

REUSE DIRECTORY

Your guide to reusing, repairing and hiring:
save our planet and your money!

Oxfordshire
Waste Partnership

Your local councils working together
to improve your environment

You can make things last a little longer: including our planet!

When you no longer have a use for something don't throw it away; give it away to a charity shop. They are a great way to recycle unwanted items and the money they raise support many excellent causes.

This directory lists local charity shops and other organisations across a range of categories. Not all of the shops can take every item listed and sometimes they cannot take any donations at all so please RING BEFORE YOU BRING.

Community Action Groups

Community Action Groups, (CAGs) are a network of local voluntary groups all across Oxfordshire. They organise events and initiatives to raise awareness and take action on climate change issues including waste reduction, promoting the 3Rs (reduce, reuse and recycle), carbon reduction, sustainable transport, and food, energy and water issues to live a more sustainable and less resource dependent life in their local community.

Many CAGs run regular swap shops where your old stuff can be passed on to others or you can pick up items you want free of charge.

Visit www.cagoxfordshire.org.uk or call 07793 647190 for more info.

why waste it ?
trade it

A new materials exchange for businesses in Oxfordshire has launched. Retrader enables businesses to pass on items they no longer need to others who are able to use them. Items can be requested too. This free web based facility is available at www.retrader.org.uk

RING BEFORE YOU BRING! Always check before taking items to a charity shop

Stop before you shop!

Before you buy brand new think whether you could hire the item or repair something you already have. Oxfordshire has many organisations offering hire and repair services for a wide range of items – from hats to handsaws!

We recommend you call first to check on exactly what services are offered – a wasted journey is bad for the environment as well as the pocket.

There are many more items that you can hire, borrow or get repaired – from suits and formal wear to cars, electrical equipment and even bouncy castles.

Don't forget the smaller items too: books and DVDs can be borrowed from your local library or hired from a video shop. Visit our online reuse guide at www.oxfordshirewaste.gov.uk or to find out more about Oxfordshire libraries visit www.oxfordshire.gov.uk/libraries or call 01865 810 240.

response form

This is the first reuse guide we've produced and we want to hear what you think. Please send any comments you may have on this form to **Oxfordshire Waste Partnership, Thorpe Lane Depot, Banbury, Oxon. OX16 4UT. Alternatively, email us at owp@cherwell-dc.gov.uk**

Have you passed on any unwanted items to someone in this guide? If so, what?

Is there something else you think we could include?

Do you know any other organisations that should feature in this guide? Please provide details if so.
