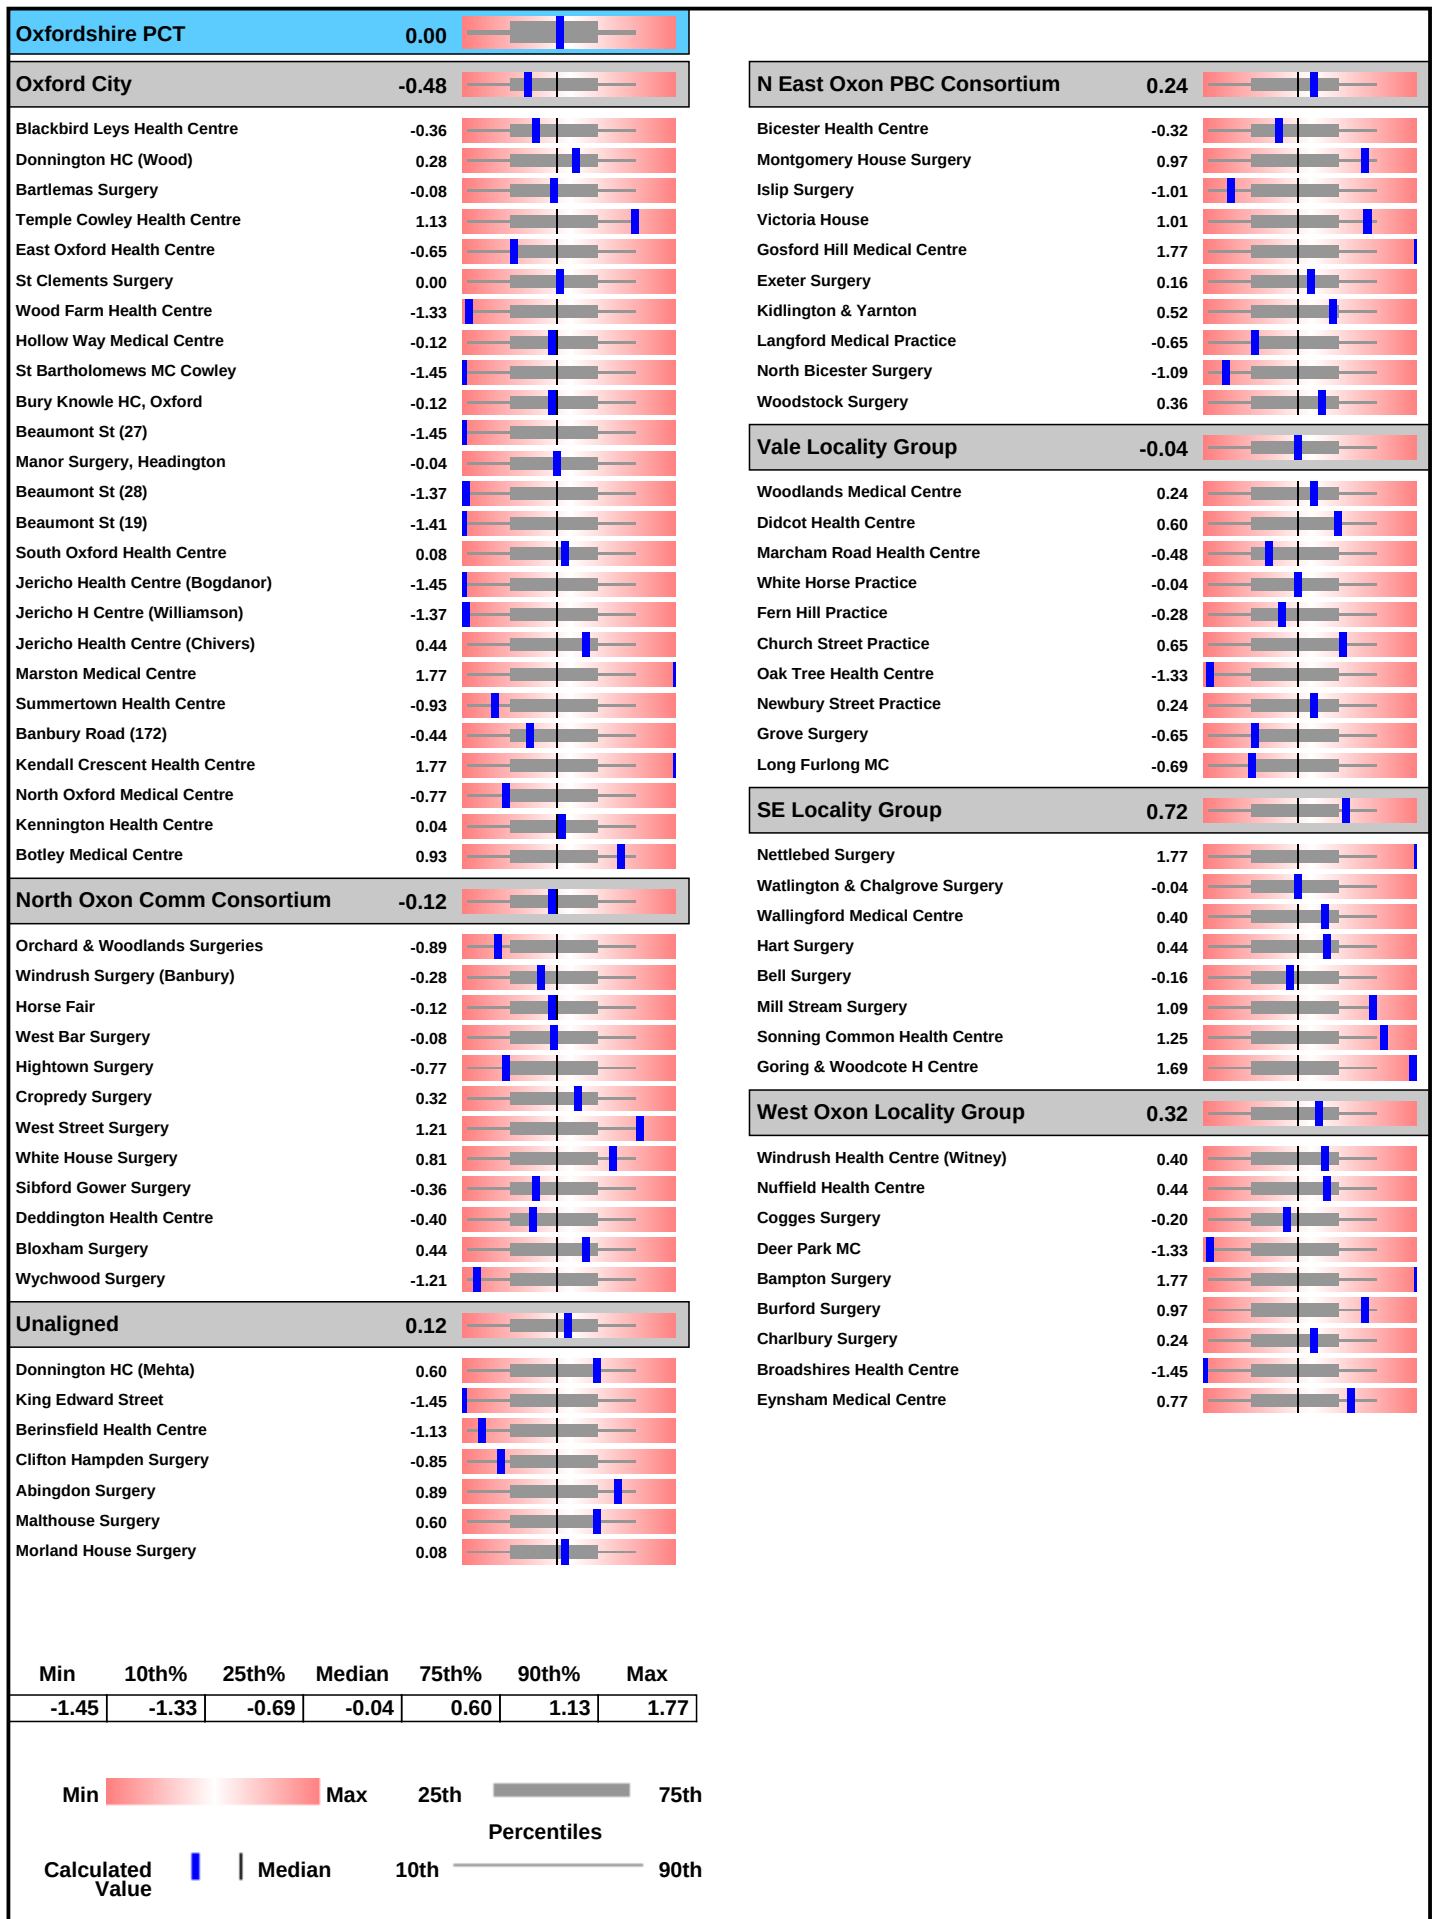

## All causes - Top 12 causes for admission: 13B Lower GI

## All causes - Top 12 causes for admission: 11X Problems of the respiratory system

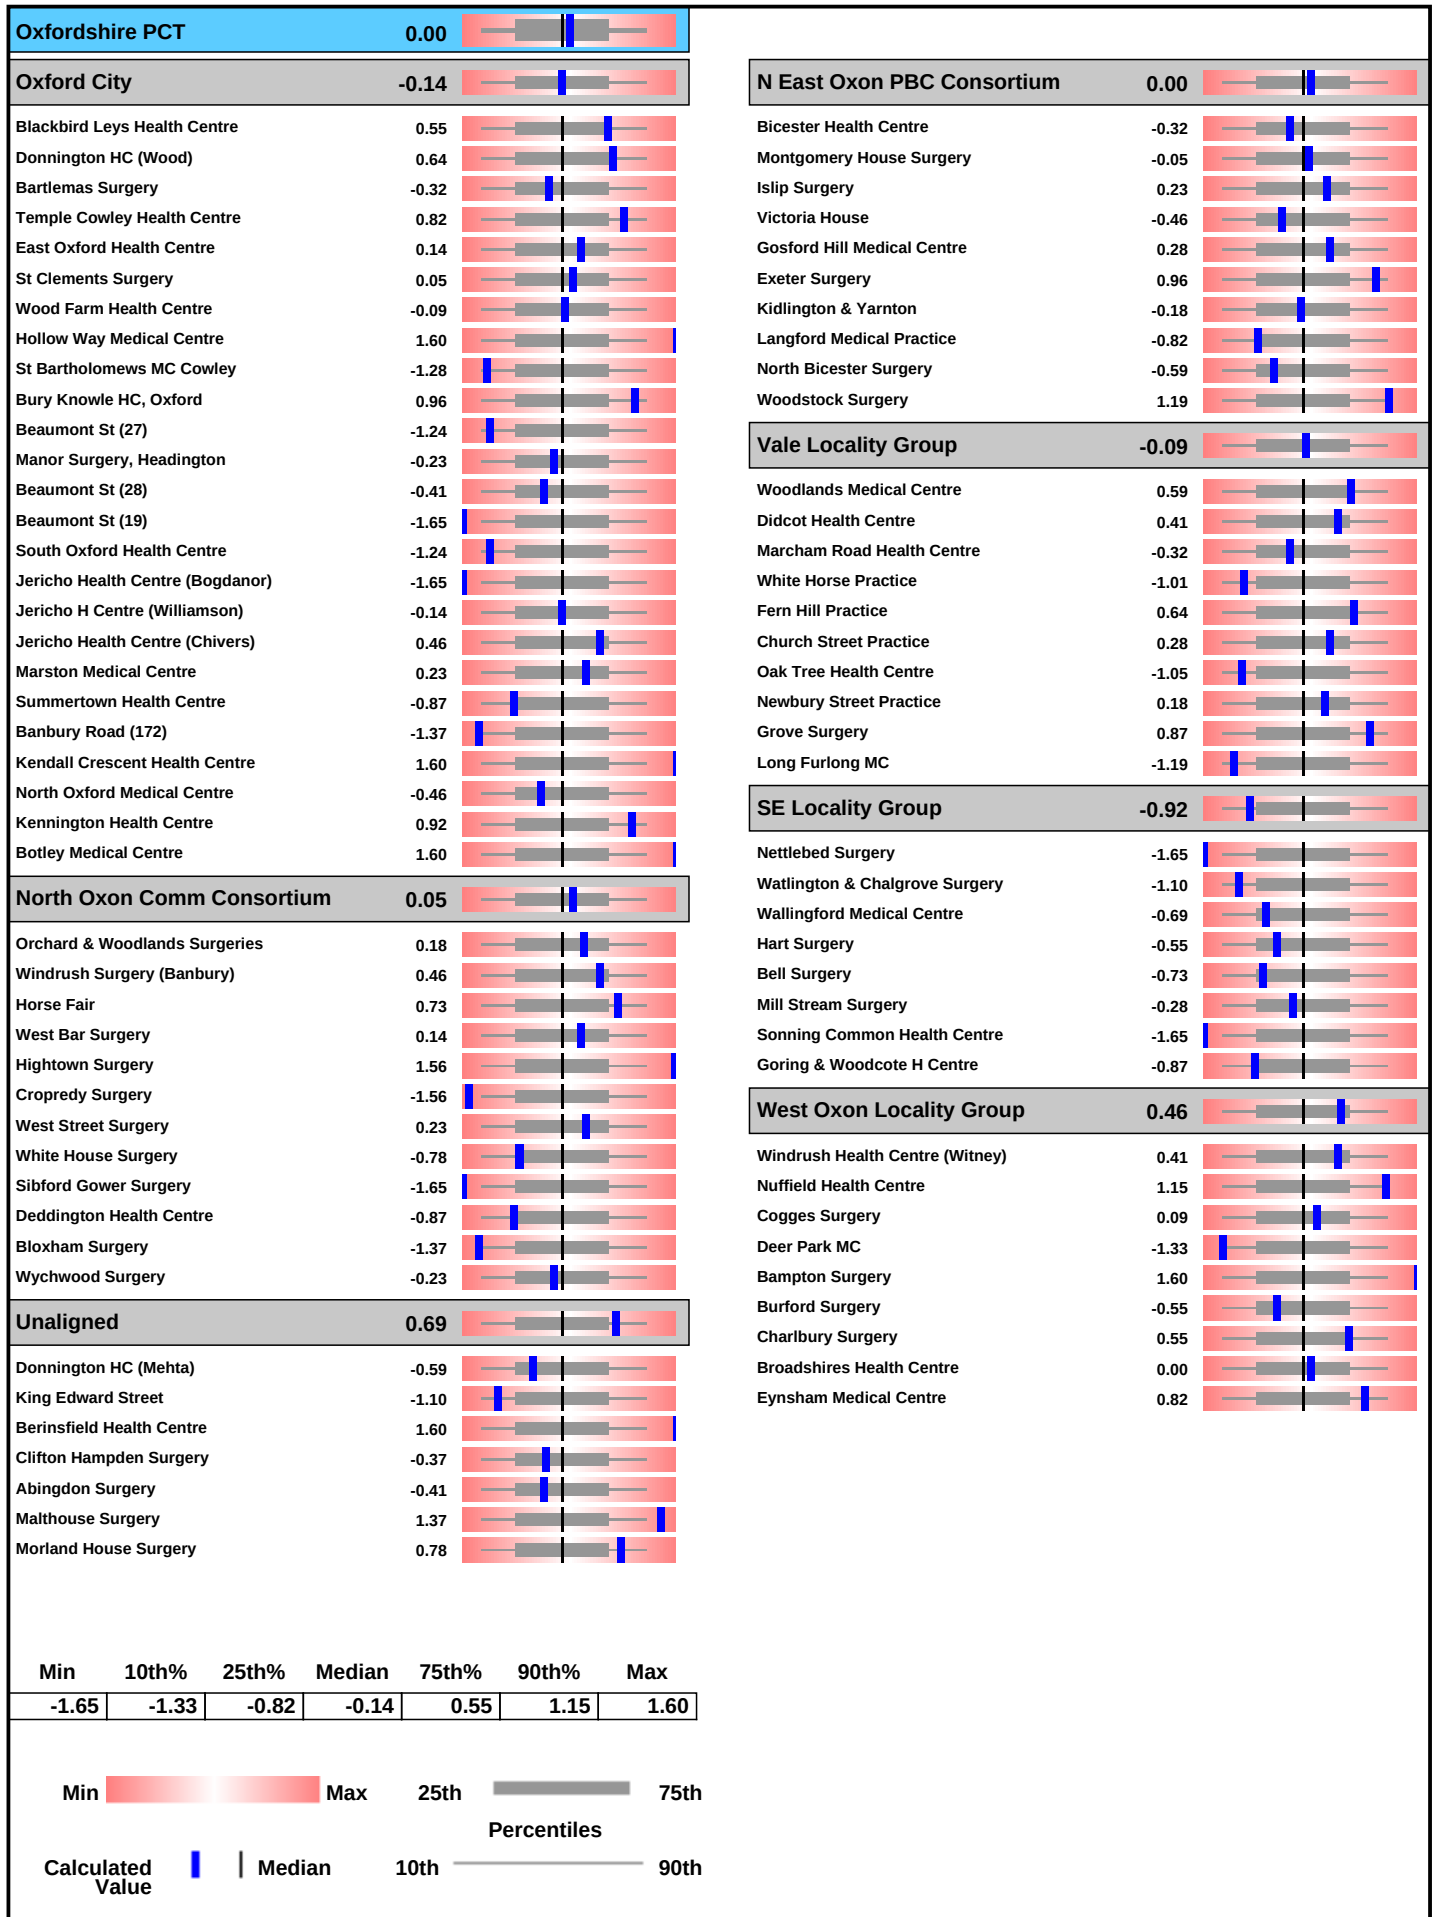

## All causes - Top 12 causes for admission: 08X Problems of Vision

# Joint Strategic Needs Assessment [Burden]

Burden004.10

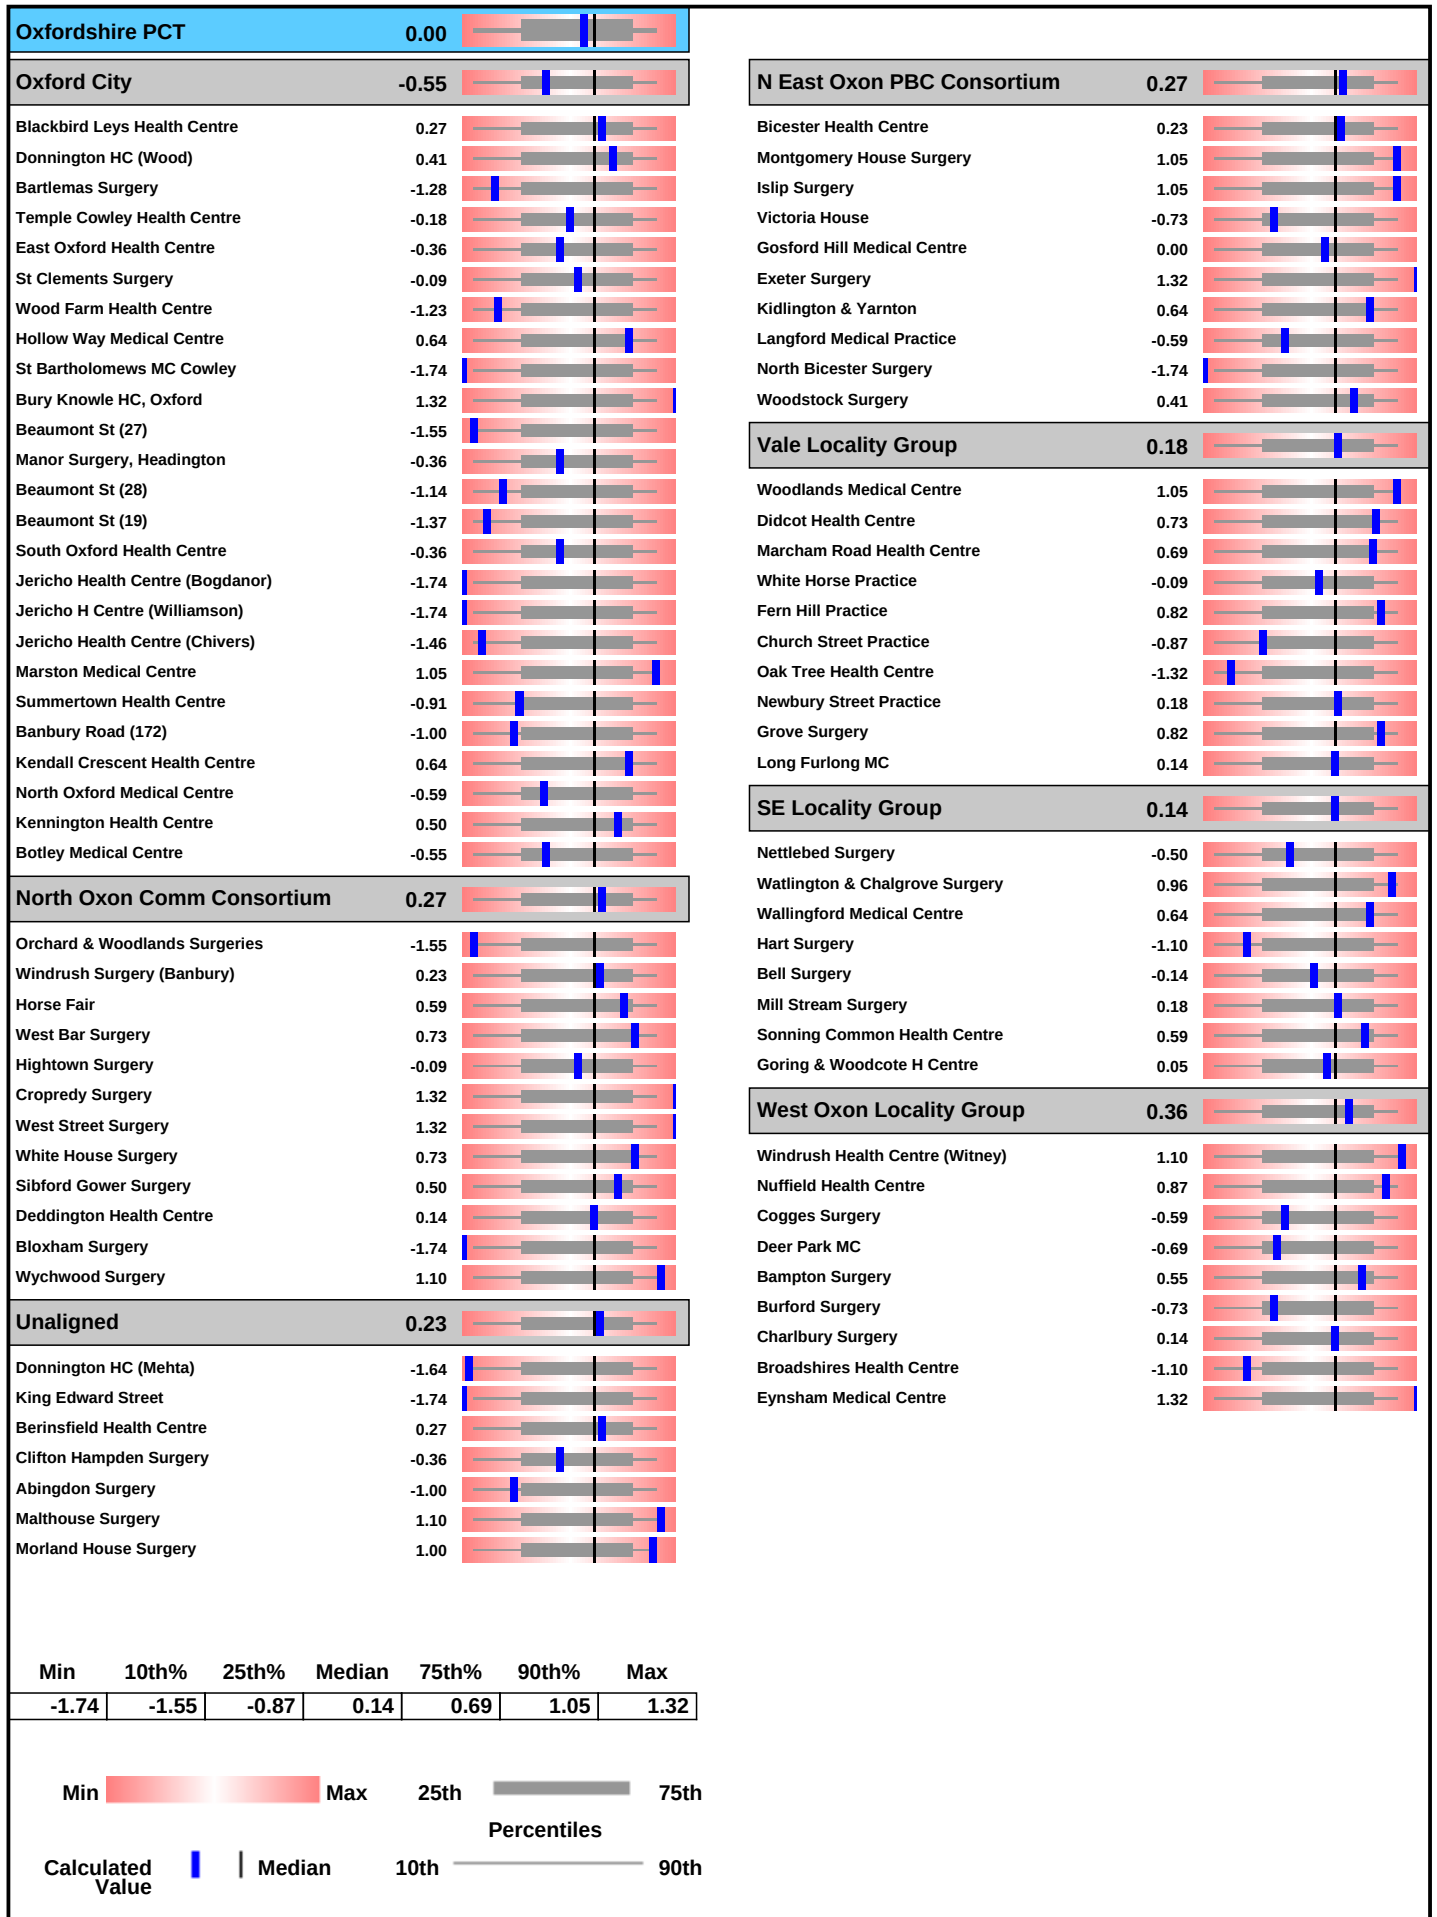

All causes - Top 12 causes for admission: 07X Neurological

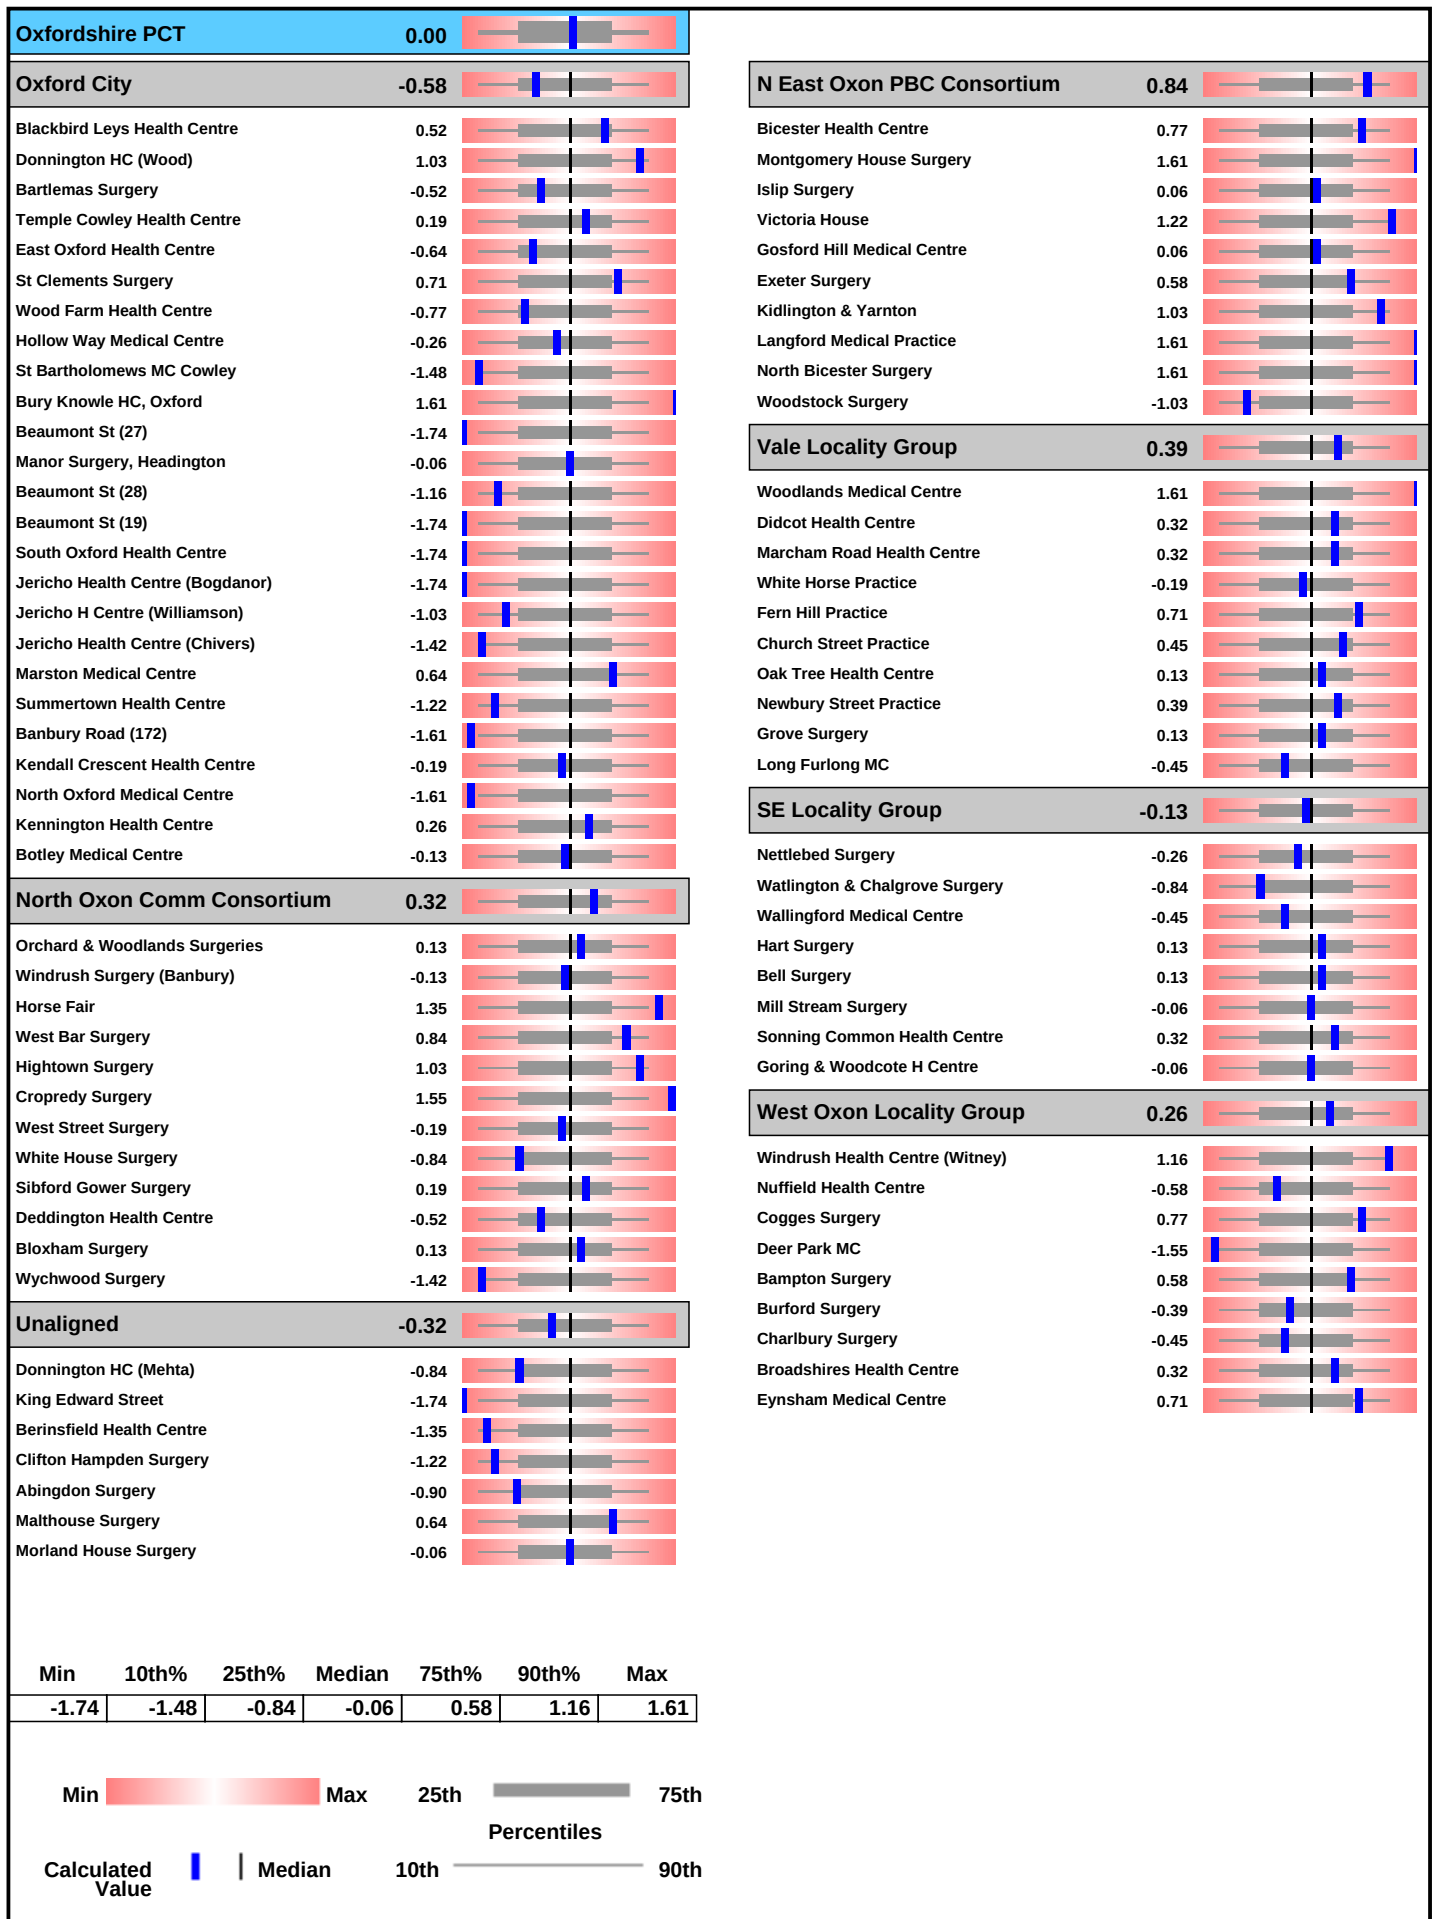

# Joint Strategic Needs Assessment [Burden]

Burden004.11

All causes - Top 12 causes for admission: 17X Problems of Genito Urinary system

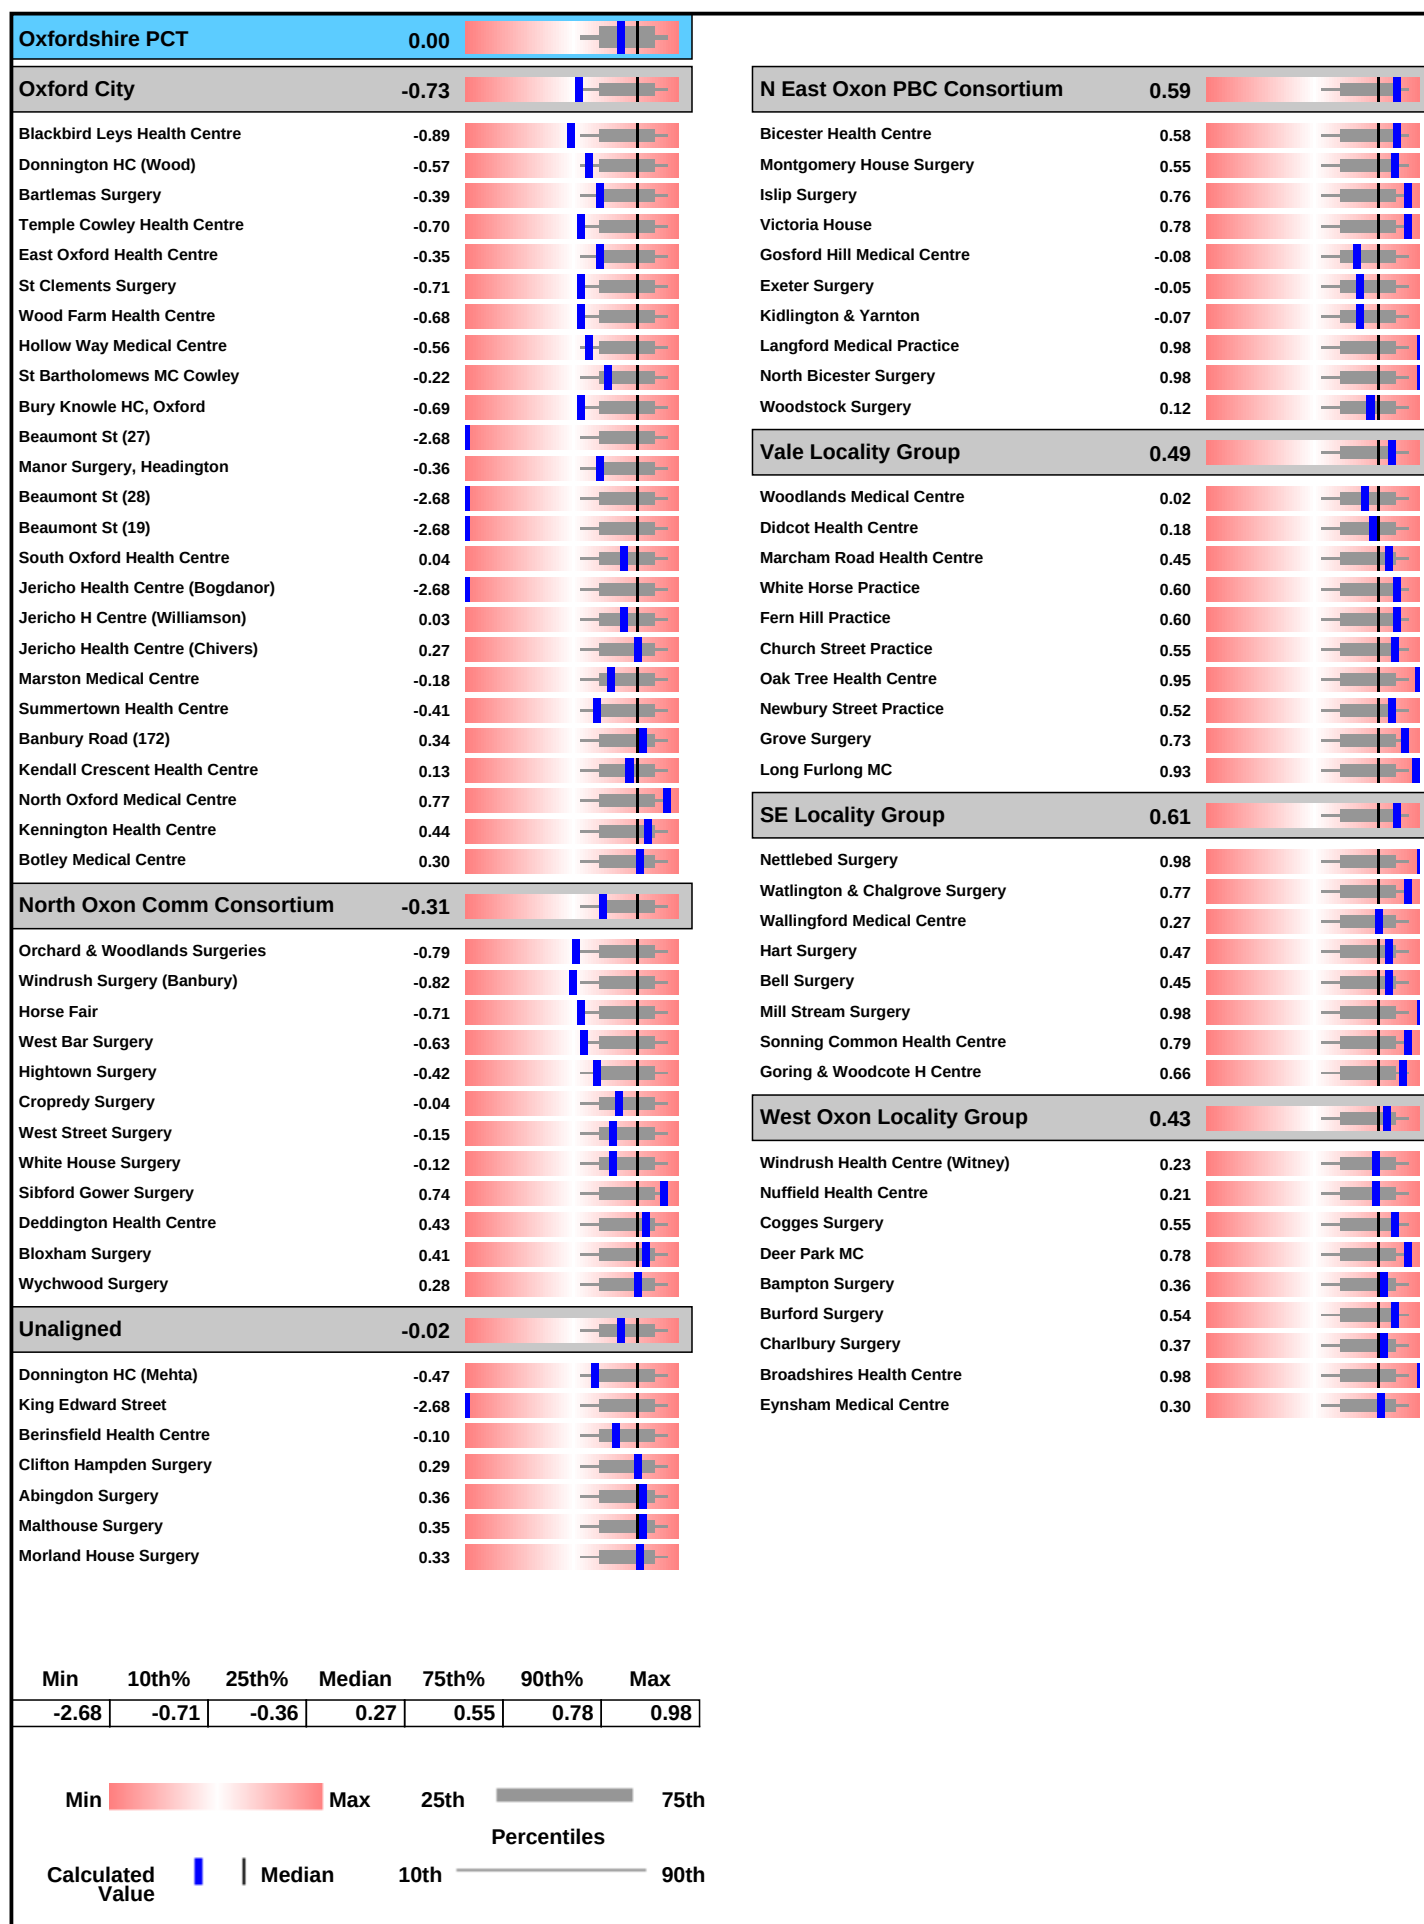

## All causes - Top 12 causes for admission: 17A Genital tract problems

# Joint Strategic Needs Assessment [Burden]

Burden005

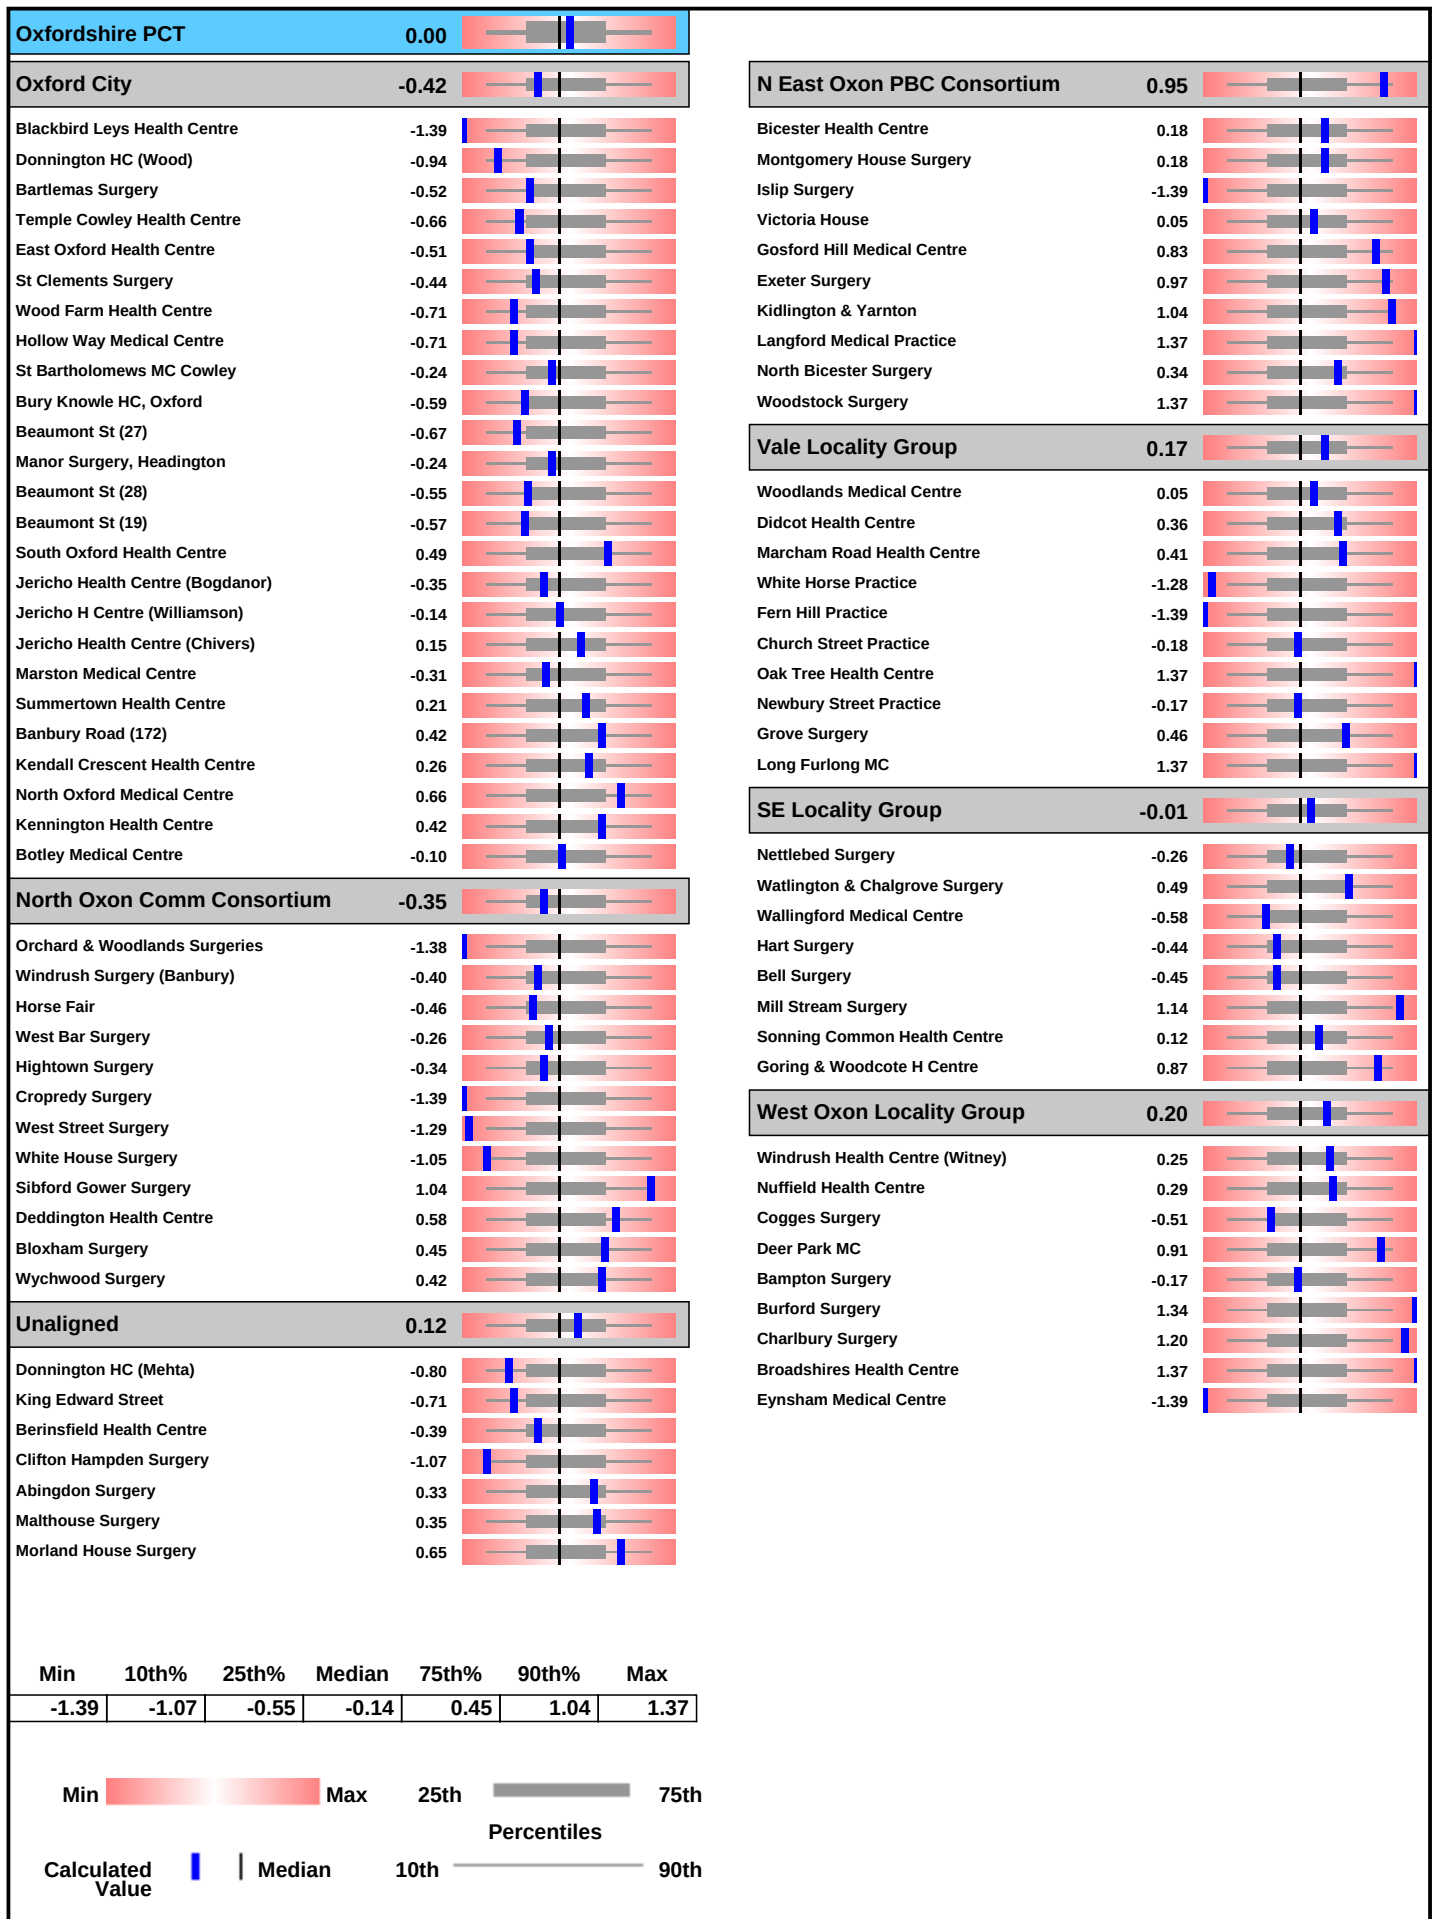

All causes - Self reported measure of overall health and well being - NATIONAL  
INDICATOR 119

# Joint Strategic Needs Assessment [Burden]

Burden006

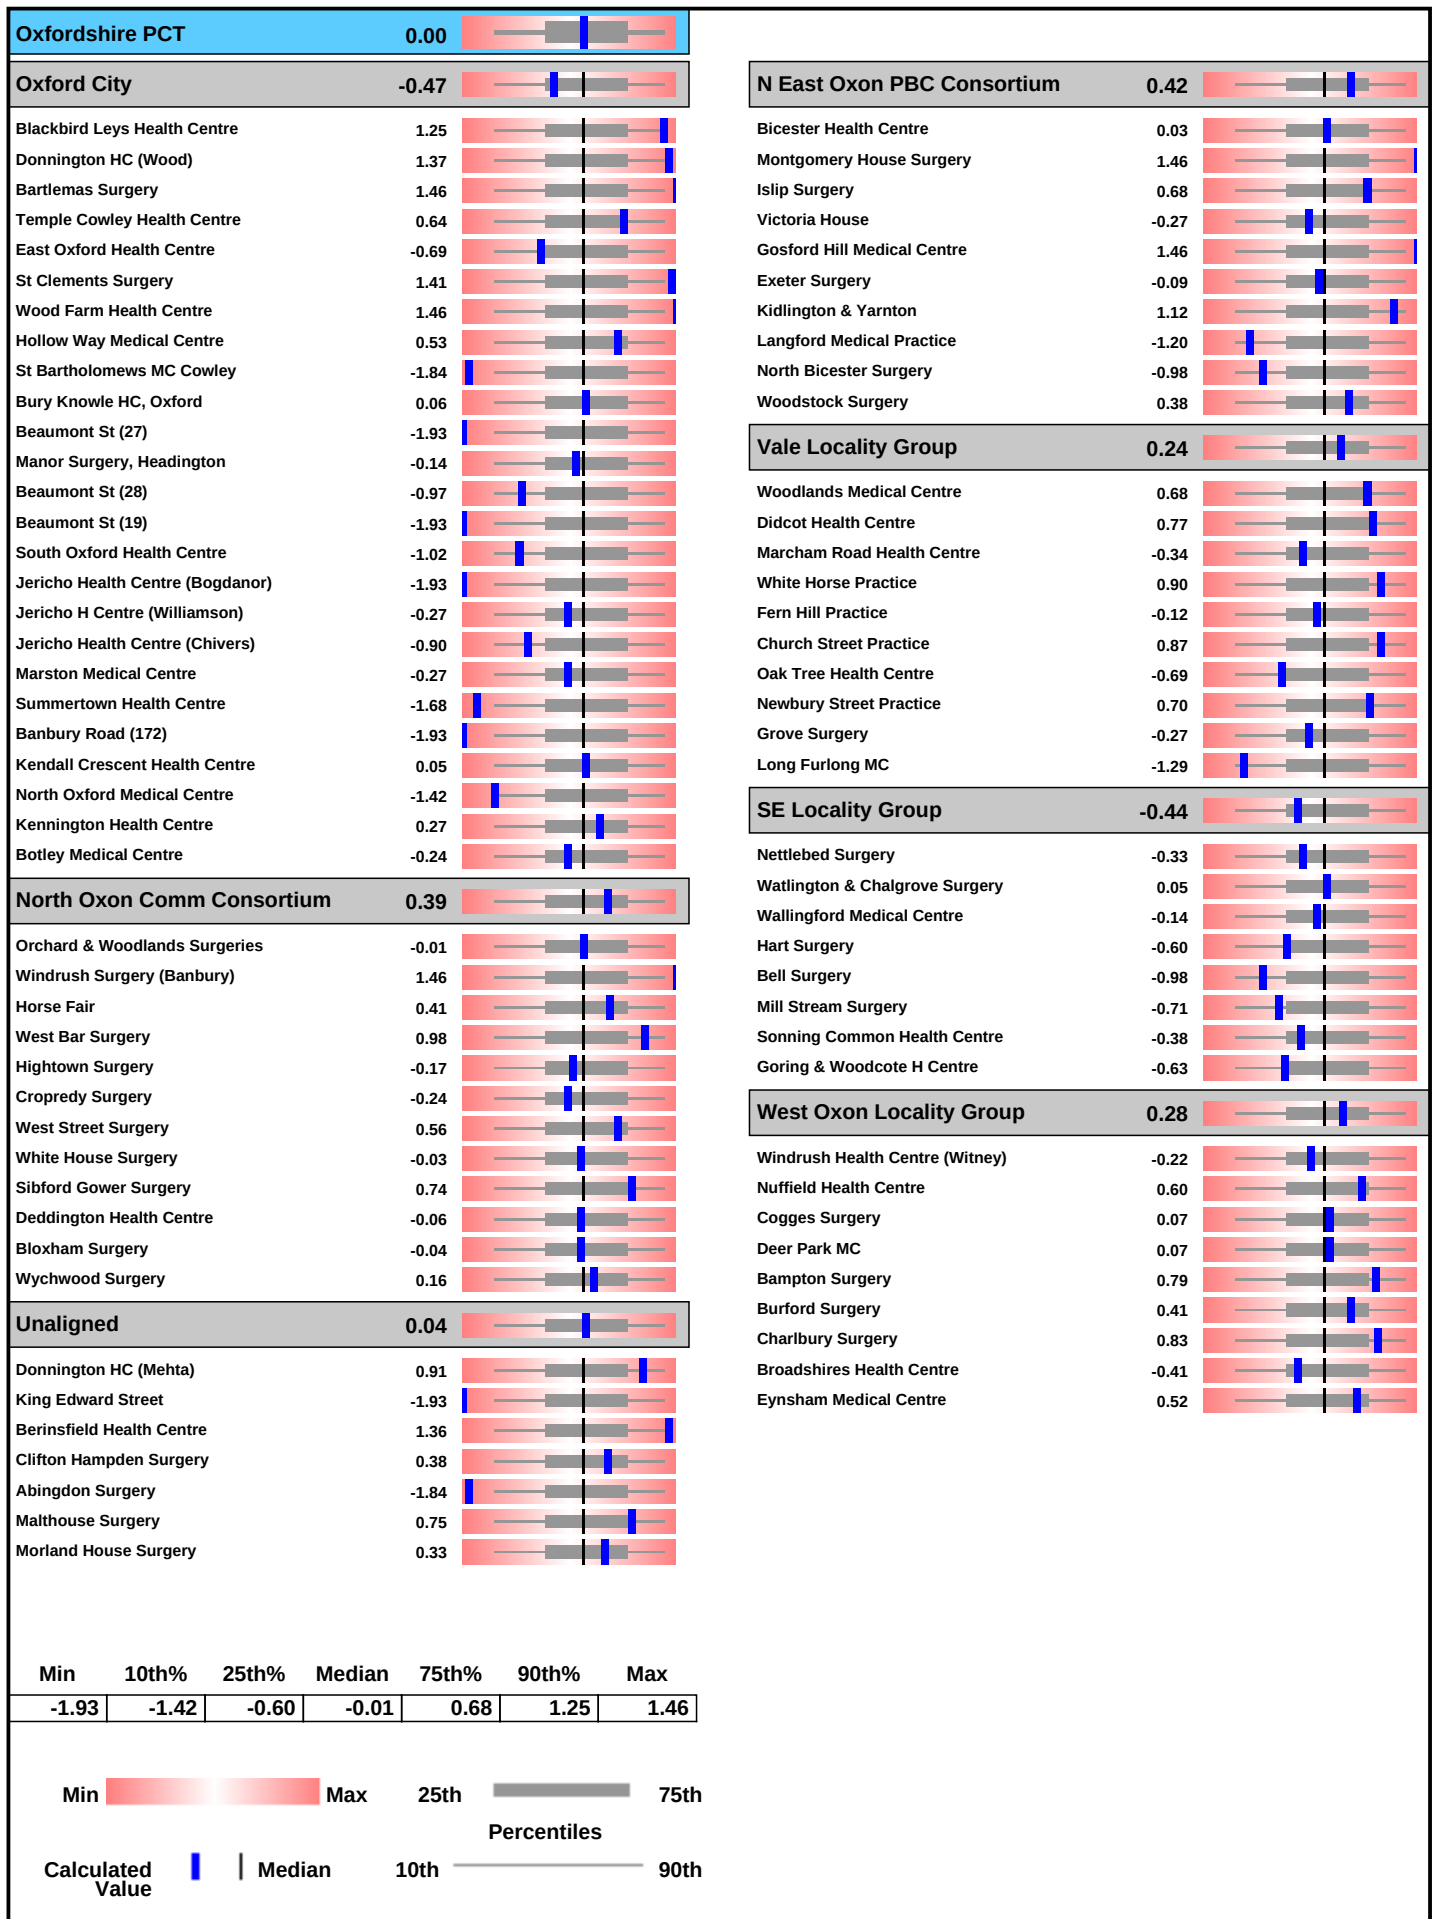

## All causes - Healthy life expectancy at age 65 - NATIONAL INDICATOR 137

# Joint Strategic Needs Assessment [Burden]

Burden008.1

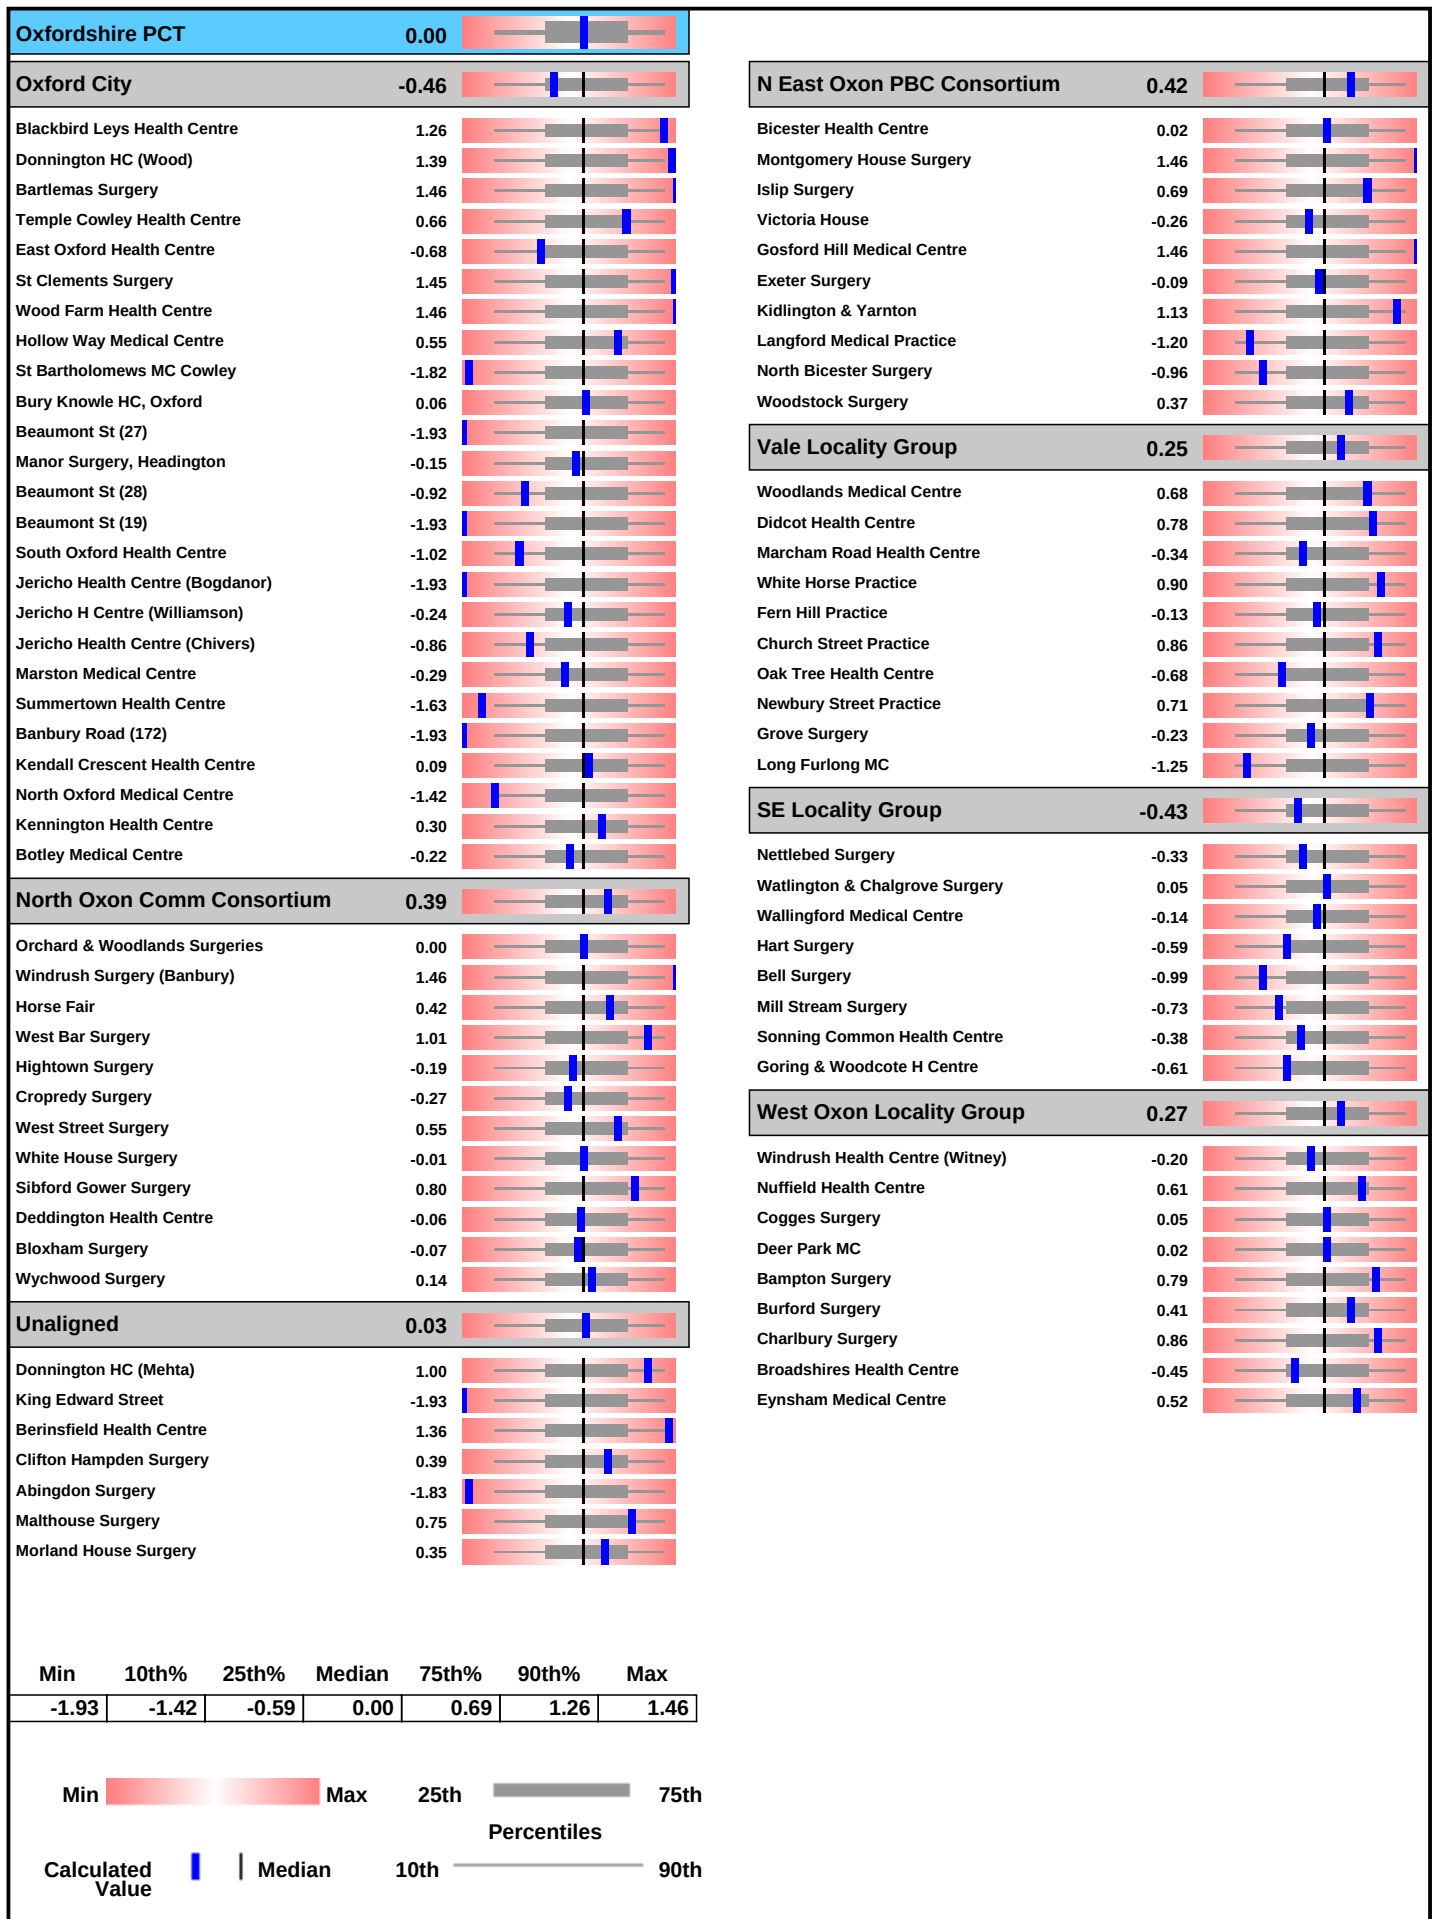

## Diabetes general - Quality and Outcomes Framework QMAS data (diabetes prevalence)

# Joint Strategic Needs Assessment [Burden]

Burden008.2

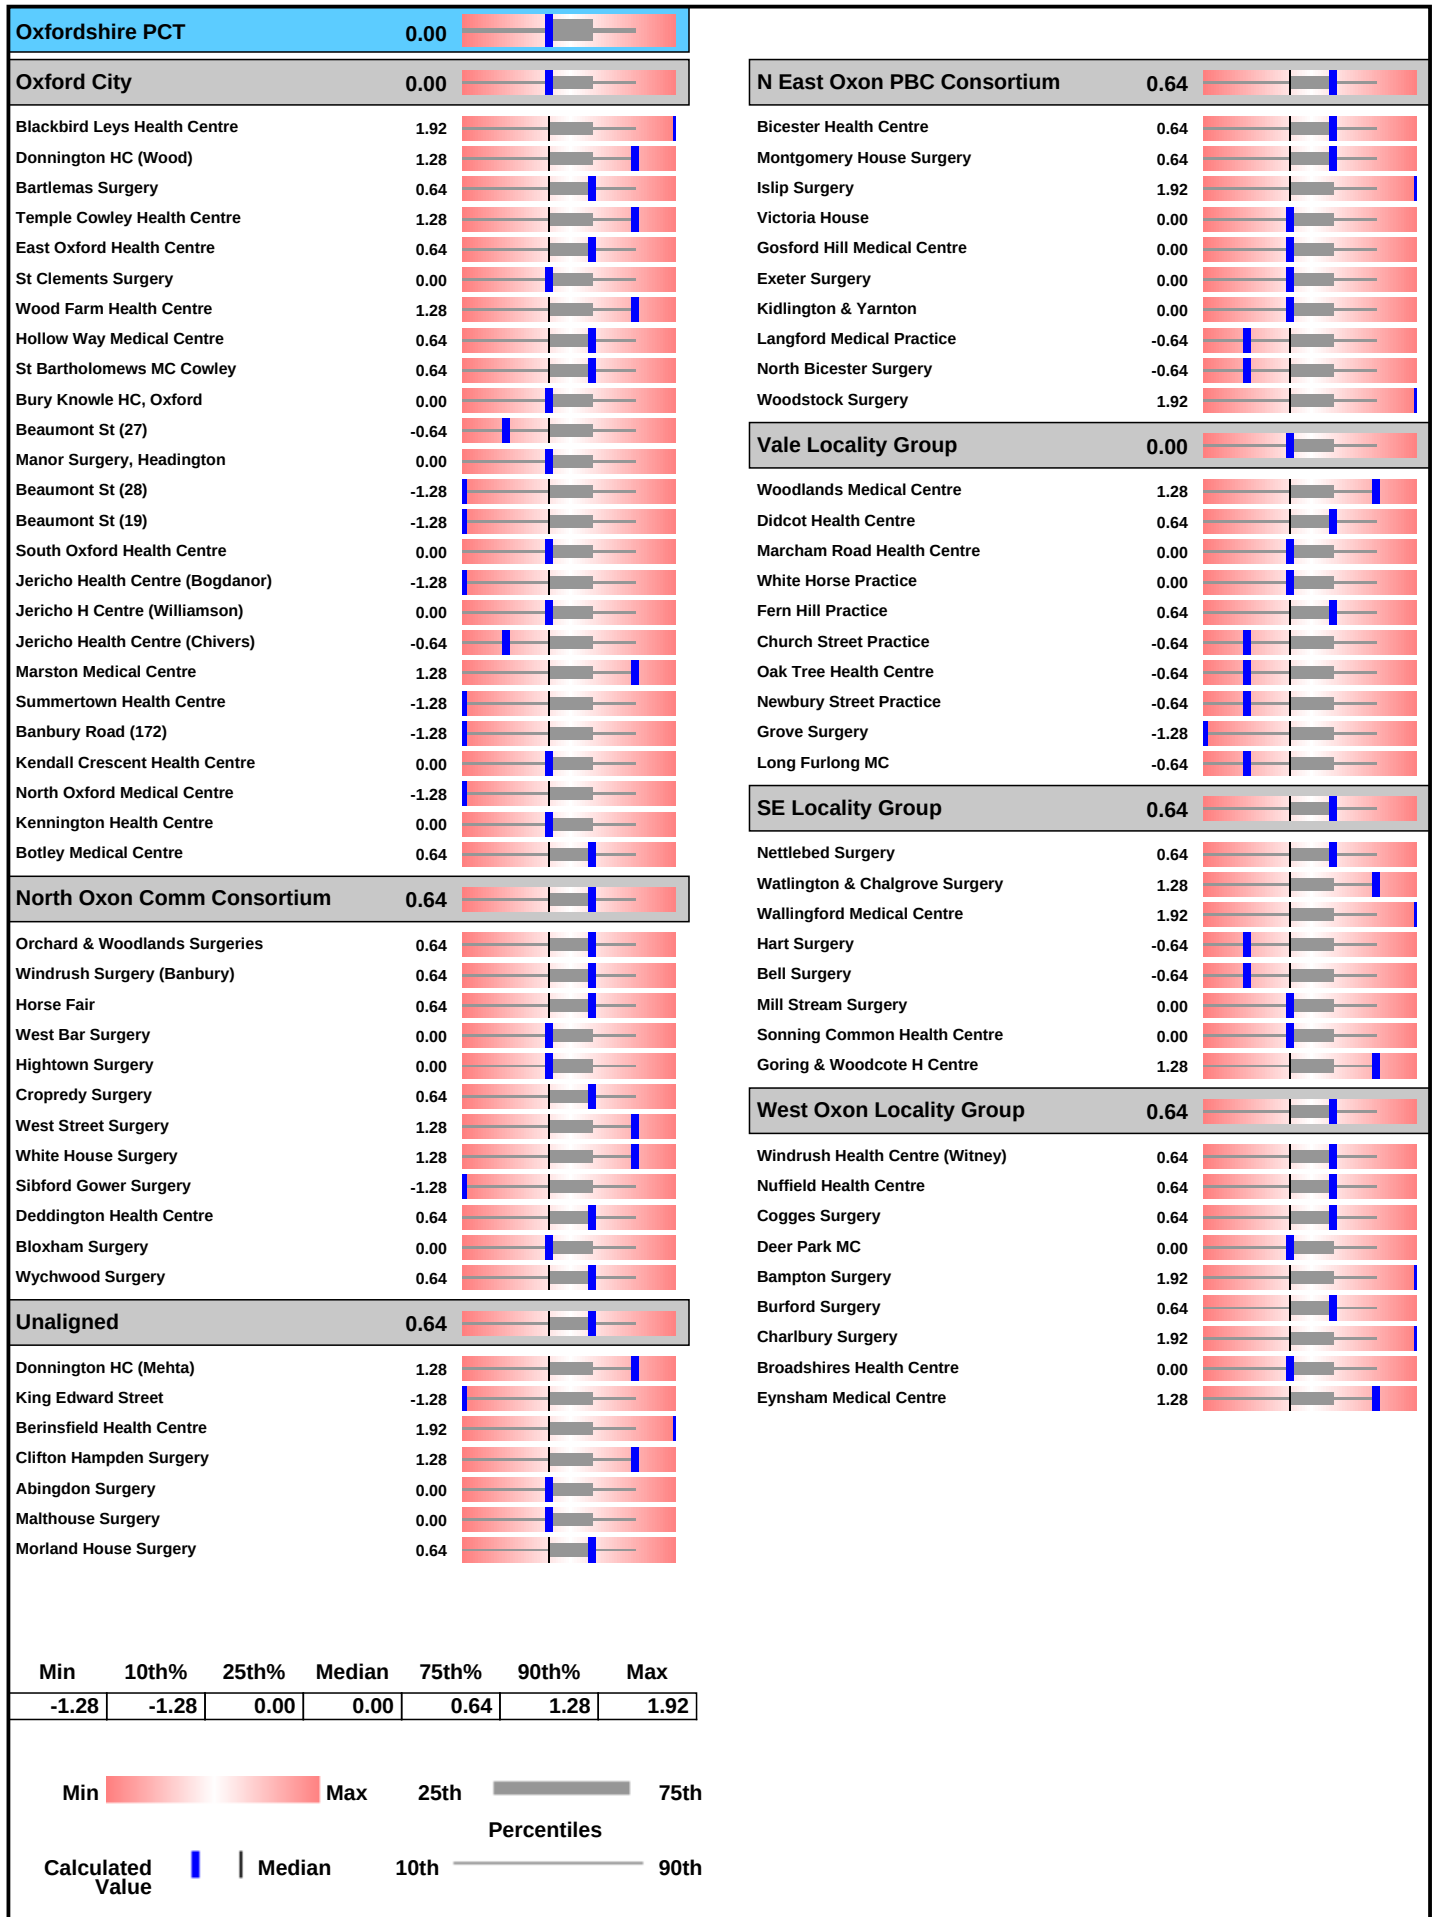

## Diabetes general - Predicted versus known prevalence (diabetes prevalence)

# Joint Strategic Needs Assessment [Burden]

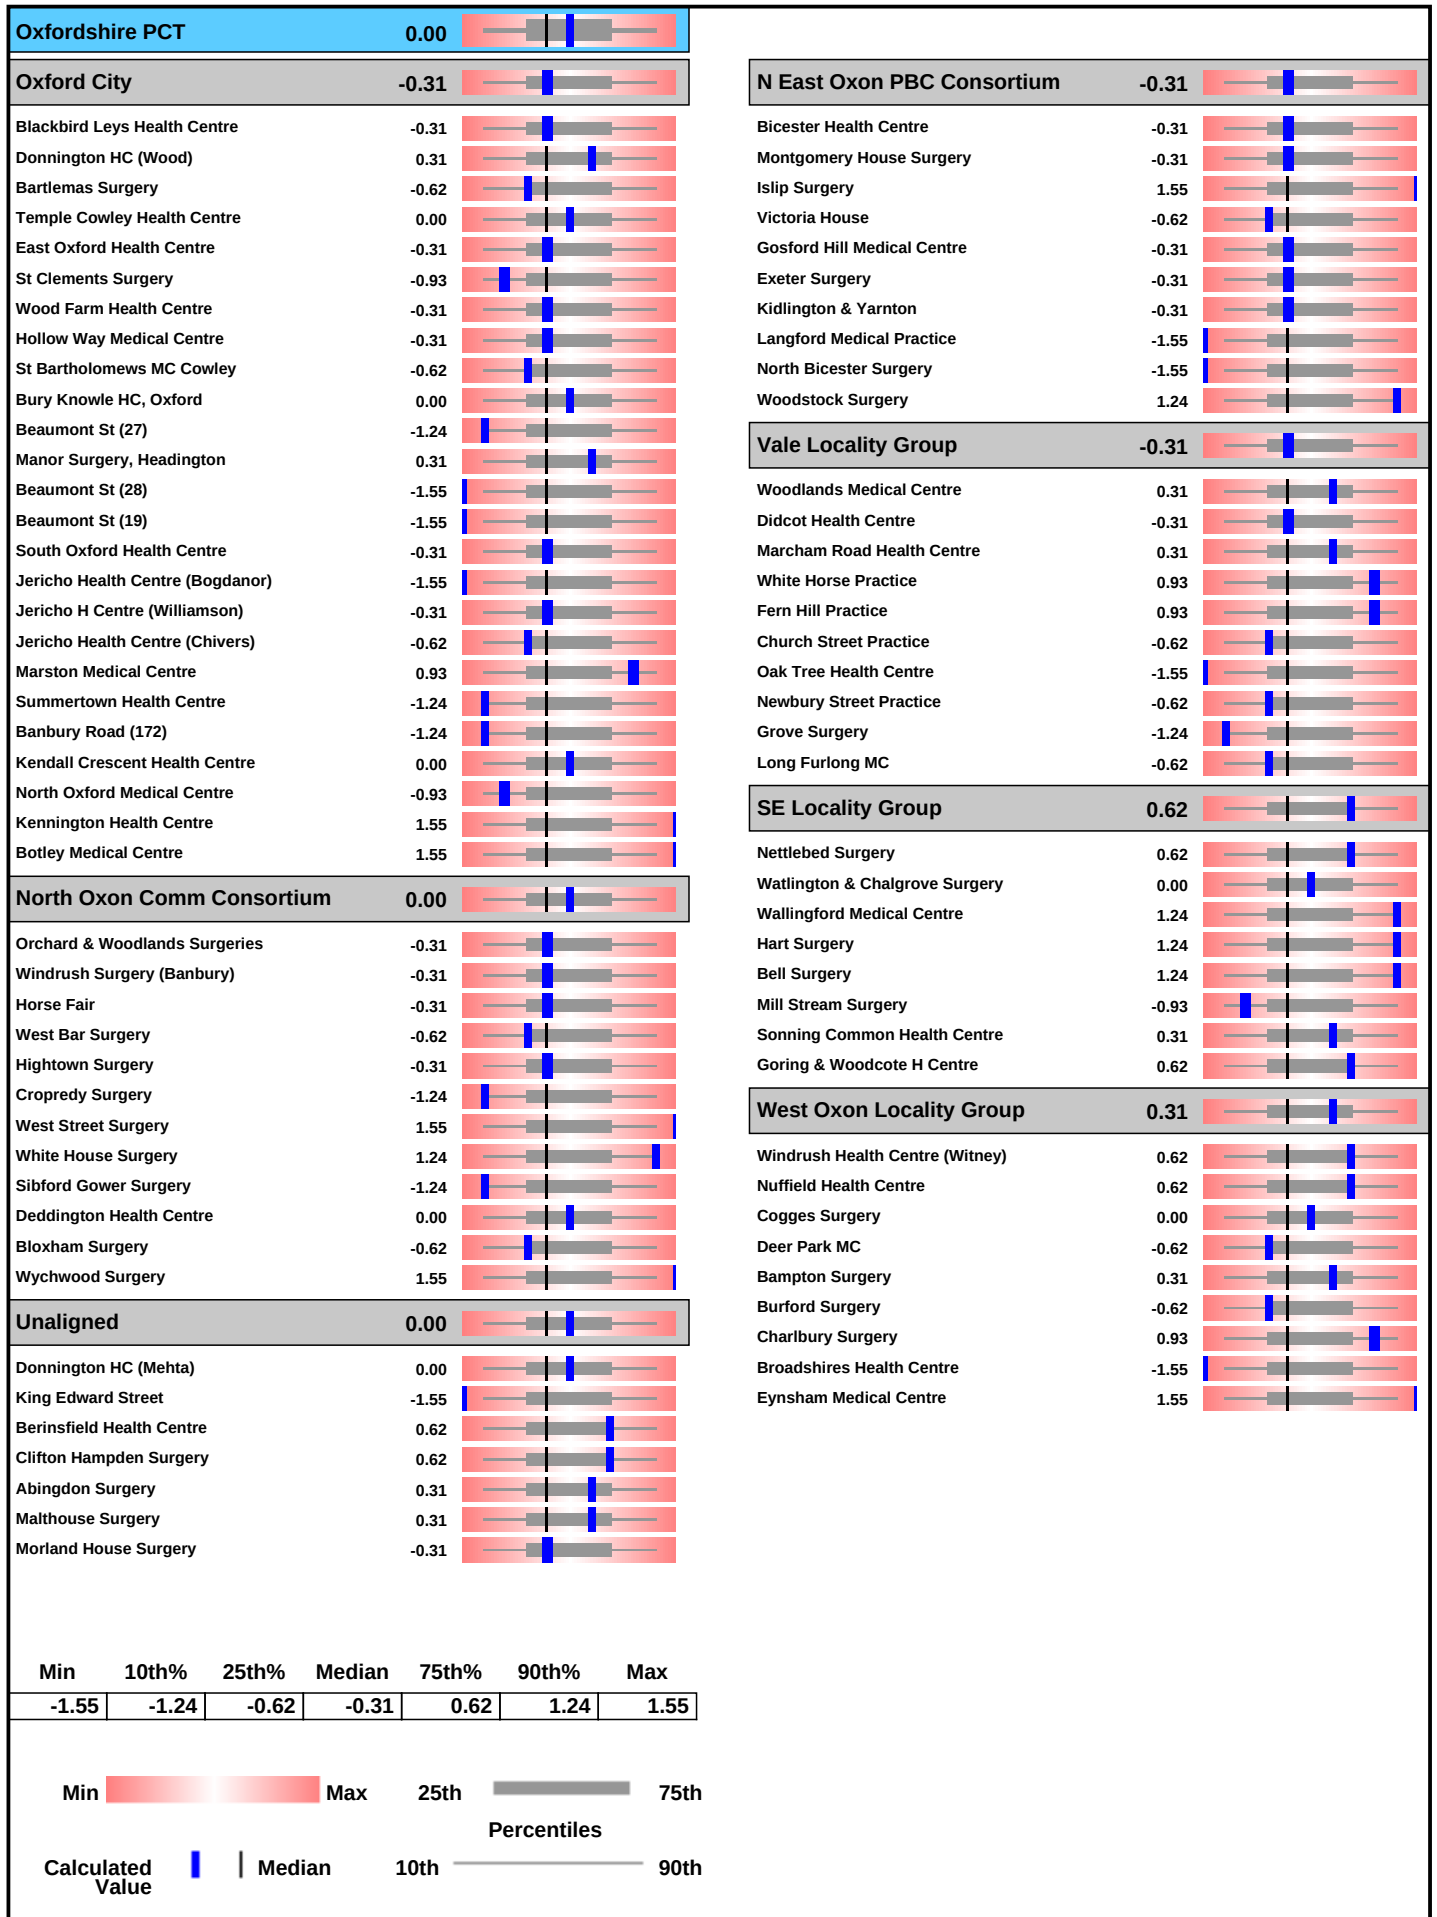

Burden009

## Circulatory general - Mortality rate all circulatory disease -for under 75s NATIONAL INDICATOR 121

# Joint Strategic Needs Assessment [Burden]

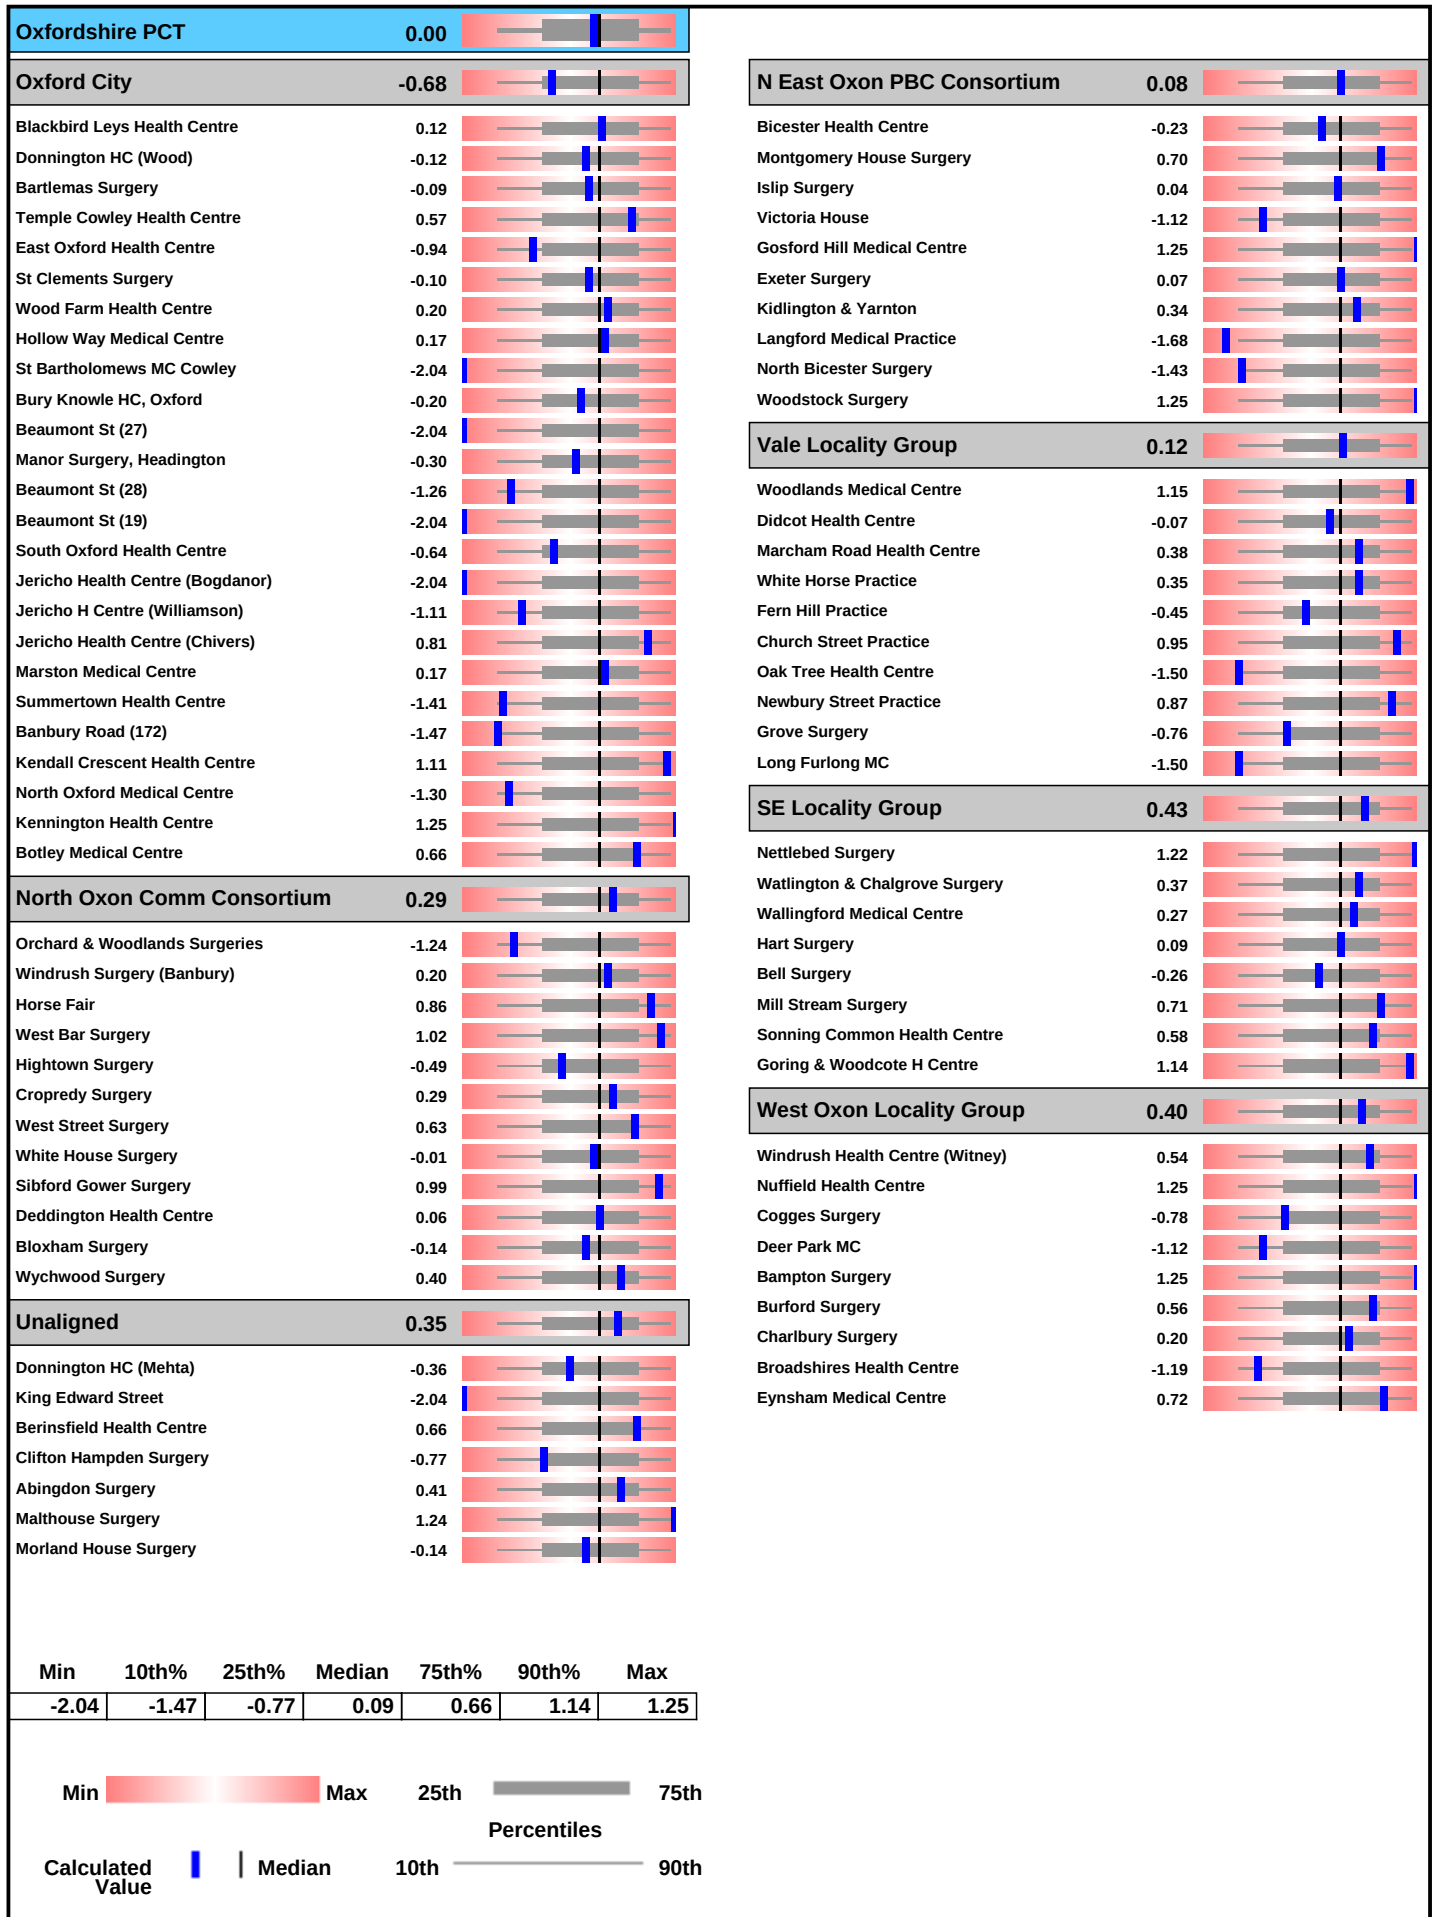

**Burden010**  
CHD - mortality

# Joint Strategic Needs Assessment [Burden]

Burden011.1

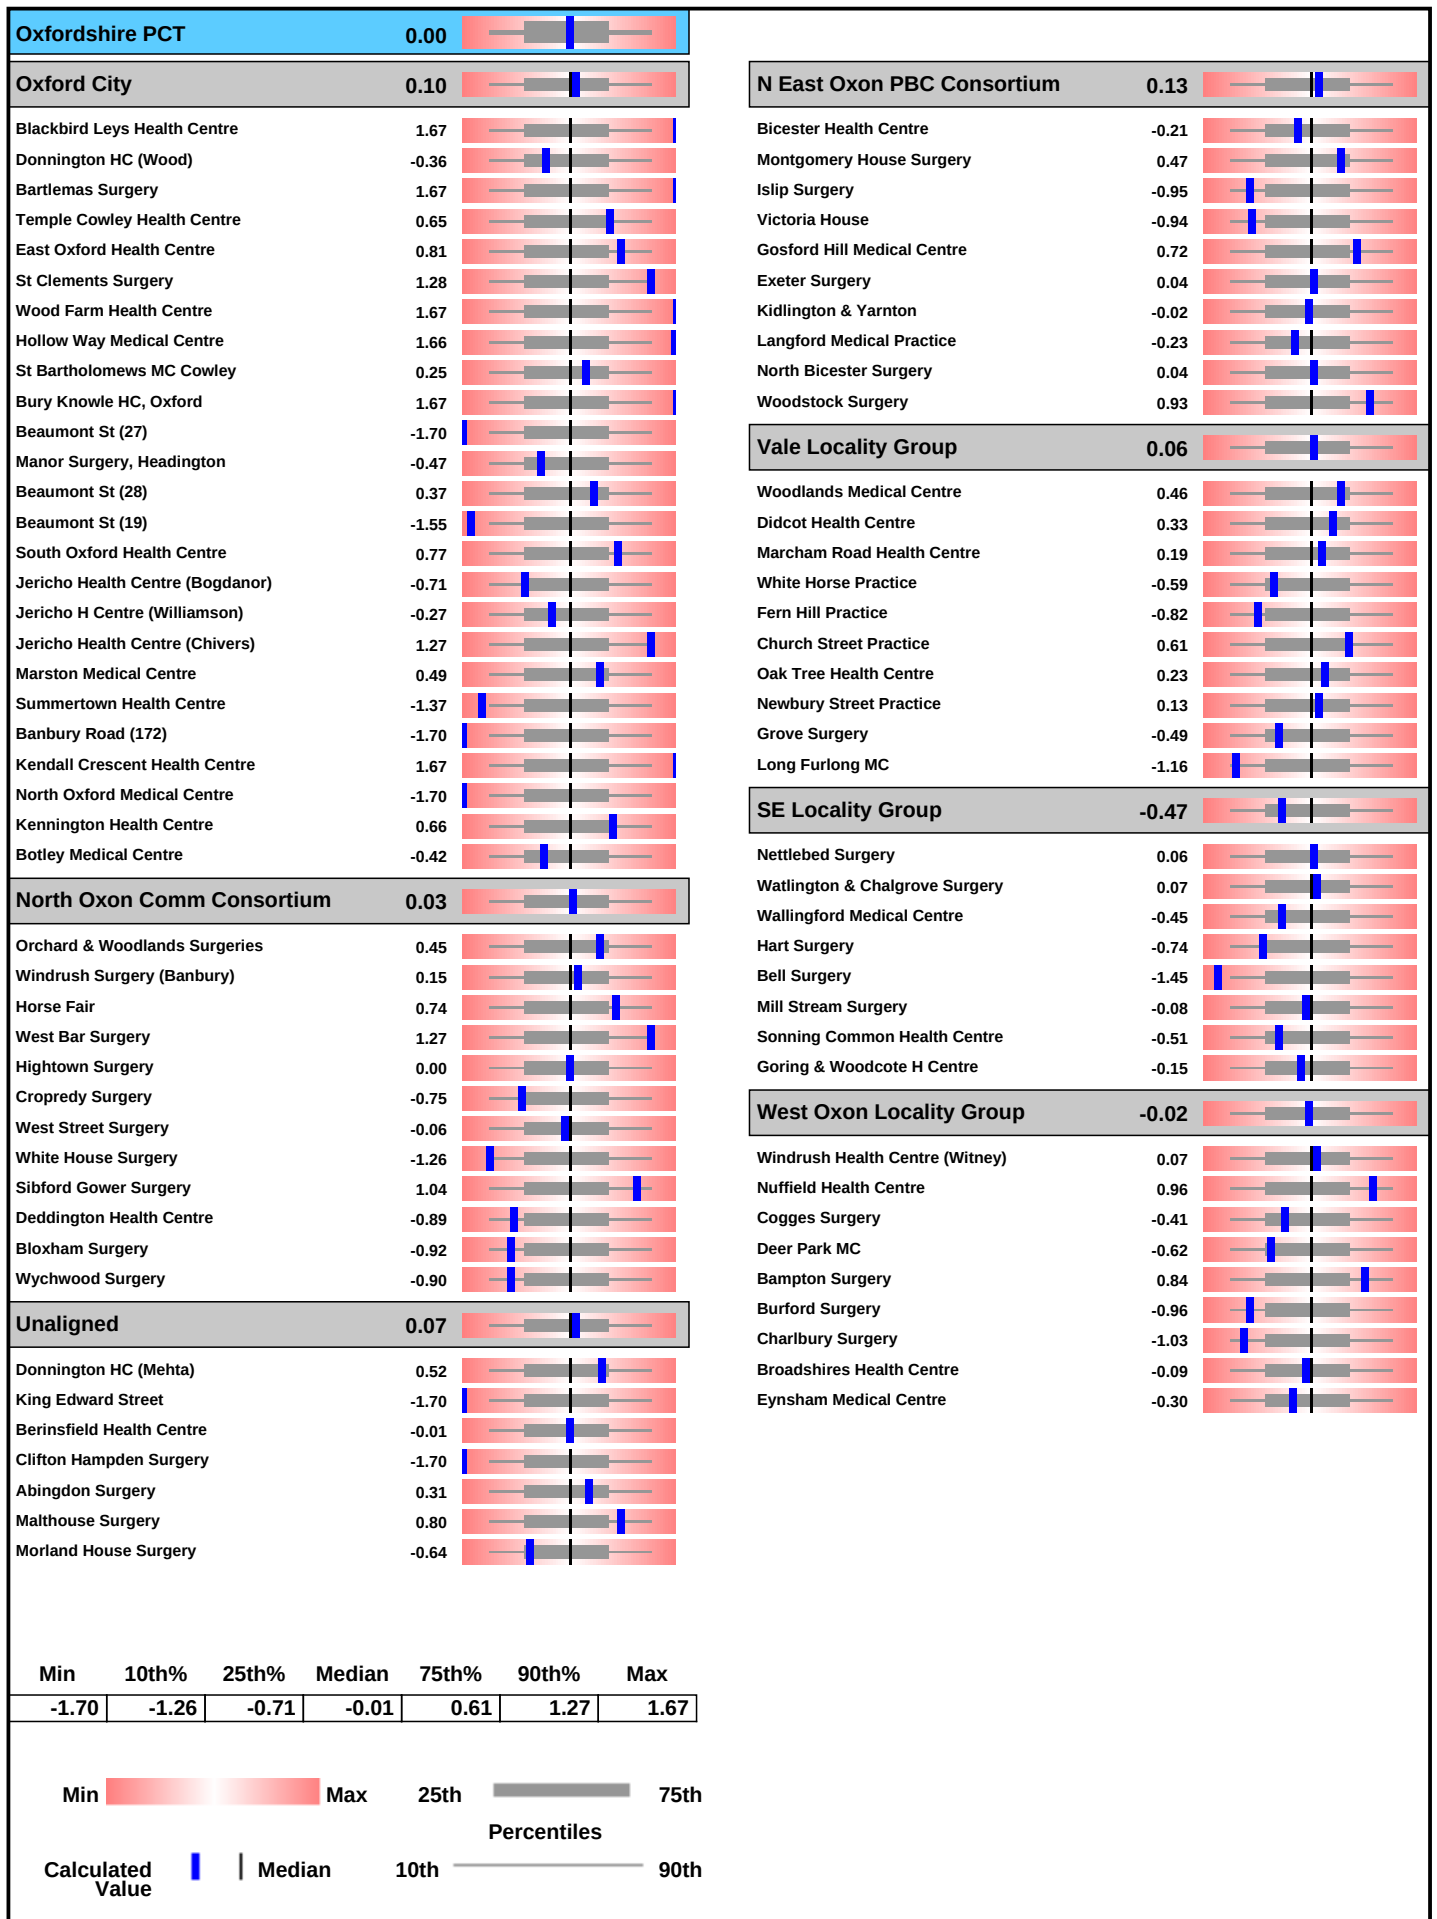

CHD - QOF QMAS data (CHD Prevalence)

