bringing learning to life

**OXFORDSHIRE
COUNTY COUNCIL**

Welcome!

Each year, when planning new courses, we aim to inspire you to expand your horizons.

Whether you wish to explore an interest for personal development or wellbeing, or to gain

valuable skills relevant to your employment needs, we are proud of the wide choice we offer in a diverse range of subjects.

Take a look inside our new brochure for 2009/10 and you will find hundreds of new courses, aimed at a range of skill levels.

We continue to offer many popular courses alongside exciting new subjects. In addition to the ones we have been able to list in full, take a look at how our workforce and career development, family learning and skills for life teams can help you to explore and achieve your ambitions.

Also look out for an array of courses offered by our partner organisations. We also provide a range of choices for adults with learning disabilities.

If you are short of time, or would like to do a taster before embarking on a longer course, you can choose from a wide range of weekend-only courses and workshops.

We are proud to offer quality and value for money. So, whether you want to learn for fun, work, or to obtain a qualification, we can help you to achieve your goal.

We look forward to welcoming you at one of our classes.

Terms & Conditions

Your right to cancel before the course starts

You have the right to cancel your application for the course within seven working days (i.e. Monday to Friday excluding public holidays) from the day after that on which you applied for the course. If you exercise your right to cancel, we will refund your full course fee within 30 days of receiving your notice of cancellation.

Your right to cancel after the course starts

You have the right to cancel your application for the course within seven working days (i.e. Monday to Friday excluding public holidays) from the day after that on which you applied for the course. However, if you attend one or more sessions of the course before your right to cancel expires, we will refund the course fee less the cost of the session you attended within 30 days of receiving your notice of cancellation (e.g. if you attended one session of a 10-week course, we will refund 9/10ths of the course fee). Otherwise, course fees will not usually be refunded after the course has started. Please note that £5 will be deducted from a fee refund to cover administrative costs.

How to exercise your right to cancel

If you wish to exercise your right to cancel, you must inform the Head of Adult Learning in writing to: **Adult Learning, Room L18, Cricket Road Centre, Oxford OX4 3DW** or adult.learning@oxfordshire.gov.uk

Changing advertised details

Wherever possible, we will run courses as advertised. However, where course numbers are below the minimum required, we reserve the right to alter the advertised details.

Where we cancel a course

If we cancel a course for any reason (e.g. because not enough people have signed up for it), we will attempt to offer you an alternative course, otherwise we will refund your full course fee within 30 days of cancelling the course.

Exceptional circumstances

Once a course has begun, we will only consider refund requests in exceptional personal or family circumstances. If, due to exceptional circumstances, you wish to request a refund, please write to the above postal or email address explaining the relevant circumstances. Your request will be passed to the Head of the Adult Learning Service who has the discretion to authorise full or partial refunds in exceptional circumstances.

Discounts

Lipreading and Plus Group courses are not eligible for discounts but may qualify for fee remission.

Non-subsidised courses

These are not eligible for fee remission or any of the discounts.

Joining a course once it has already started

If you join a course part of the way through, you will usually be expected to pay the full course fee: late joiners cost just as much in administration for us, and course tutors may need to assess how they can assist new learners to catch up with the rest of the class and produce the necessary additional materials. However, reduced fees may be payable in certain circumstances. Please enquire before you enrol if you are concerned about this.

Cancellation of a session due to a general emergency

If a class has to be cancelled because of a general shutdown due to adverse weather conditions or other emergency affecting the whole site, locality or county, we will, where possible, arrange an extra session to make up for the cancelled one. However, you will not be entitled to a pro-rata fee refund for that cancelled session.

Plus Groups are designed to take your learning further – an opportunity to practise and develop skills with an experienced tutor. They are slightly more expensive than our standard hourly rate as this learning does not attract funding, but still offers very good value.
