

Request for evidence to inform the development and testing of the South East England Strategy – Evidence tables

Contents

Section/ Table title	Page/ table no
The spatial strategy within and across your group of authorities	2
<i>Adopted spatial strategies</i>	A1.1
<i>Emerging spatial strategies</i>	A1.2
<i>Tested and rejected spatial strategies</i>	A1.3
<i>Other spatial frameworks</i>	A2
<i>Summary of public consultations on spatial strategies</i>	A3
Sustainability	3
<i>Key sustainability issues</i>	B1
Climate change and carbon reduction	4
<i>Research on climate change and carbon reduction</i>	C1.1
<i>Impact of climate change for spatial planning</i>	C1.2
<i>Opportunities for renewable energy or low carbon generation</i>	C1.3
<i>Impacts of development options on carbon emissions</i>	C2
<i>Local targets for renewable energy or low carbon generation</i>	C3
Housing	5
<i>Research on the housing market downturn</i>	D1.1
<i>Implications of housing market downturn for delivery of strategic housing sites</i>	D1.2
<i>Implications of housing market downturn for delivery of SE Plan housing policies</i>	D1.3
<i>Affordable housing delivery</i>	D2
<i>Housing growth over and above South East Plan levels</i>	D3
Economy	6
<i>Timetable for LEA production</i>	E1.1
<i>Research to inform the LEA</i>	E1.2
<i>Research on the economic downturn</i>	E2.1
<i>Implications of economic downturn for delivery of employment/retail provision</i>	E2.2
<i>Sectoral needs</i>	E3
<i>Skills needs</i>	E4
<i>Opportunities for new strategic employment land</i>	E5
Environmental constraints	7
<i>Research on specific environmental or physical constraints</i>	F1.1
<i>Environmental of physical impact arising from delivery of the regional spatial strategy</i>	F1.2
Infrastructure	8
<i>Core Strategy Infrastructure Delivery Plans/other infrastructure capacity studies</i>	G1
<i>Identified infrastructure investments</i>	G2
<i>Research on the economic/housing market downturn in relation to infrastructure delivery</i>	G3
Joint and cross boundary working	9
<i>Joint work being undertaken</i>	H1
<i>Implications of joint work for delivery of South East Plan Spatial Strategy</i>	H2
<i>Alternative or additional sub-regions</i>	H3
<i>Other views on sub-regions</i>	H4
<i>Any other evidence</i>	H5

Notes:

- We recognise that you may not have information/evidence available to answer all the questions included here. Where no relevant evidence is available, please state 'Not available'. Please do not leave rows blank.
- Where possible please provide web references to documents and section/para numbers for the information you are referring to. If research/information is not currently available on a website please append this to your response.
- If research is available in draft form and you are willing/able to share it with us please append this to your response.
- Please return your completed tables by **30 April 2010**. Any questions, please contact Cath Rose (catherineros@se-partnershipboard.org.uk, 01483 555235).

Local authority group	[please complete]
A. The spatial strategy within and across your group of authorities	

A1.1 Please indicate – for each local authority within your group of authorities – the adopted spatial strategy for that area, and any emerging spatial strategy, in **Table A1.1** and **A1.2**.

Table A1.1 – Adopted spatial strategies

Authority	Outline of adopted spatial strategy	Source			
		Title	Section/para	Date	Web reference
	<i>[please insert more rows as required]</i>				

Table A1.2 – Emerging spatial strategies

Authority	Outline of emerging spatial strategy	Source			
		Title	Section/para	Date	Web reference
	<i>[please insert more rows as required]</i>				

A1.3 Please outline – for each local authority within your group of authorities – any alternative spatial strategies recently tested and rejected for that area in **Table A1.3**.

Table A1.3 – Tested and rejected spatial strategies

Authority	Outline of tested and rejected spatial strategy	Source			
		Title	Section/para	Date	Web reference
	<i>[please insert more rows as required]</i>				

A2 Is any work being undertaken within or across your authorities to develop spatial frameworks at other levels (for example in support of a Sustainable Communities Strategy)? If so, please outline in **Table A2**.

Table A2 – Other spatial frameworks

Authority or group of authorities	Title	Anticipated timetable /date of adoption	Title/Web reference where available	Description/comments (optional)
	<i>[please insert more rows as required]</i>			

A3 Please indicate in **Table A3** if any summaries of recent public consultations relating to the spatial strategy within and across your group of authorities are available.

Table A3 – Summary of public consultations on spatial strategies

Authority or group of authorities	Source				Description/comments (optional)
	Title	Section/para	Date	Web reference	
	<i>[please insert more rows as required]</i>				

Local authority group	[please complete]
-----------------------	-------------------

B. Sustainability

B1 In **Table B1** please outline – for each local authority within your group of authorities – any key sustainability issues identified in sustainability appraisals undertaken for local development or other economic or planning policy documents.