# Joint Strategic Needs Assessment [Burden]

Burden011.2

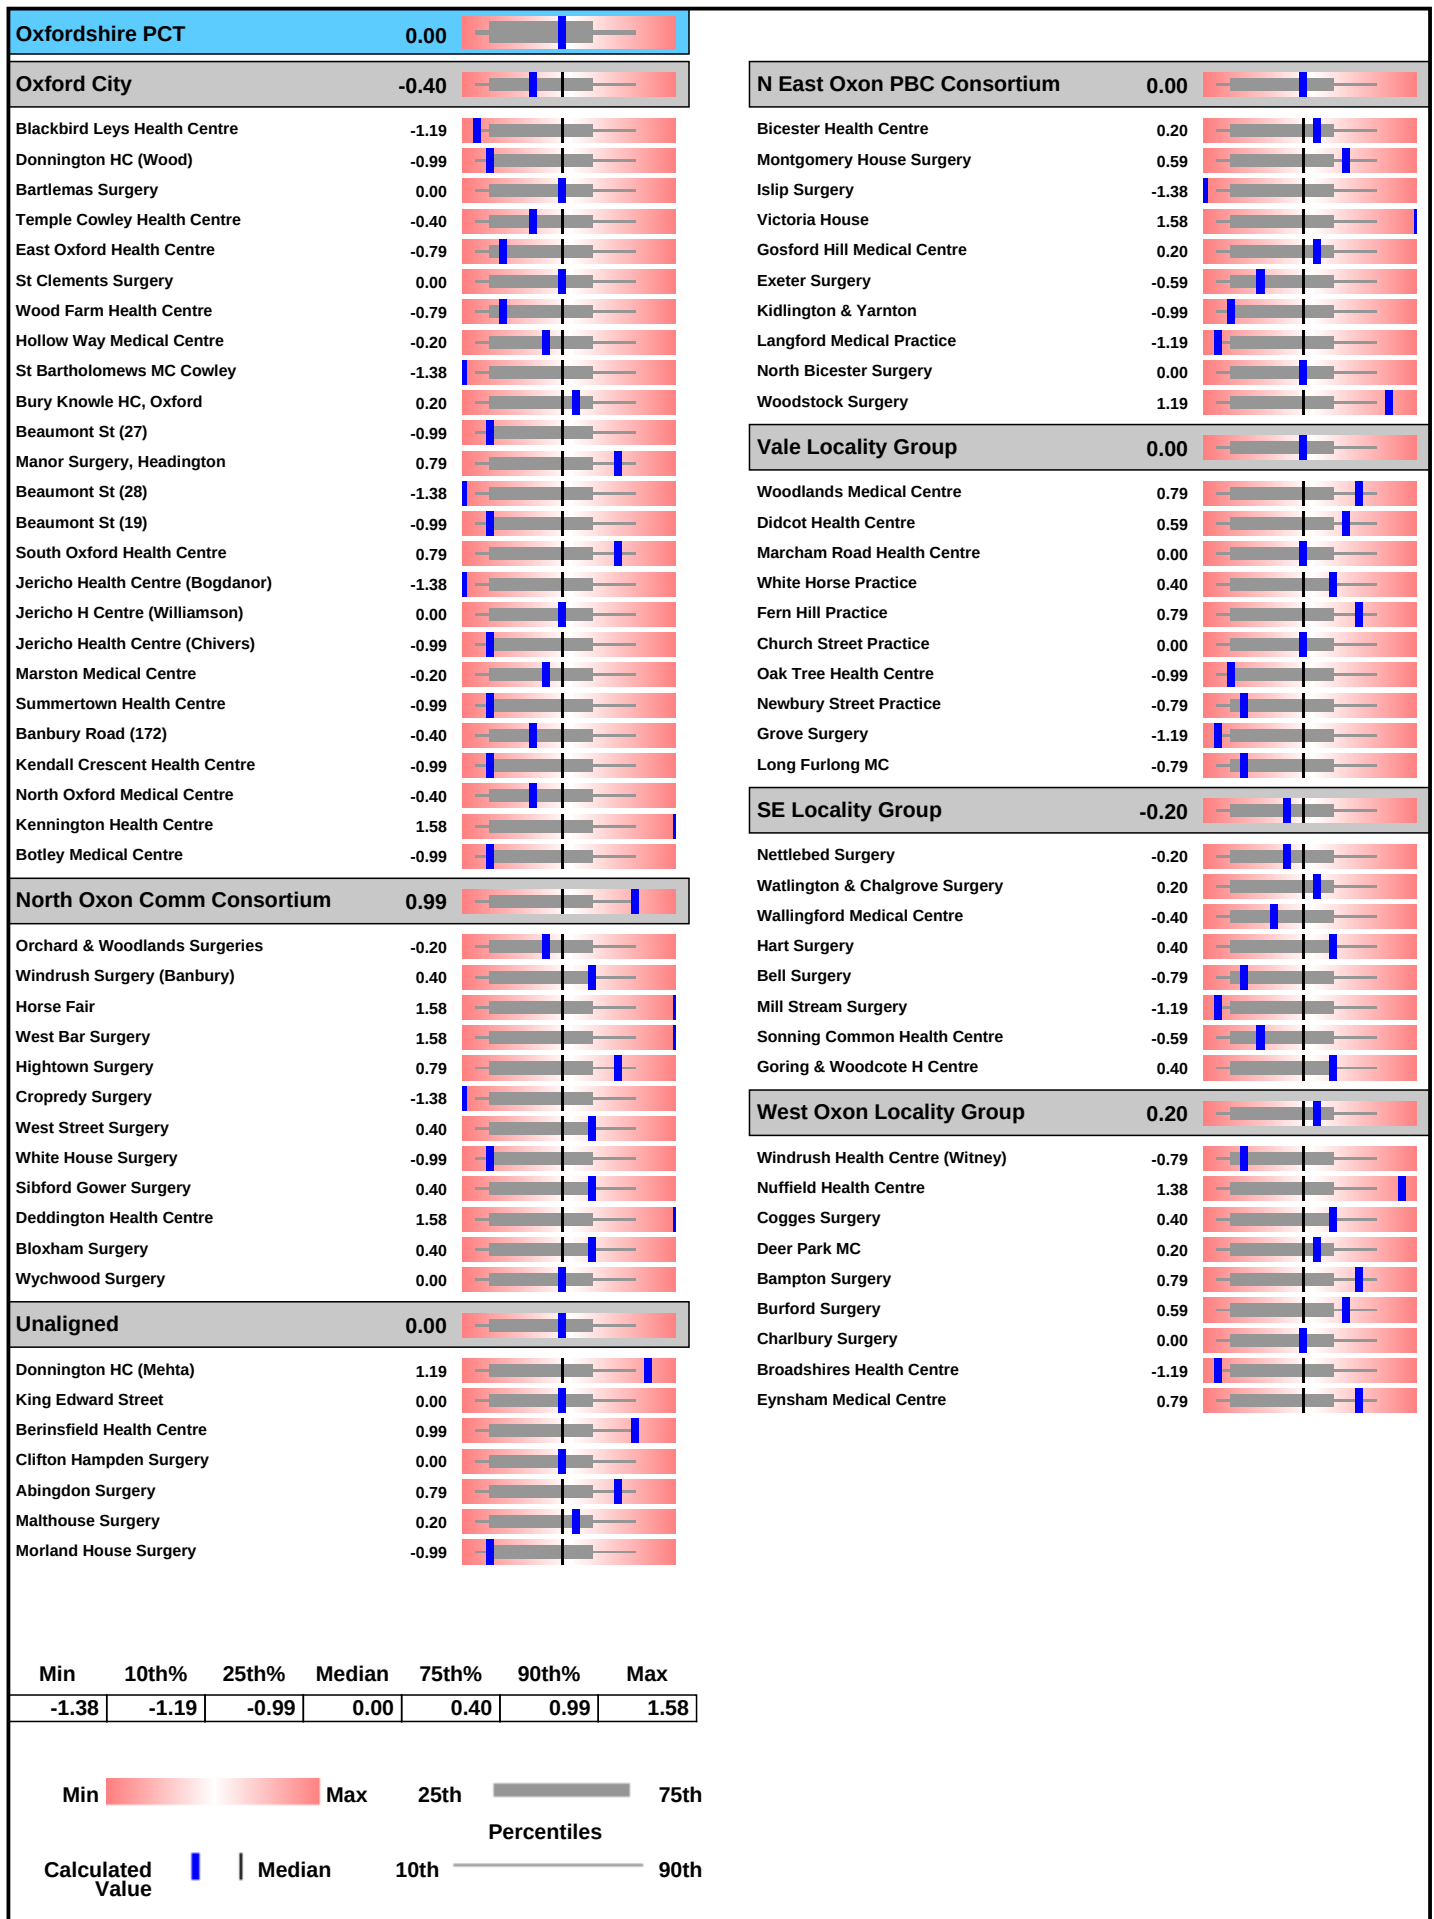

CHD - Predicted versus known prevalence (CHD prevalence)

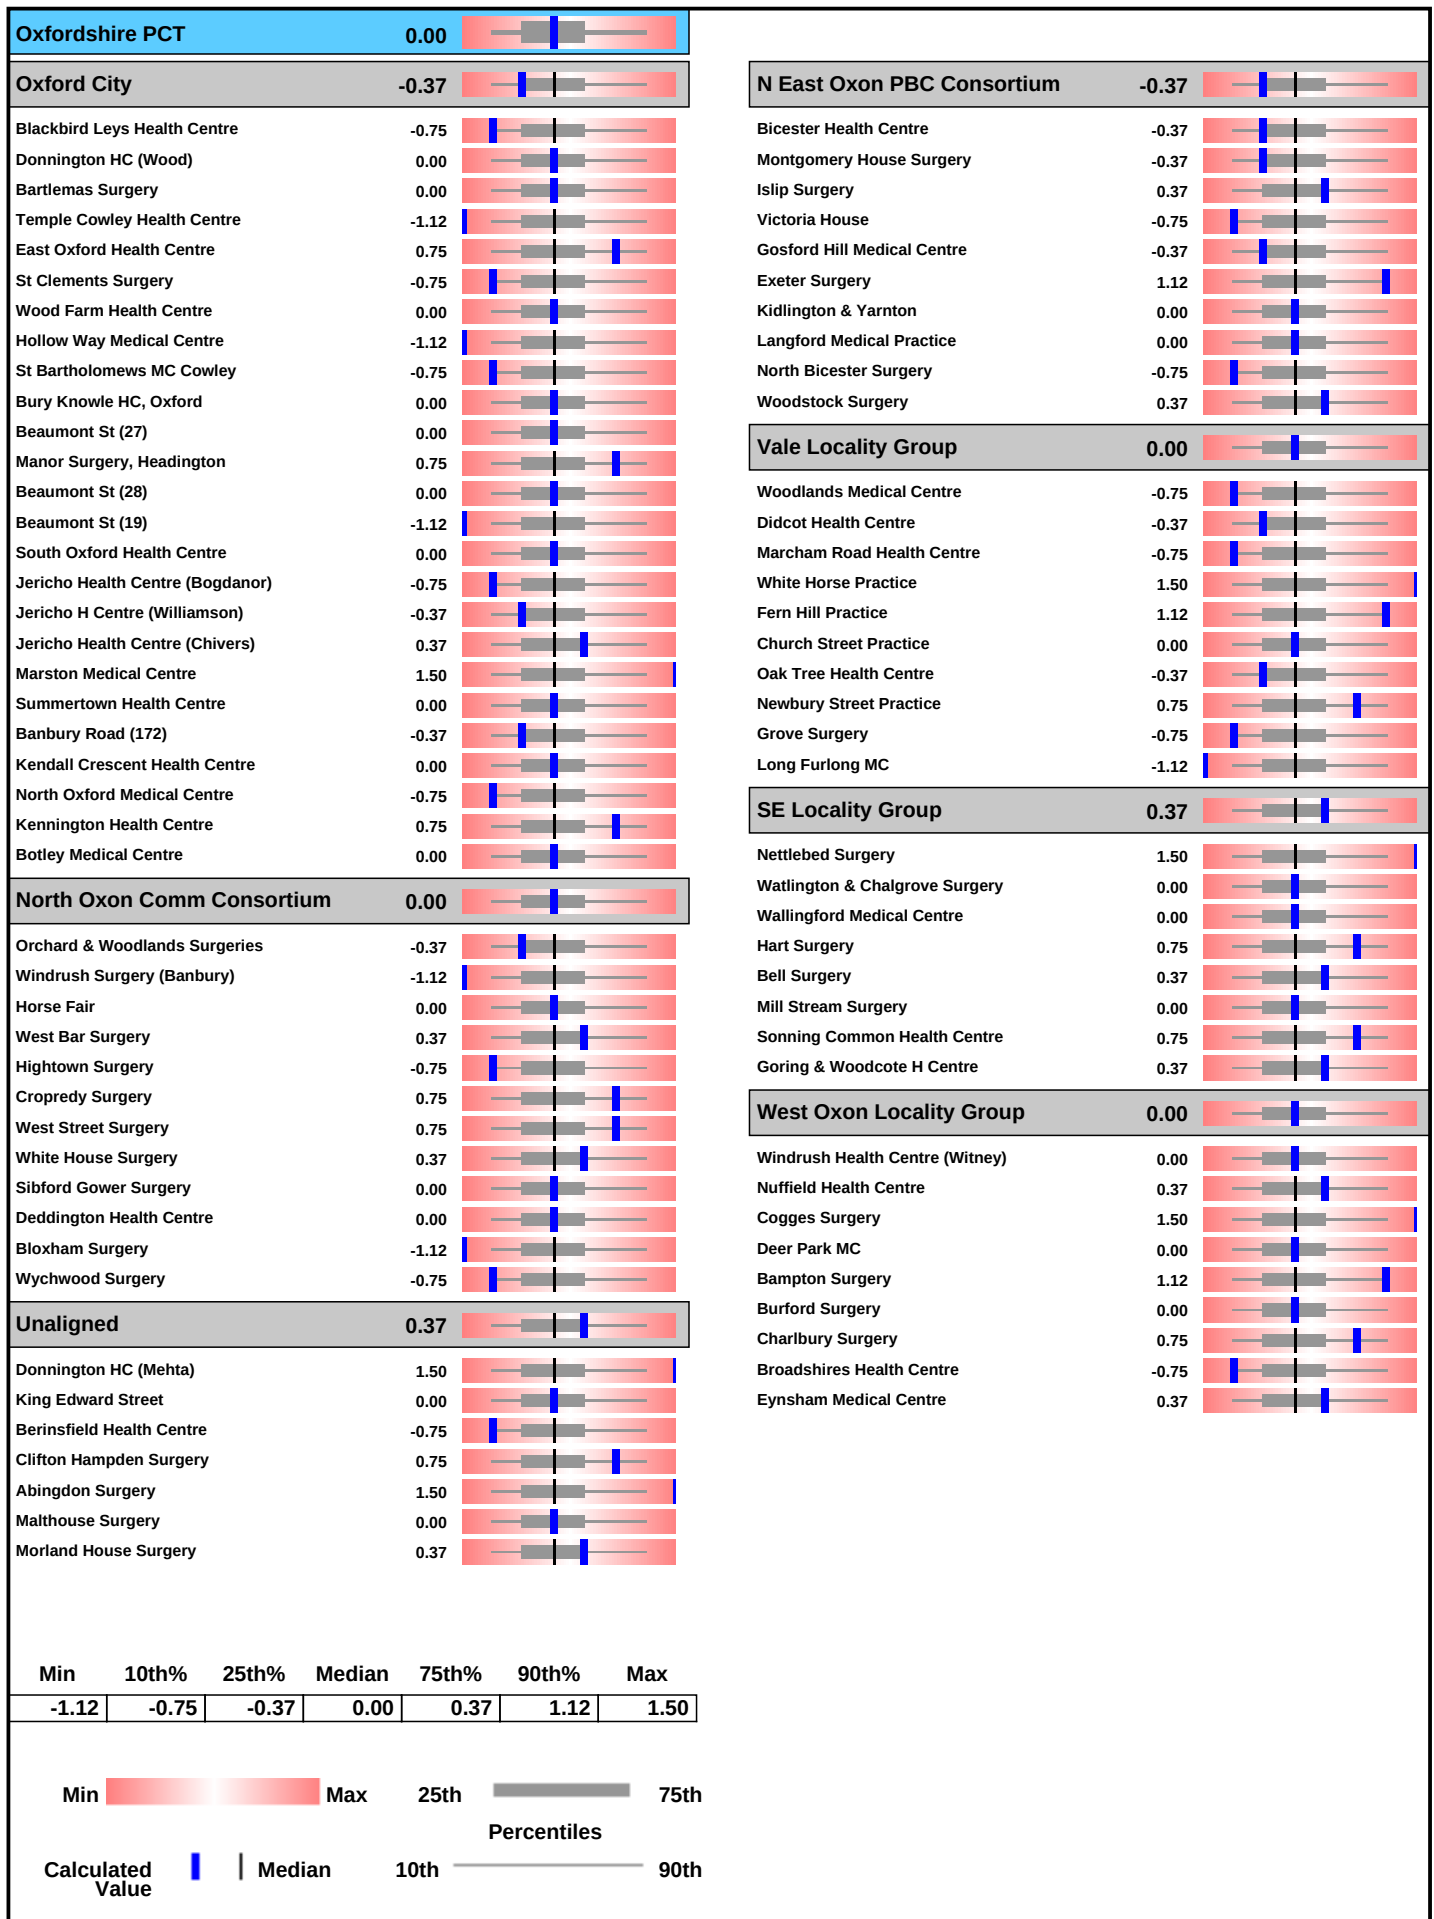

# Joint Strategic Needs Assessment [Burden]

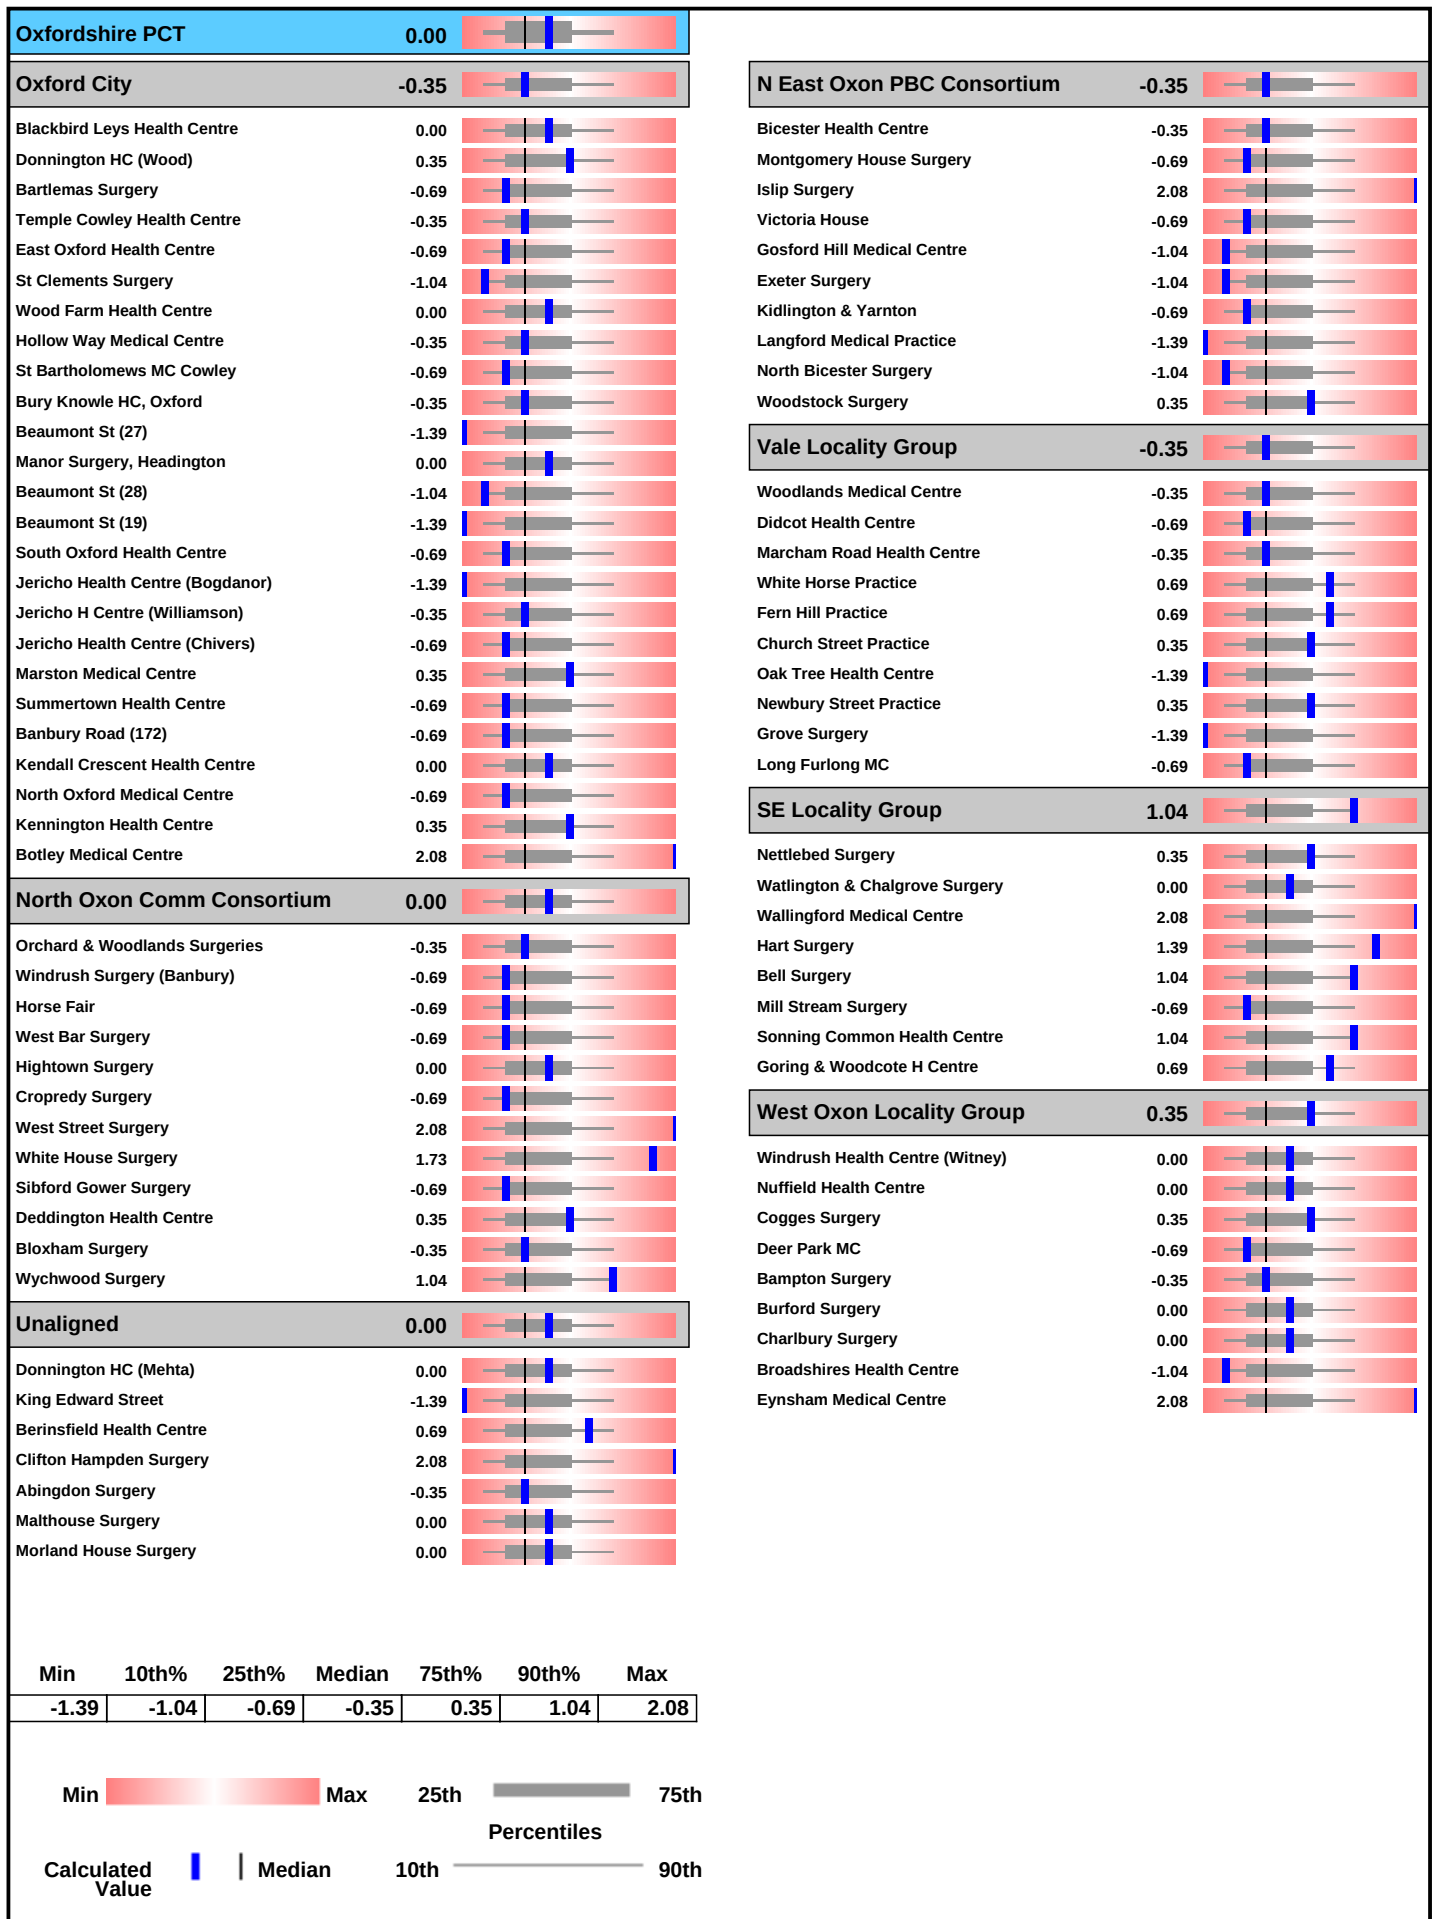

Burden012

CHD -Hospital admission rate for MI (proxy for incidence) OPTIONAL

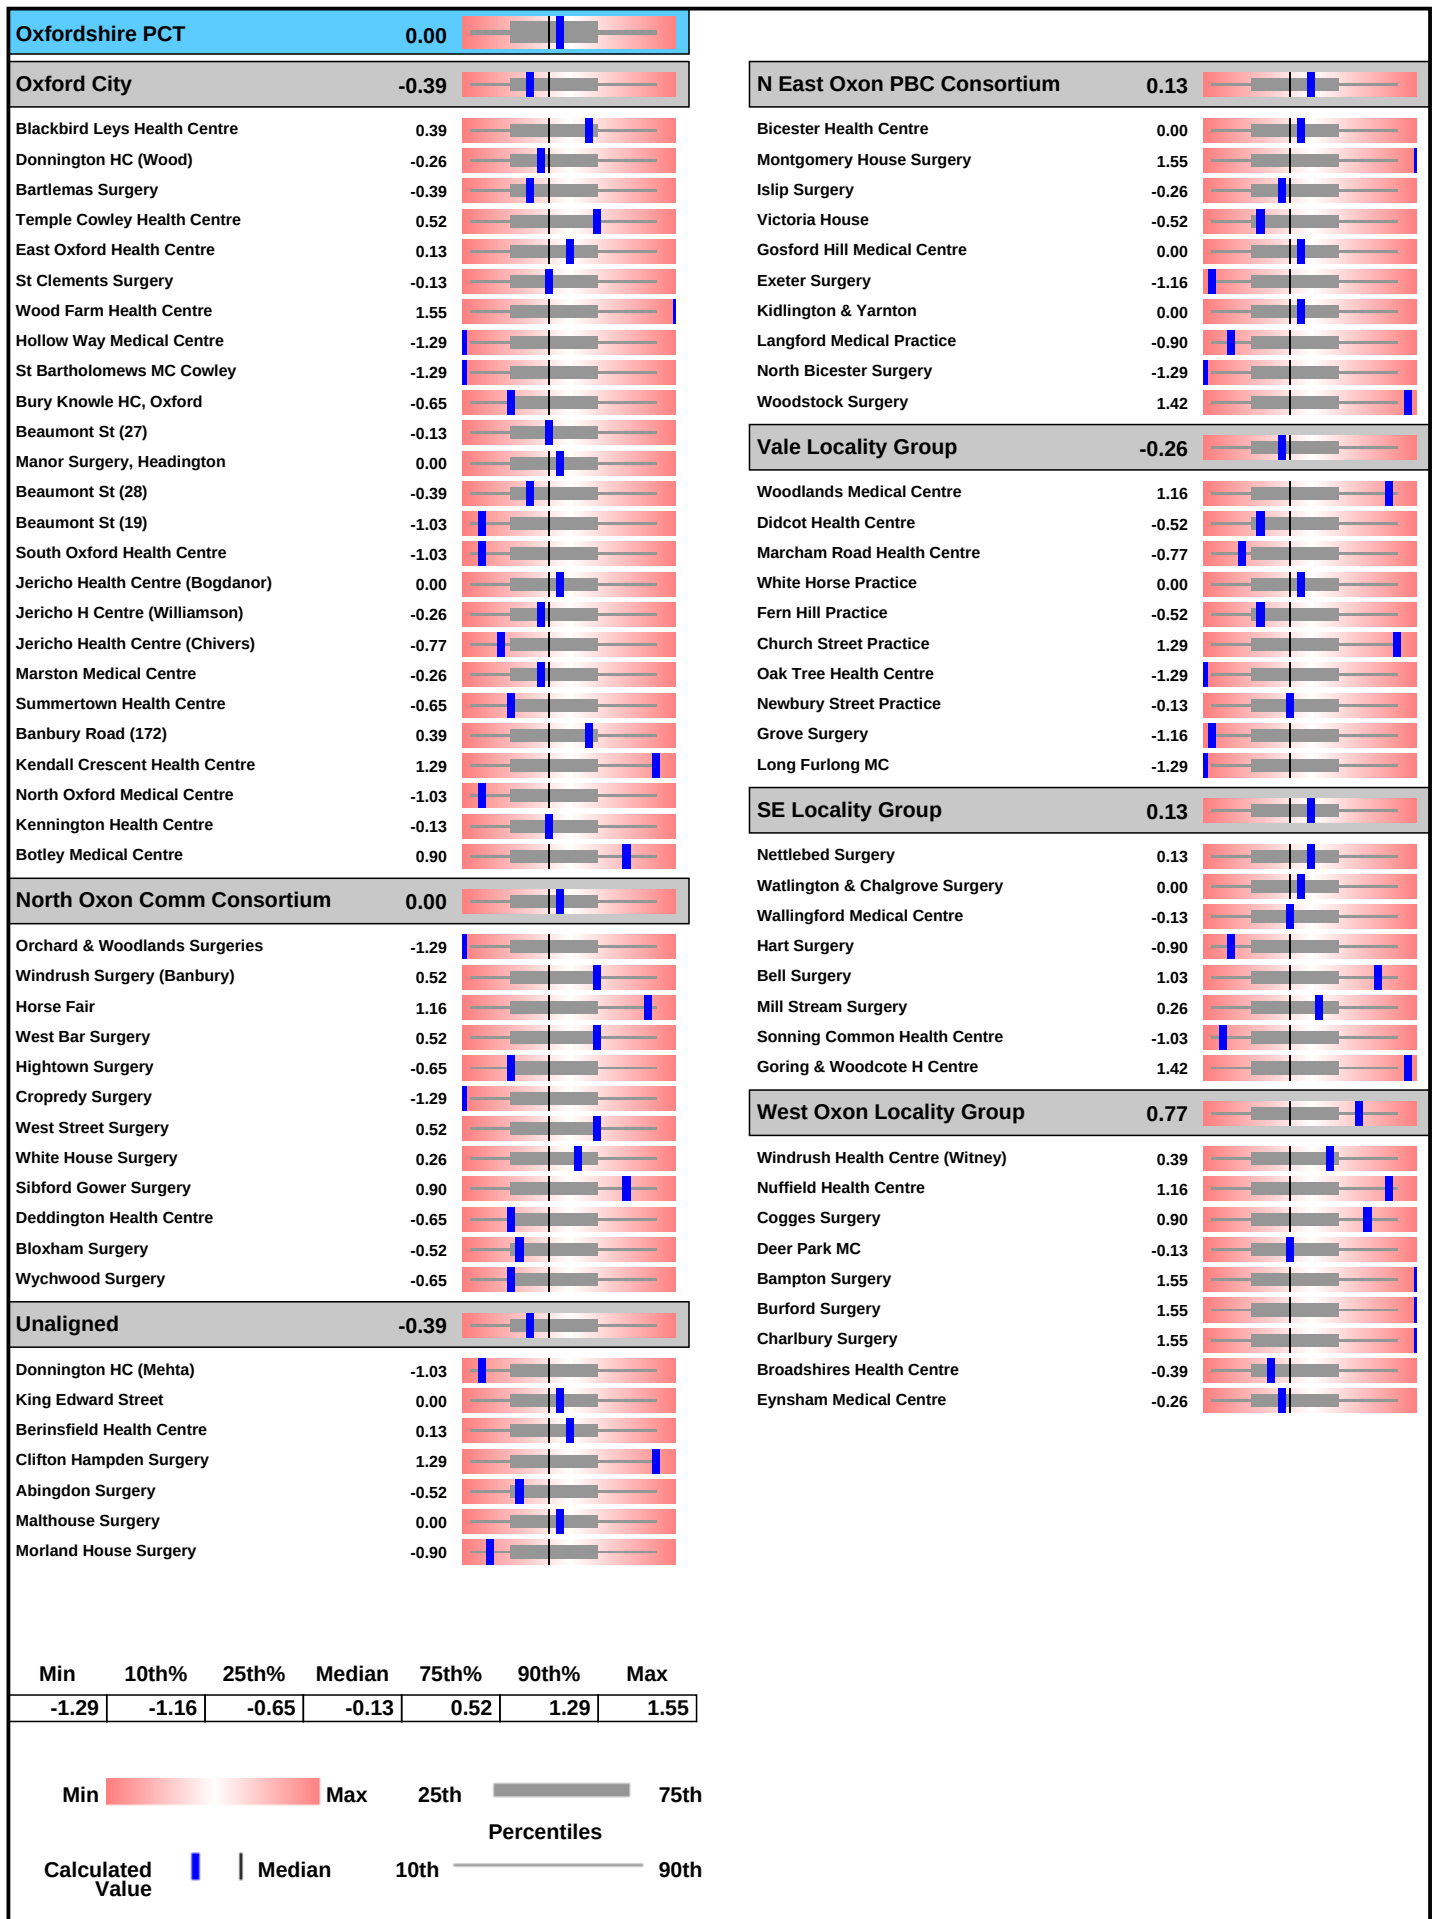

## Admissions for cardiac revascularisation OPTIONAL

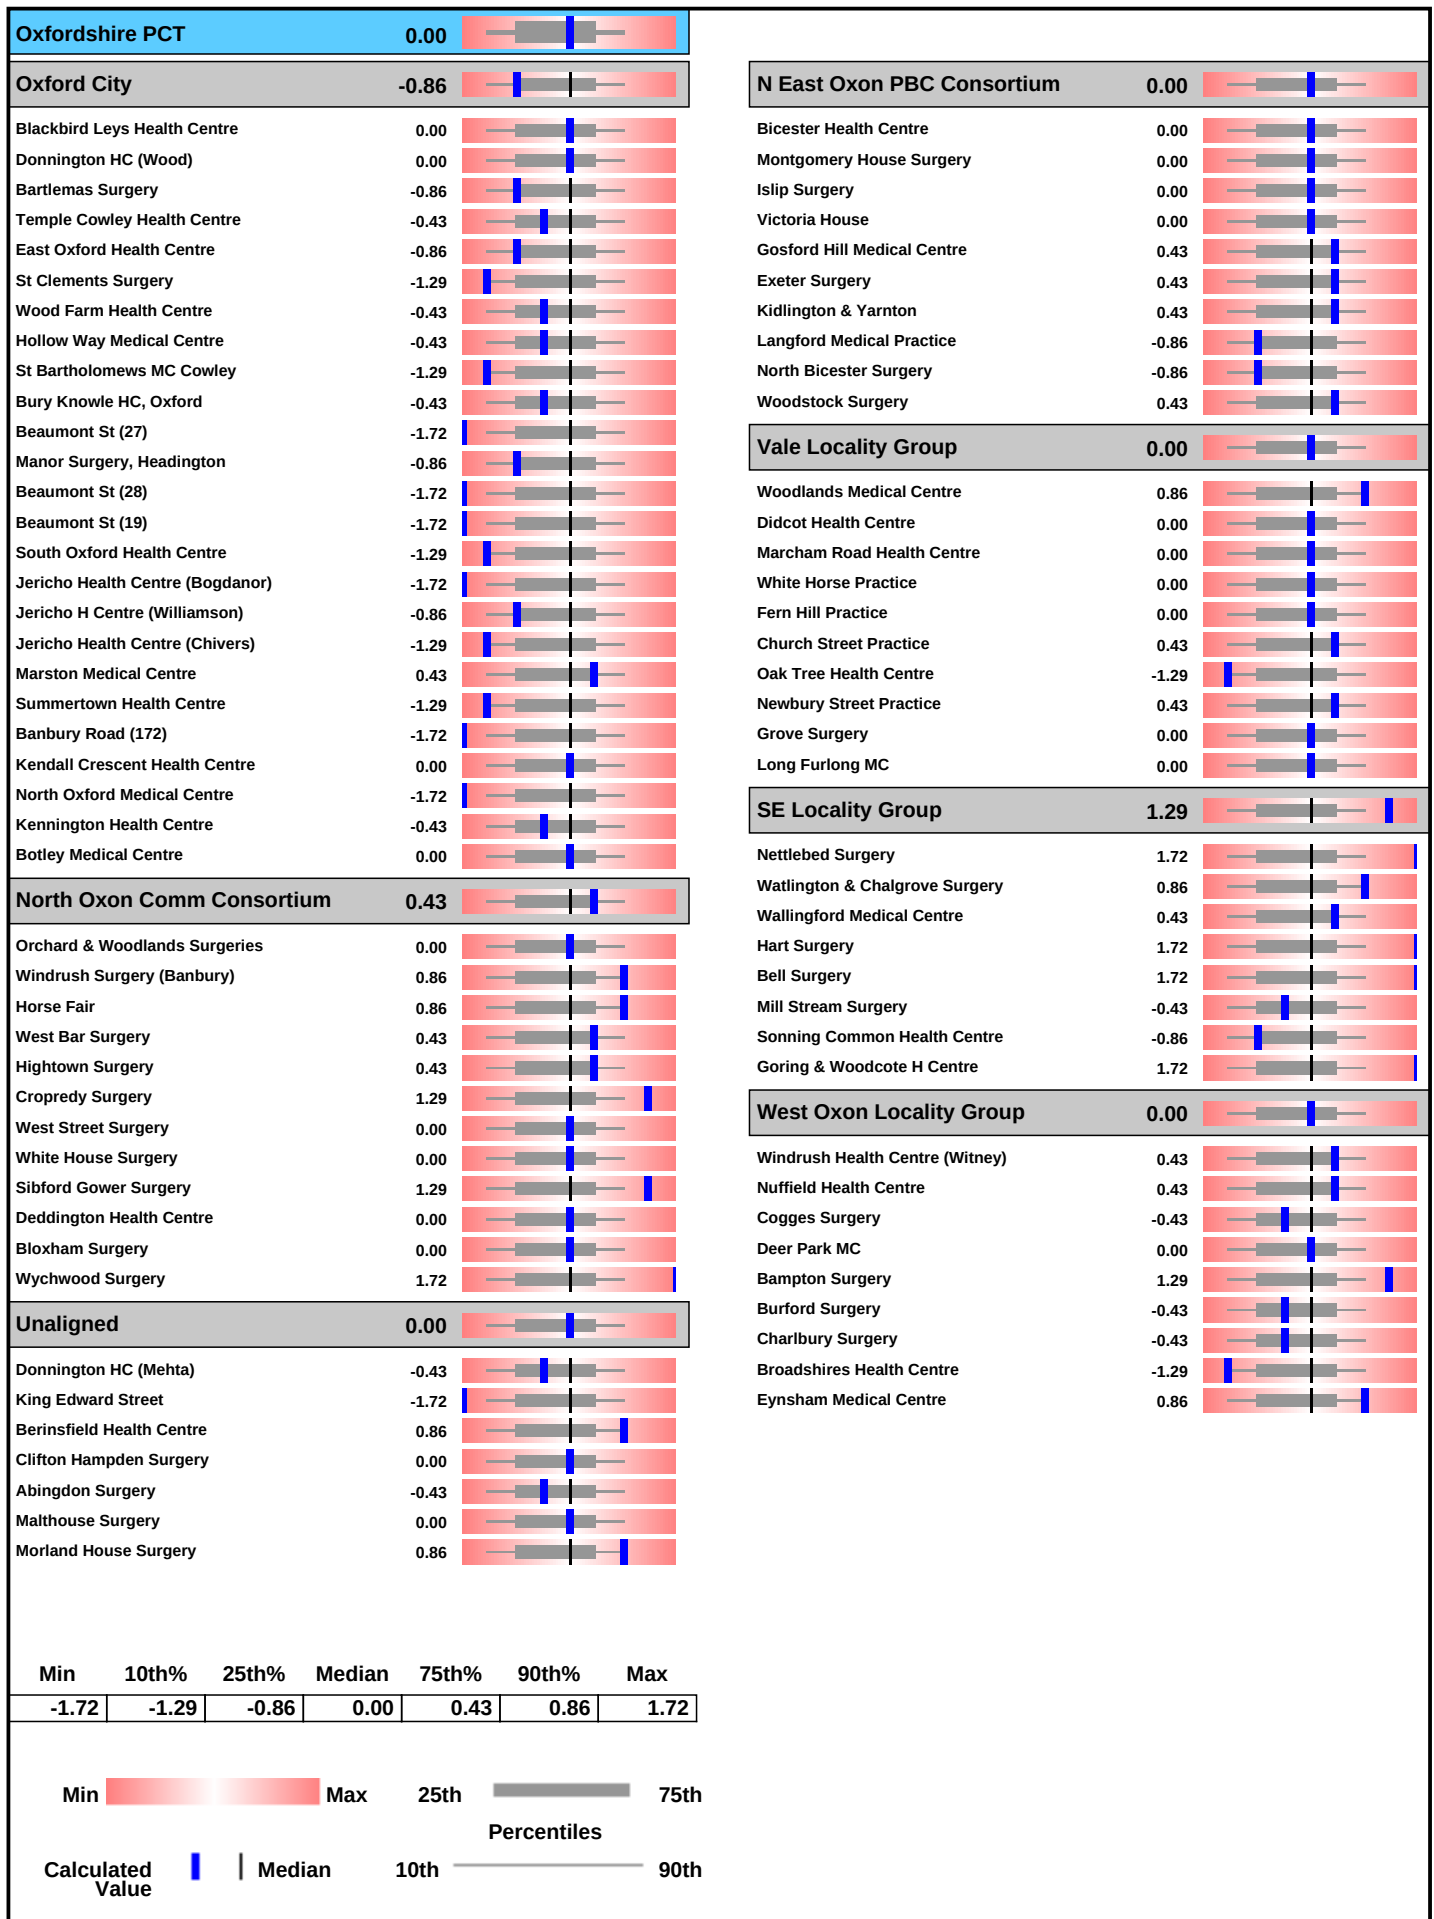

## Stroke -Hospital admission rate for stroke (proxy for incidence) OPTIONAL

# Joint Strategic Needs Assessment [Burden]

Burden016

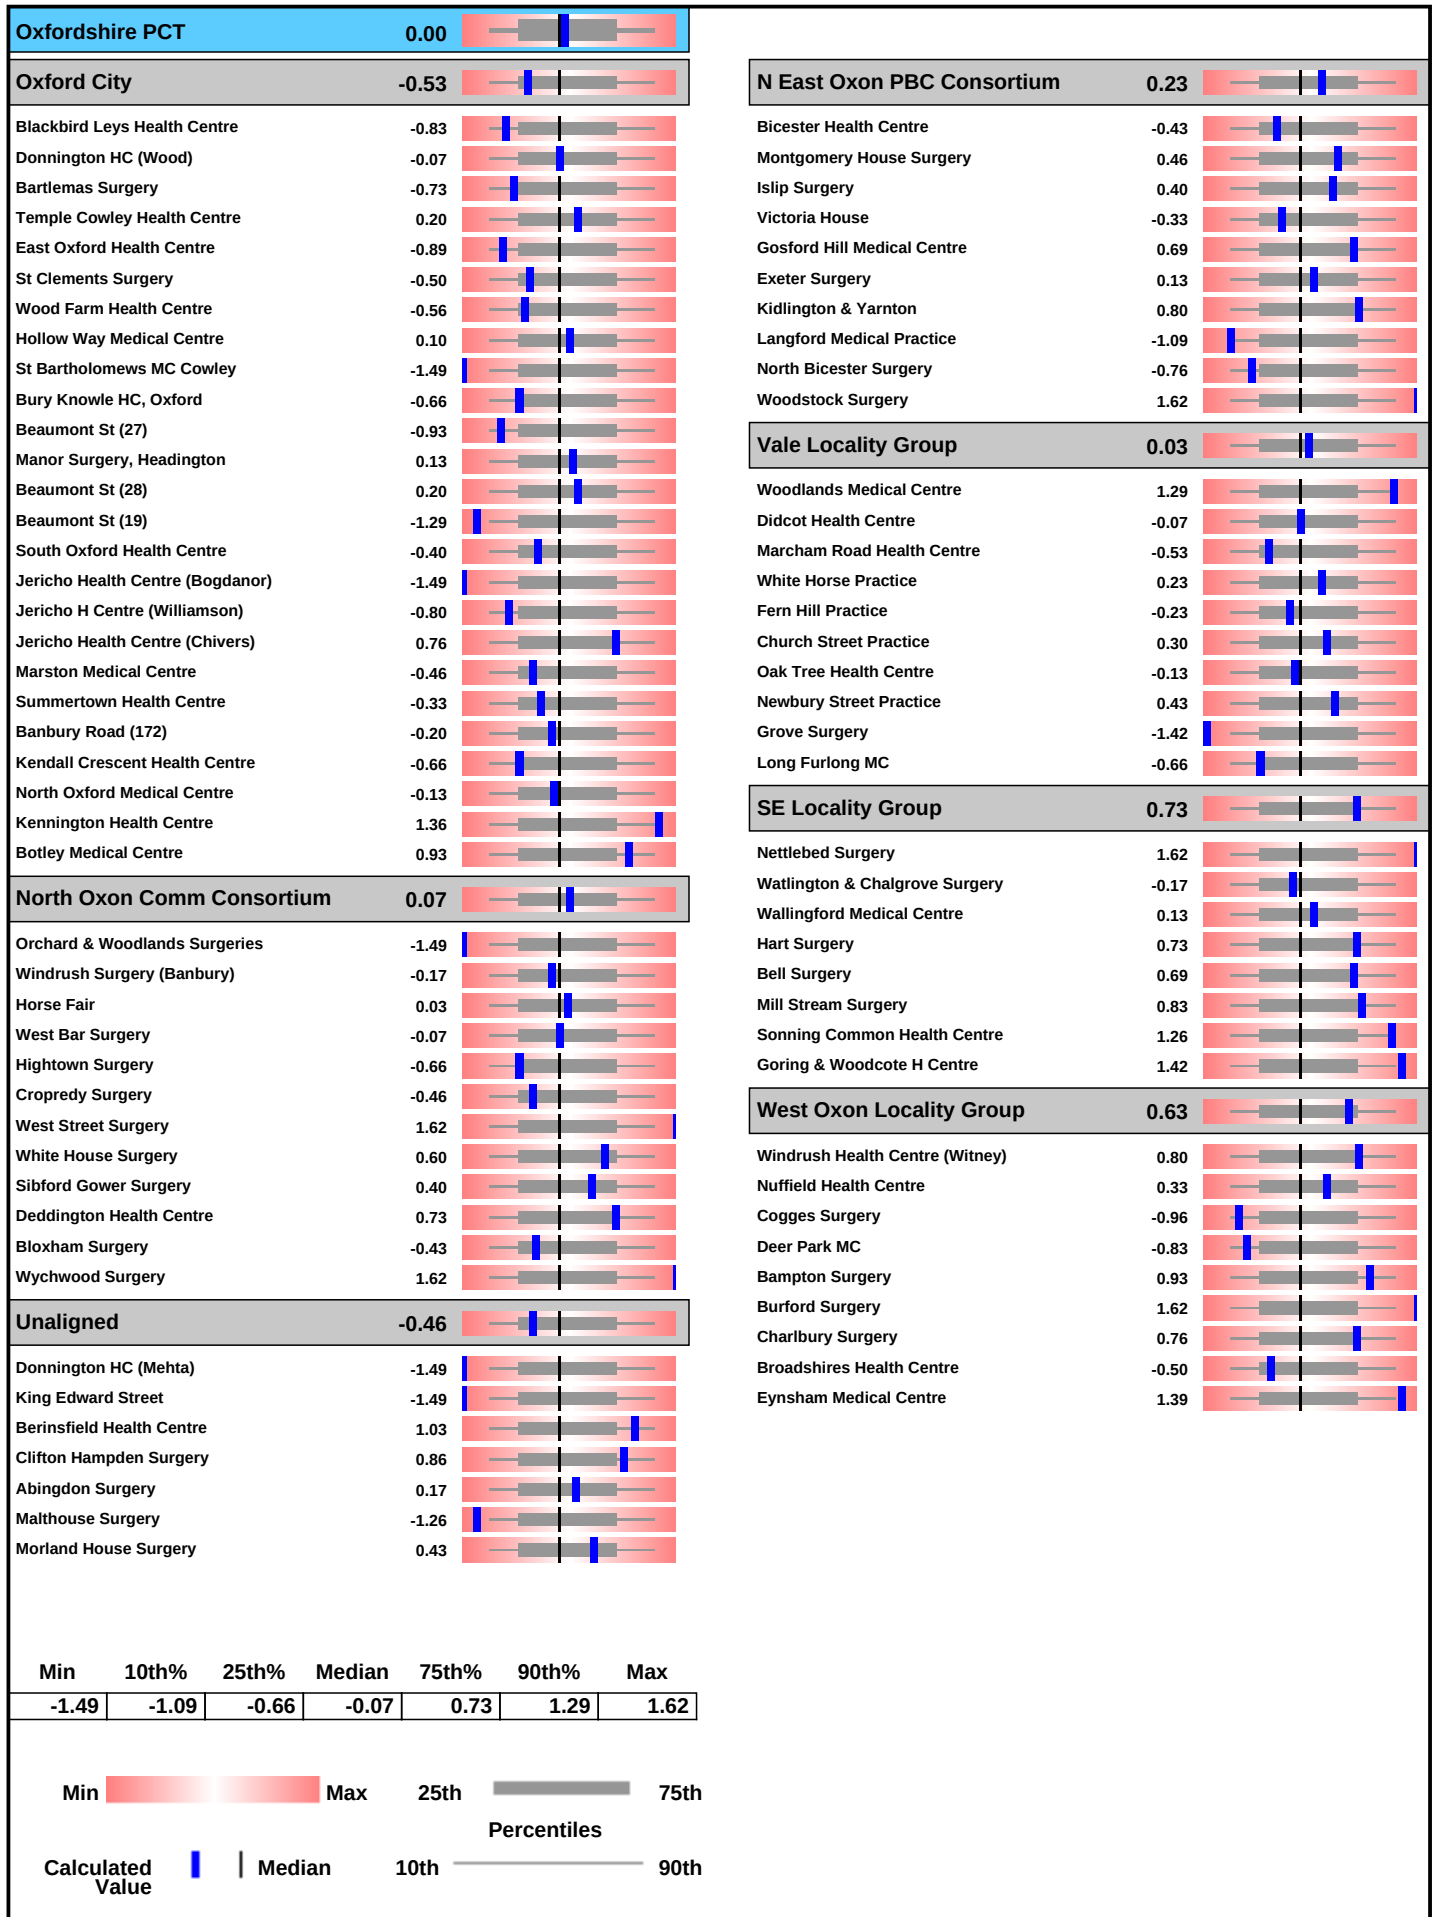

Cancer general - Mortality rate all cancers -for under 75s NATIONAL INDICATOR 122

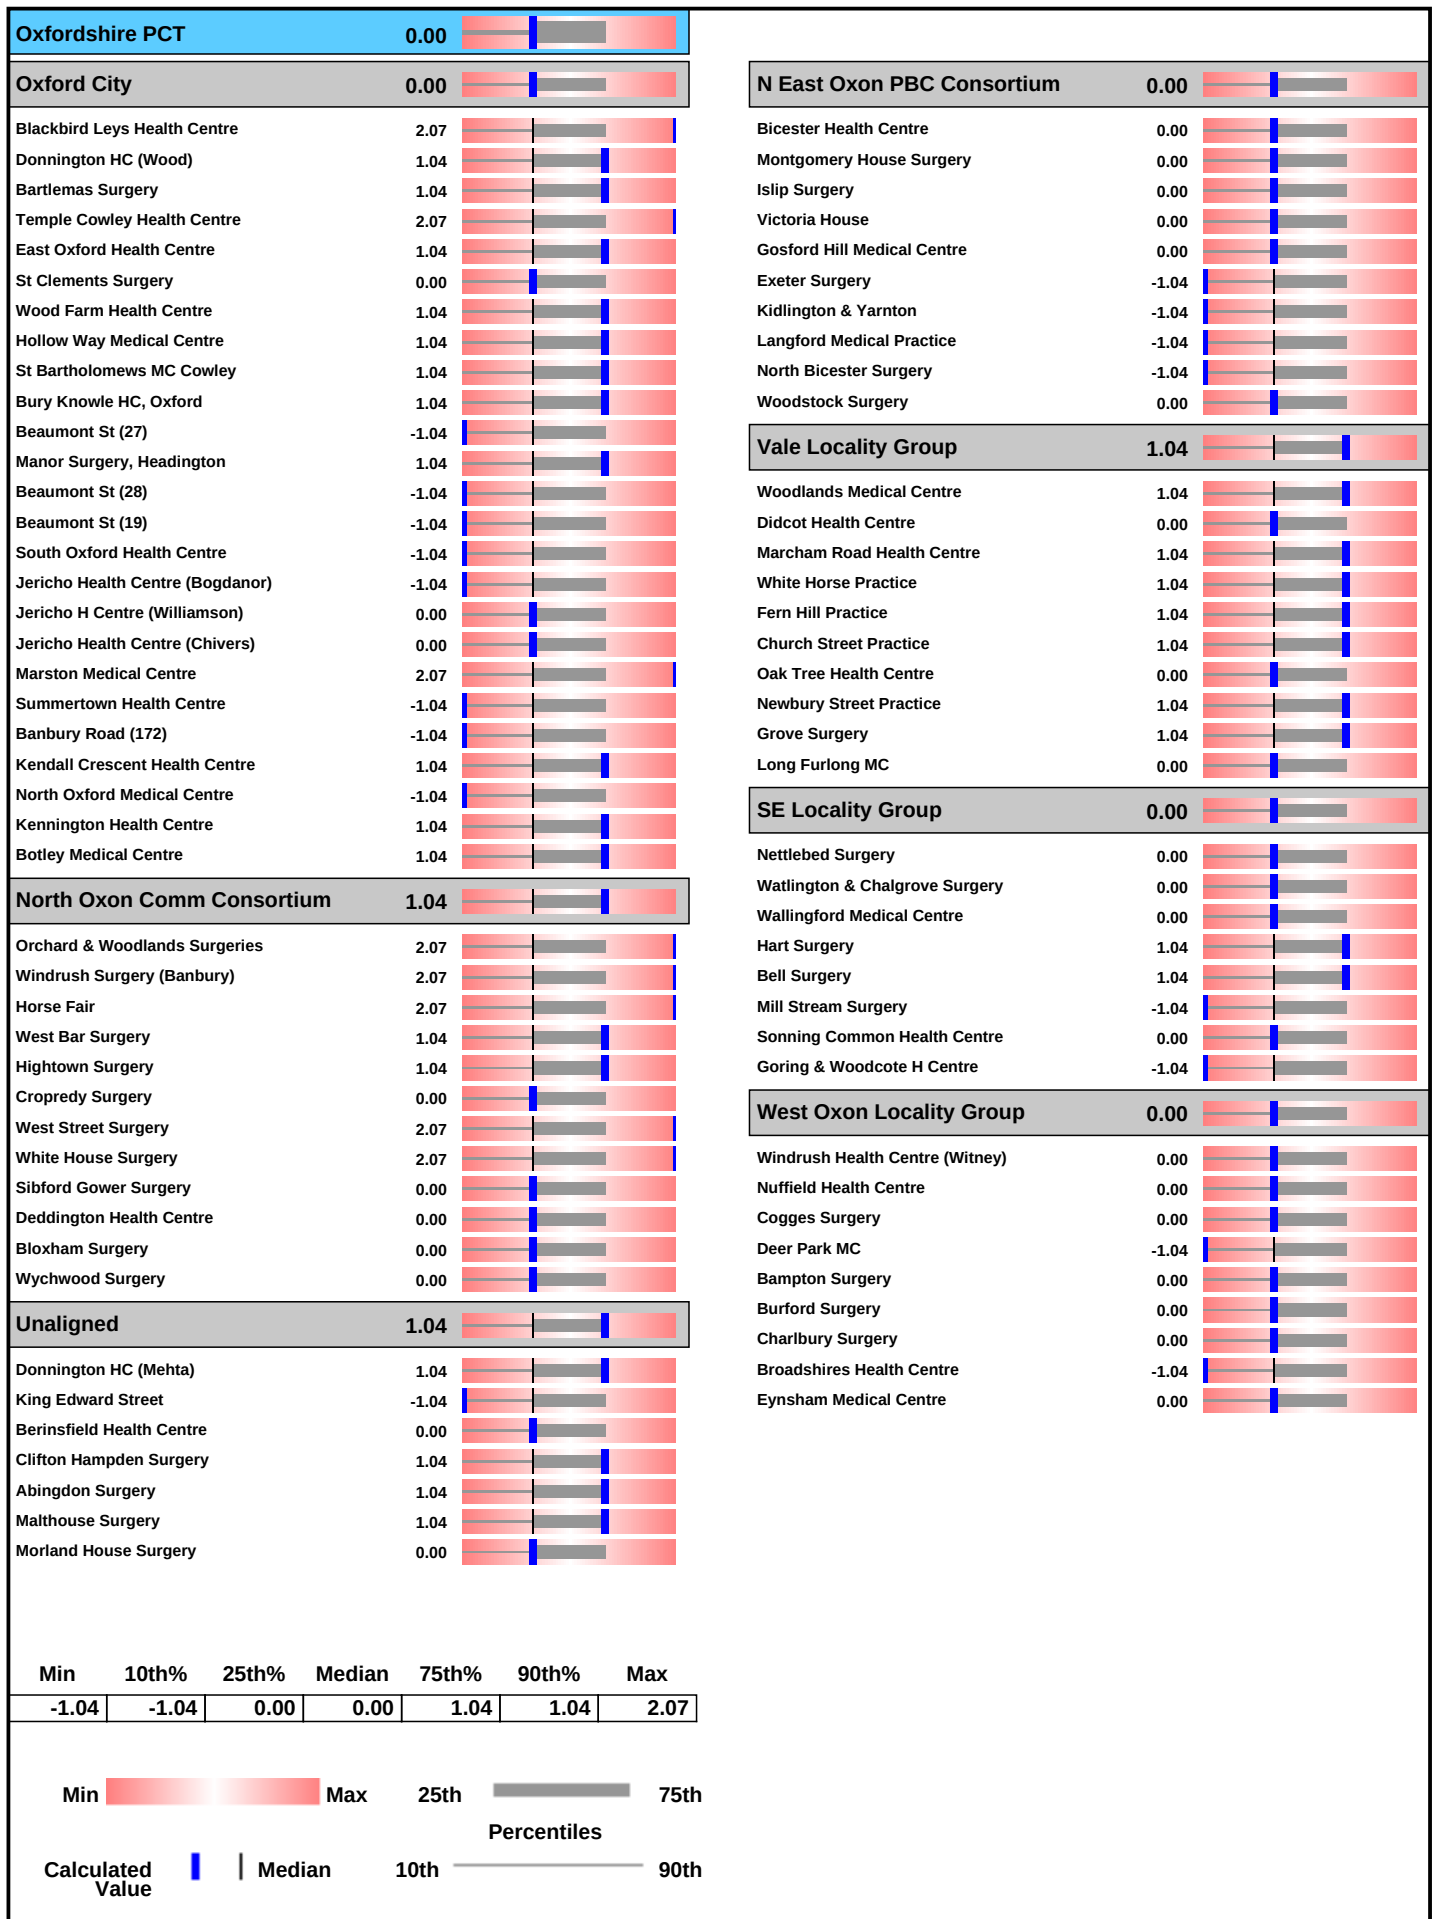

# Joint Strategic Needs Assessment [Burden]

Burden017

## Cancer registrations - Quality and Outcomes Framework QMAS data (cancer prevalence)

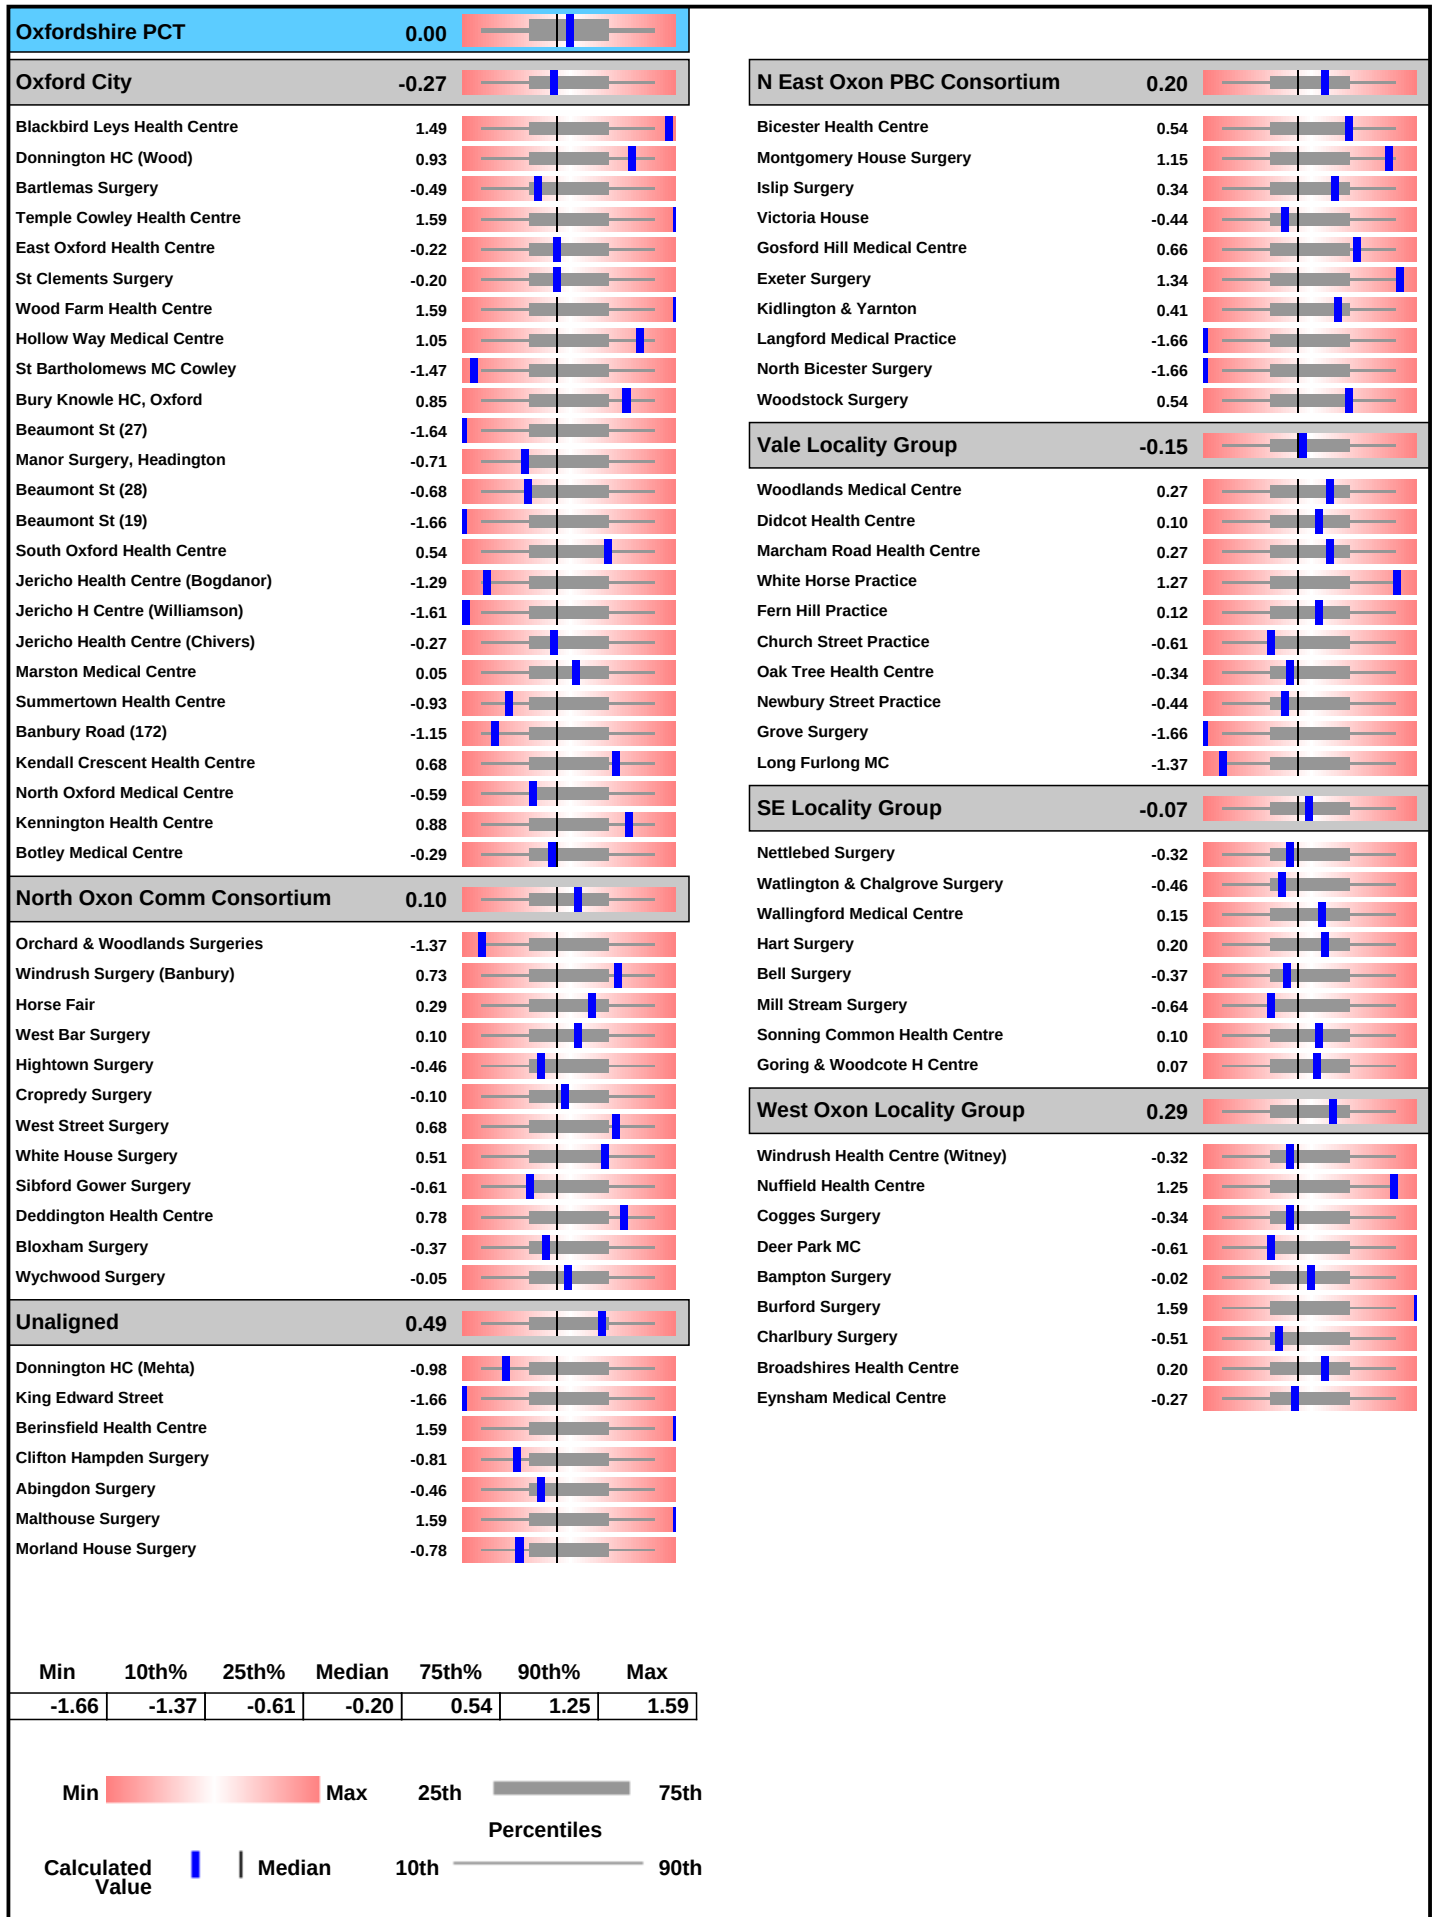

# Joint Strategic Needs Assessment [Burden]

Burden019.1

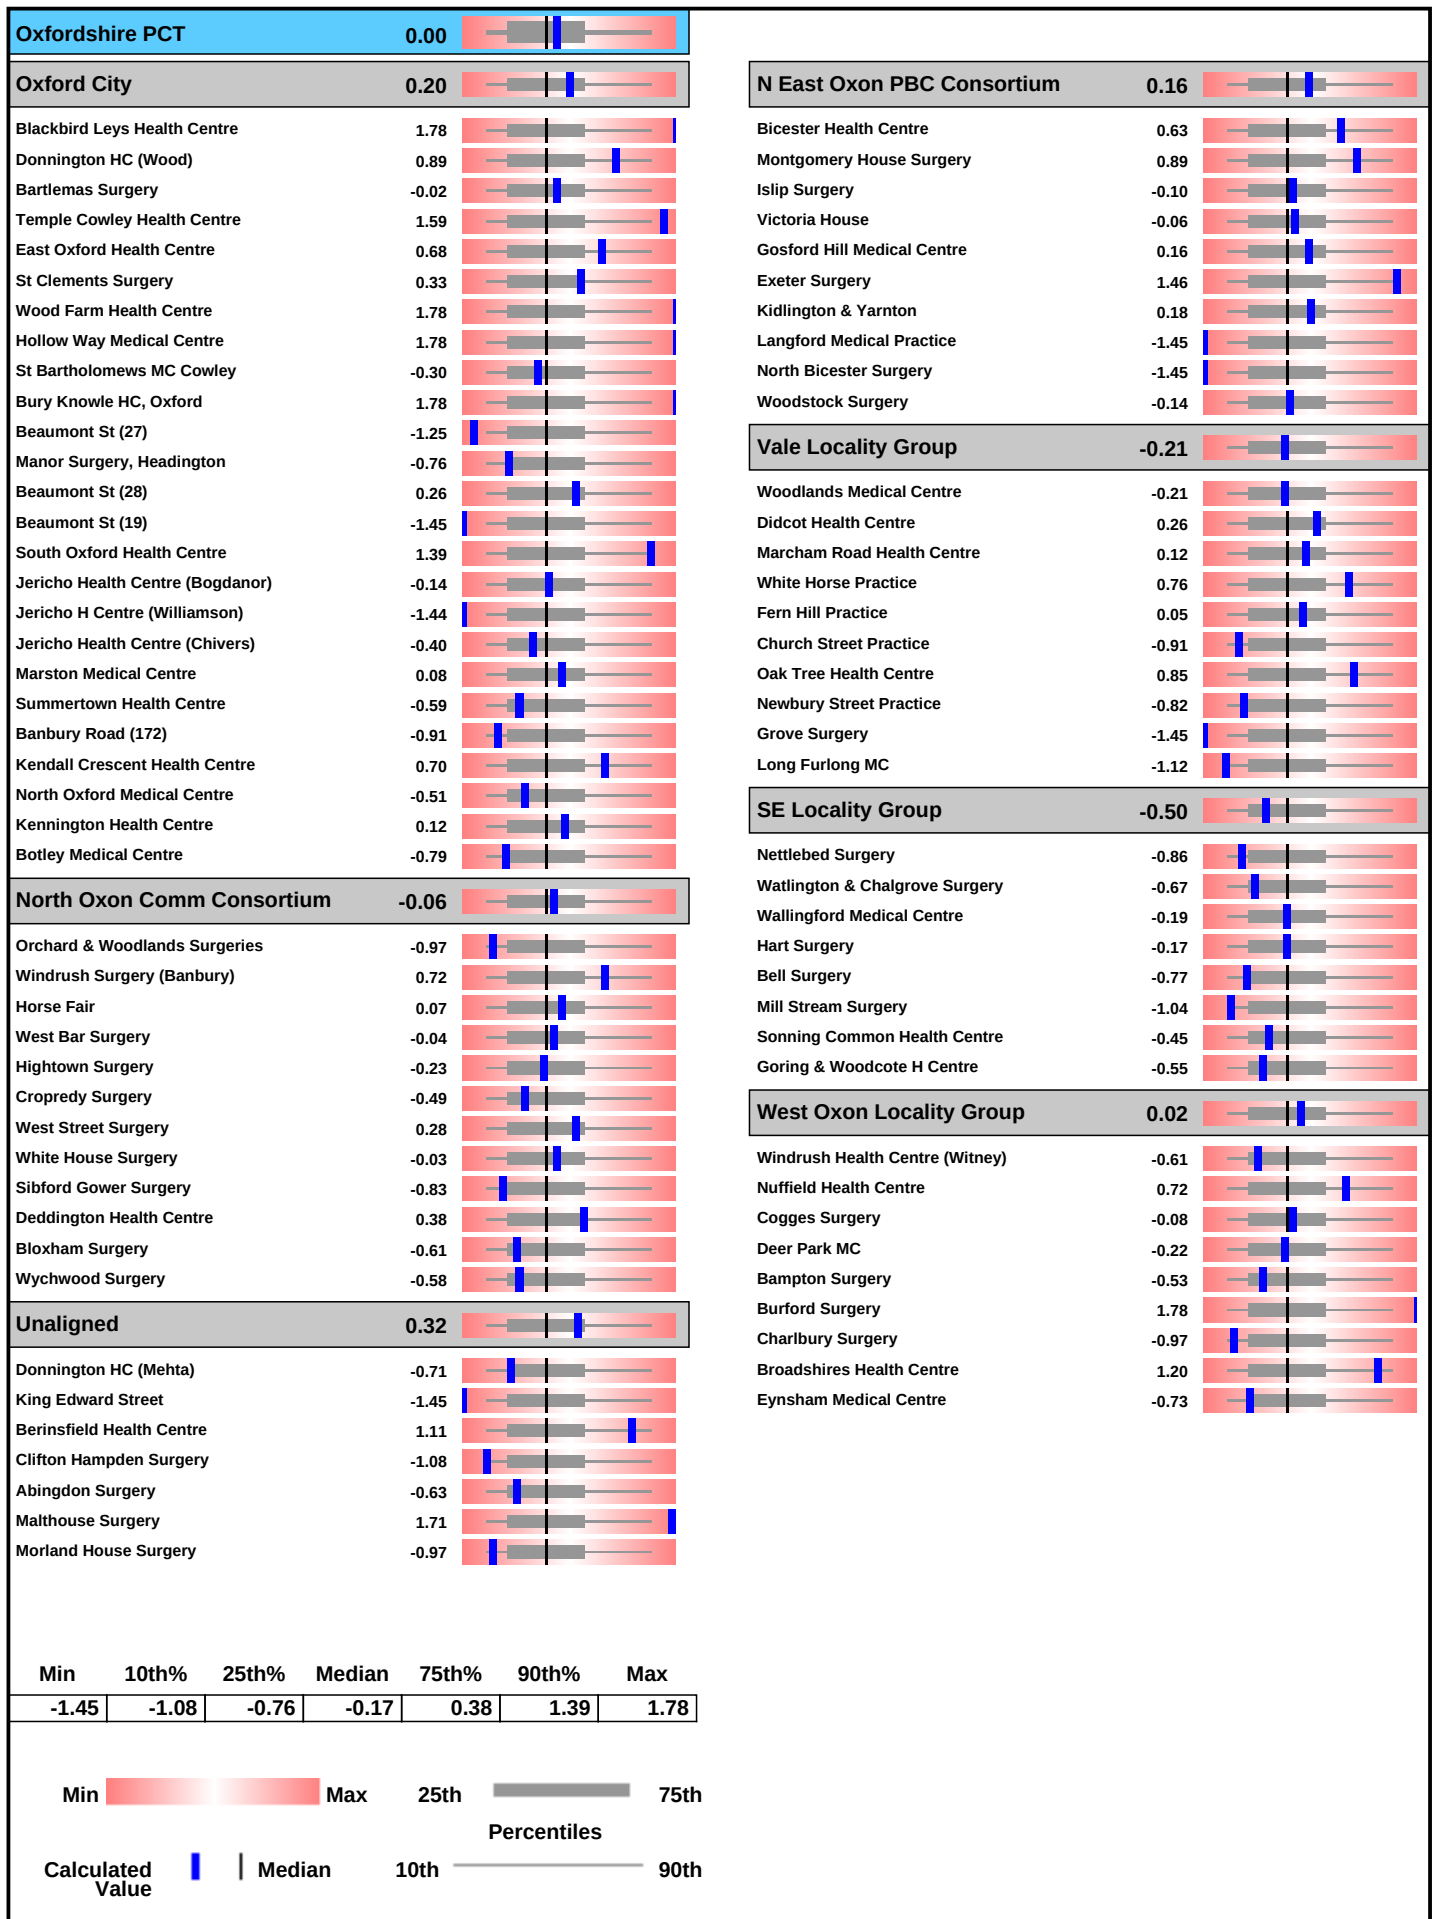

## Infectious respiratory - Quality and Outcomes Framework QMAS data (COPD prevalence)

# Joint Strategic Needs Assessment [Burden]

Burden019.2

## Infectious respiratory - Predicted versus known prevalence (COPD prevalence)

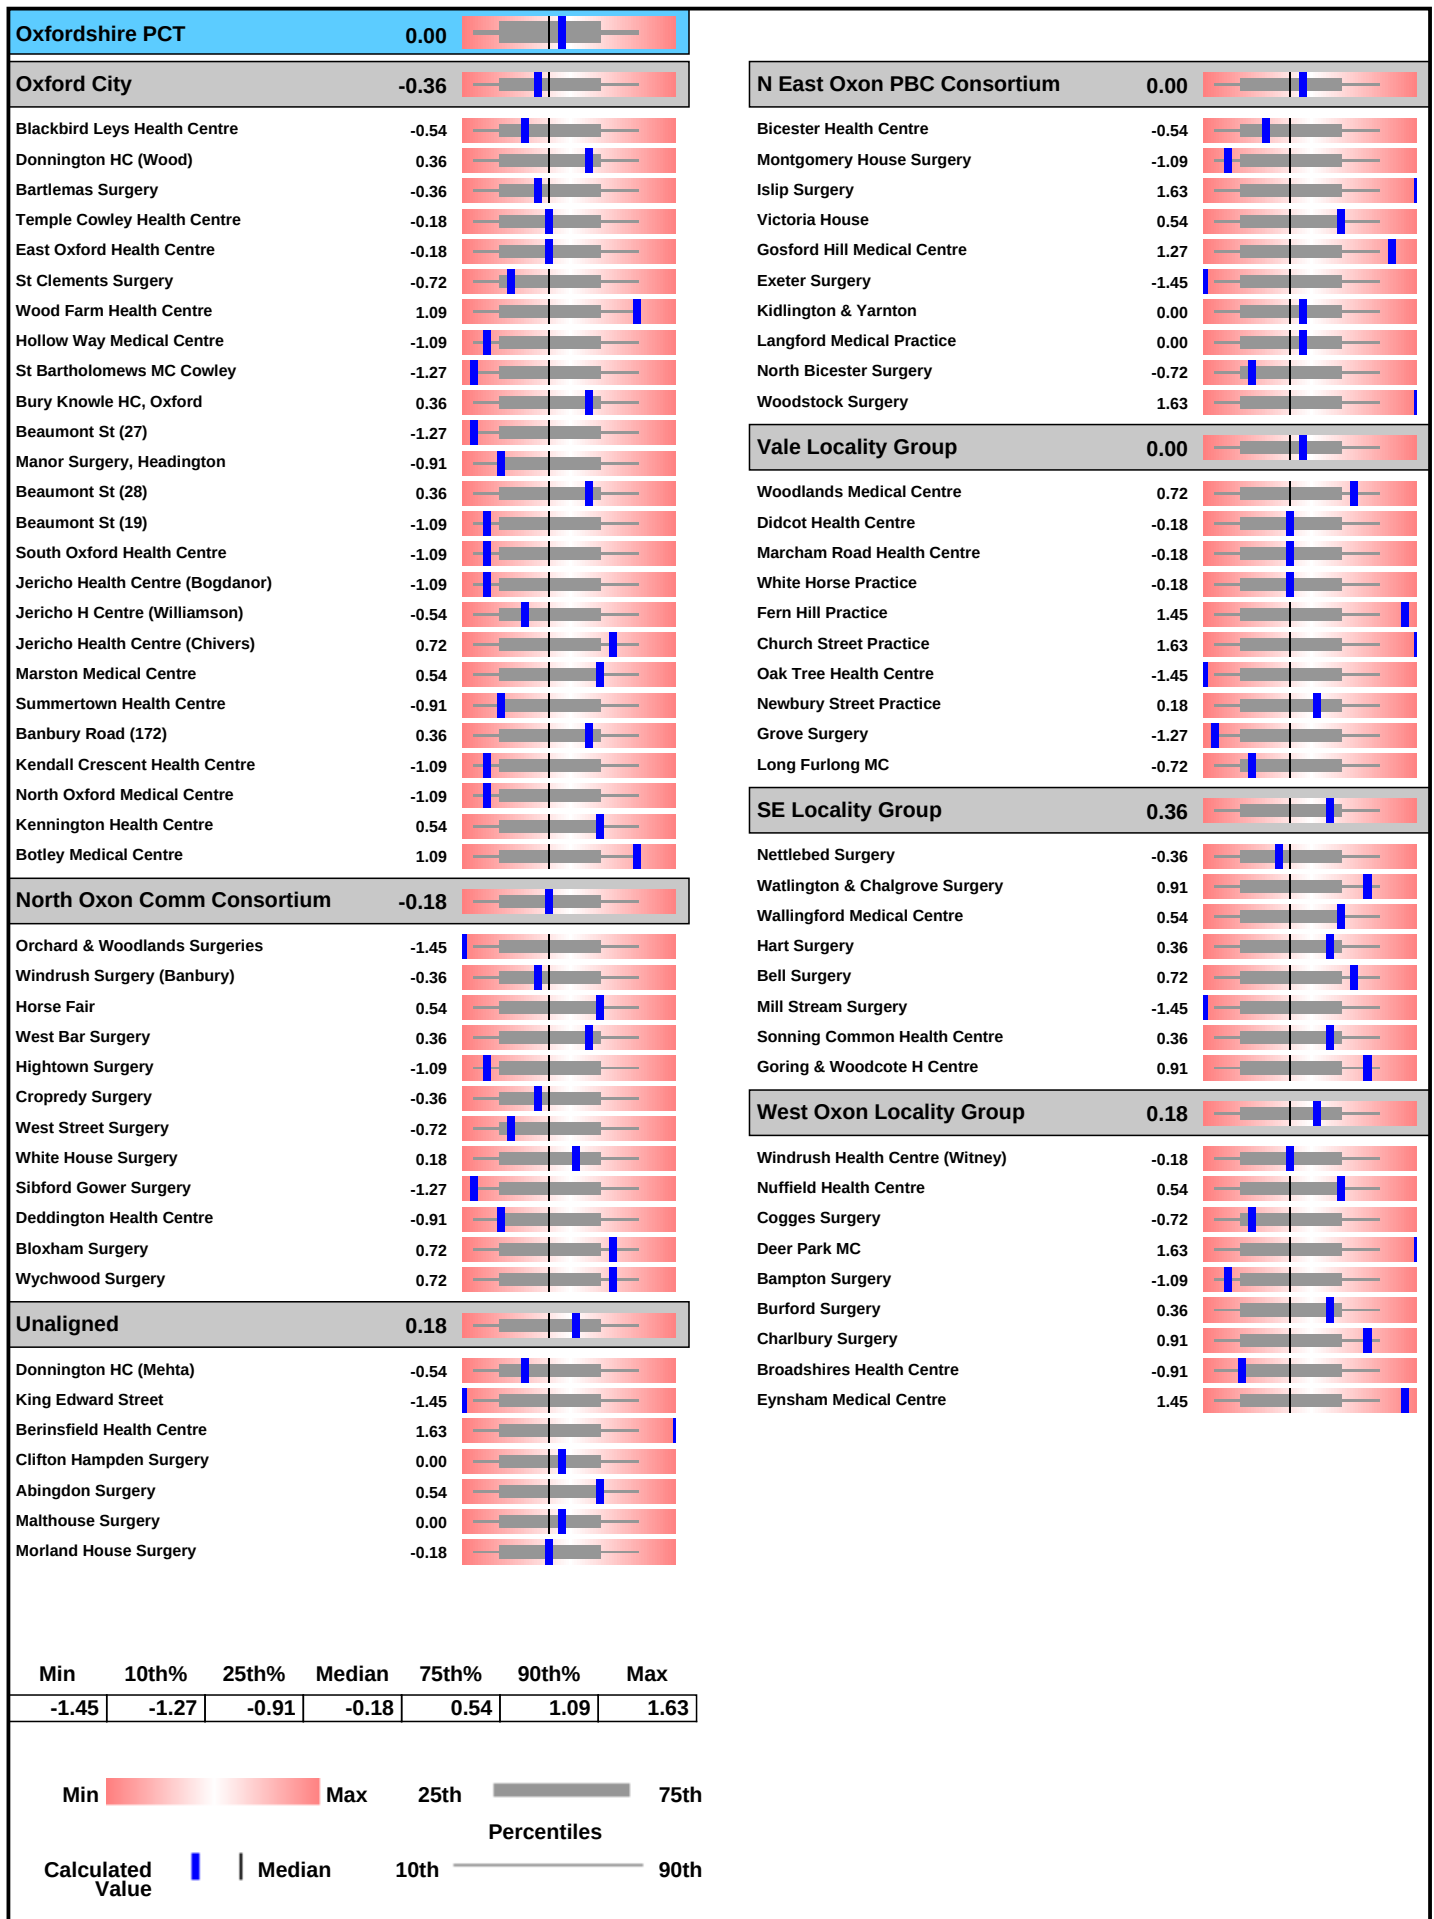

# Joint Strategic Needs Assessment [Burden]

Burden027

Trauma falls - hospital admissions for fractured neck of femur (proxy for incidence)

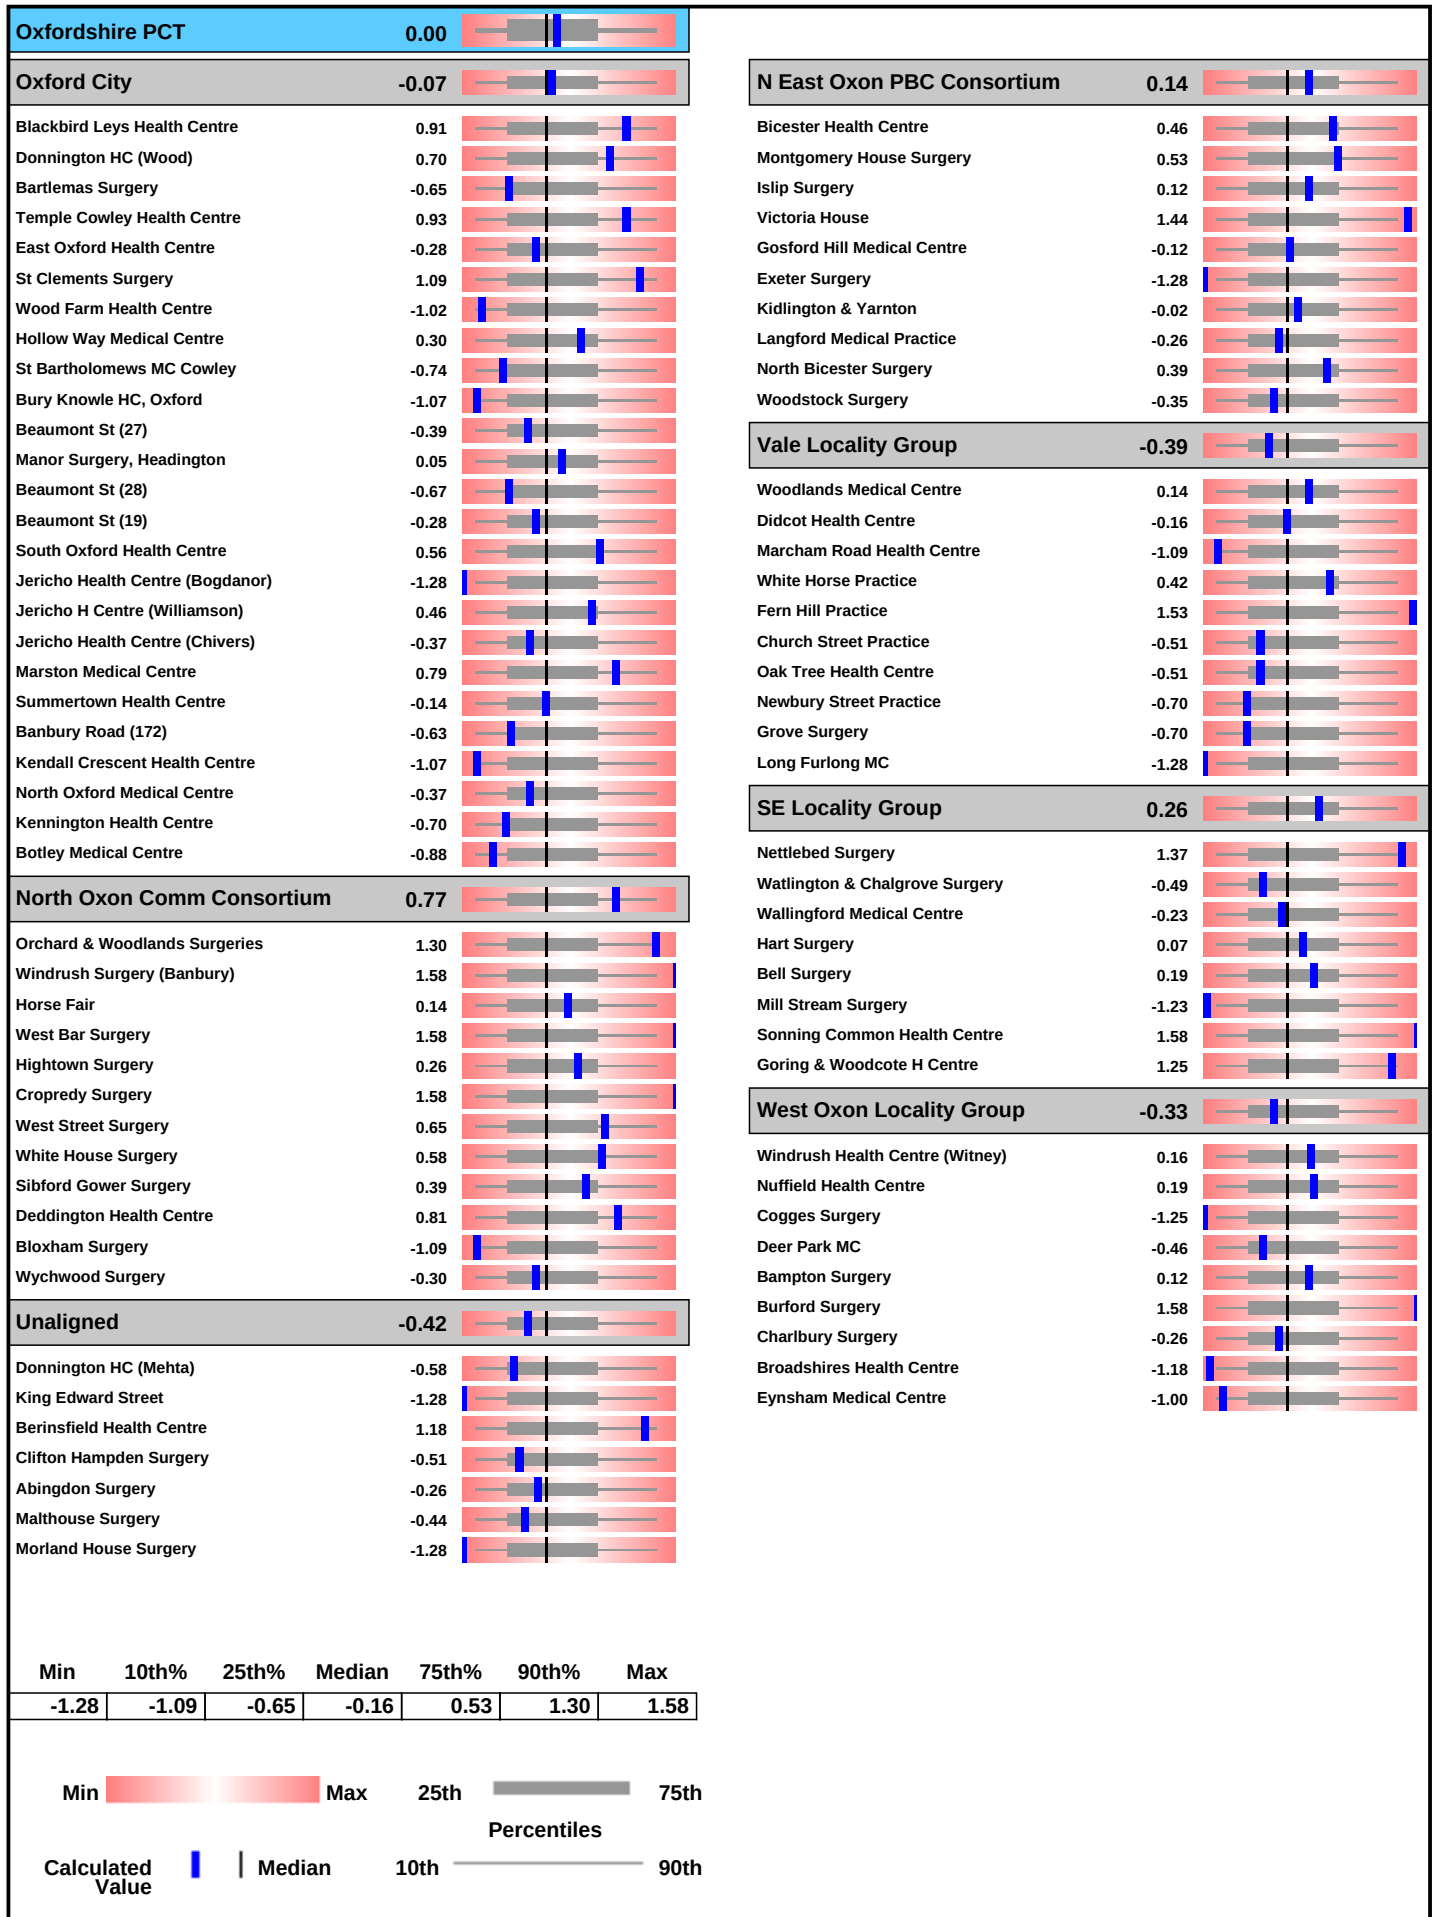

OPTIONAL

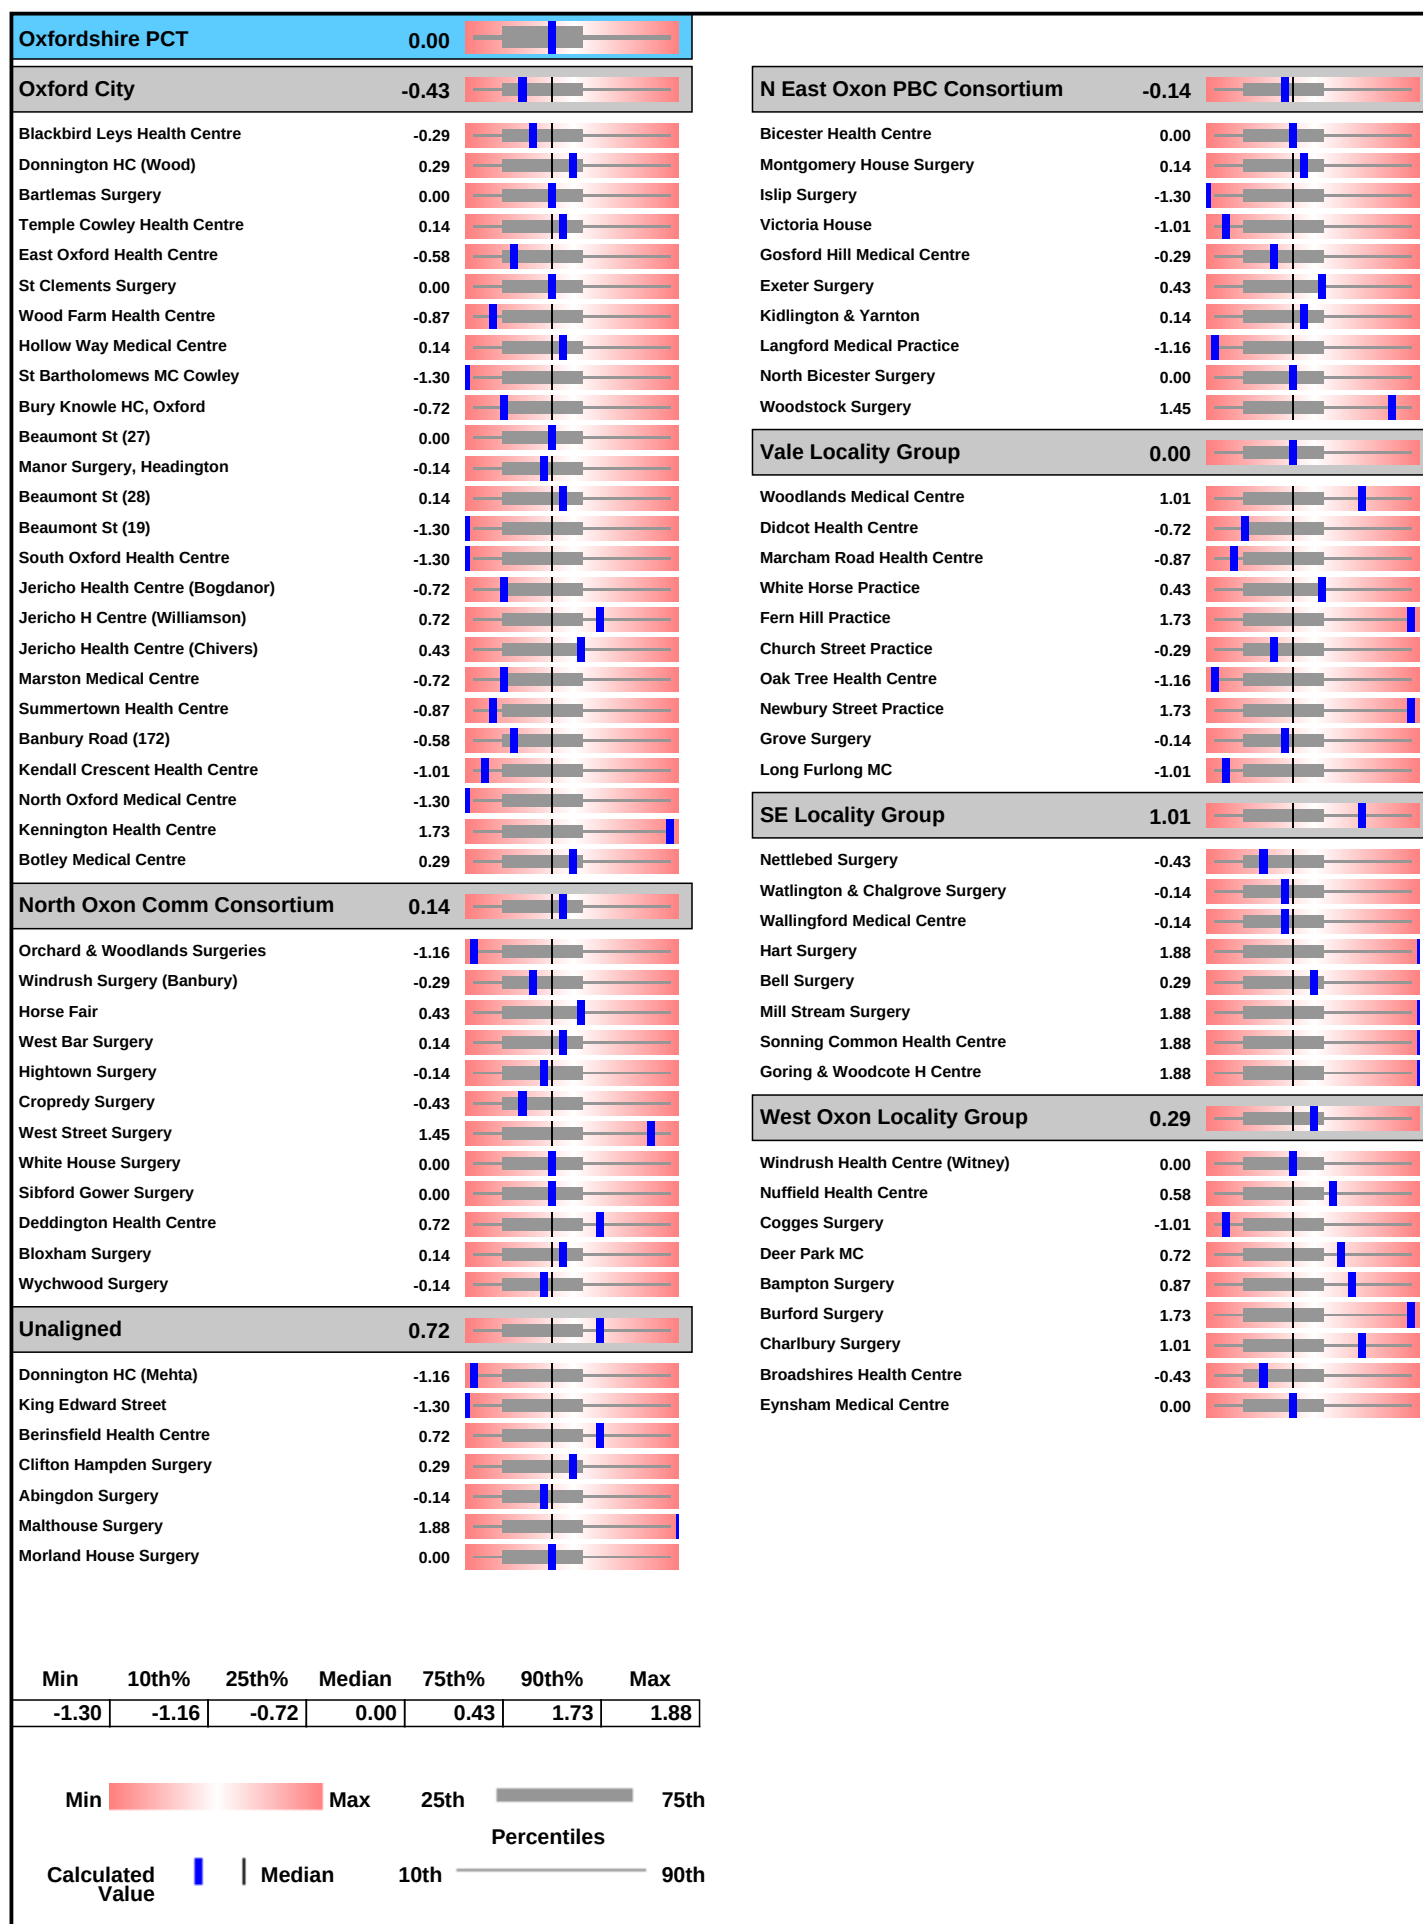

# Joint Strategic Needs Assessment [Burden]

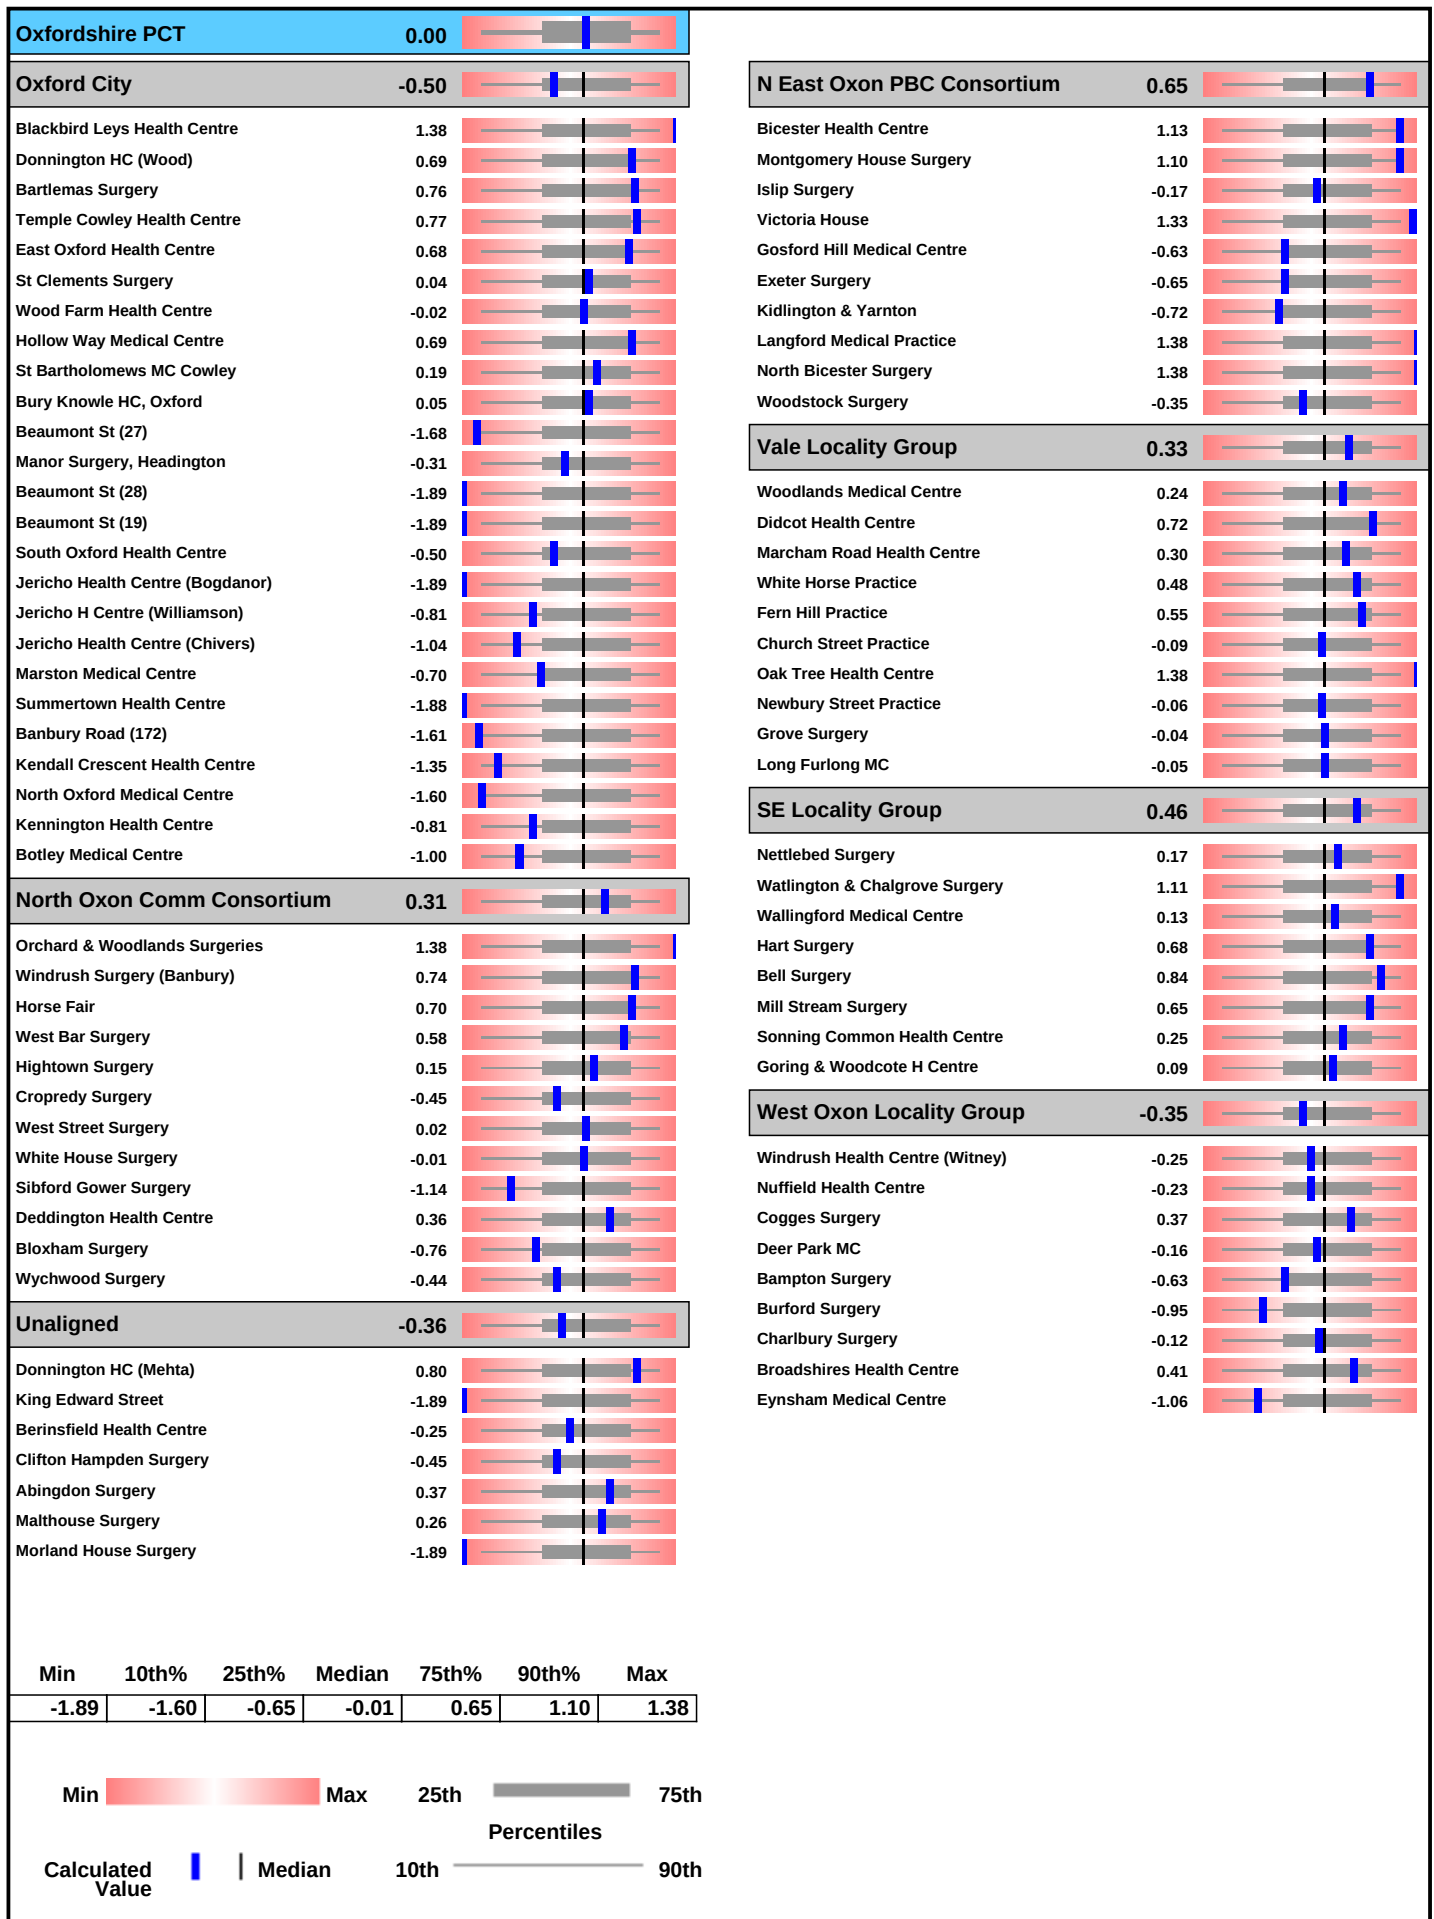

Burden030

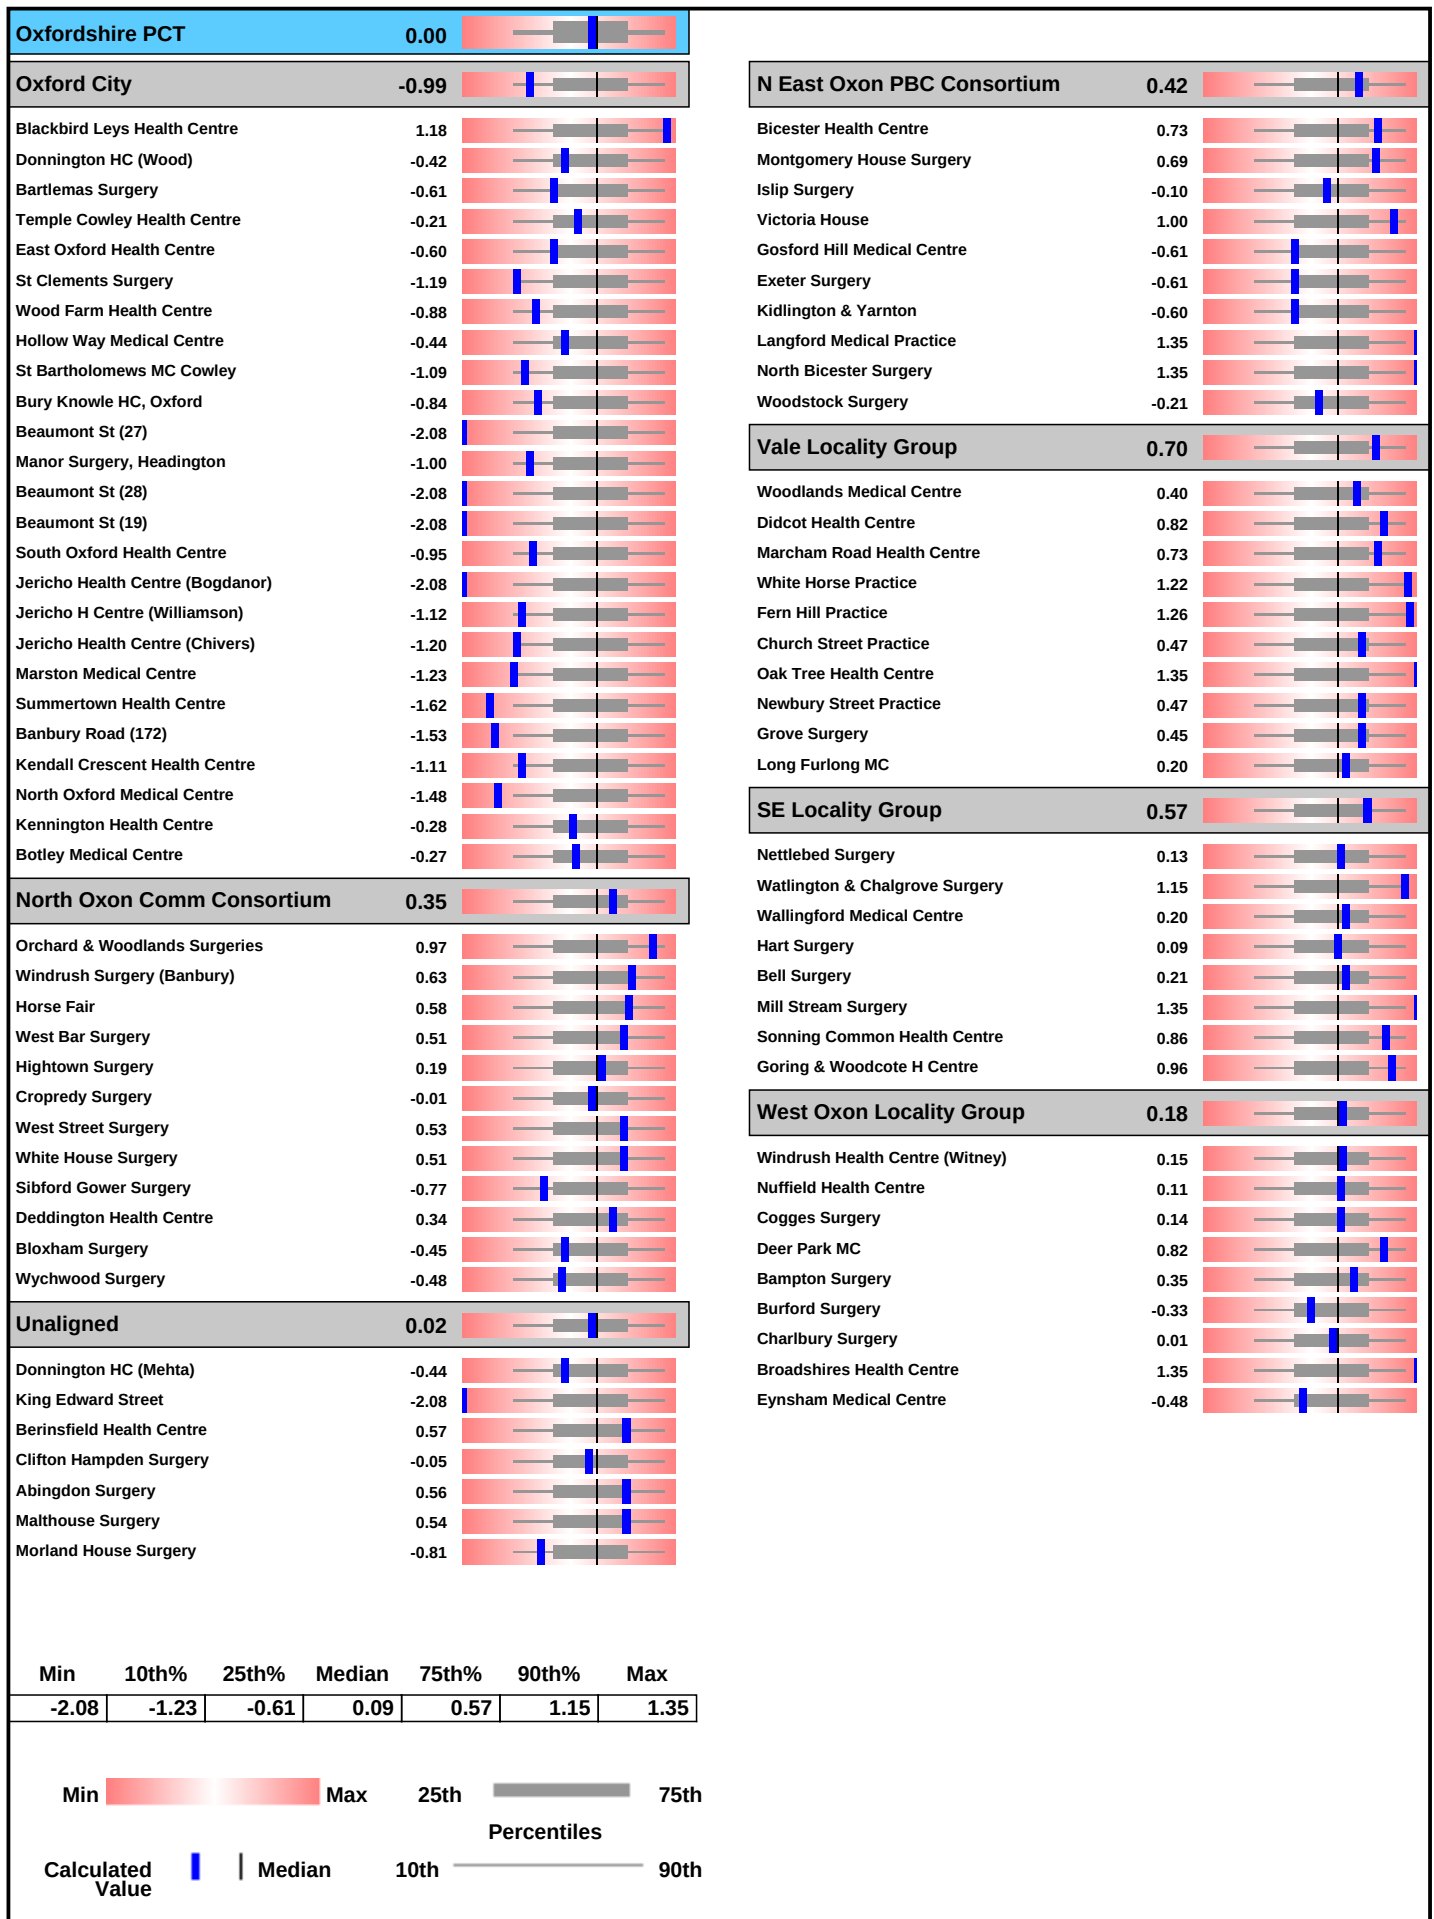

Hospital admissions -unintentional and deliberate injuries to young people per 10,000 population NATIONAL INDICATOR 70

