

M40 Junction 9 improvements

to Birmingham and M1

M 40

Widen to three lanes heading away from the junction before merging to two lanes. The lay-by nearest the junction will be closed for safety reasons.

Widen from two to four lanes on the approach to the junction (with an intermediate section of three lanes). Two lanes will be available for M40 northbound traffic. Entry to roundabout will be controlled by traffic signals. The lay-by nearest the junction will be closed for safety reasons.

to Oxford, M4 and South Coast Ports

A 34

M 40

Widening the carriageway to accommodate three lanes on the west of the roundabout between the A34 exit and entry points.

to Bicester

A 41

Existing two-lane carriageway to be re-marked as three lanes in advance of the junction. The lay-by nearest the junction will be closed for safety reasons. Entry to roundabout will continue to be controlled by traffic signals.
