

Scorecard

Key:	Performance	=	Red/ Amber/ Green rating from Thematic Partnership¹ Grey/ NCI = no current information
	Baseline	=	Baselines used in LAA2 agreement
	Trend²	=	Comparison of performance with last quarterly report³ (Not restricted to improving RAG rating)

Extract

¹ Where the partnership did not provide one, a RAG status was inserted based on the information provided.

² An upwards arrow indicates improving performance, not necessarily an increase in the figure reported for that target, a downwards arrow indicates declining performance.

³ Where data is generated annually or biannually, trend is matched with last data received.