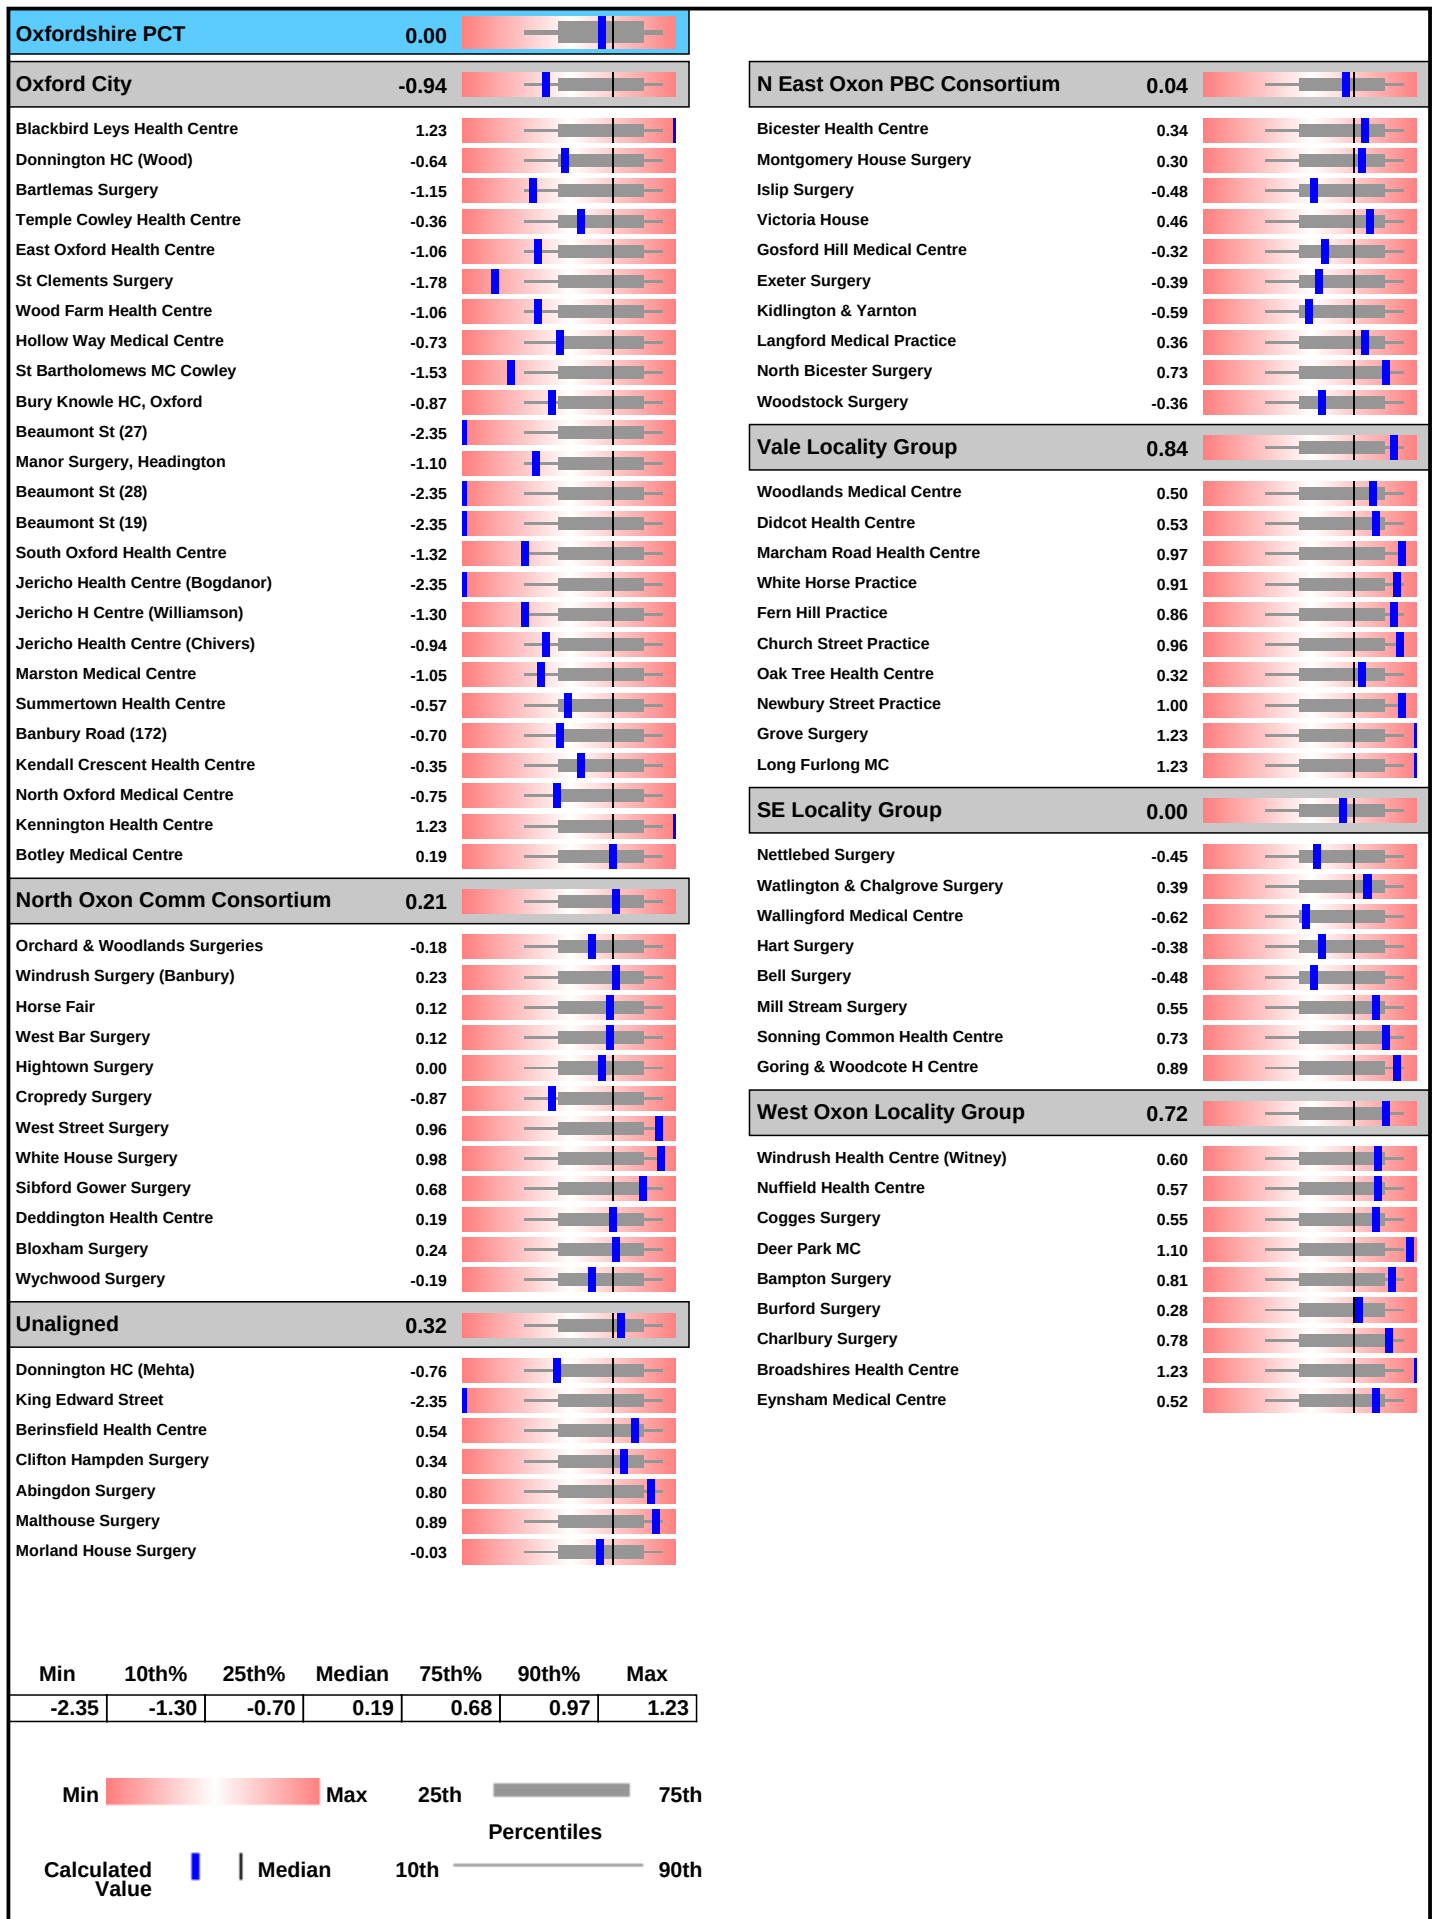

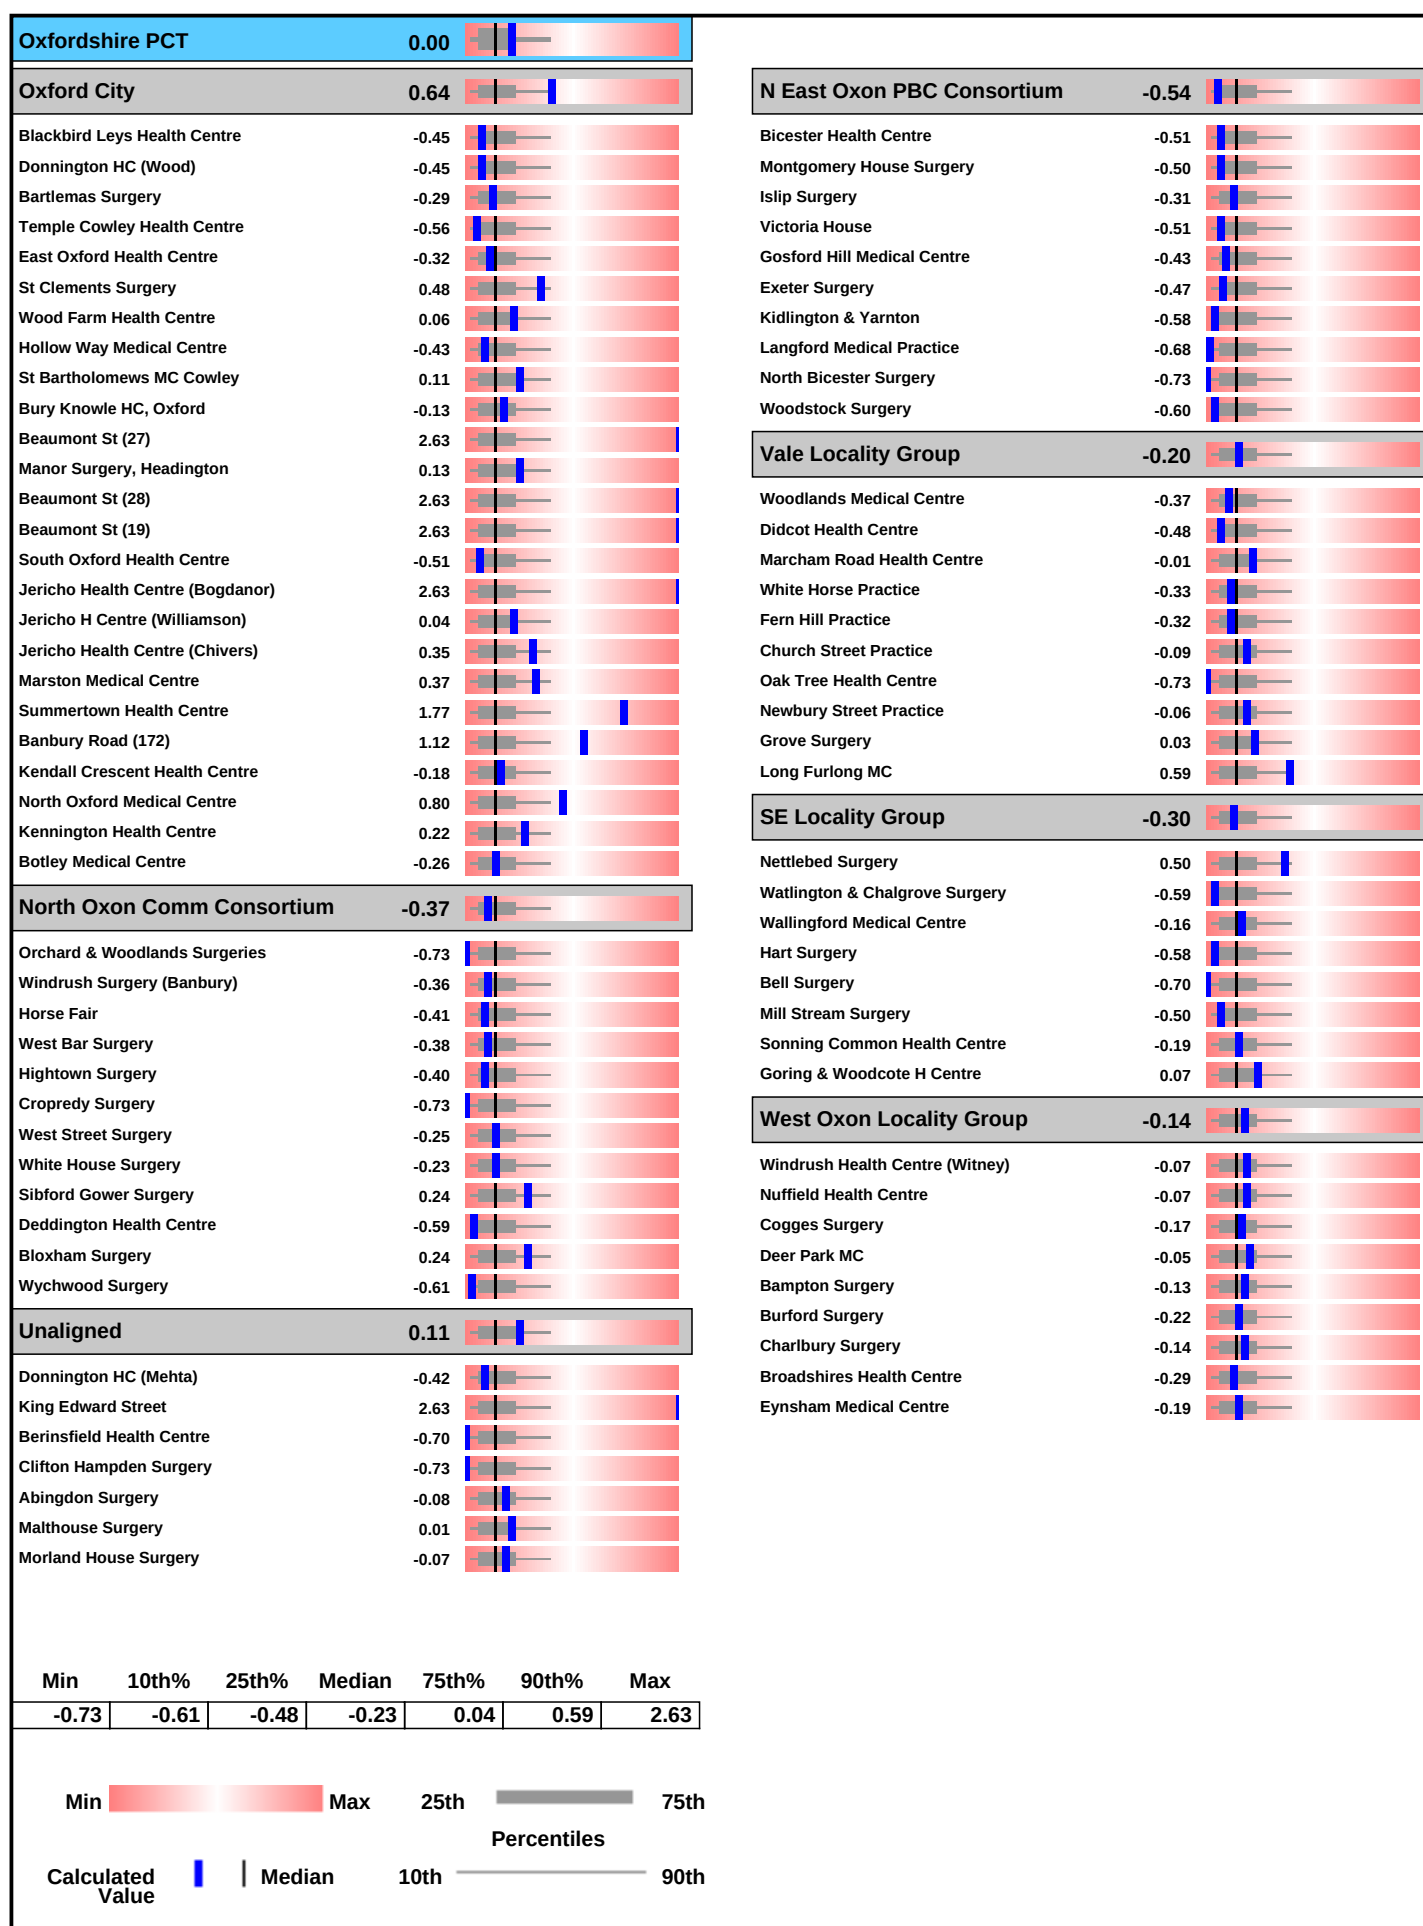

## Musculoskeletal - arthritis - admissions for hip and knee replacement OPTIONAL

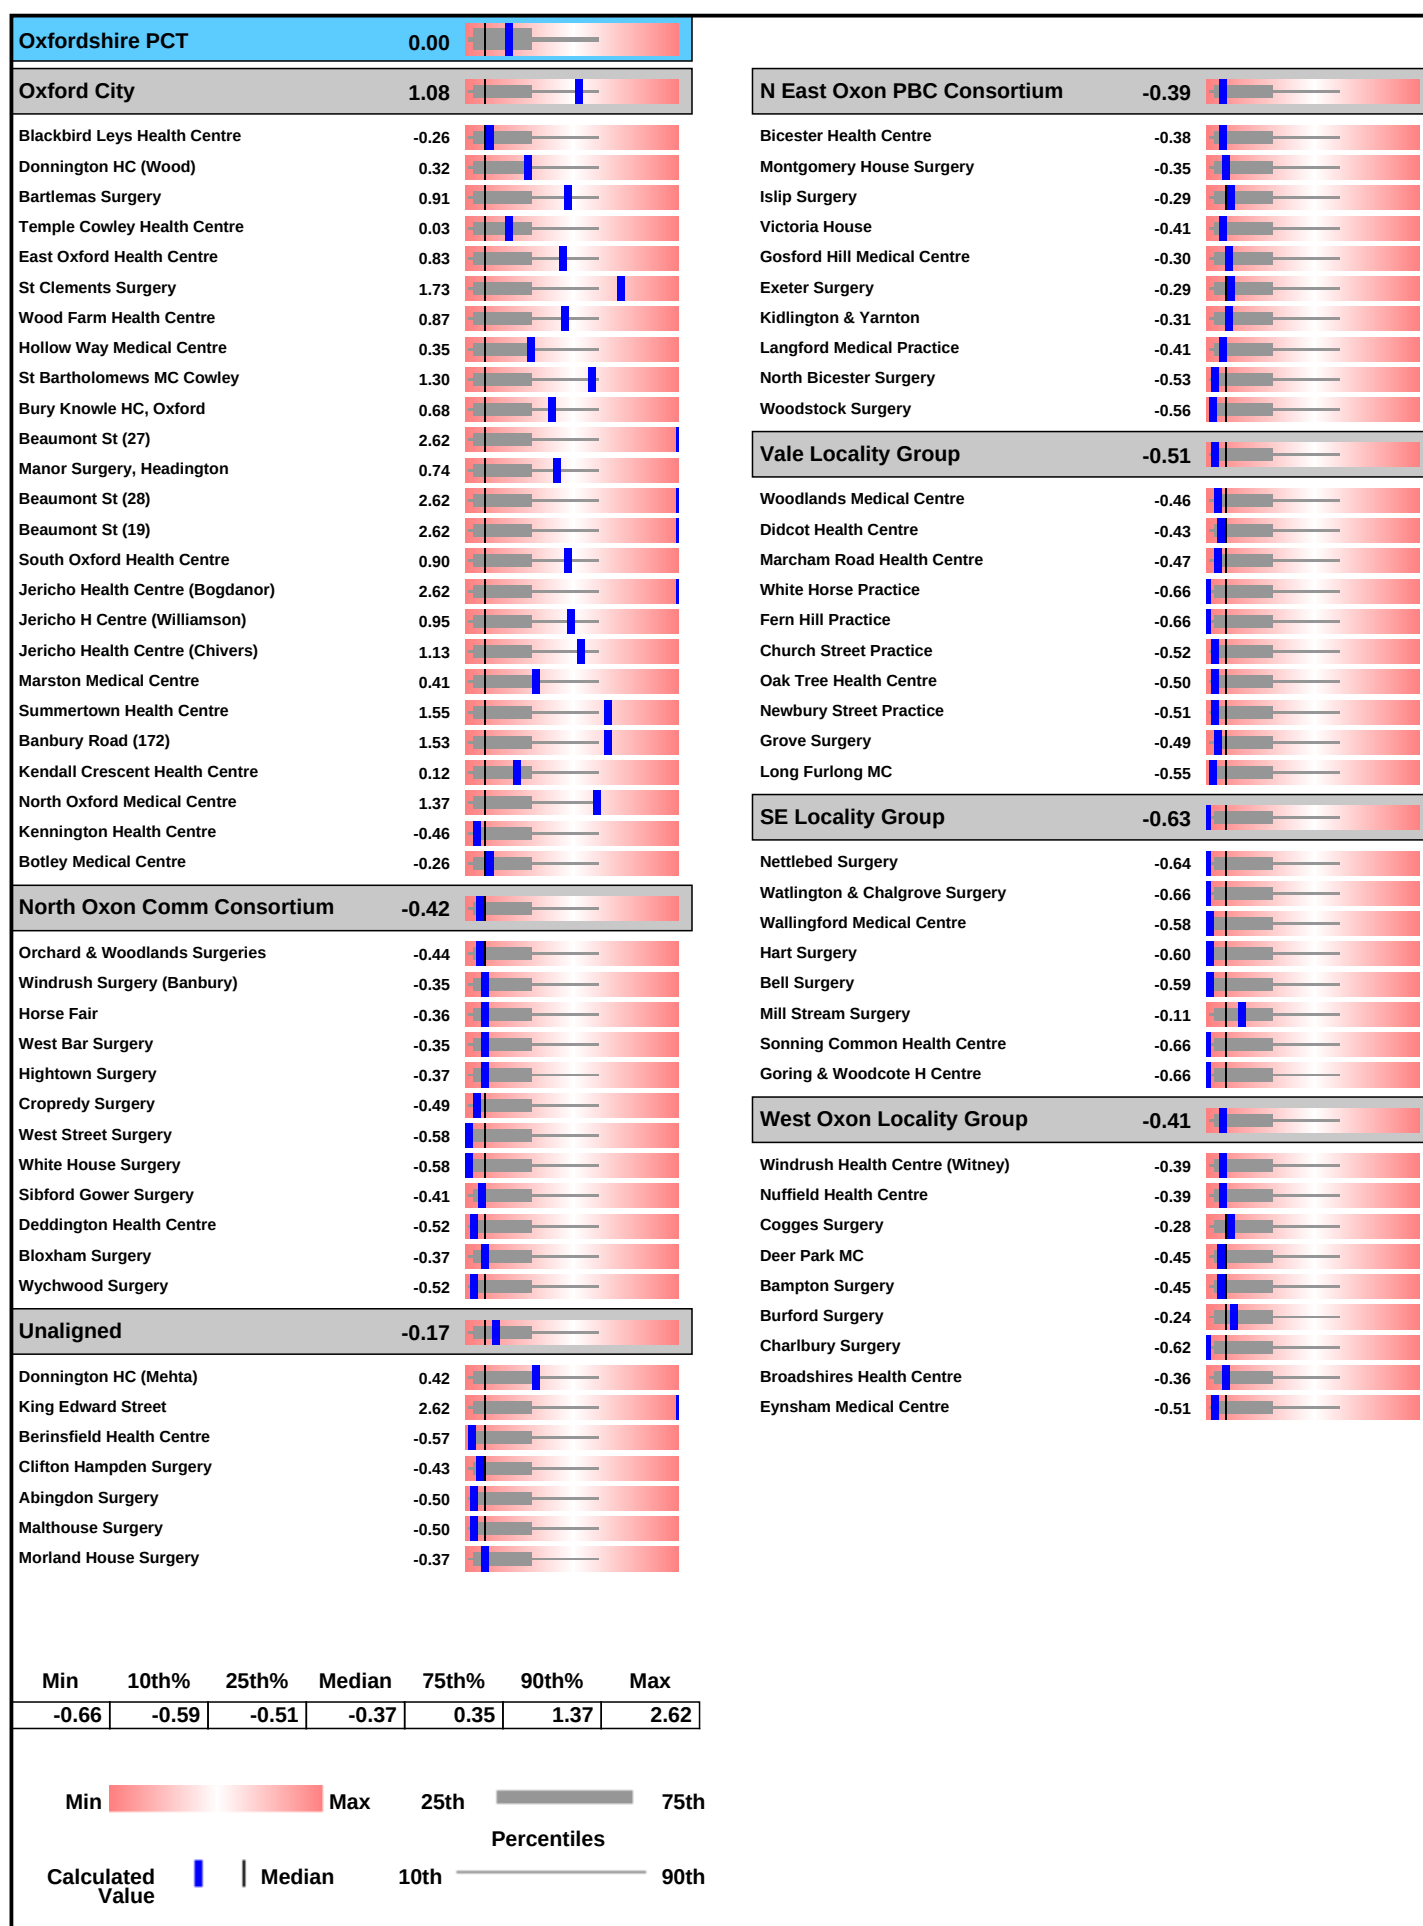

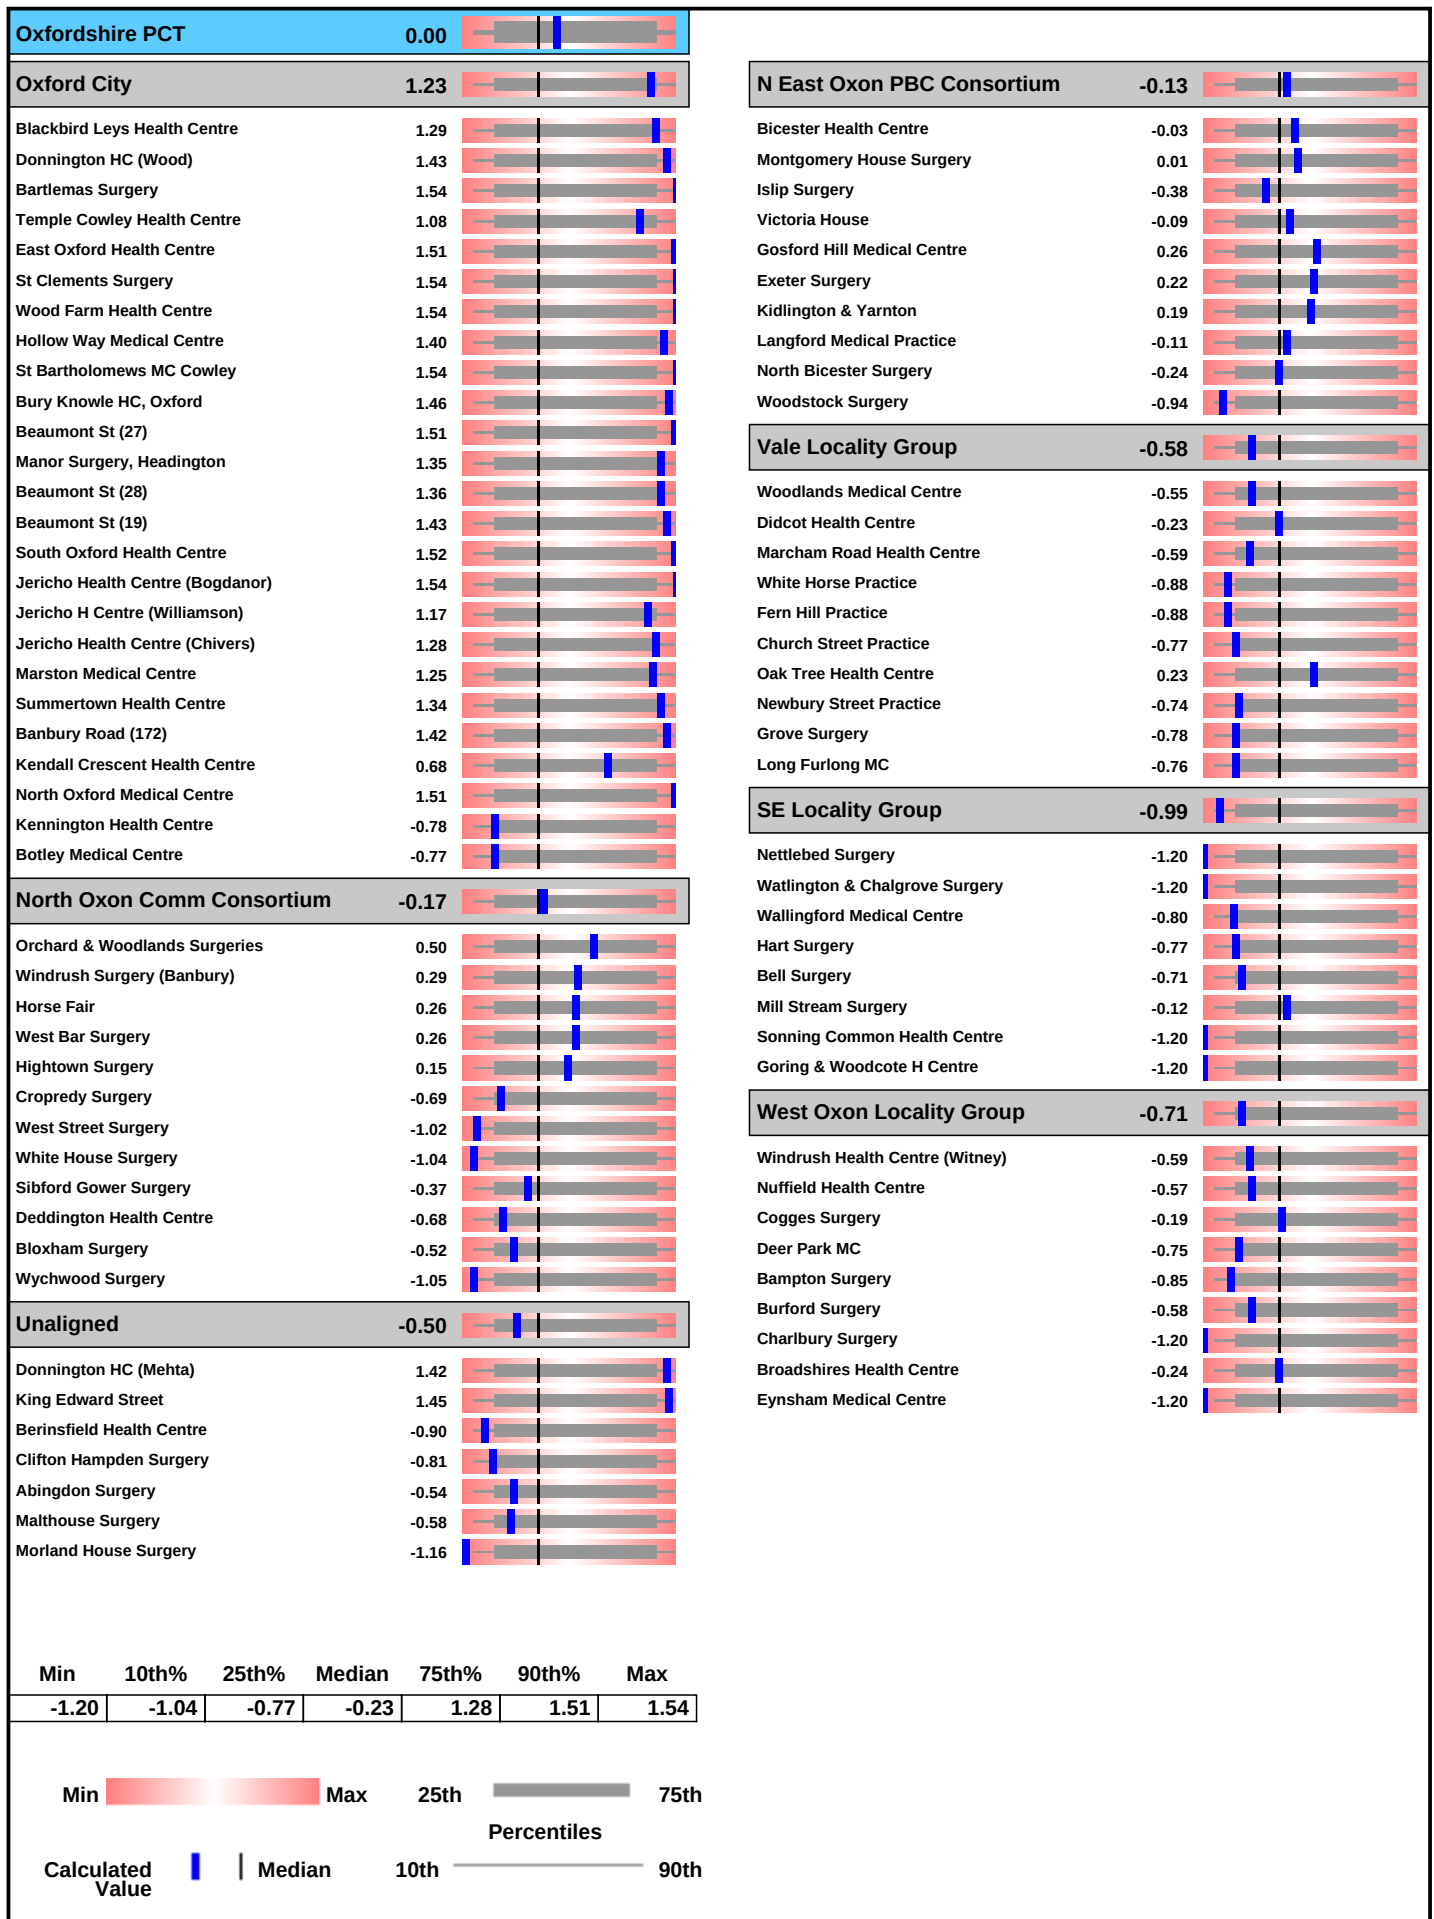

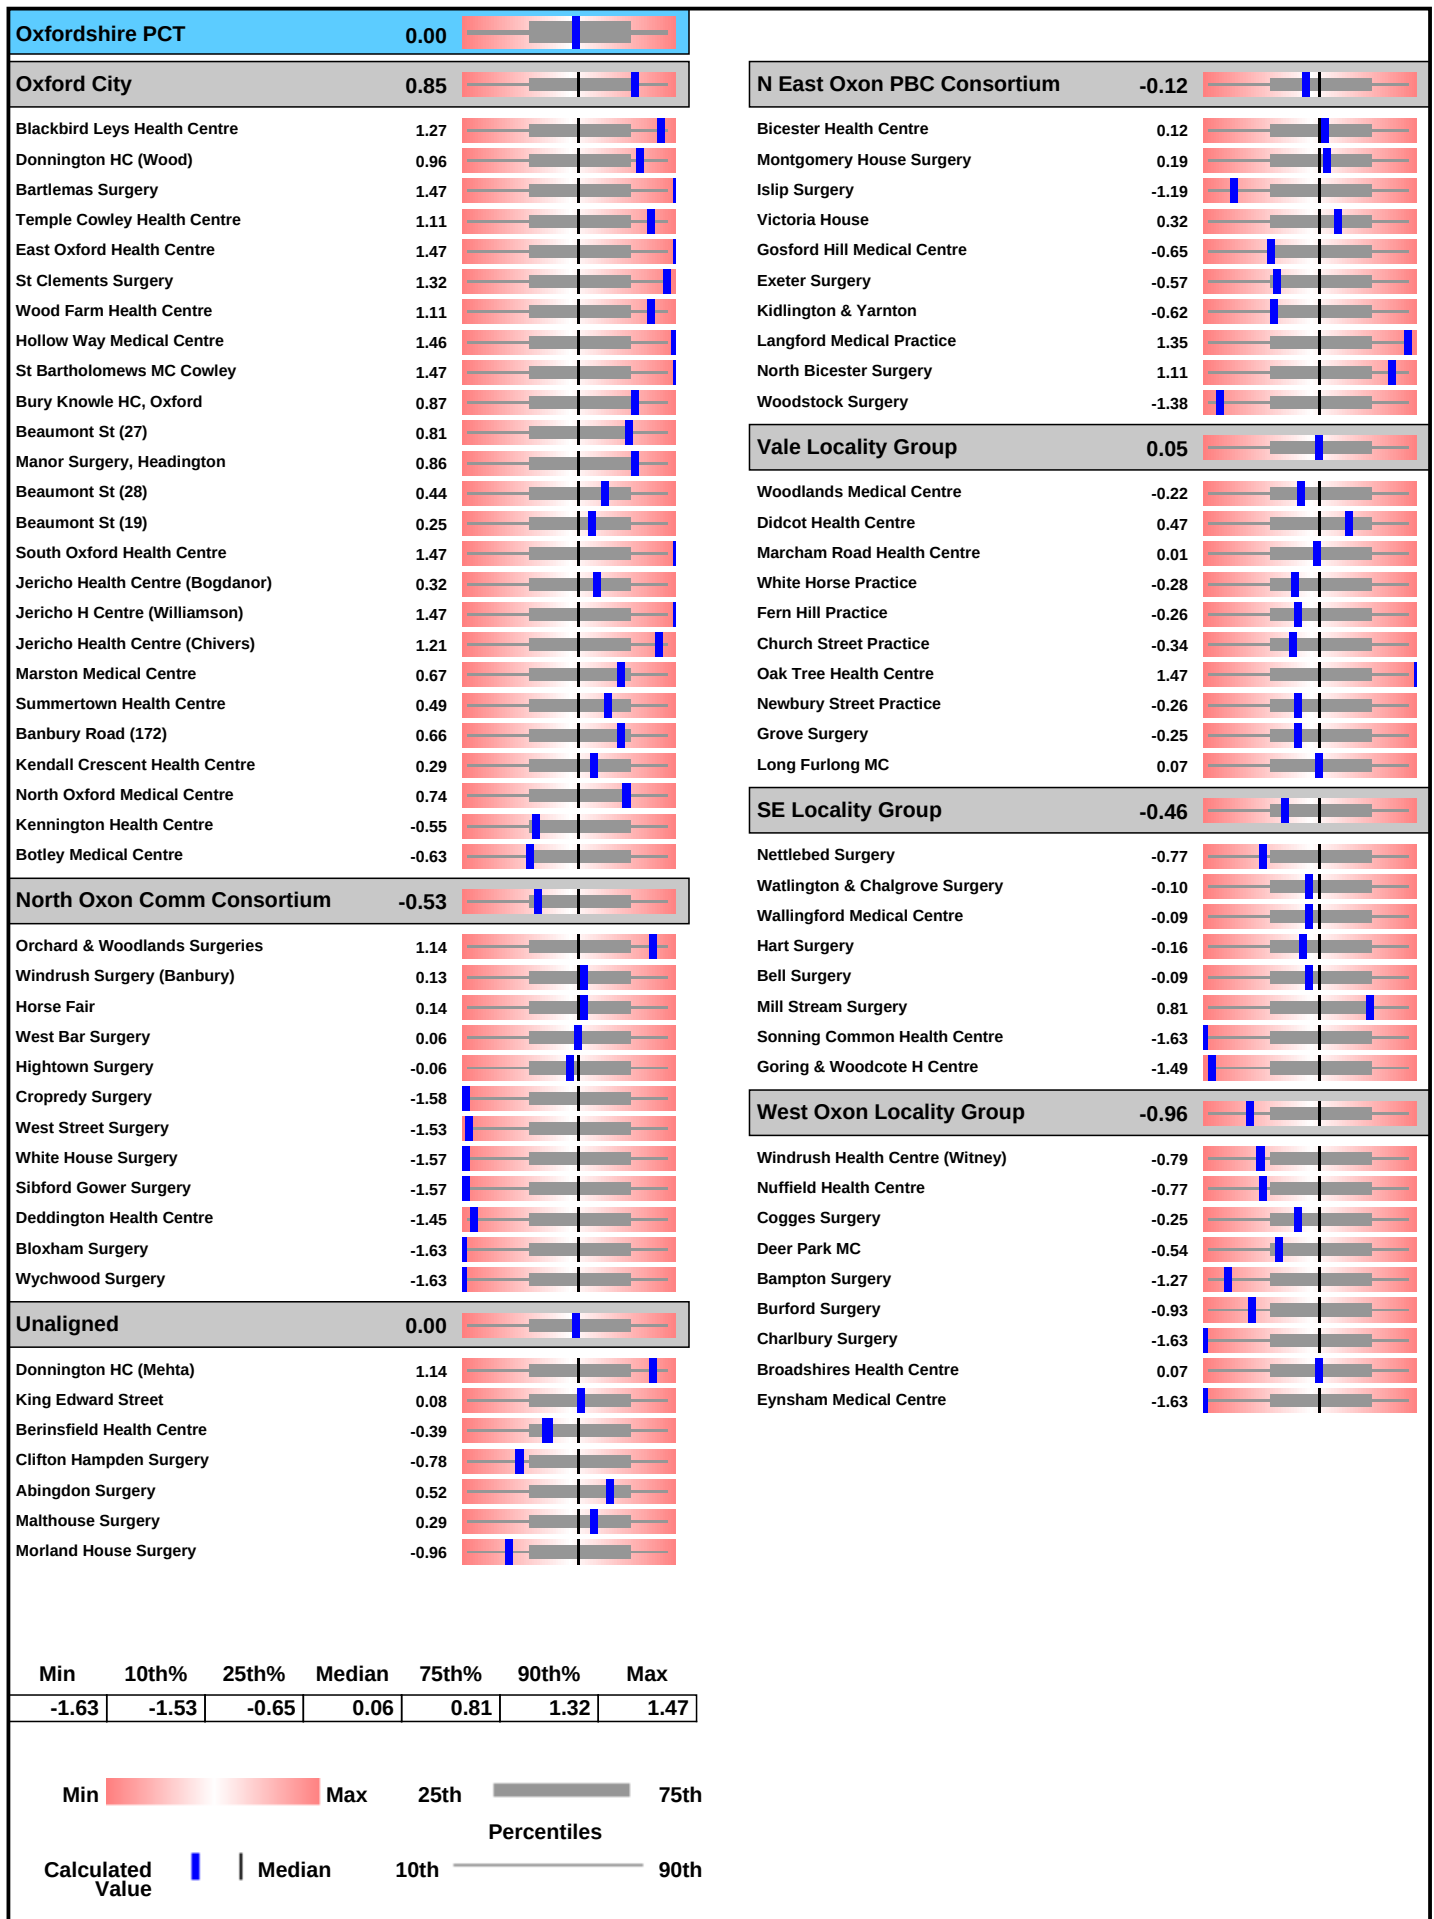

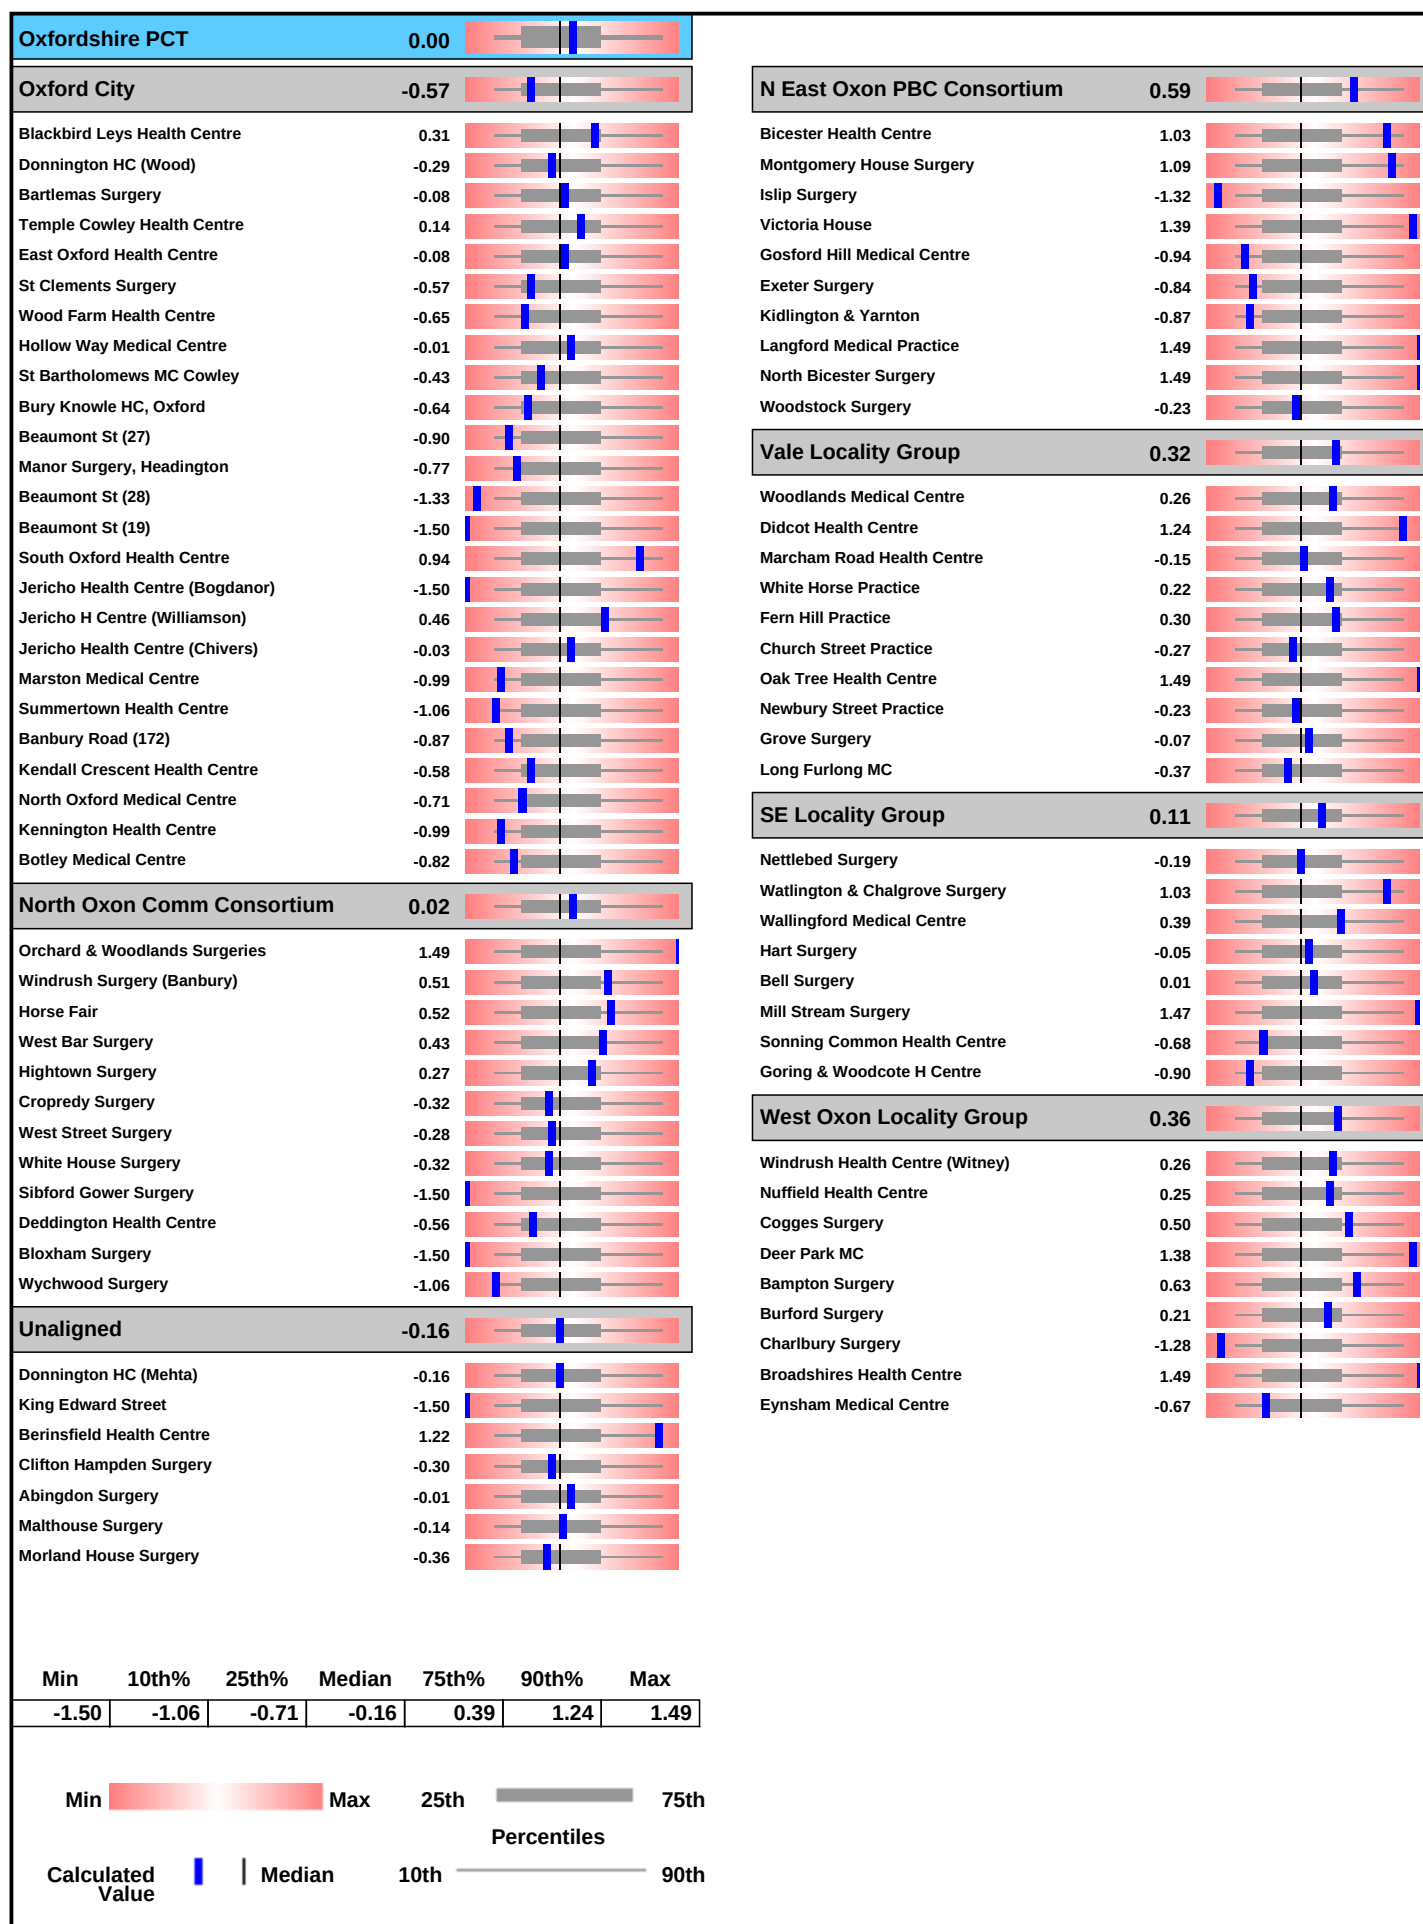

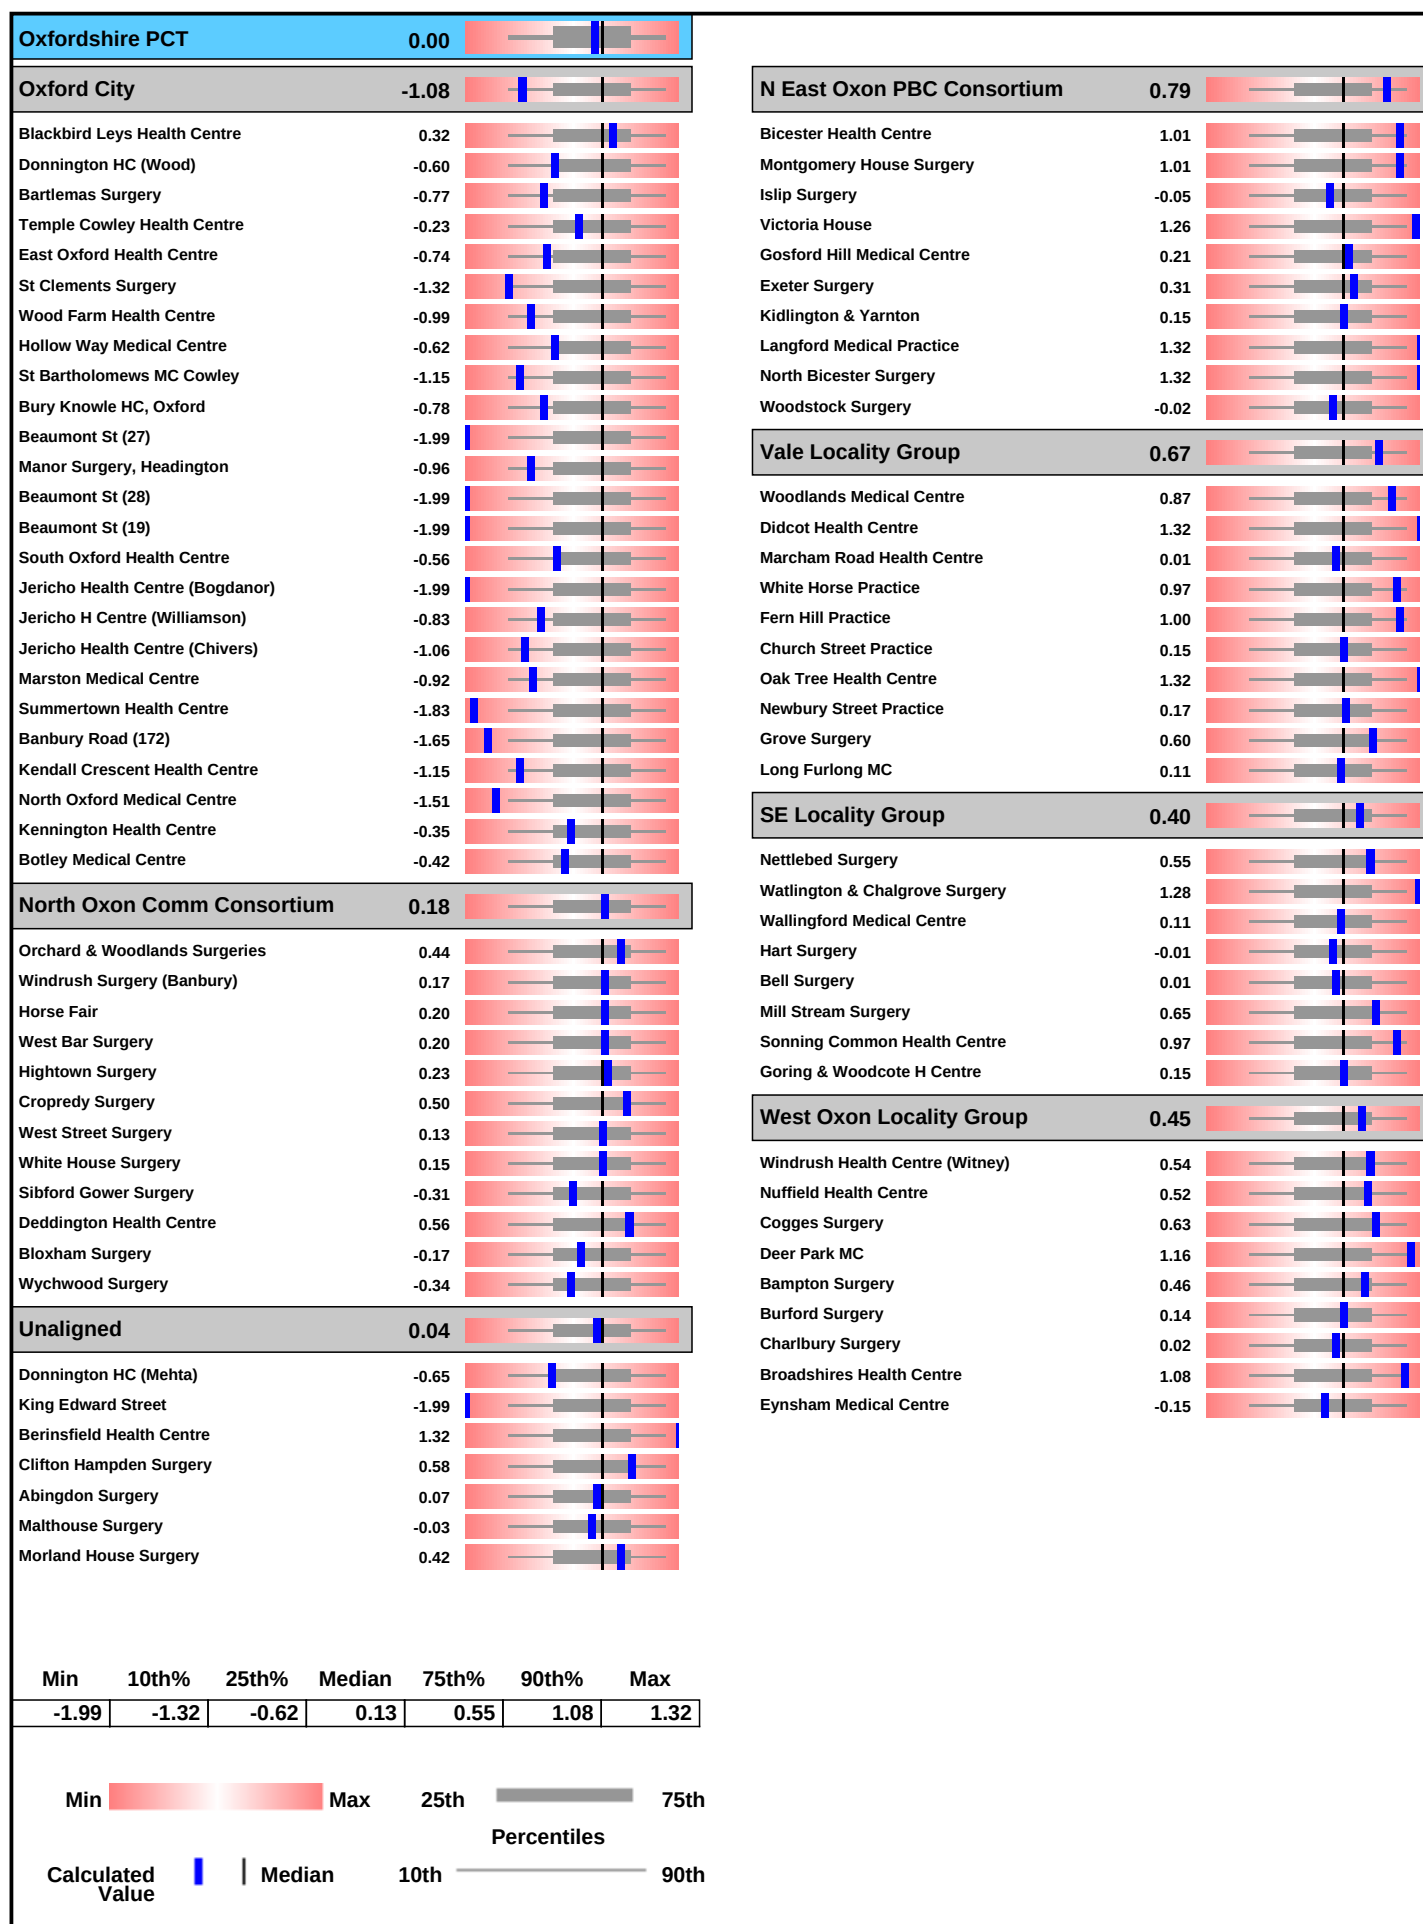

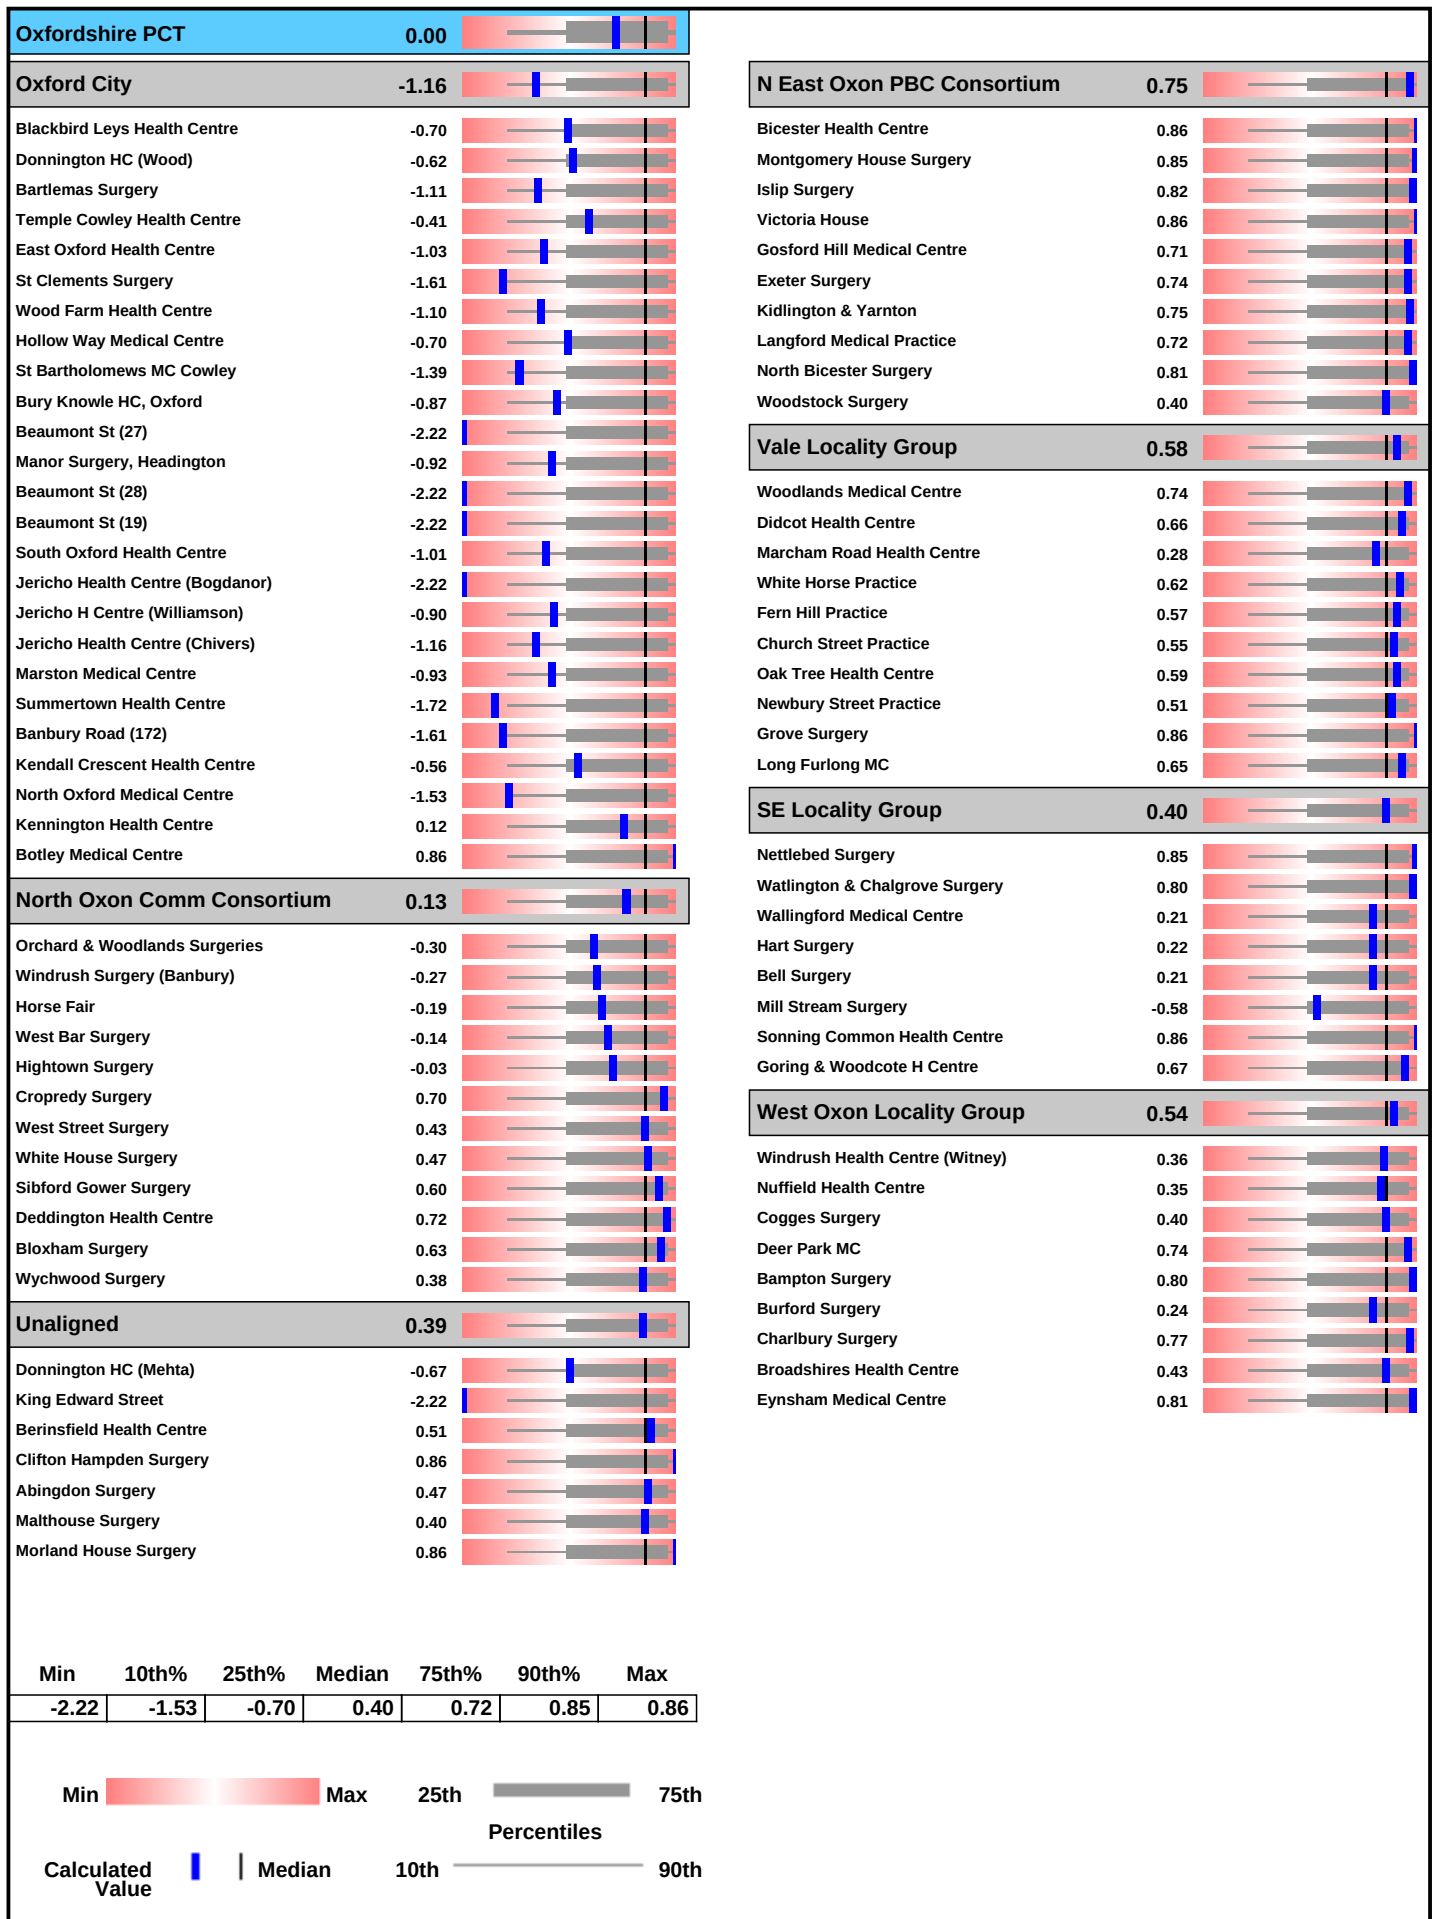

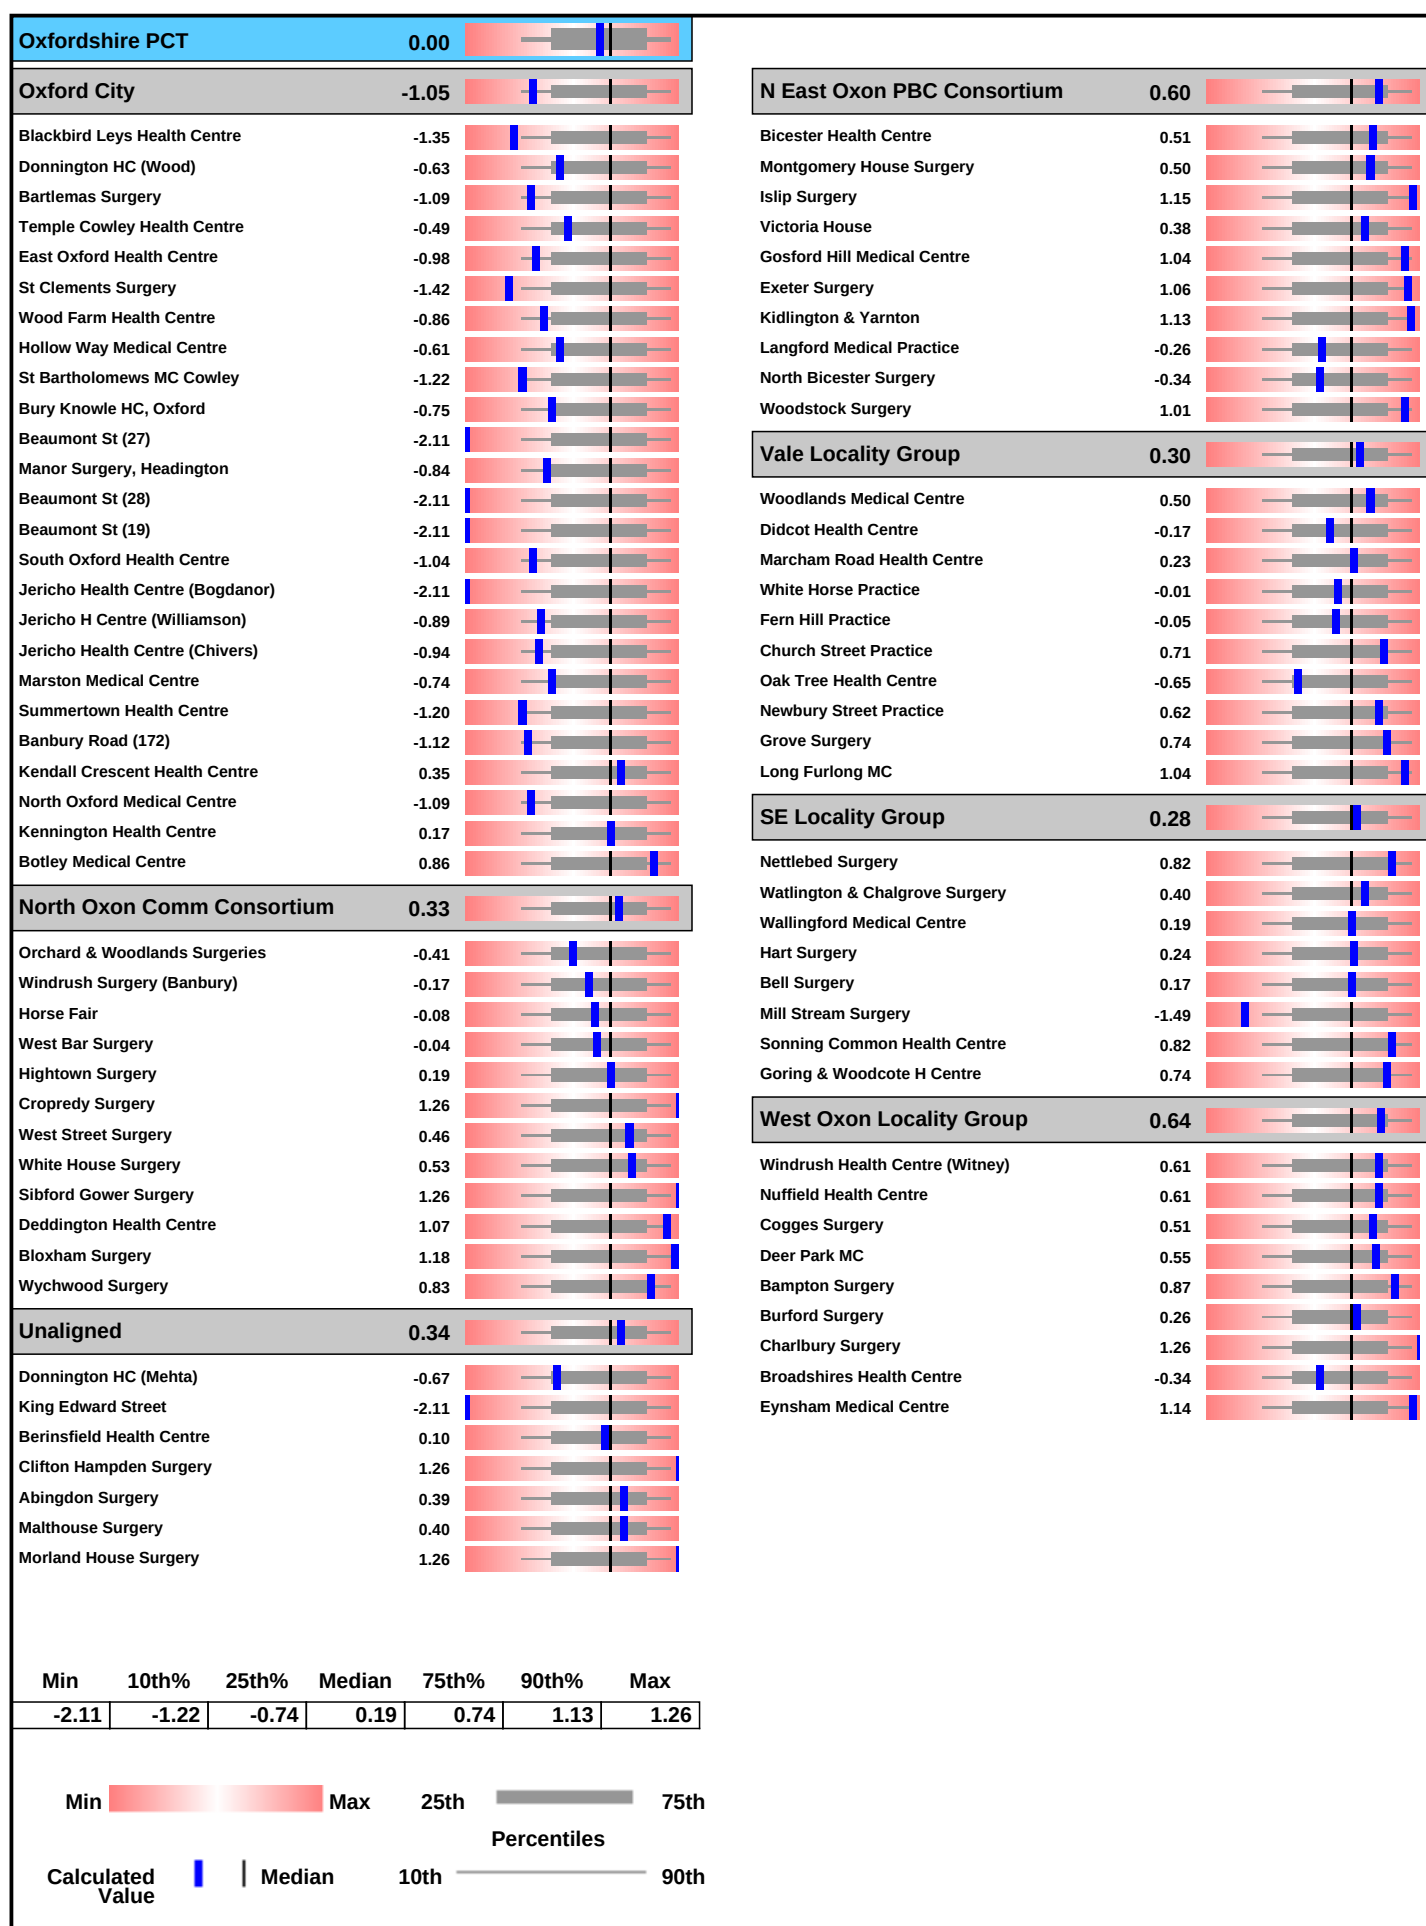

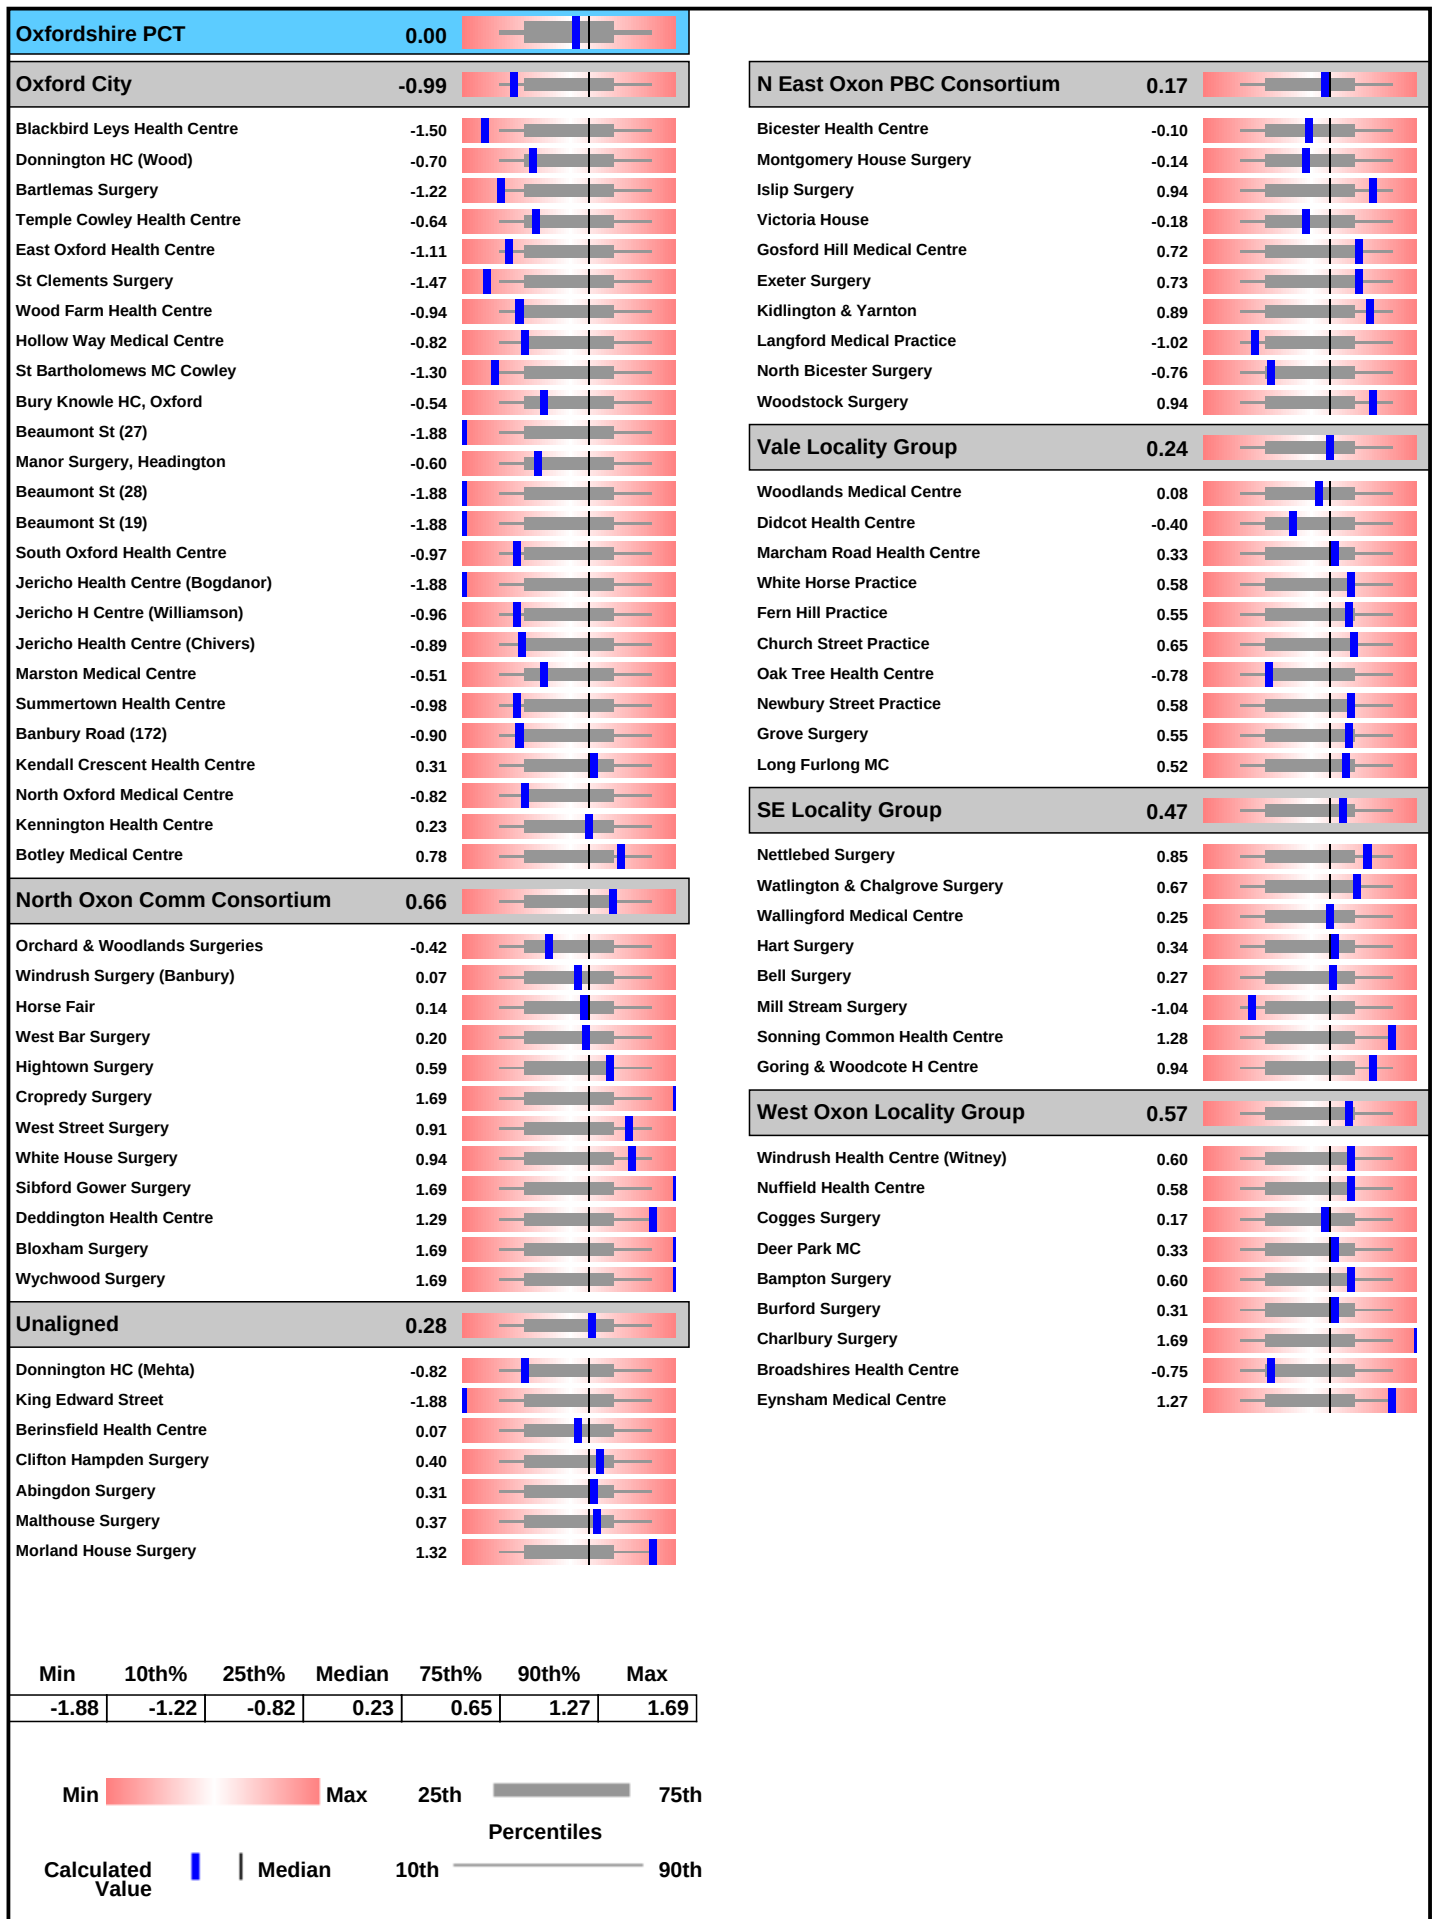

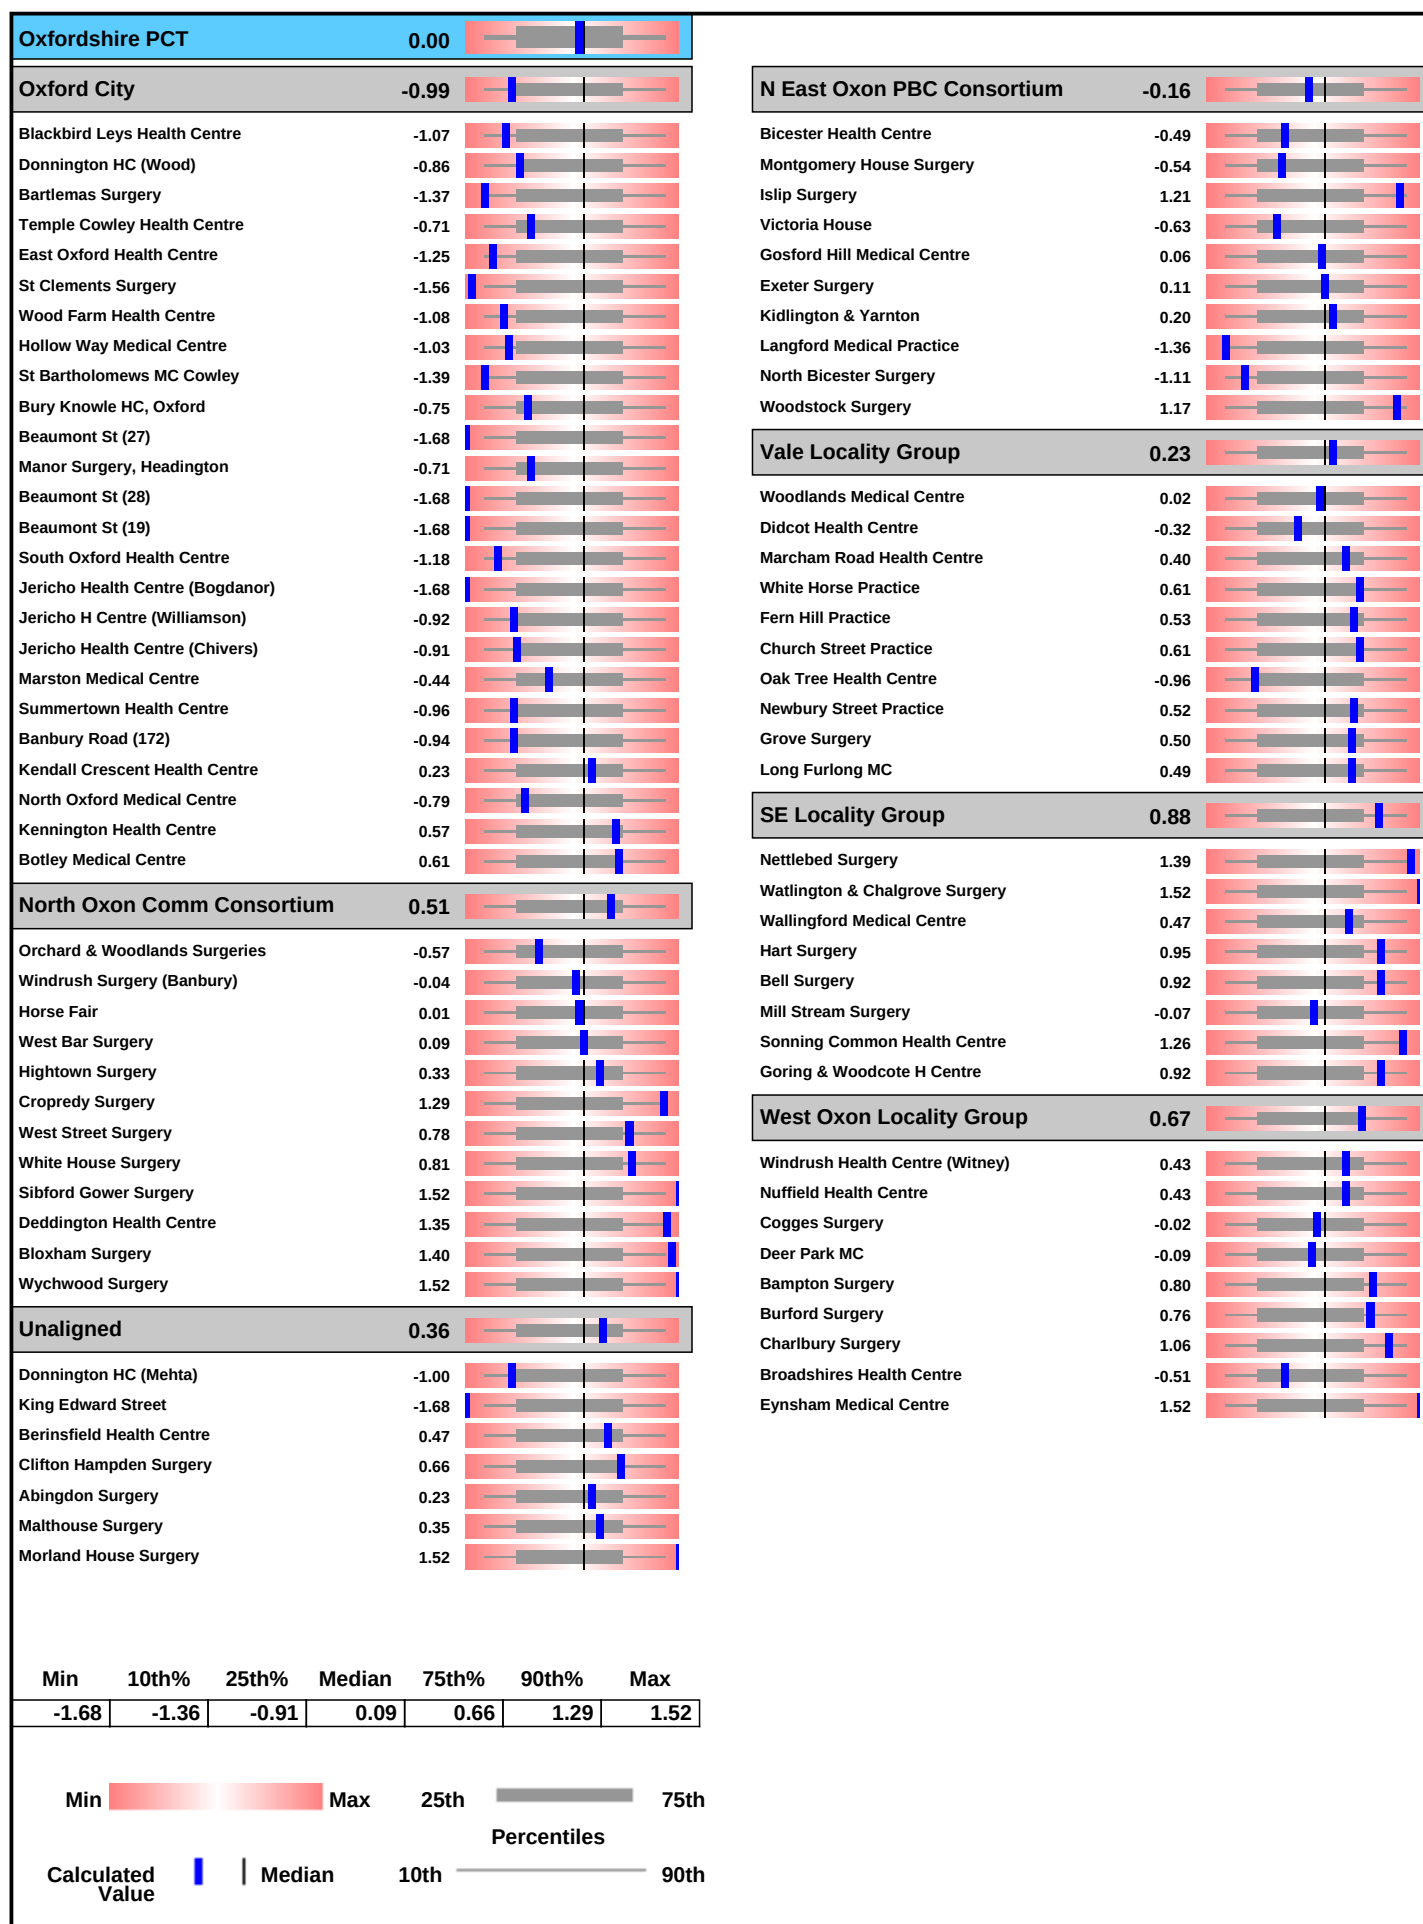

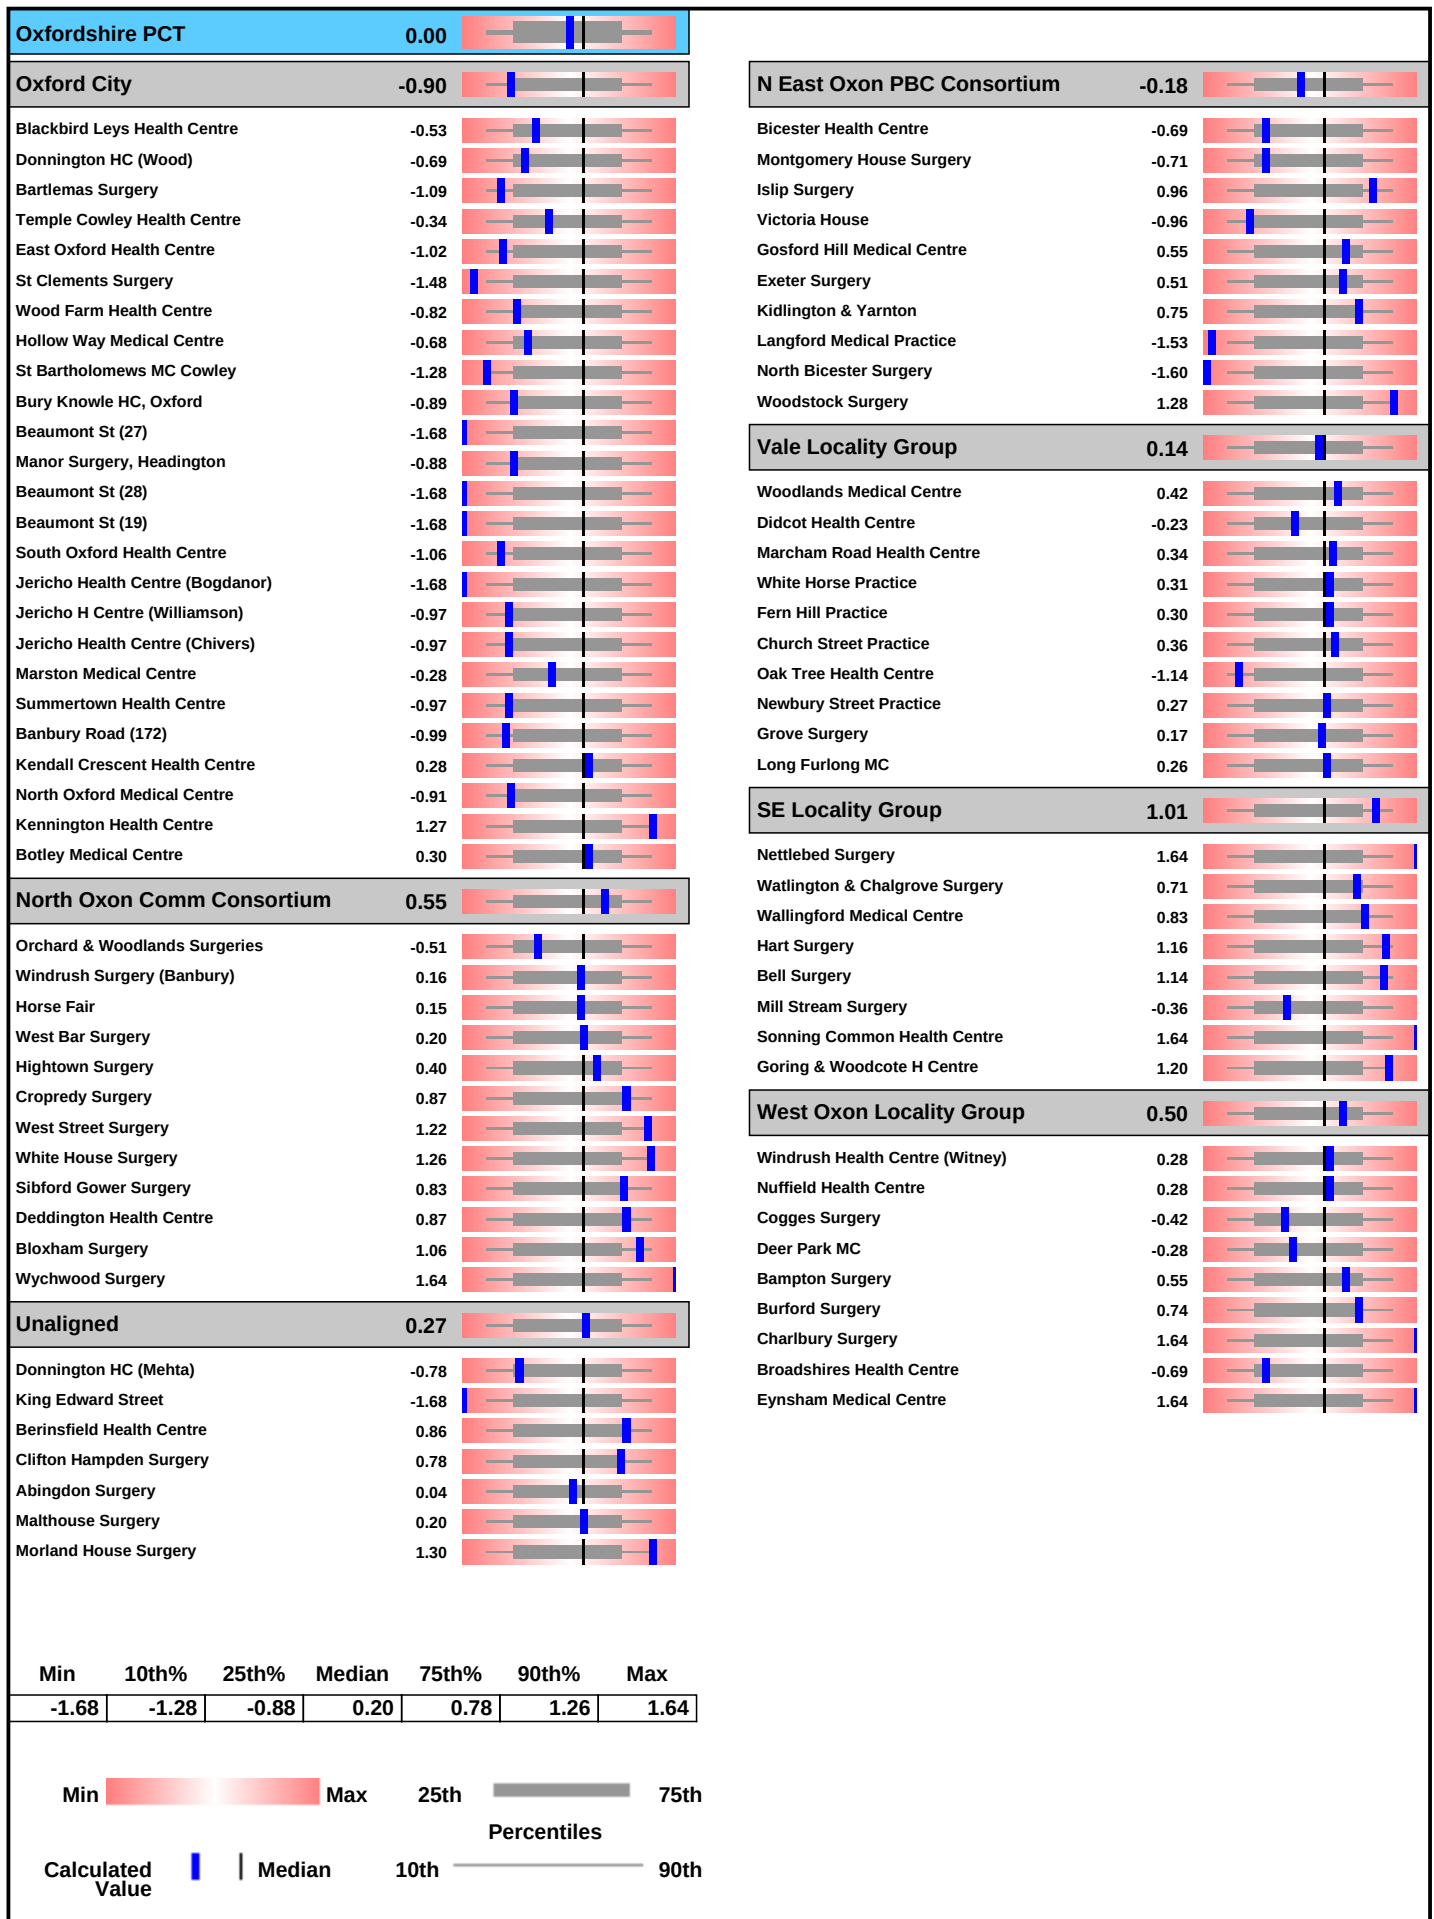

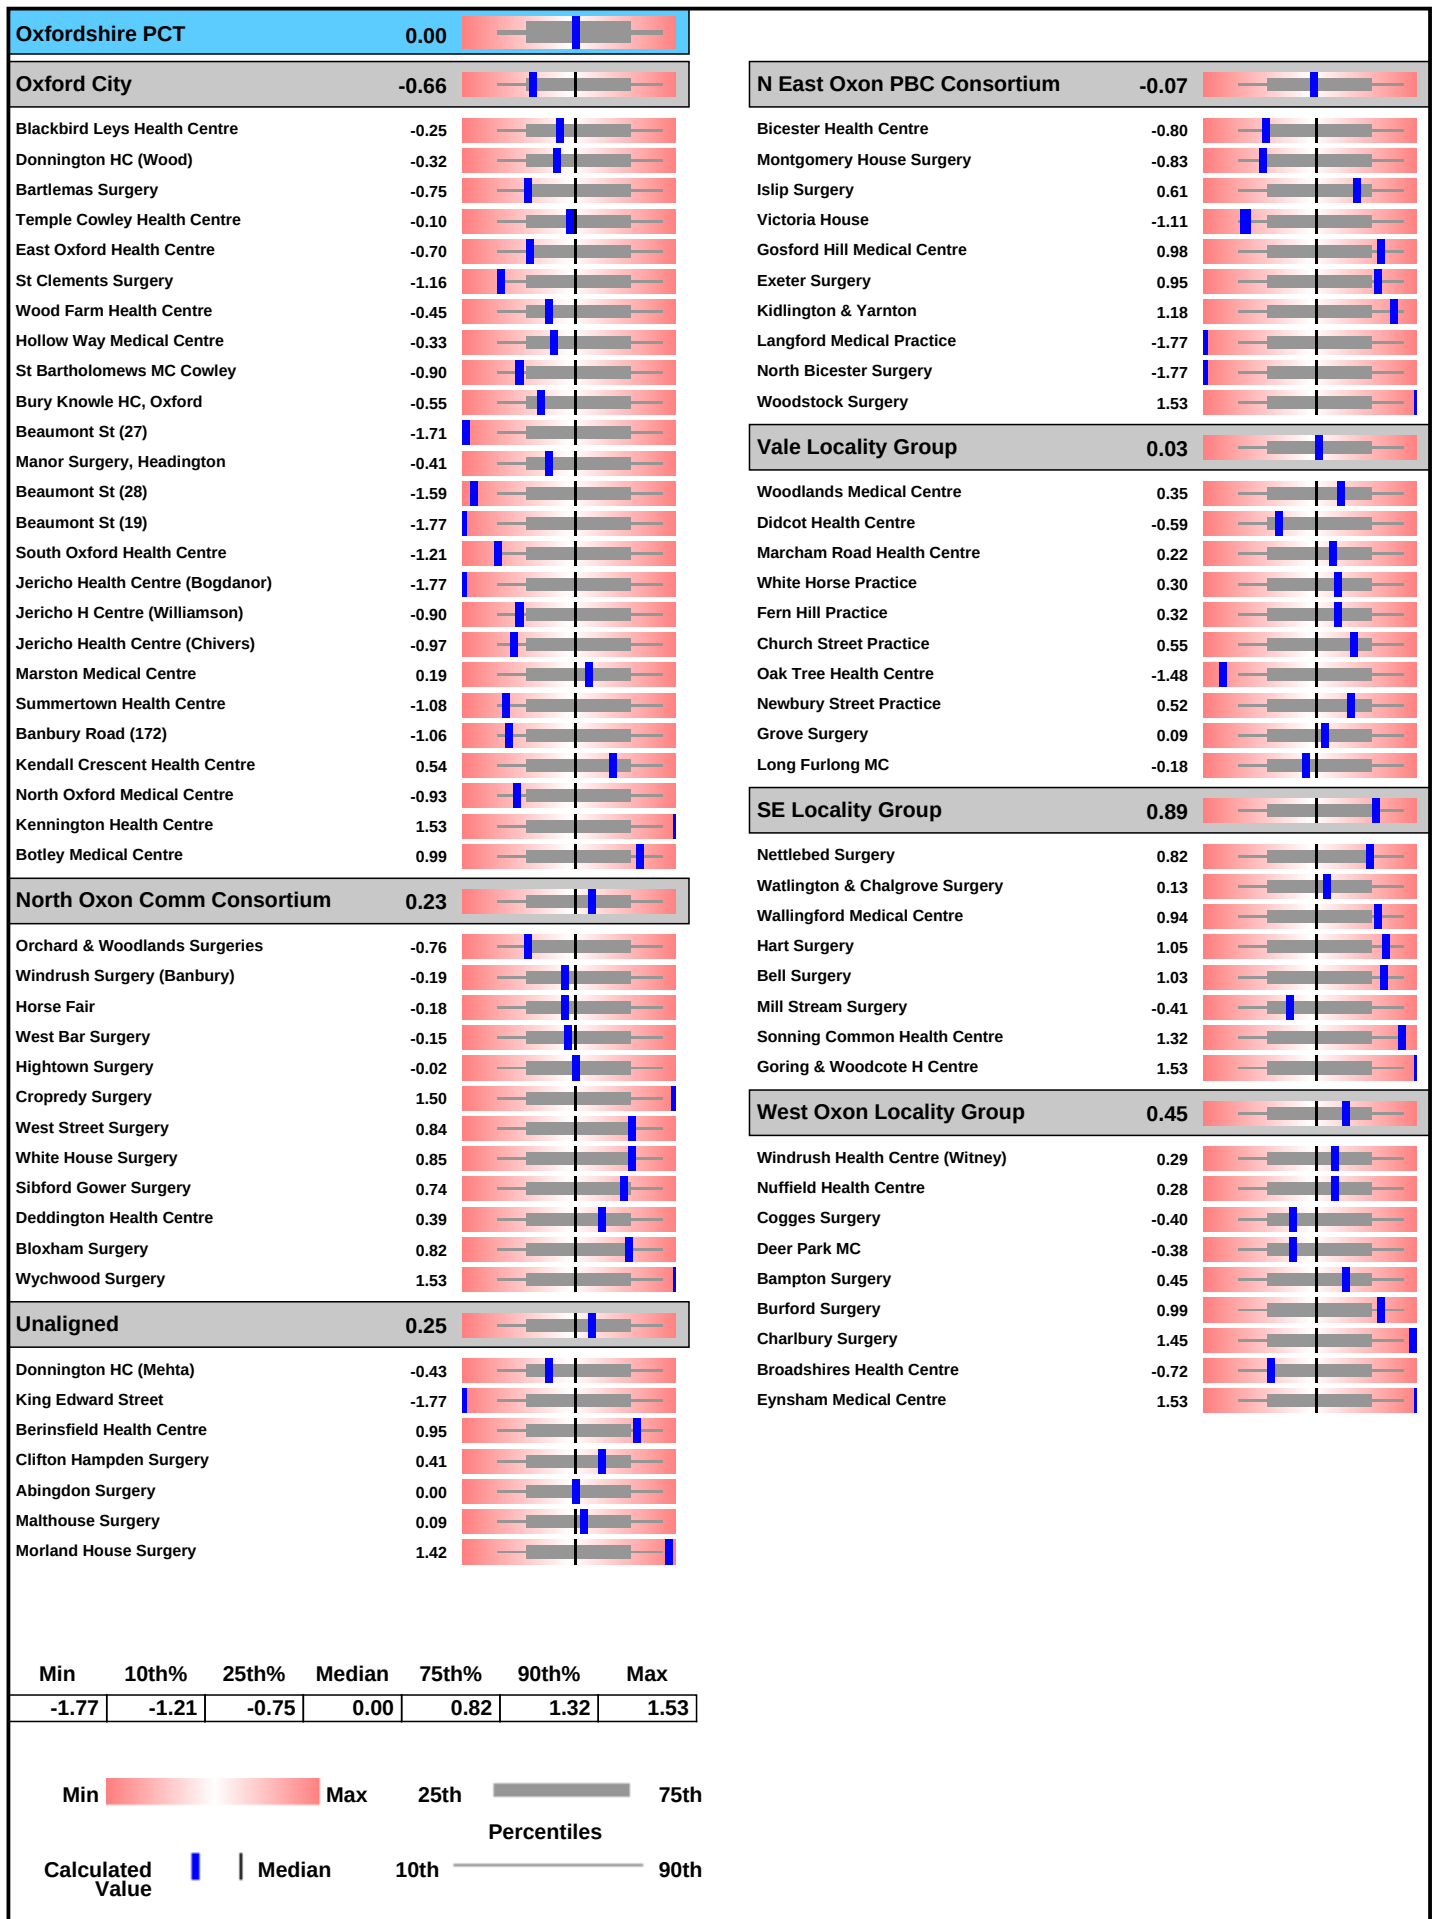

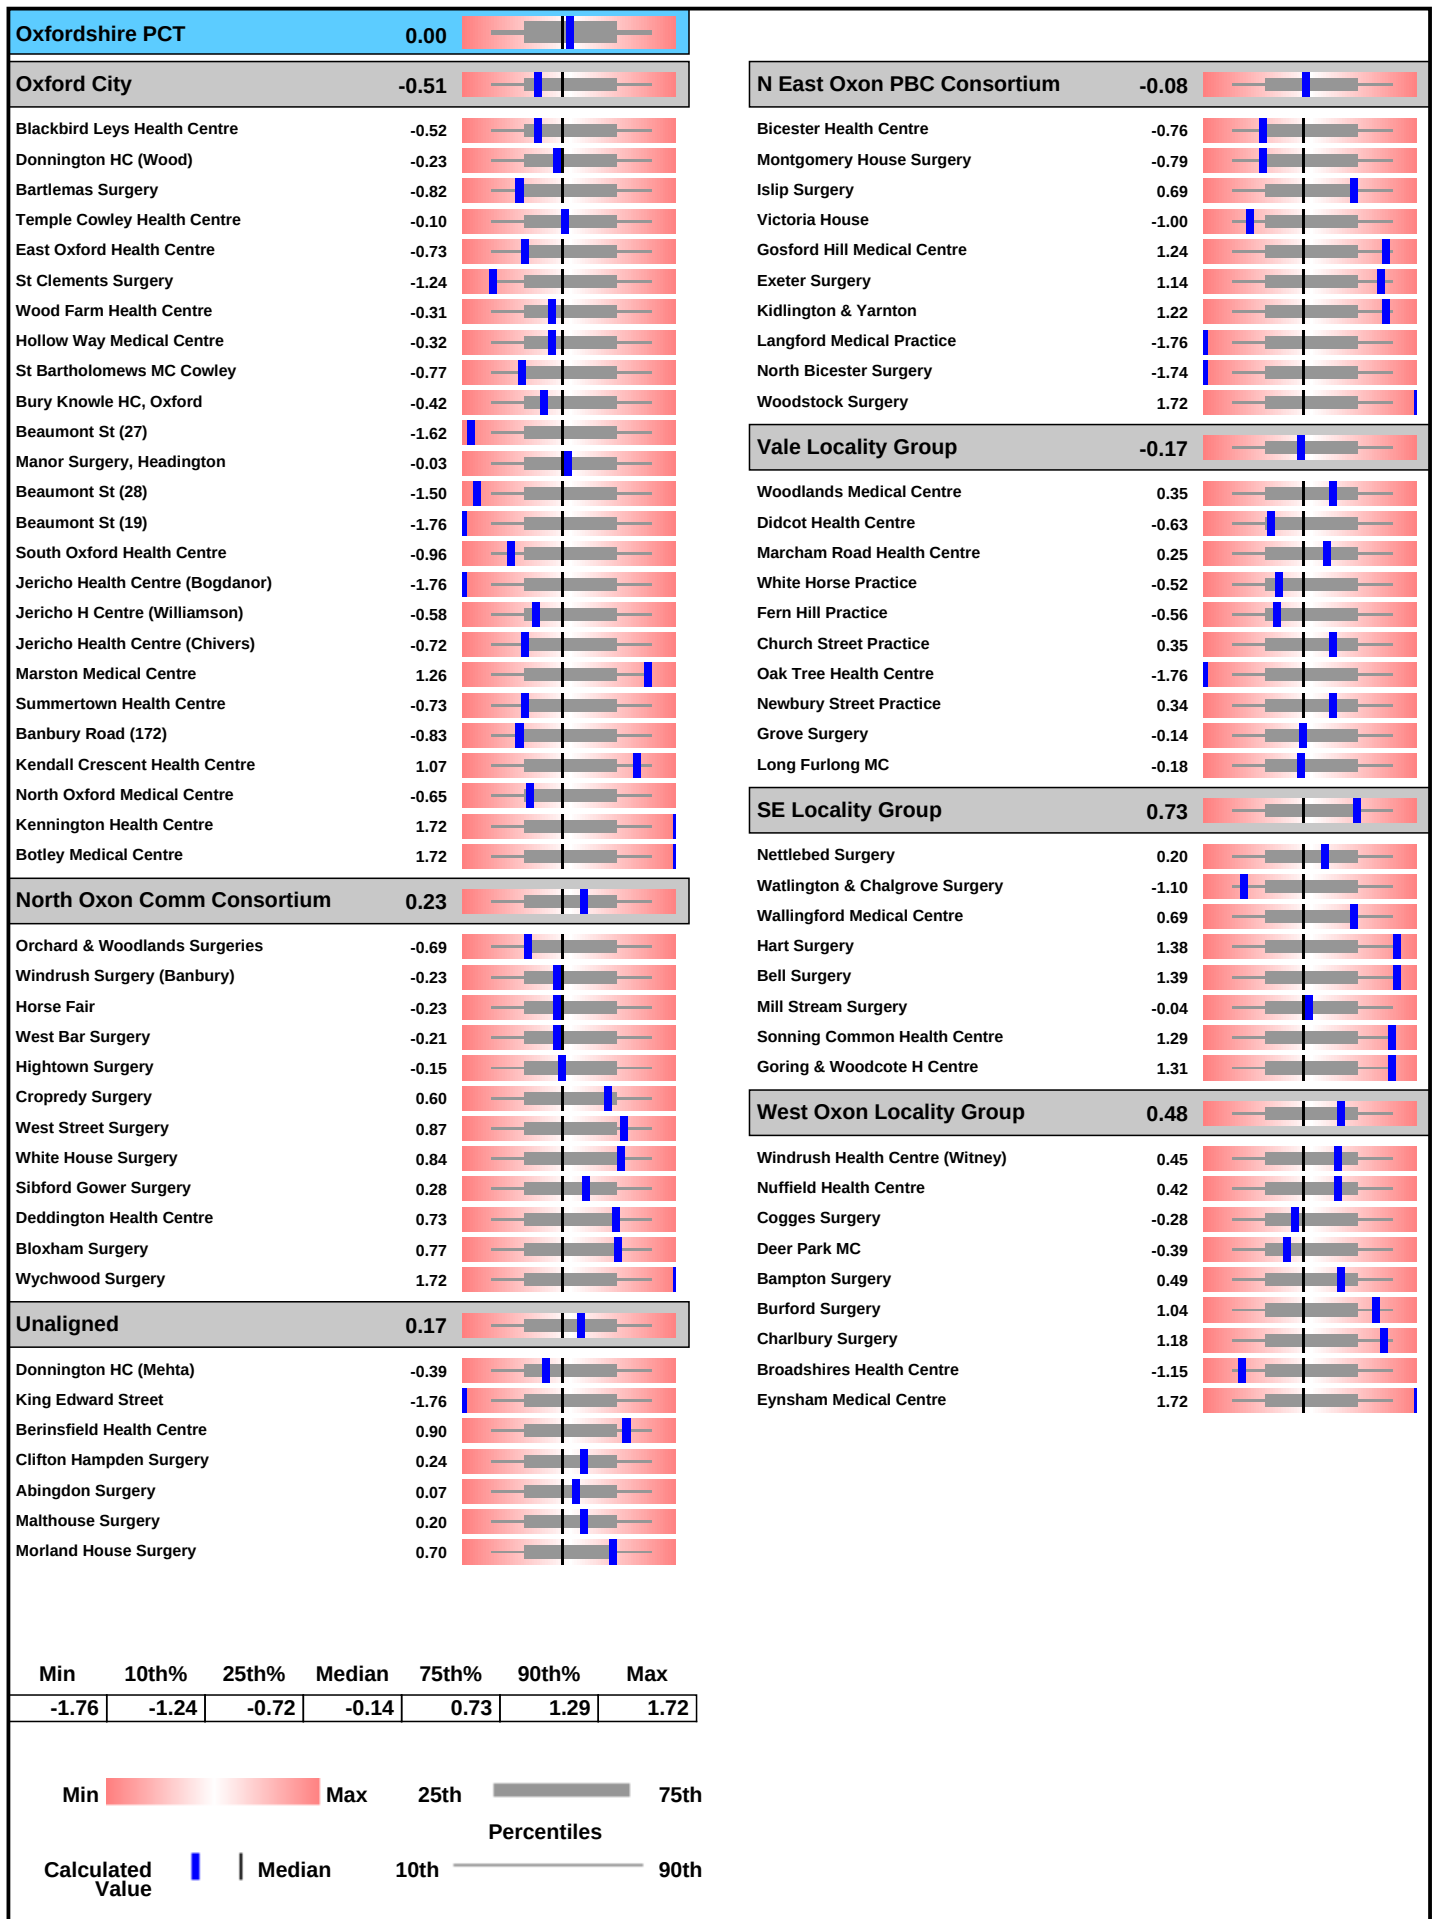

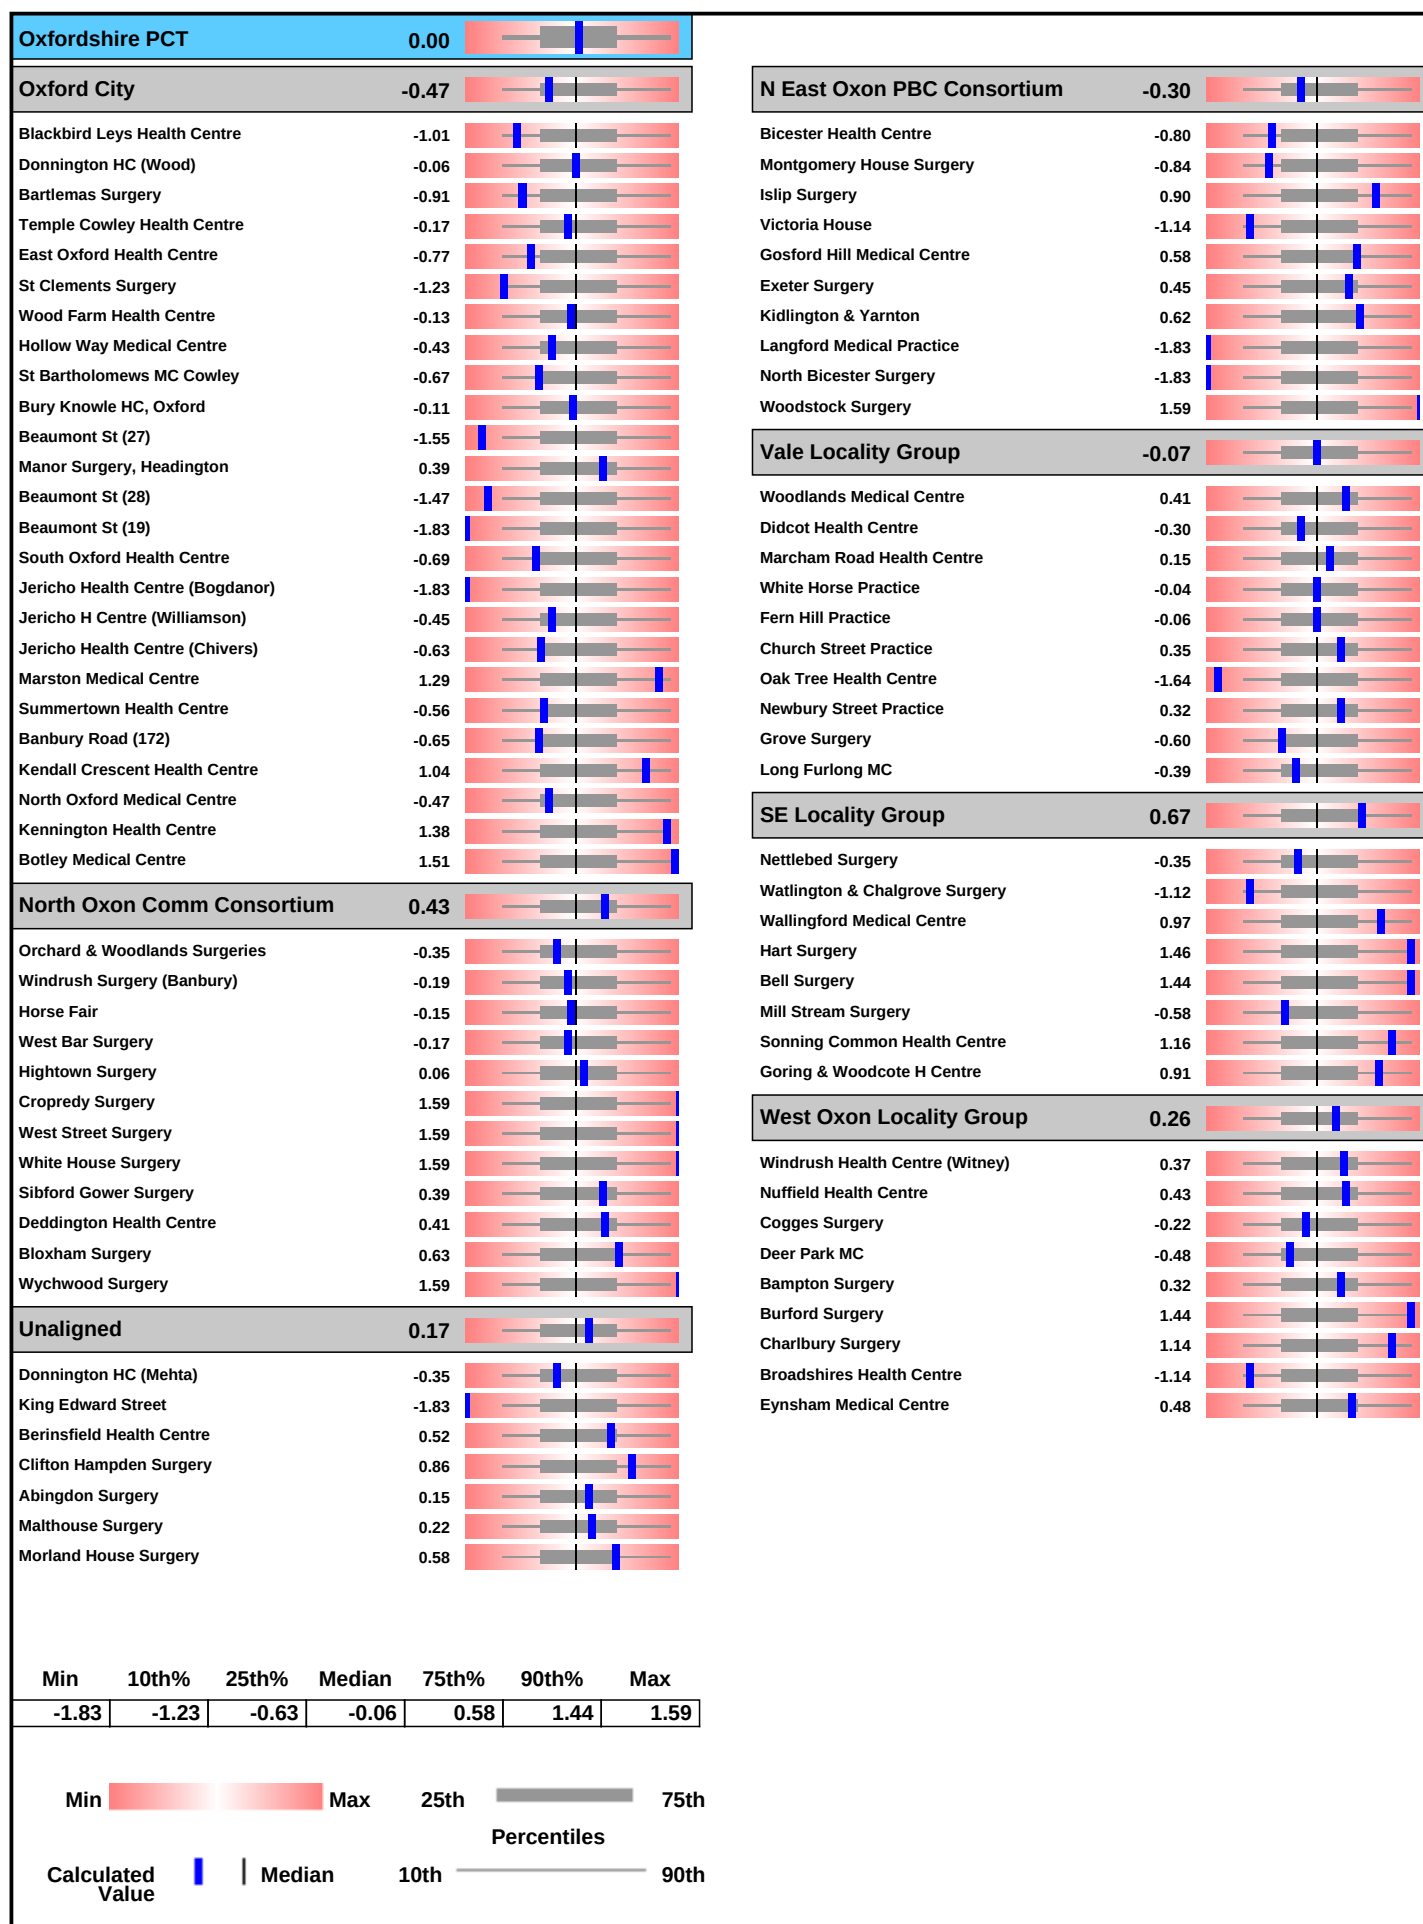

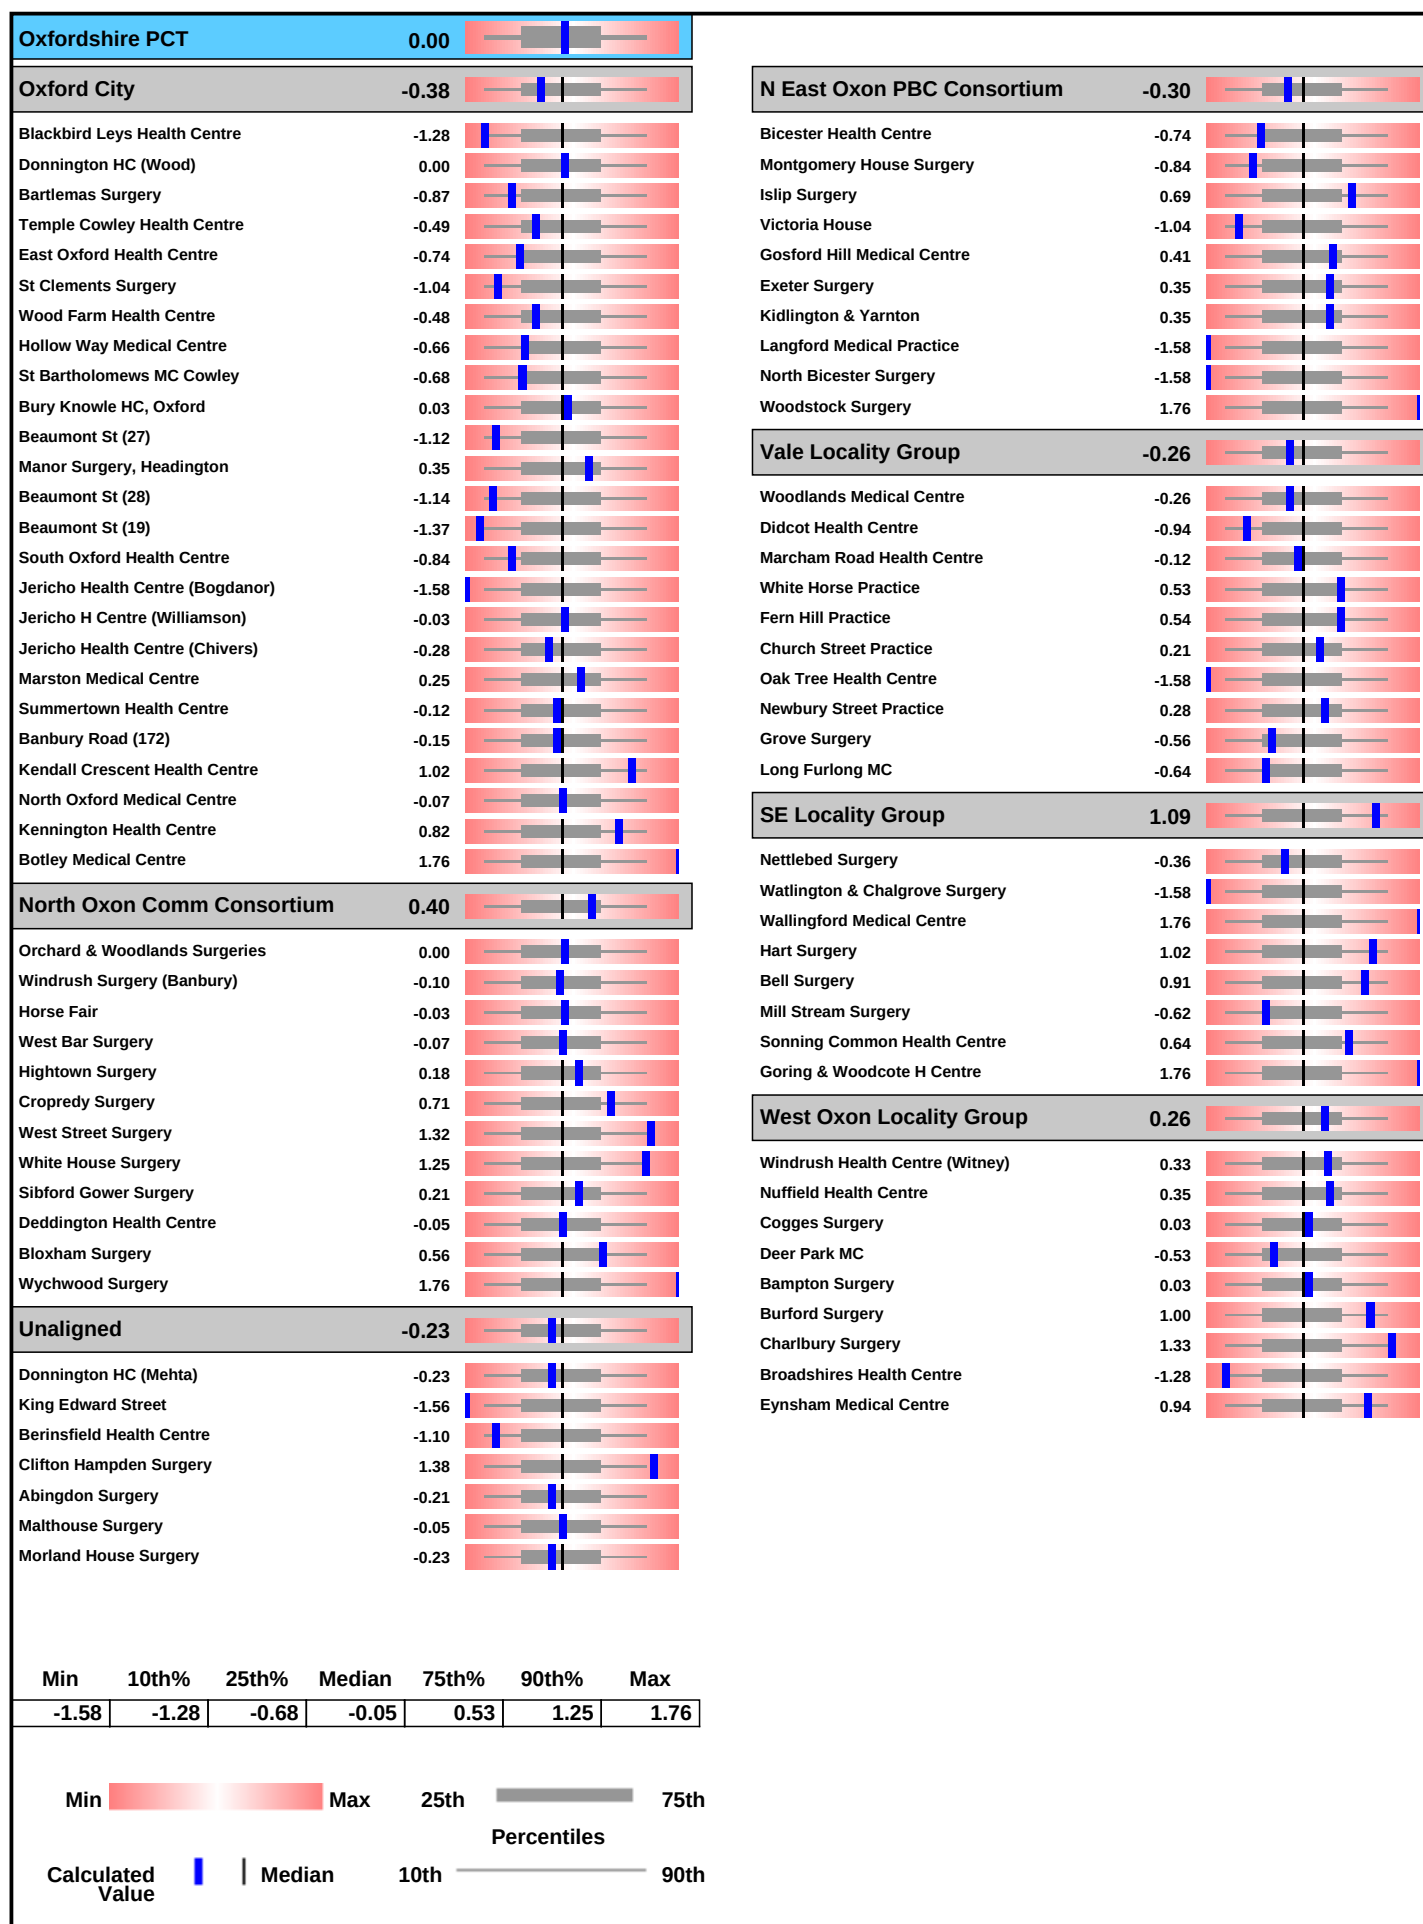

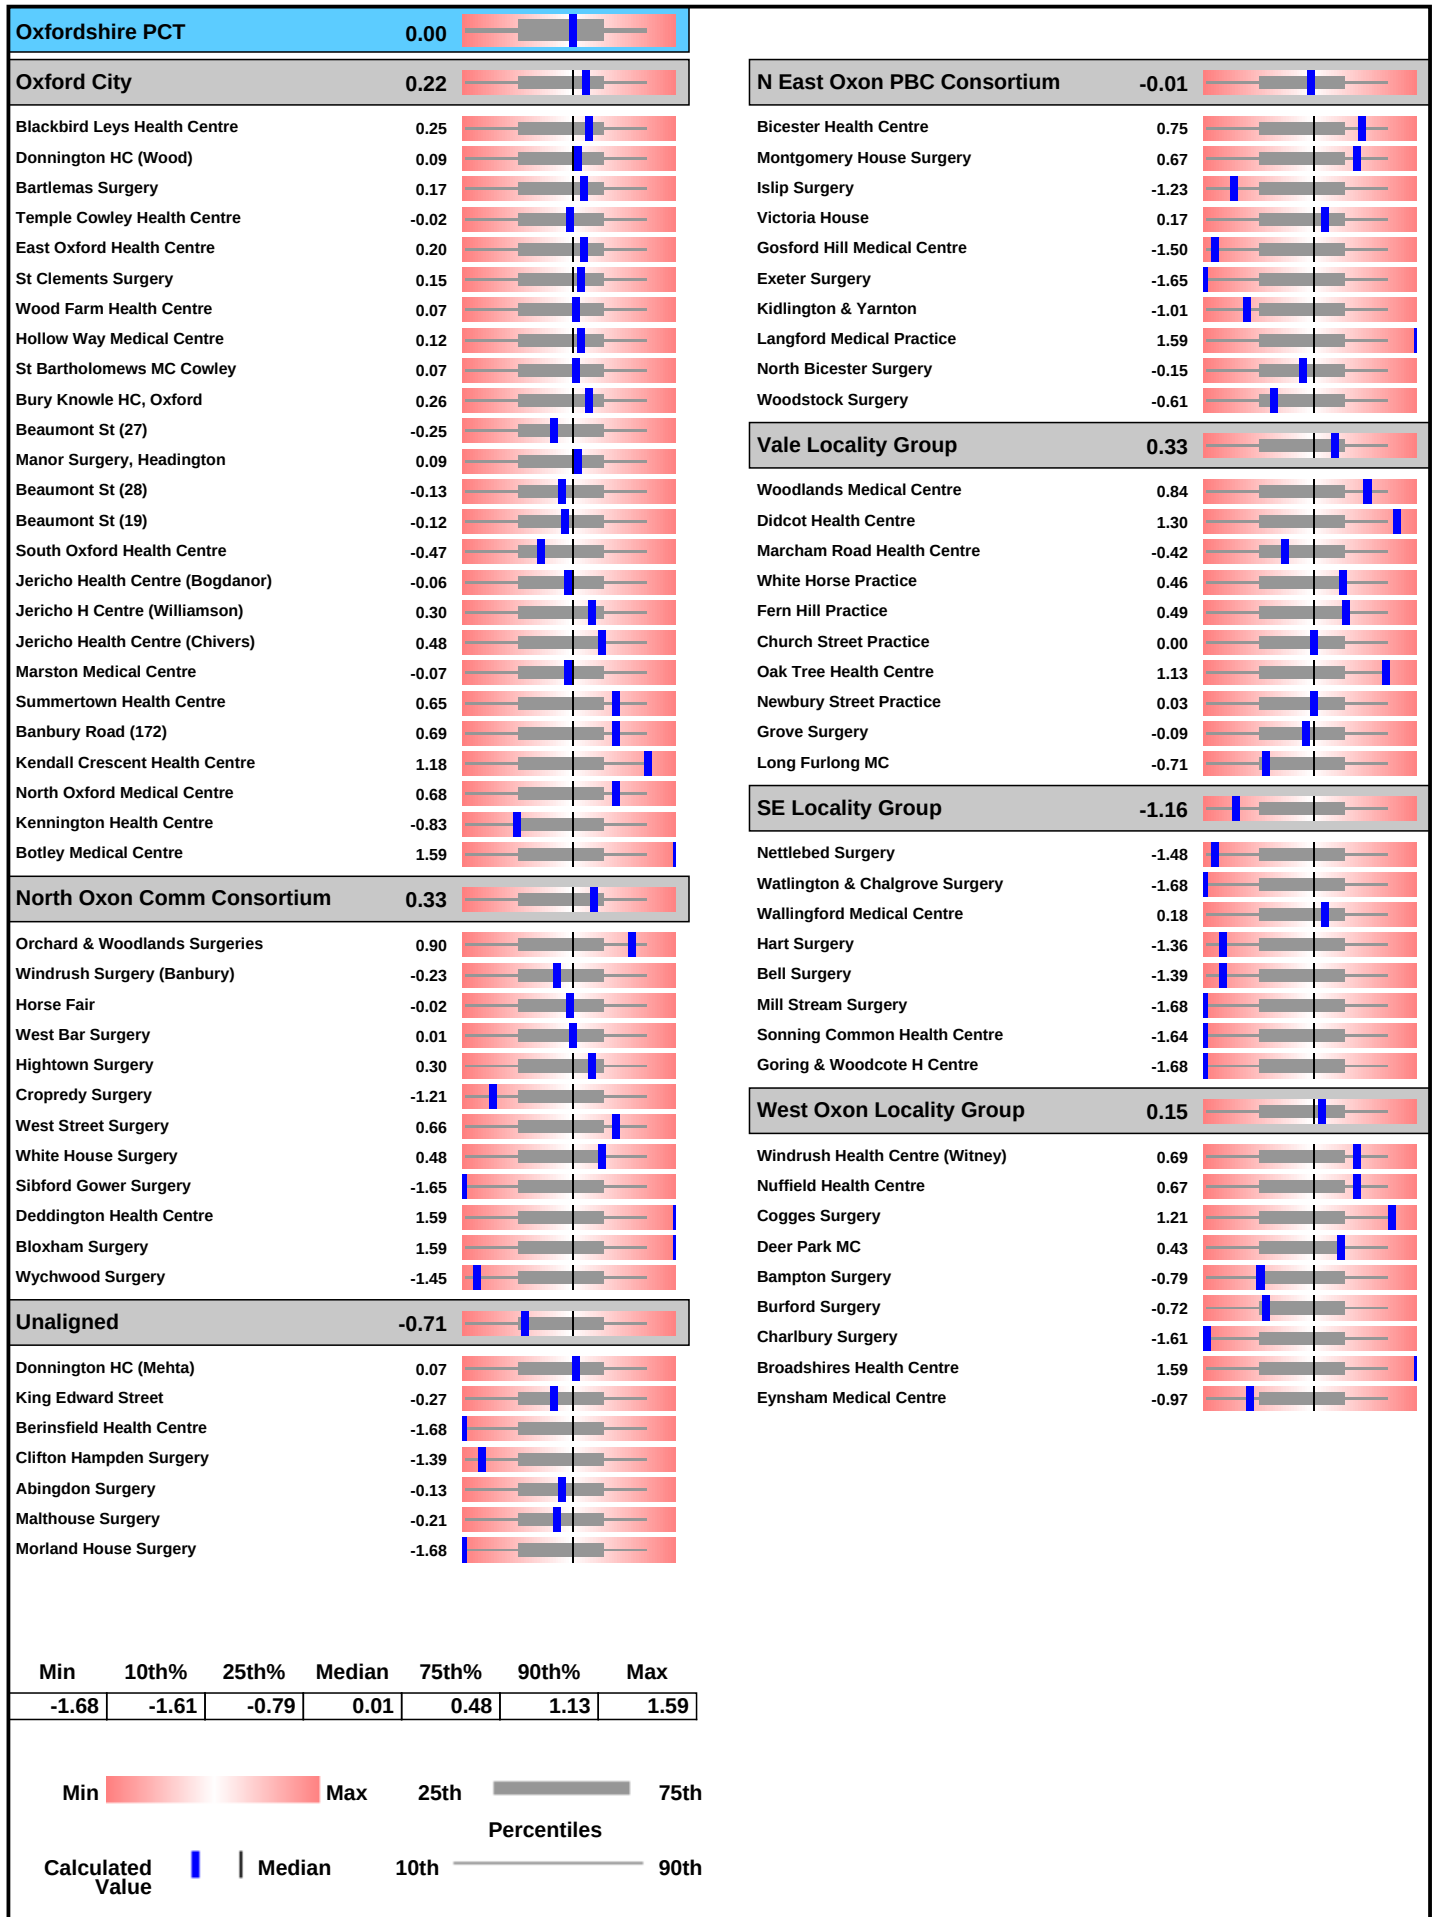

# Joint Strategic Needs Assessment [Demog]

Demog002

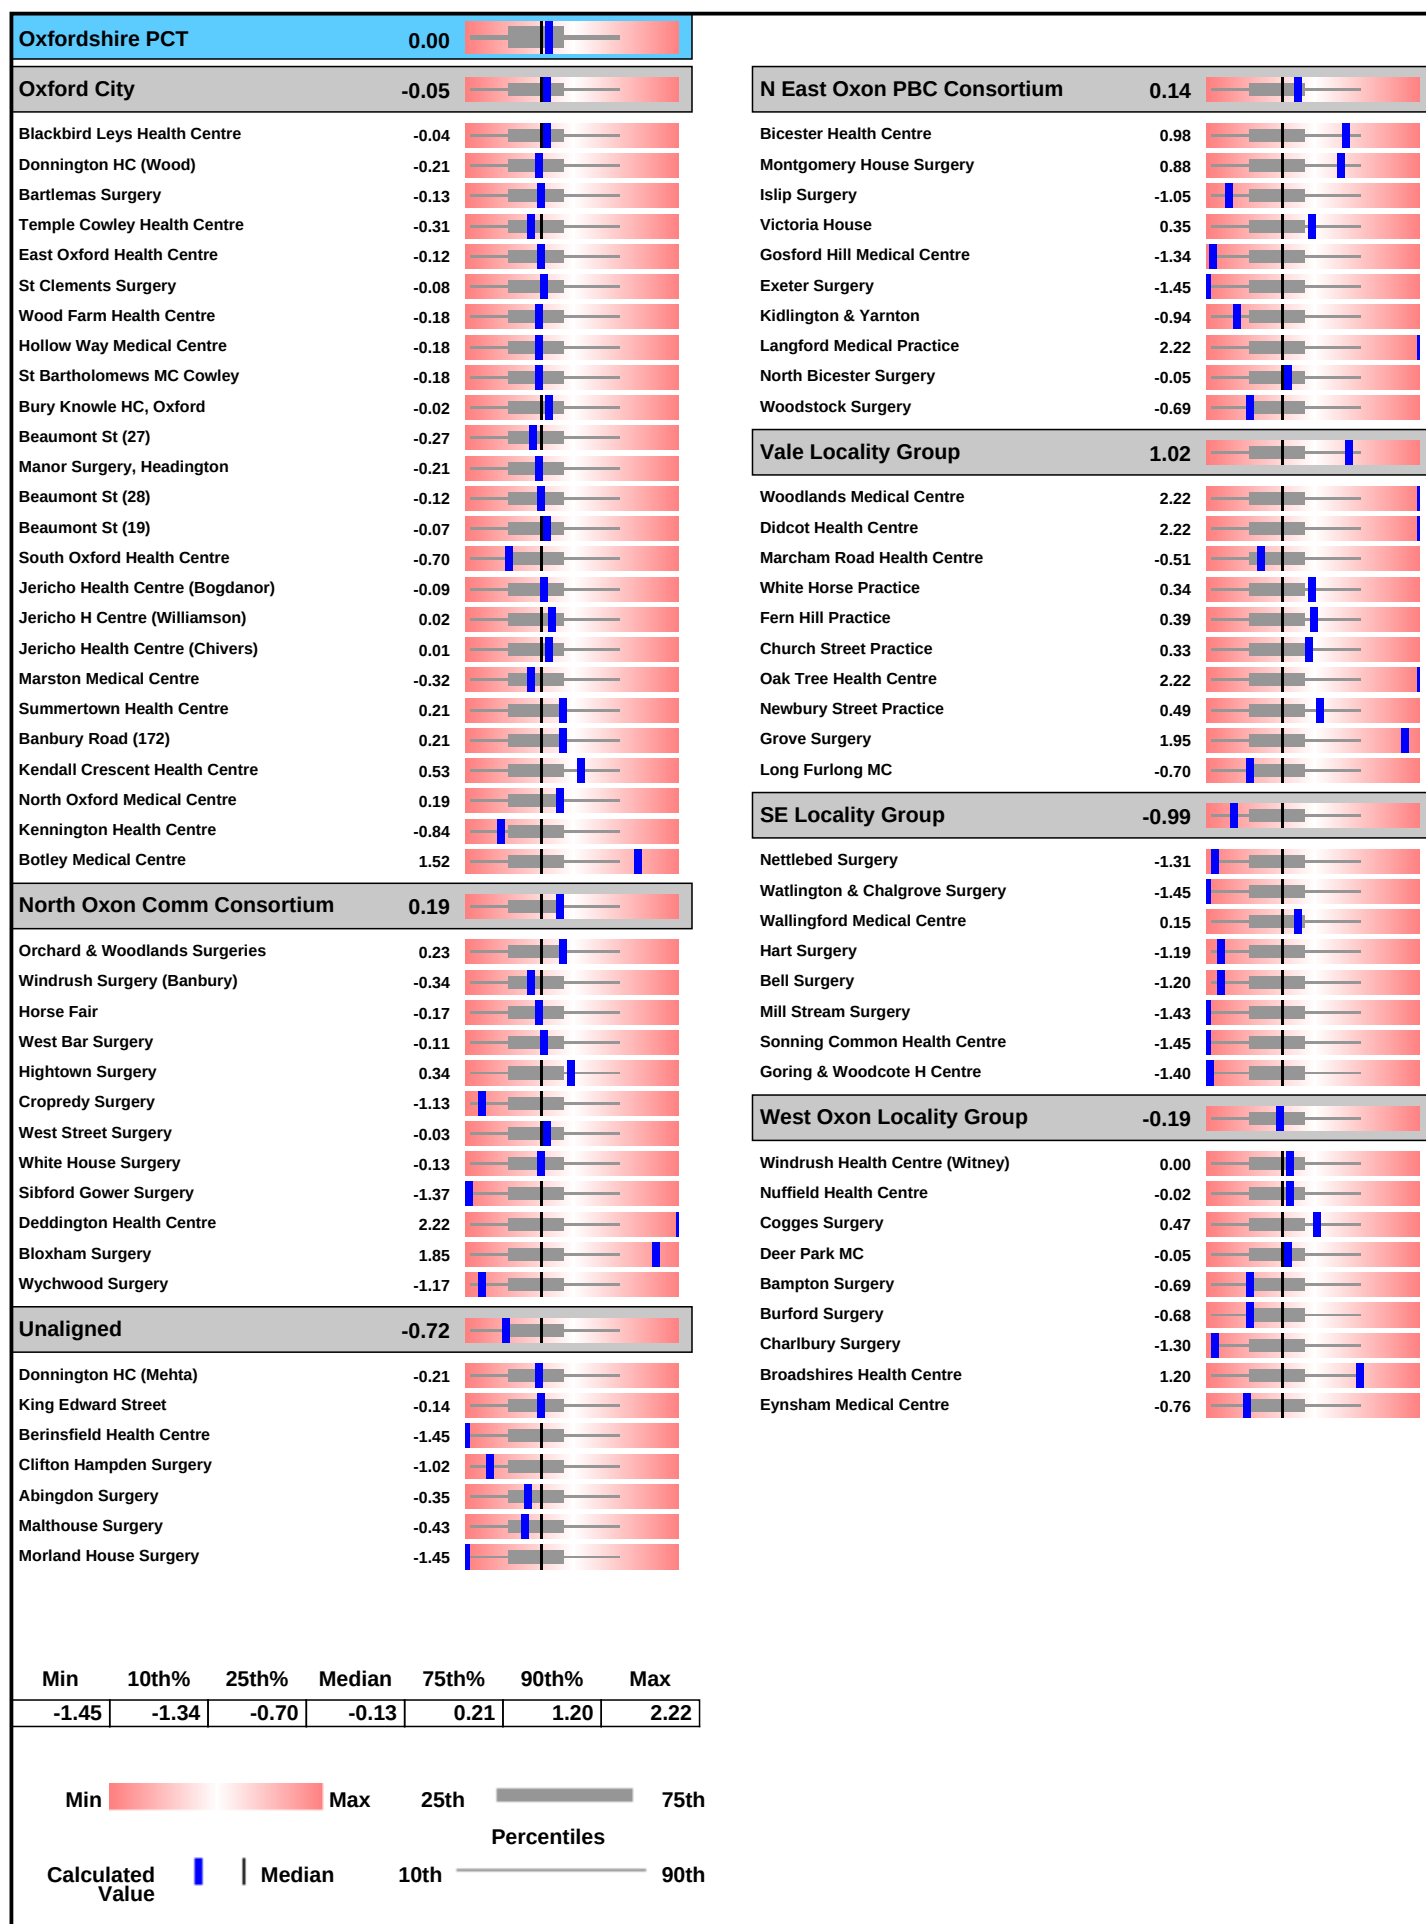

% change population projections 3 years time

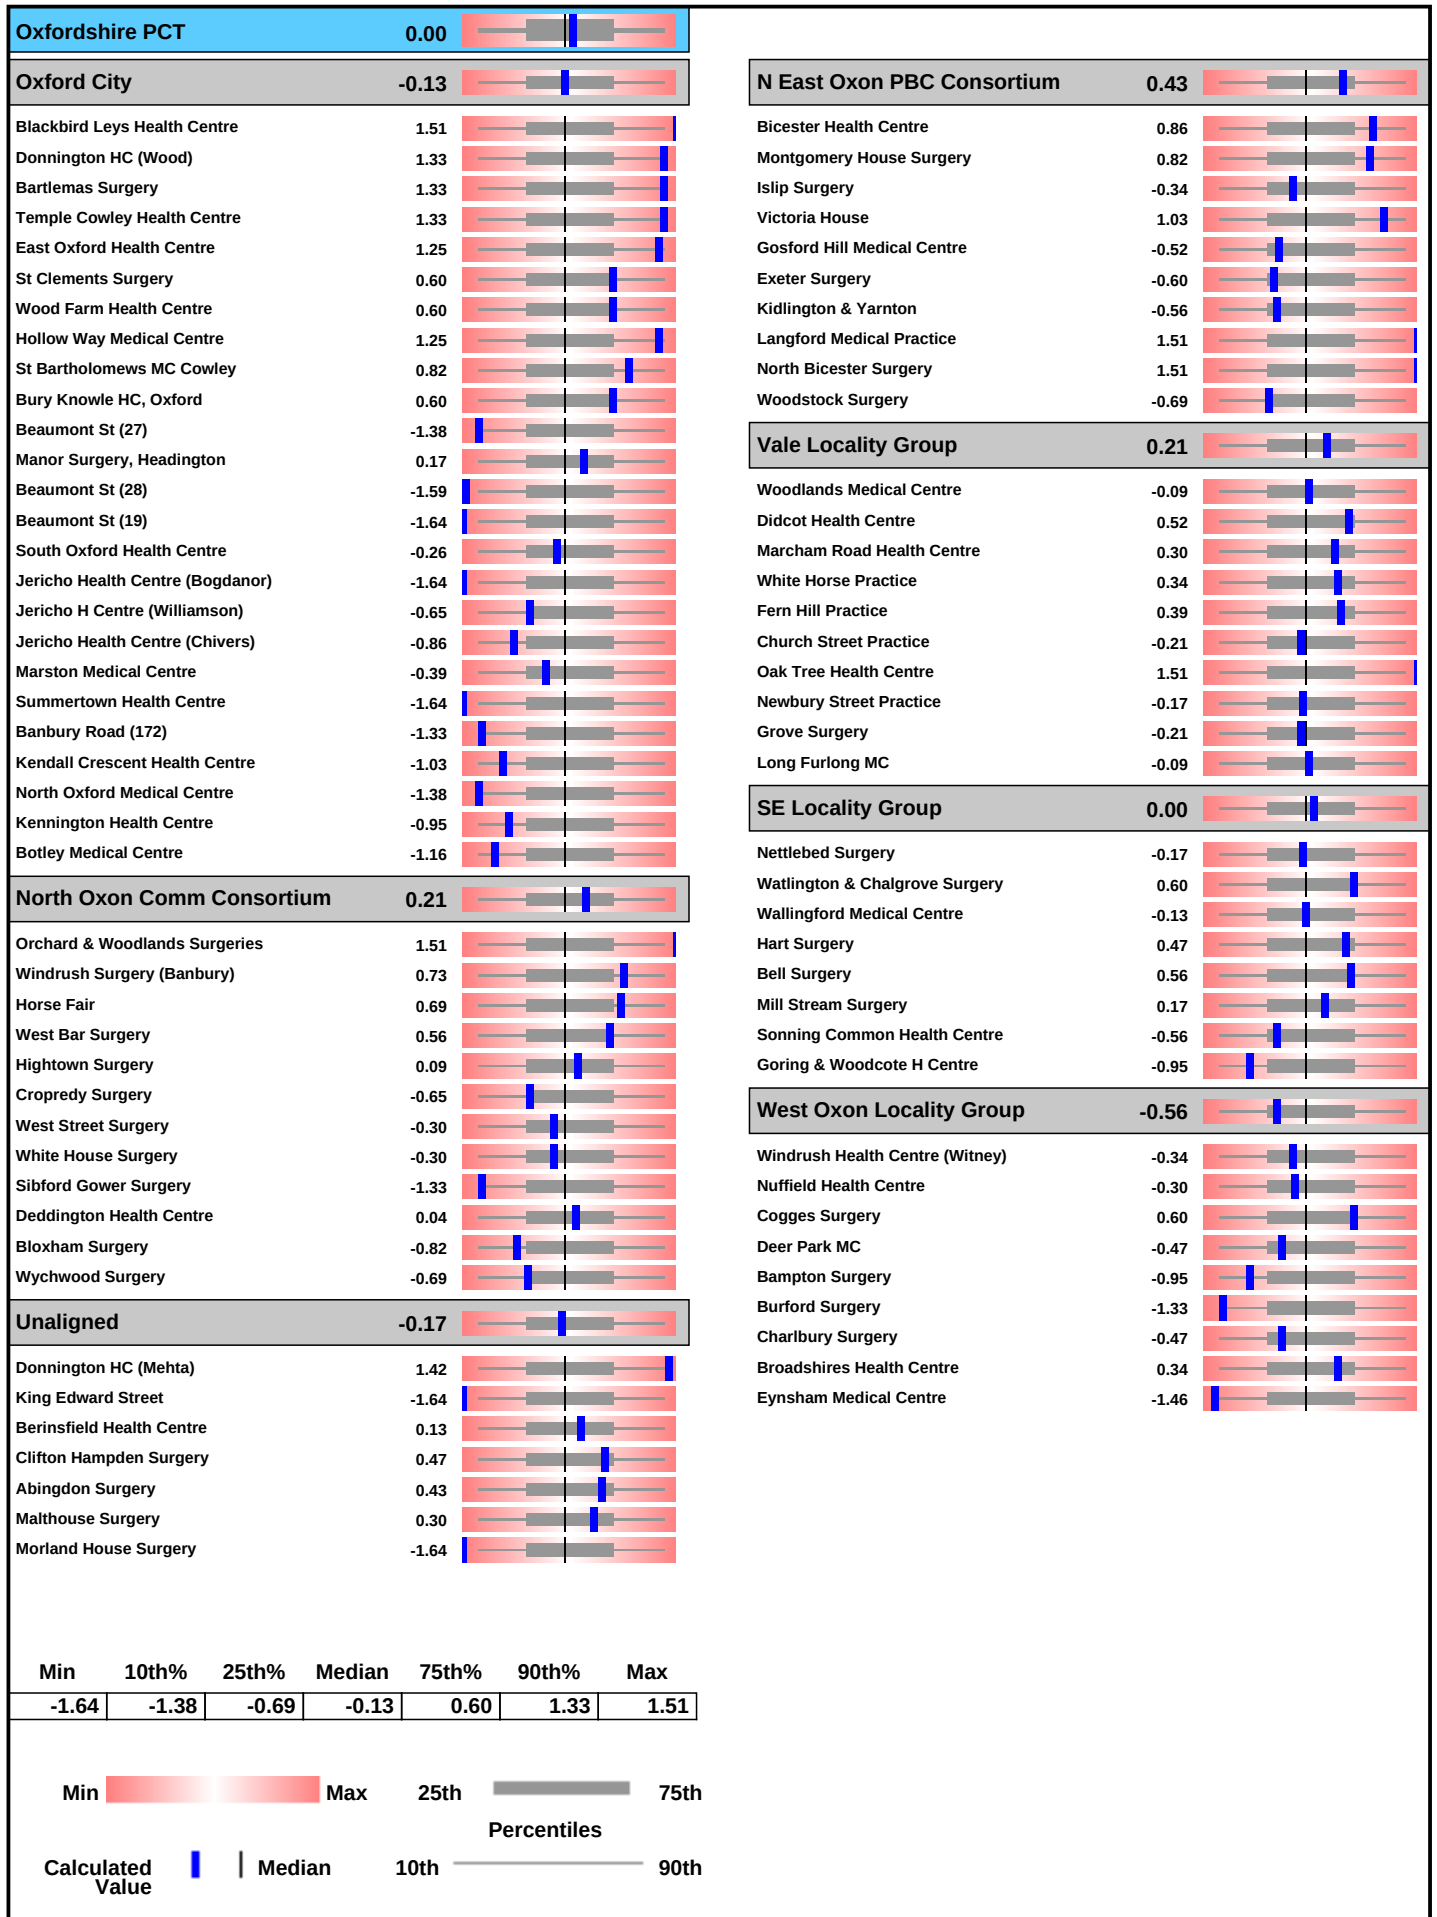

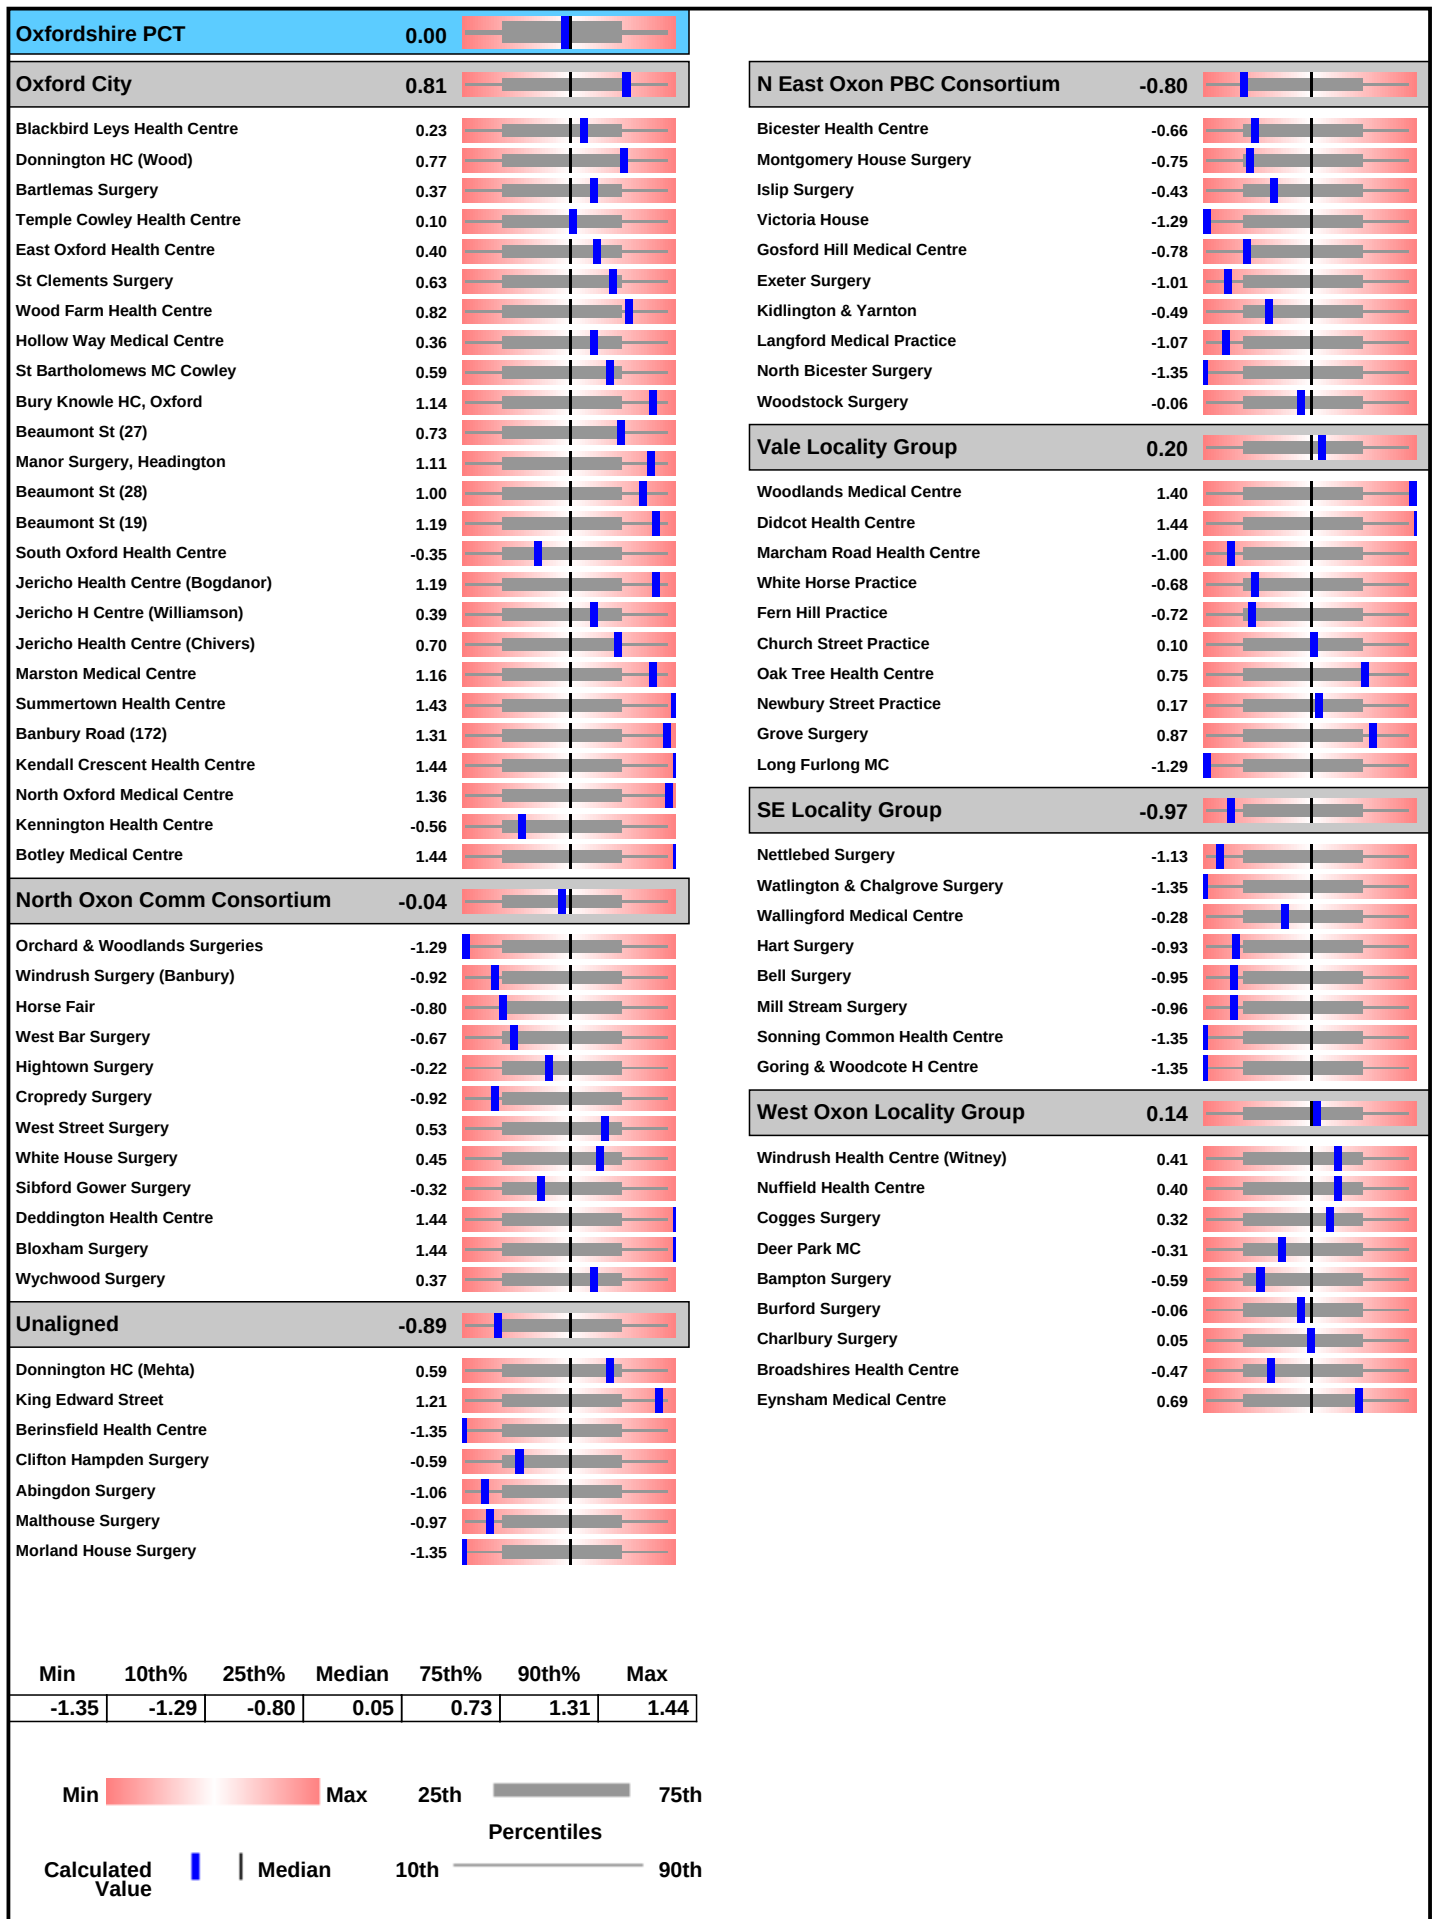

