

# Recycling and Waste Collections in South Oxfordshire

Recycling and waste will be collected from just within the boundary of your property (unless you live down a private lane/farm track). Please leave your bins where they can be seen by the collection crew by 7am on the day of collection.

If you need to order new bins or require a collection calendar email [admin.southoxford@verdant-group.co.uk](mailto:admin.southoxford@verdant-group.co.uk) or call 03000 610 610.