Table B1 – Key sustainability issues

Authority	Outline of key sustainability issues	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

Local authority group	[please complete]
C. Climate change and carbon reduction	

C1.1 Please outline, in **Table C1.1**, any research that has - or is - being undertaken within or across your group of authorities relating to the localised impacts of climate change and opportunities for renewable energy production and/or carbon reduction.

Table C1.1 – Research on climate change and carbon reduction

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comments (optional)
<i>[please insert more rows as required]</i>				

C1.2 Has this research identified any findings about the possible future impact of climate change (eg hotter summers, wetter winters, more extreme weather events) for spatial planning within or across your group of authorities? Please outline in **Table C1.2**.

Table C1.2 – Impact of climate change for spatial planning

Description of impact	Source			
	Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>				

C1.3 Has this research identified any opportunities for renewable energy or low carbon generation within or across your group of authorities? If so, please outline in **Table C1.3**.

Table C1.3 – Opportunities for renewable energy or low carbon generation

Description of opportunities	Source			
	Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>				

C2 Have any assessments been undertaken of the impacts of development options on carbon emissions within or across your group of authorities (eg carbon trajectories)? If so, please summarise in **Table C2**.

Table C2 – Impacts of development options on carbon emissions

Description of development options and impacts	Source			
	Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>				

C3 Have any local targets for renewable energy or low carbon generation been identified within or across your group of authorities? If so please summarise in **Table C3**.

Table C3 – Local targets for renewable energy or low carbon generation

Authority or group of authorities	Target	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

Local authority group	[please complete]
D. Housing	

D1.1 Please outline, in **Table D1.1**, any research that has been undertaken on the impact of the housing market downturn (for example, relating to anticipated rates of delivery in the short, medium and long term, expected delivery profile from strategic sites, changes in the type and tenure of provision).

Table D1.1 – Research on the housing market downturn

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comment (optional)
<i>[please insert more rows as required]</i>				

D1.2 Please outline any findings from this research relating to the delivery of strategic housing sites in the short (0-5year), medium (5-10year) and long (10+year) term in **Table D1.2**.

Table D1.2 – Implications of housing market downturn for delivery of strategic housing sites

Description of implications	Sources			
	Title	Section/para	Date	Web reference
Short term				
Medium term				
Long term				

D1.3 Please outline – in **Table D1.3** - any findings from this research relating to the delivery of South East Plan housing policies, (including for the phasing of housing delivery or the type of housing provision) in the short (0-5year), medium (5-10year) and long (10+year) term.

Table D1.3 – Implications of housing market downturn for delivery of SE Plan housing policies

Description of implications	Sources			
	Title	Section/para	Date	Web reference
Short term				
Medium term				
Long term				

D2 Has any work been done locally on affordable housing delivery, including any proposals designed to deliver more affordable housing? If so, please outline key findings in **Table D2**.

Table D2 – Affordable housing delivery

Authority or group of authorities	Description of key findings	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

D3 Policy H2 of the South East Plan encourages local authorities to plan for an increase in housing completions. Please outline, in **Table D3**, any work that has been undertaken in support of LDFs within your group of authorities to identify opportunities for housing growth over and above the levels set out in the South East Plan.

Table D3 – Housing growth over and above South East Plan levels

Authority or group of authorities	Description of opportunities	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

Local authority group	[please complete]
E. Economy	

E1.1 What is the timetable for the preparation of a Local Economic Assessment within or across your group of authorities? Please identify in **Table E1.1**.

Table E1.1 – Timetable for LEA production

Authority or group of authorities	Timetable for LEA	Web reference where available	Description/comments(optional)
<i>[please insert more rows as required]</i>			

E1.2 Please outline any additional research being undertaken to inform the Local Economic Assessment, and the timetable for that research, in **Table E1.2**.

Table E1.2 – Research to inform the LEA

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comments (optional)
<i>[please insert more rows as required]</i>				

E2.1 Please outline – in **Table E2.1** - any research that has been undertaken on the impact of the economic downturn.

Table E2.1 – Research on the economic downturn

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comments (optional)
<i>[please insert more rows as required]</i>				

E2.2 Please outline – in **Table E2.2** – any findings from this research relating to the delivery of strategic employment sites of major retail and leisure provision in primary or secondary town centres in the short (0-5year), medium (5-10year) and long (10+year) term.