# Joint Strategic Needs Assessment [Demog]

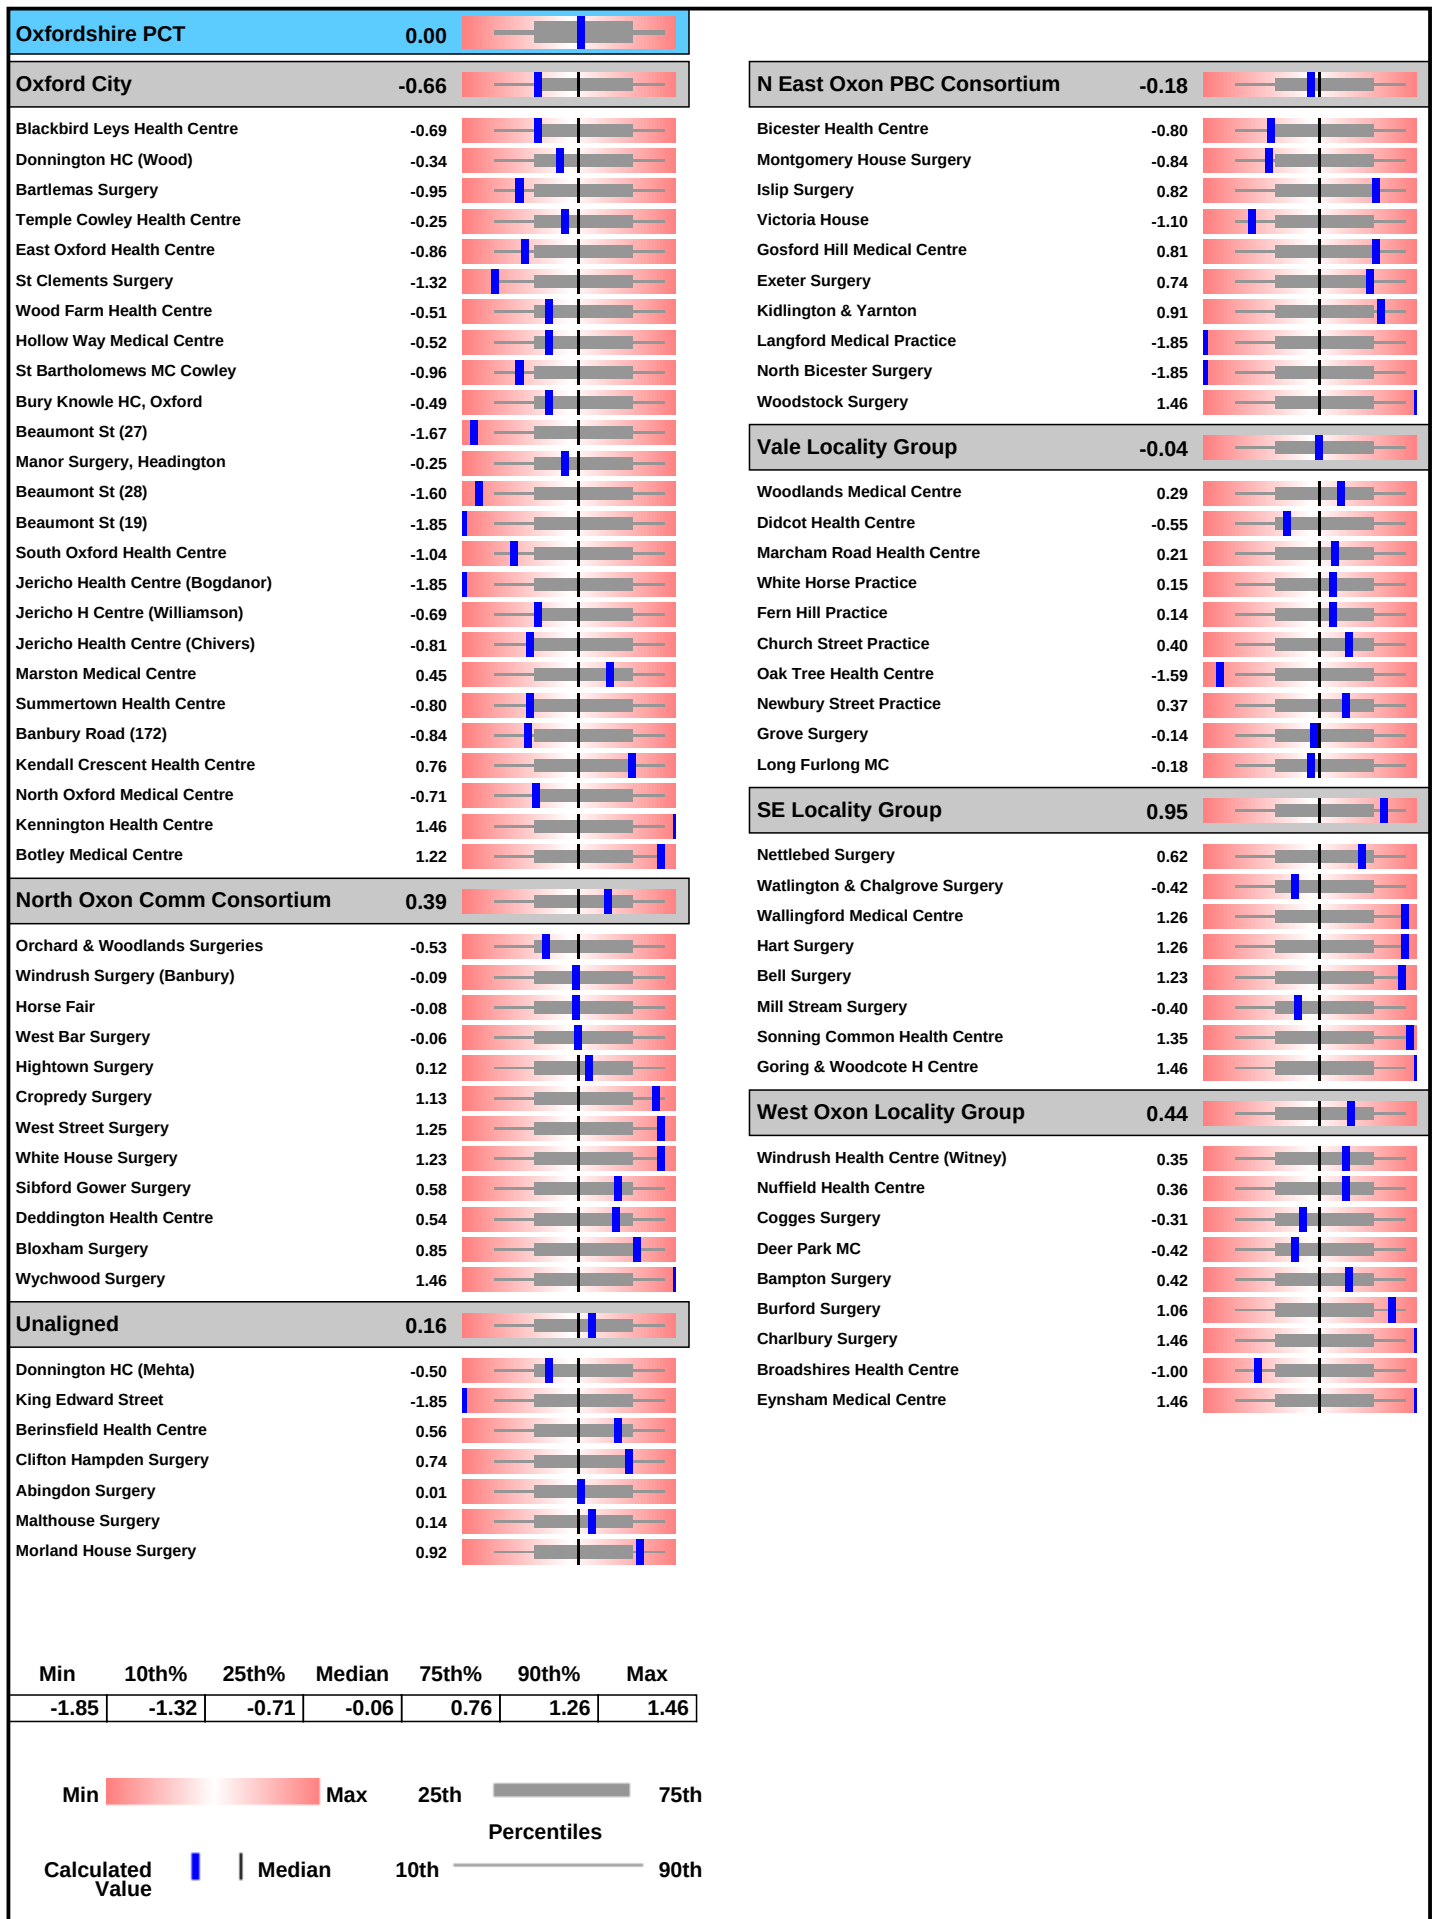

Demog003

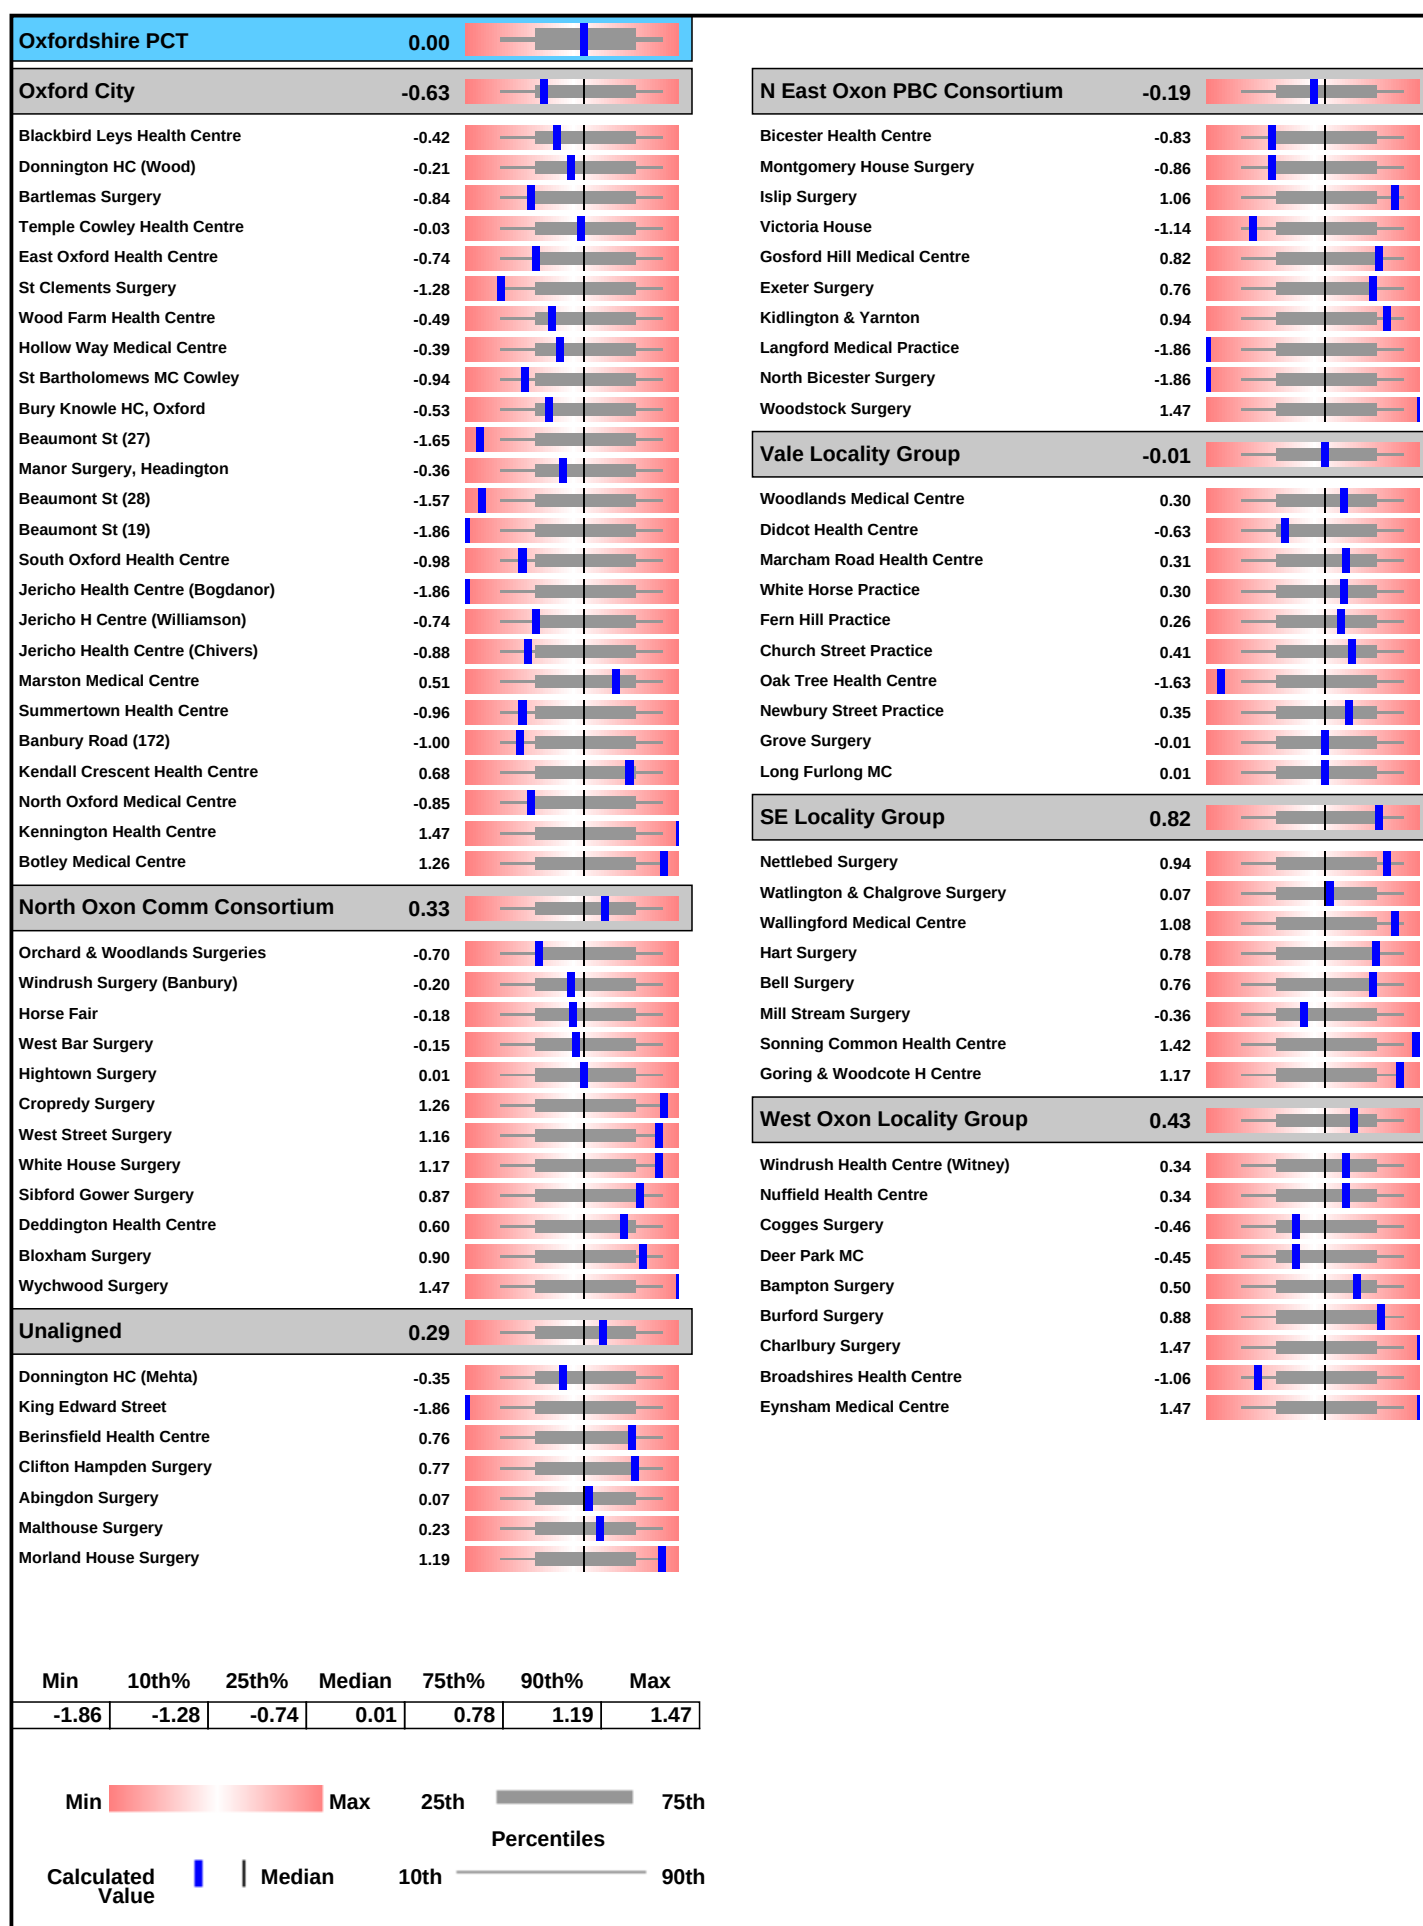

% change population projections 5 years time

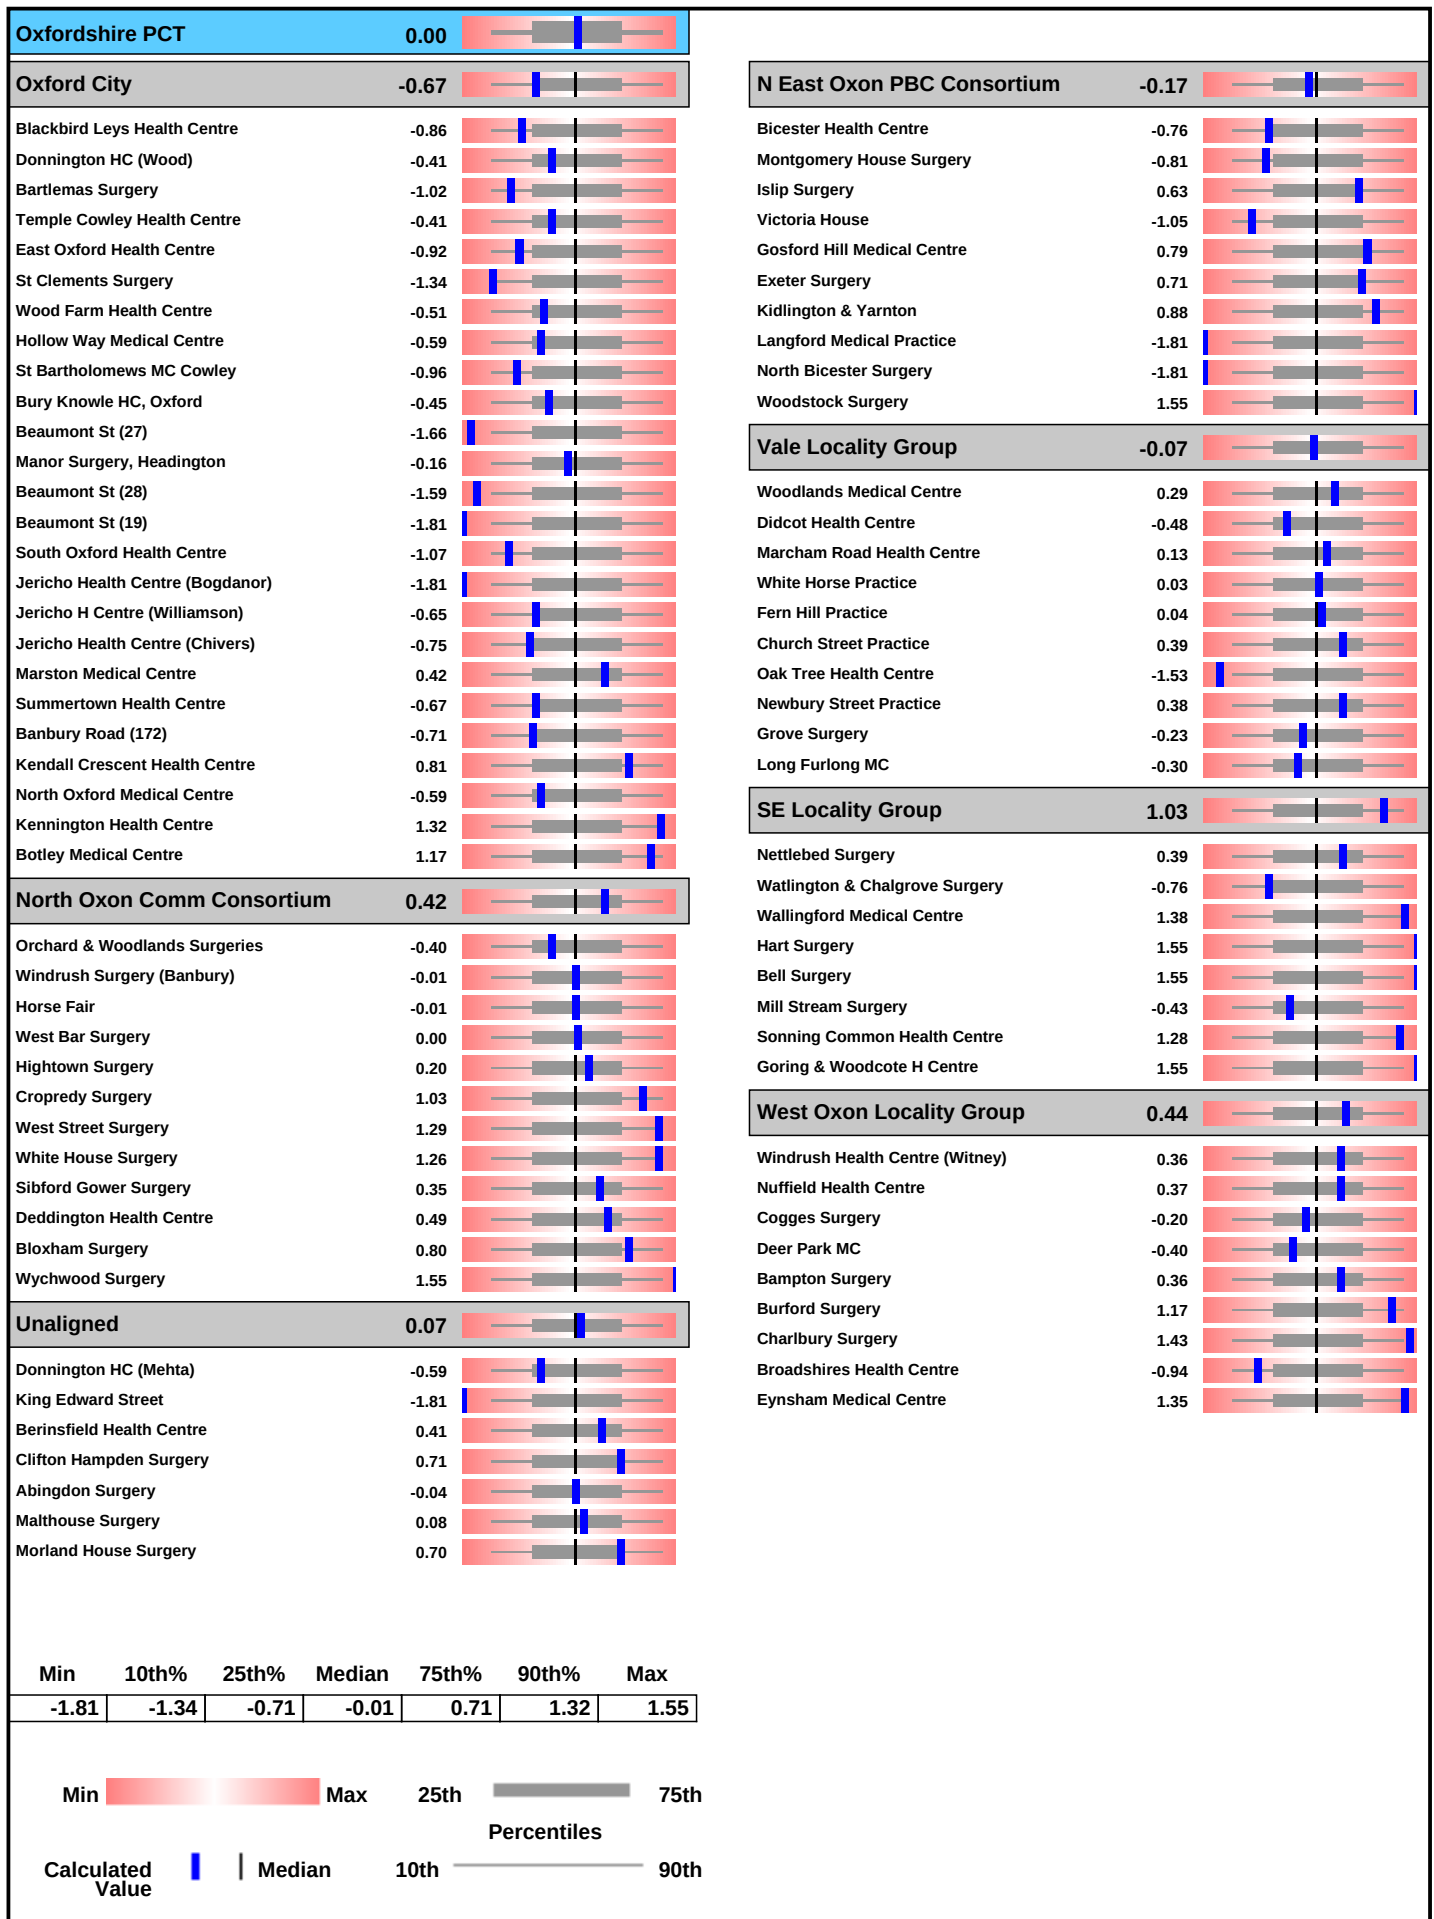

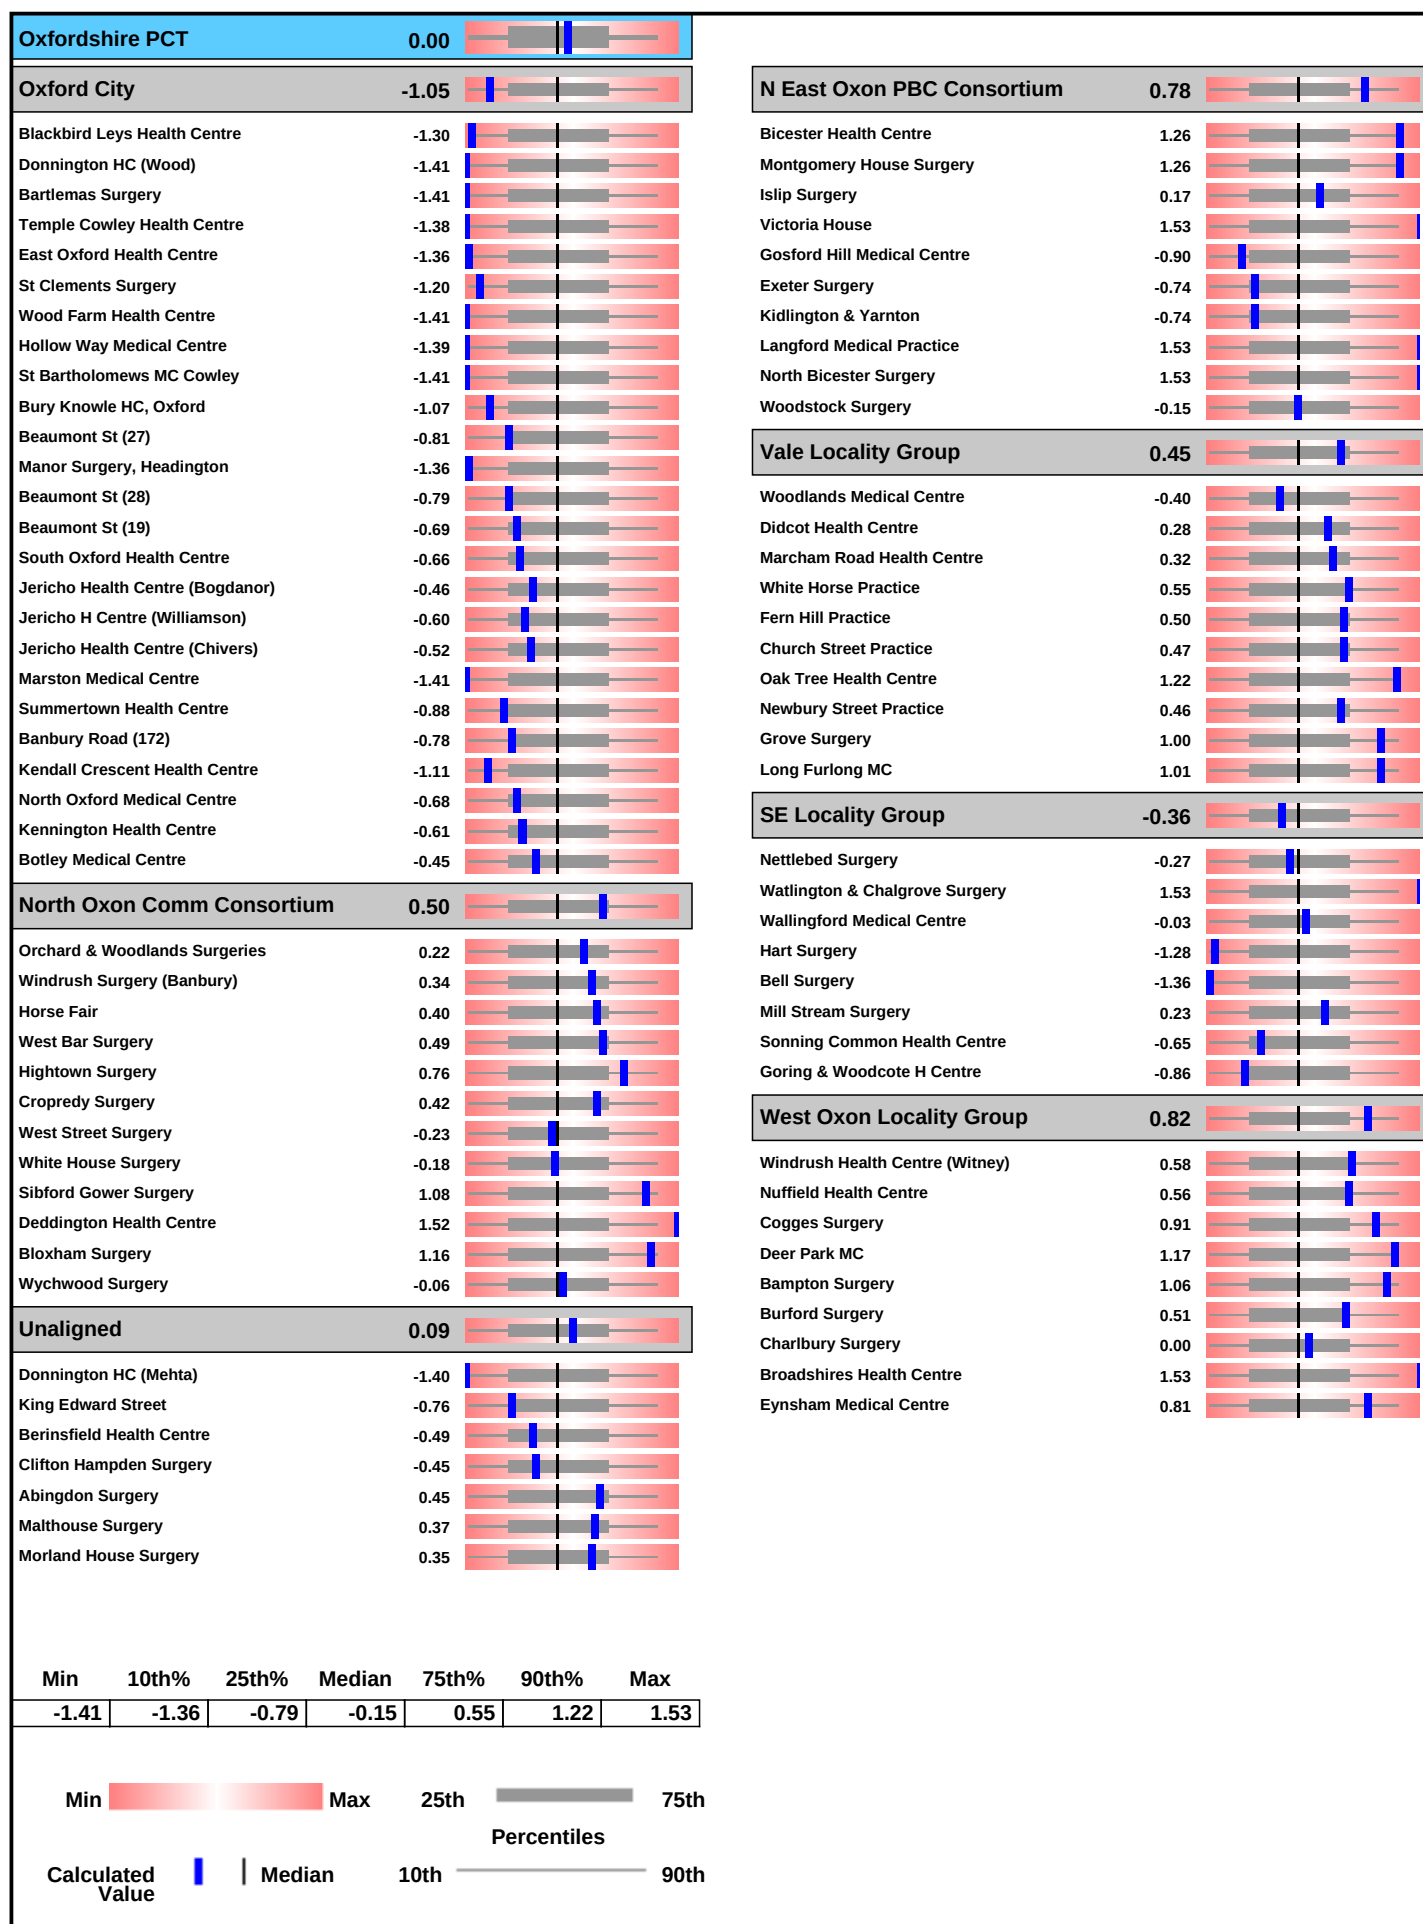

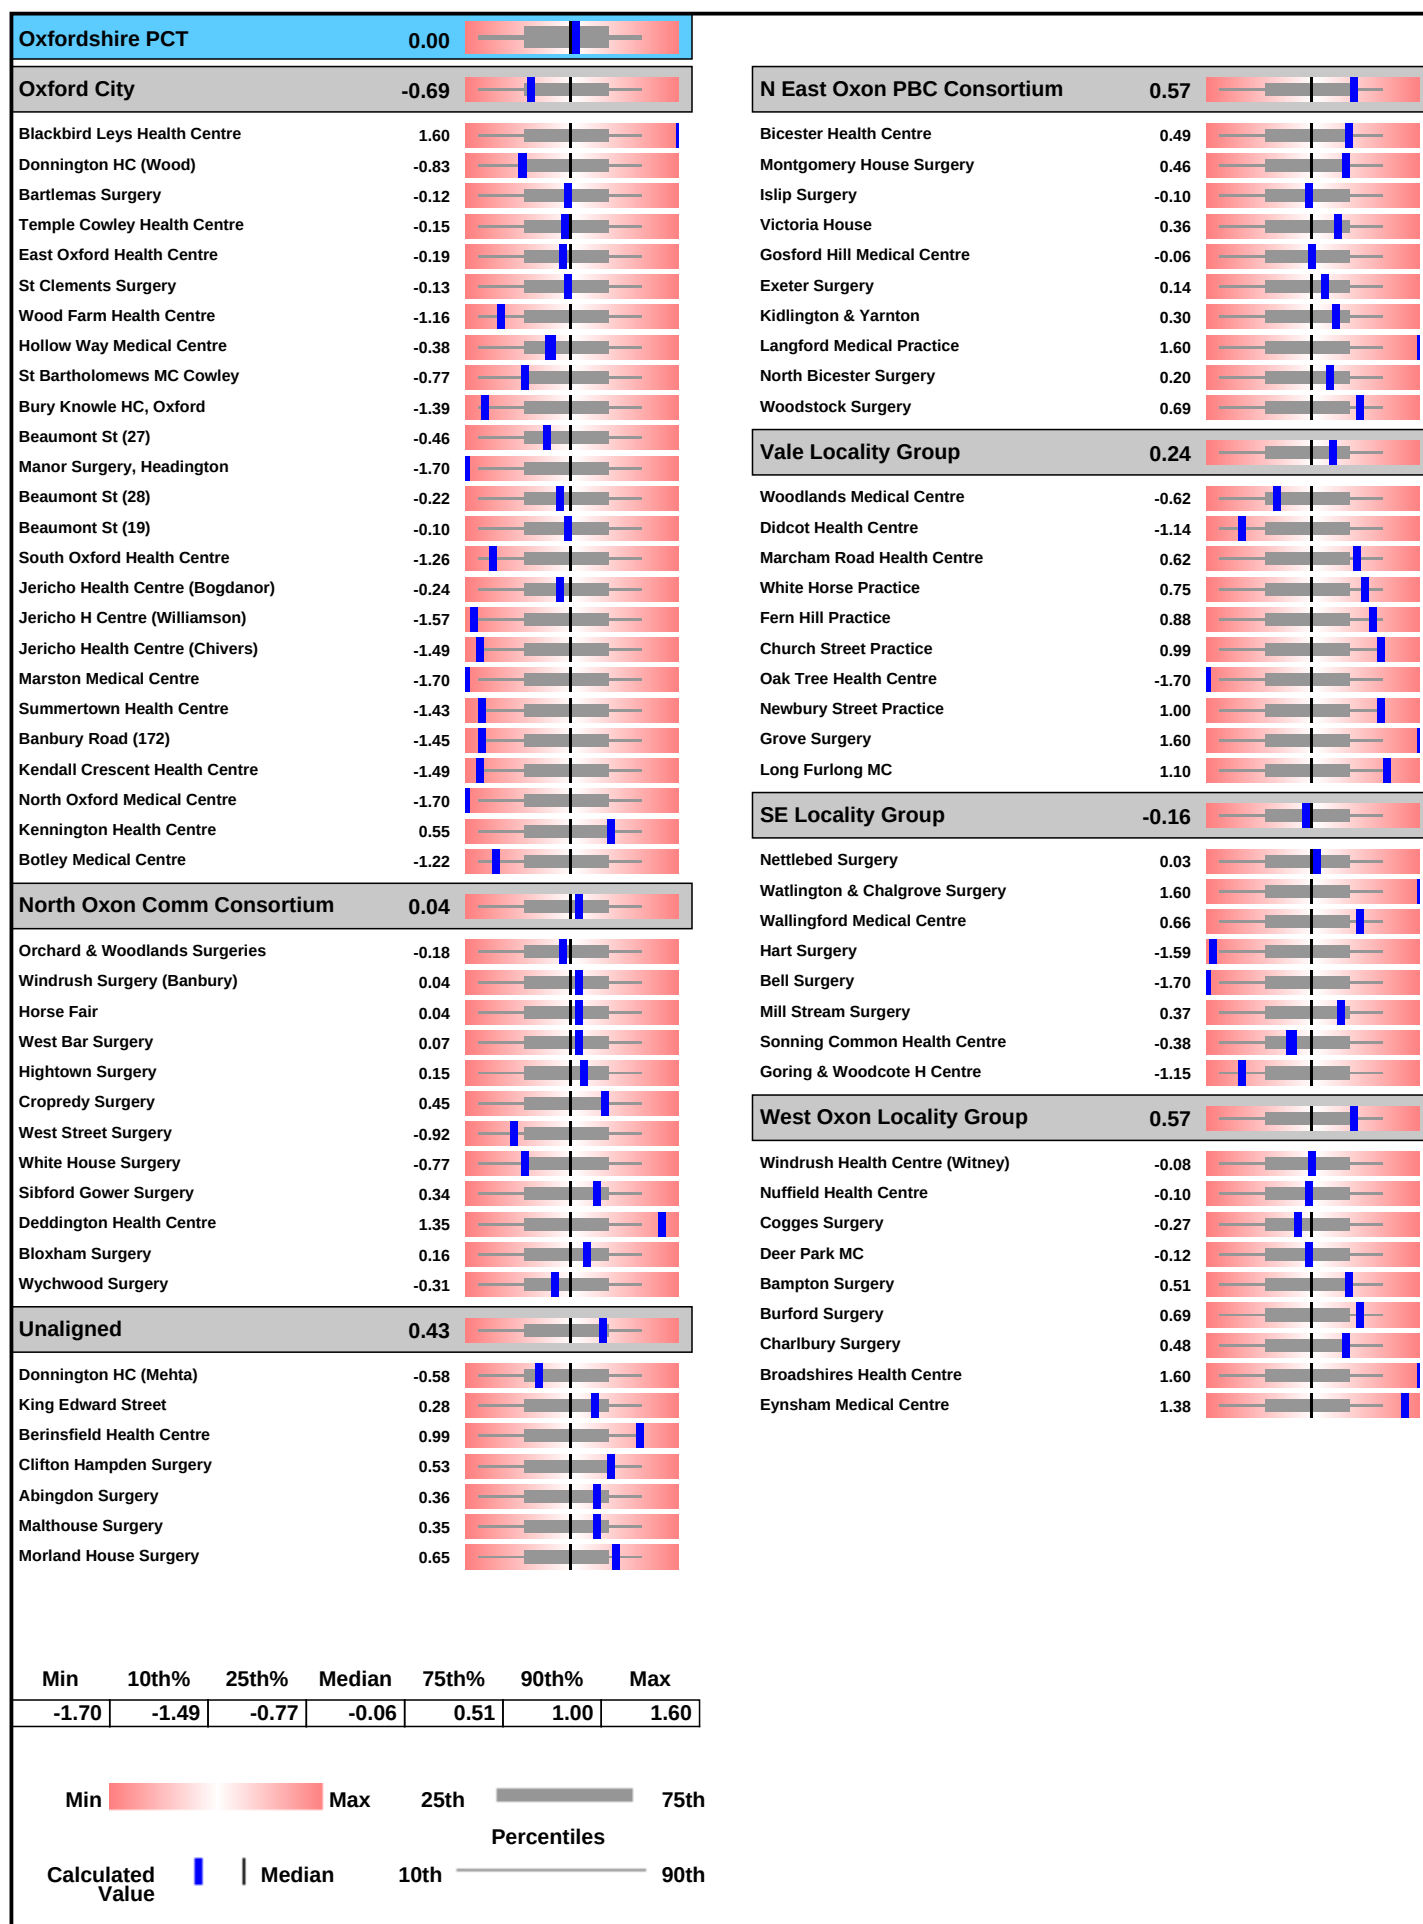

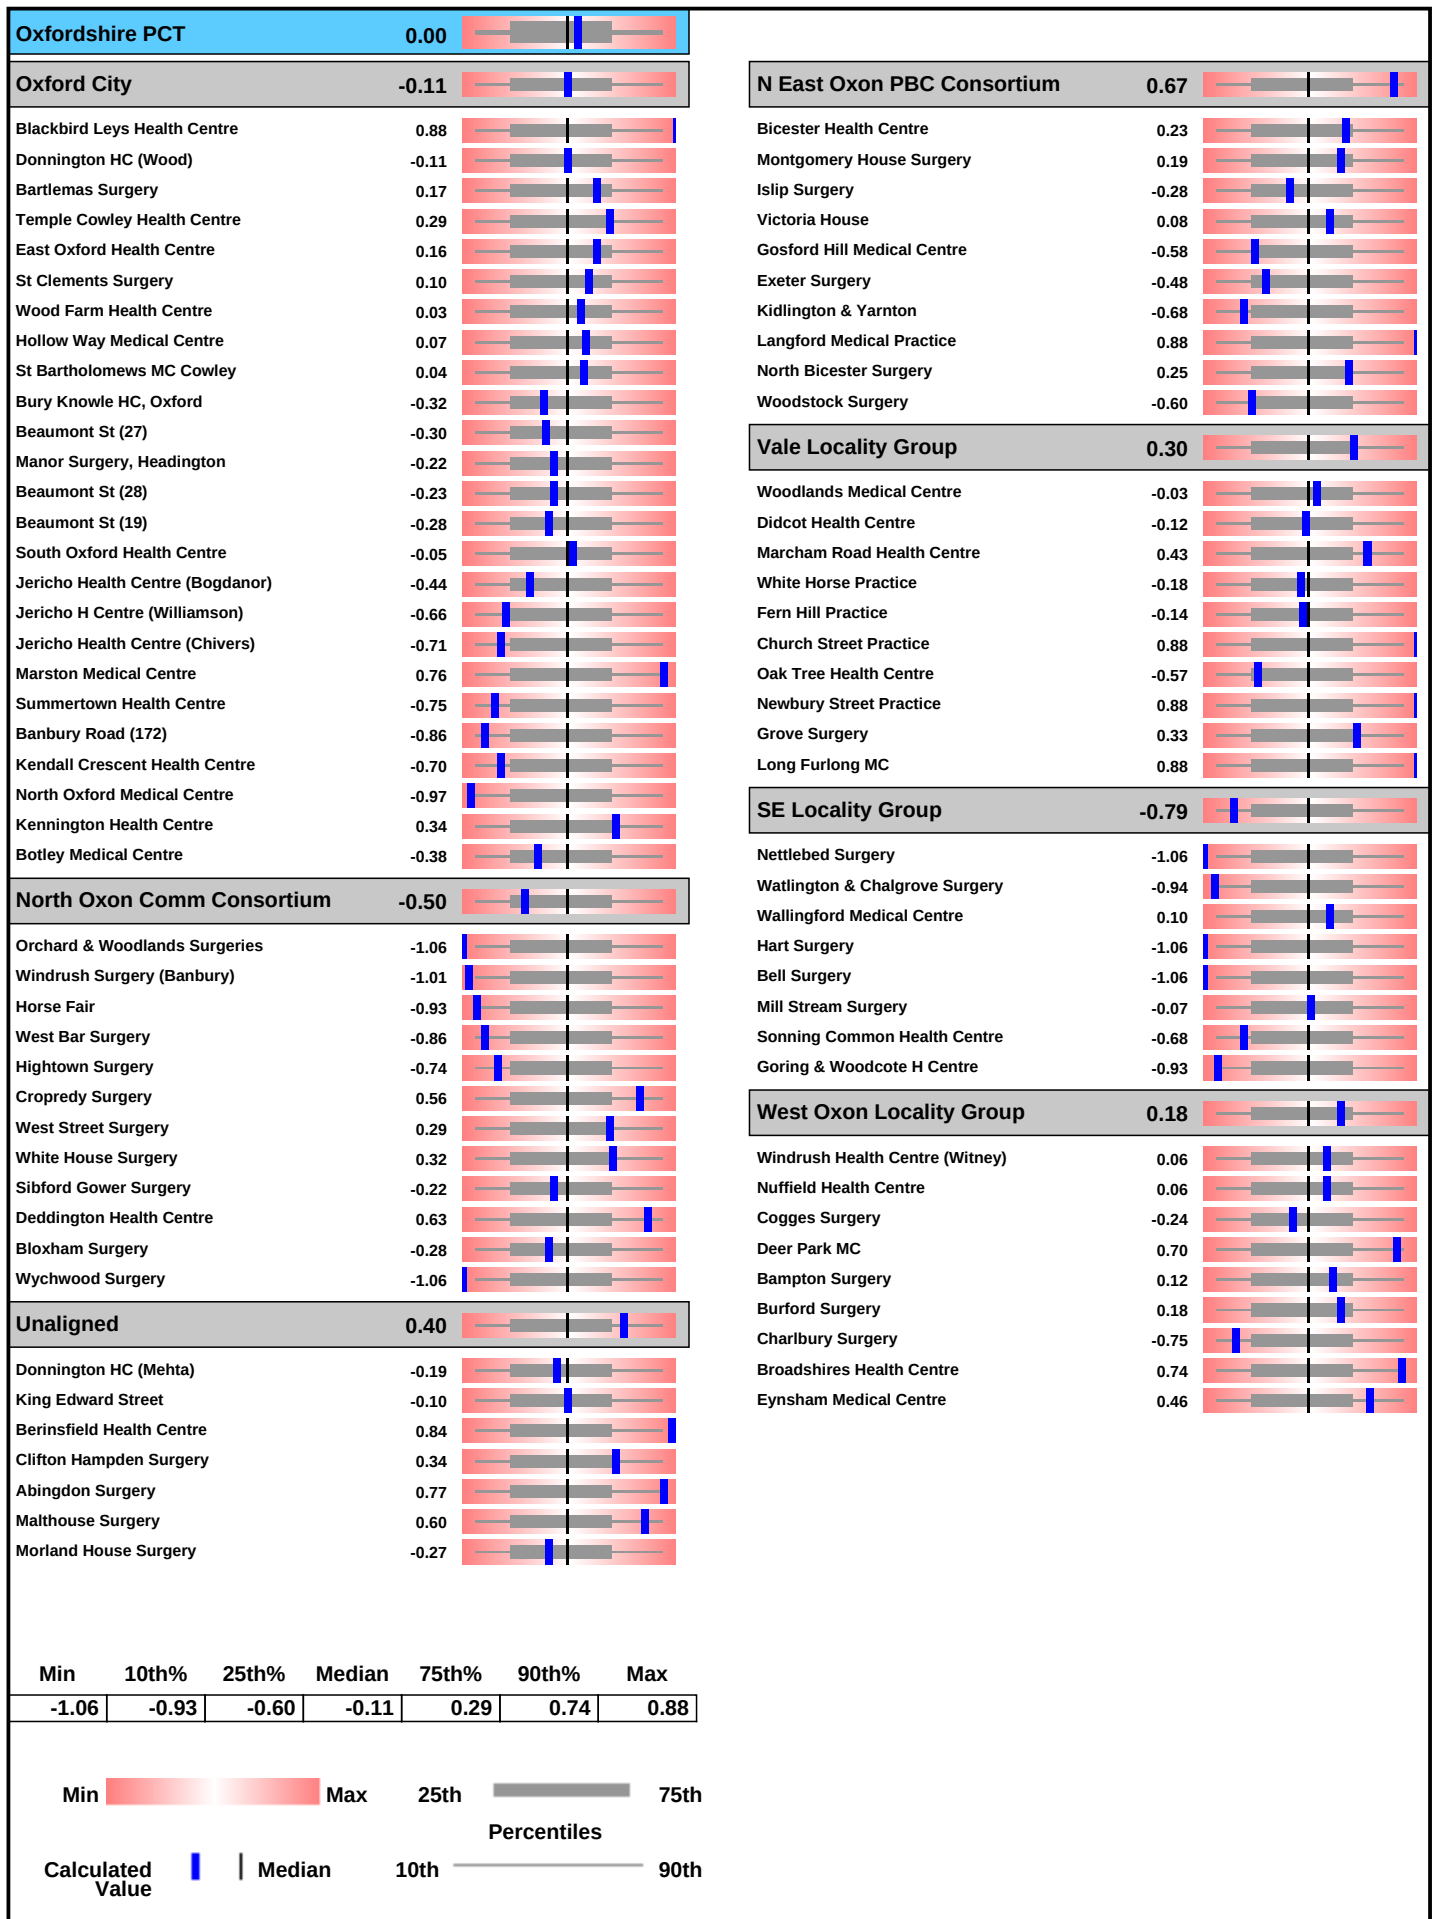

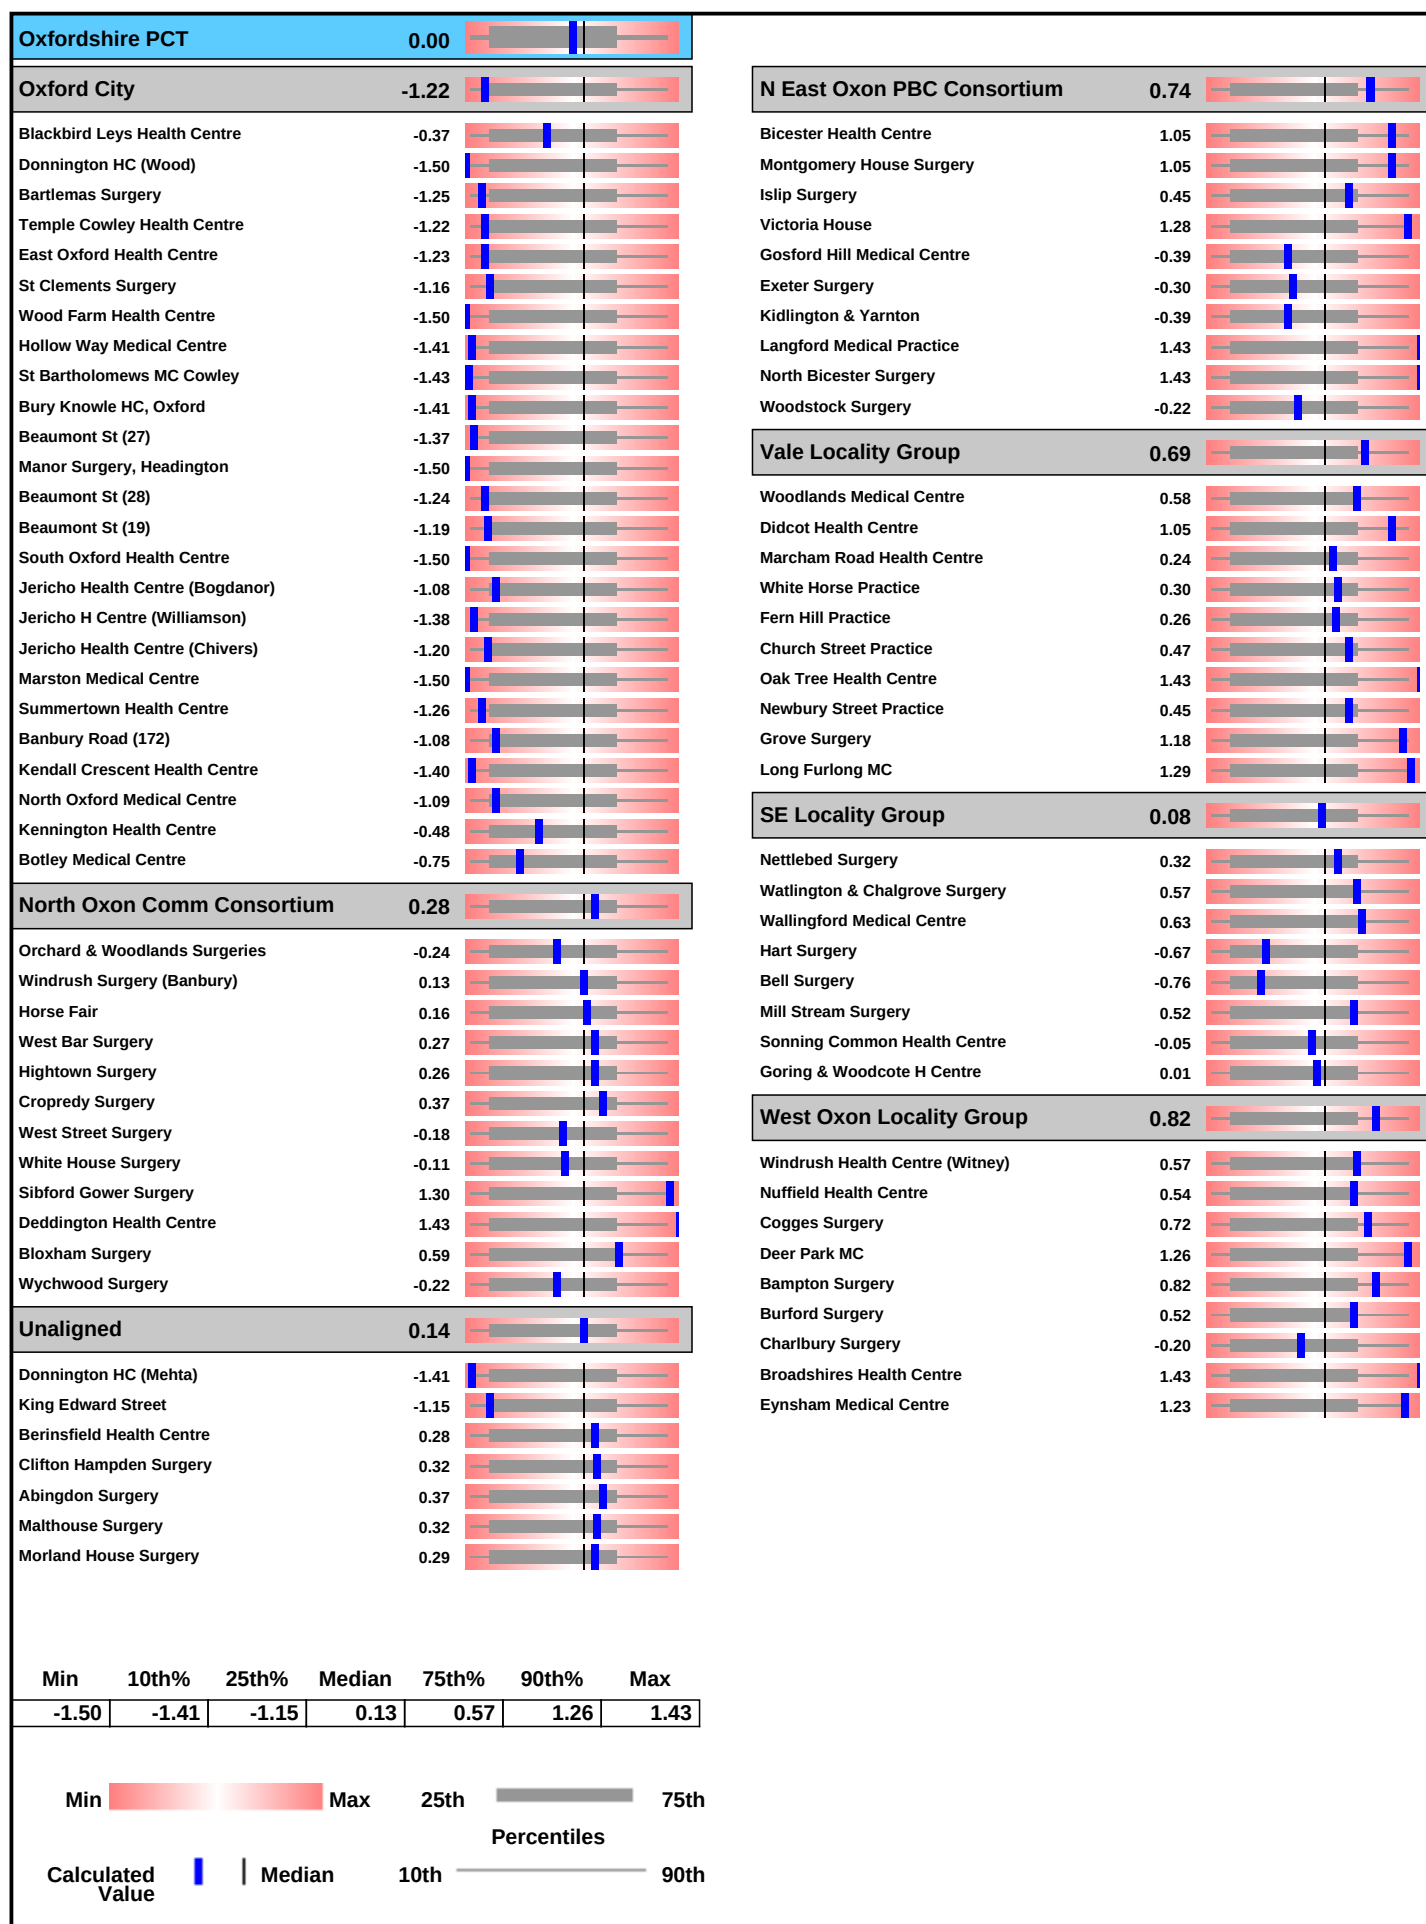

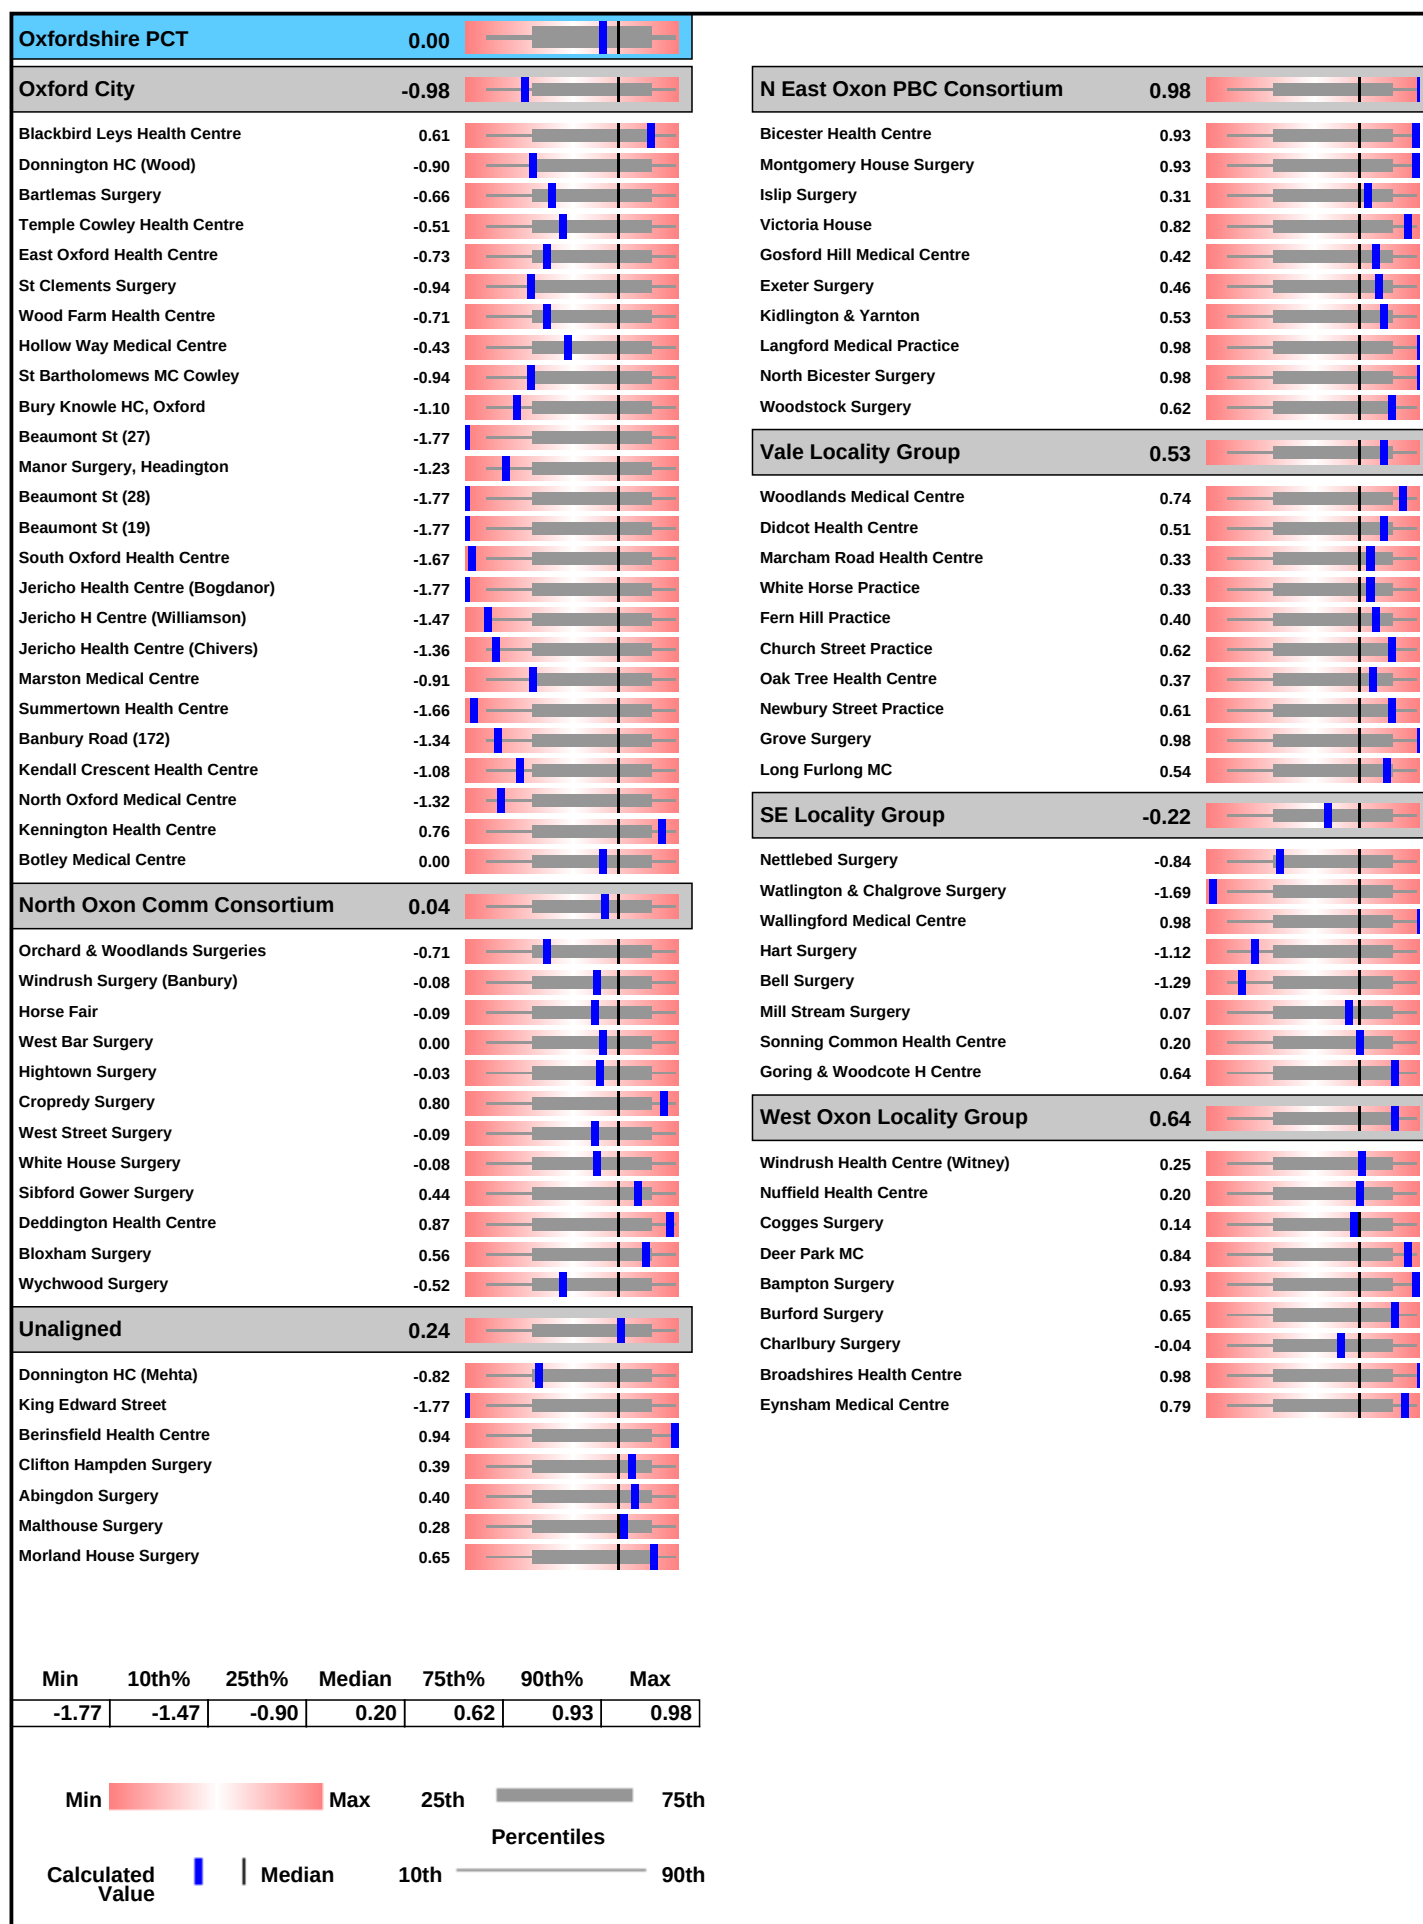

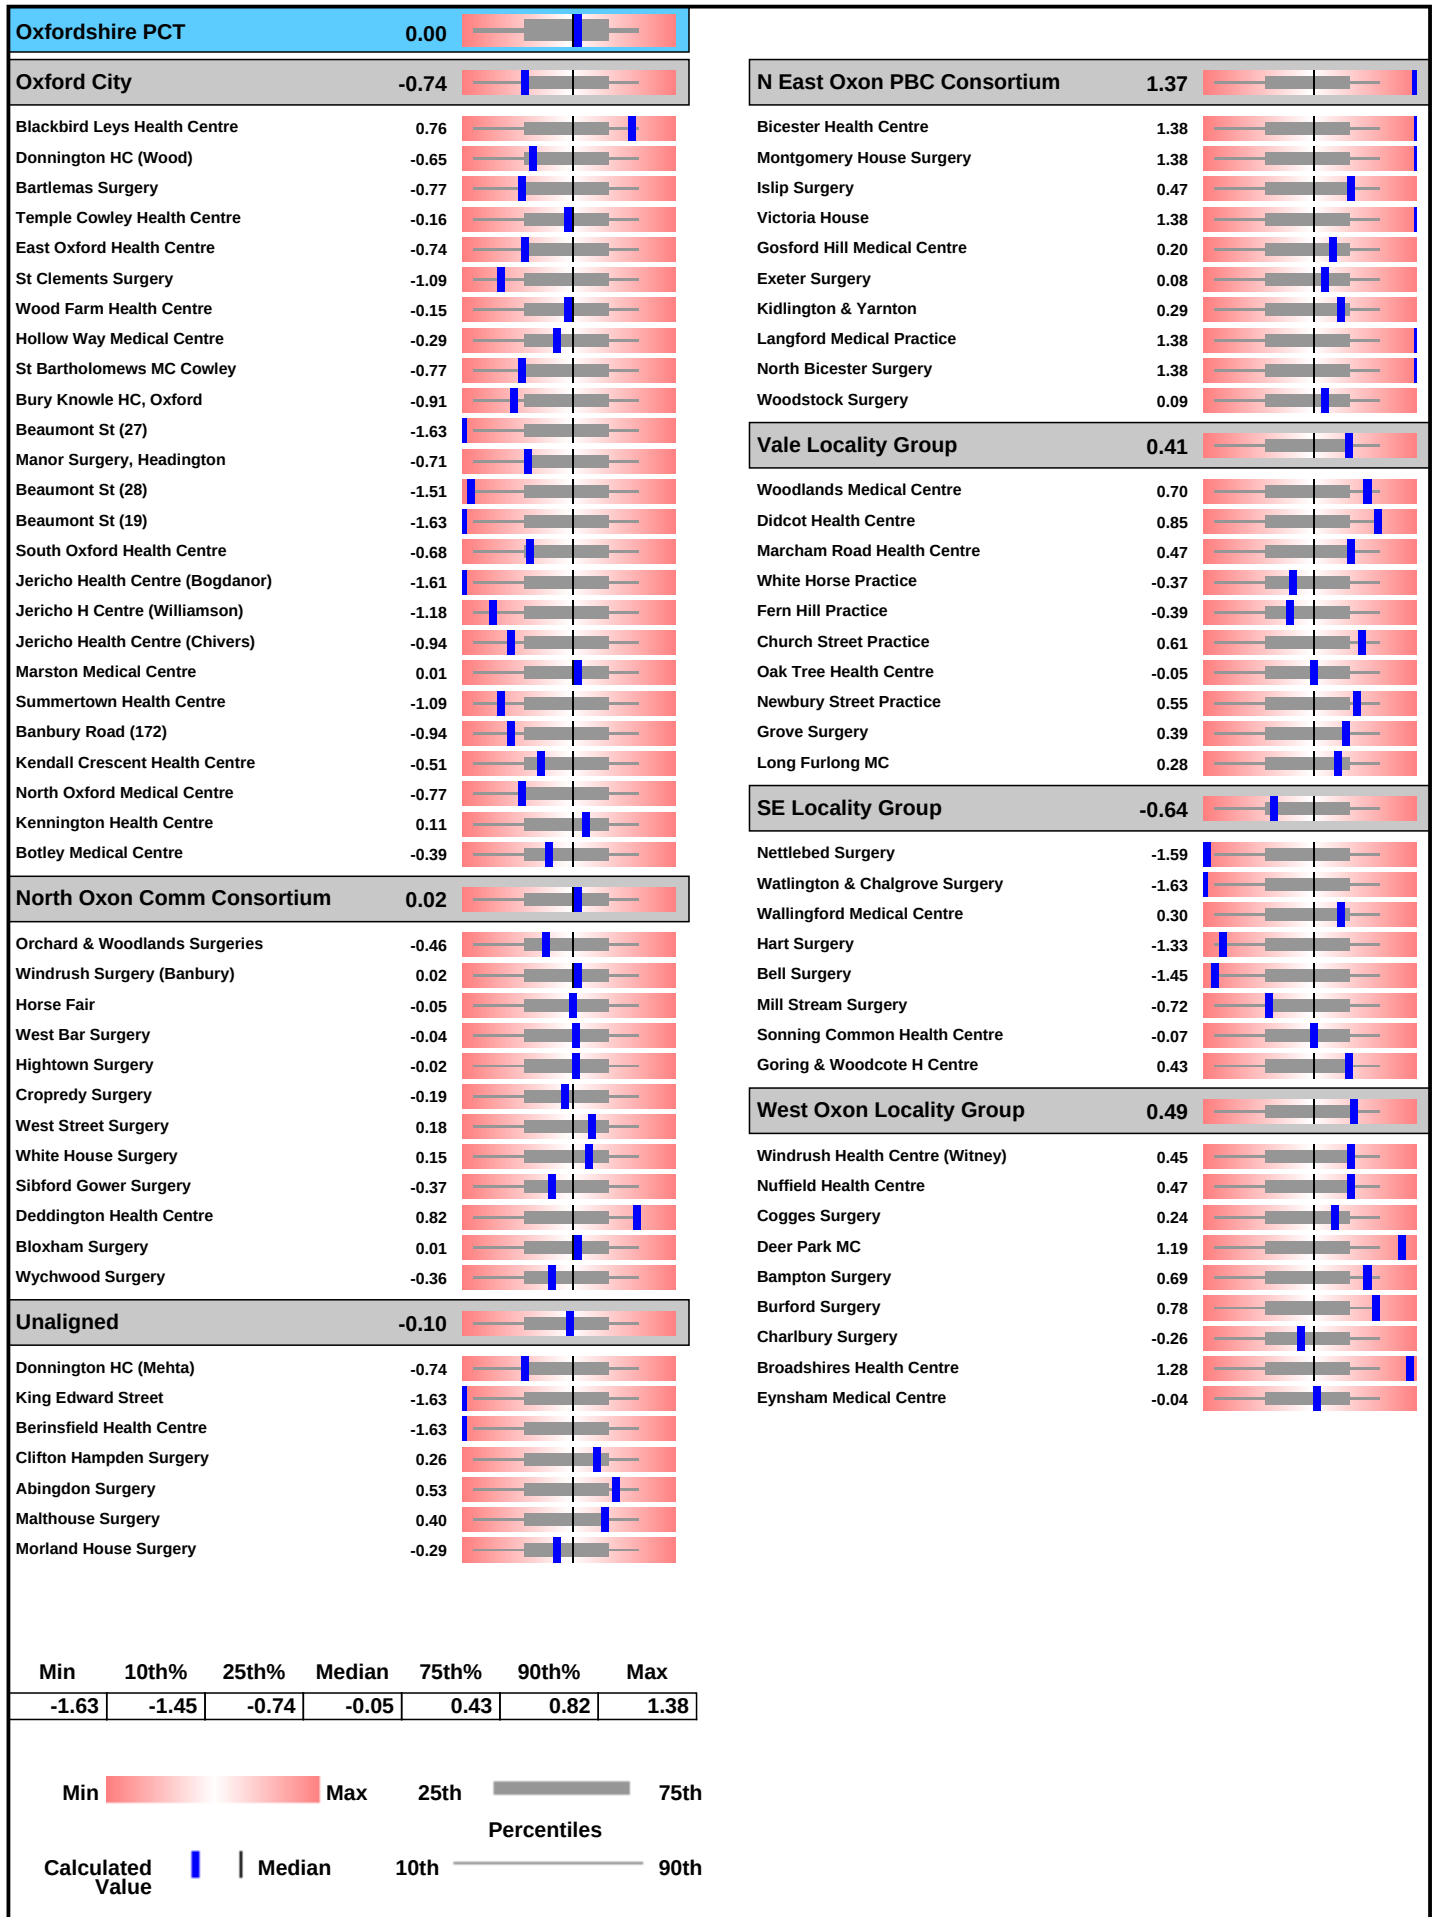

# Joint Strategic Needs Assessment [Demog]

Demog008.3

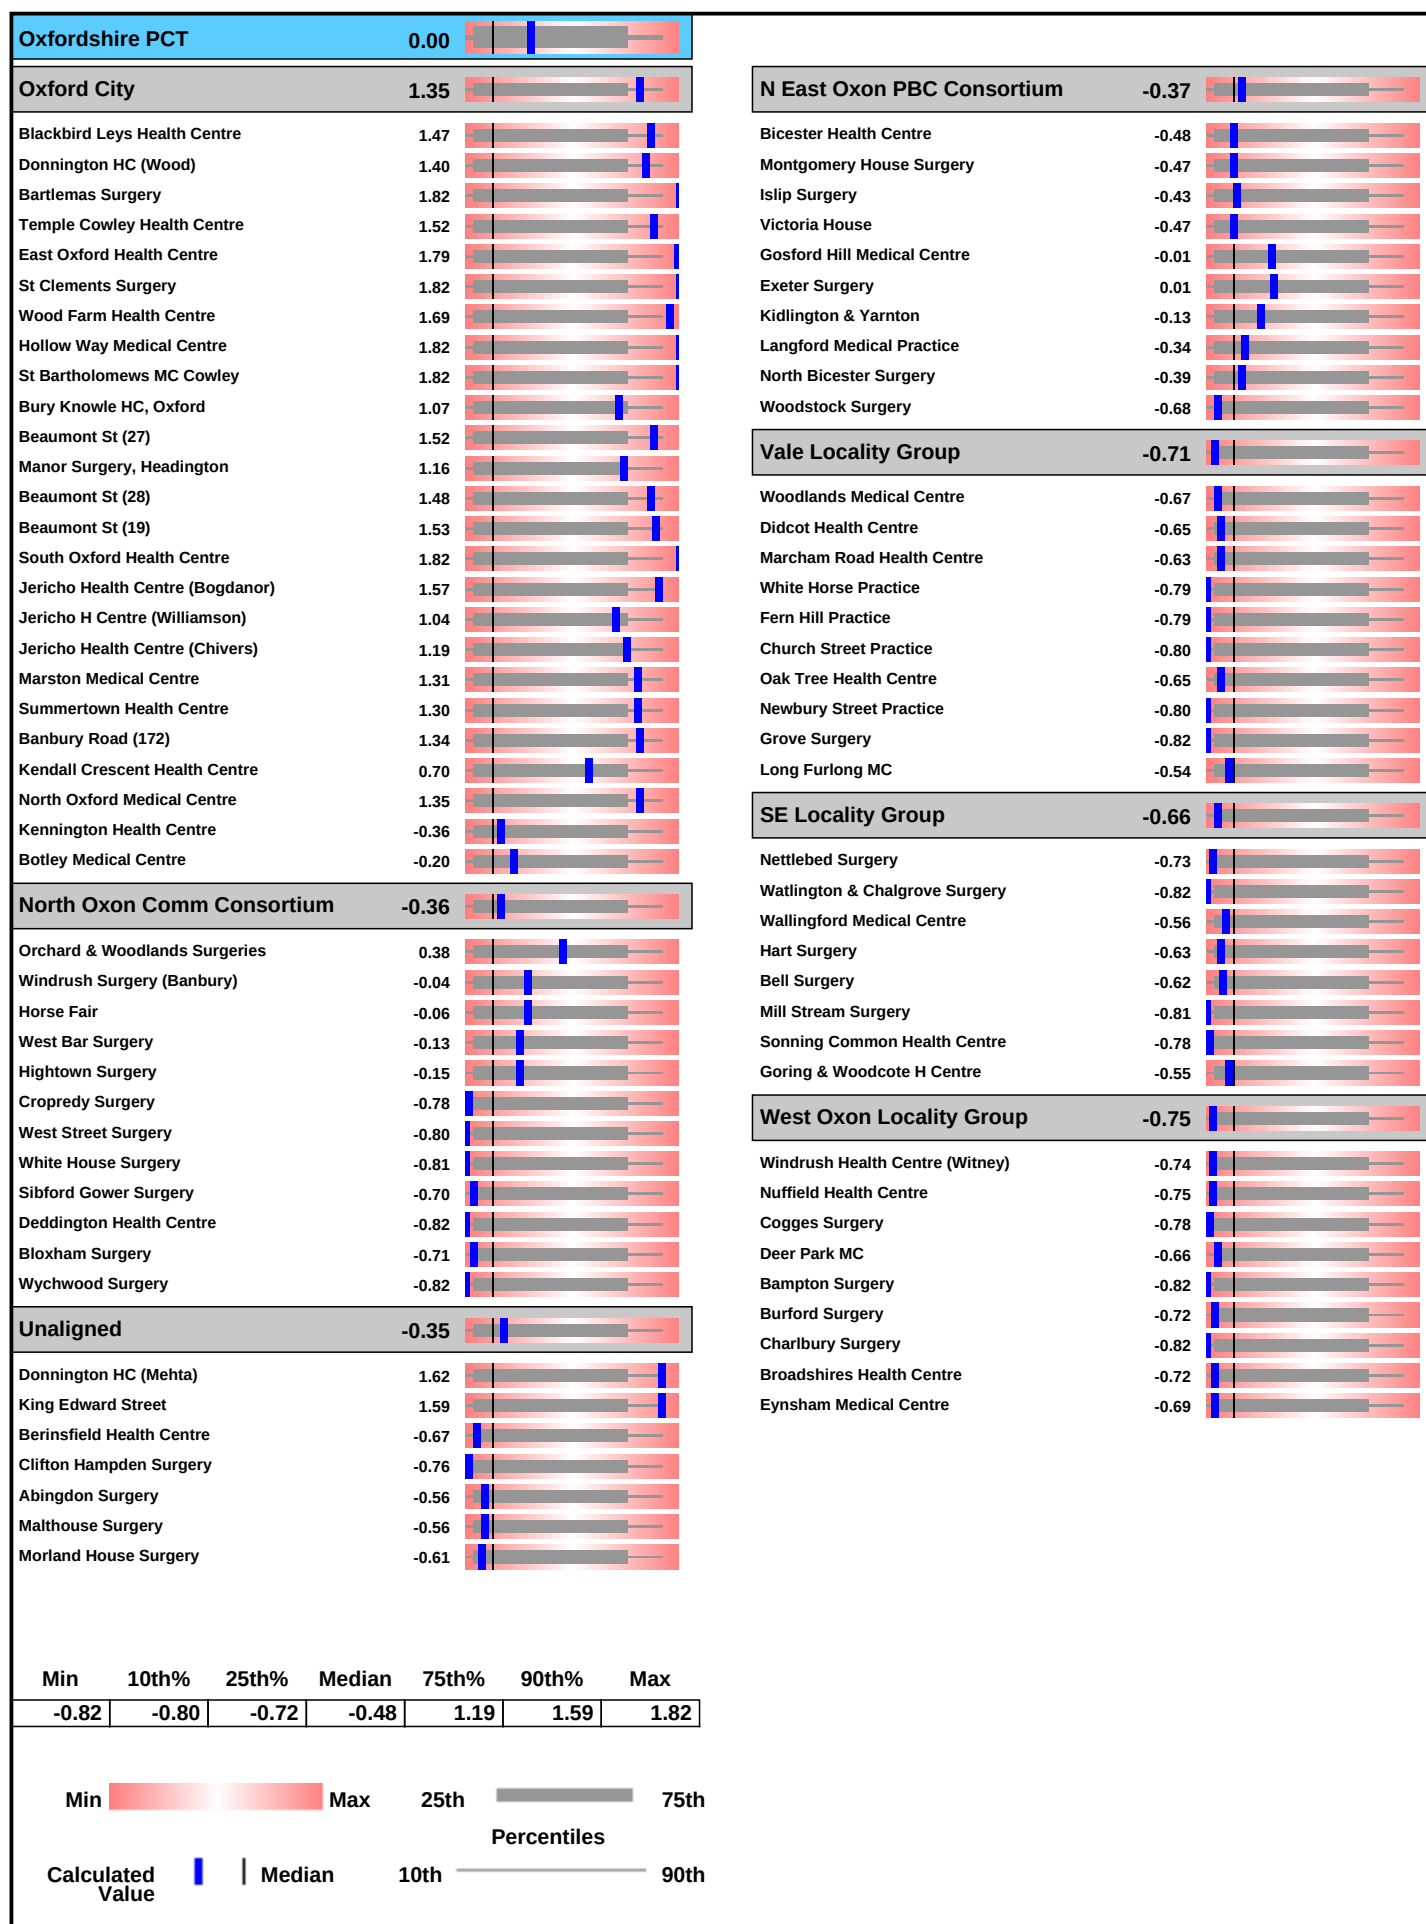

Aged 85+, female five-year projection

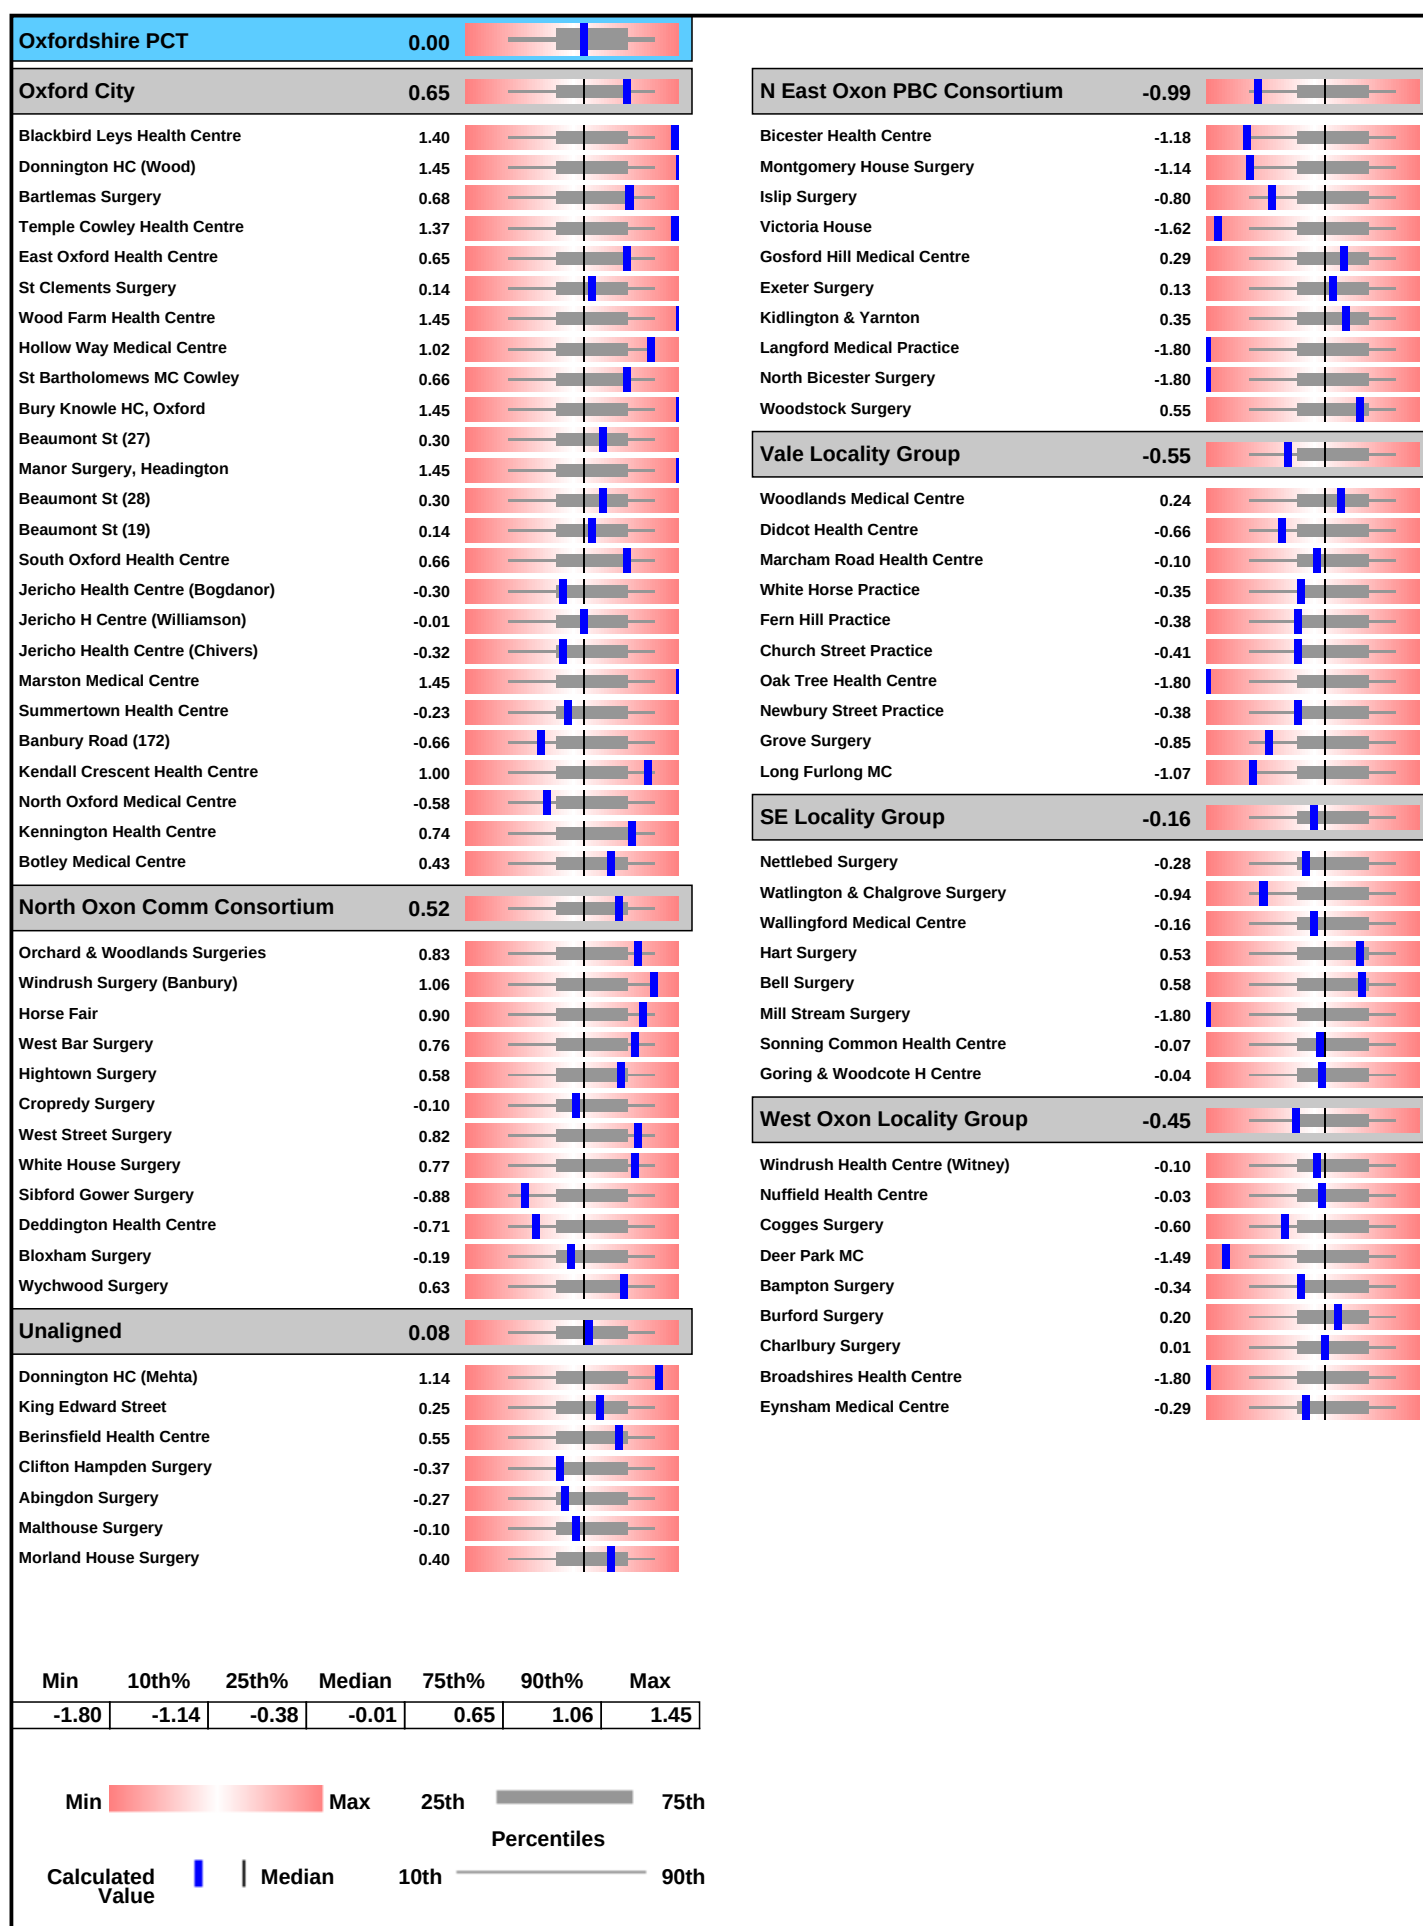

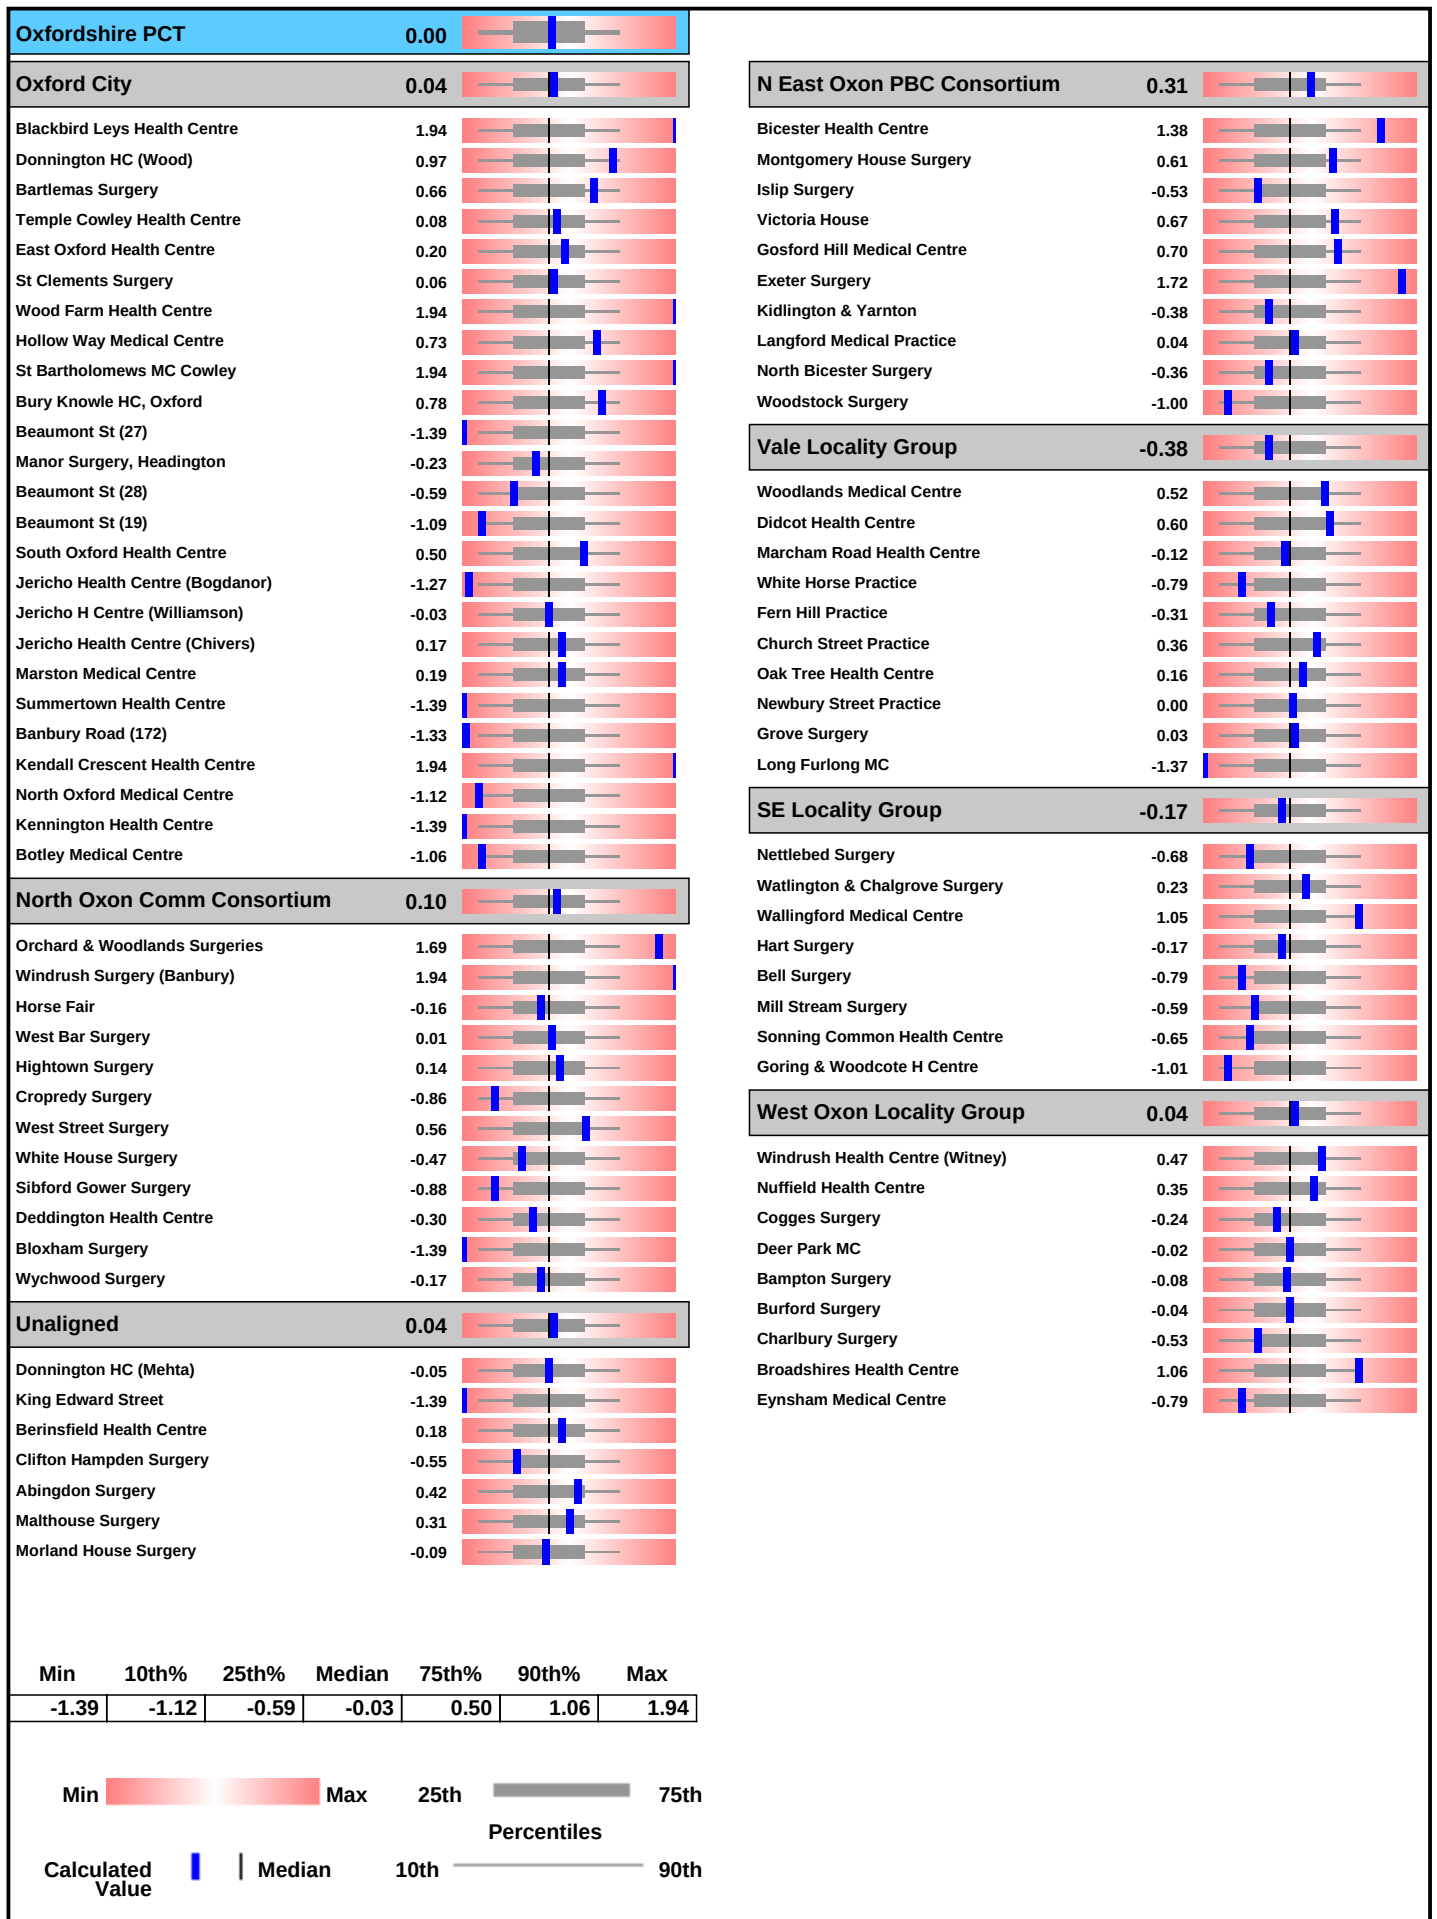

# Joint Strategic Needs Assessment [Demog]

Demog010

Non white ethnic groupings Current percentages

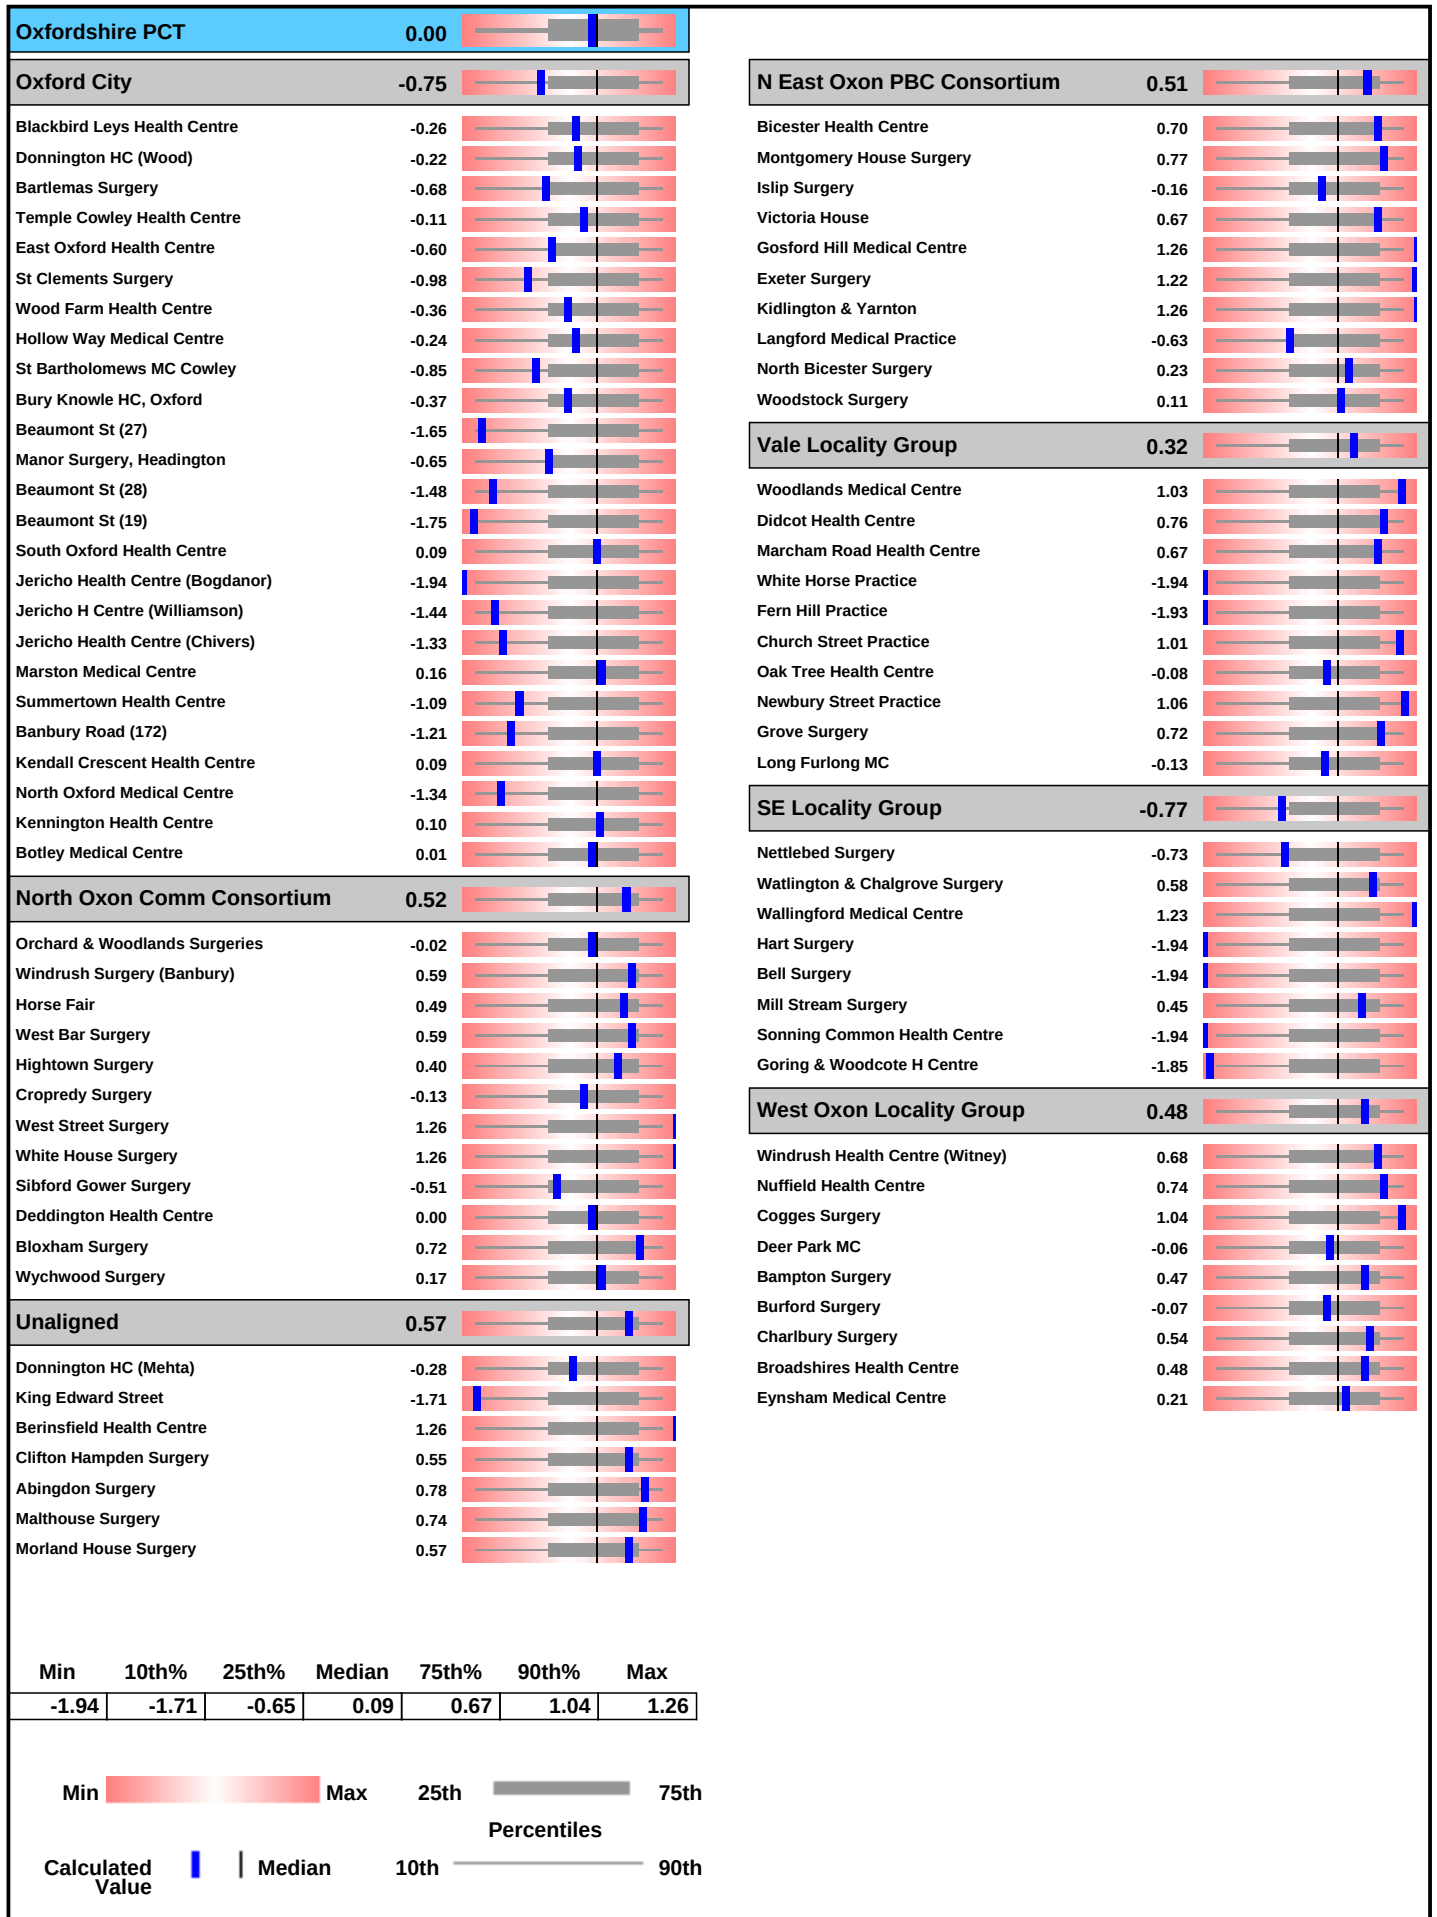

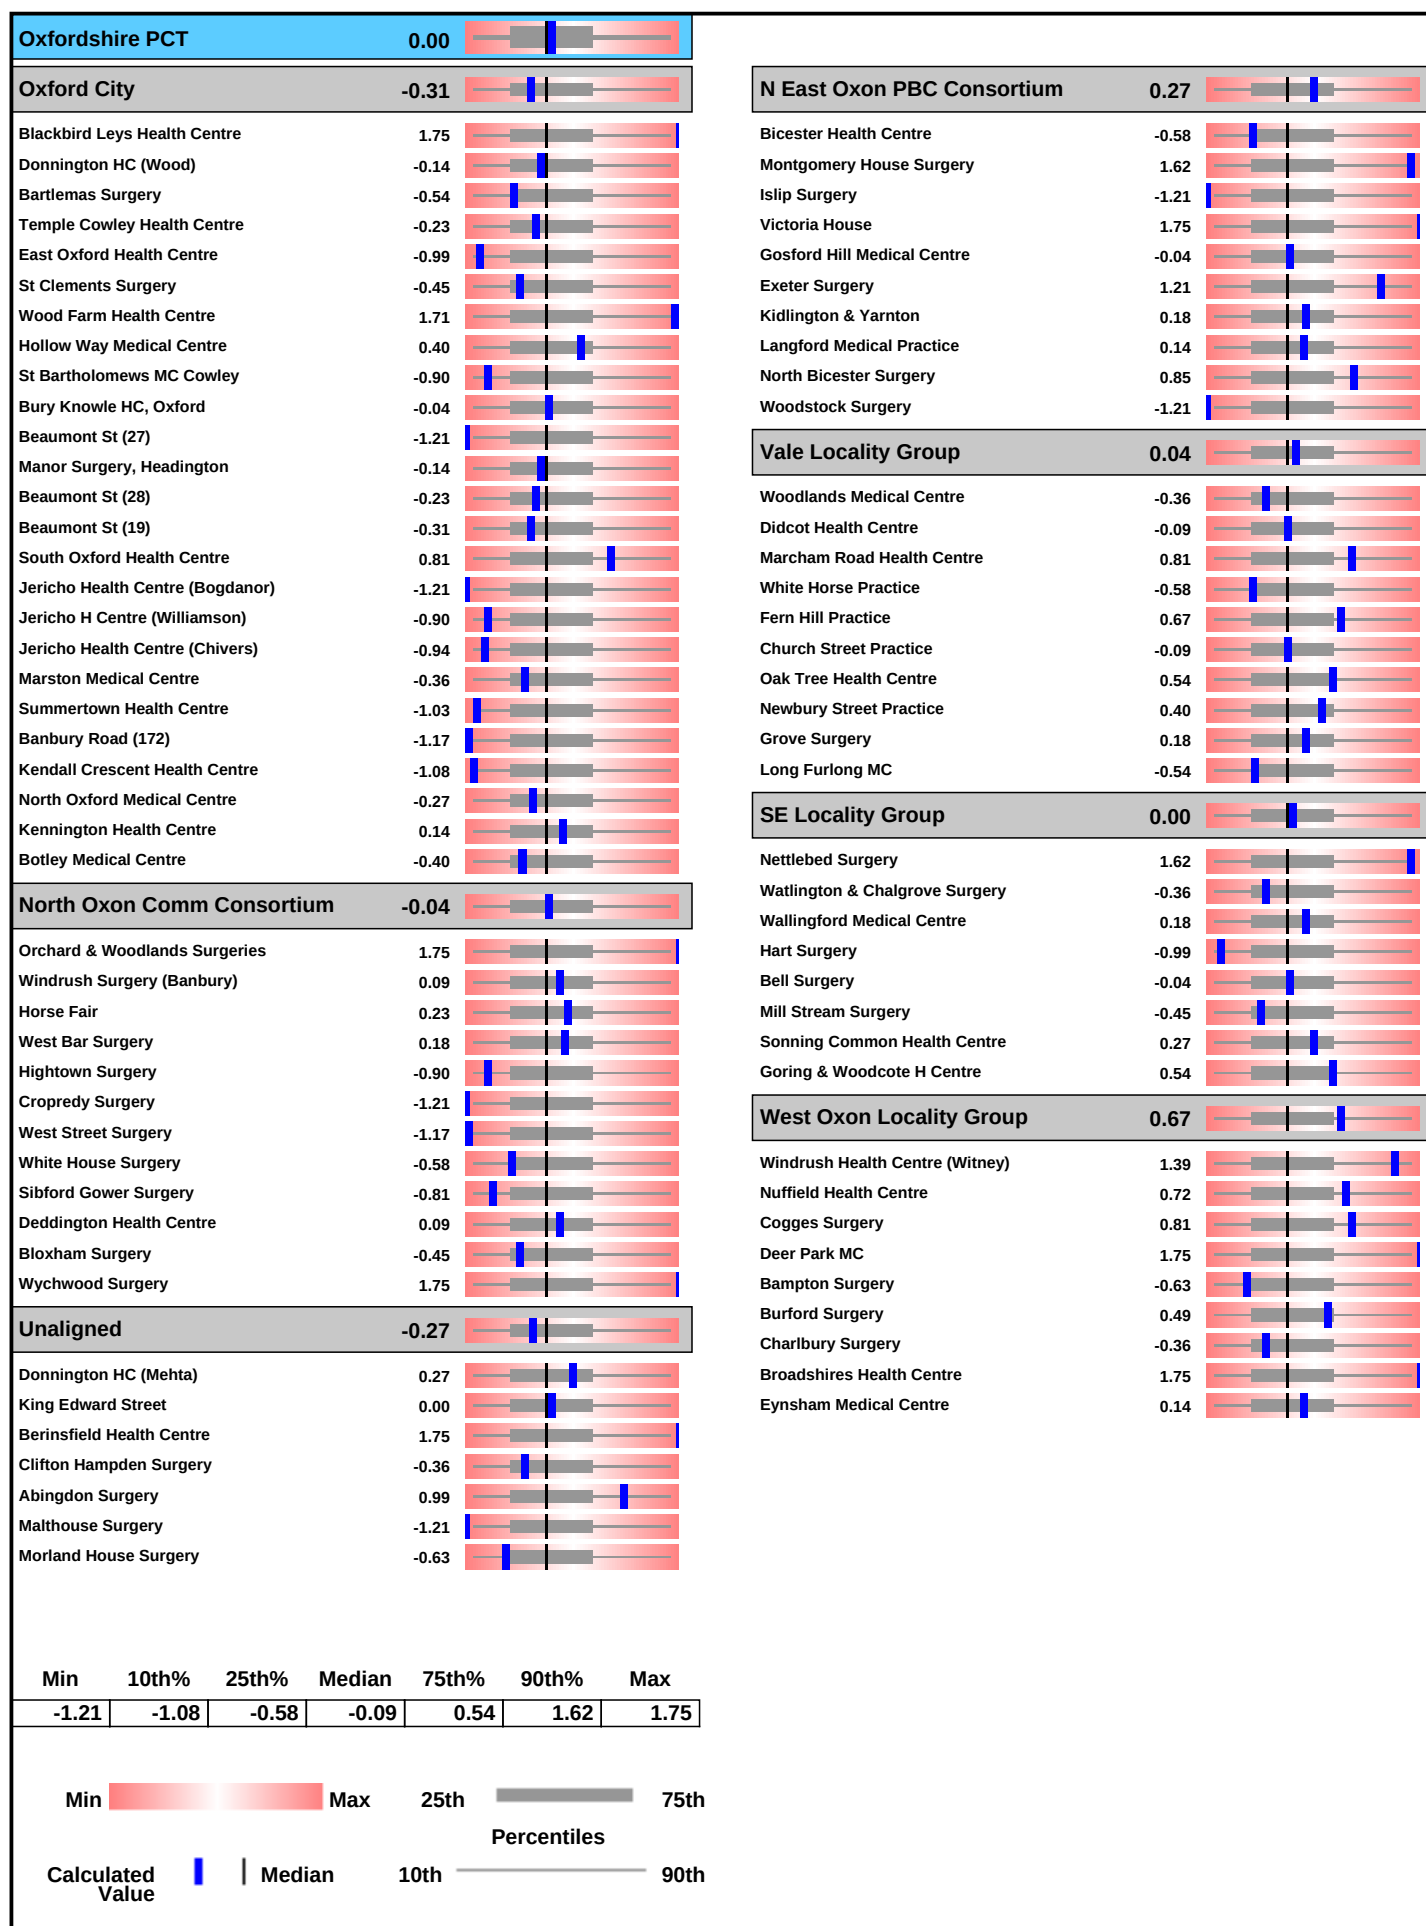

# Joint Strategic Needs Assessment [Lifestyle]

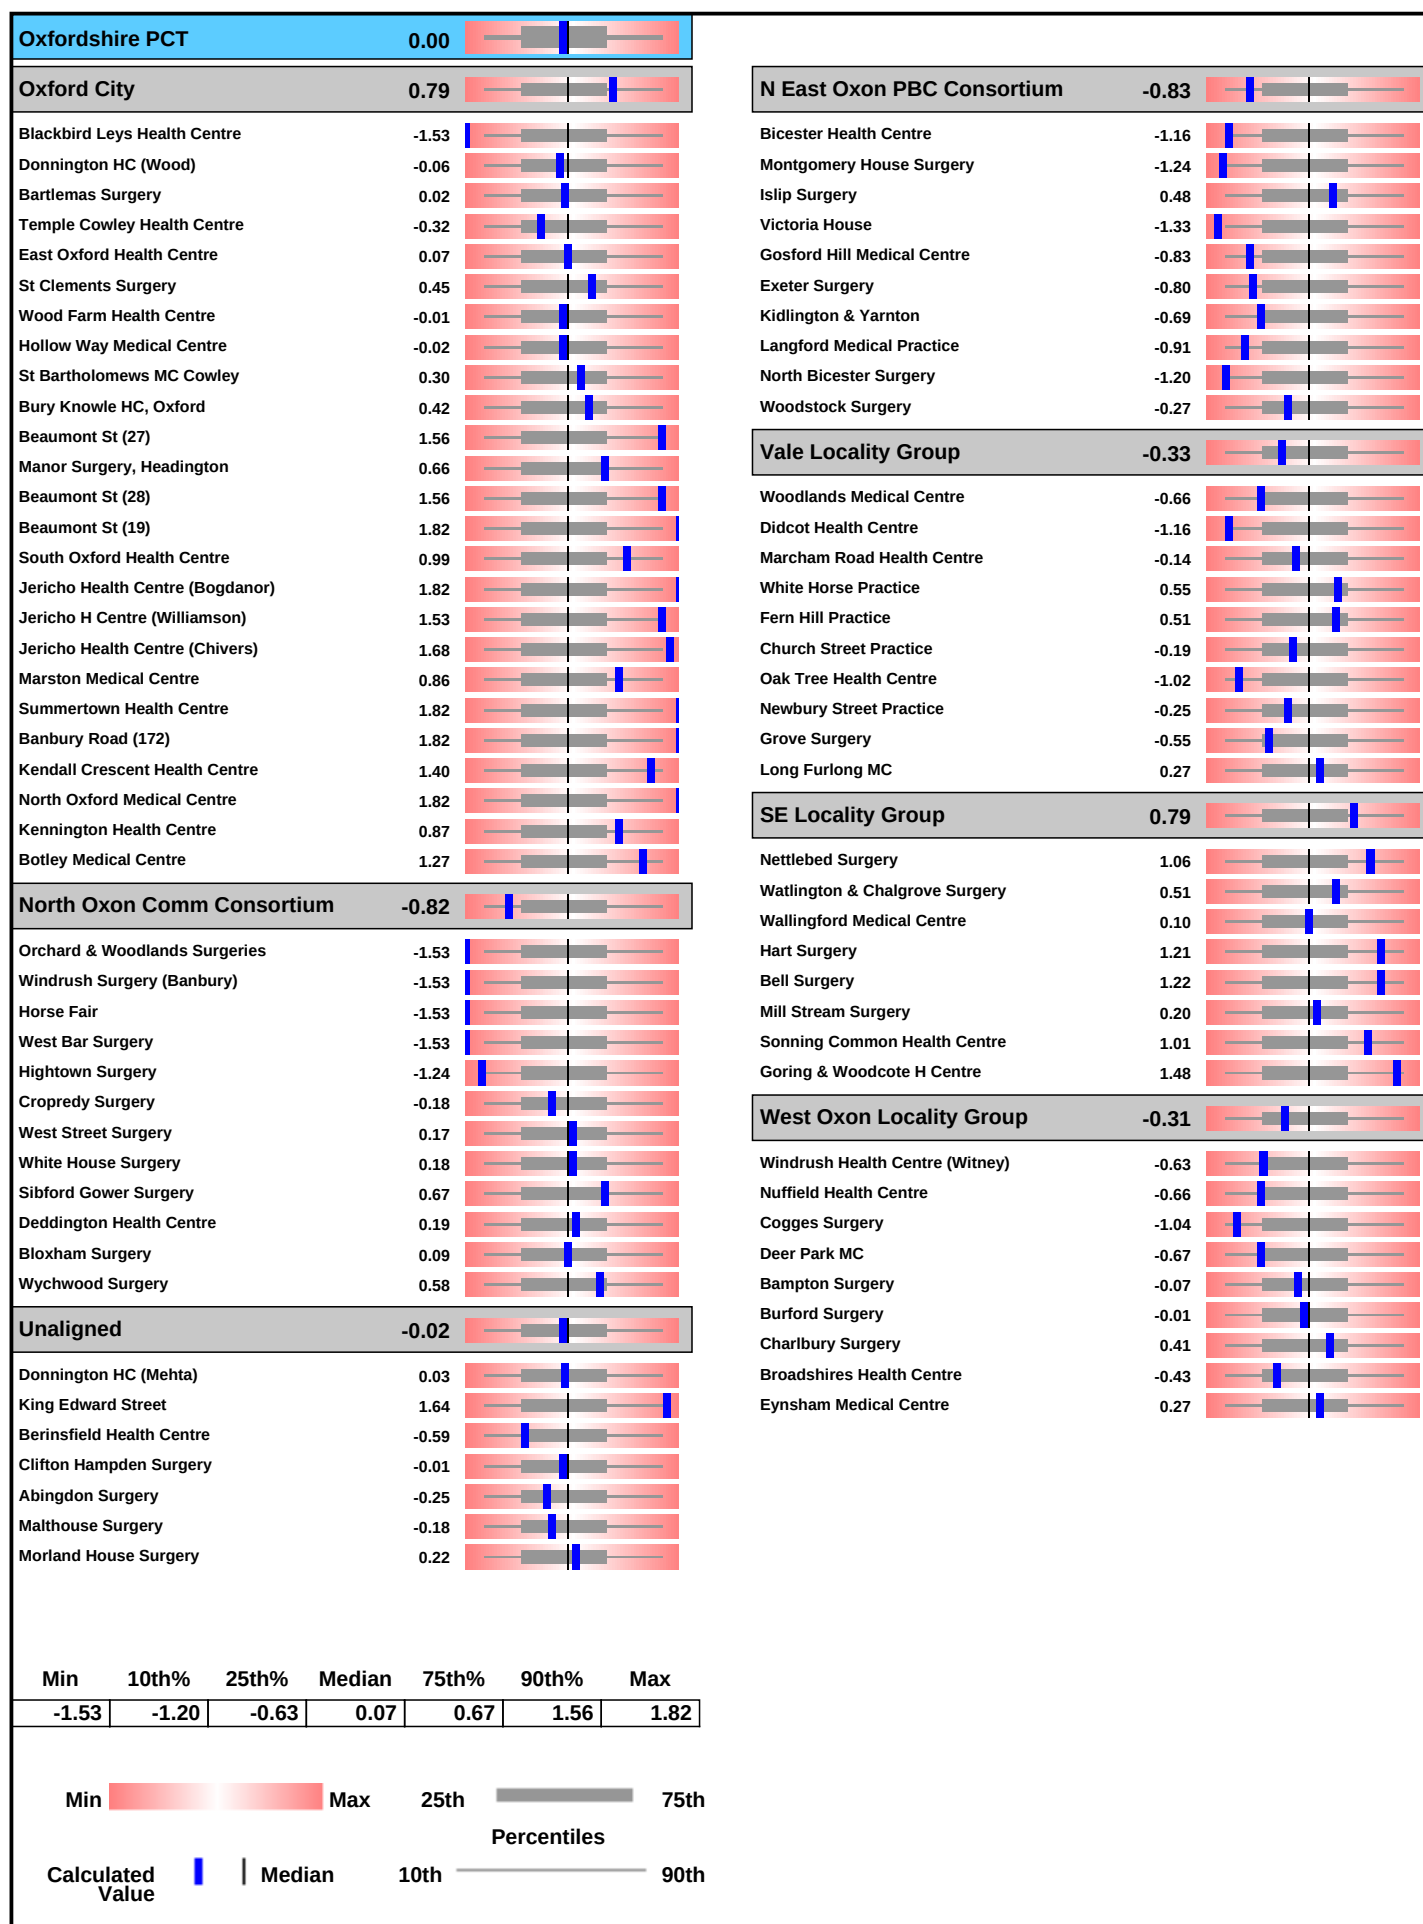

Lifestyle001.2

## Smoking Risk factor data (smoking prevalence) - OPTIONAL

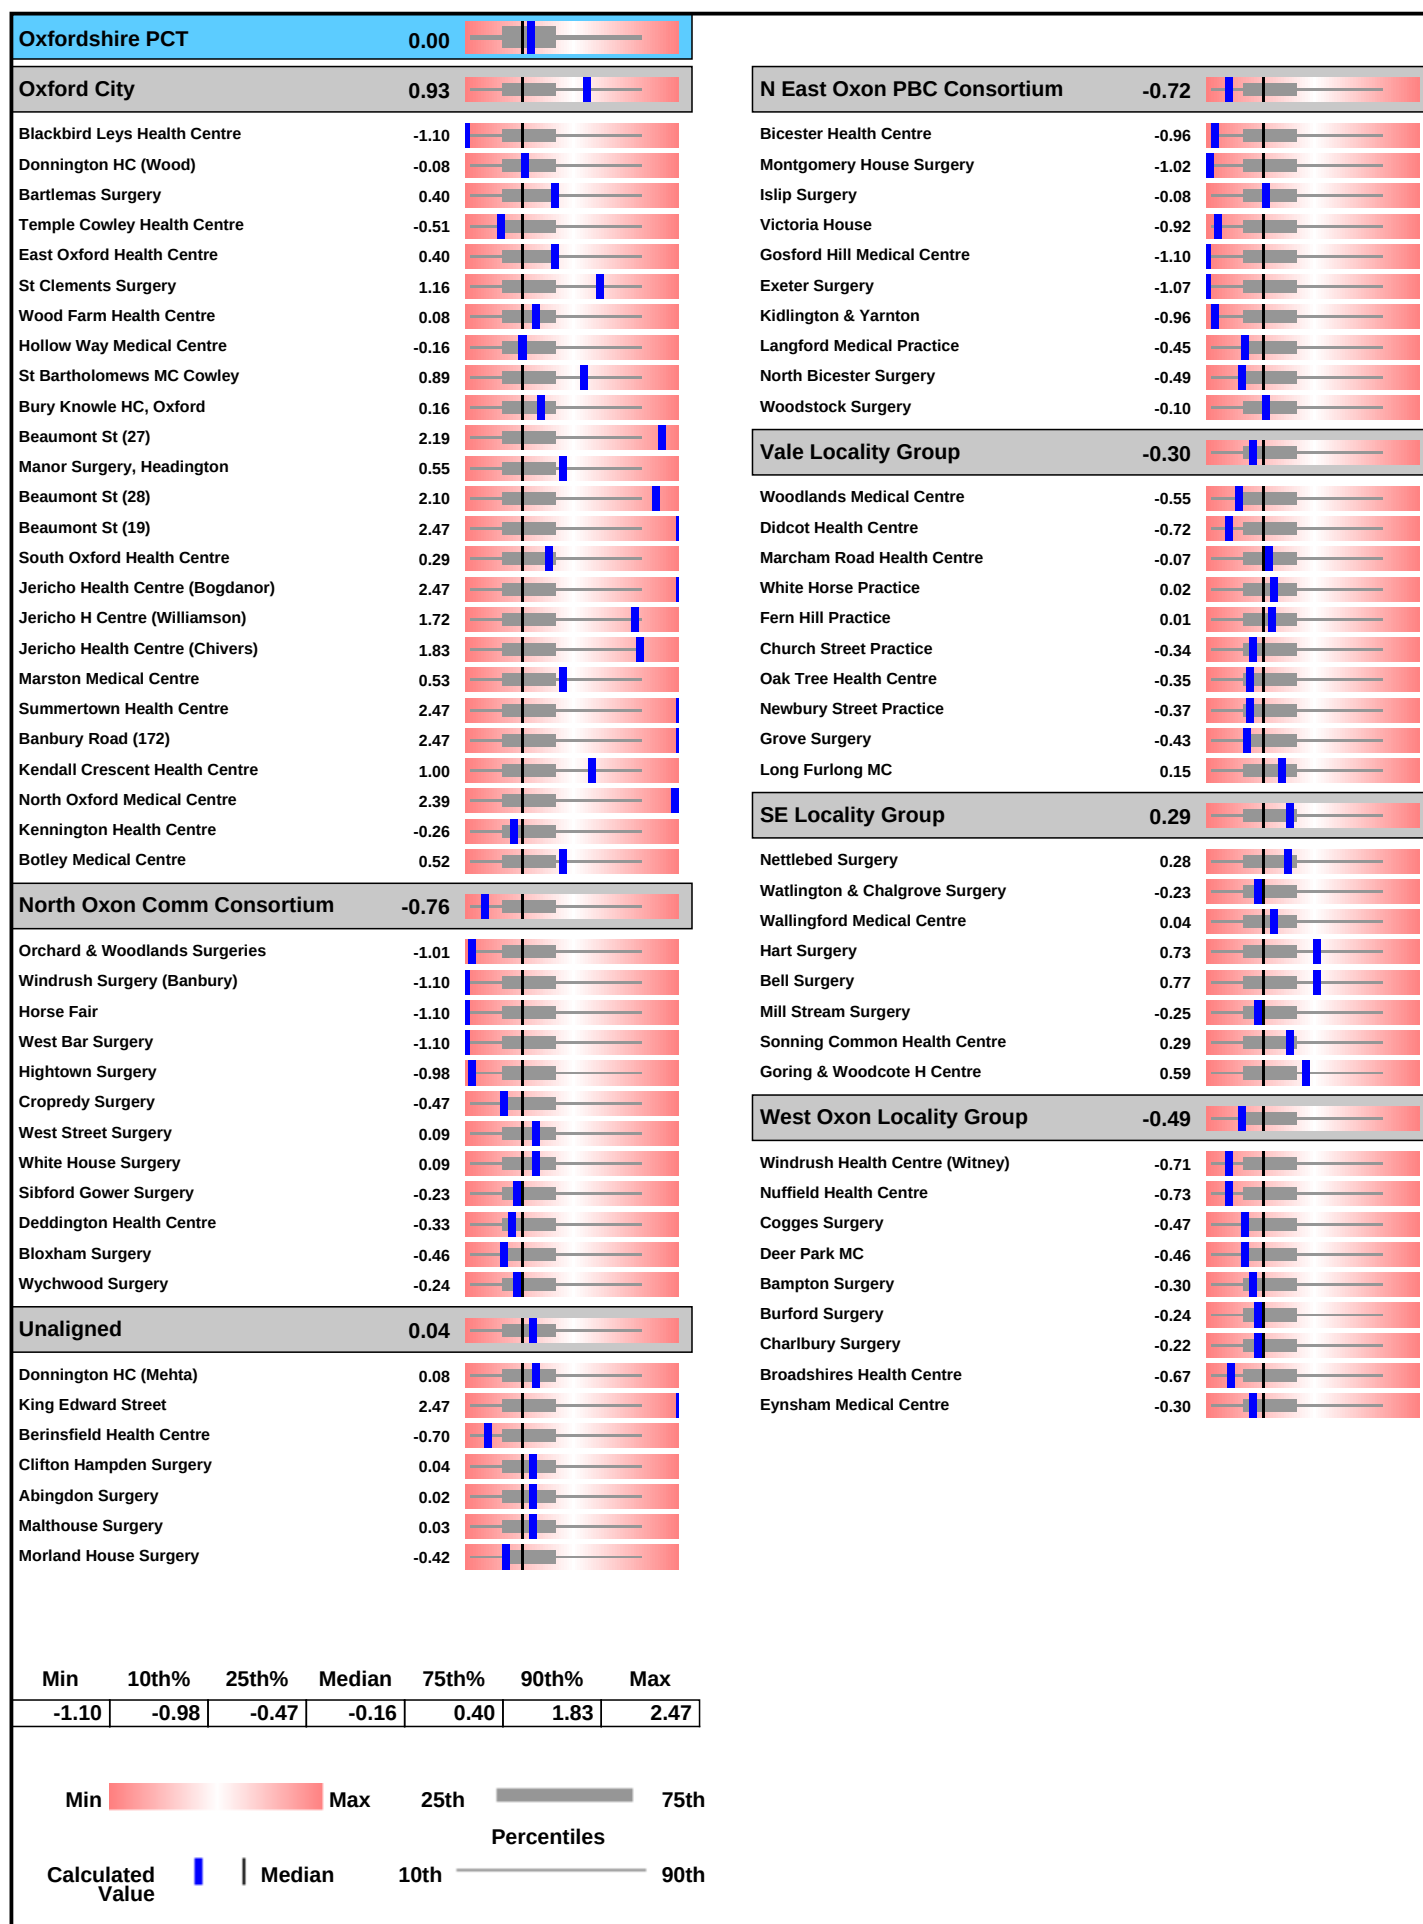

