

Hoses and Ladders

Rules of the game

- 1) All players to roll the dice, who ever rolls the highest goes first. Take turns in a clockwise direction.
- 2) The players take it in turns to roll the dice, moving their counters around the board.
- 3) Ladder: if a player lands on a square that has a ladder, his or her marker moves to the square at the top of the ladder and continues from there.
- 4) Hose: if a player lands on a square with a fire hydrant on, his or her marker slides down the hose to the square with the end of the hose.
- 5) The first player to square 100 is the winner but you must have the correct number on the dice to land on the 100 mark.

Instructions: Ask an adult to help you!

- 1) Print/stick pages on paper or card.
- 2) Use scissors to cut around the dotted lines for each Paper Pal.
- 3) Make sure you do not cut on the solid lines. (This is where you will fold the paper)
- 4) Fold the cut-out Paper Pal on the solid lines where indicated.
- 5) Glue or tape the front and back of the Paper Pal together and stand it up.
- 6) Cut along the dotted line on page 1. Glue to page 2 along the glue line. Make sure you line up the square and numbers.

Hexagon spinner

- 1) If you can't find a dice - ask an adult to help you cut out the spinner. All you need is a pencil and some card. Stick the spinner to some card then cut it out.
- 2) Carefully poke the pencil through middle of the hexagon spinner and then spin.