Table E2.2– Implications of economic downturn for delivery of employment and retail provision

Description of implications	Sources			
	Title	Section/para	Date	Web reference
Short term				
Medium term				
Long term				

E3 Please summarise any specific sectoral needs identified through research in the area, in **Table E3**, along with any actions identified to address those needs.

Table E3 – Sectoral needs

Authority or group of authorities	Description of sectoral needs and any actions identified	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

E4 Please summarise – in **Table E4** - any identified skills need in the area (including basic skills, and further and higher education need) along with any actions identified to address those needs.

Table E4 – Skills needs

Authority or group of authorities	Description of skills need and any actions identified	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

E5 Please outline in **Table E5** any opportunities for new strategic employment land identified within or across your group of authorities.

Table E5 – Opportunities for new strategic employment land

Description of opportunities	Source			
	Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>				

Local authority group	[please complete]
F. Environmental Constraints	

F1.1 Has any research been undertaken on the impact that planning to deliver the South East Plan will have on specific environmental or physical constraints (for example, water quality or treatment, water supply, flood risk, landscape character, biodiversity)? Please list in **Table F1.1**.

Table F1.1 – Research on specific environmental or physical constraints

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comment (optional)
<i>[please insert more rows as required]</i>				

F1.2 Please outline – in **Table F1.2** - any findings from this research relating to the delivery of the South East Plan spatial strategy within or across your group of authorities and/or any specific infrastructure investments identified to avoid or mitigate any identified impacts.

Table F1.2 – Environmental of physical impact arising from delivery of the regional spatial strategy

Authority or group of authorities	Identified impact	Action required to avoid/mitigate impacts	Source	
			Title/Web reference(s)	Relevant section/para
<i>[please insert more rows as required]</i>				

Local authority group	[please complete]
-----------------------	-------------------

G. Infrastructure

G1 Are Core Strategy Infrastructure Delivery Plans, or any other infrastructure capacity studies, being prepared by authorities within or across your group of authorities? If so, please outline the anticipated timetable for this work in **Table G1**.

Table G1 –Core Strategy Infrastructure Delivery Plans and other infrastructure capacity studies

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comments (optional)
<i>[please insert more rows as required]</i>				

G2 Please outline – in **Table G2** - any specific infrastructure investments that have been identified as important to the delivery of the South East Plan spatial strategy and whether the relevant delivery agencies are committed to delivery of these.

Table G2 – Identified infrastructure investments

Authority or group of authorities	Identified infrastructure investment	Lead Delivery Agency commitment?	Title and Web reference where available	Description/comments (optional)
<i>[please insert more rows as required]</i>				

G3 Has any research been undertaken on the impact of the housing market and economic downturn in relation to delivery of infrastructure to support growth? If so, please provide details in **Table G3**.

Table G3 – Research on the economic/housing market downturn in relation to infrastructure delivery

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Key findings
<i>[please insert more rows as required]</i>				

Local authority group	[please complete]
H. Joint and cross boundary working	

H1 Please list any joint work that has been – or is being – undertaken within or across the area in **Table H1**. Please also include any joint work that has been – or is being – undertaken with authorities outside the region.

Table H1 – Joint work being undertaken

Authority or group of authorities	Title	Date of study or anticipated timetable	Web reference where available	Description/comment (optional)
<i>[please insert more rows as required]</i>				

H2 Please outline any findings relevant to the delivery of the South East Plan spatial strategy arising from any of this joint work in **Table H2**.

Table H2– Implications of joint work for delivery of South East Plan Spatial Strategy

Authority or group of authorities	Description of implications	Source			
		Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>					

H3 Please identify – in **Table H3** - whether any you feel that other joint working arrangements (other than those relating to delivery of the South East Plan sub-regions or RES Diamonds) need to be considered in our separate review of sub-regions?

Table H3 – Alternative or additional sub-regions

Authority or group of authorities	Suggestions for alternative or additional sub-regions
<i>[please insert more rows as required]</i>	

H4 In summer 2009, we asked authorities across the region for their views on:

- Whether any sub-regional strategy in the South East Plan relevant to you is serving a clear purpose and being implemented? and
- How we should best address sub-regions in the regional strategy?

Are there any other comments your group, or authorities within your group, would like to raise in relation to this question? If so, please include in **Table H4**.

Table H4 – Other views on sub-regions

Authority or group of authorities	Comments
<i>[please insert more rows as required]</i>	

H5 Please list in **Table H5** any other evidence or information available at the local level that you feel may be useful to us.

Table H5 – Any other evidence

Authority or group of authorities	Source			
	Title	Section/para	Date	Web reference
<i>[please insert more rows as required]</i>				

Many thanks for completing these evidence tables.

Please return your completed tables to catherinerose@se-partnershipboard.org.uk by Friday 30 April 2010.