## Eating - 2002-2004 adult fruit and veg consumption OPTIONAL

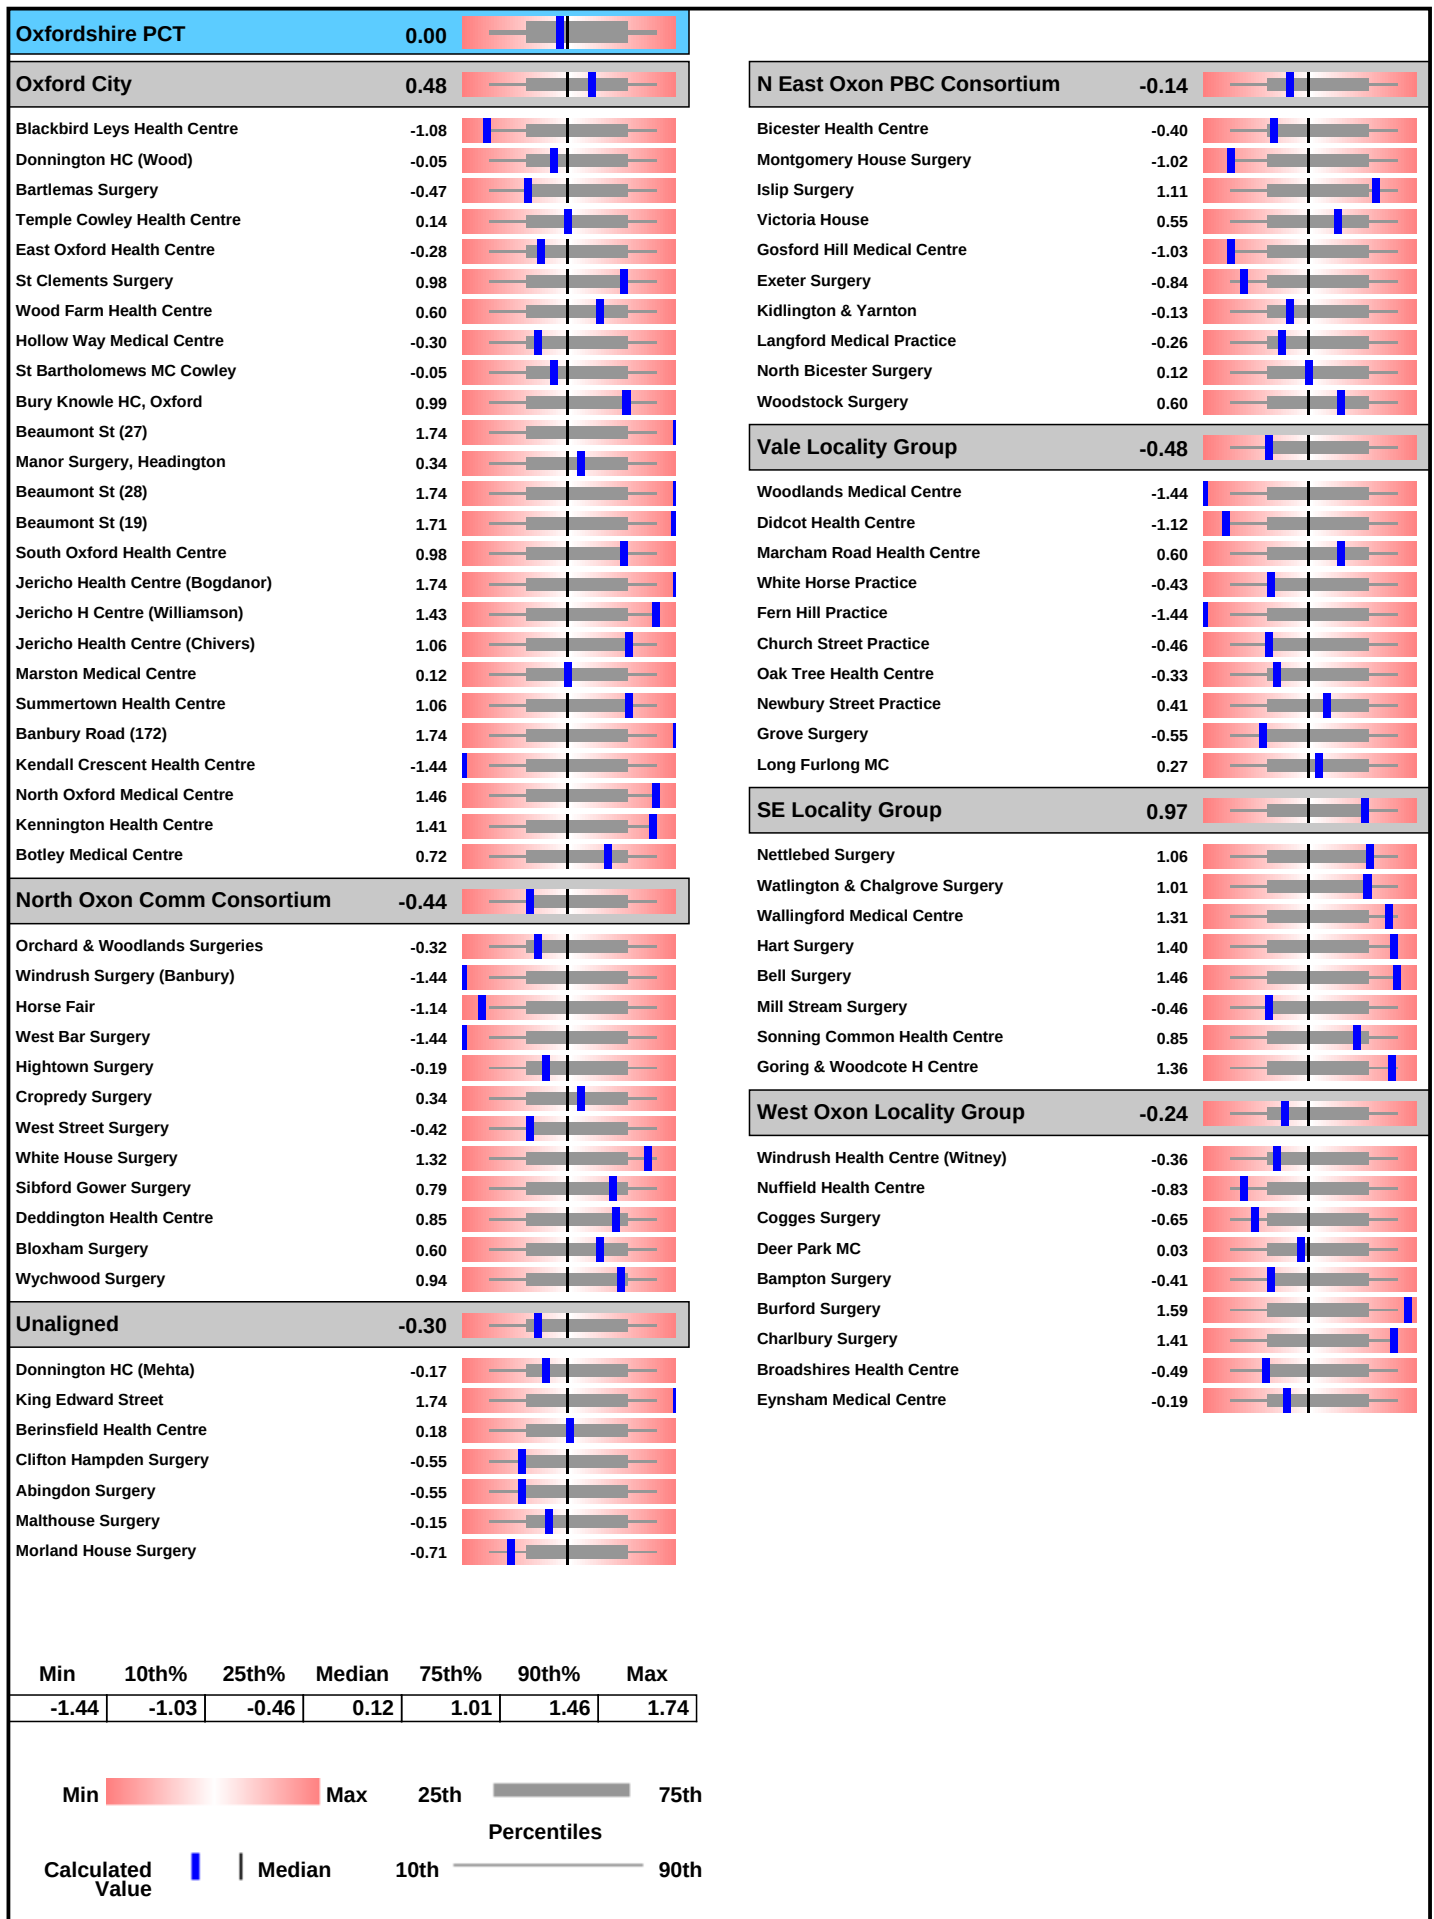

## Eating - 2002-2004 child fruit and veg consumption OPTIONAL

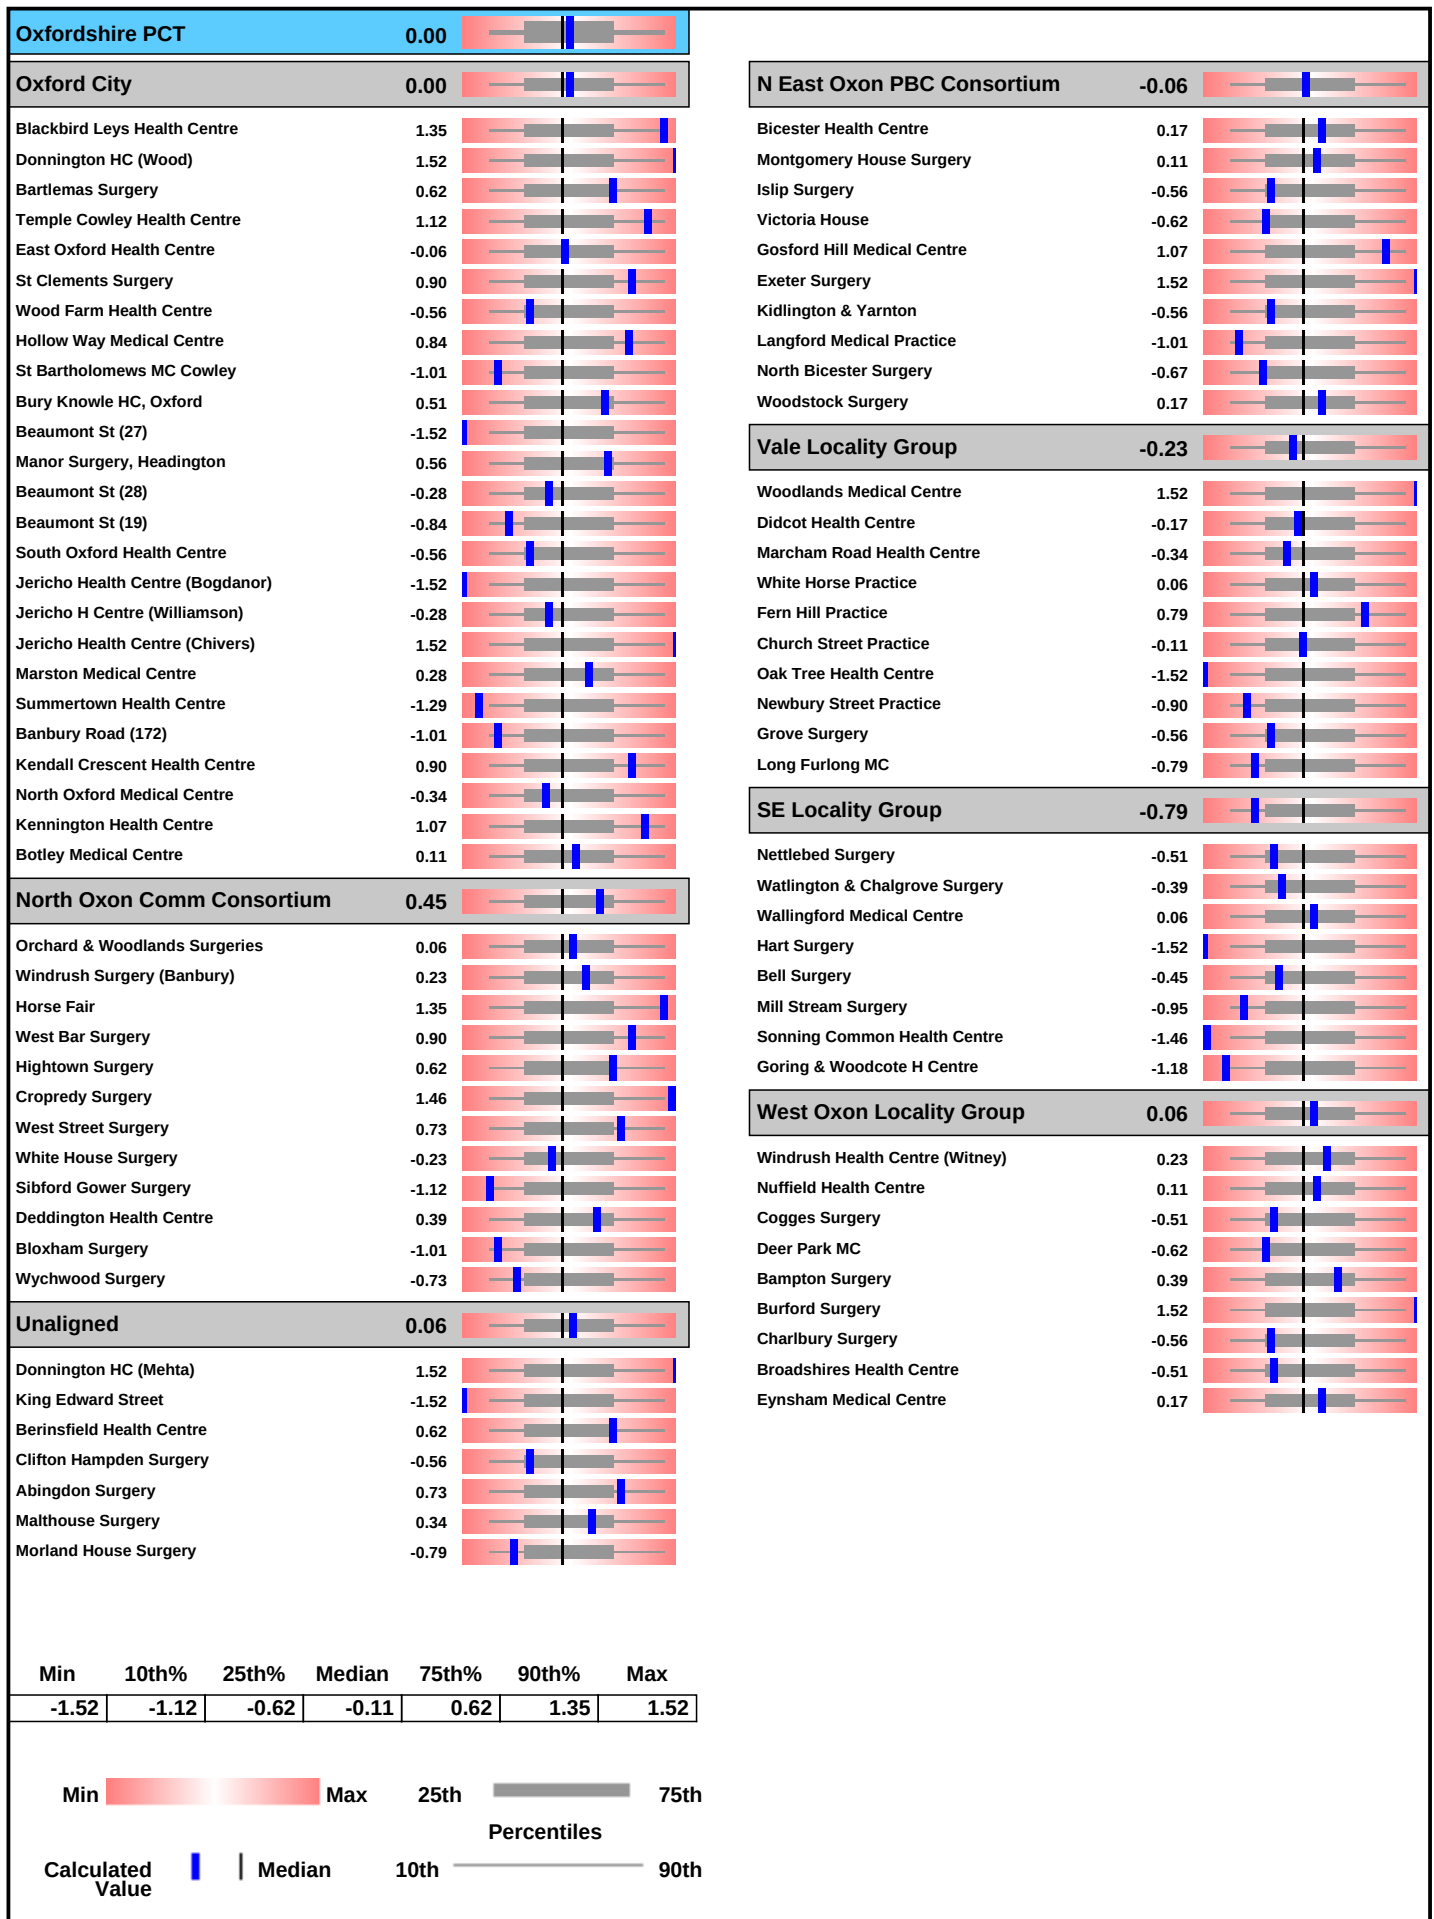

# Joint Strategic Needs Assessment [Lifestyle]

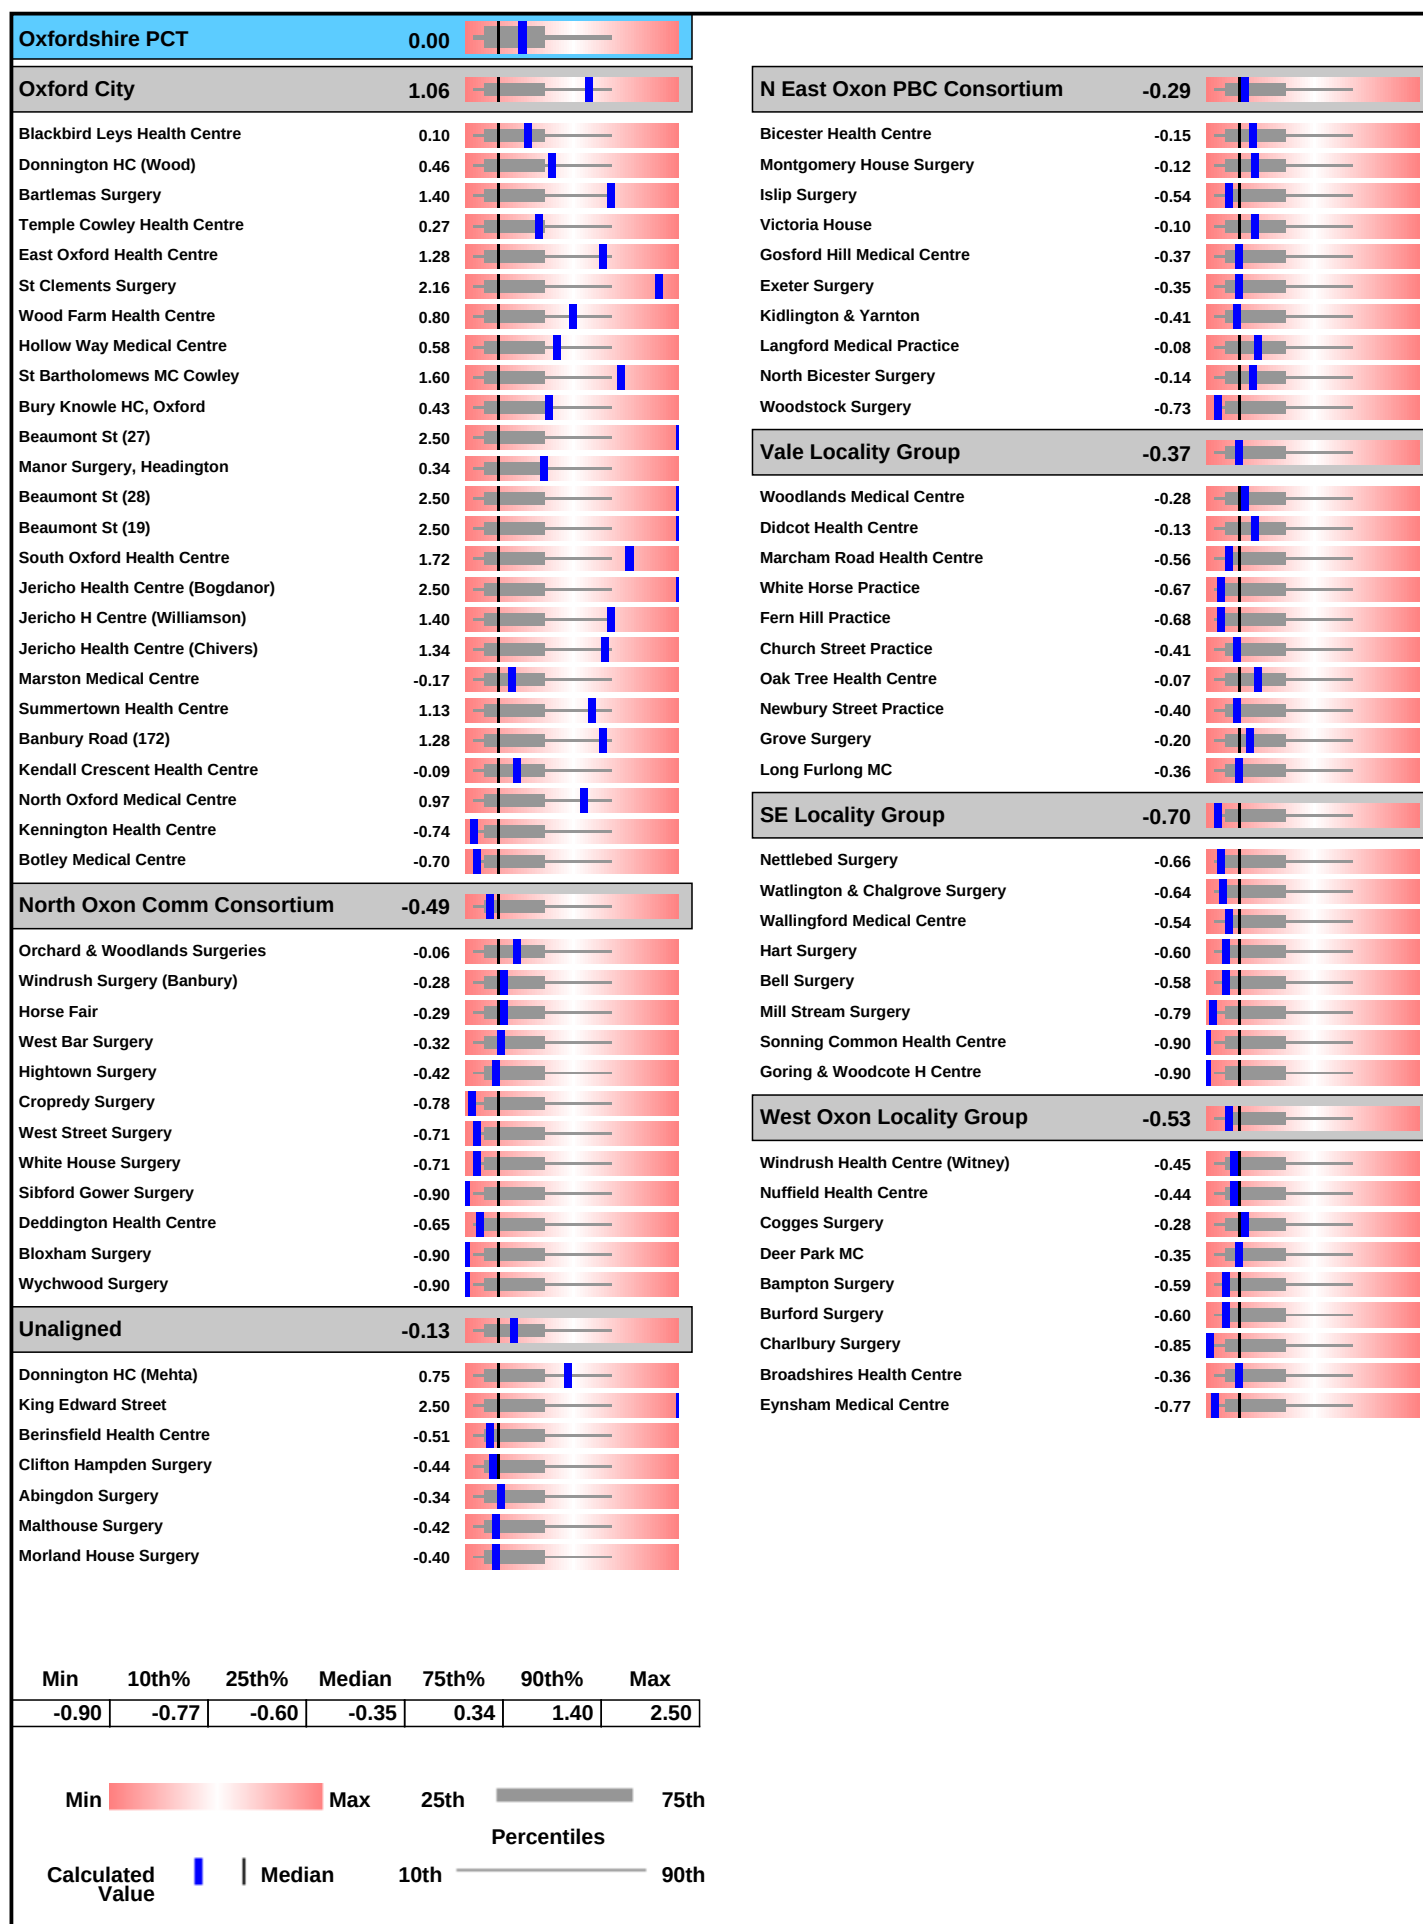

Lifestyle003

## Eating - Prevalence of breast feeding at 6-8 weeks from birth NATIONAL INDICATOR 53

## Alcohol - Alcohol-harm related admission rates NATIONAL INDICATOR 39

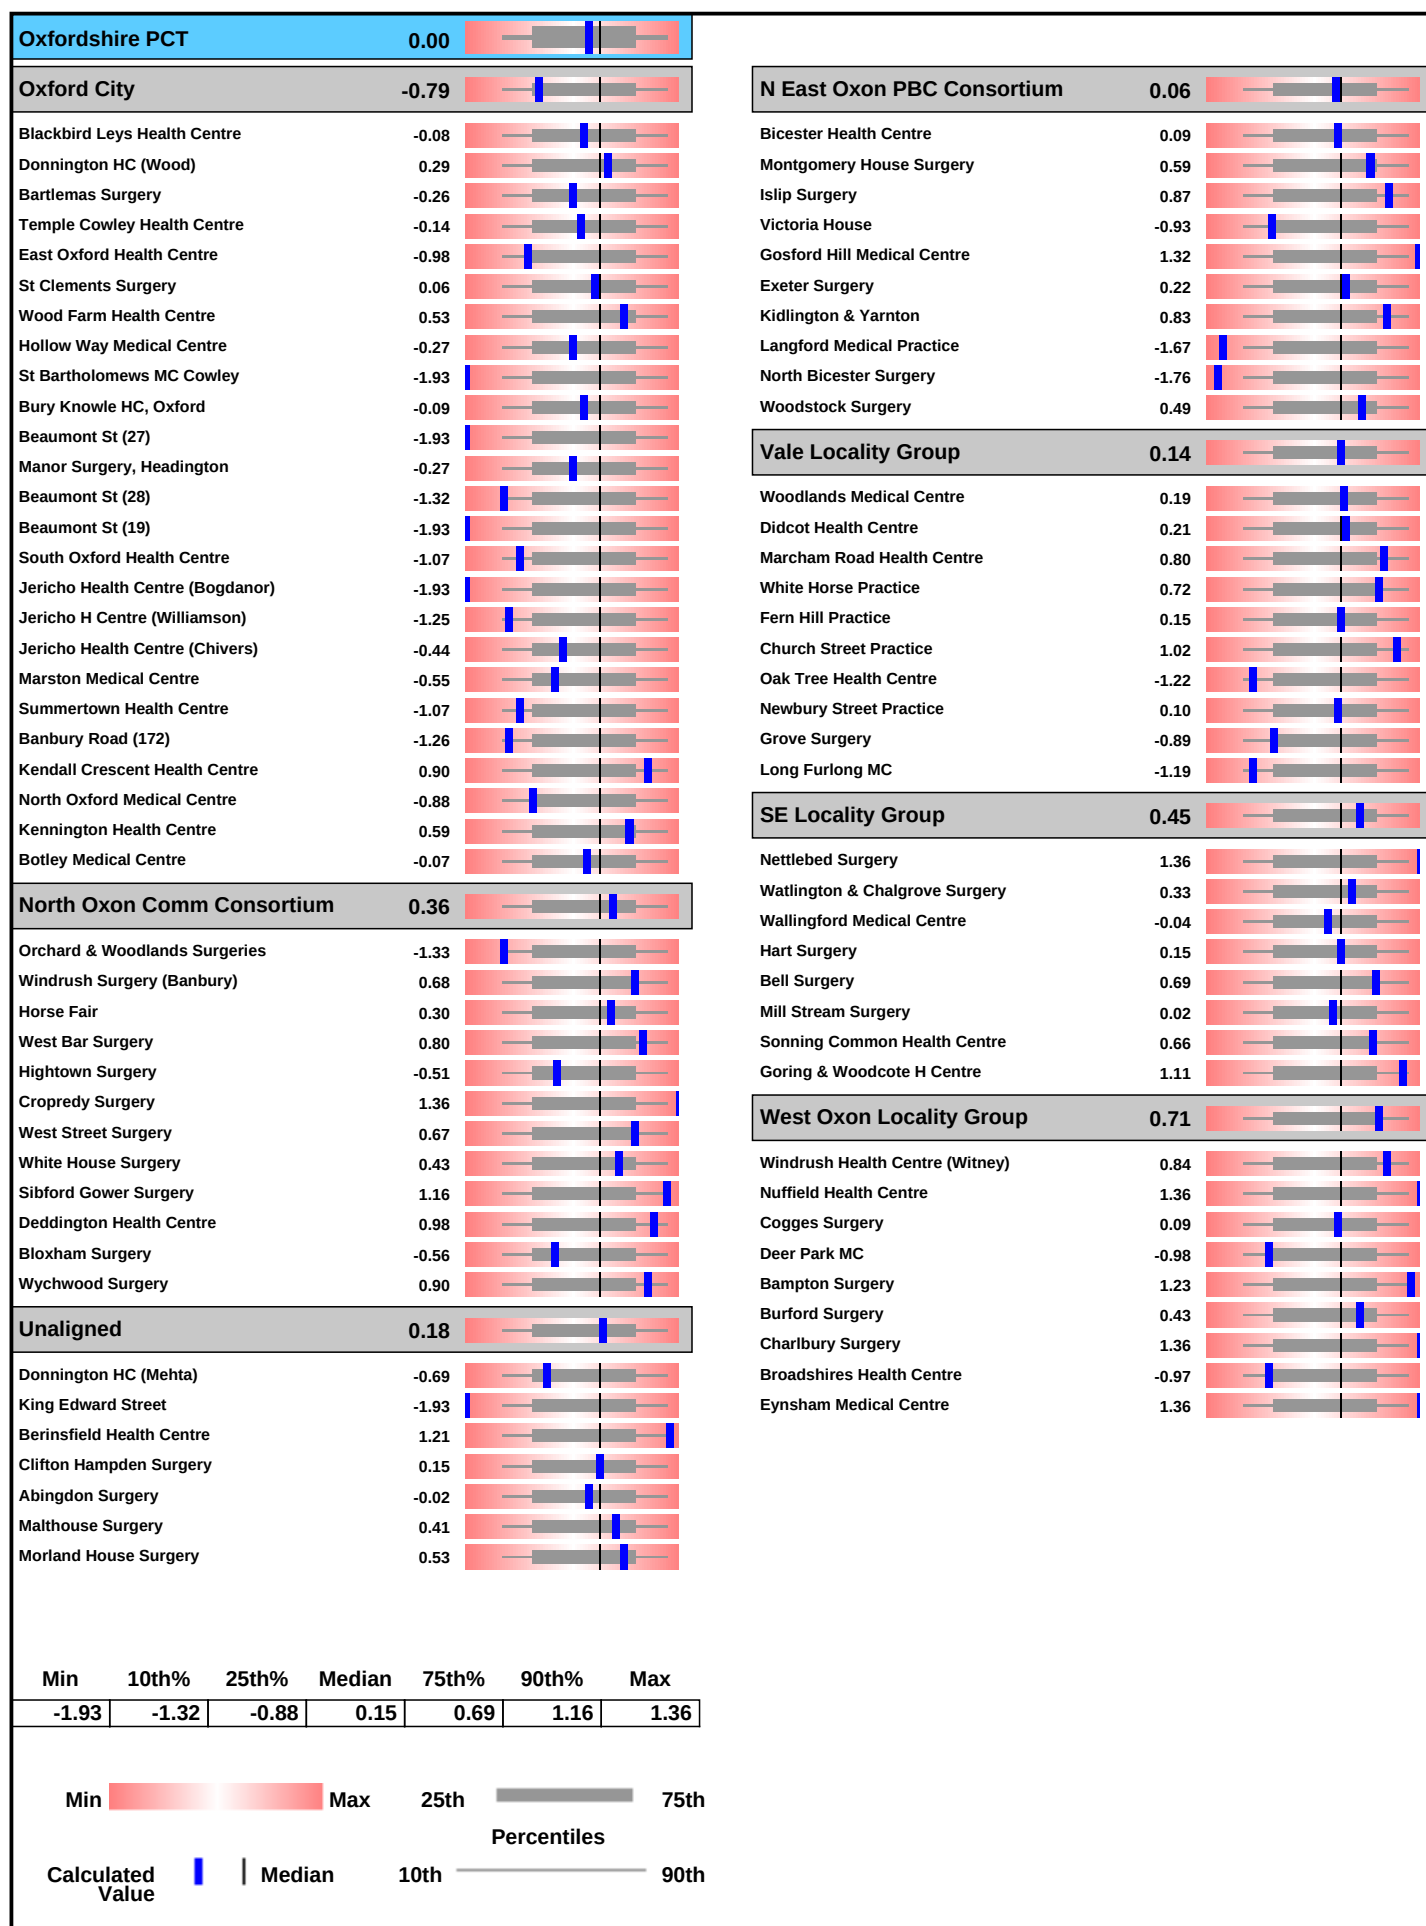

# Joint Strategic Needs Assessment [Lifestyle]

## Lifestyle009.1

### Hypertension - Quality and Outcomes Framework QMAS data (hypertension prevalence)

OPTIONAL

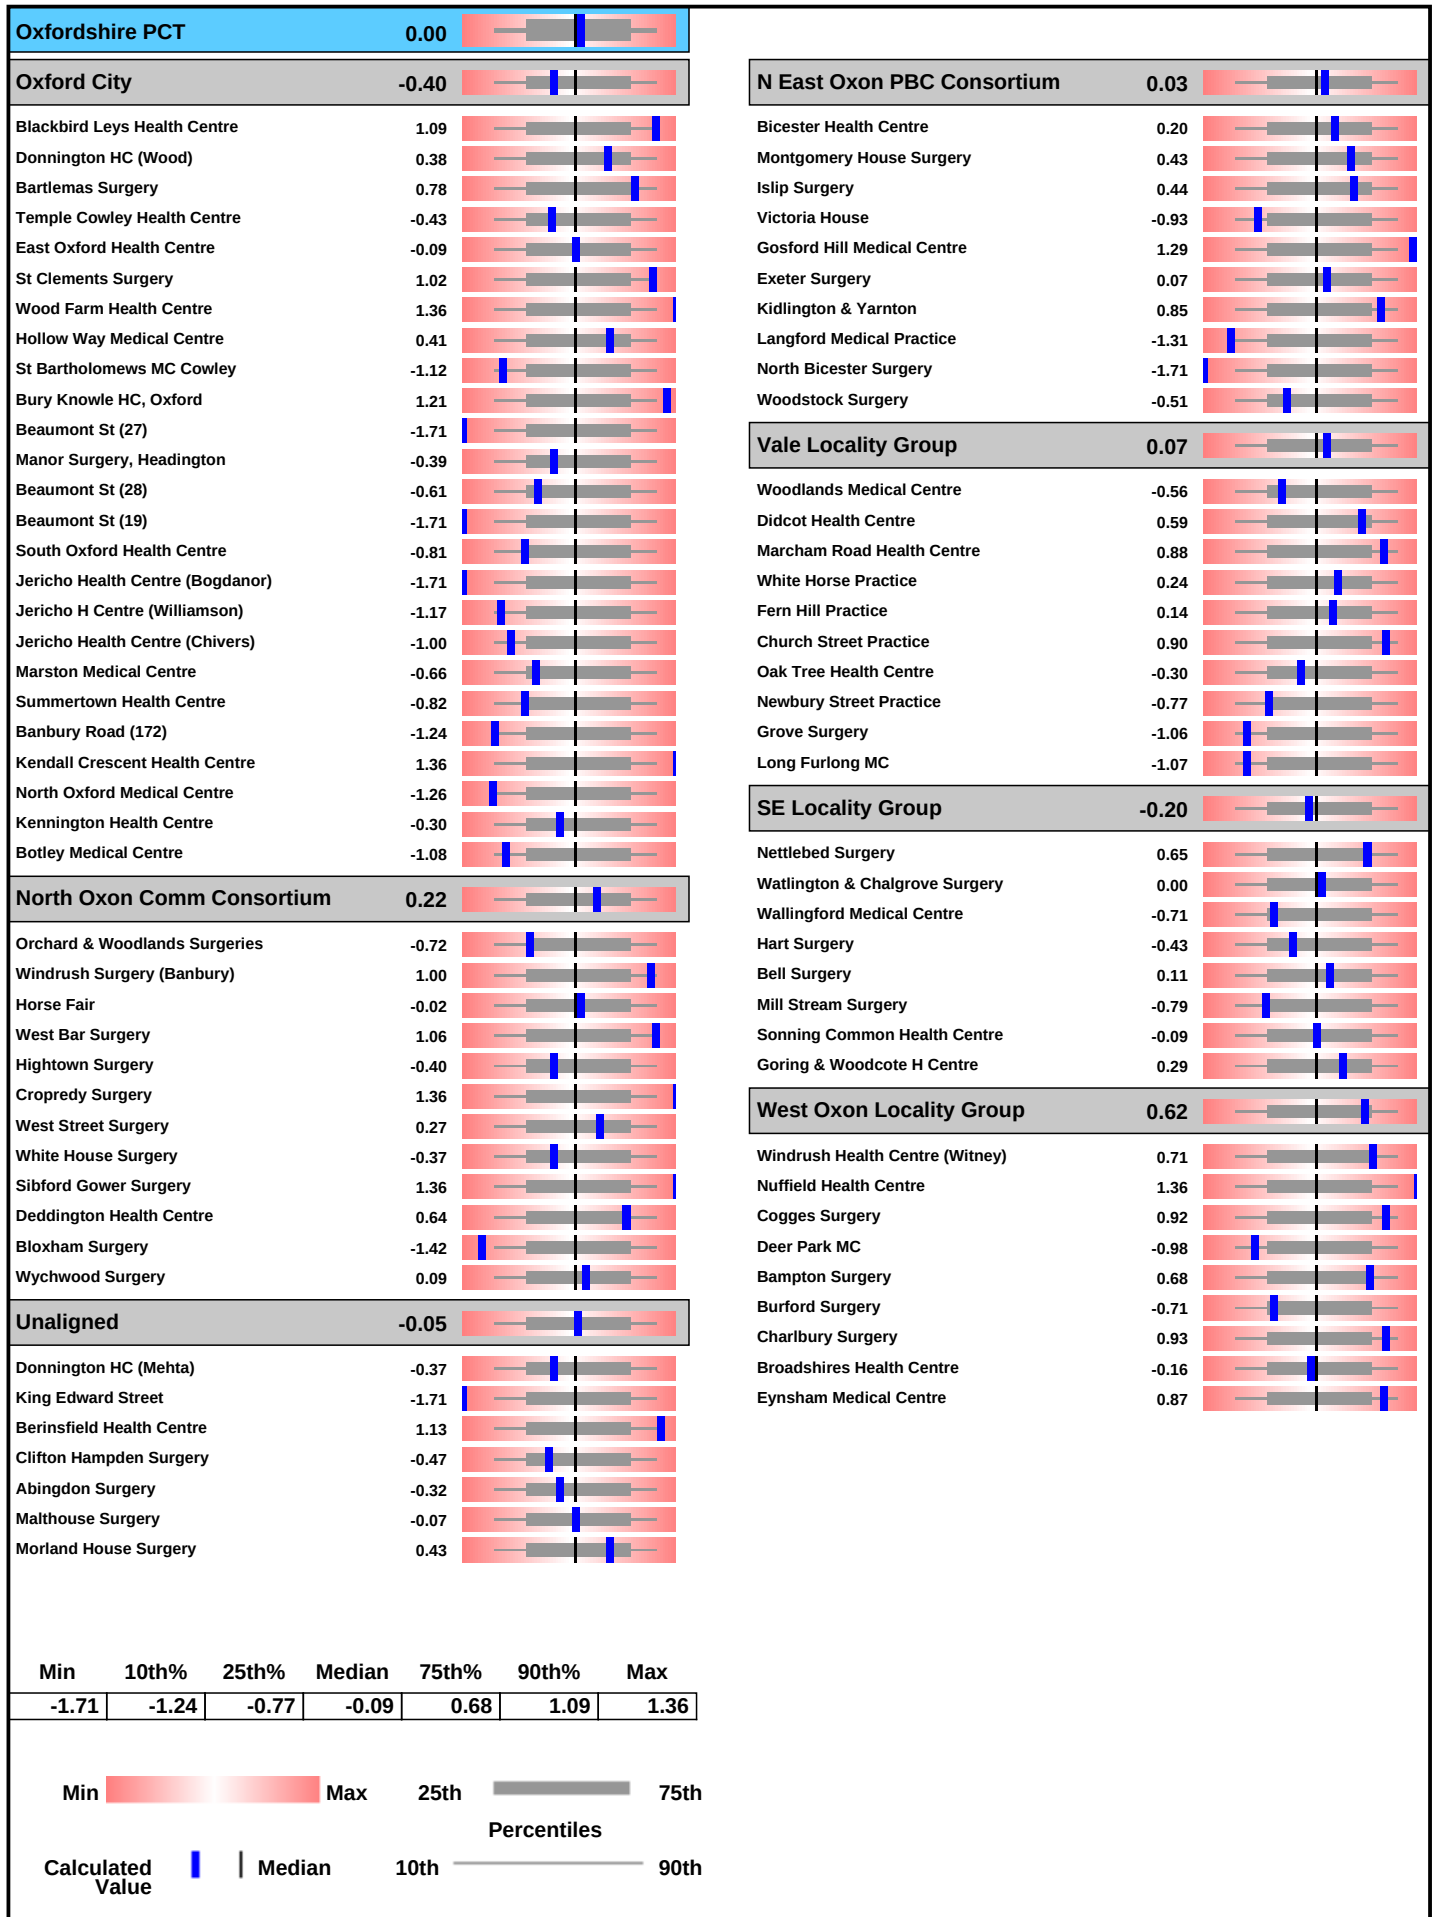

# Joint Strategic Needs Assessment [Lifestyle]

Lifestyle009.2

## Hypertension - Predicted versus known prevalence (hypertension prevalence)

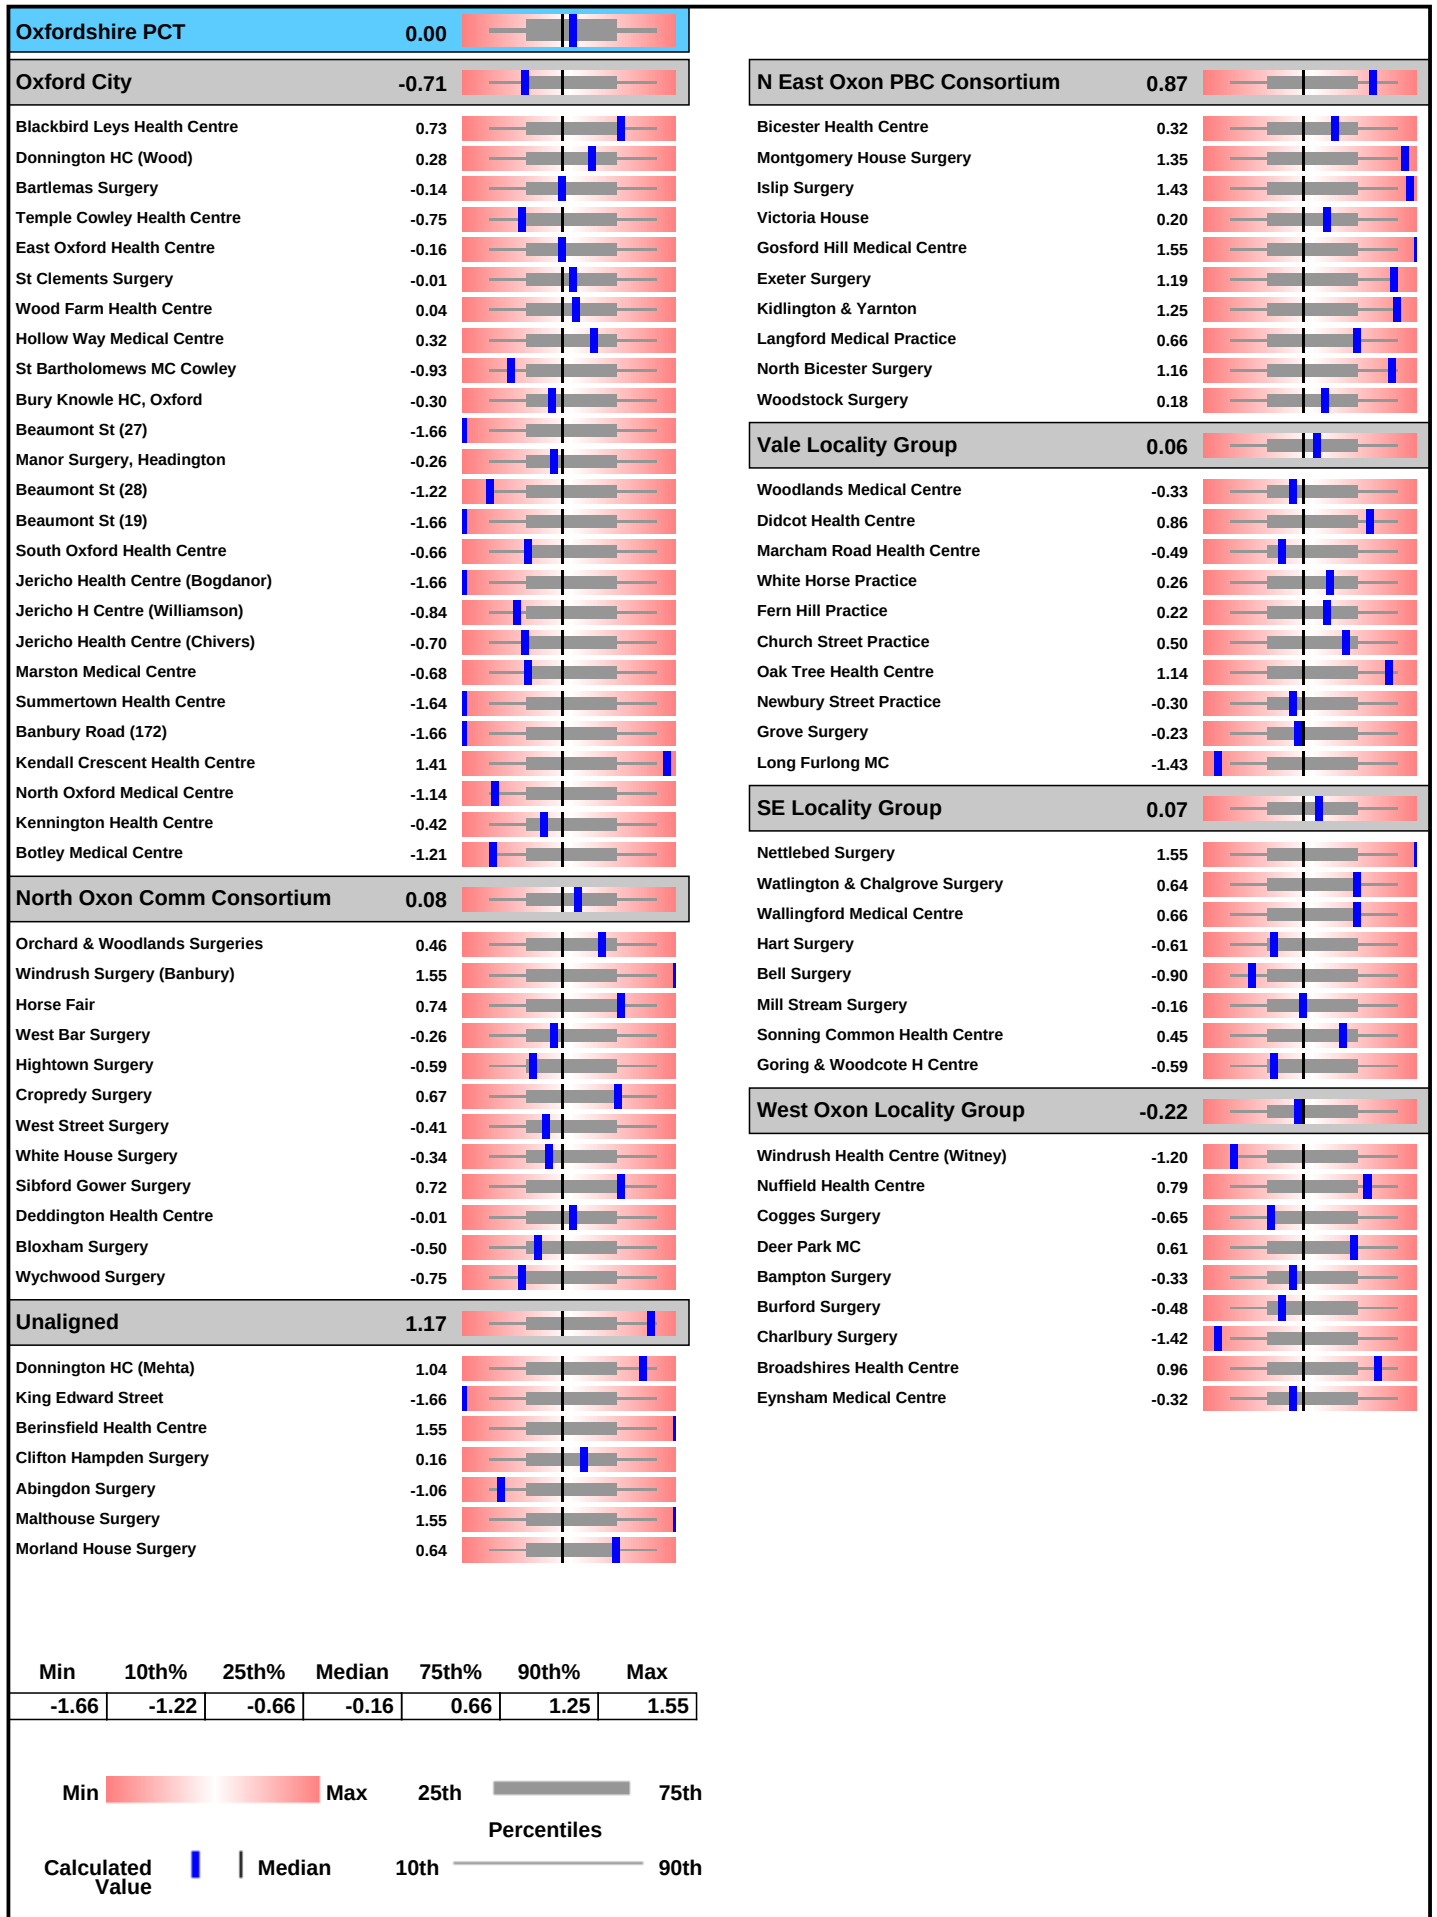

OPTIONAL

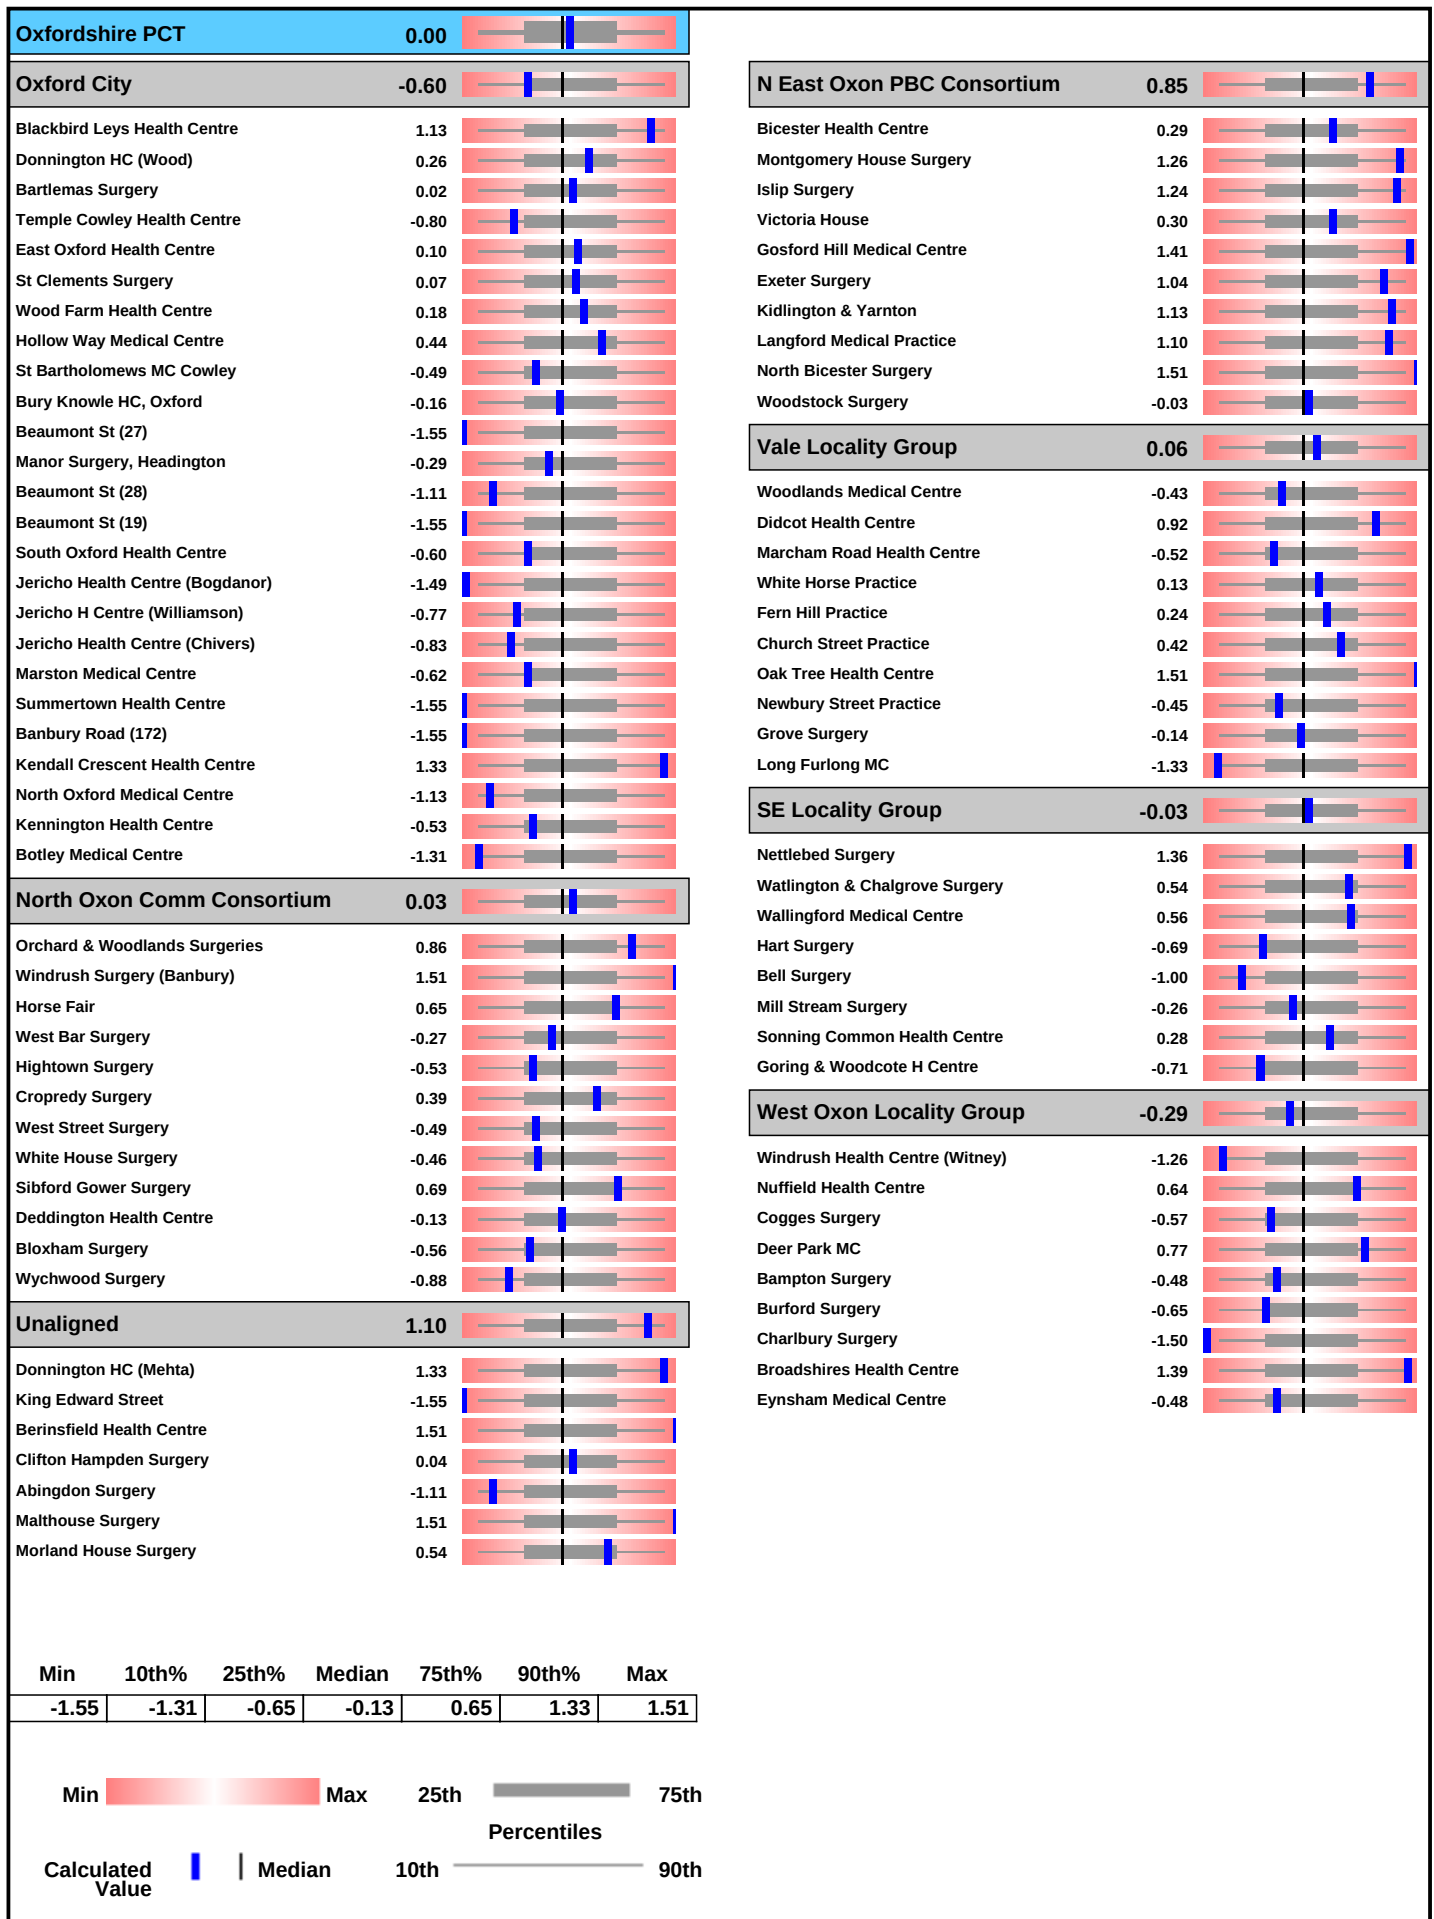

# Joint Strategic Needs Assessment [Lifestyle]

## Obesity - Quality and Outcomes Framework QMAS data (obesity prevalence) OPTIONAL

Lifestyle010.1

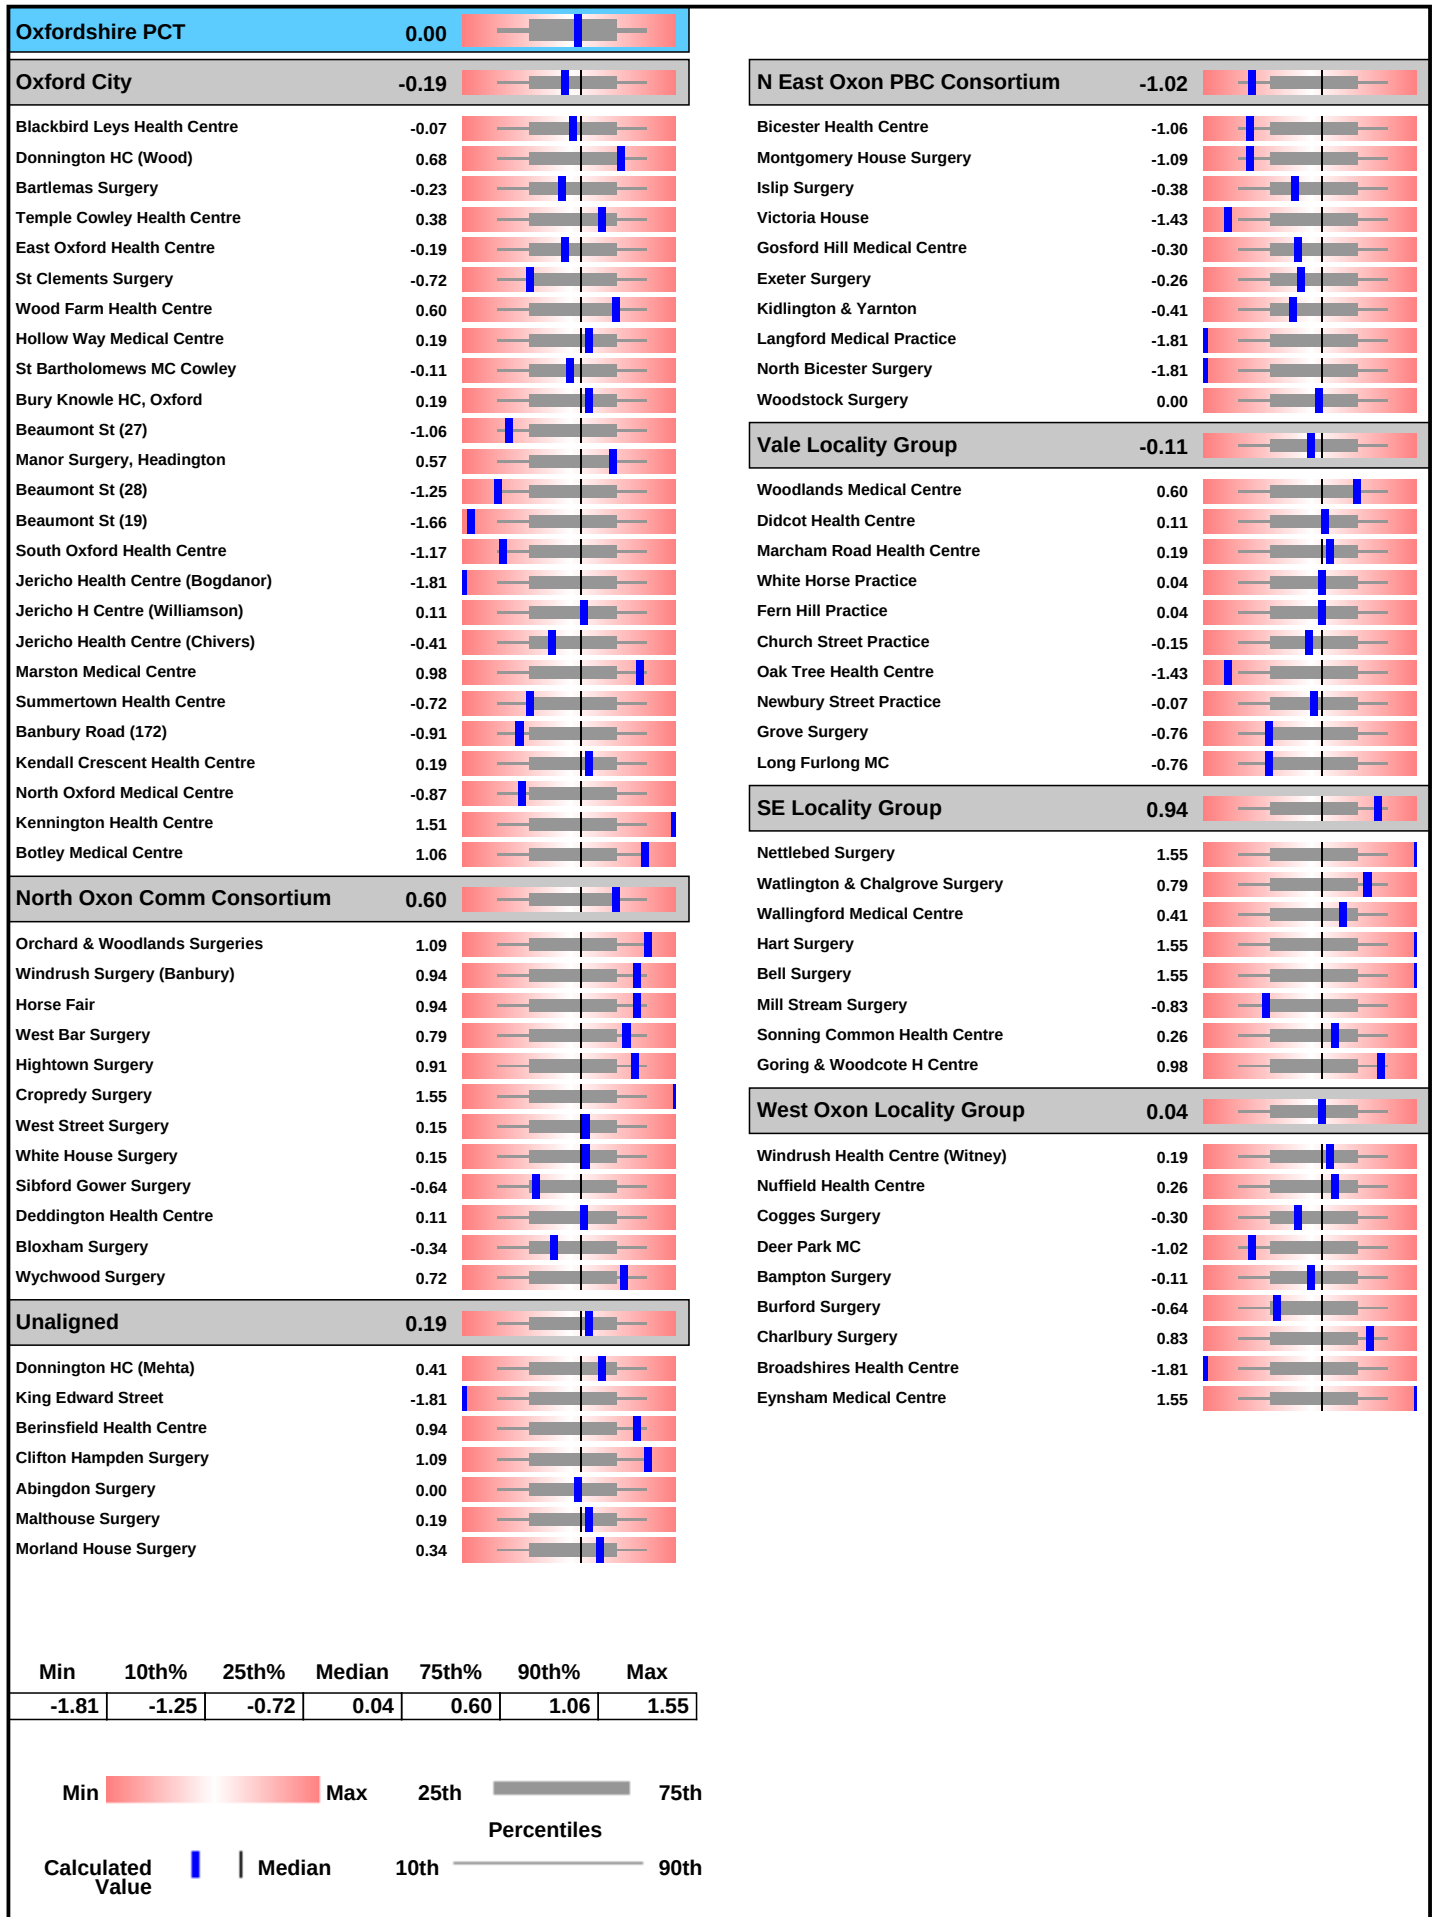

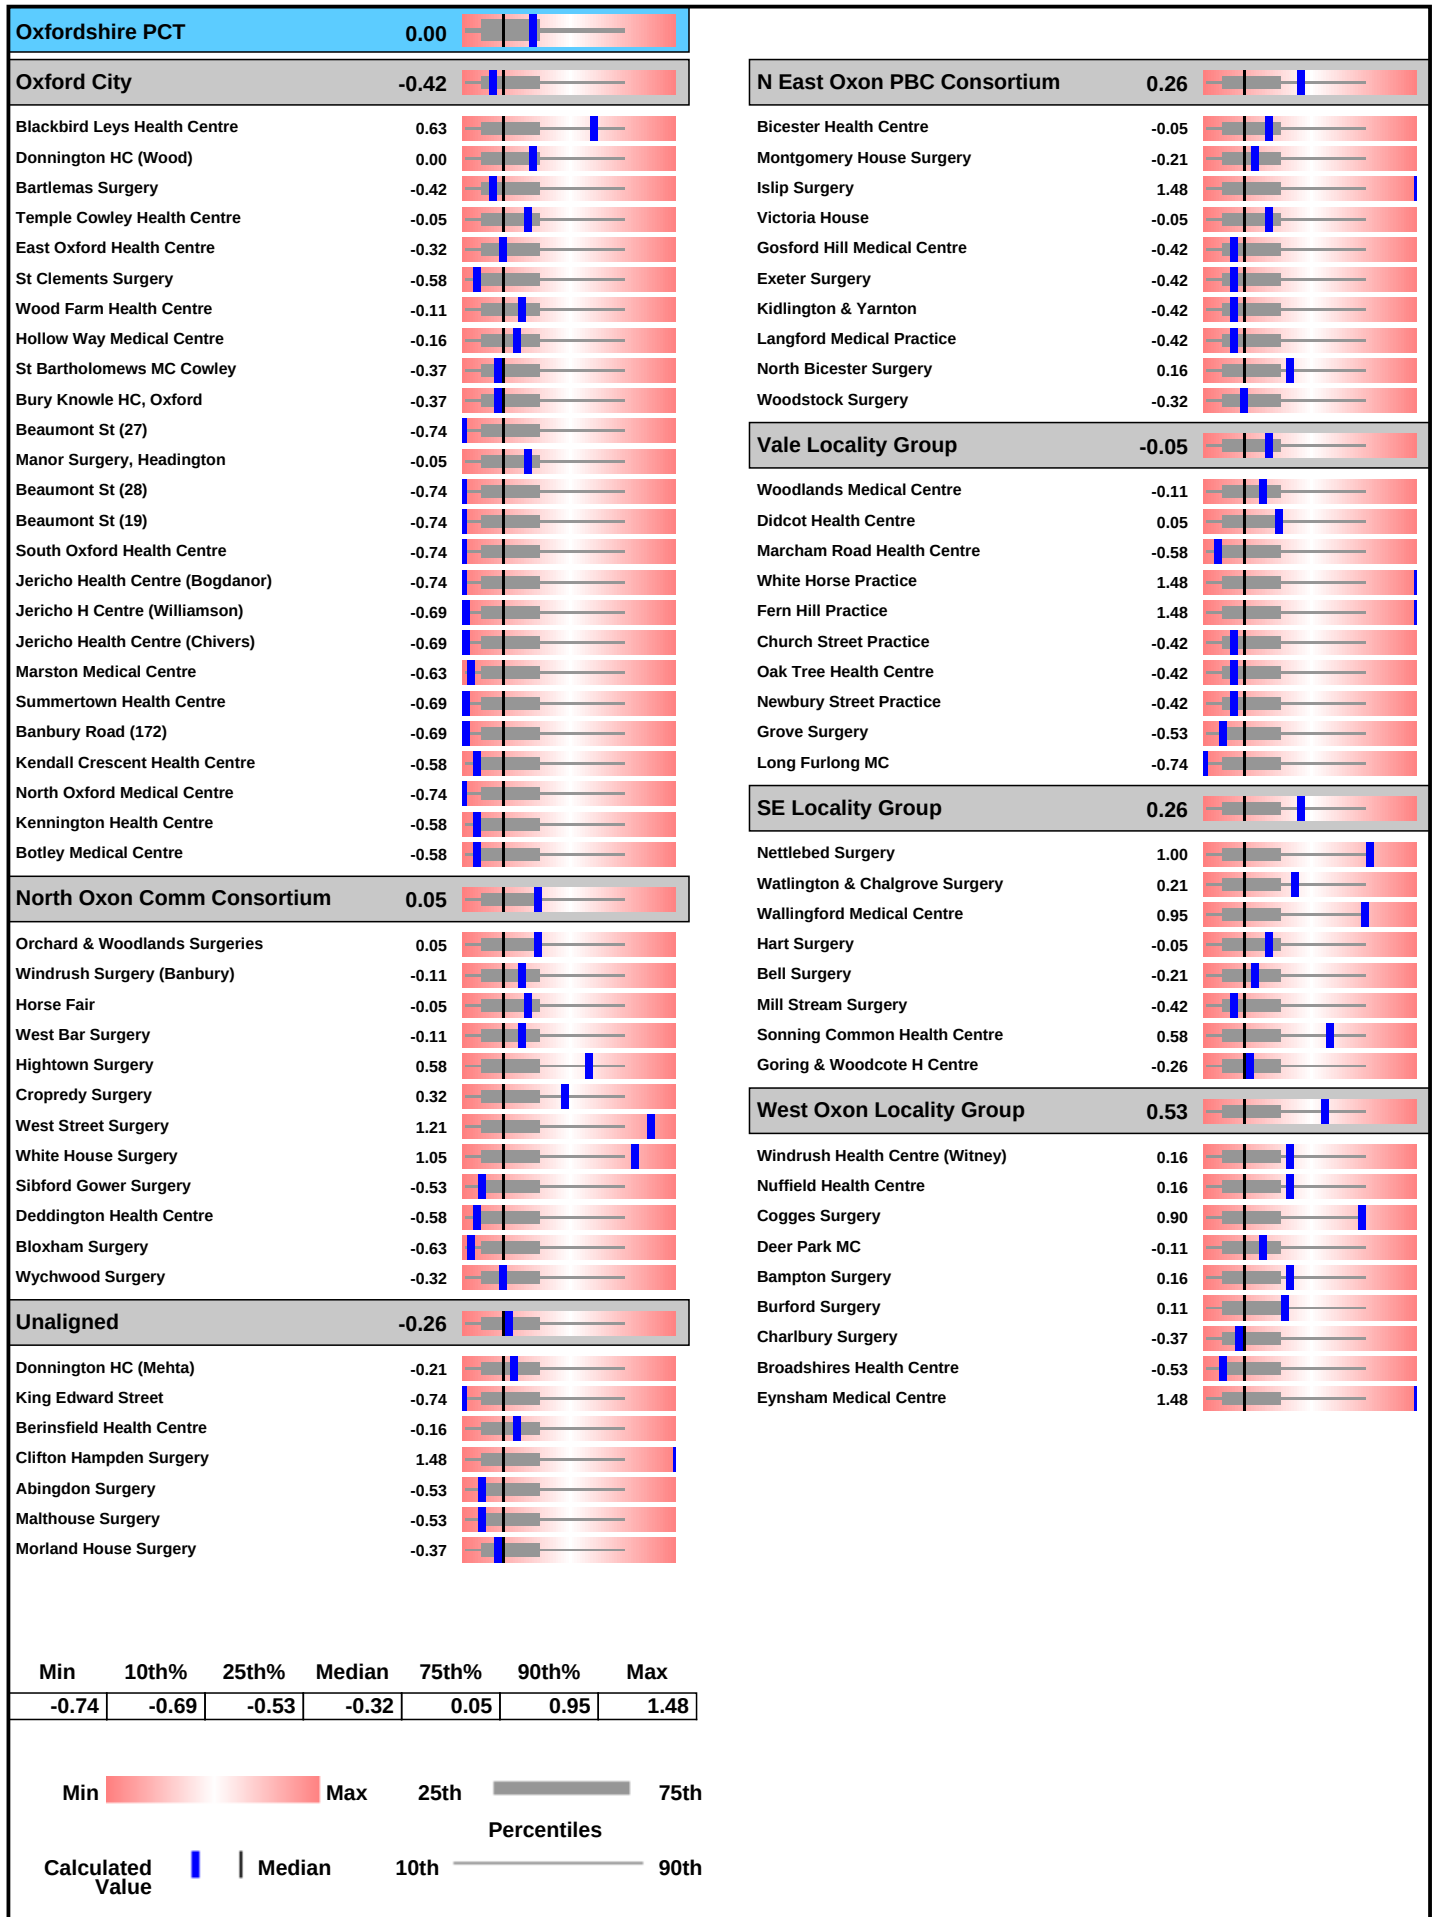

## Obesity - Predicted versus known prevalence (obesity prevalence) OPTIONAL

# Joint Strategic Needs Assessment [Services]

Services002  
Numbers - Referrals

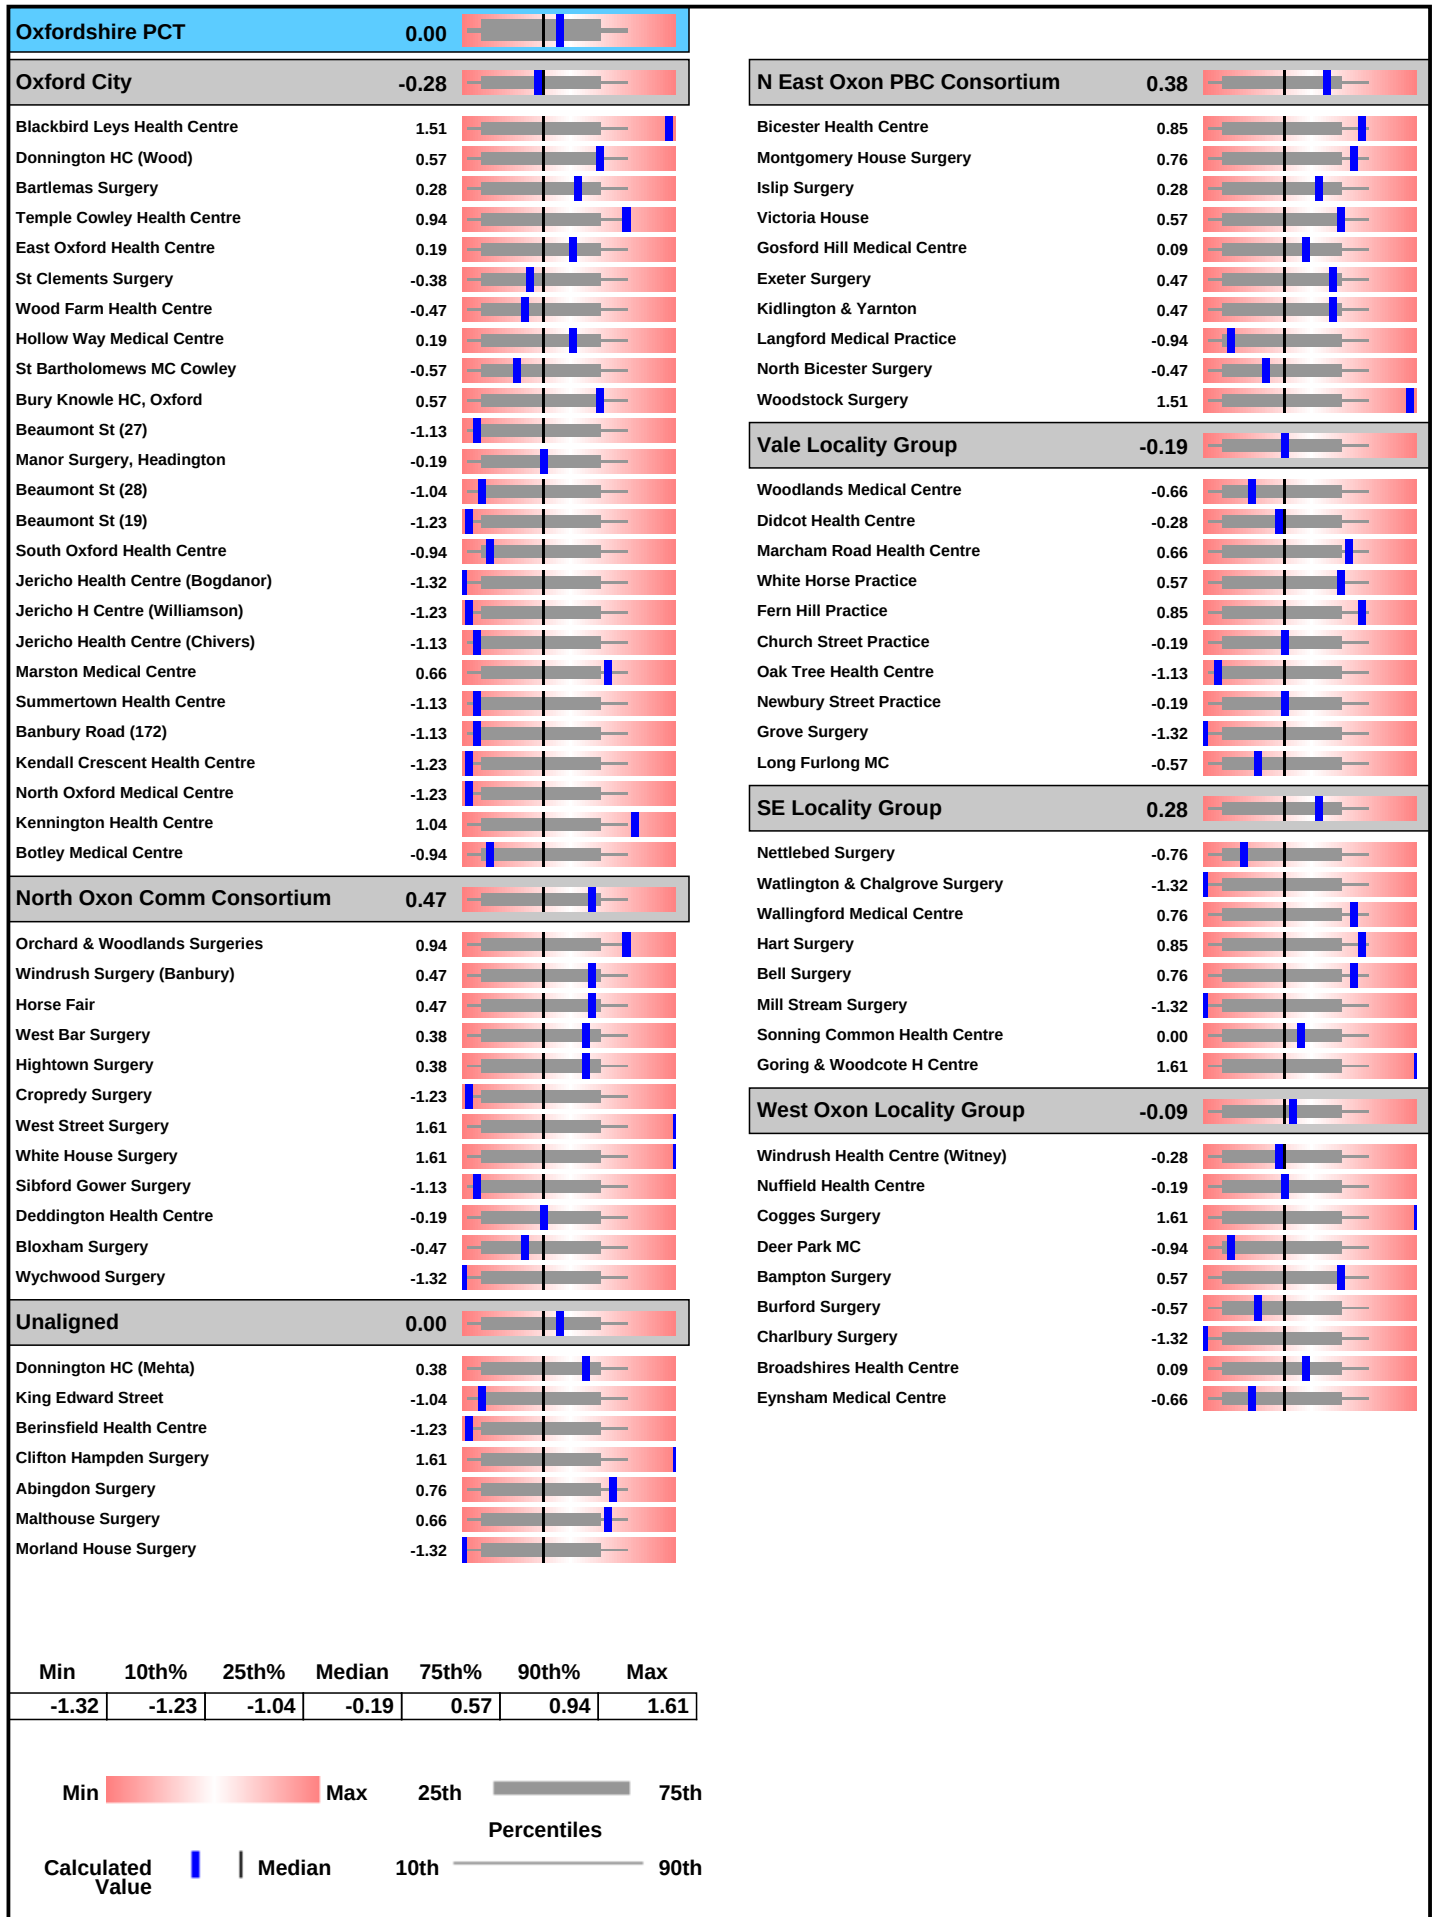

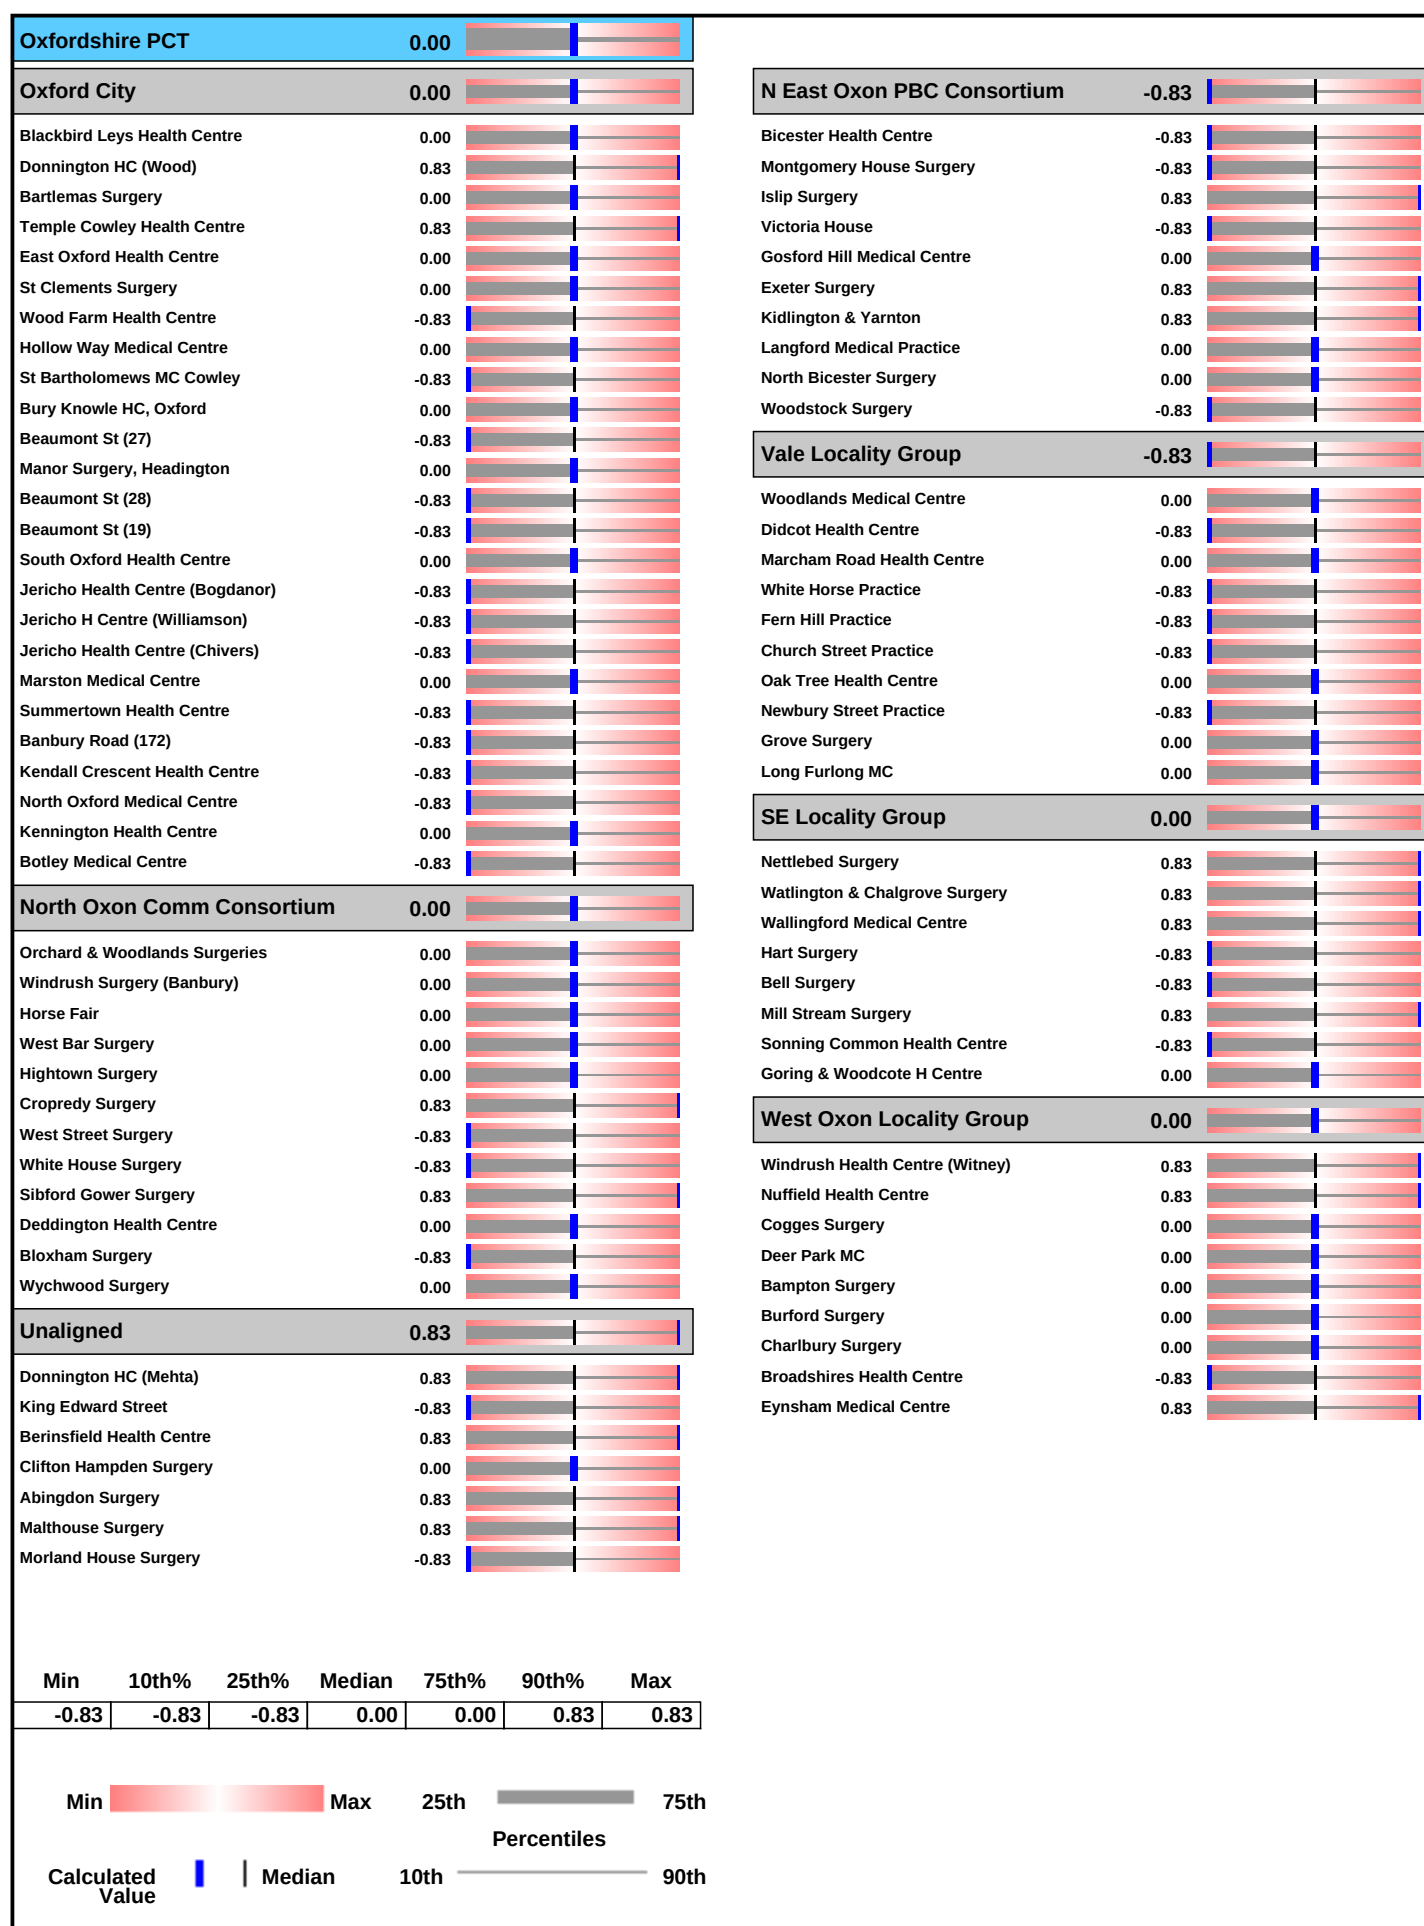

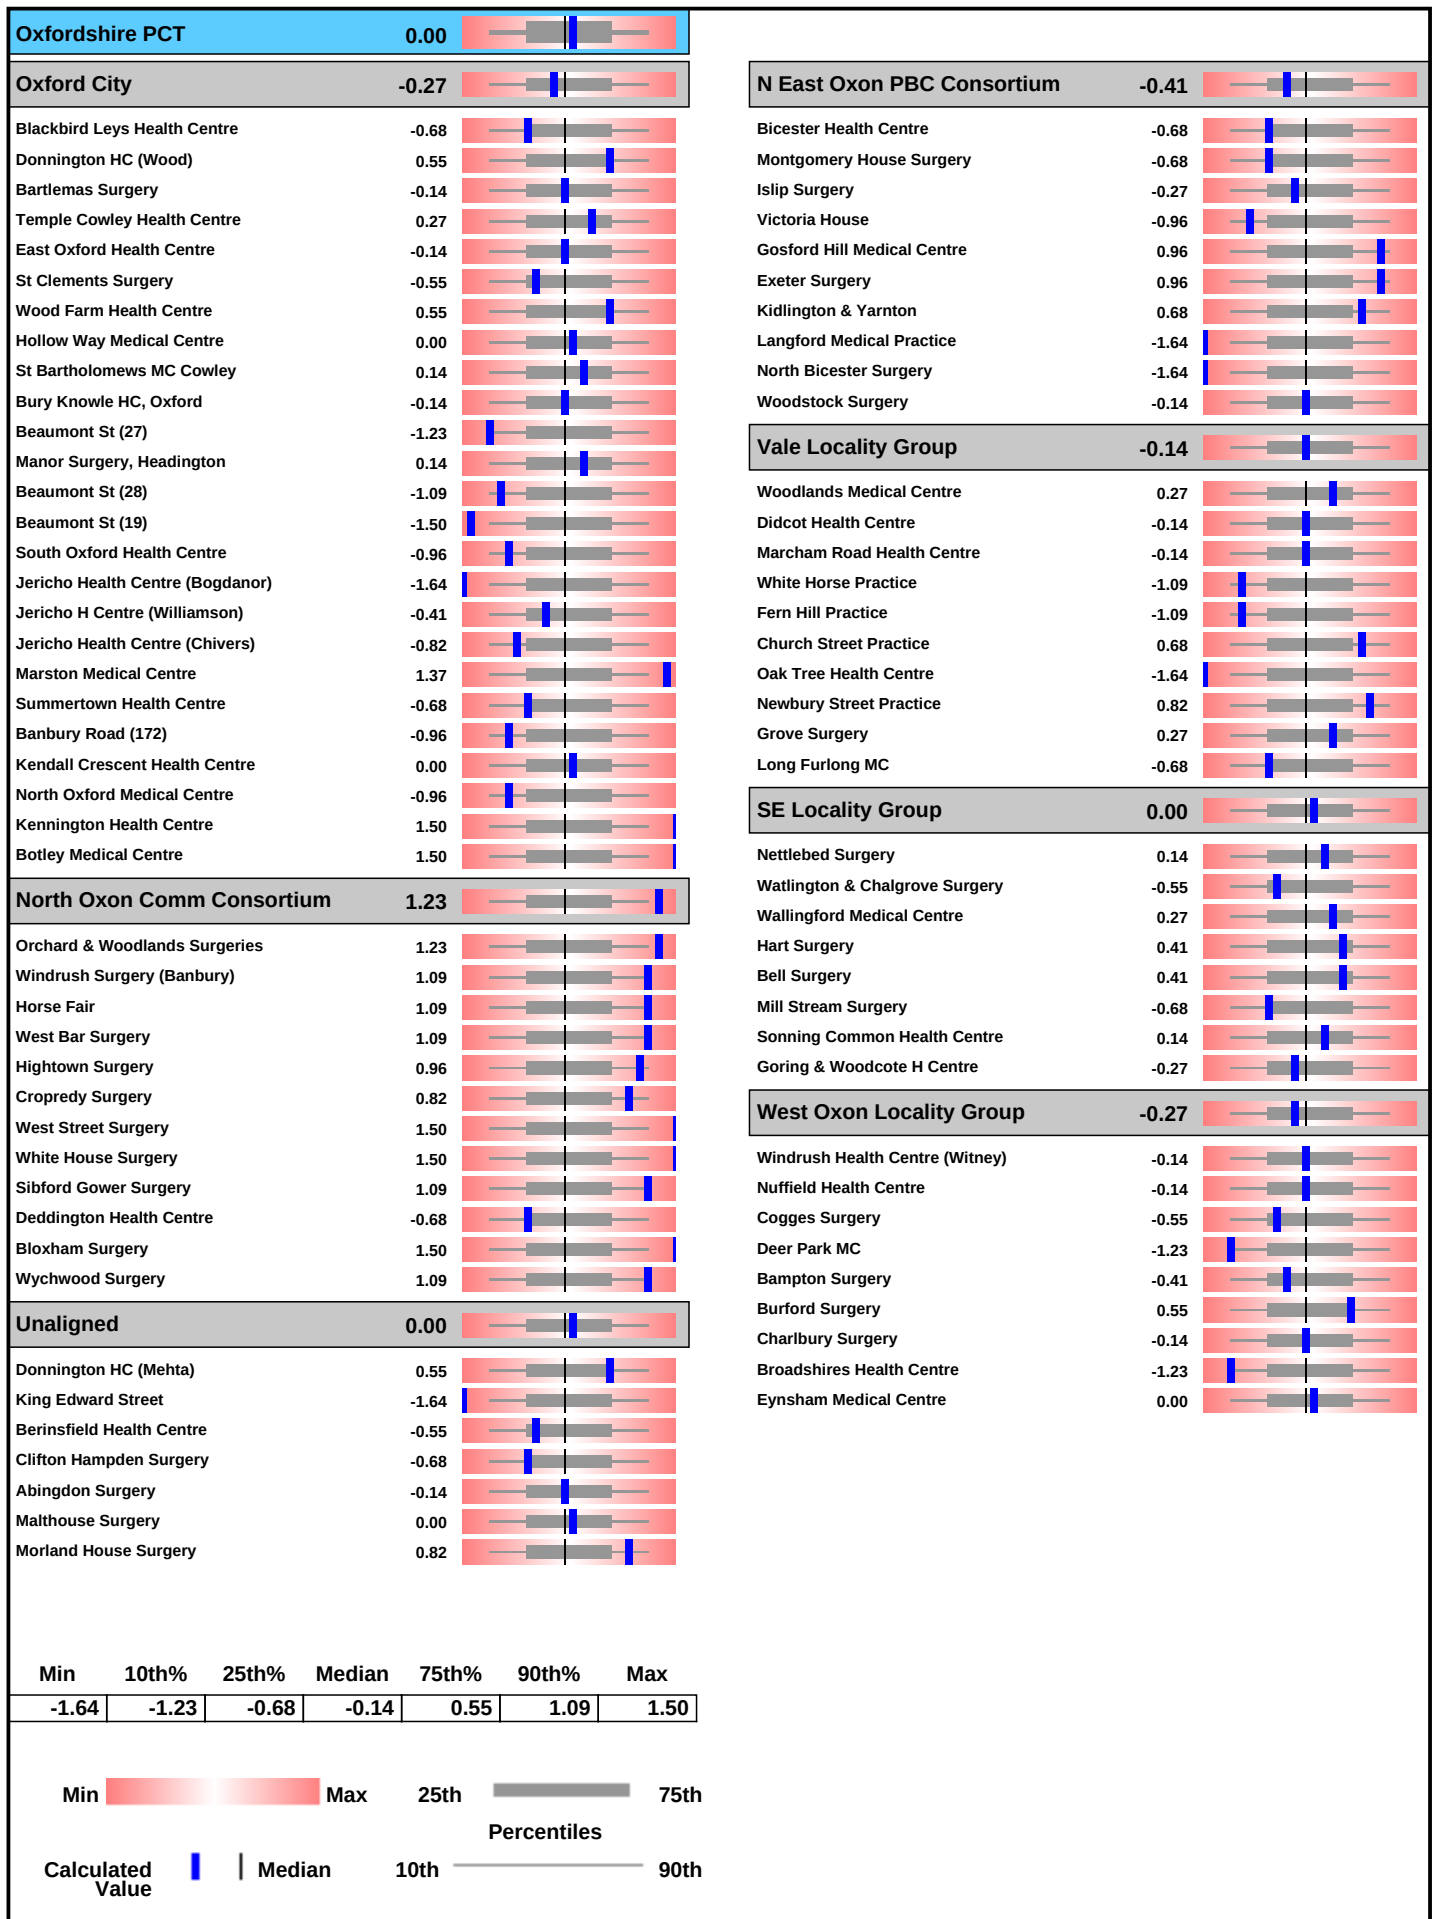

# Joint Strategic Needs Assessment [Services]

Services004

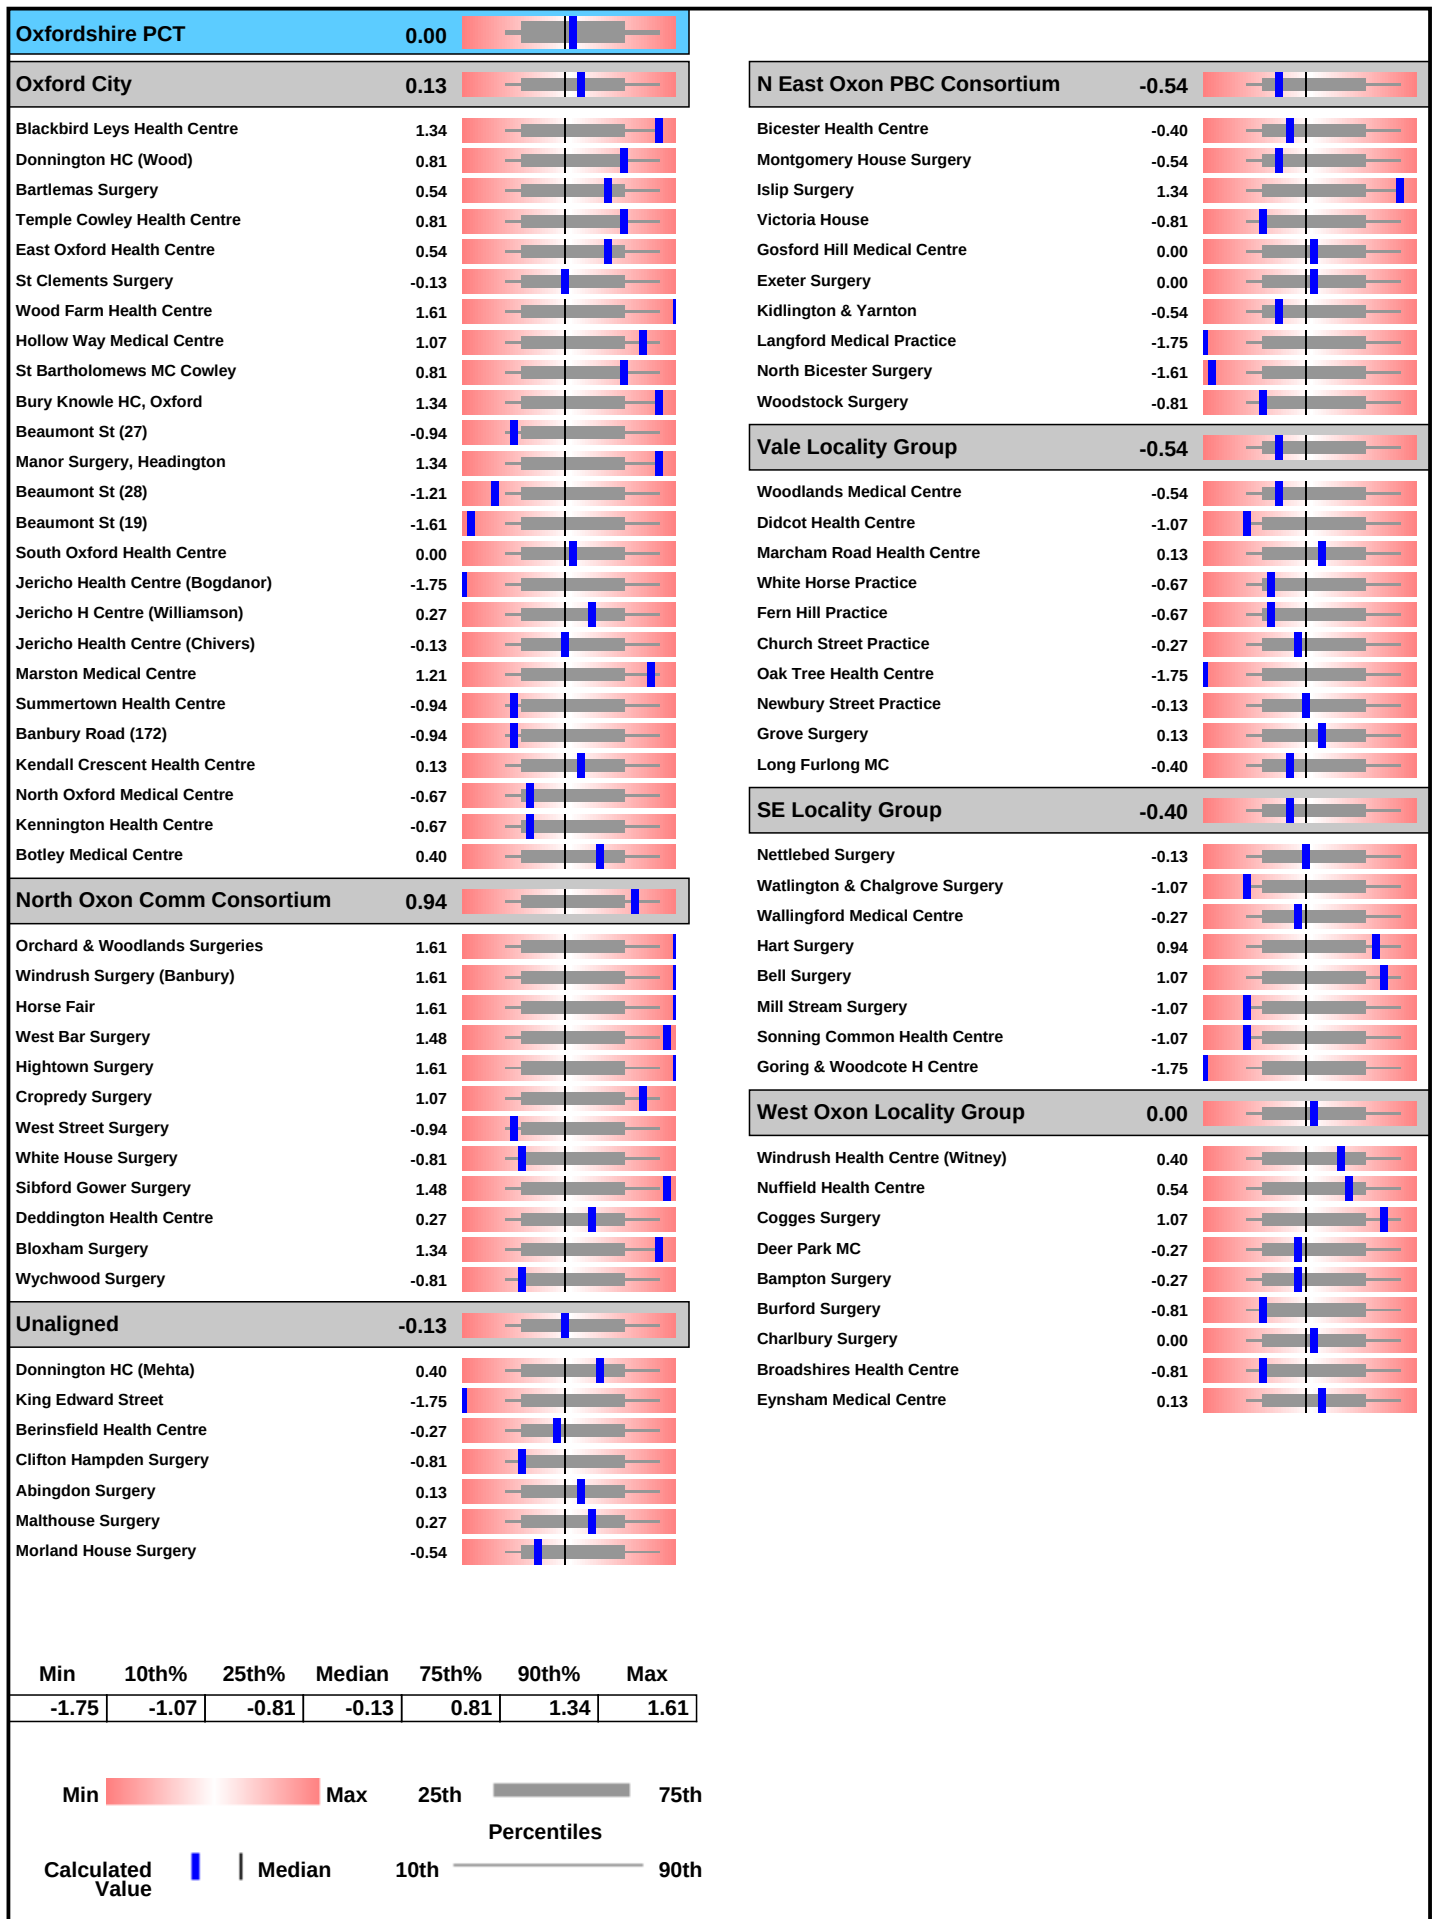

## Numbers - Residential Care funded by Oxfordshire (excluding those housed outside of the county)

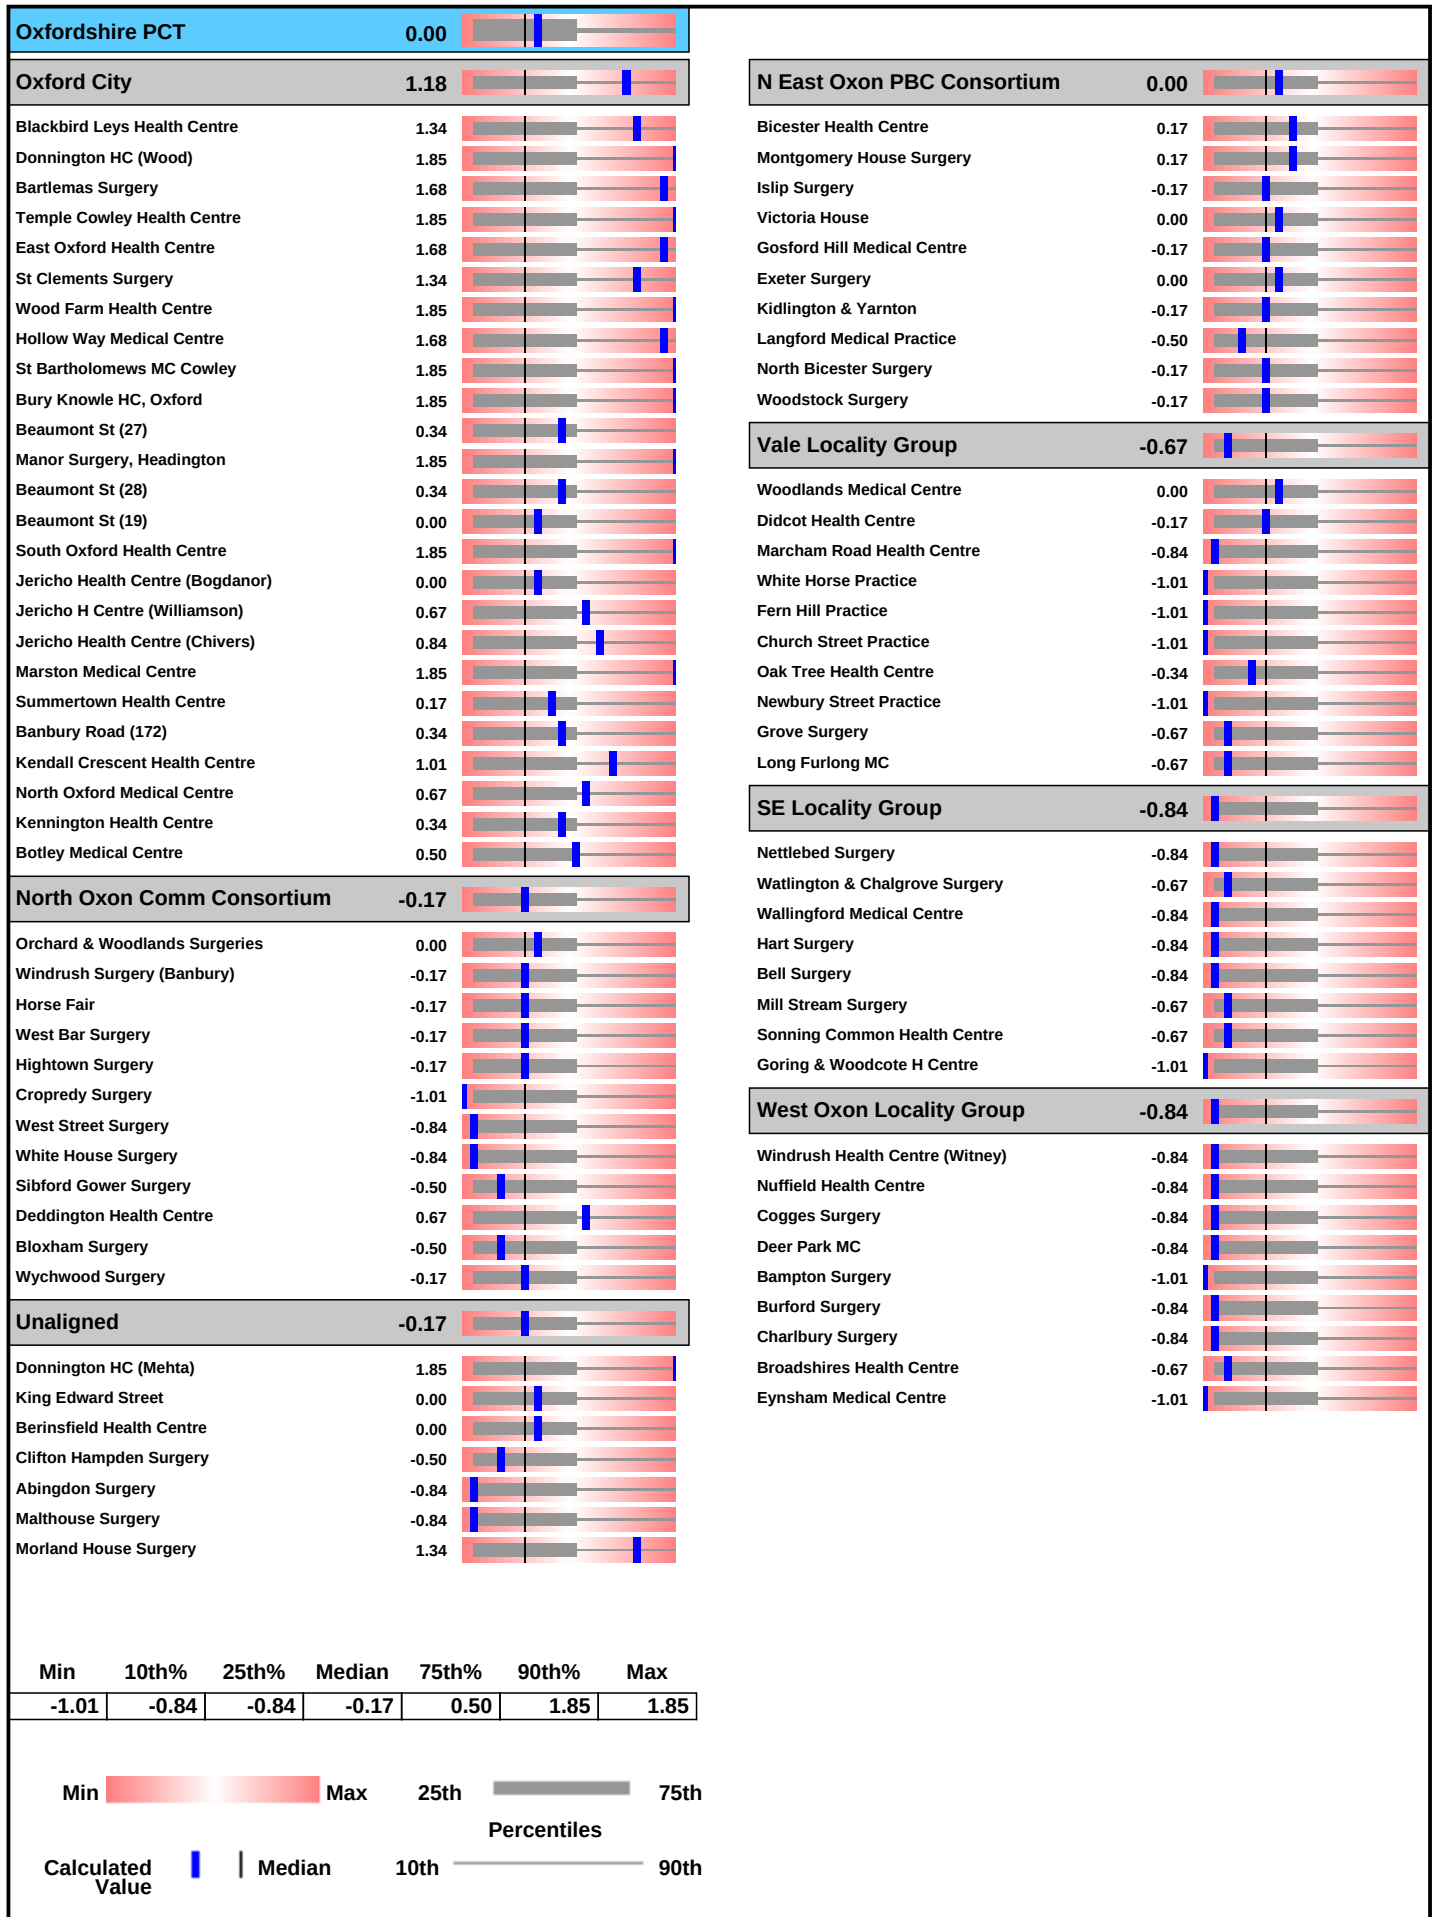

## Numbers - Receiving community equipment

# Joint Strategic Needs Assessment [Services]

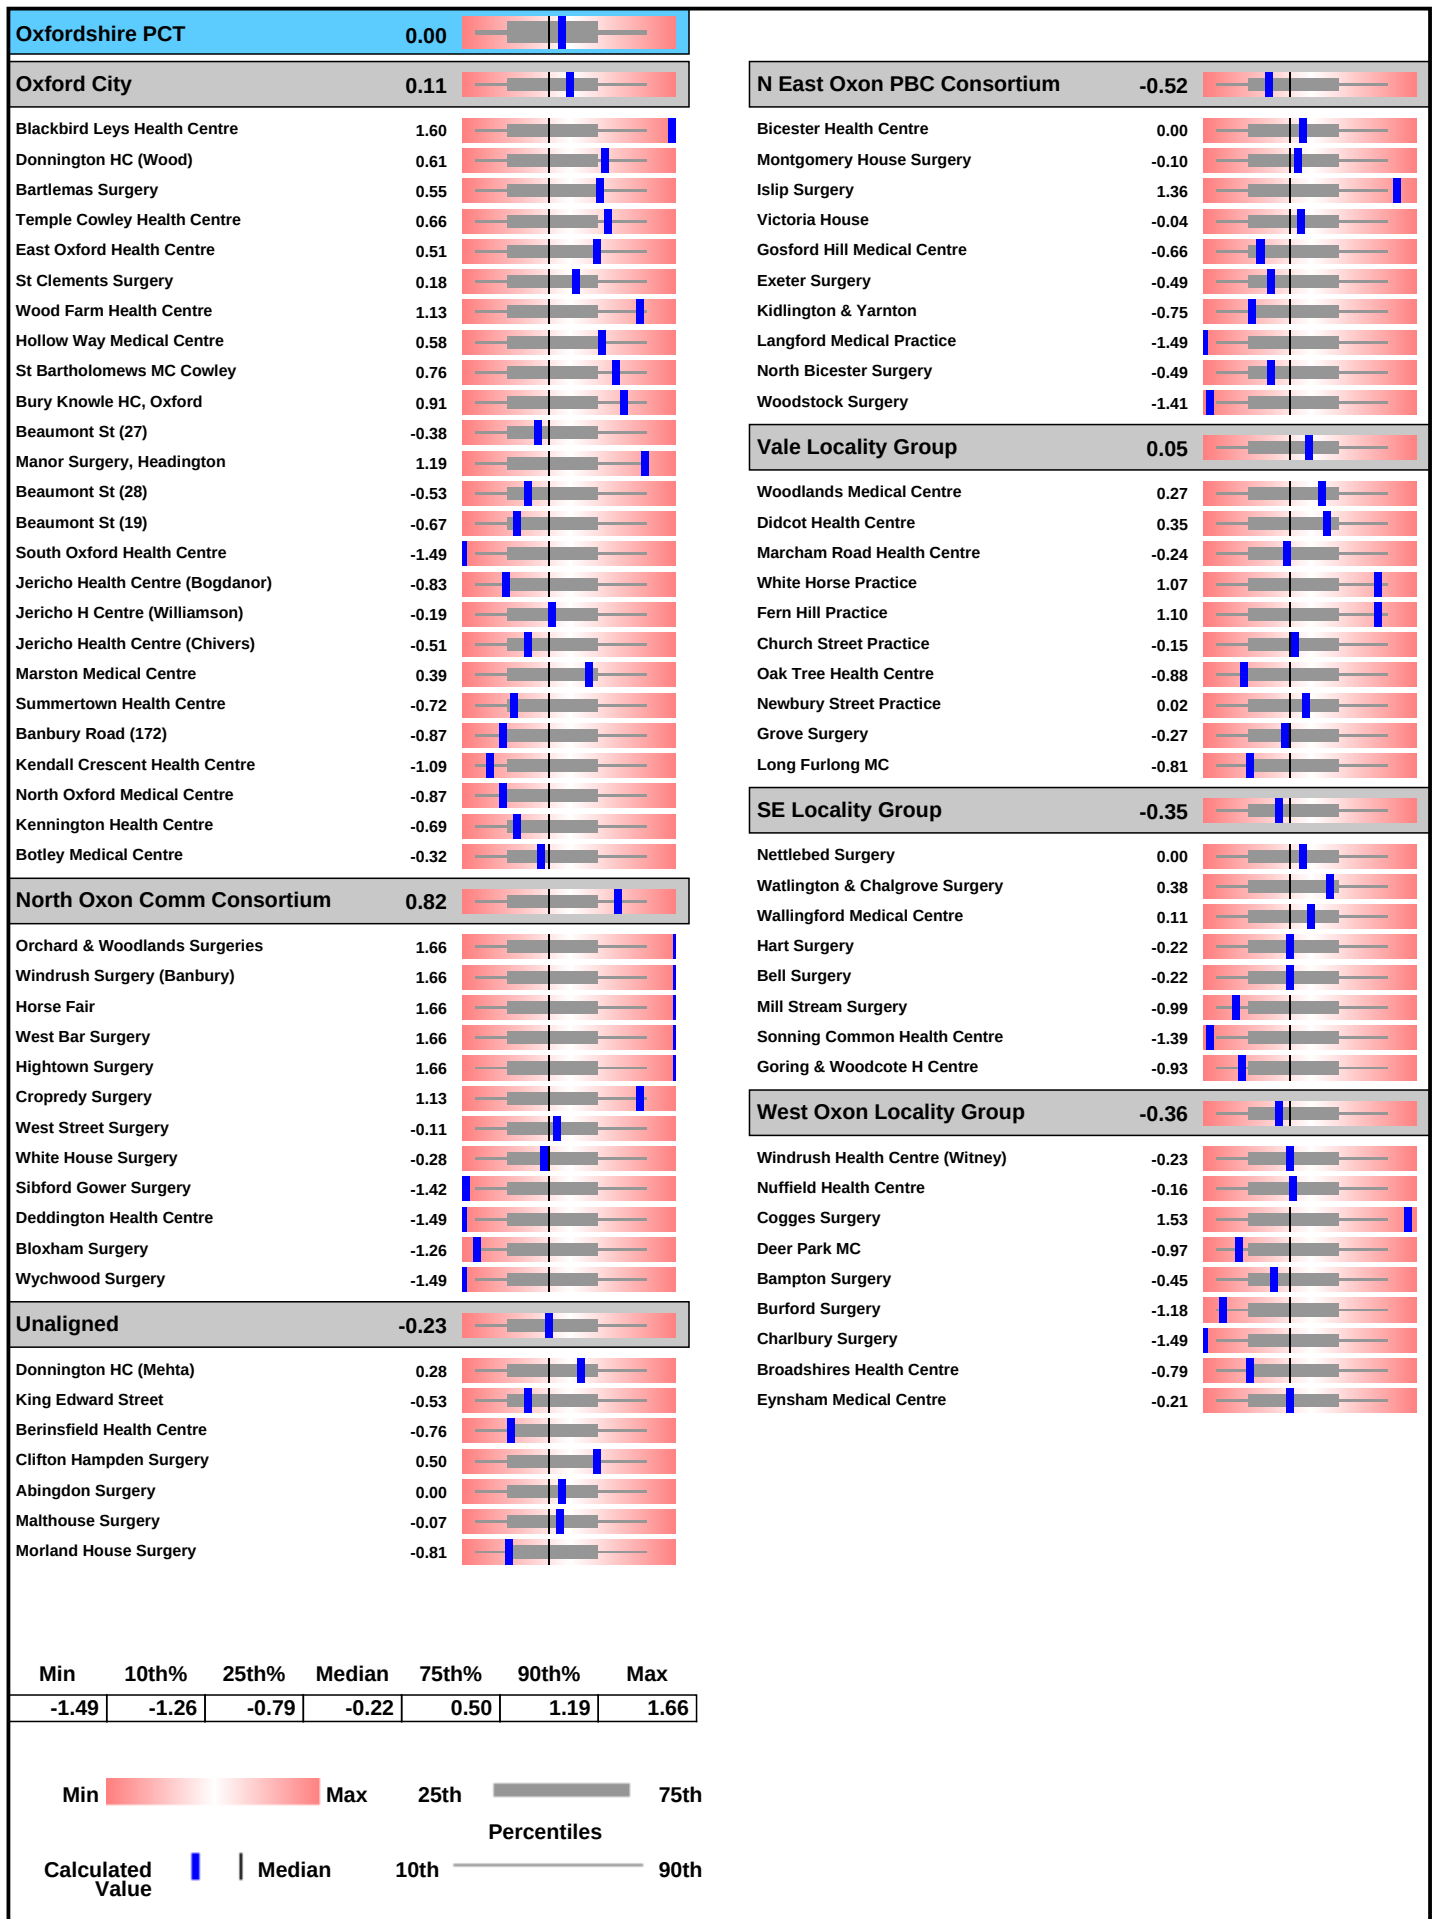

Services008  
Numbers - Telecare

# Joint Strategic Needs Assessment [Services]

Services010

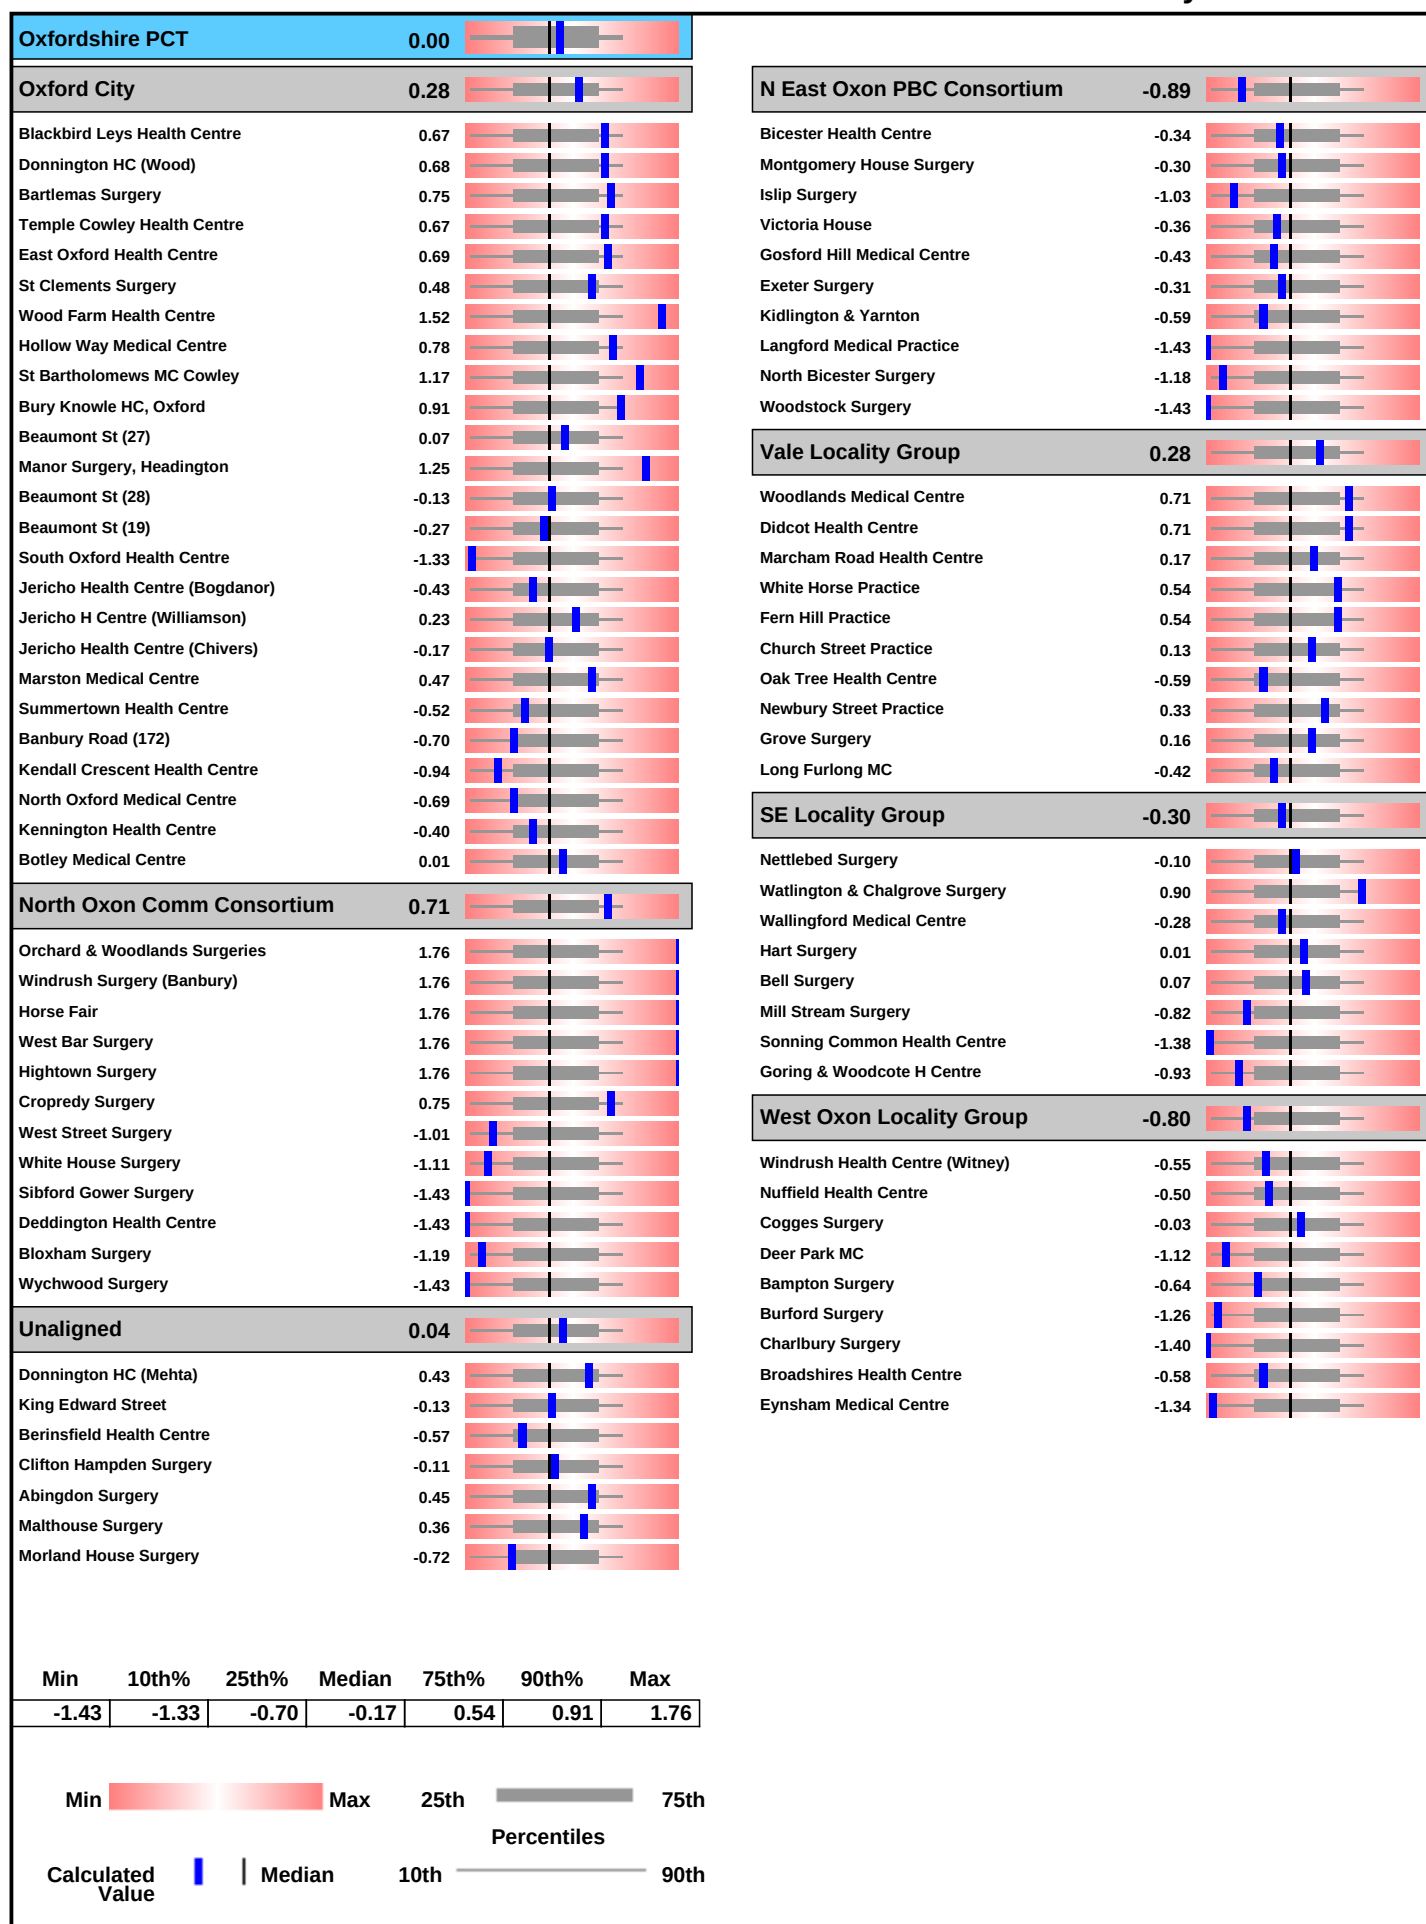

Numbers - physical disability, frailty and sensory impairment (older clients)

# Joint Strategic Needs Assessment [Services]

Services011

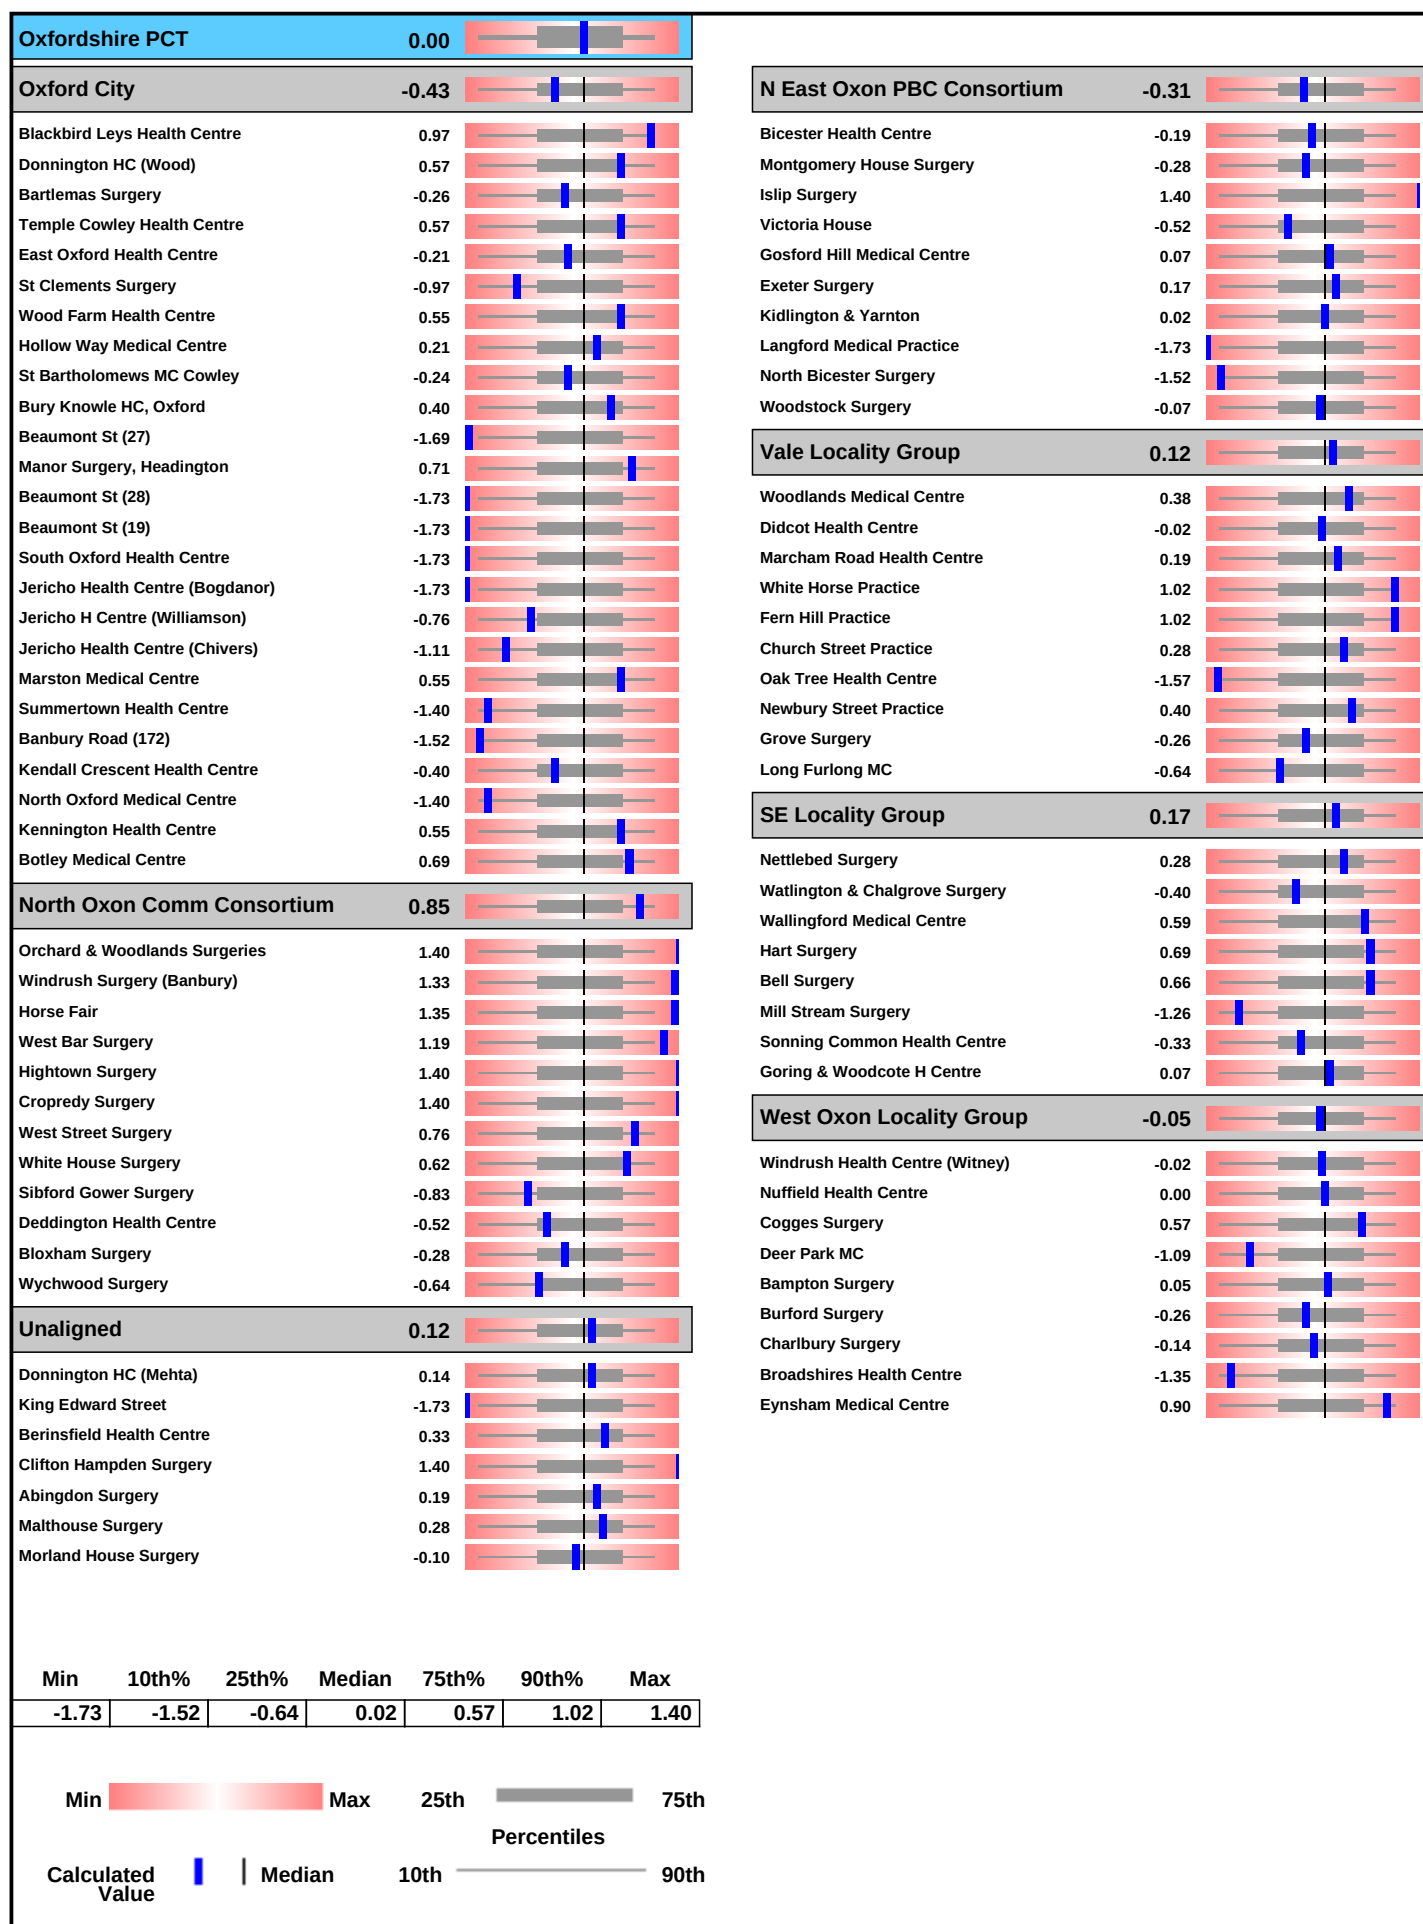

Numbers - physical disability, frailty and sensory impairment (older clients) receiving community-based services

# Joint Strategic Needs Assessment [Services]

Services012

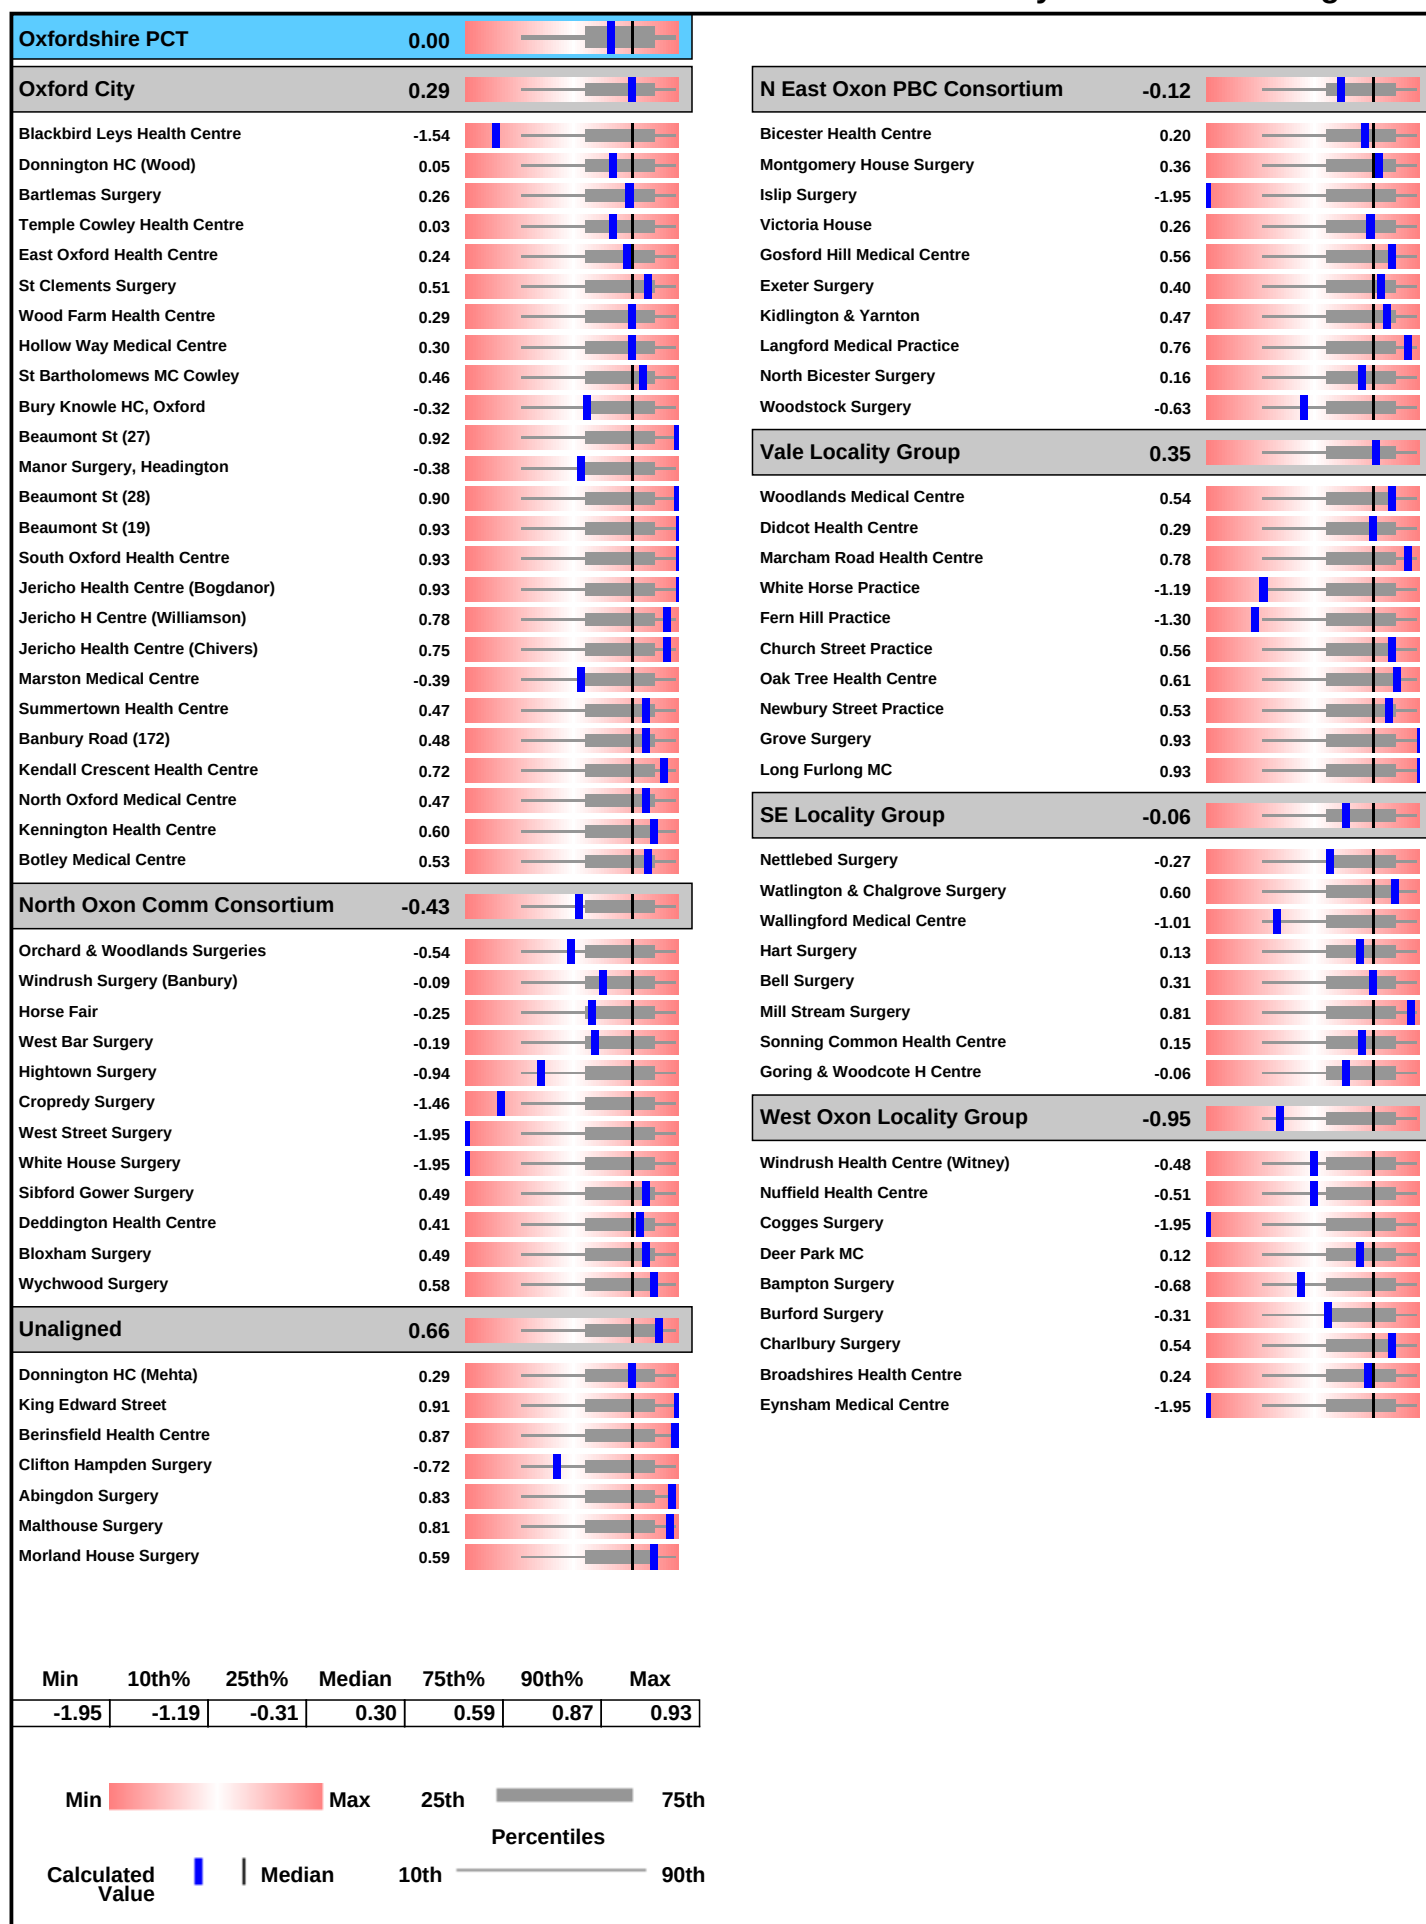

Numbers - physical disability, frailty and sensory impairment (clients age 18+)

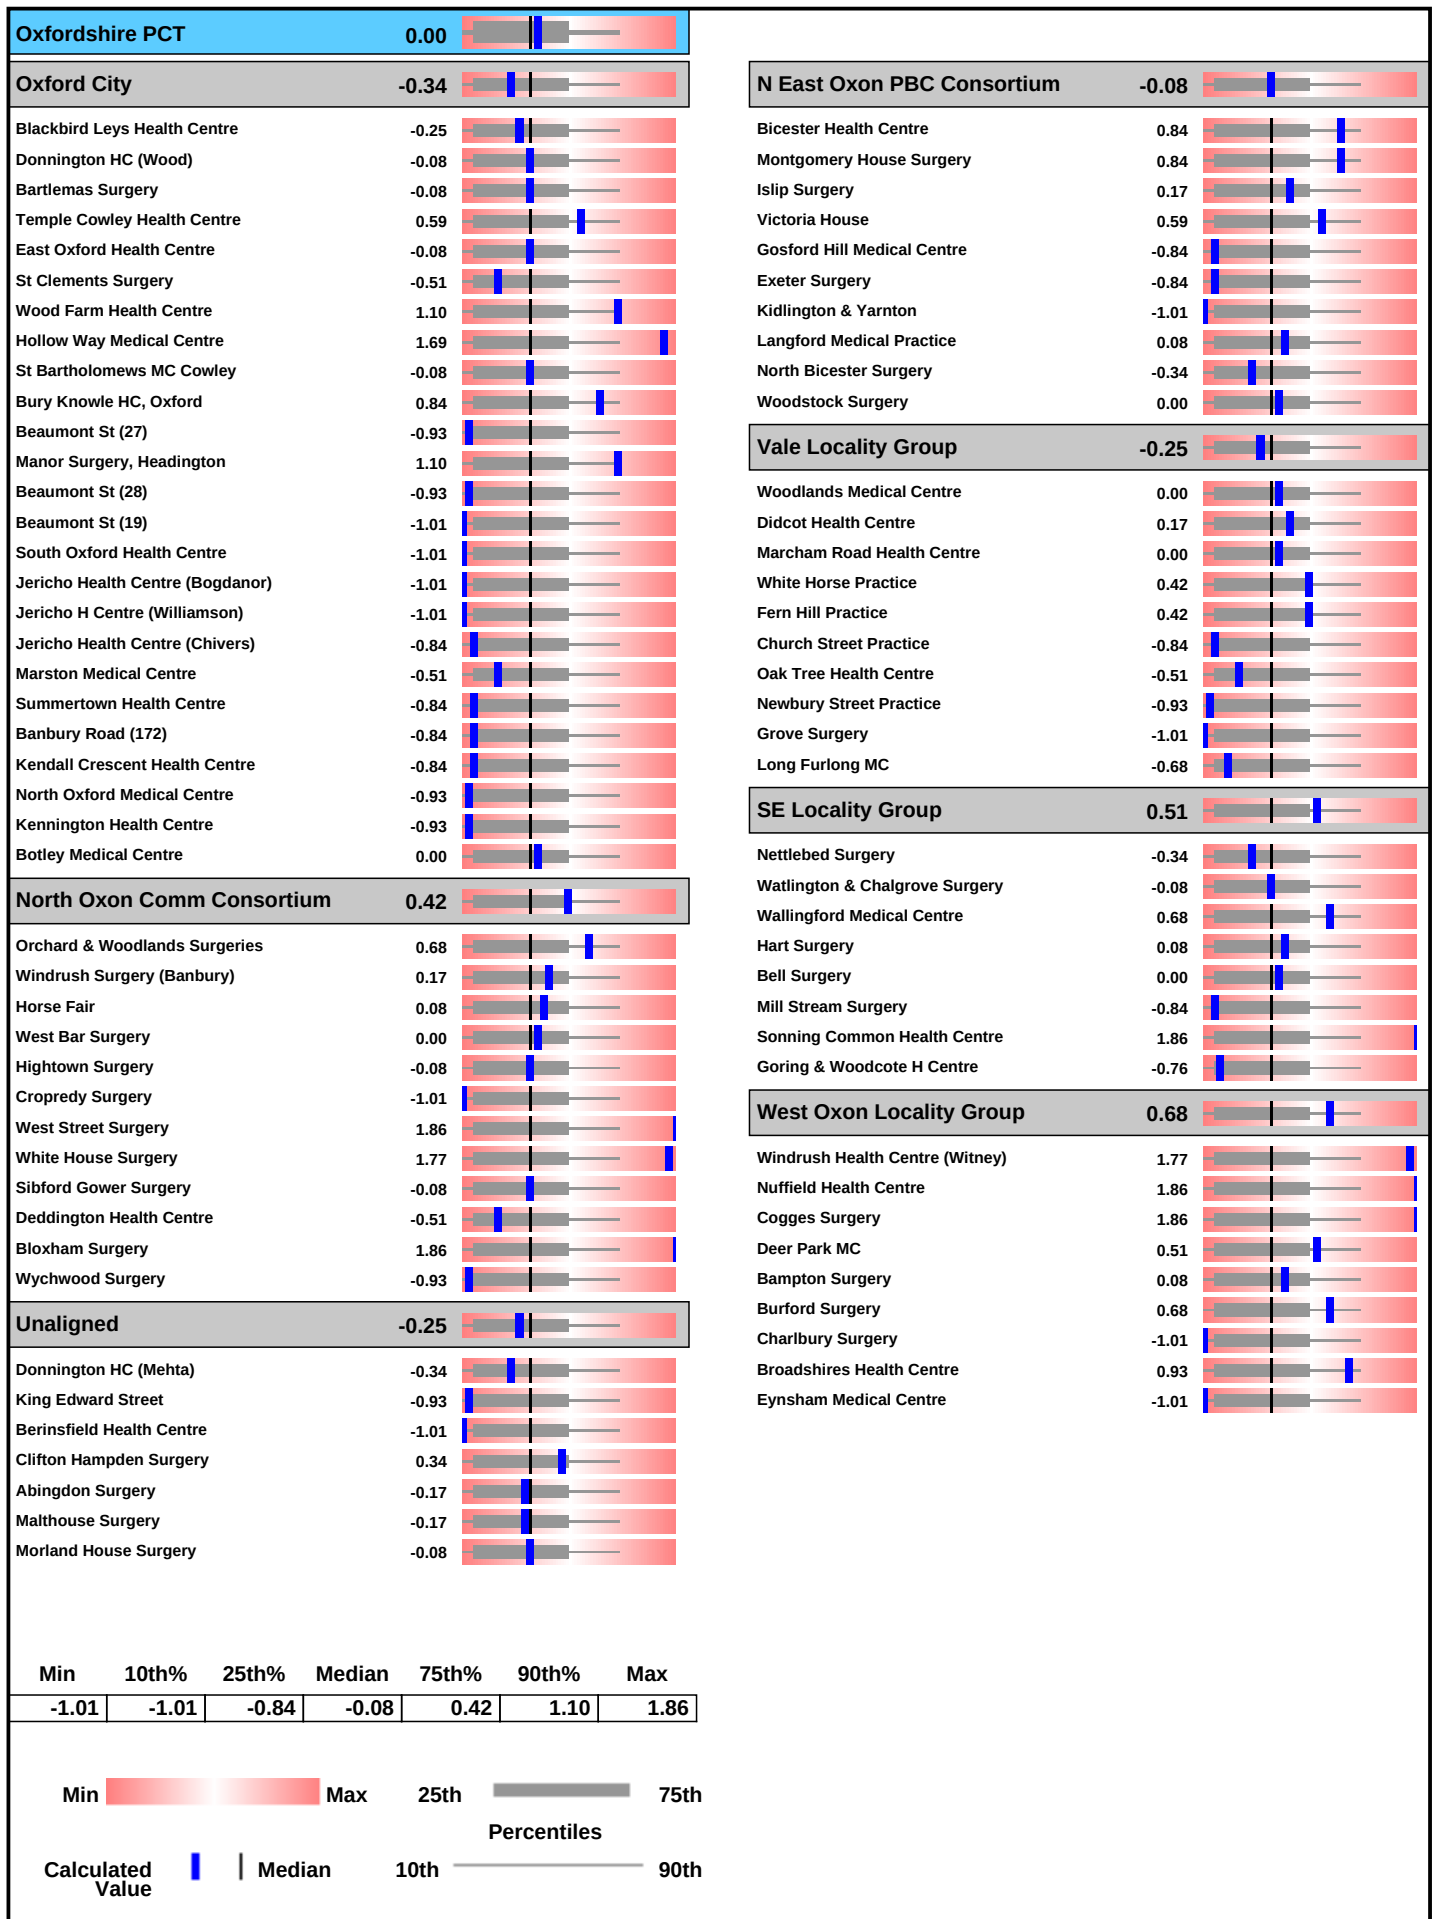

# Joint Strategic Needs Assessment [Services]

Services013

Numbers - physical disability, frailty and sensory impairment receiving community-based services aged 18+

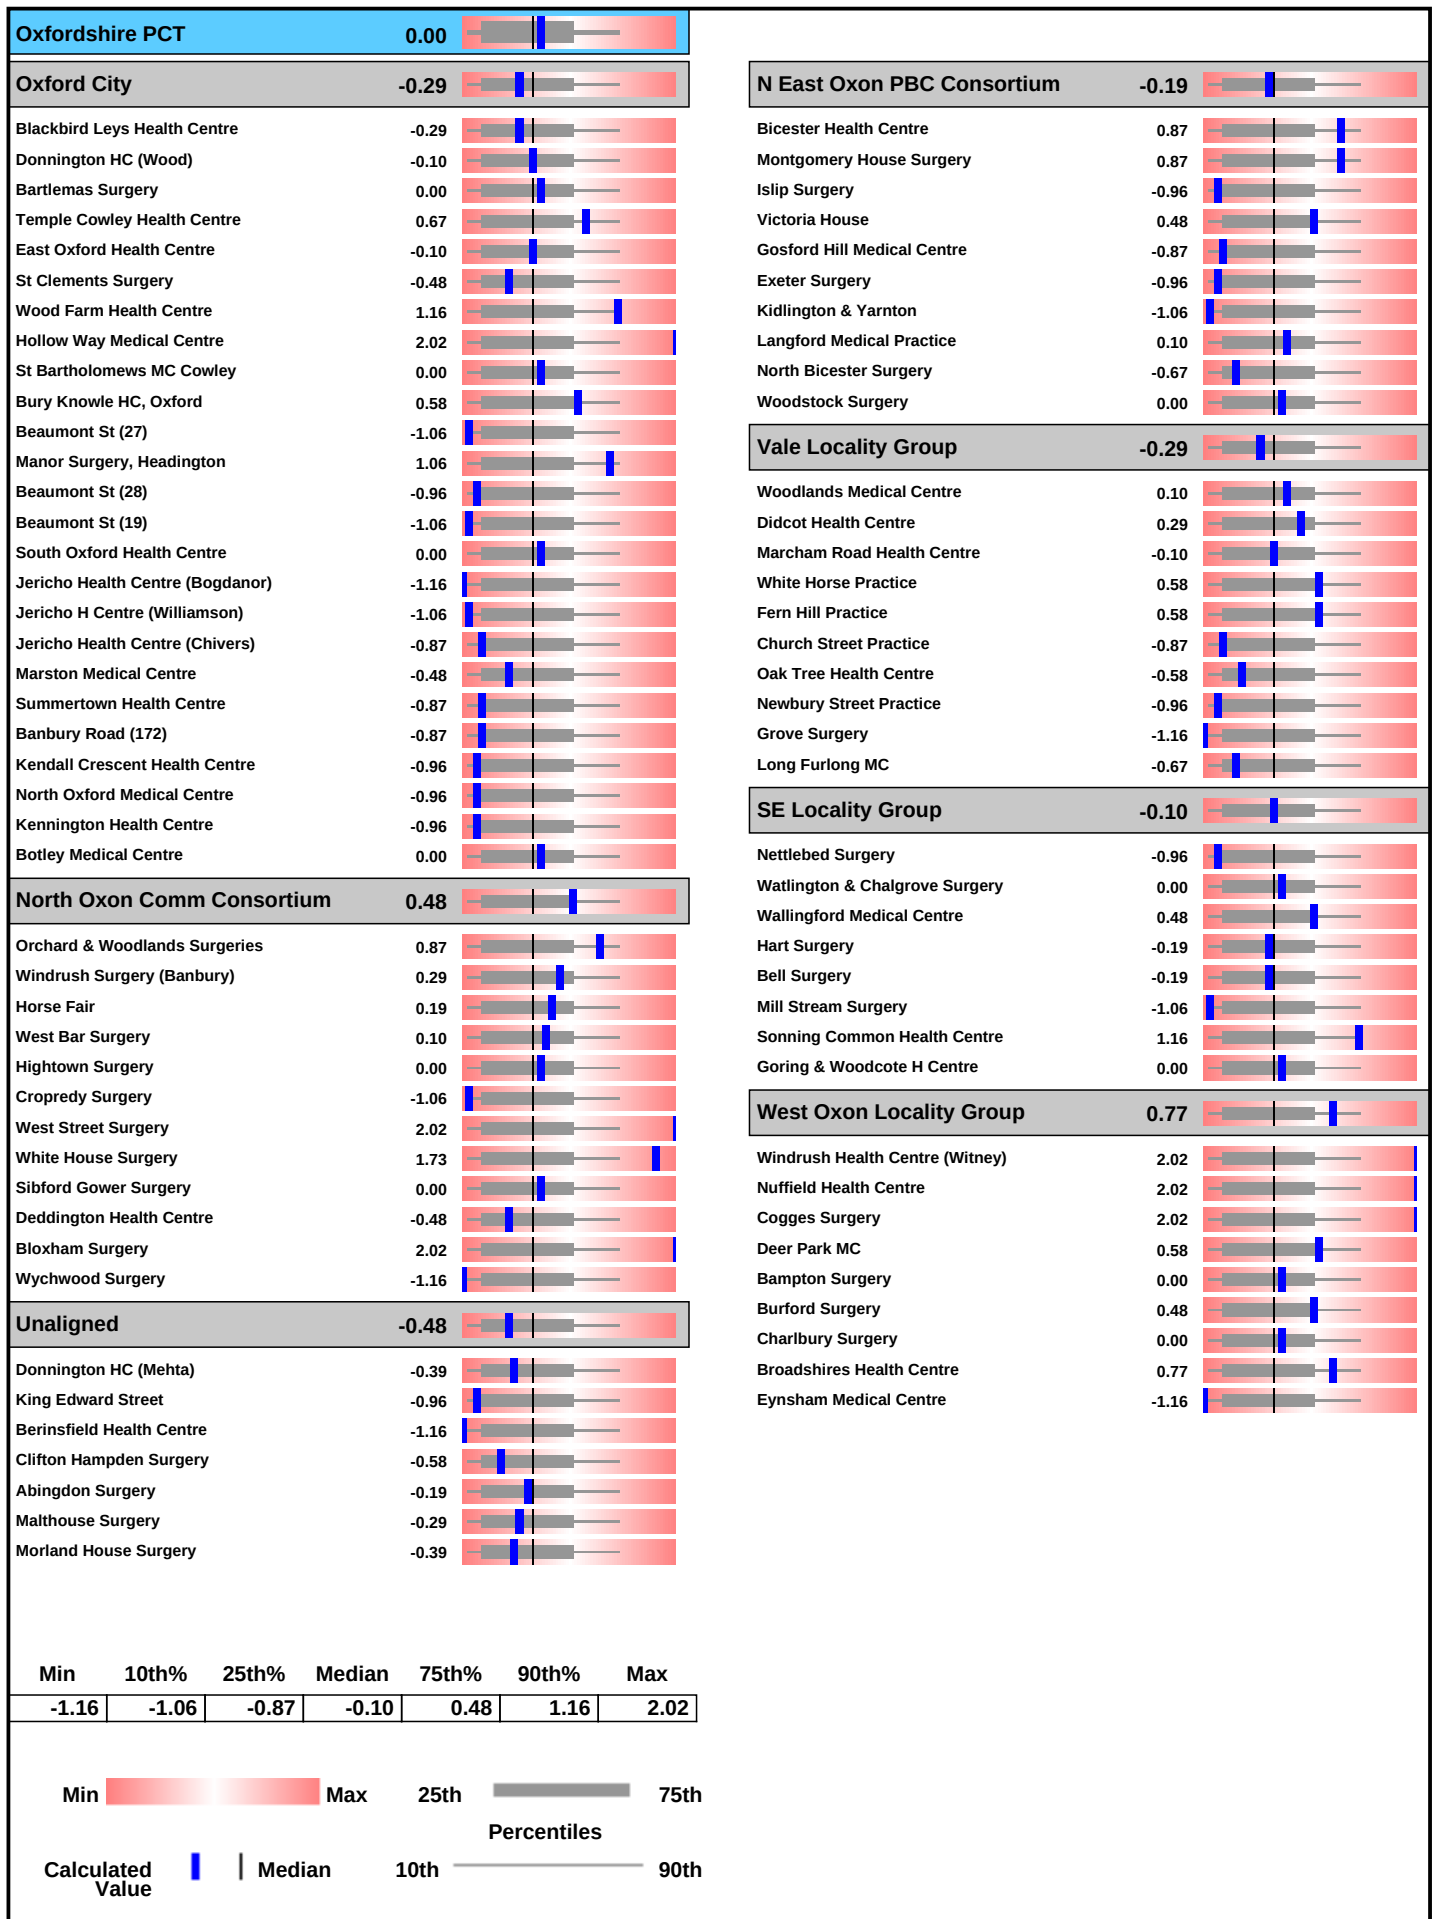

# Joint Strategic Needs Assessment [Services]

Services015

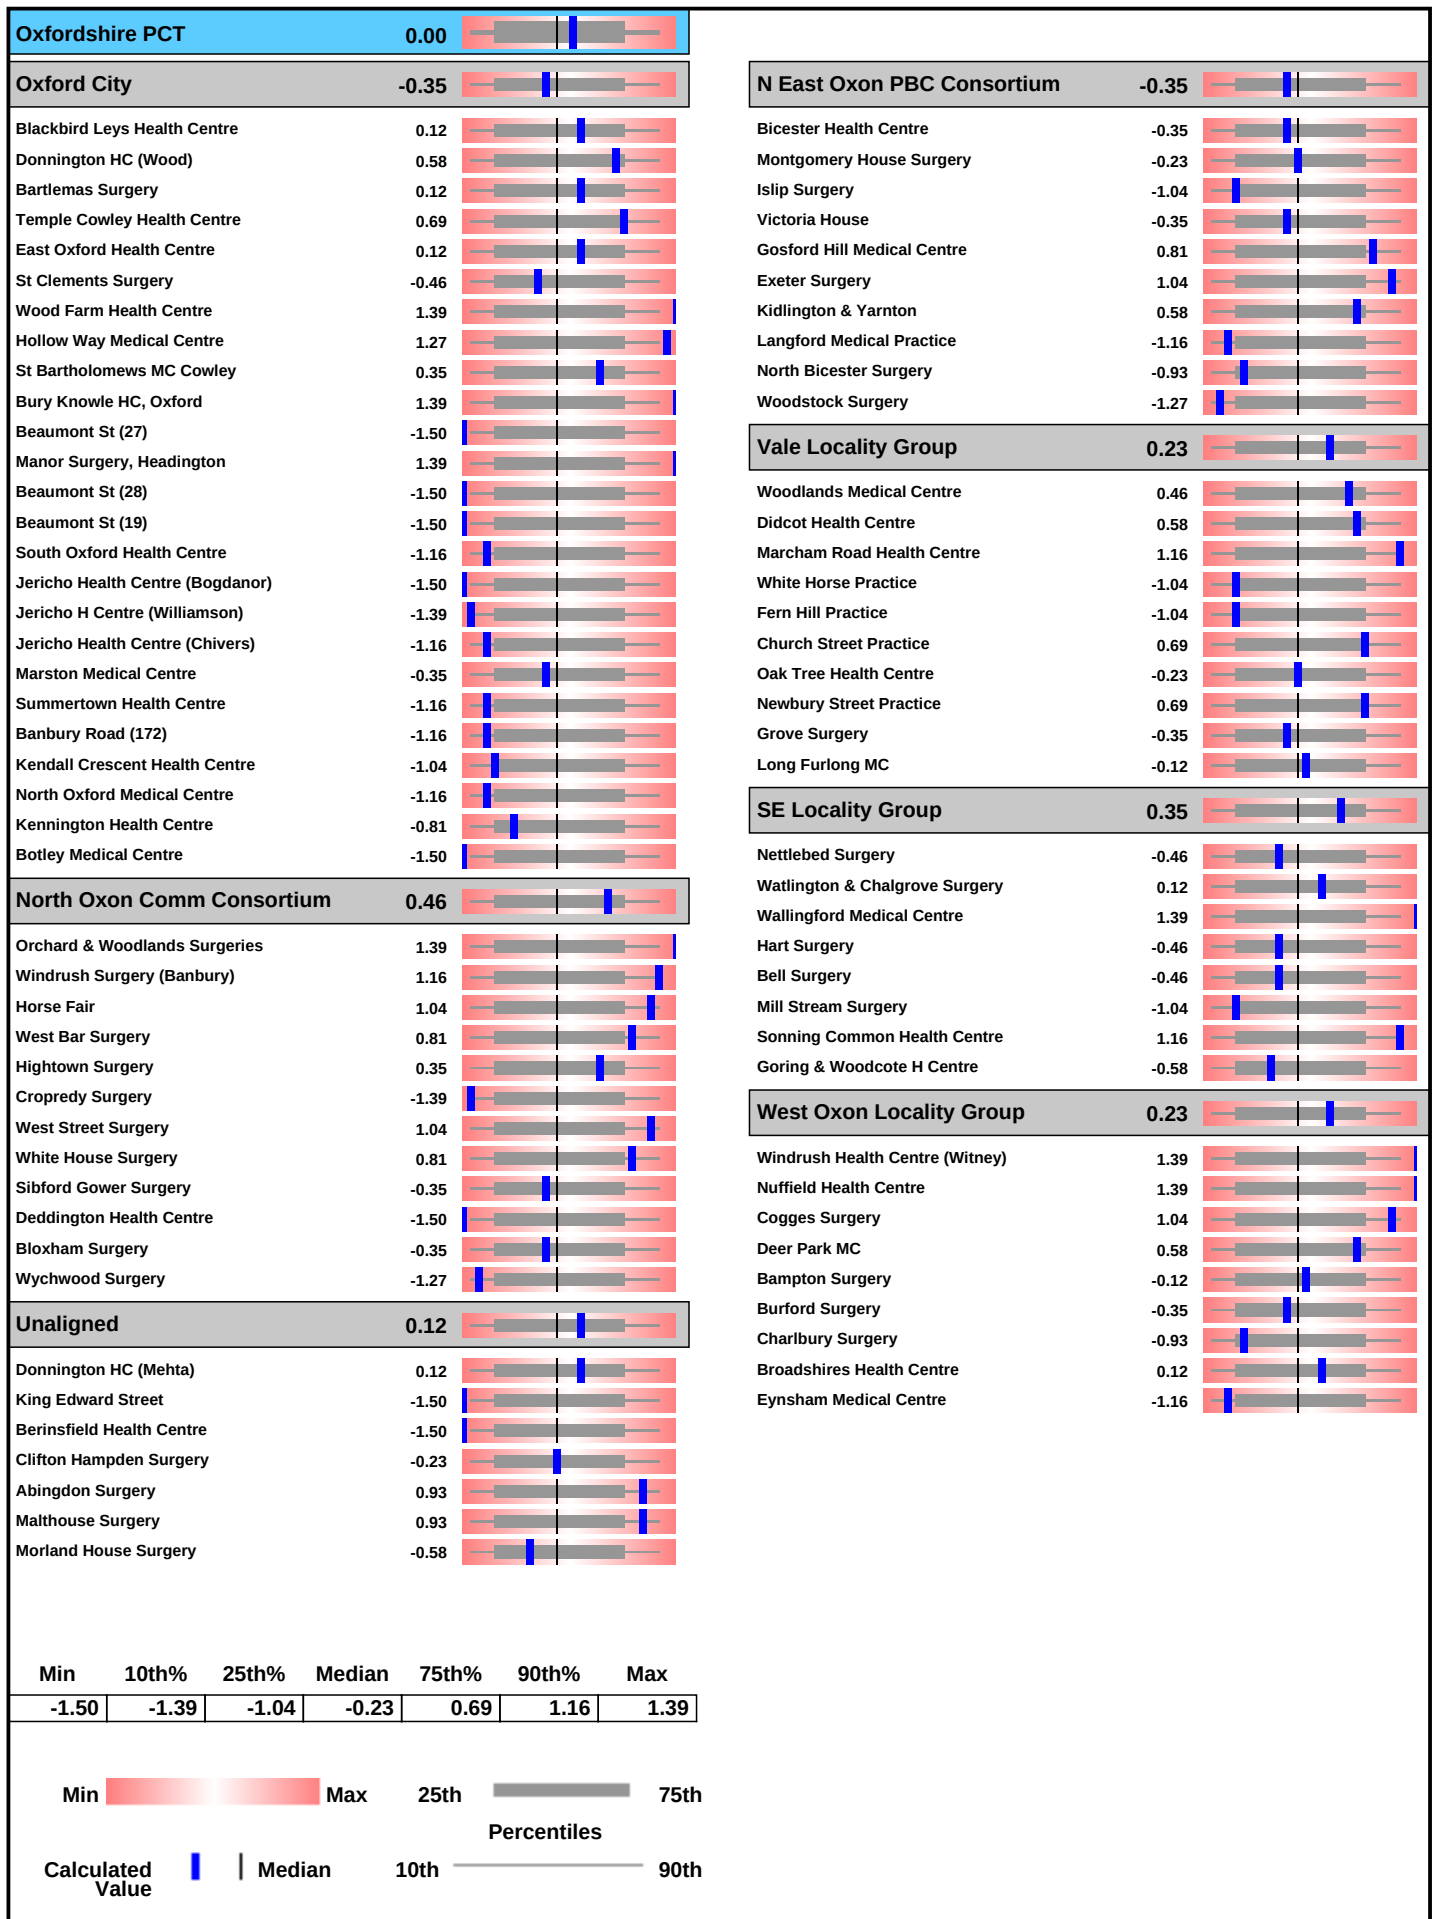

Numbers - learning disability (older clients) receiving community-based services

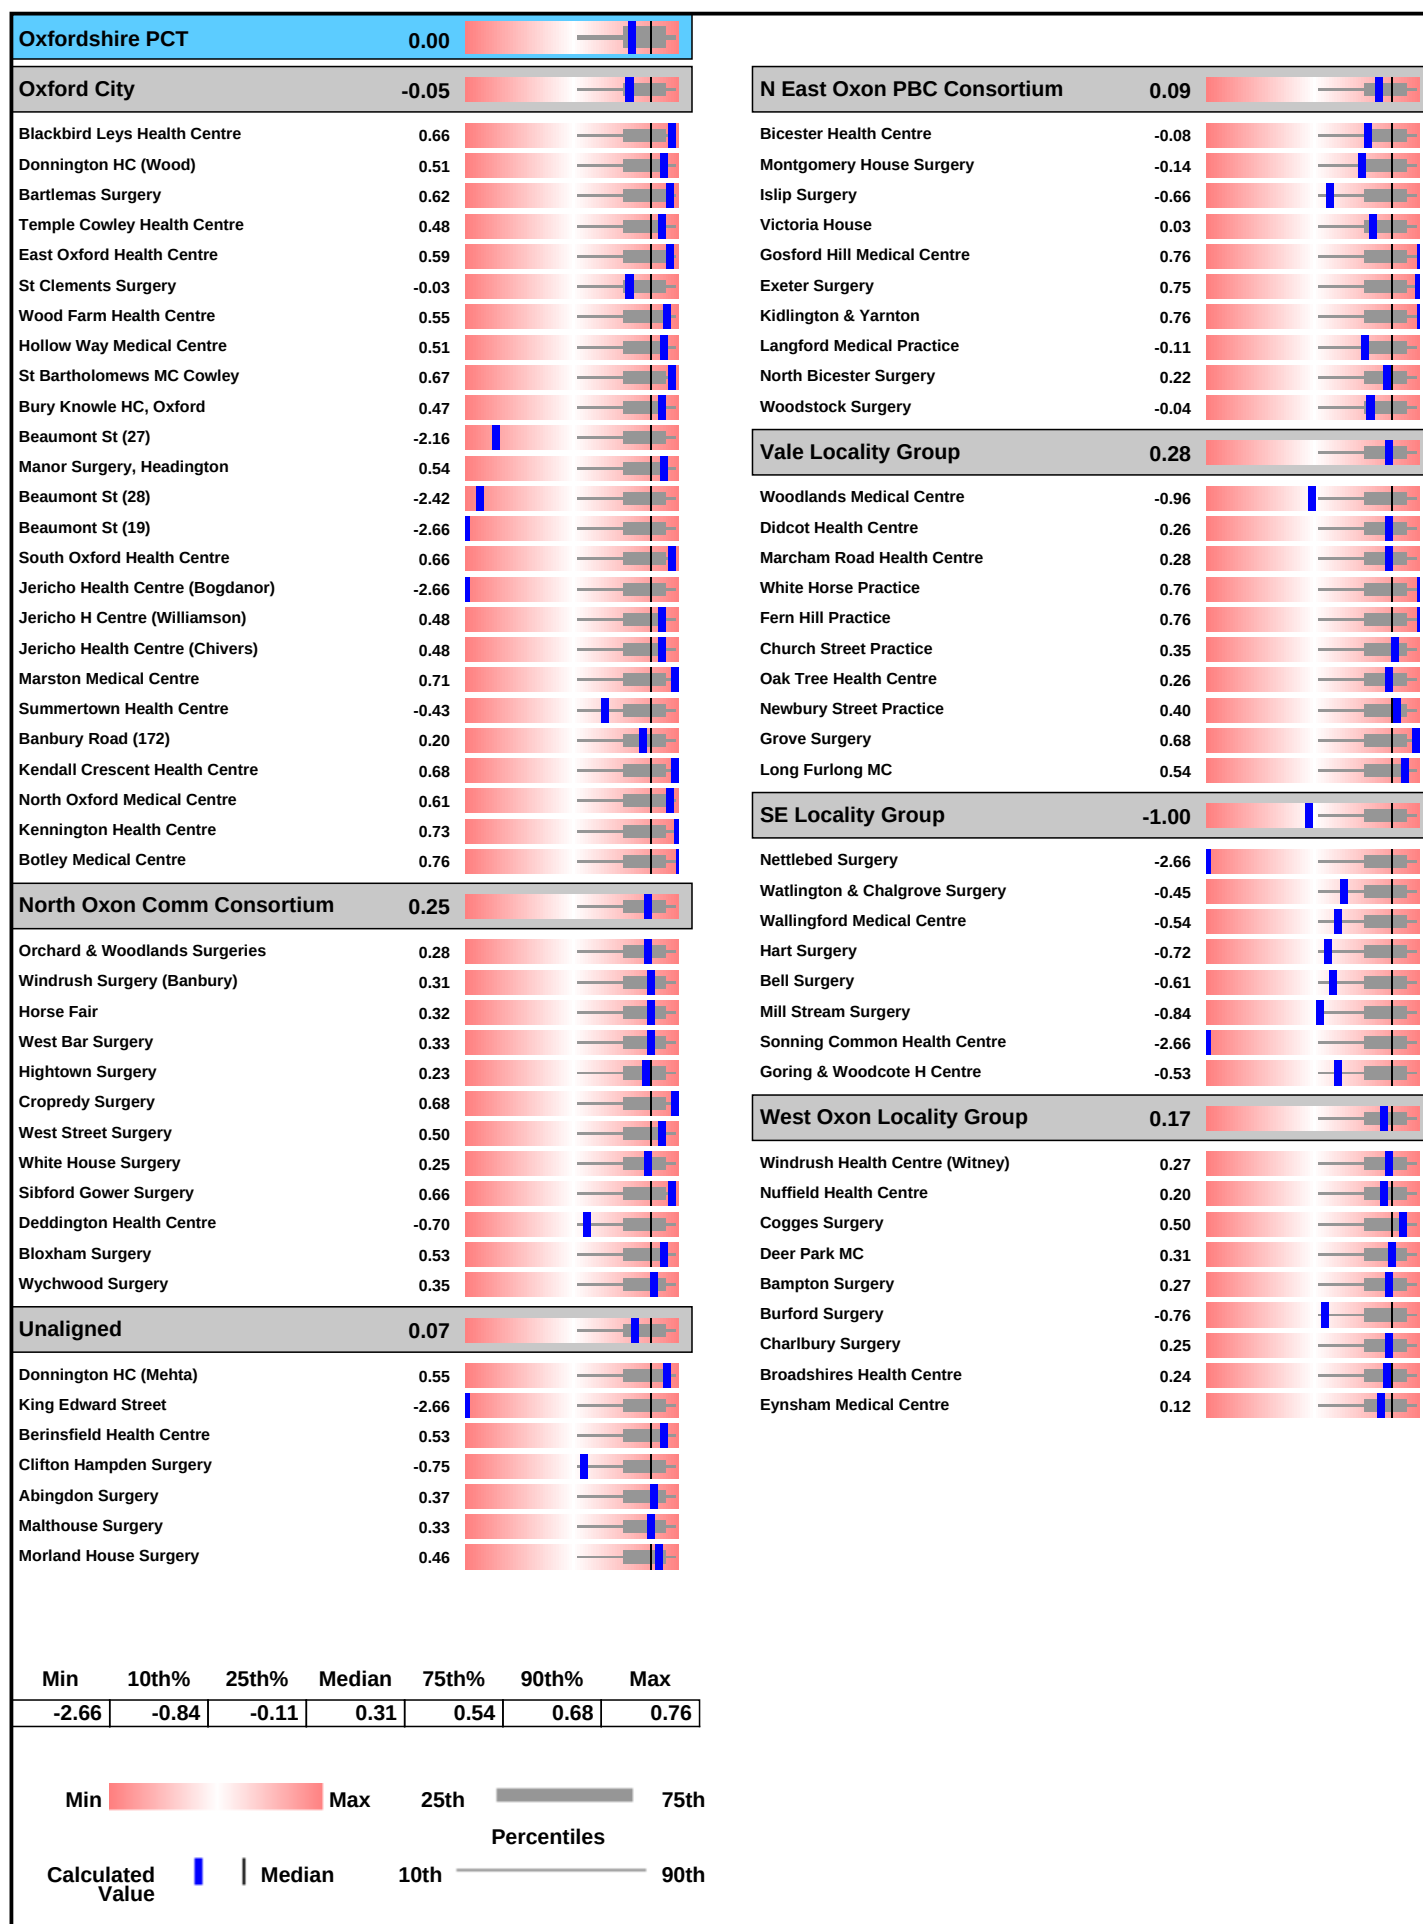

# Joint Strategic Needs Assessment [Services]

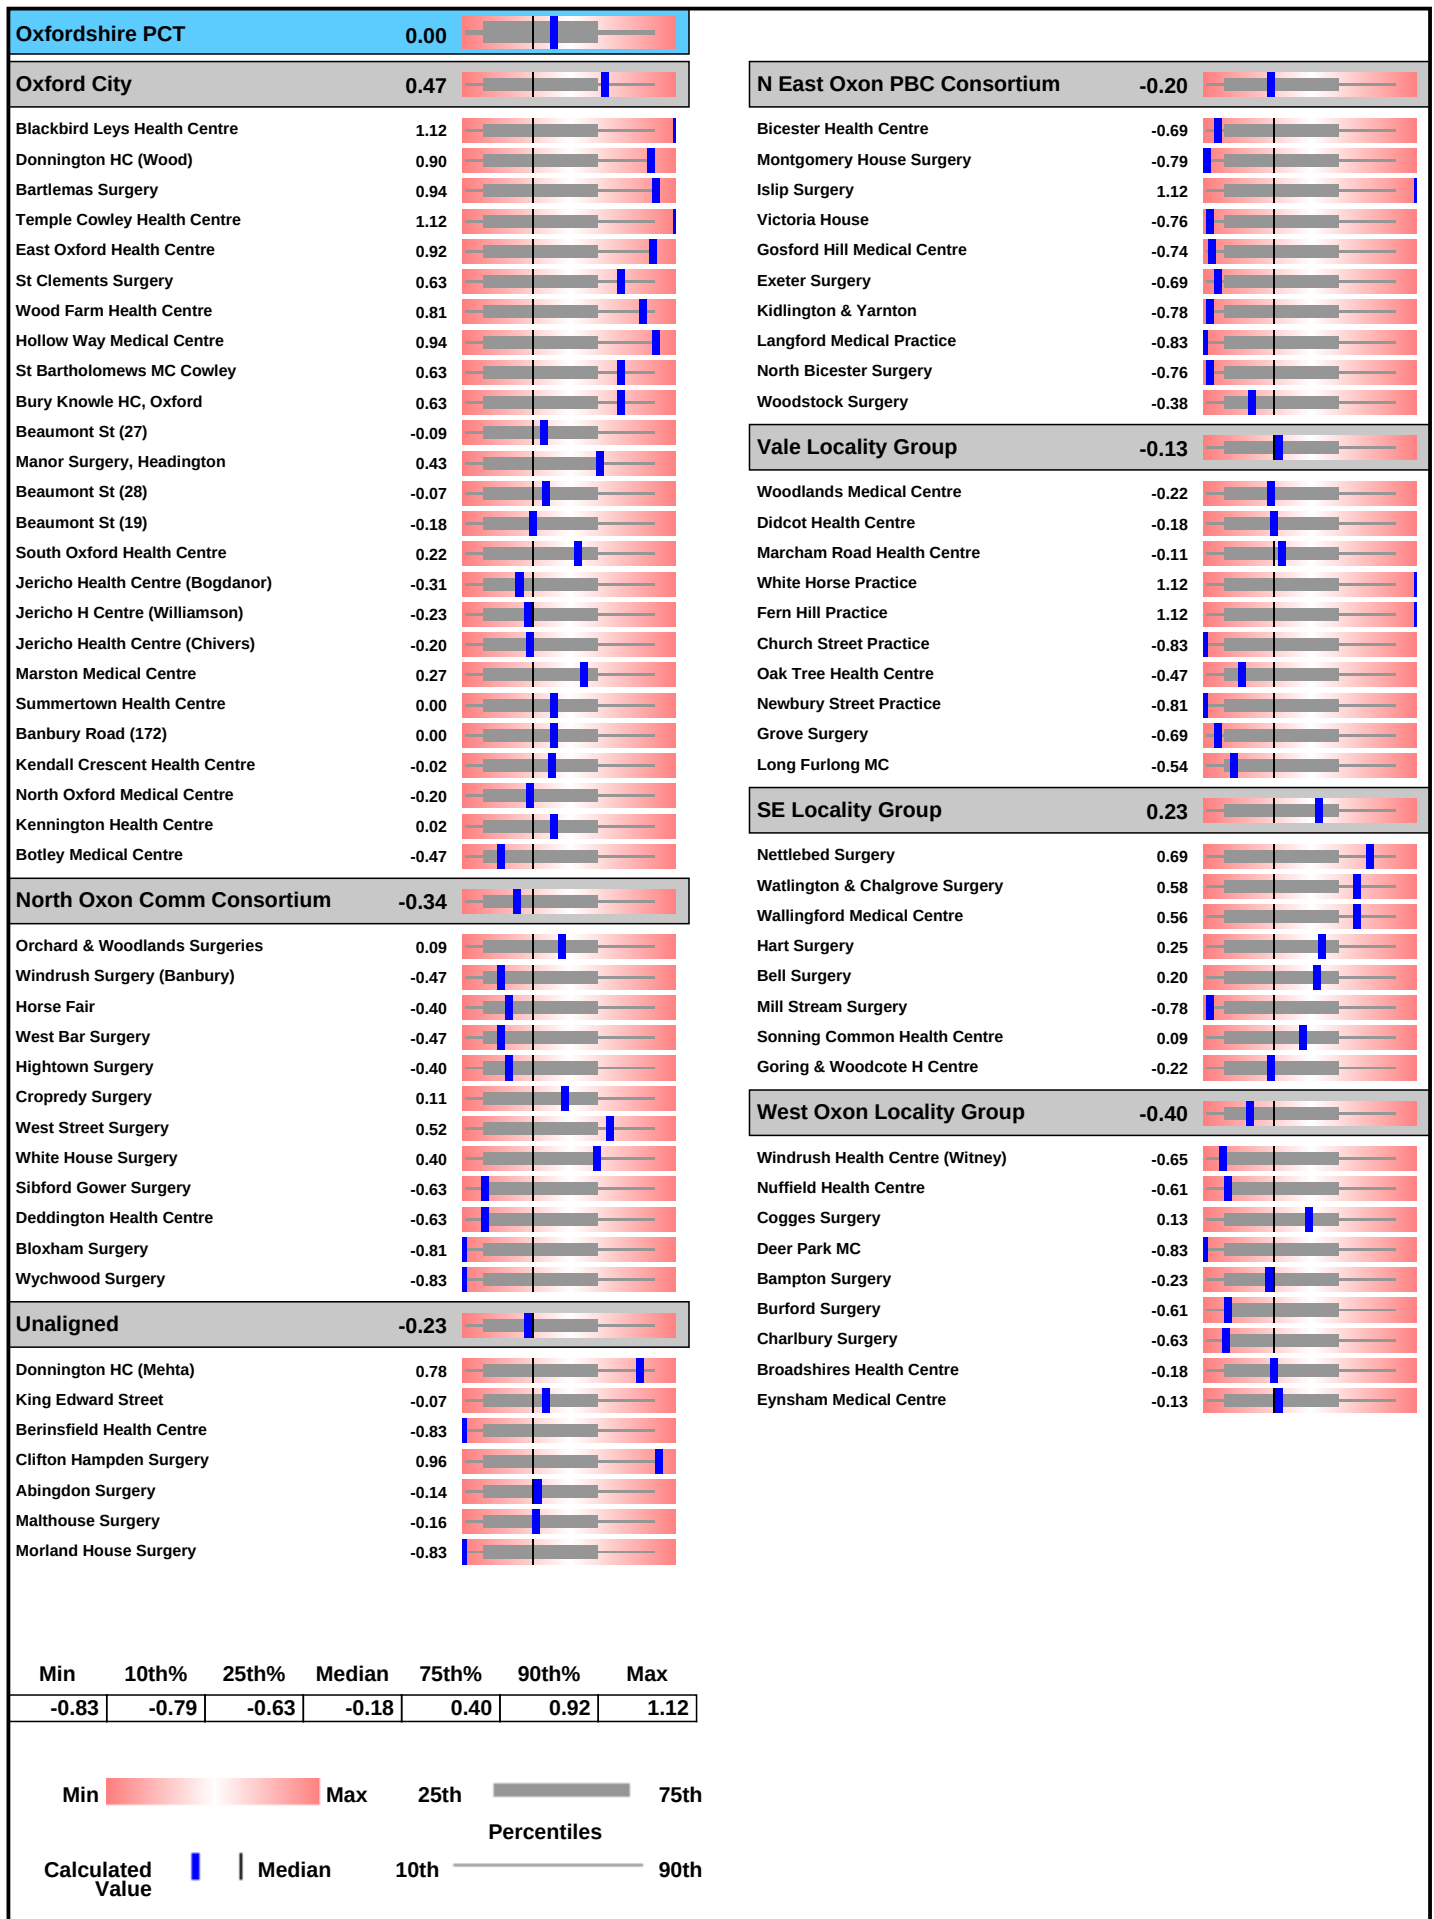

Services016

Numbers - learning disability (clients age 18+)

## Numbers learning disability clients age 18+ receiving community-based services

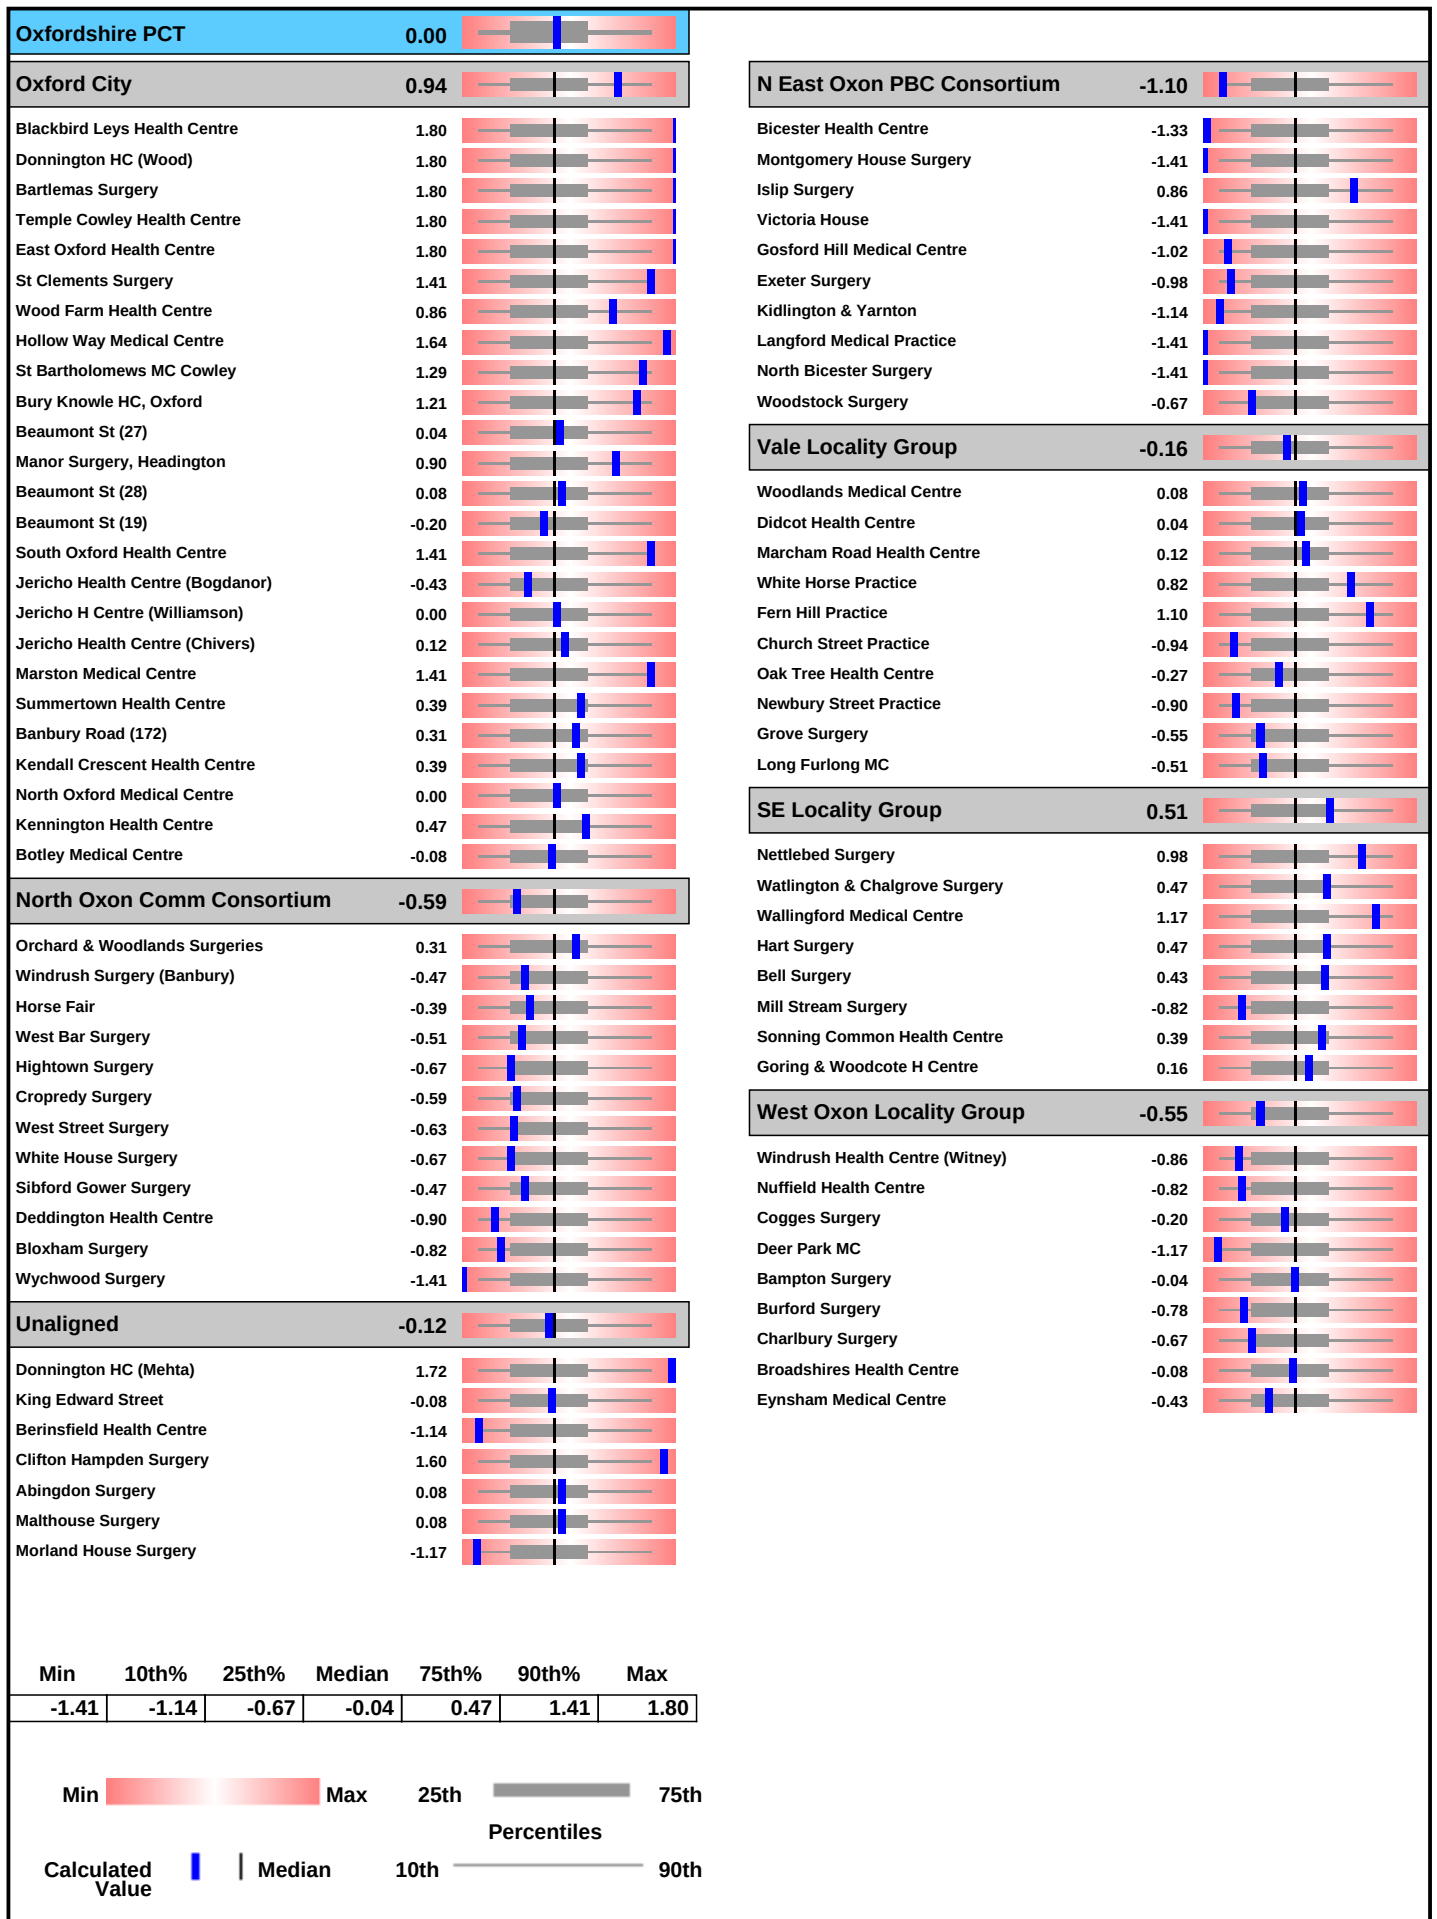

# Joint Strategic Needs Assessment [Services]

Services019

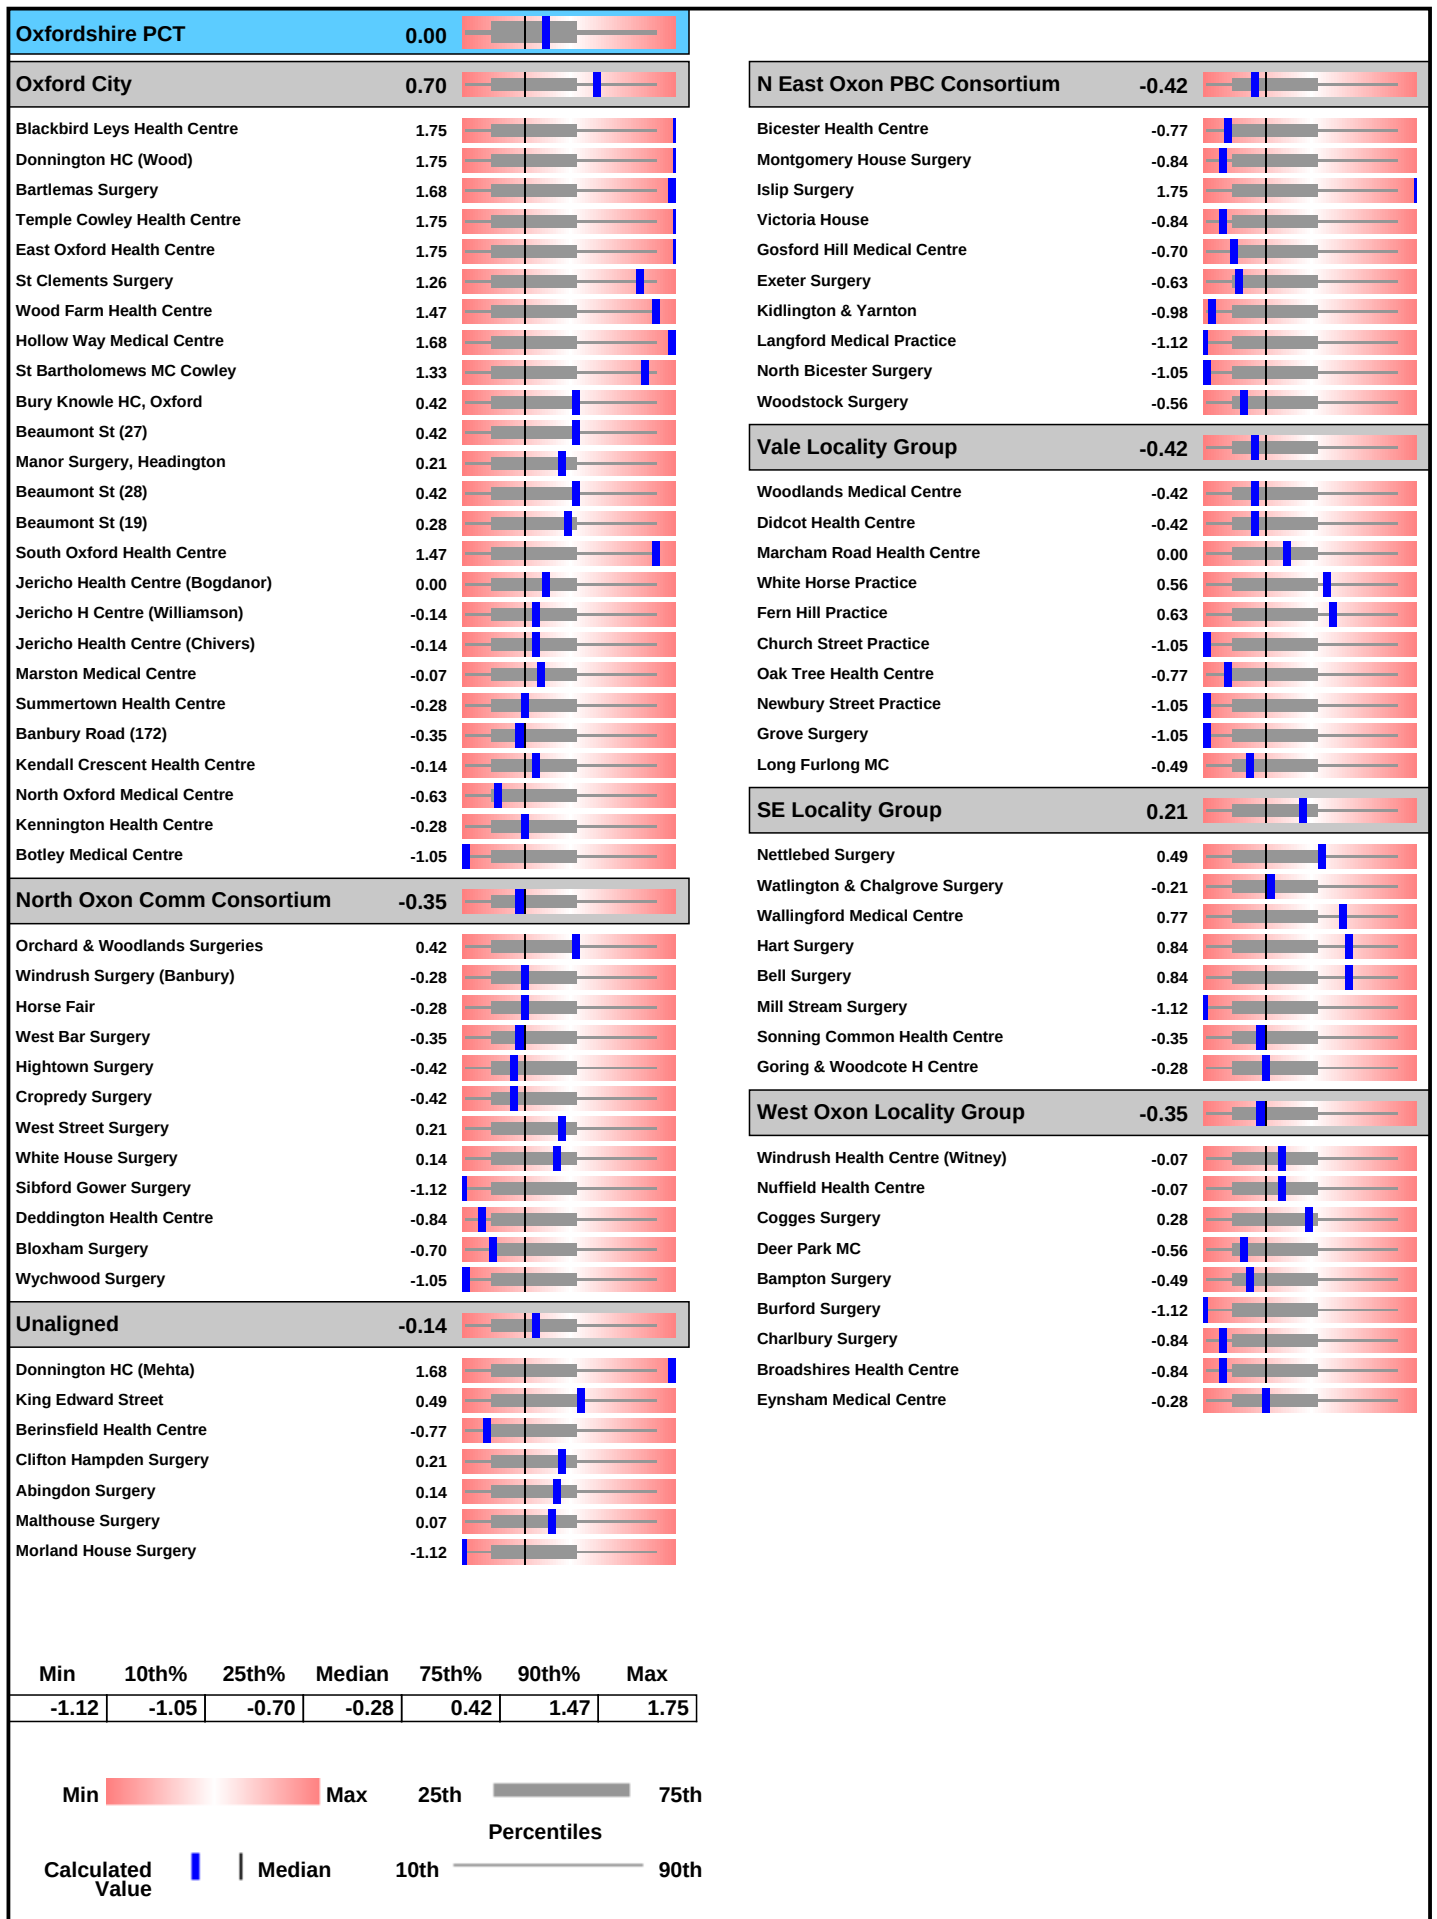

## Numbers - mental health (older clients) receiving community-based services

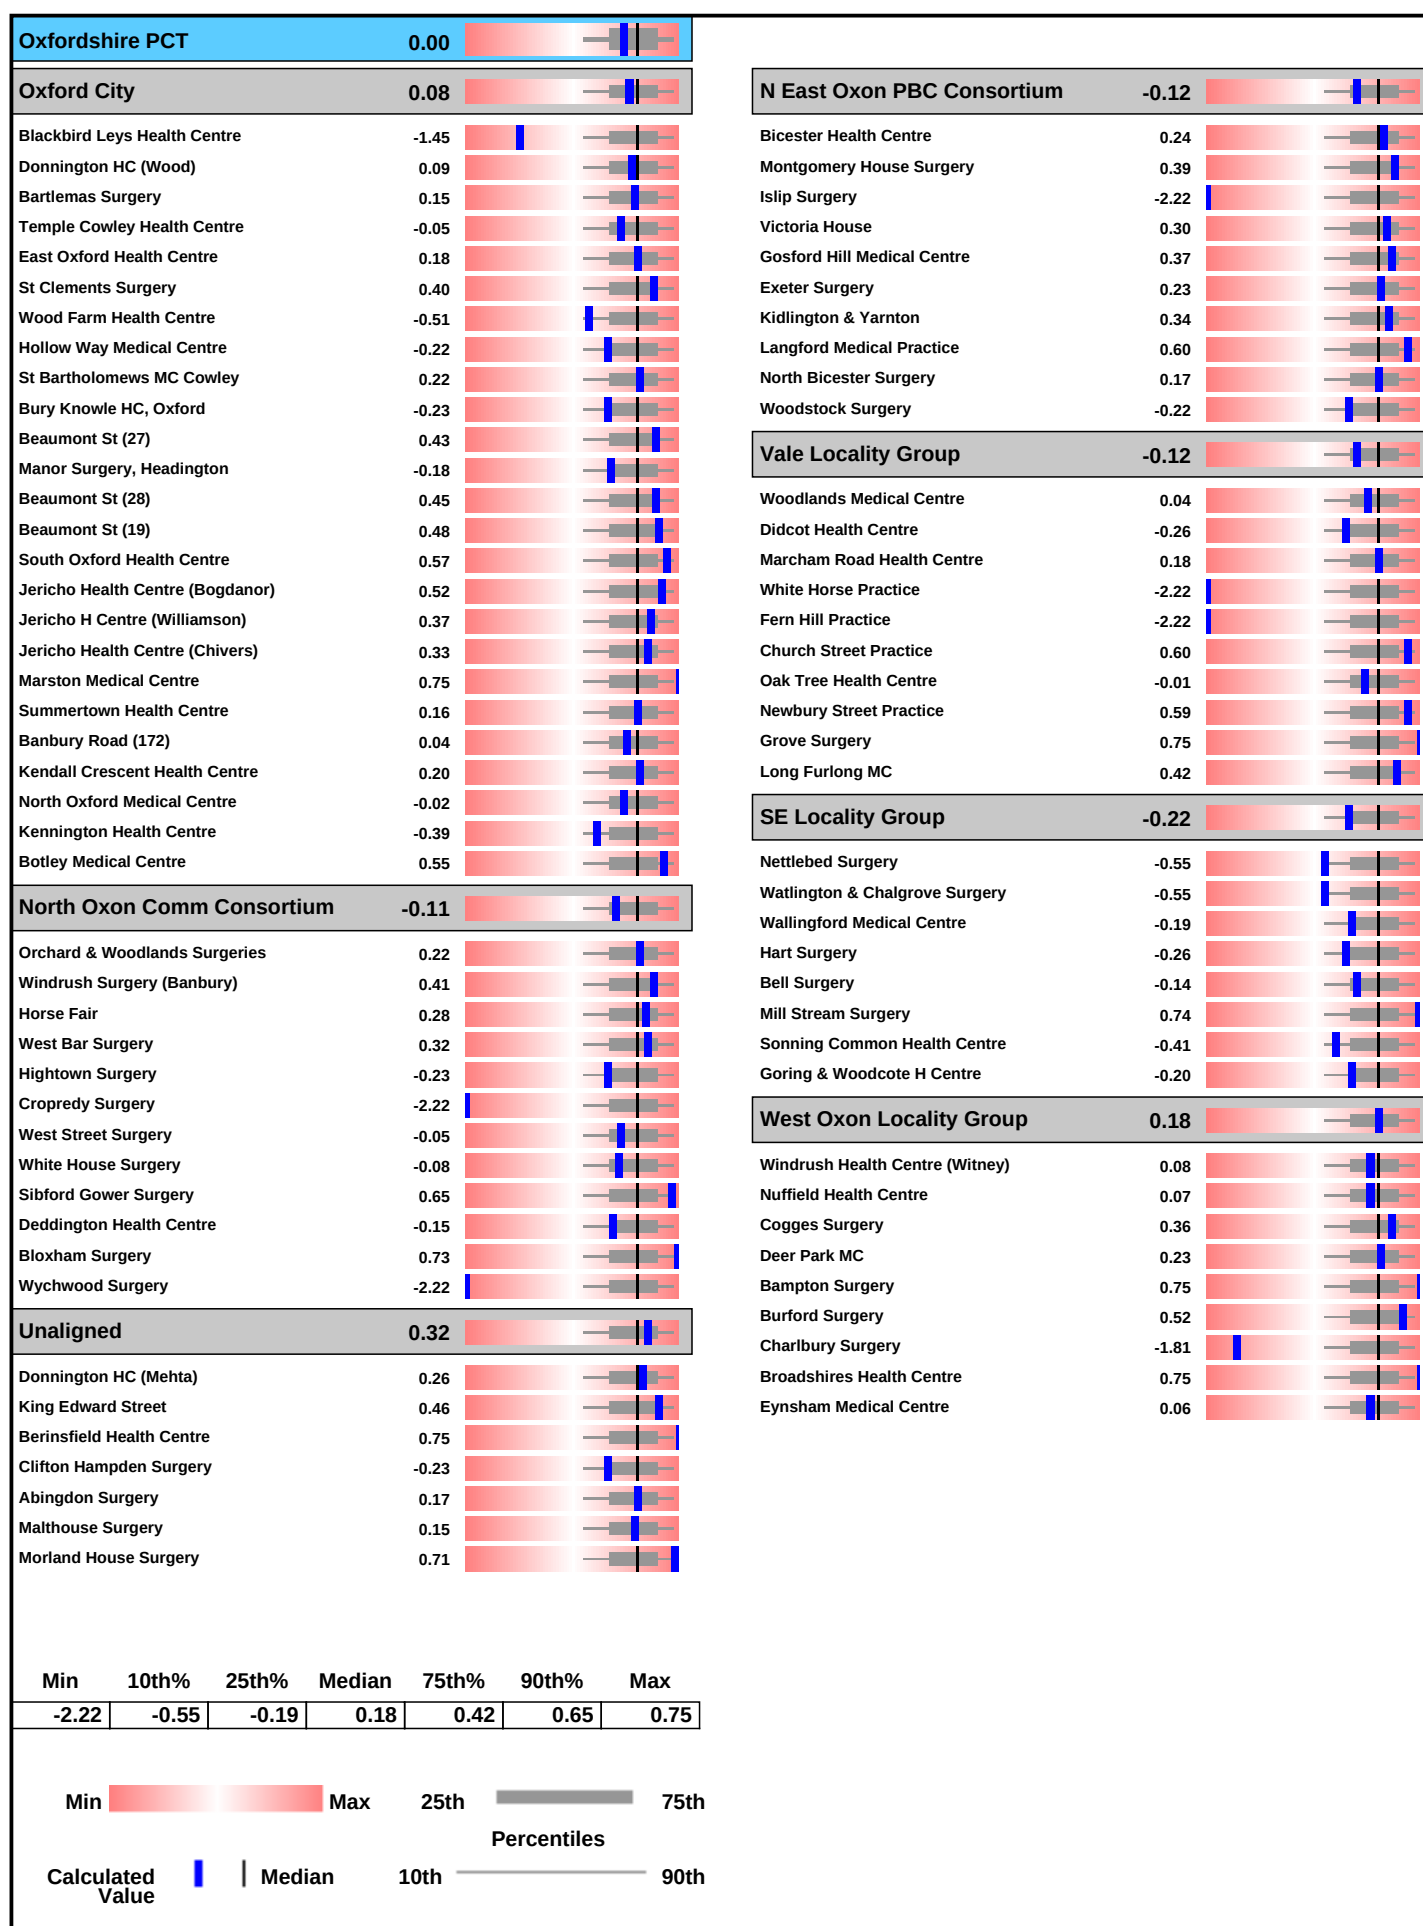

# Joint Strategic Needs Assessment [Services]

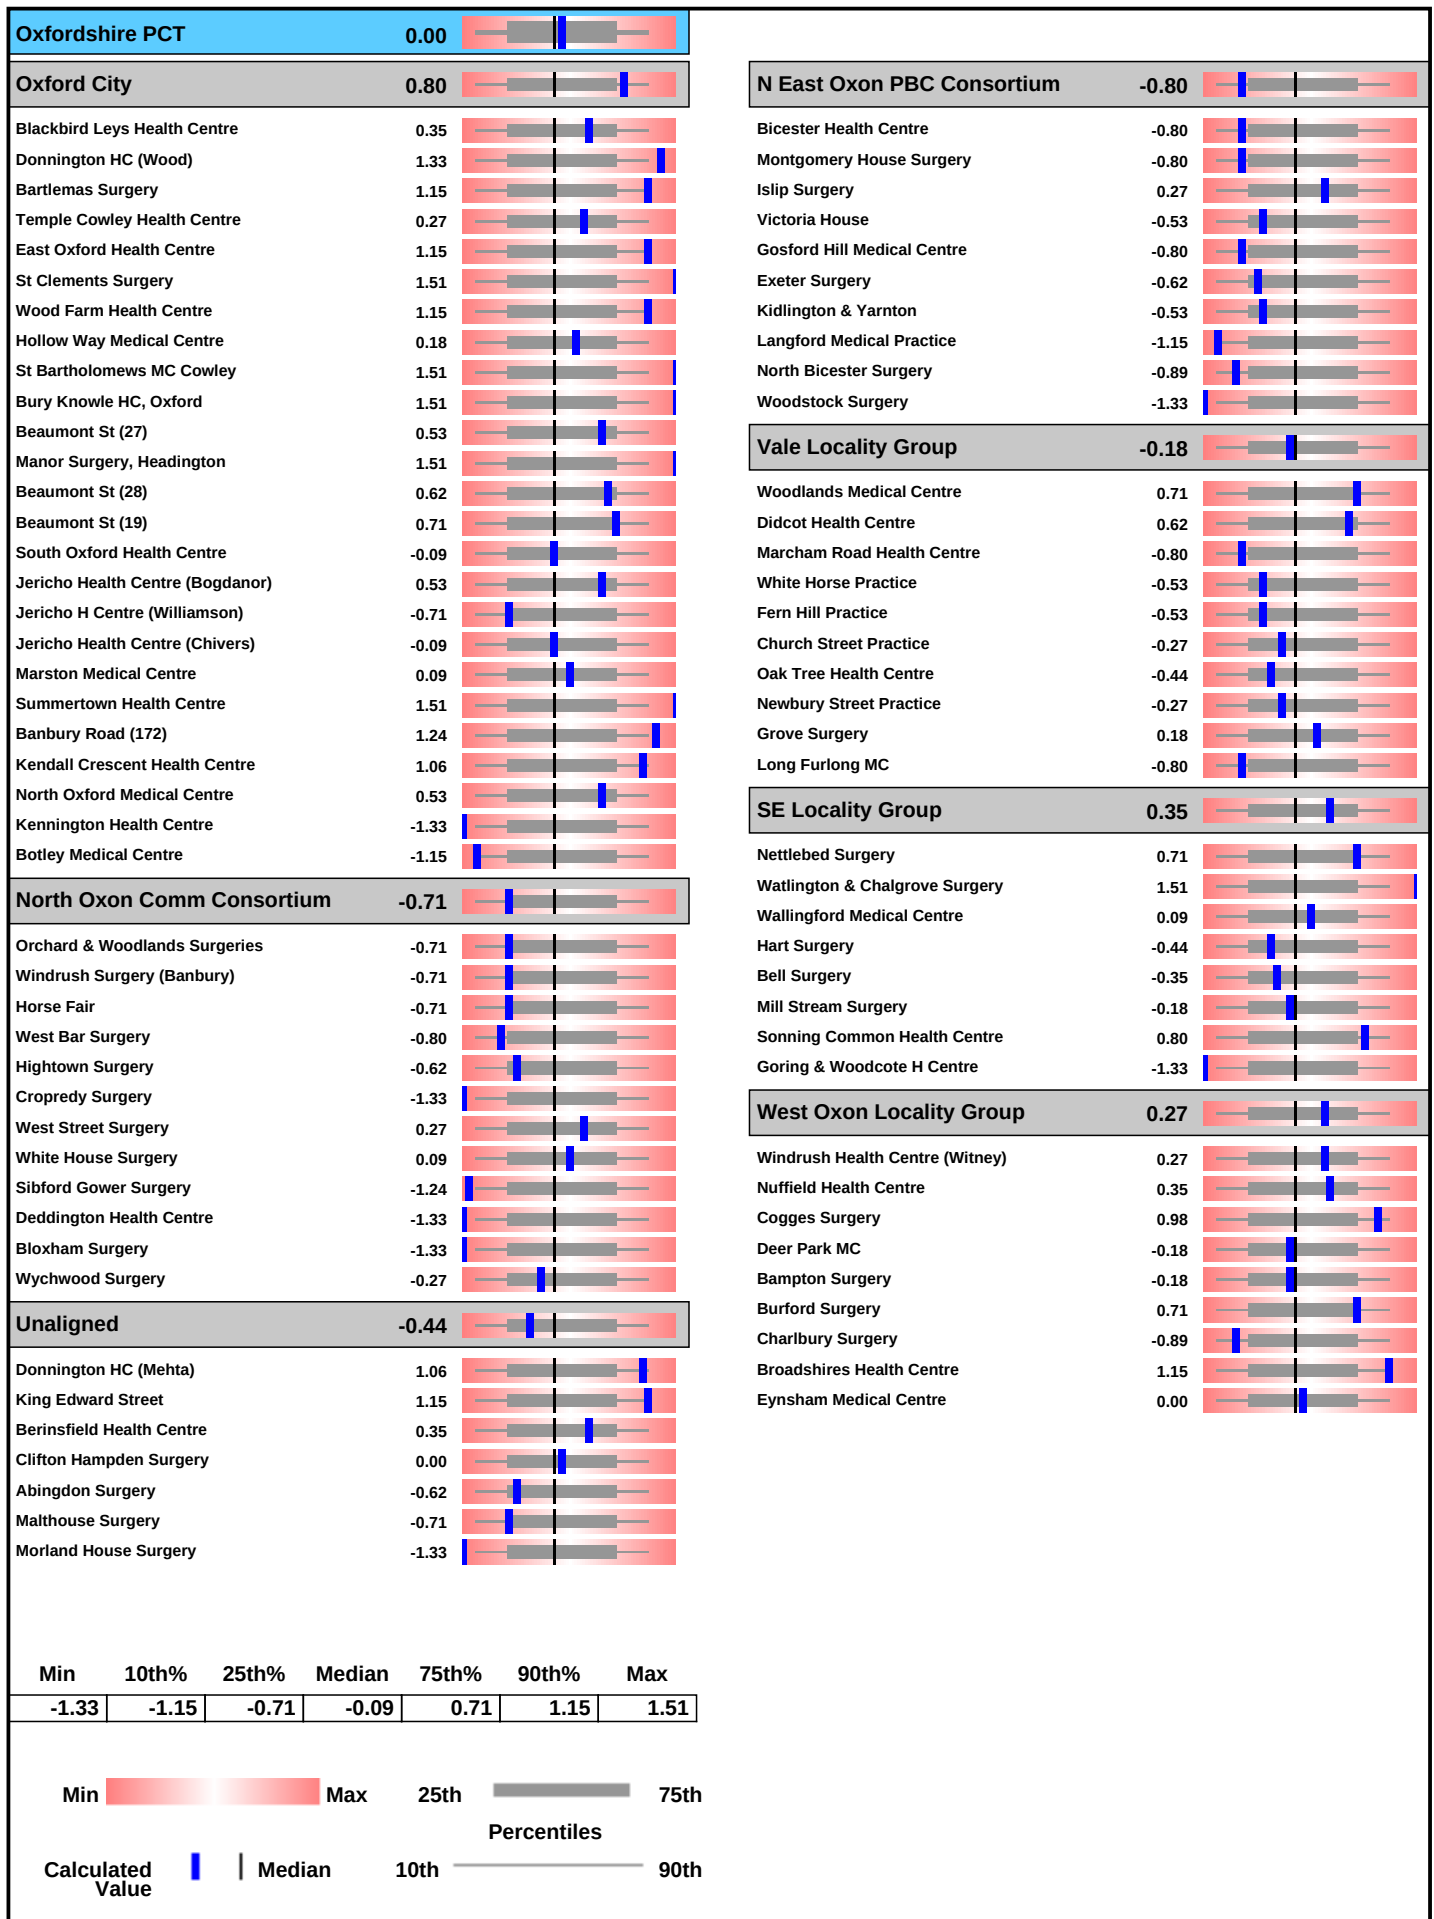

Services020

Numbers - mental health (clients age 18+)

## Numbers - mental health receiving community-based services age 18+

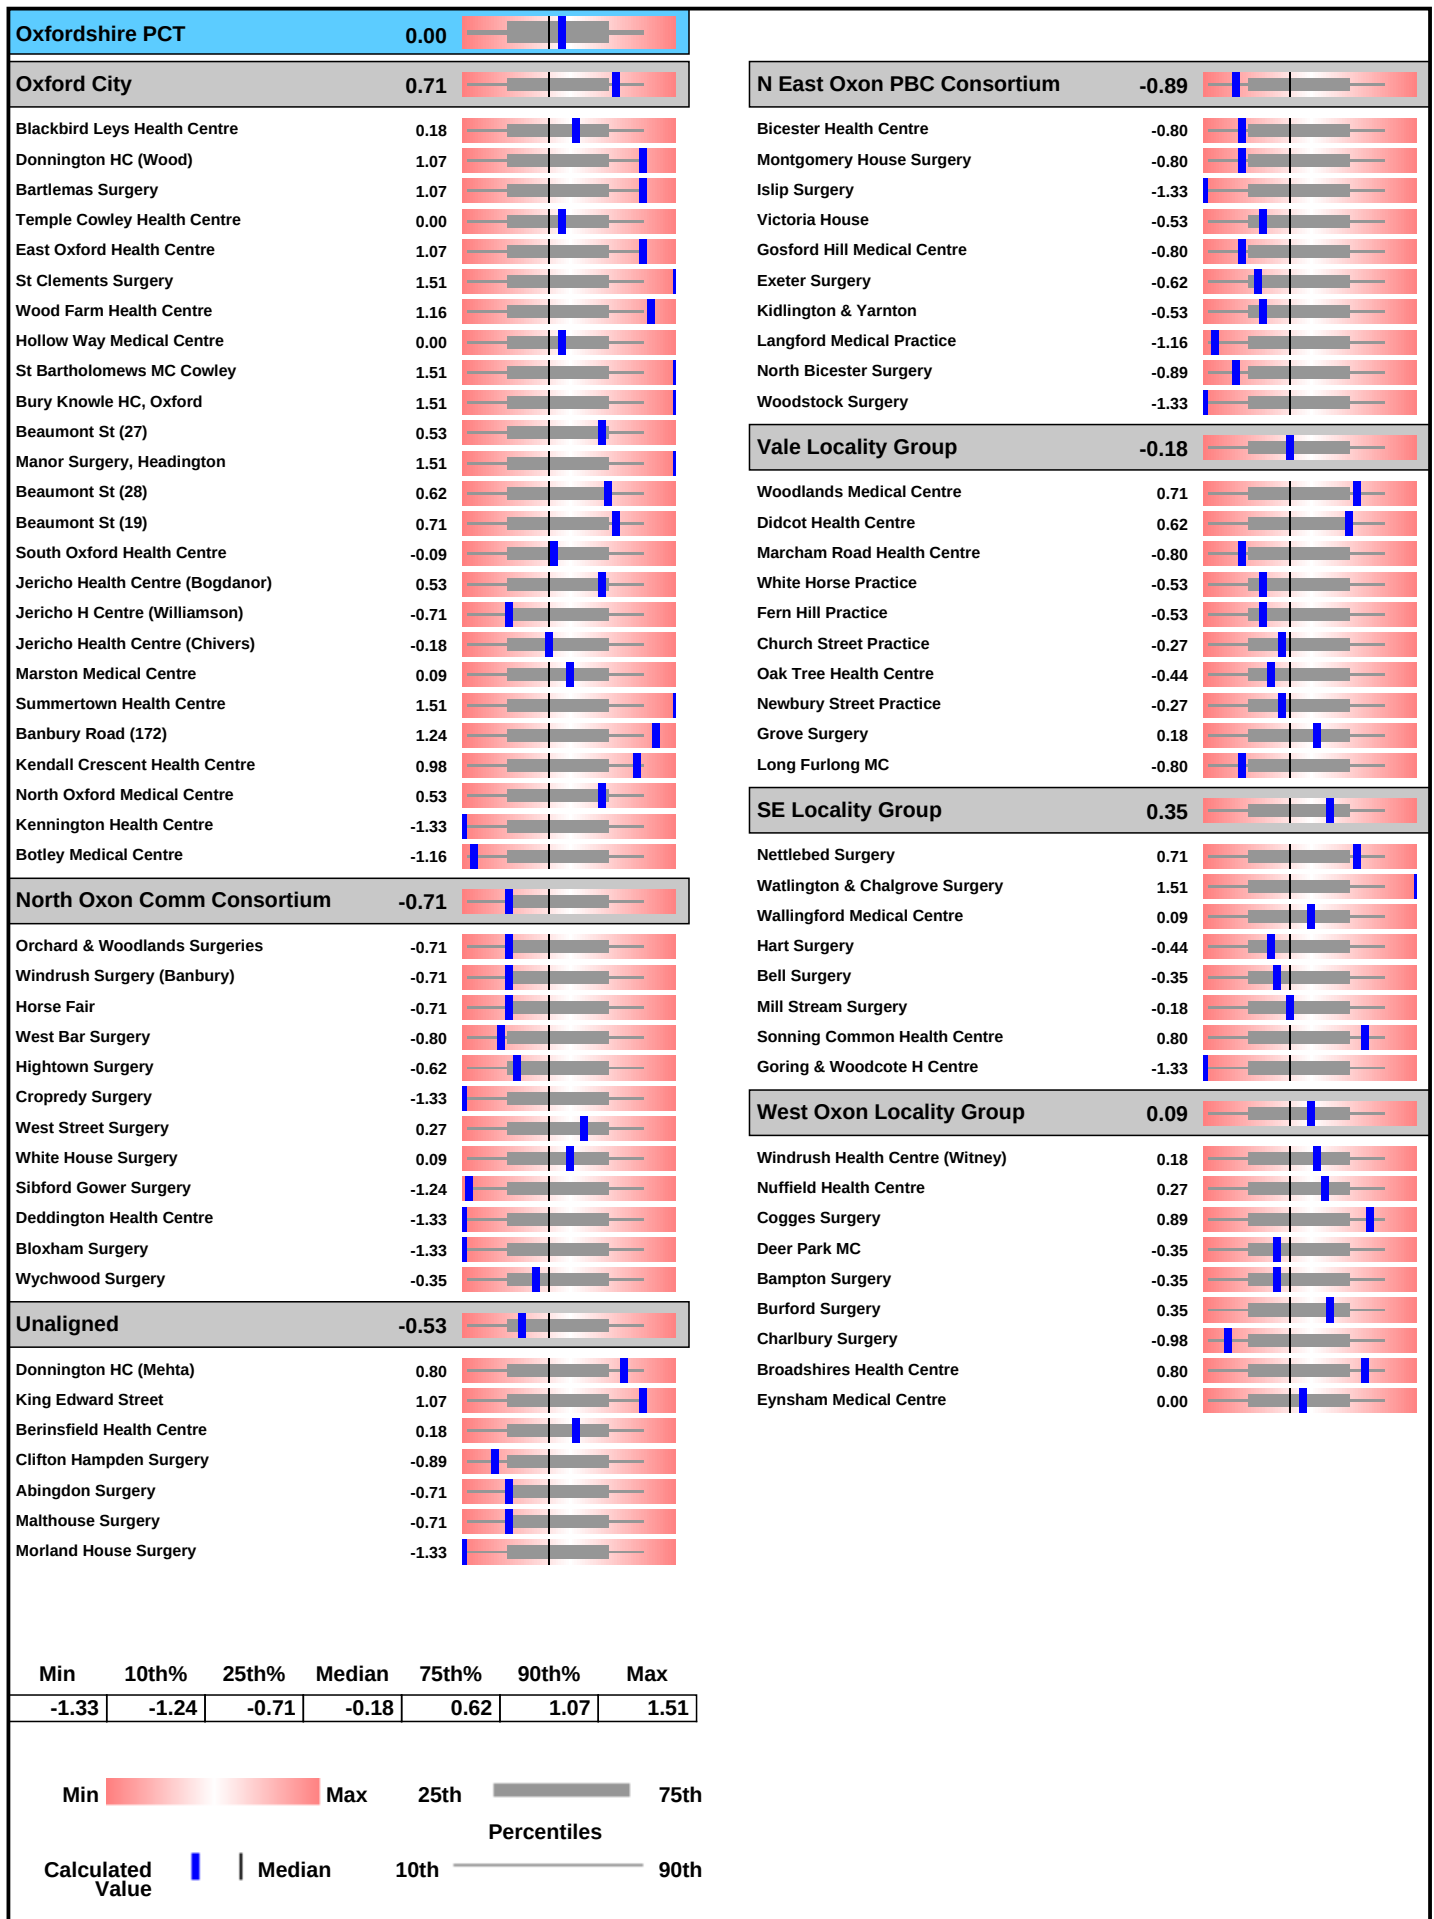

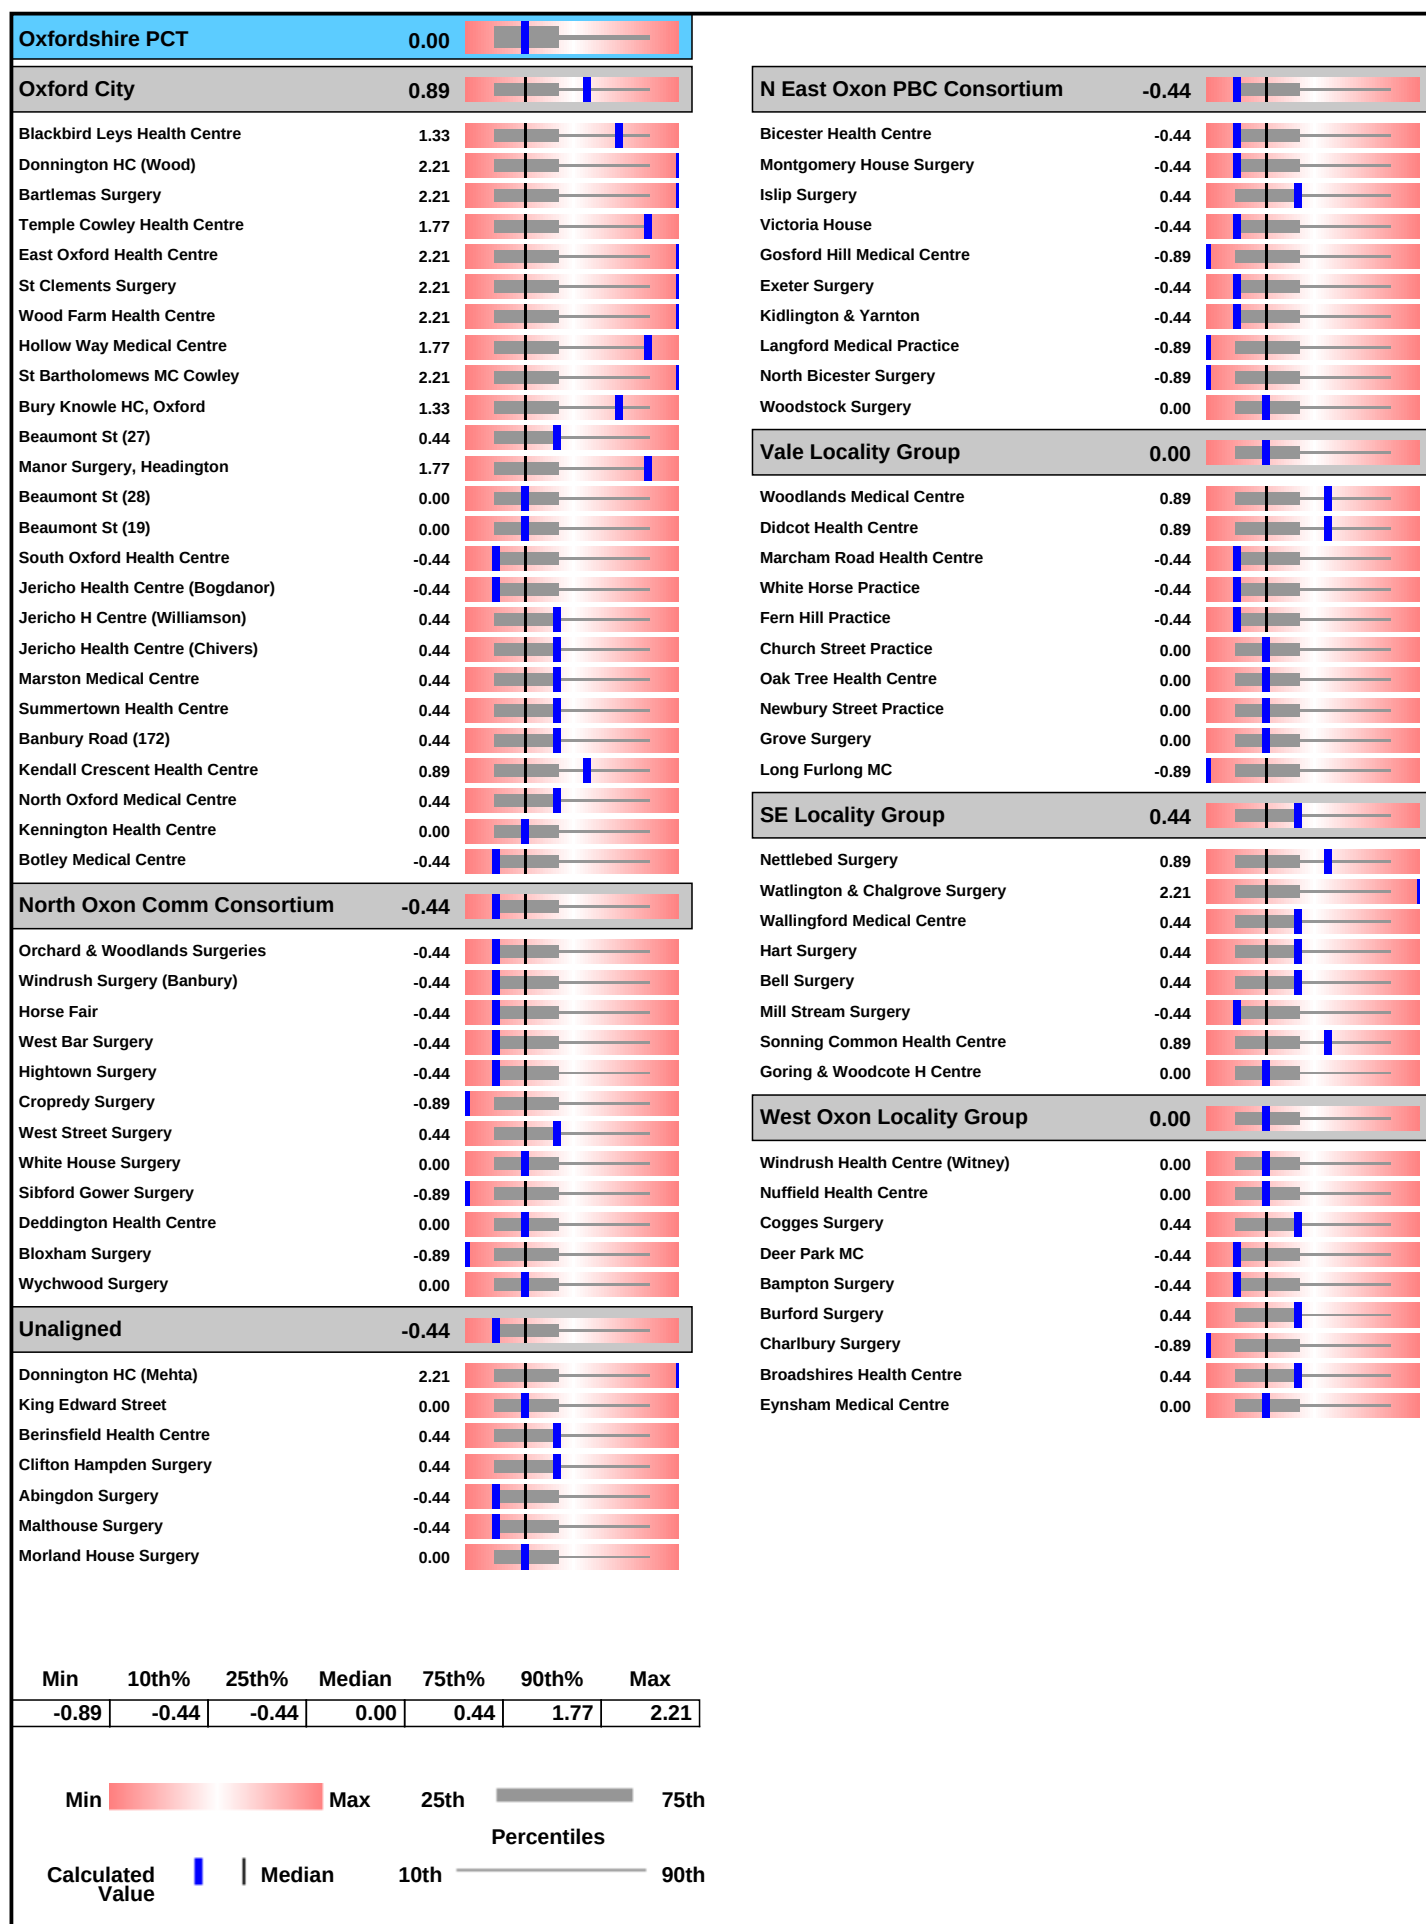

# Joint Strategic Needs Assessment [Services]

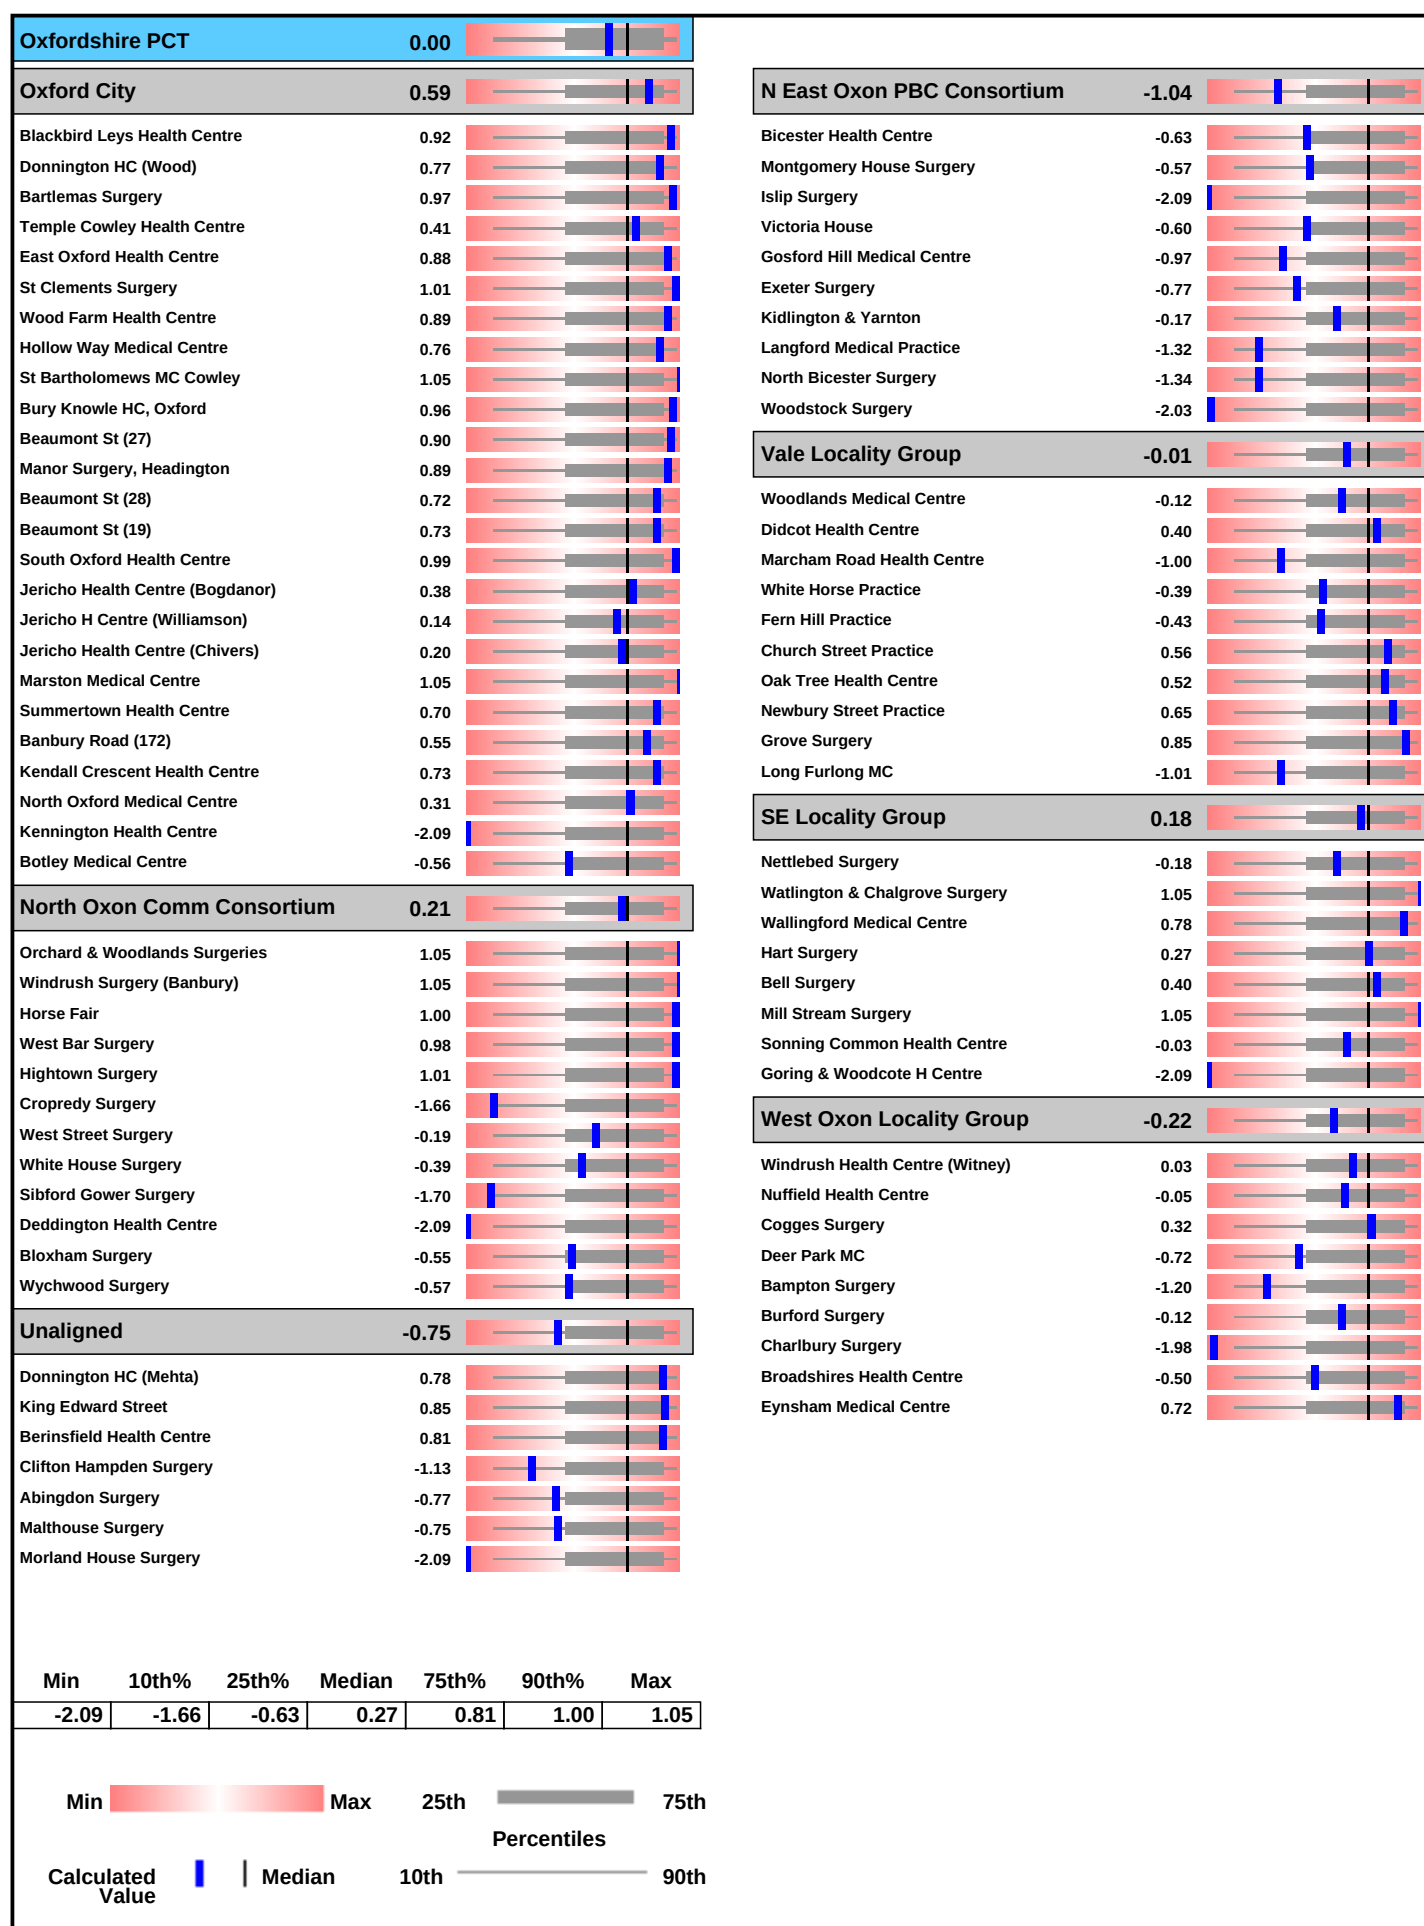

Services027

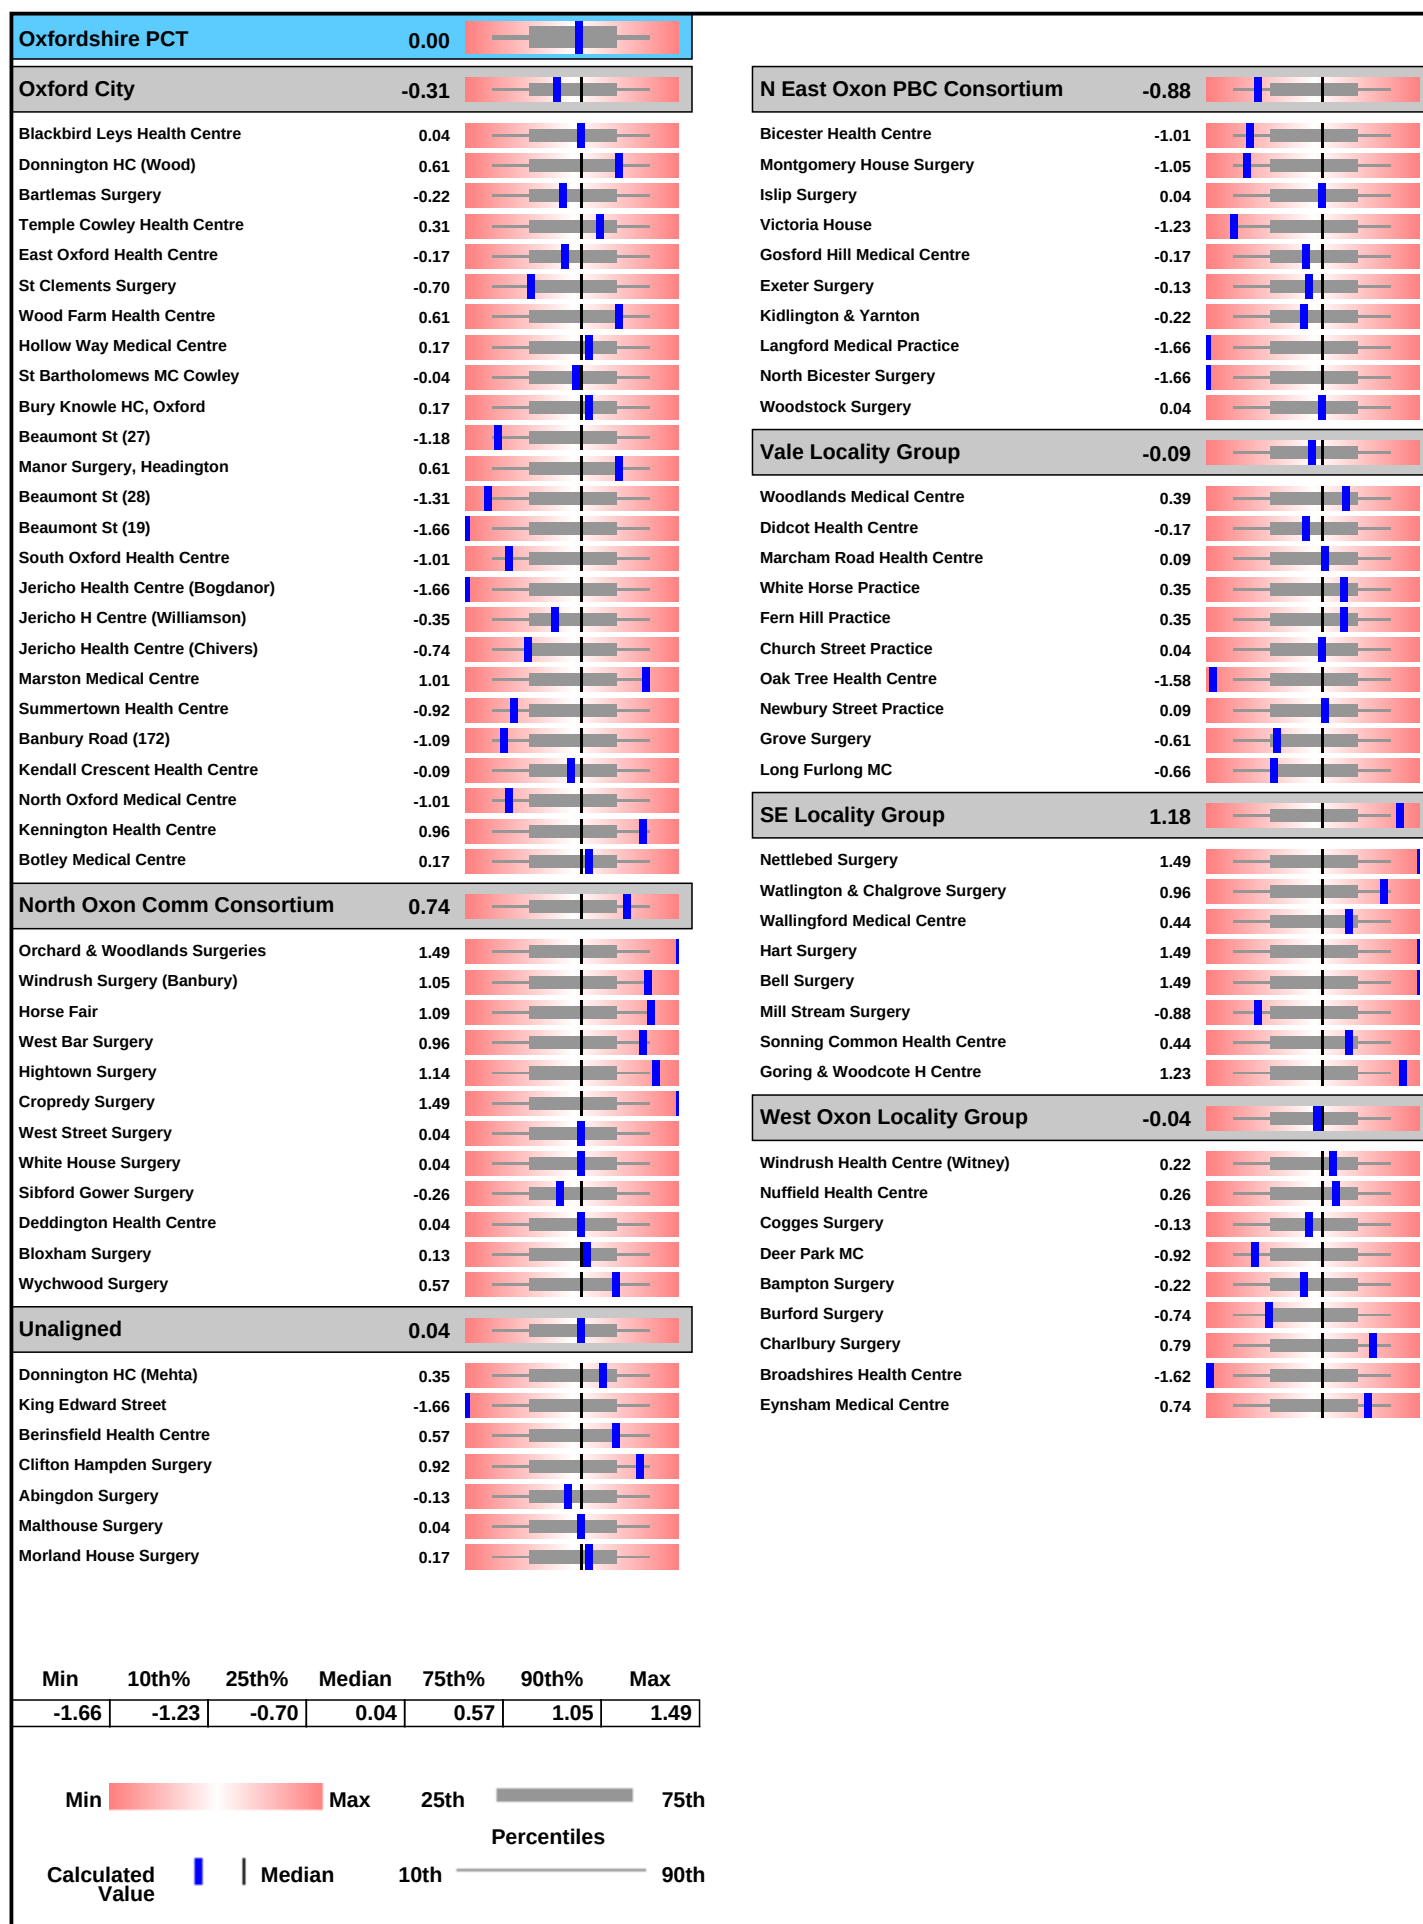

Numbers - other vulnerable people (older clients) receiving community-based services

## Numbers - other vulnerable people receiving community-based services

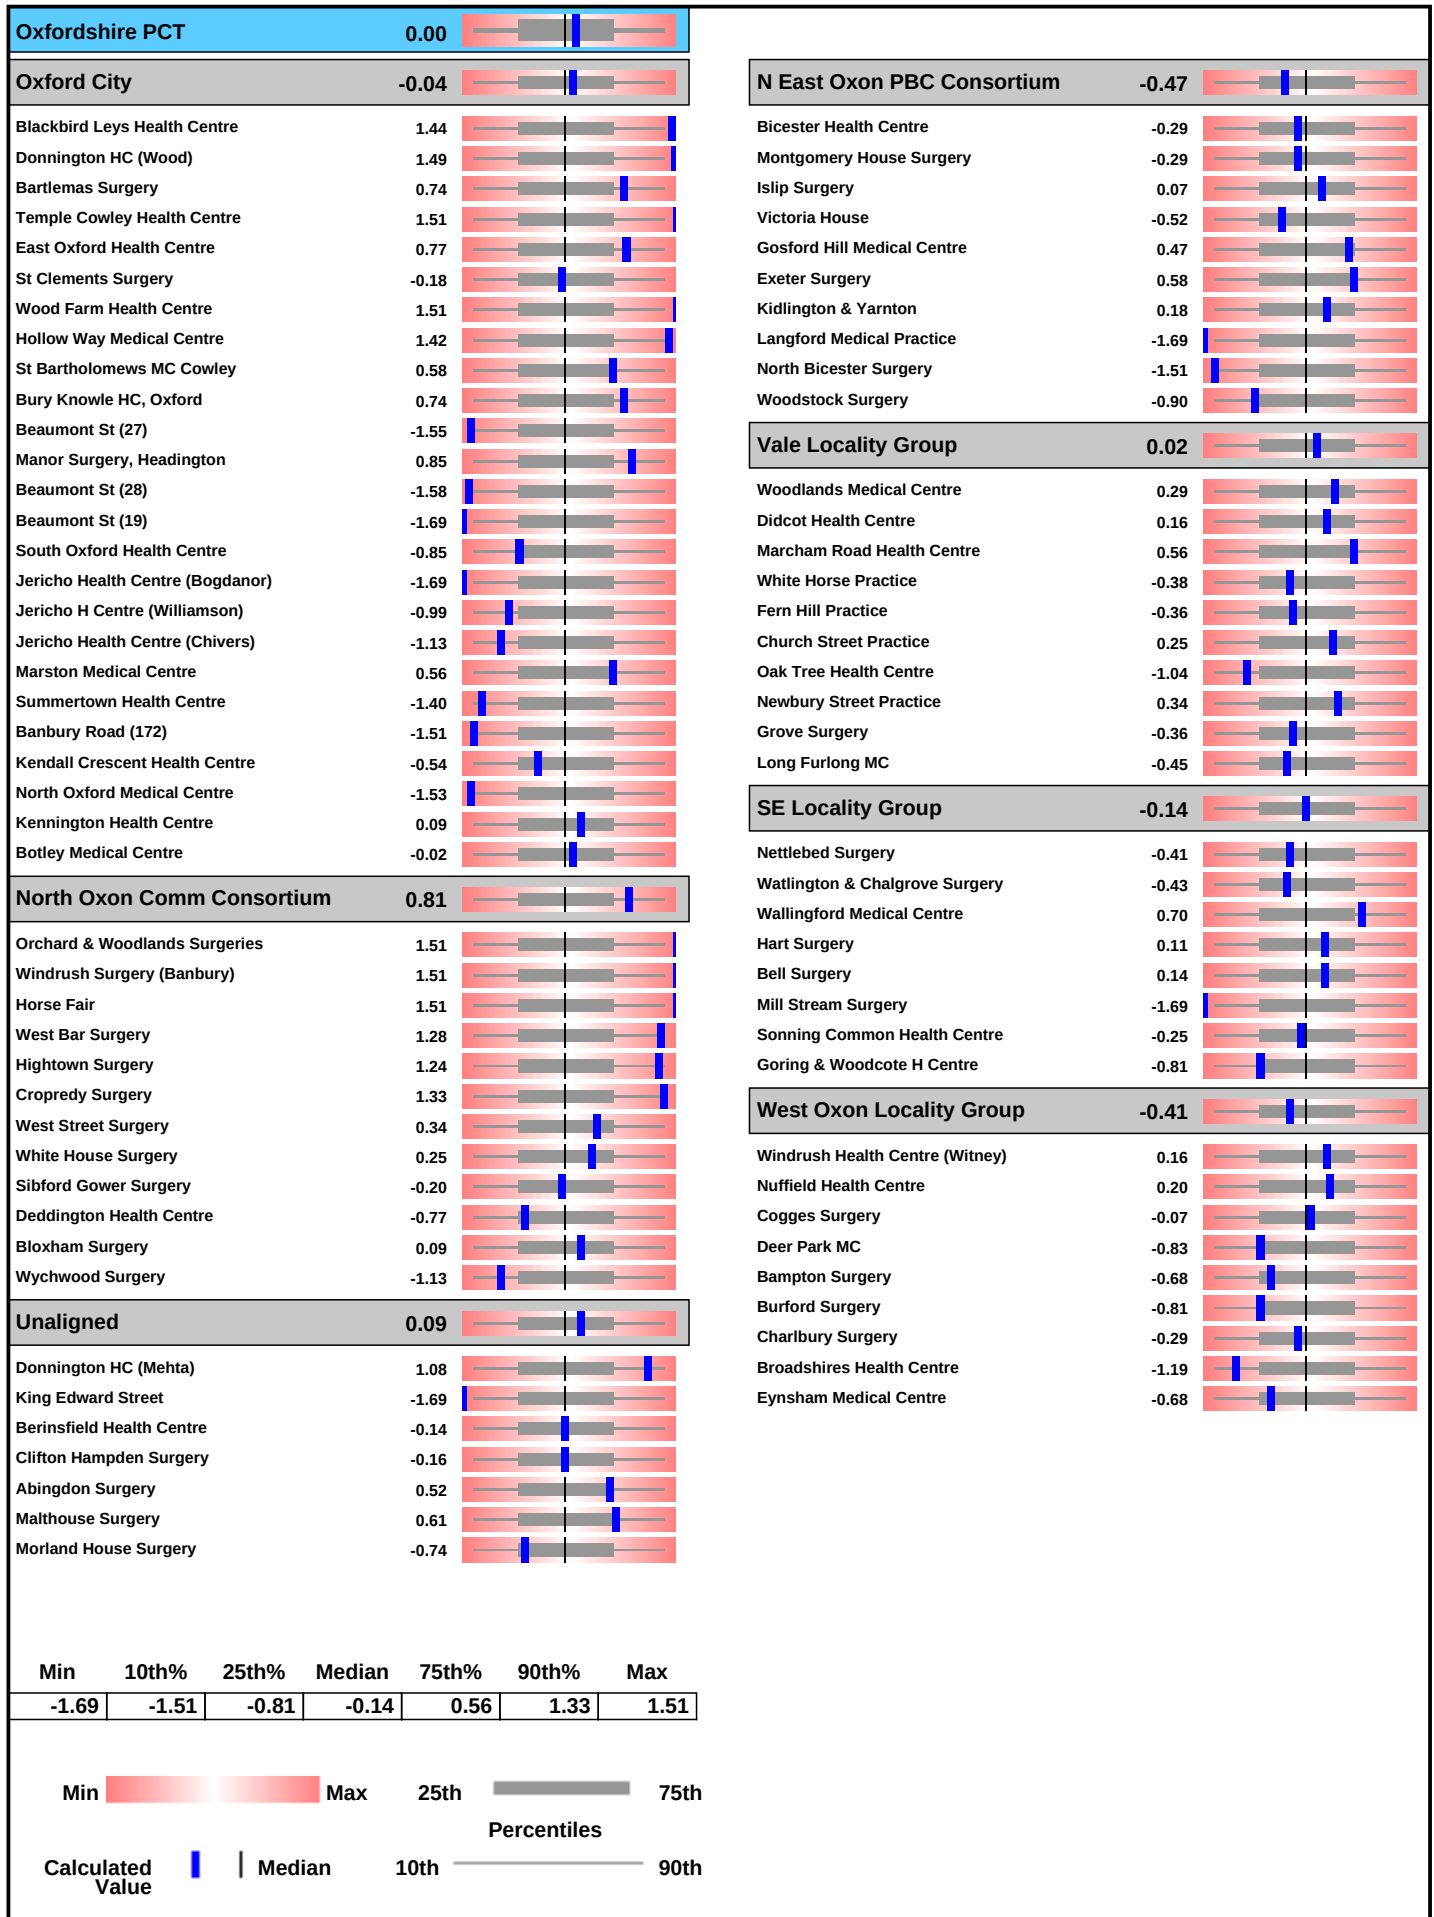

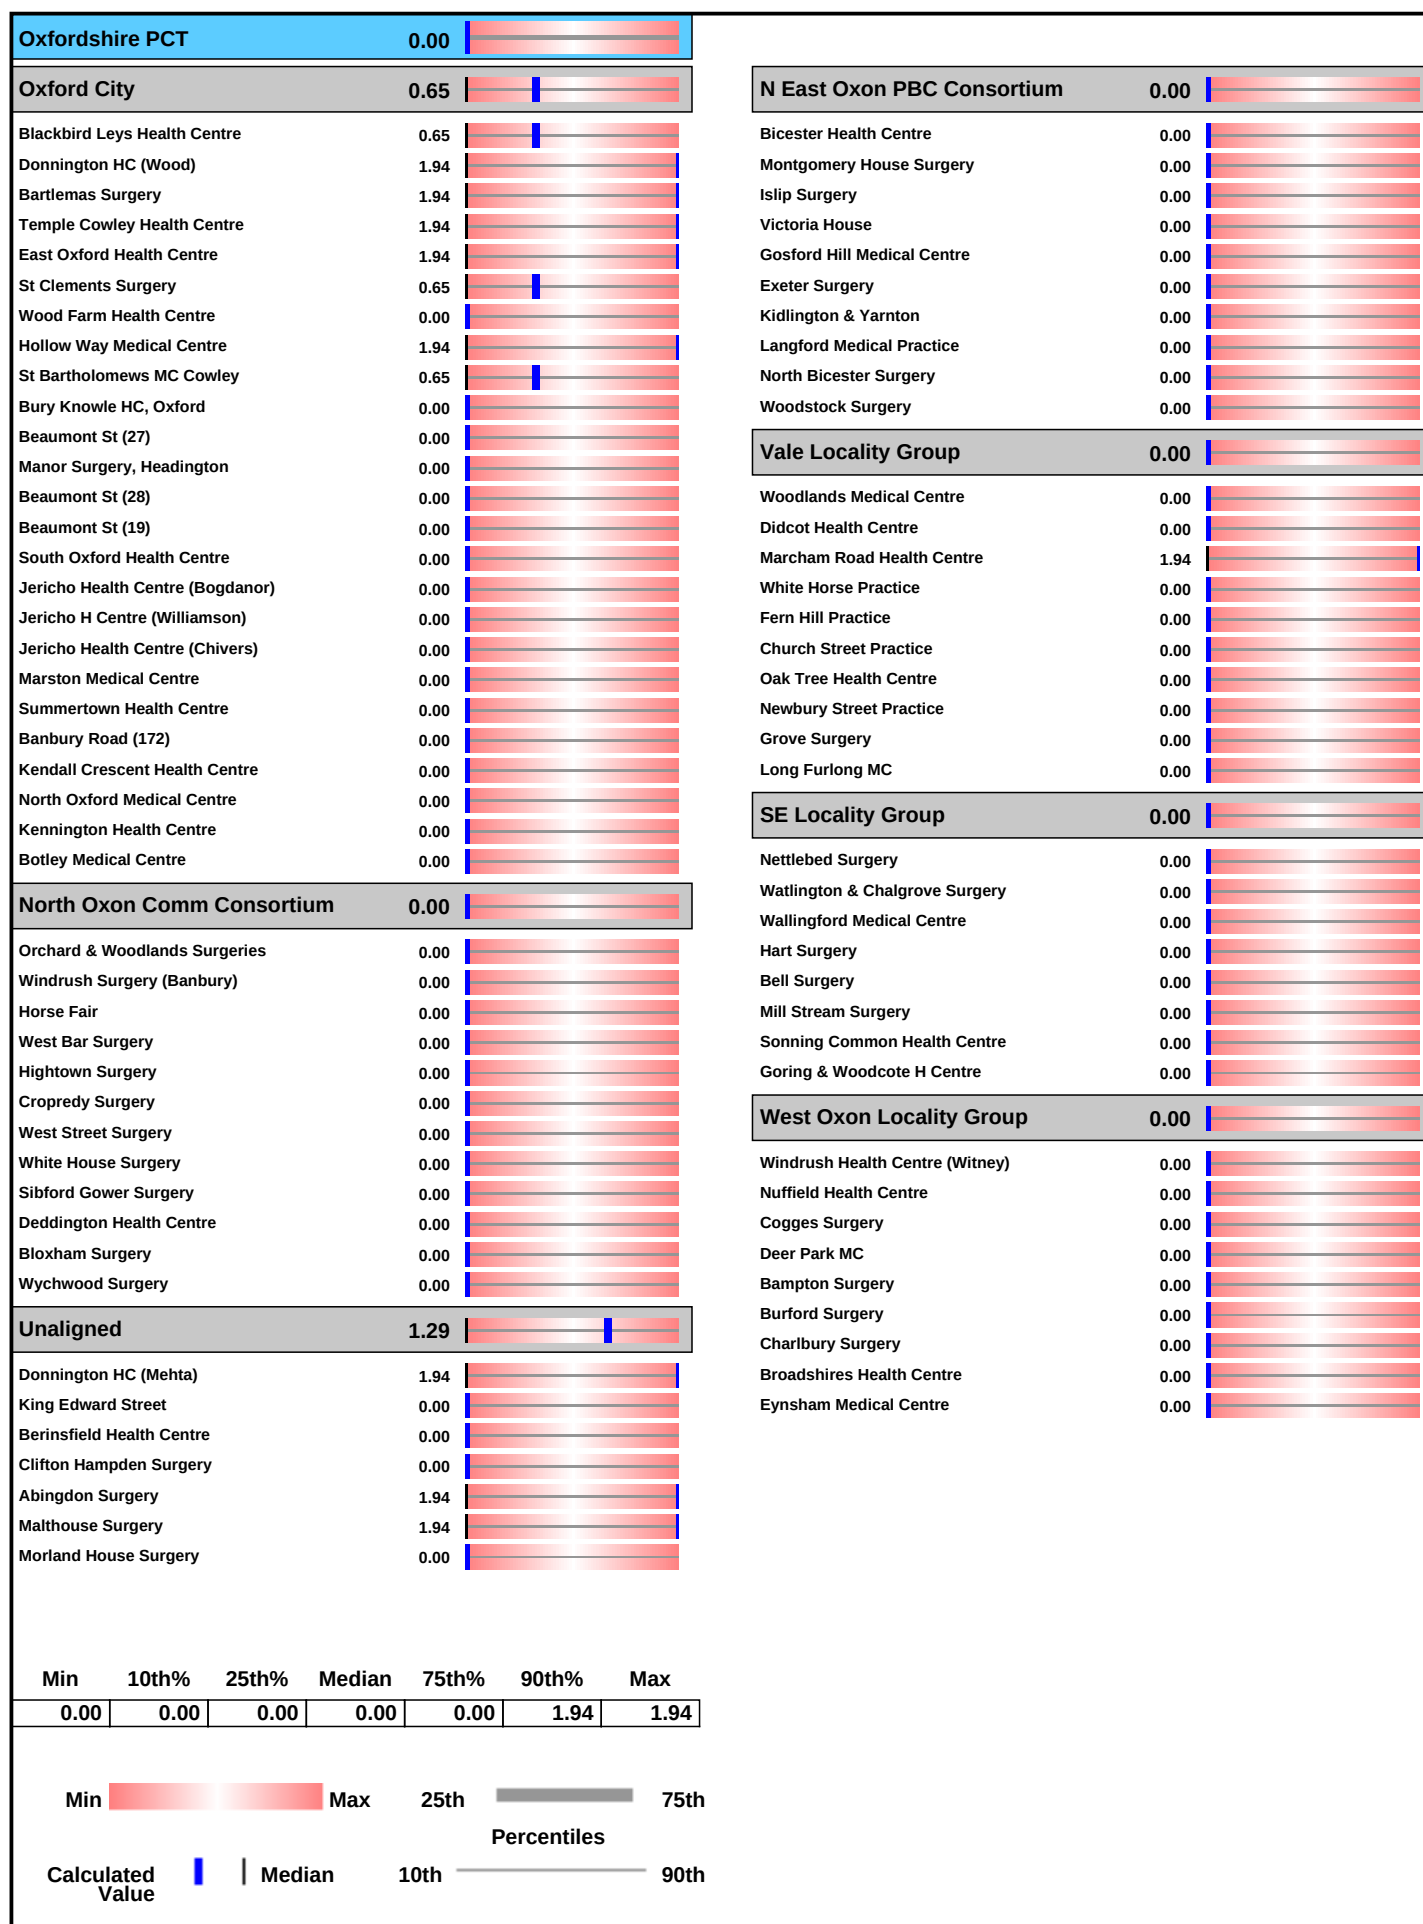

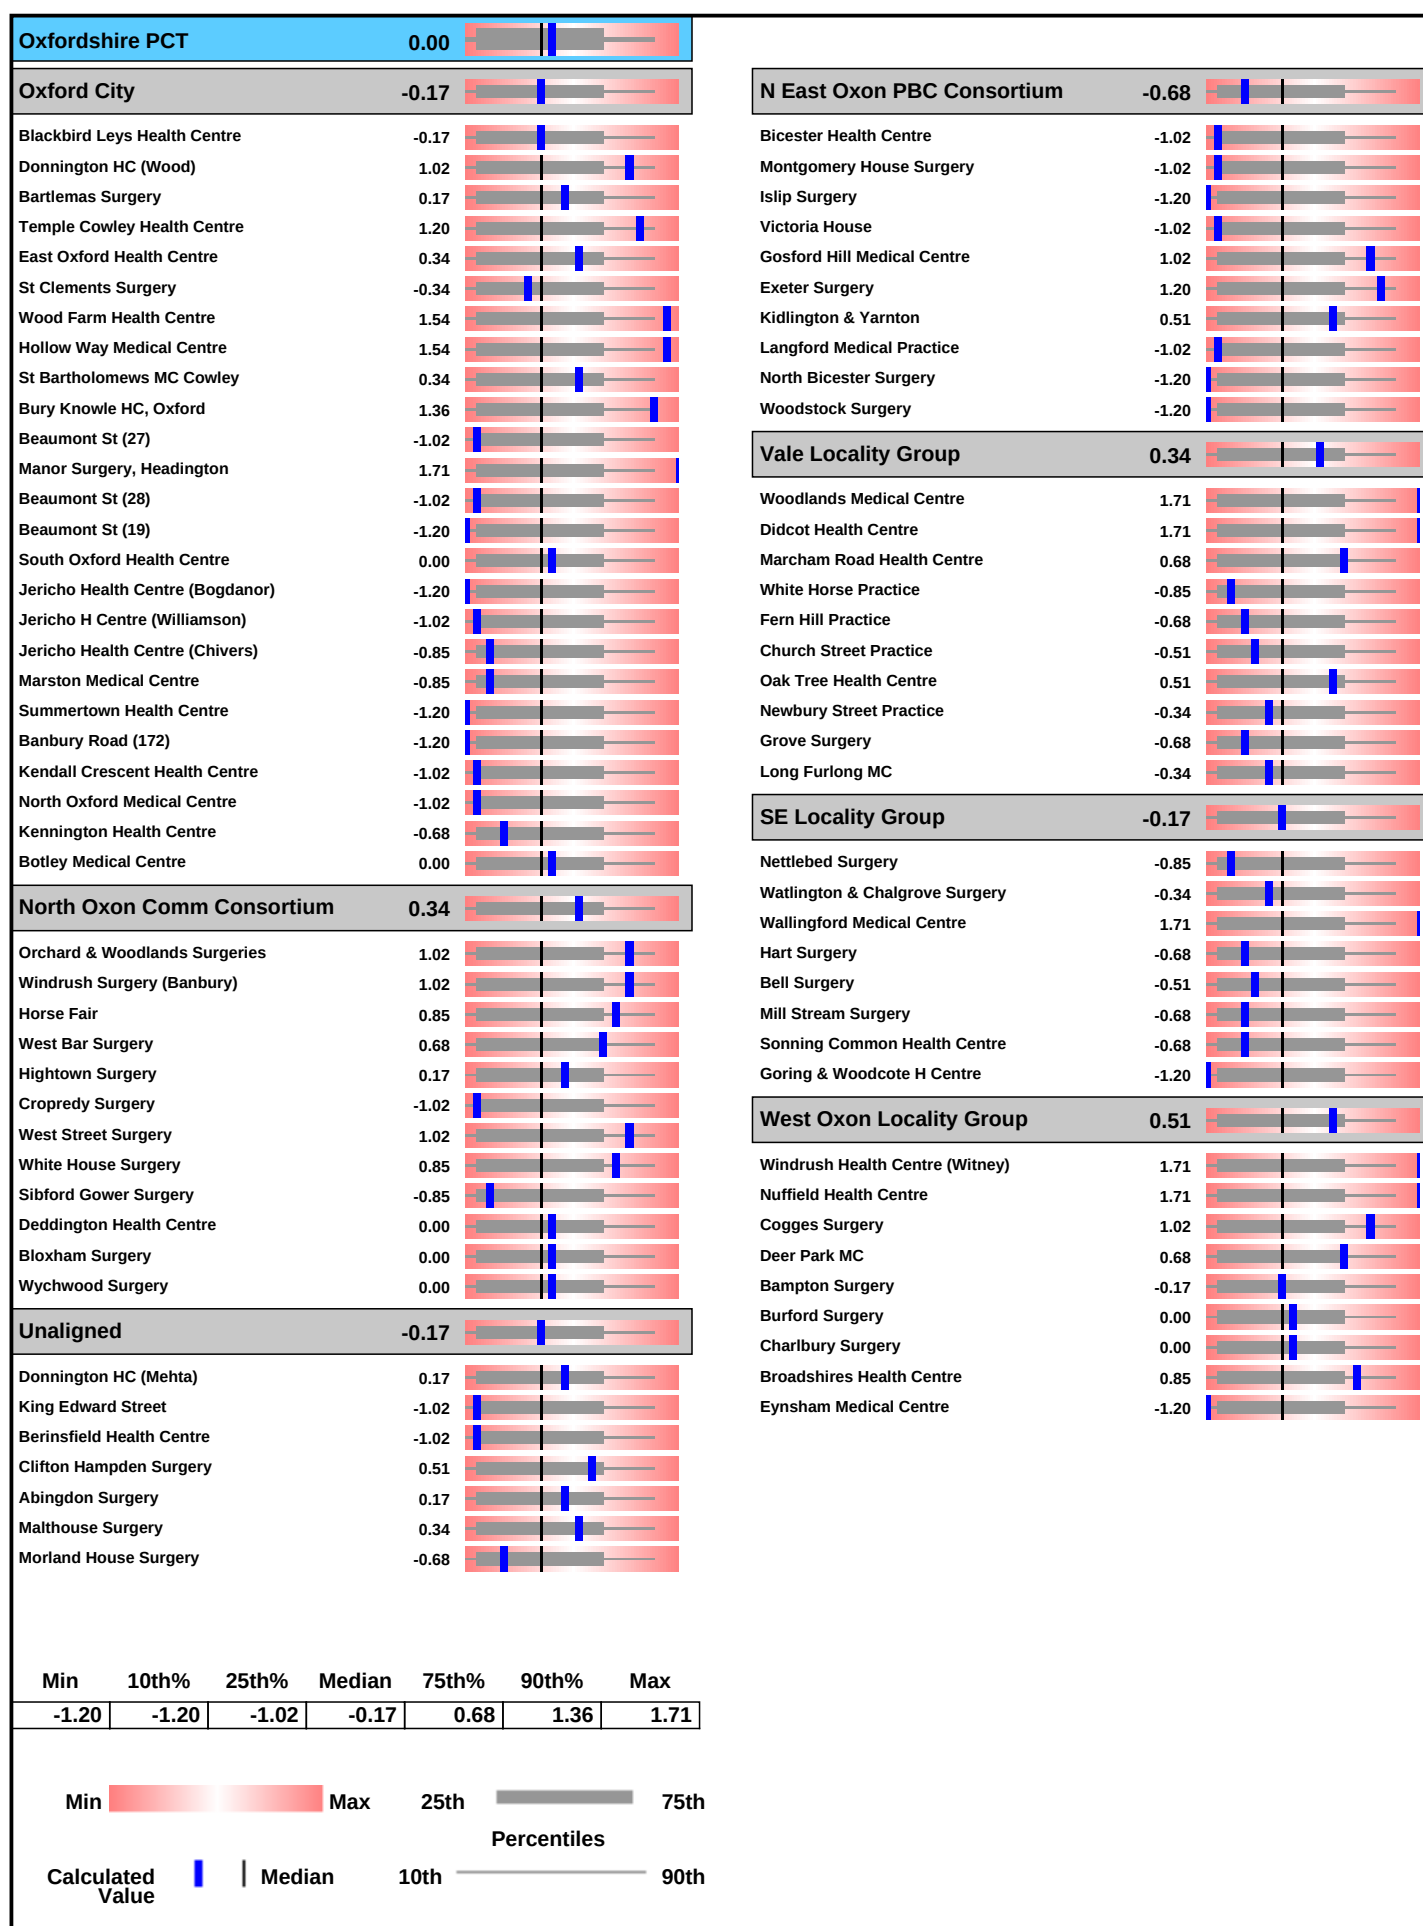

# Joint Strategic Needs Assessment [Services]

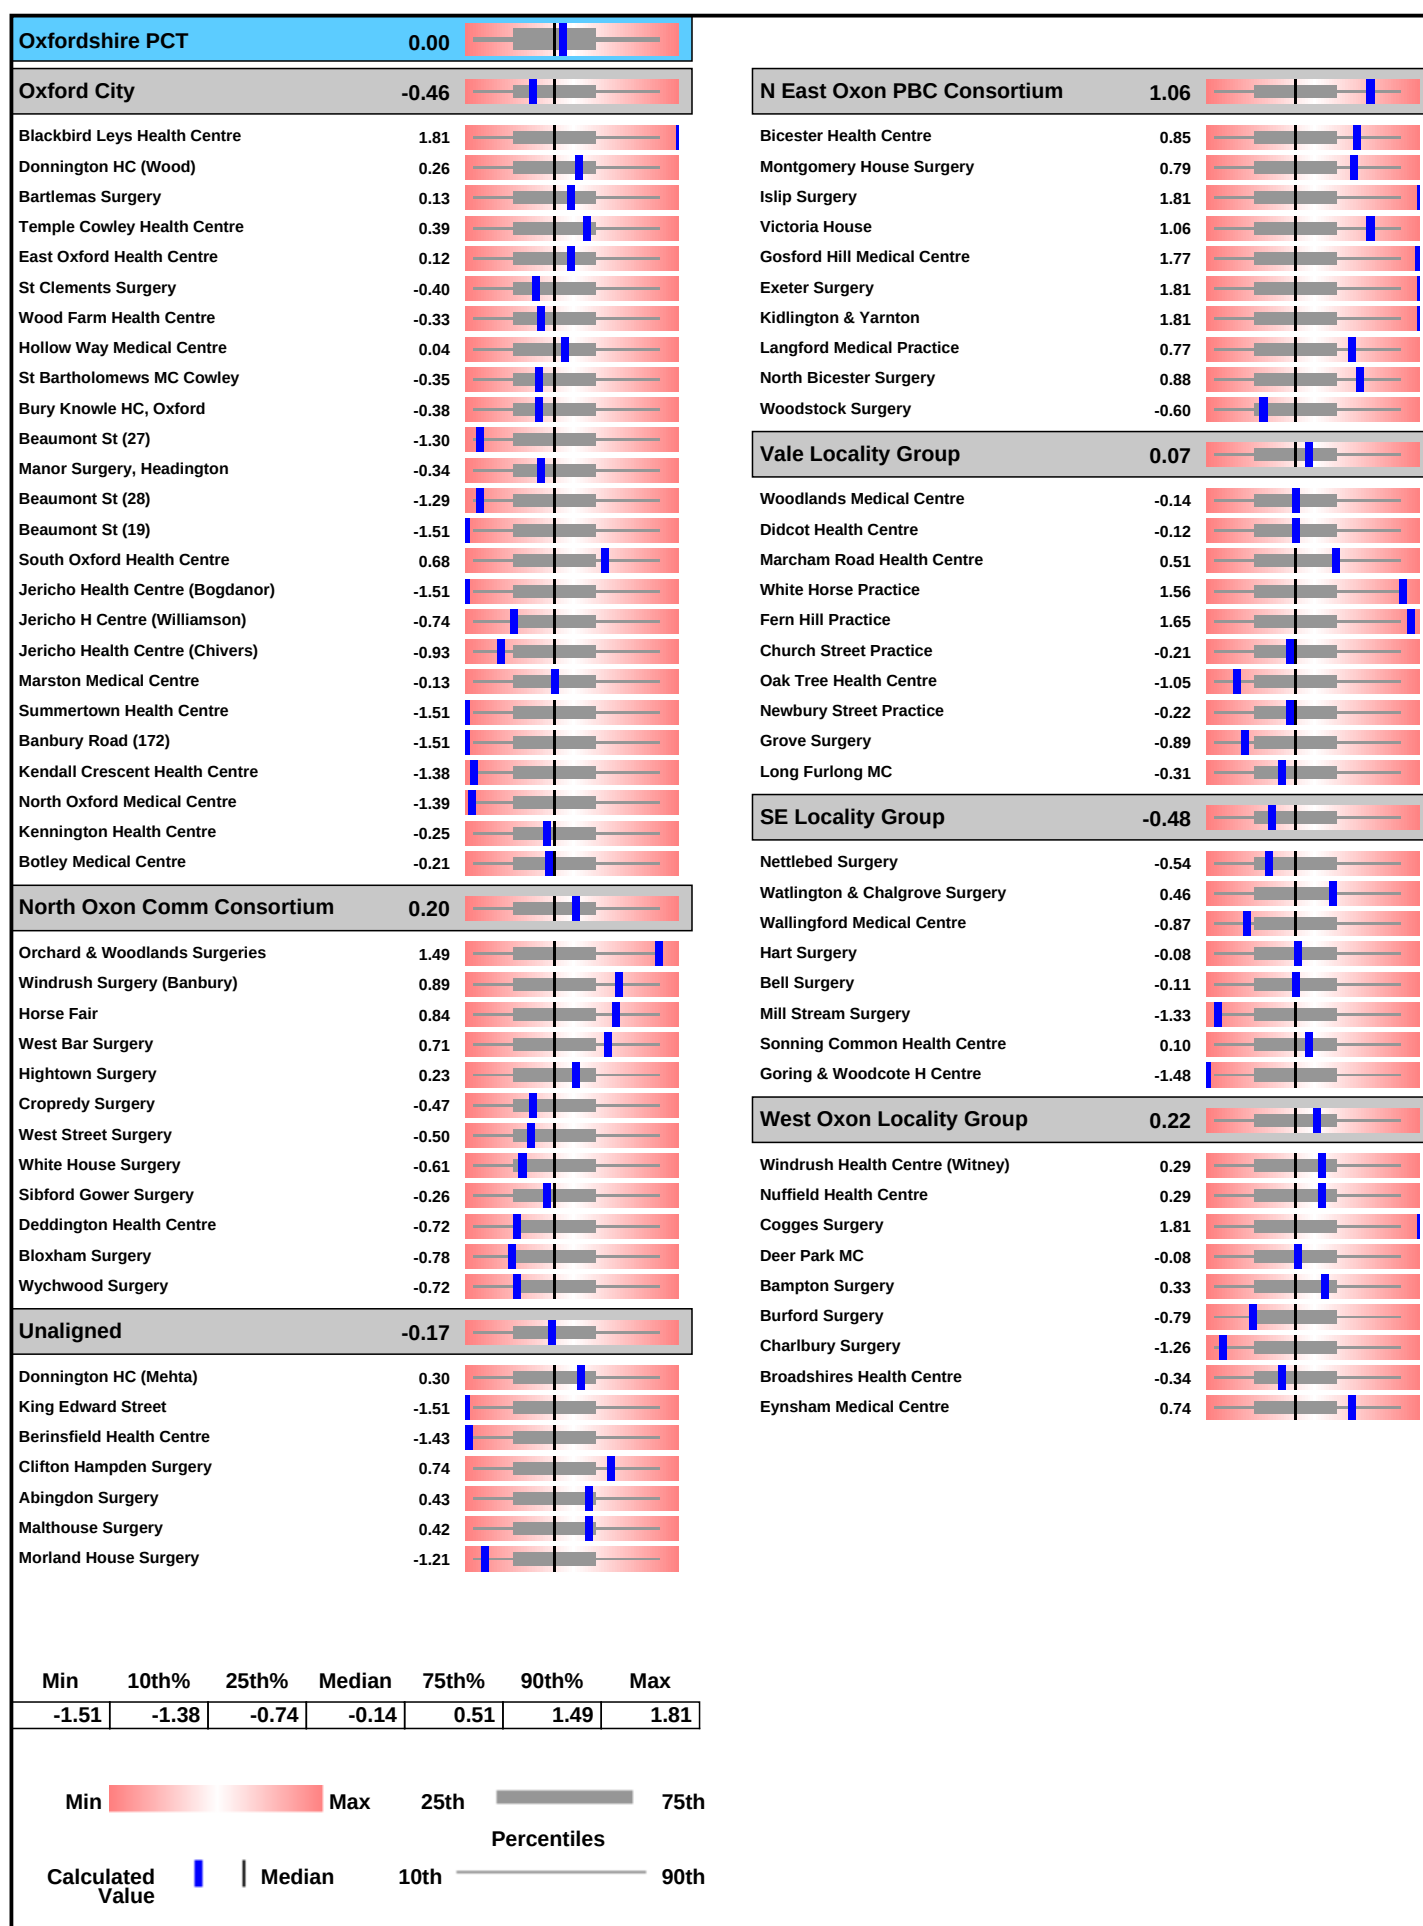

Services031

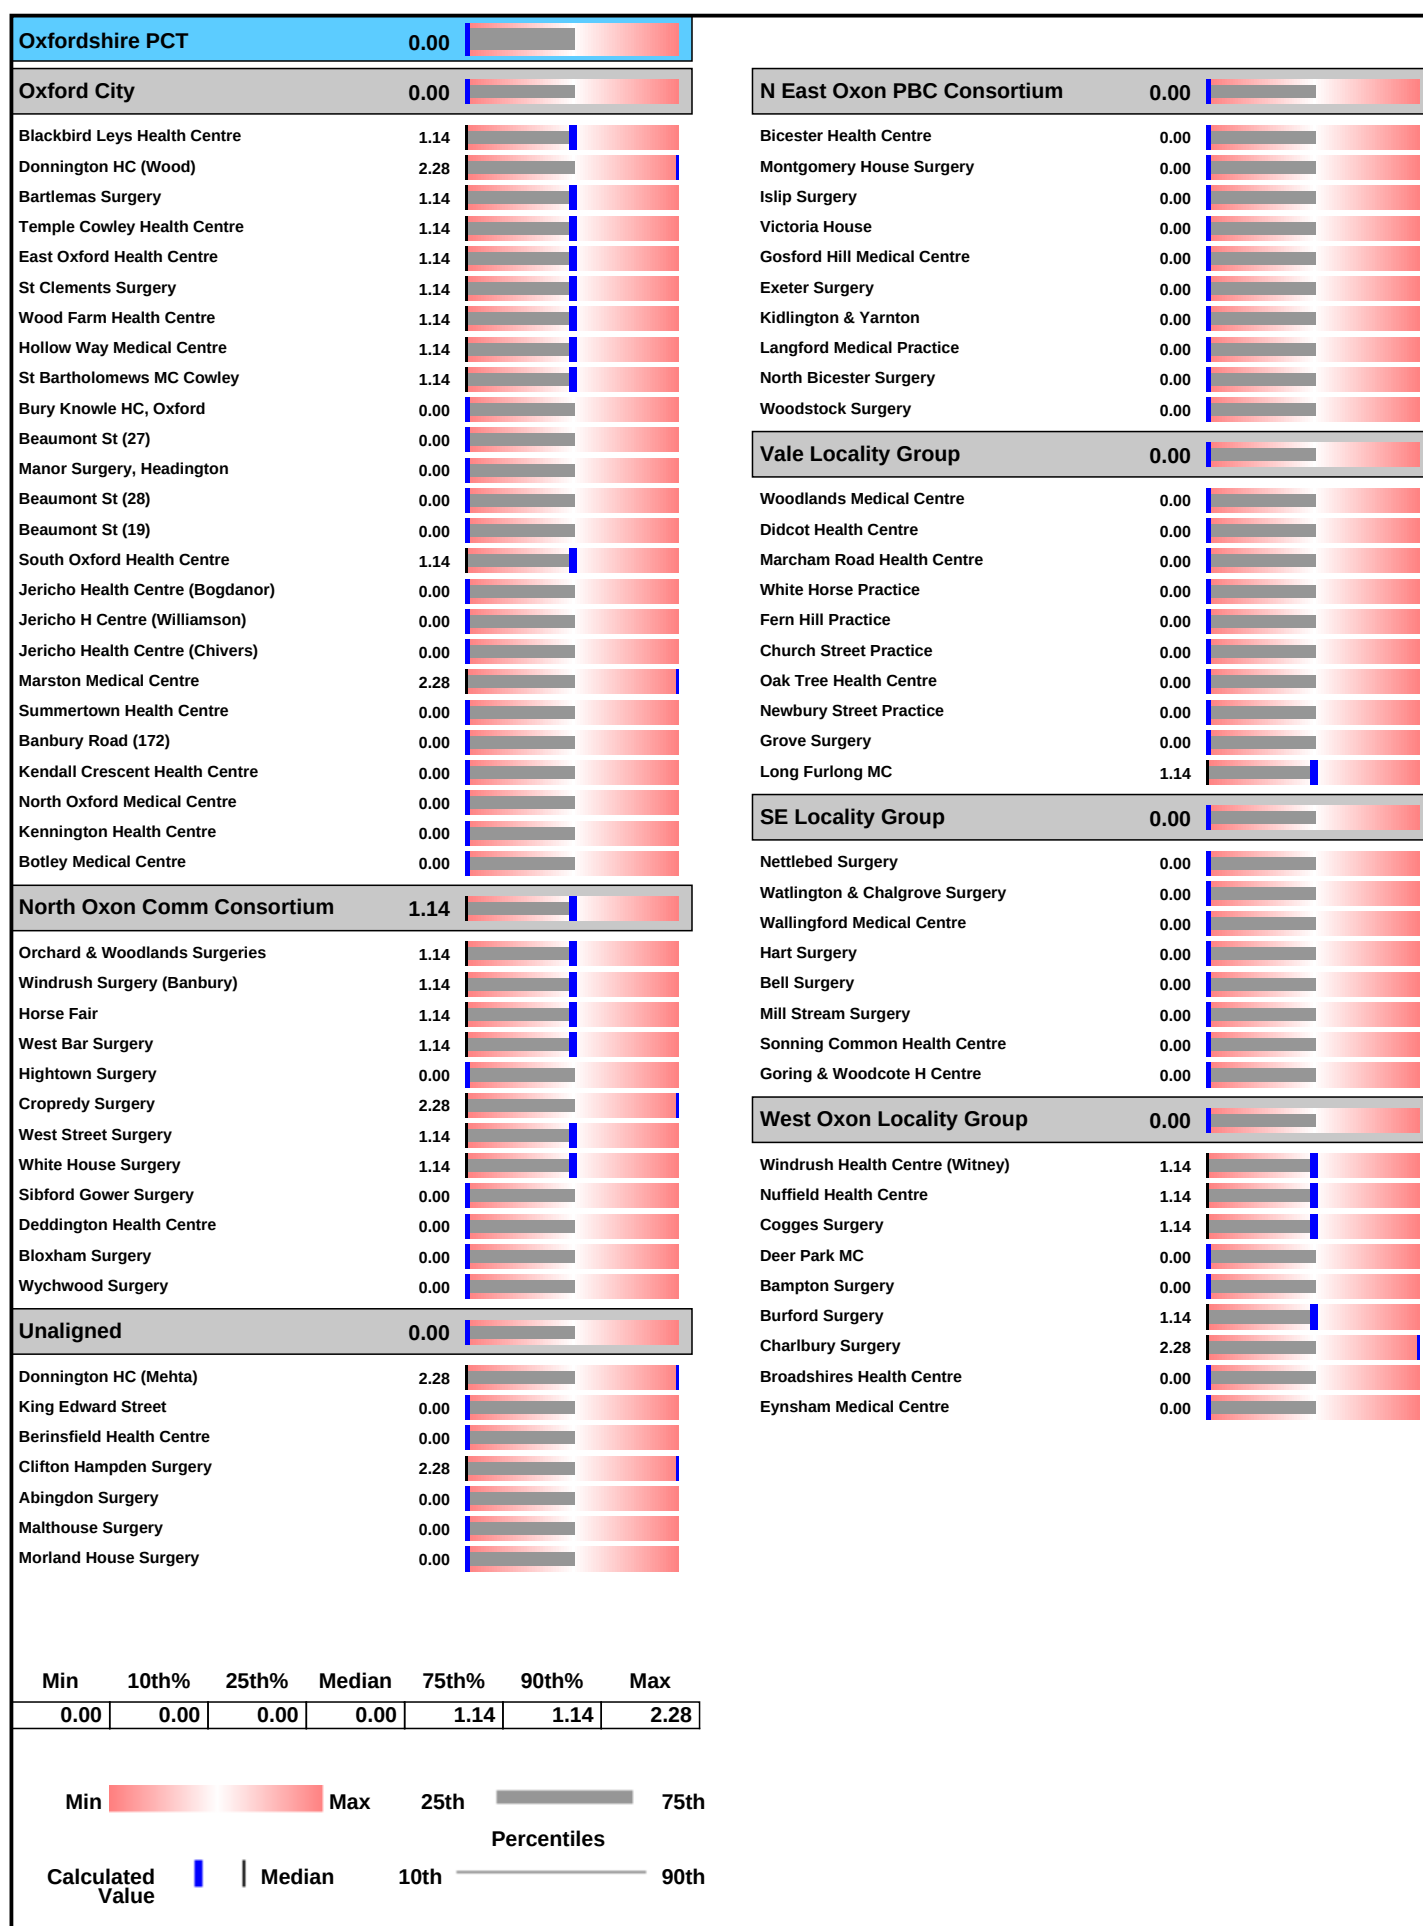

## People supported to live independently through social services (NATIONAL INDICATOR)
